INHALE
God, the air is far too heavy and unbreathable in this place.
I don't even know why I came back here.

I don't know why but I have a bad feeling about her.
Gotta keep my eyes on her.
One more footprint here.
Looks like that giant dragon woman came back here.
What kind of creature would leave footprints that size?
Ugh. Just thinking about her head pisses me off.
SIGH
That feathers thief, what a weirdo.
Huh?
Another one?
This one's small.
She's getting close to the cabin.
I'll just follow her and make sure she's not a threat.

Hum? It's strange
She kinda smells like-
ANTHÉIA!

I know you are here so get out!
I'm not in the mood to play hide and seek.
I swear I'm gonna kill her.

There are some girls that are so mean to me...
They hate me and bully me, I don't even know why, I've never done anything to them.
I don't have many friends in the Heaven realm.
And I'm scared to do the first move you know.
Don't worry. I'll give them a lesson if they unfortunately cross my path.
Please don't! You don't know how to handle things peacefully!
I don't know what you're talking about.
