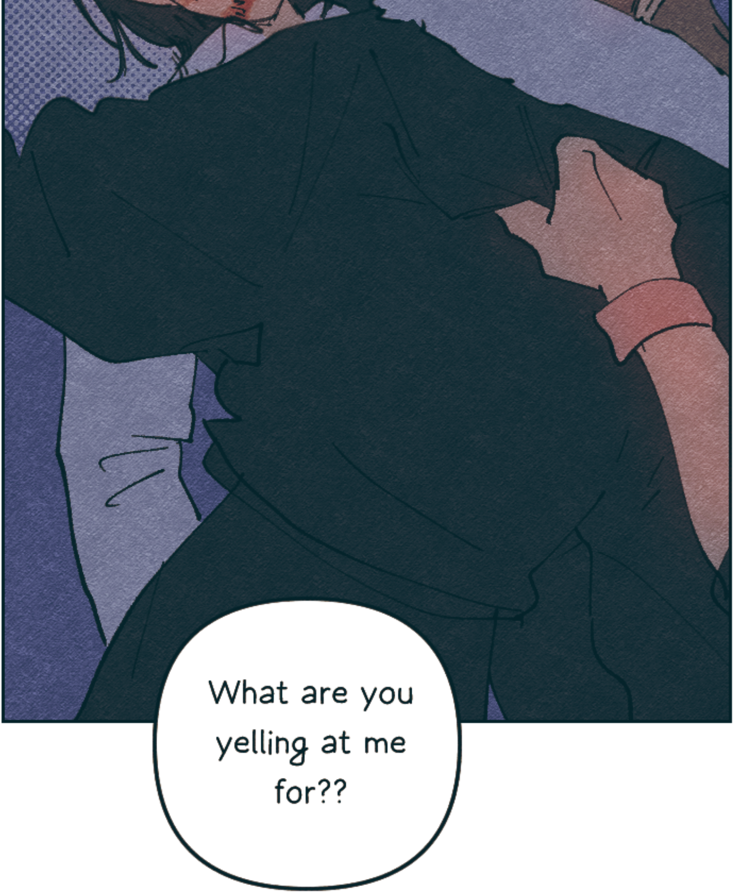
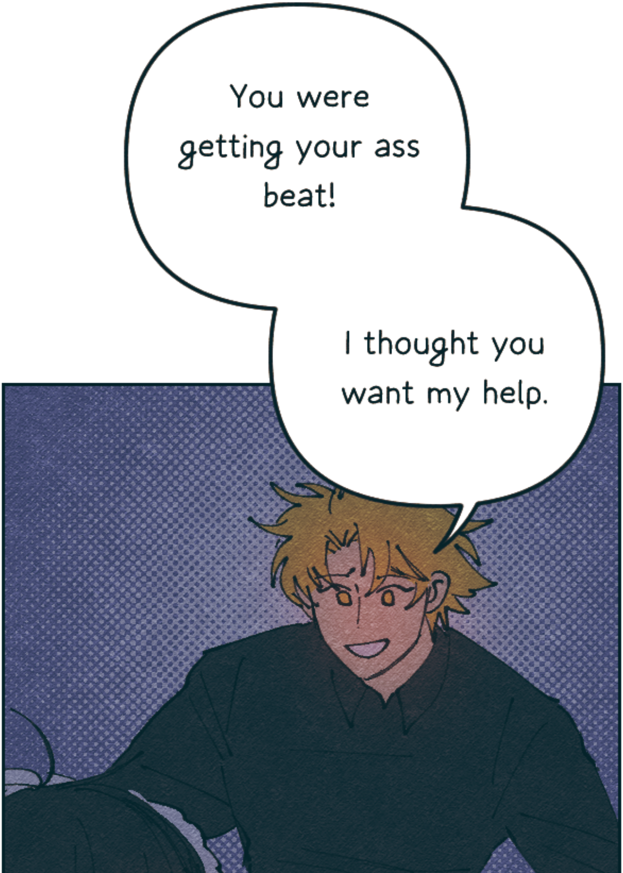
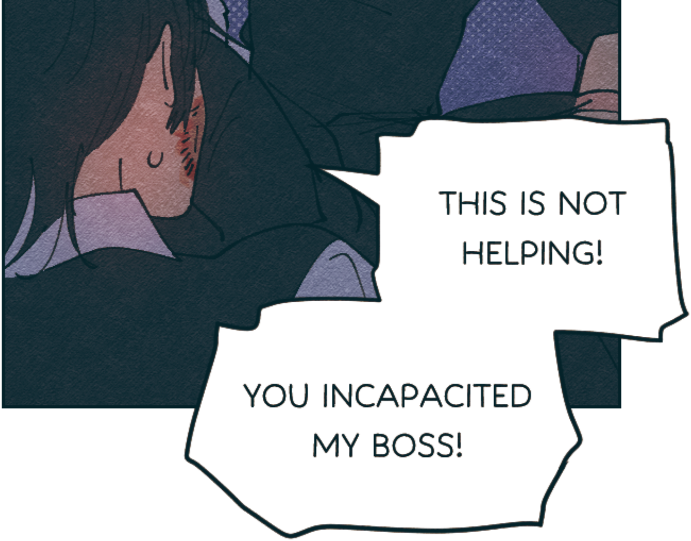
You knocked him out!!
What's wrong with you?!



What are you yelling at me for??

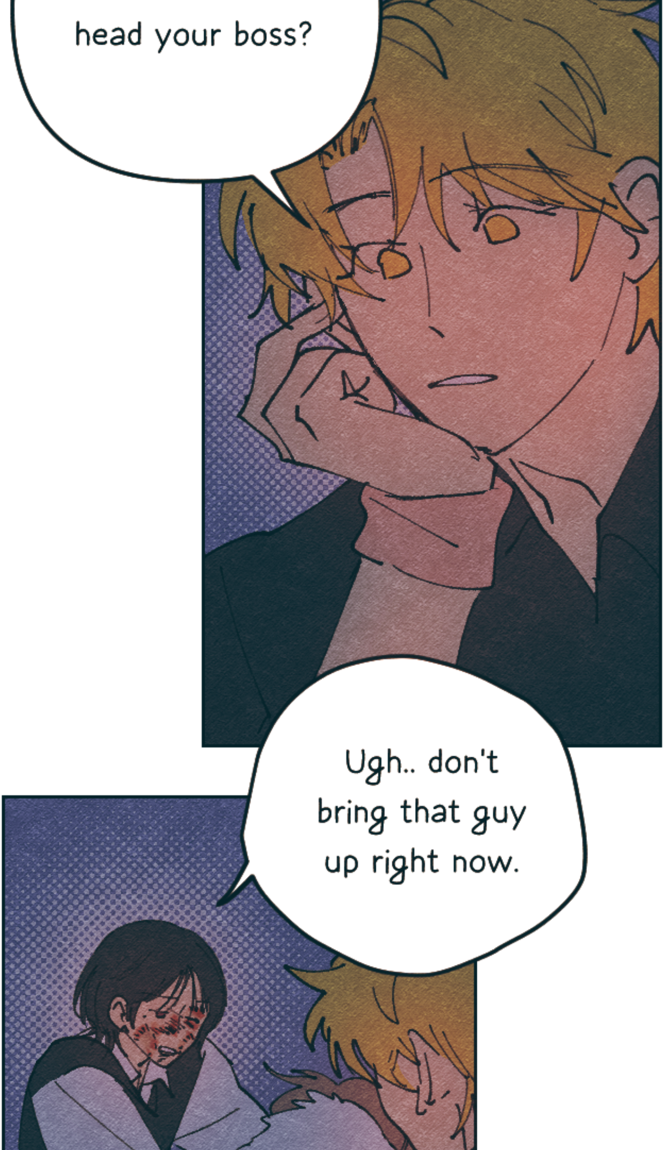


You were getting your ass beat!
I thought you want my help.

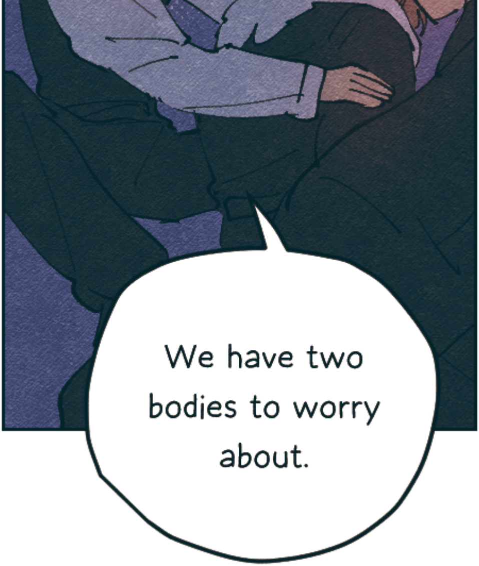


THIS IS NOT HELPING!
YOU INCAPACITED MY BOSS!

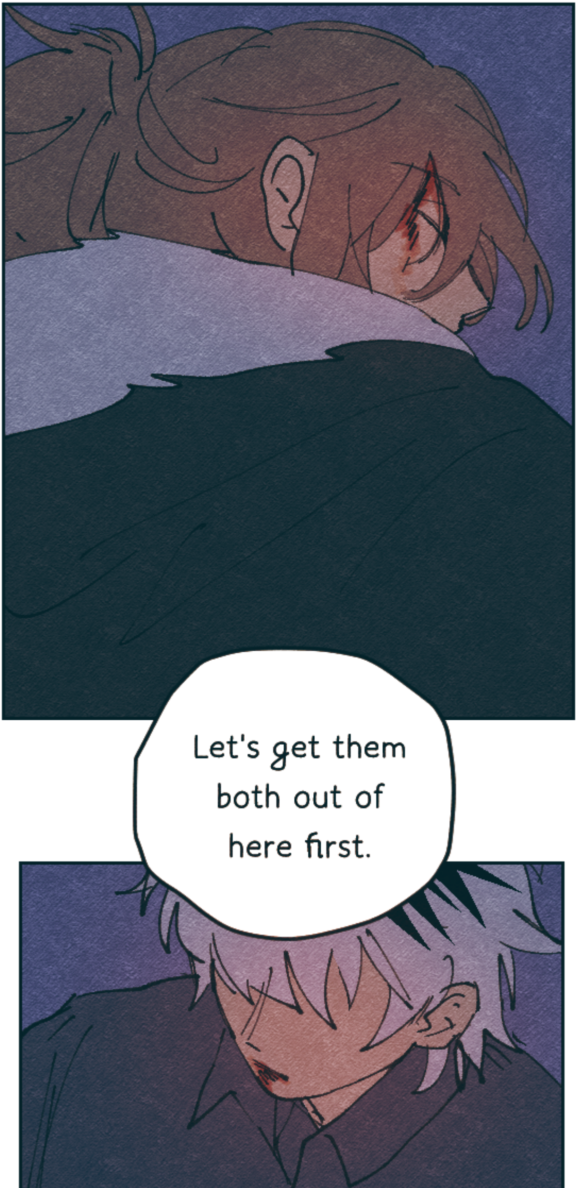
Isn't the red



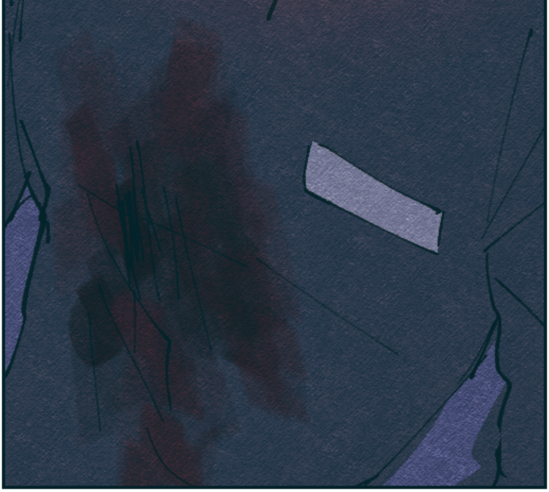
head your boss?
Ugh.. don't bring that guy up right now.

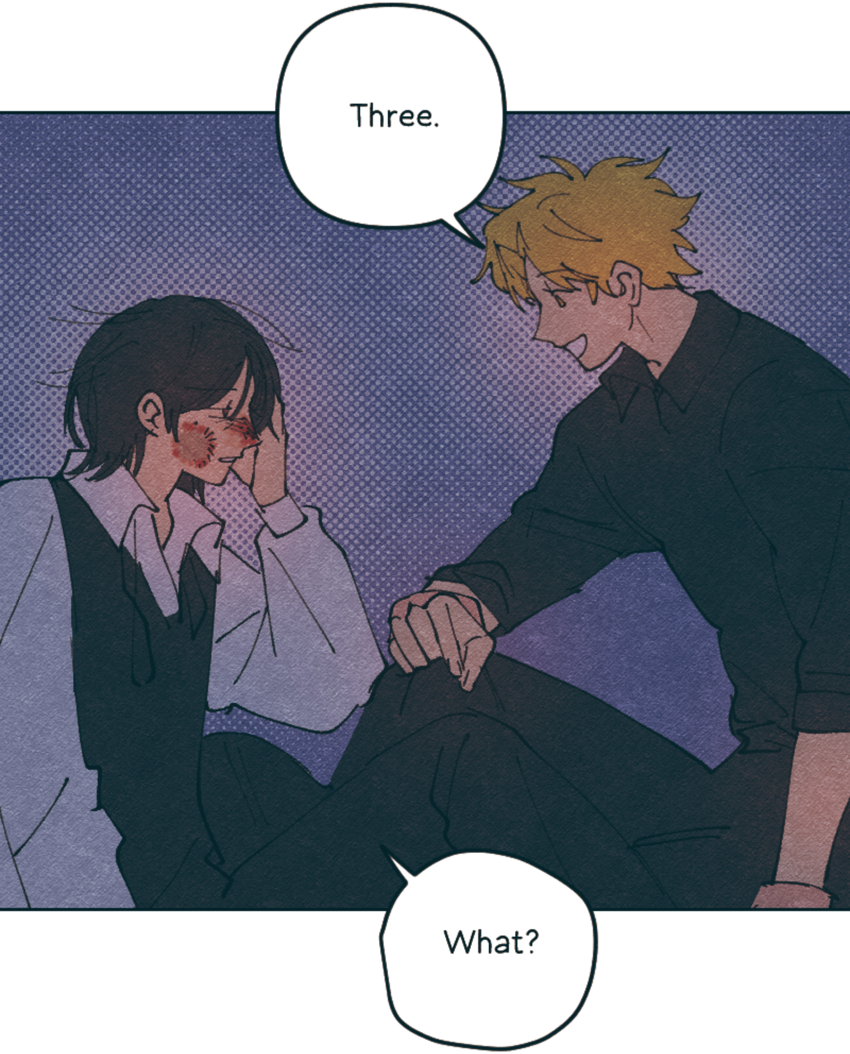


We have two bodies to worry about.



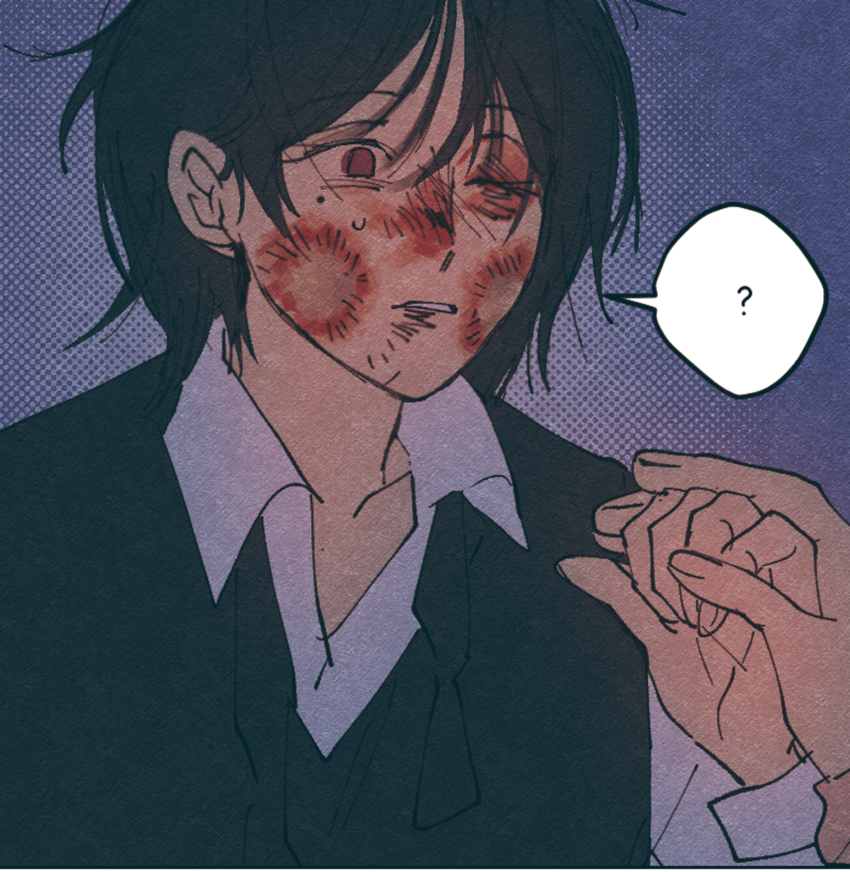
Let's get them both out of here first.





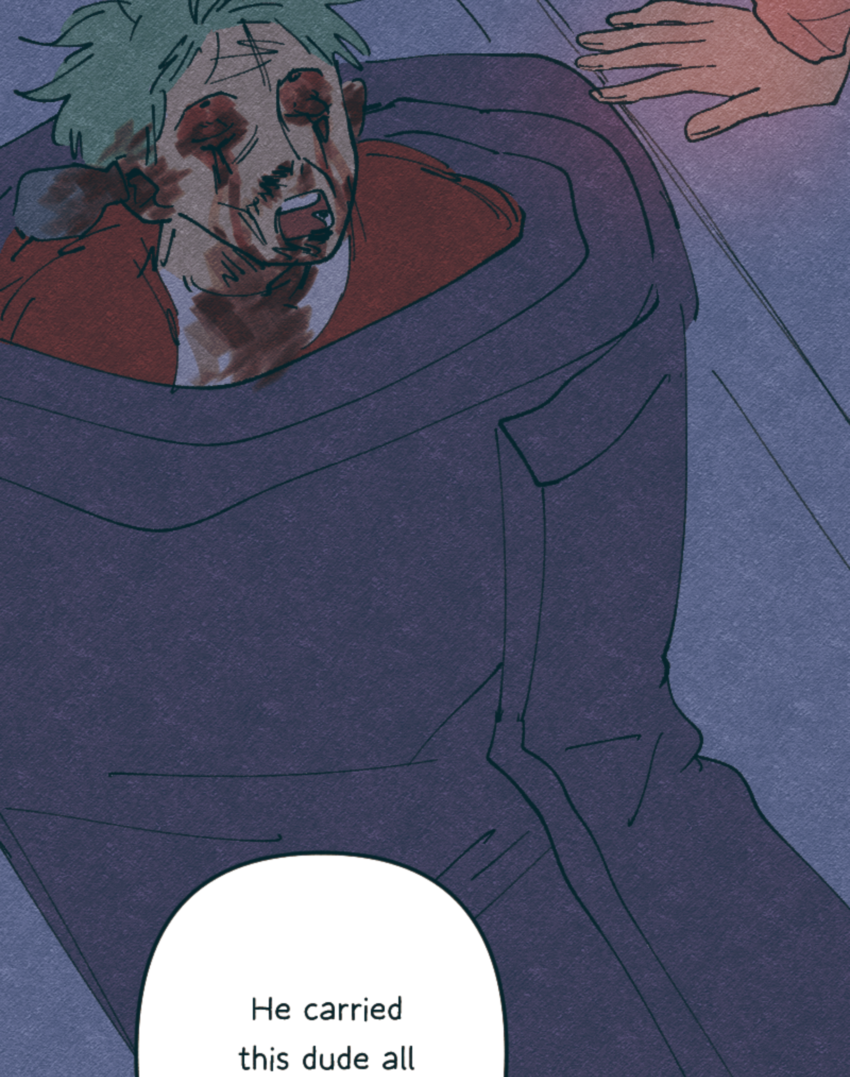
Three.
What?

There's three bodies to worry about.

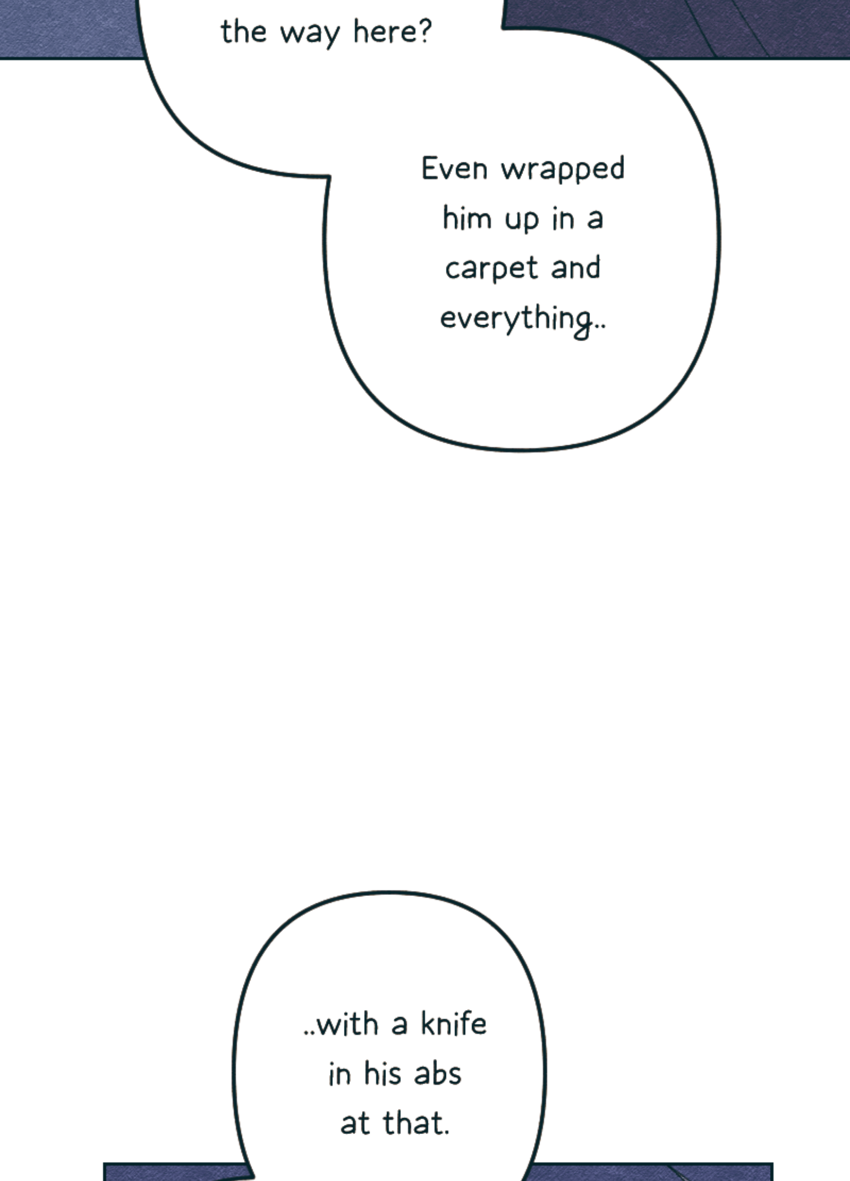


?

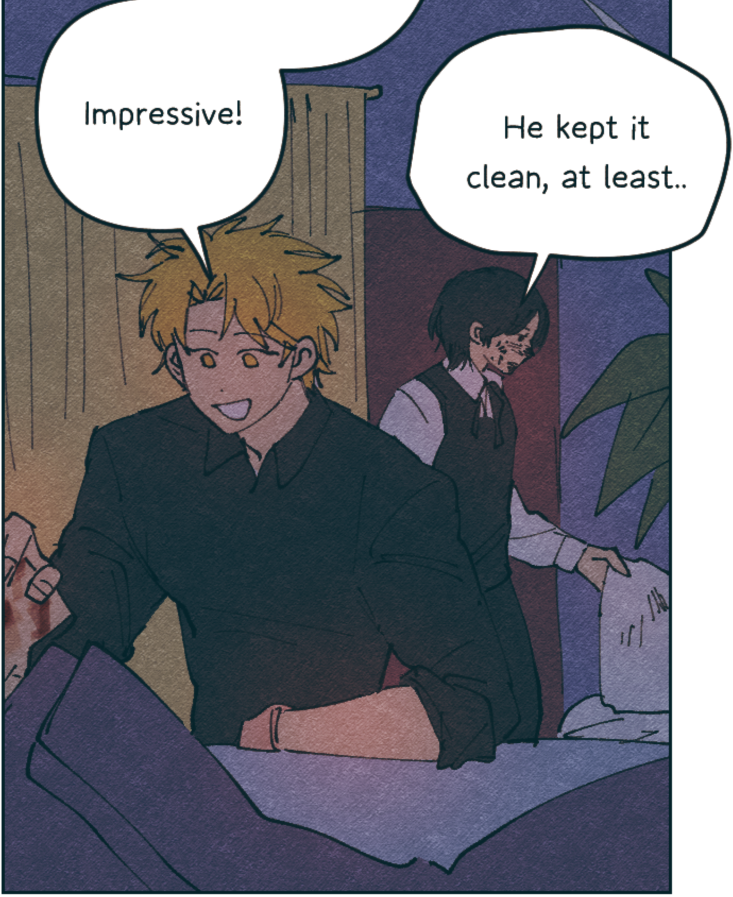
Wicked..



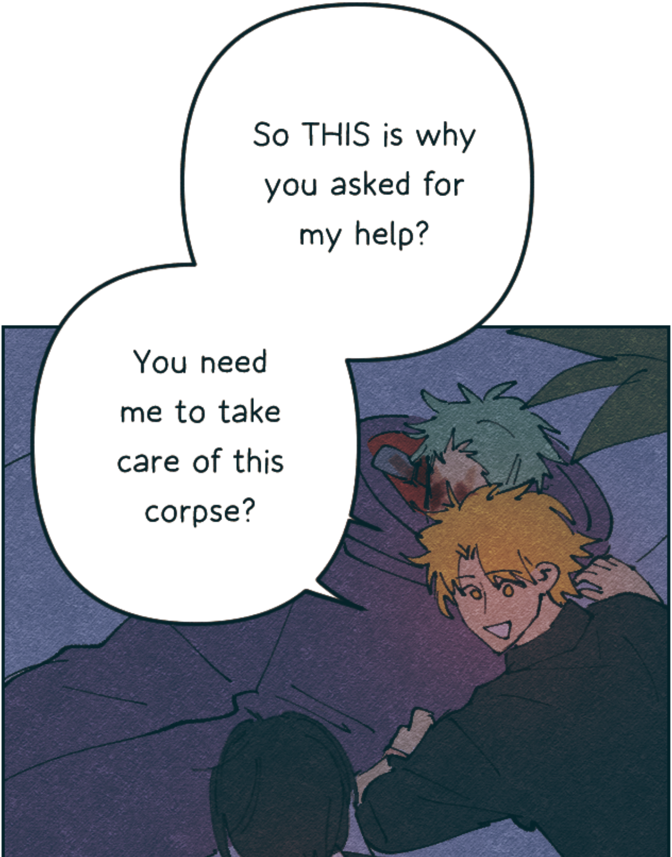
He carried this dude all



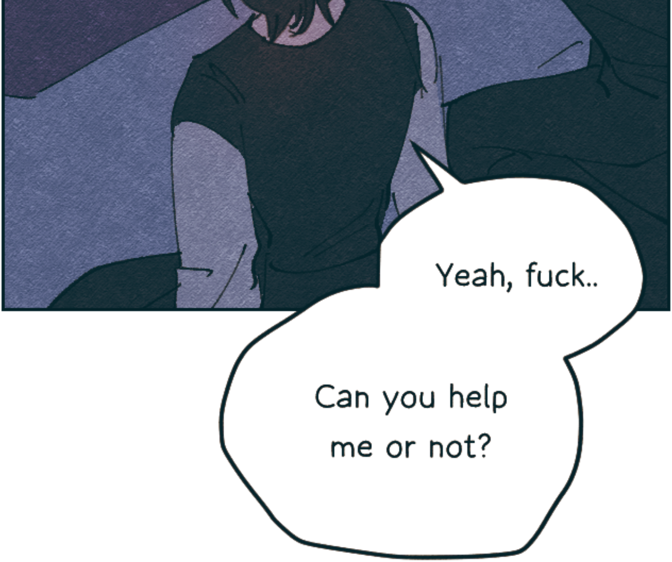
the way here?
Even wrapped him up in a carpet and everything..
..with a knife in his abs at that.



Impressive!
He kept it clean, at least..

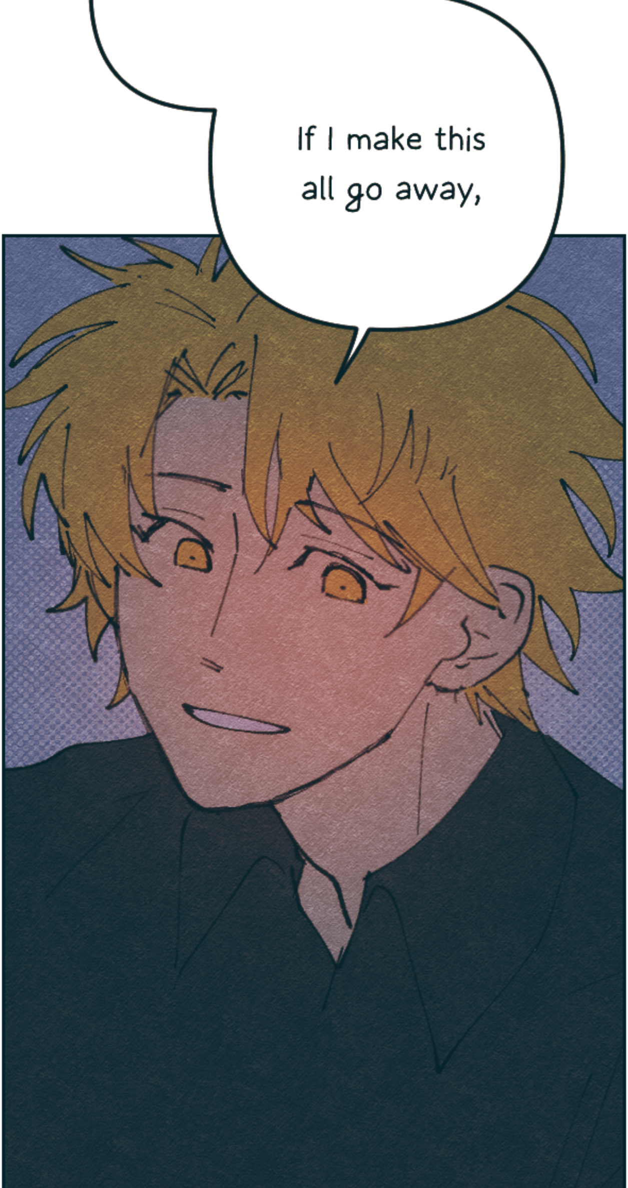


So THIS is why you asked for my help?
You need me to take care of this corpse?

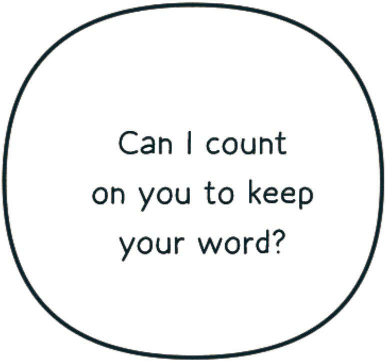


Yeah, fuck..
Can you help me or not?

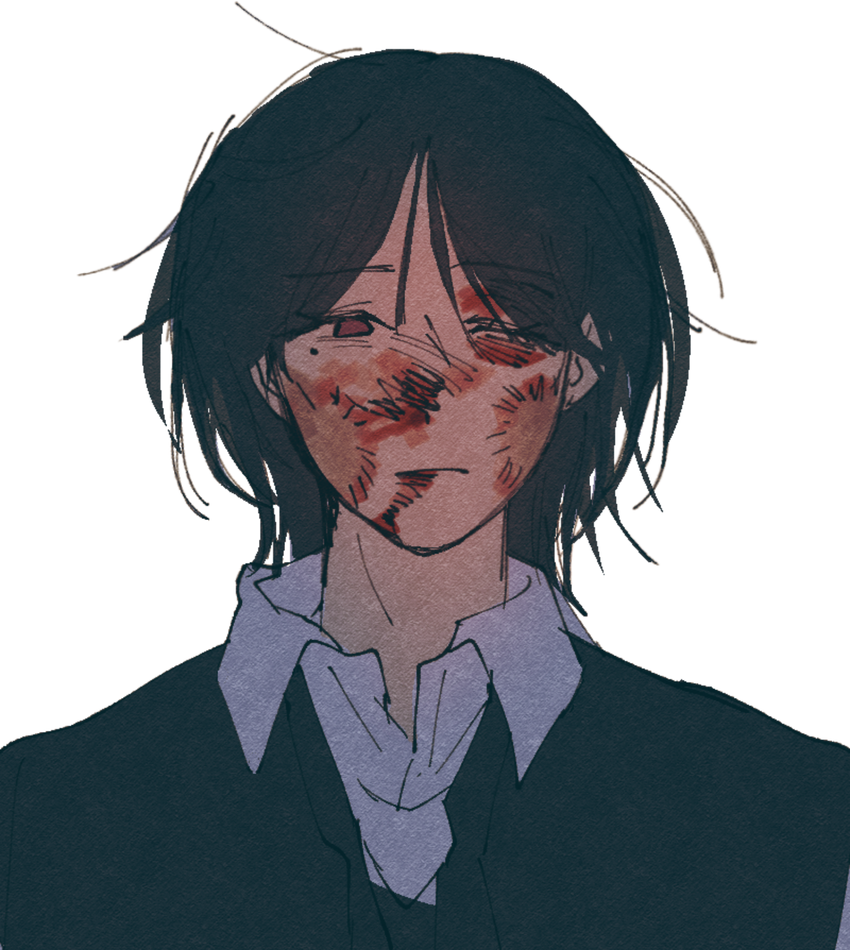
Well..

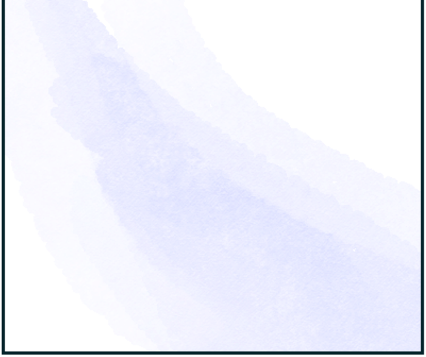


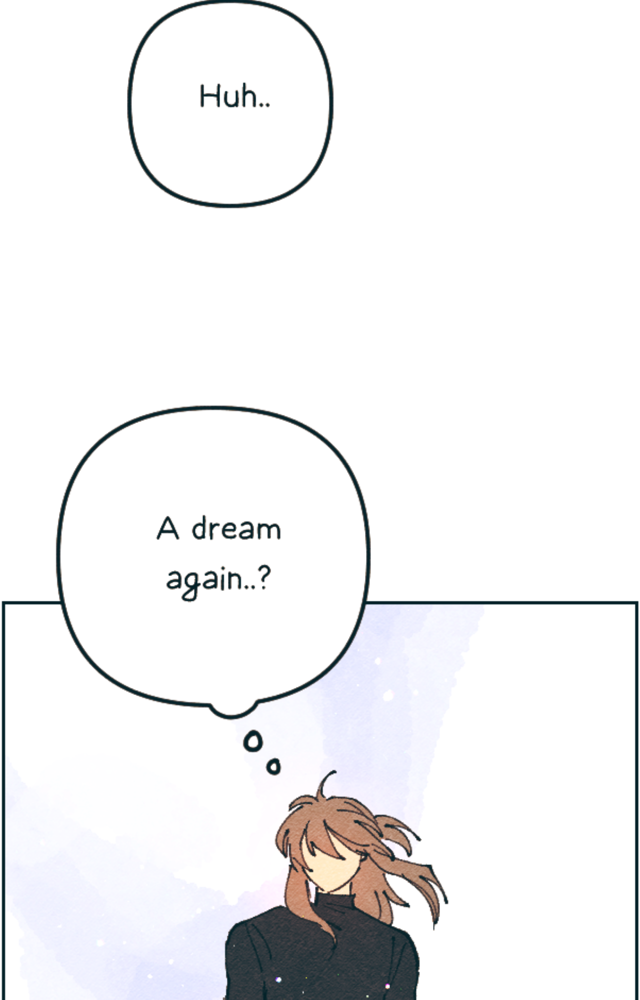
If I make this all go away,



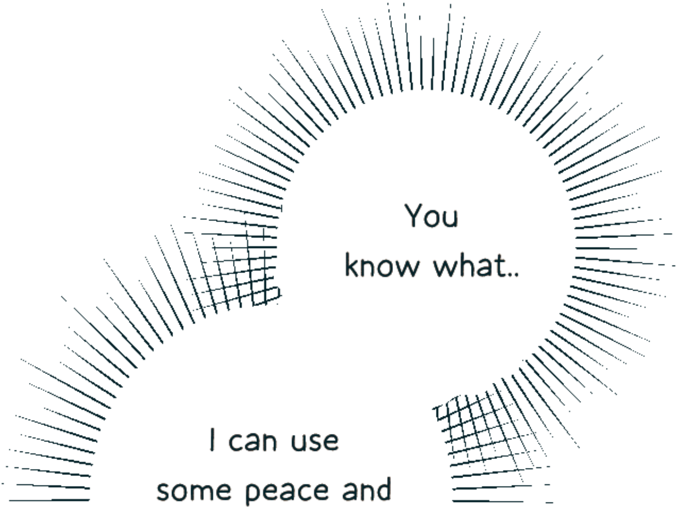
Can I count on you to keep your word?



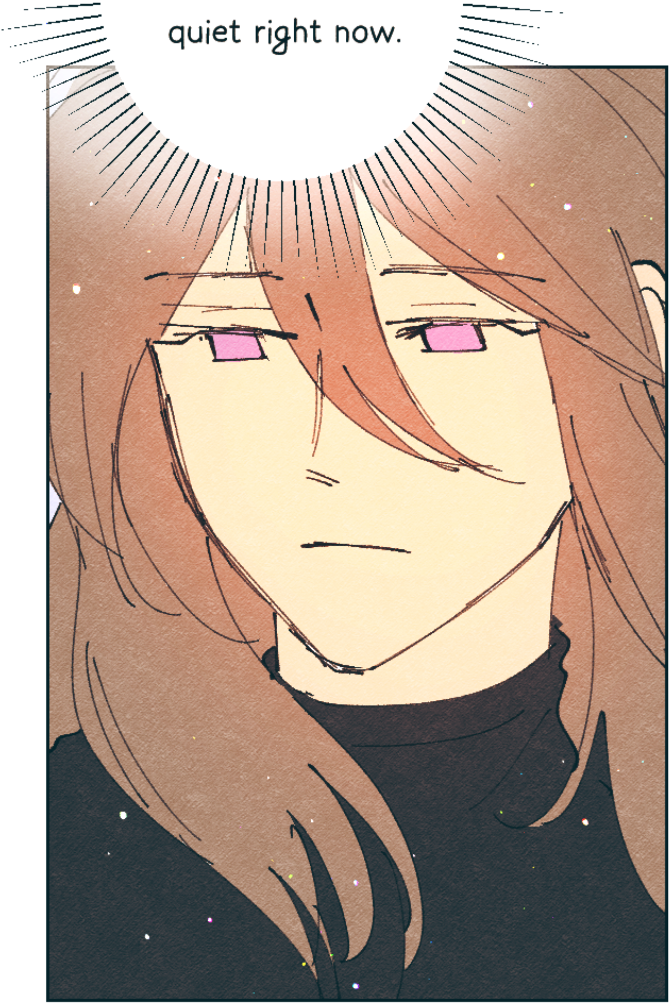




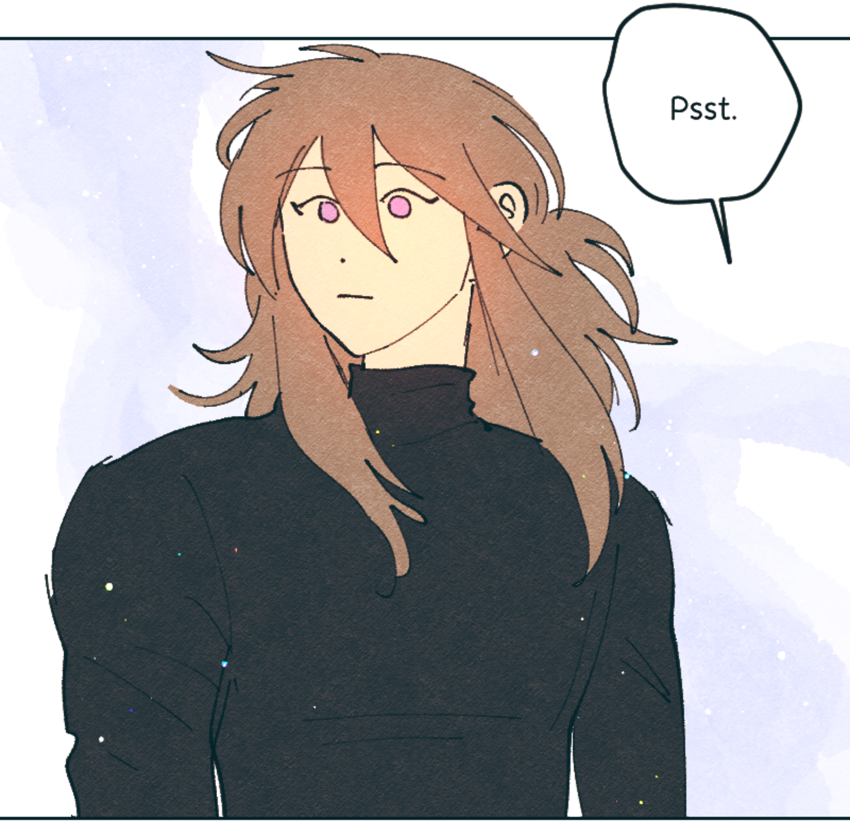
Huh..
A dream again..?



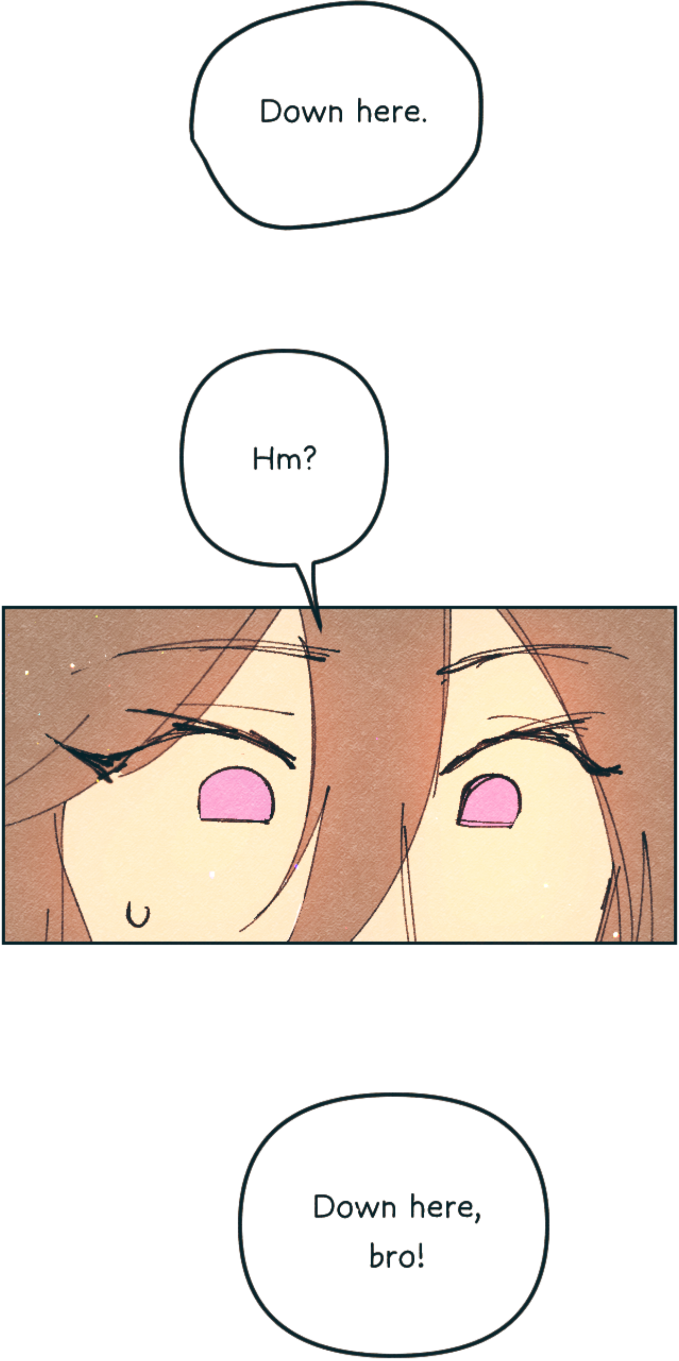
You know what..
I can use some peace and



quiet right now.



Psst.



Down here.
Hm?
Down here, bro!
