Wow, I didn't think you'd actually come. When I messaged you to meet me here, I fully expected you not to show.

...

(teasing tone) Aww...you were scared? There's no reason to be scared, I'm not gonna hurt you. I've just got a question for you.

Honestly, you've been pissing me off lately. You see...I've been noticing a pattern with you. Every time I see you, you're either face down into your work, or staring daggers into me.

So then it got me thinking...what goes on in your head when your eyes are glued to me? Luckily for me, I found my answer pretty quickly.

You see...I heard something rather...interesting in this restroom the other night after the last class of the day got out. Do you know what I'm talking about?

...

No? I find it strange that you don't know because...I swear it sounded like you.

It sounded like you were making these strange noises, so I decided to peek in. Wanna guess what happened next?

...

(dominating) Don't get all quiet on me now. I heard you, moaning in a stall, along with some weird noises. It sounded like you were jerking off.

But what I'm most curious about is what happened at the very end. Because when you came...you shouted my name.

[laughs] Are you blushing? No no no...where do you think you're going? Who said you could leave? Look at me. *(strict)* I said...look at me.

You think I don't see the way you squirm in my presence? The way your eyes always seem to wander south when you think I don't see you?

You're pathetic. Acting like you're better than me, when all along you were just some faggot who daydreams about getting fucked by me.

...

Hah...you can shake your head and deny it all you want, but I can see you trying to hide that pitiful little bulge in your pants. Did me cornering you in this bathroom stall excite you that much? You don't even know what I'm going to do to you.

(strict) Get on your knees. Now. I won't ask again.

...

[laughs] Look at you. So quick to follow directions. Don't think I can't see that excitement in your eyes. The way they hungrily flick to my crotch.

[belt buckle sounds] Is this what you want? You want my cock? Then use that stupid little mouth of yours to make me hard. Go ahead.

[improv noises and wet sfx] That's it. Suck me off like the faggot you are. I bet this isn't the first dick you've had in your mouth, is it?

...

Don't respond. Keep sucking. Fuck, just like that. Good boy. So obedient.

...

[improv noises and wet sfx] Coming up for air already? It's barely been 30 seconds. You can do better than that. Take it nice and deep.

...

Ugh, seriously? No, that's not as deep as you can go. I know you can take it deeper. Open your throat.

[wet noise and loud groan] Nnggh...like this...I knew you could do it. Now hold it. Look at me. I'm not moving your head until I want to, so hold it.

Those tears filling your eyes are turning me on so much. You're a natural.

[moan] Your throat feels so good around my cock. 5 more seconds. 5, 4, 3, 2, 1.

...

There you go. That wasn't so bad now, was it?

[laughs] You're drooling. I never thought I'd see this face on you. Open your mouth again.

...

[improv noises and wet sfx] Shit this feels so good. Keep your throat open for me.

[improv noises and wet sfx] Holy shit. This feels amazing. I bet you've fantasized about this. Imagined me having my way with you in this exact stall, huh?

[wet sfx] Is that why you piss me off so much? So that I snap? So that I give you what you want?

[wet sfx] All this time you've just been a little whore, haven't you? Just a depraved little cumslut, begging to be filled up.

[wet sfx] Is that what you want? Do you want me to fill up that tight hole of yours? Hah...so pathetic...the way you cry and whine for me.

...

[wet sfx stops] Stand up, I'm not done with you yet. Come here, lean over the sink.

Look at yourself. Look at how pitiful you look. Tears running down your face. Drool smeared across your lips. Disgusting faggot. This is who you truly are.

Take your pants off. *[shocked laugh]* Is your underwear wet? Don't tell me...did you cum from giving me head?

[laughs] Wow...you really are a pervert.

...

What? Is the door locked? I think that's the least of your worries right now, don't you think? Lean forward and spread yourself for me.

[groans] Fuck, look how desperate you are. Your hole looks like it's ready to swallow me up already.

Look, you're already taking my fingers so well. Don't tell me...did you prep yourself before coming here?

...

No? Wow...you're just made to be fucked. Shit...I can't wait anymore. I'm gonna fuck you so hard that you won't be able to walk out of this building.

[moans] Oh fuck...you're so tight. Nngh you took me all the way to the base. Such a good fucking boy.

[improv noises and skin slapping noises] Now that my cock isn't in your mouth, you're starting to make way too much noise. Either shut up, or I'll make you shut up.

[improv noises and skin slapping noises] You suck at muffling yourself. Here, I'll shove these in your mouth.

...

What's that look for? You don't like having your cum-soaked underwear forced down your throat? Deal with it. And don't you dare spit them out.

[improv noises and skin slapping noises] Is this what you pictured when you were in here the other day? Did you finger yourself to the thought of my cock in your ass? Bet your fingers don't even compare to the real thing, do they?

[improv noises and skin slapping noises] Fuck, your ass feels amazing. It's like it was made to have my cock inside of it.

[improv noises and skin slapping noises] I'm getting close...shit...I'm gonna cum inside you. You want my cum? You want my cum deep inside of you? Take all of it...every last drop.

F-fuck I'm...cumming! *[loud moan followed by heavy breaths]* Oh fuck...that was amazing.

...

[laughs] Your legs already gave out? Guess I kept my promise then.

...

Oops, you're letting my cum spill out of your ass.

(dominating) I gave this to you, so you better not let any of it spill on your way home. Got it? Good.

...

Let me know next time you want to whore yourself out in the school restroom. I'll be first in line.
