Darkness...? What
are you saying!?

Fu...

I have been watching everyone since the beginning.

W-What...?

Don't be too surprised.
Keep up what you
were doing, I won't interrupt.

Are you kidding me?
This is not a show!

Leave, now! Or I will force you to!

Seem like... you can't sense me, right Arnes?

It's time I put
down my mask...

...and pull the curtain of this show up.

Y-You are...

Meanwhile...

V-Vanir!? The heck
are you doing here?!

Nothing, Mr. Kazuma.
Just... enjoying my
"Aqua" skinsuit.

But... I saw you left
in a hurry...

Yes, I did.

Everything was just
an act, built up by
me and her.

Evening, Arnes,
and Red Crimson Girl.

Oh, did I startle you? Sorry if this was a bit too sudden.

Hm... New skinsuit
potion I made actually
hidden someone's sense.

M-Master Wolbach...
What is all this about!?

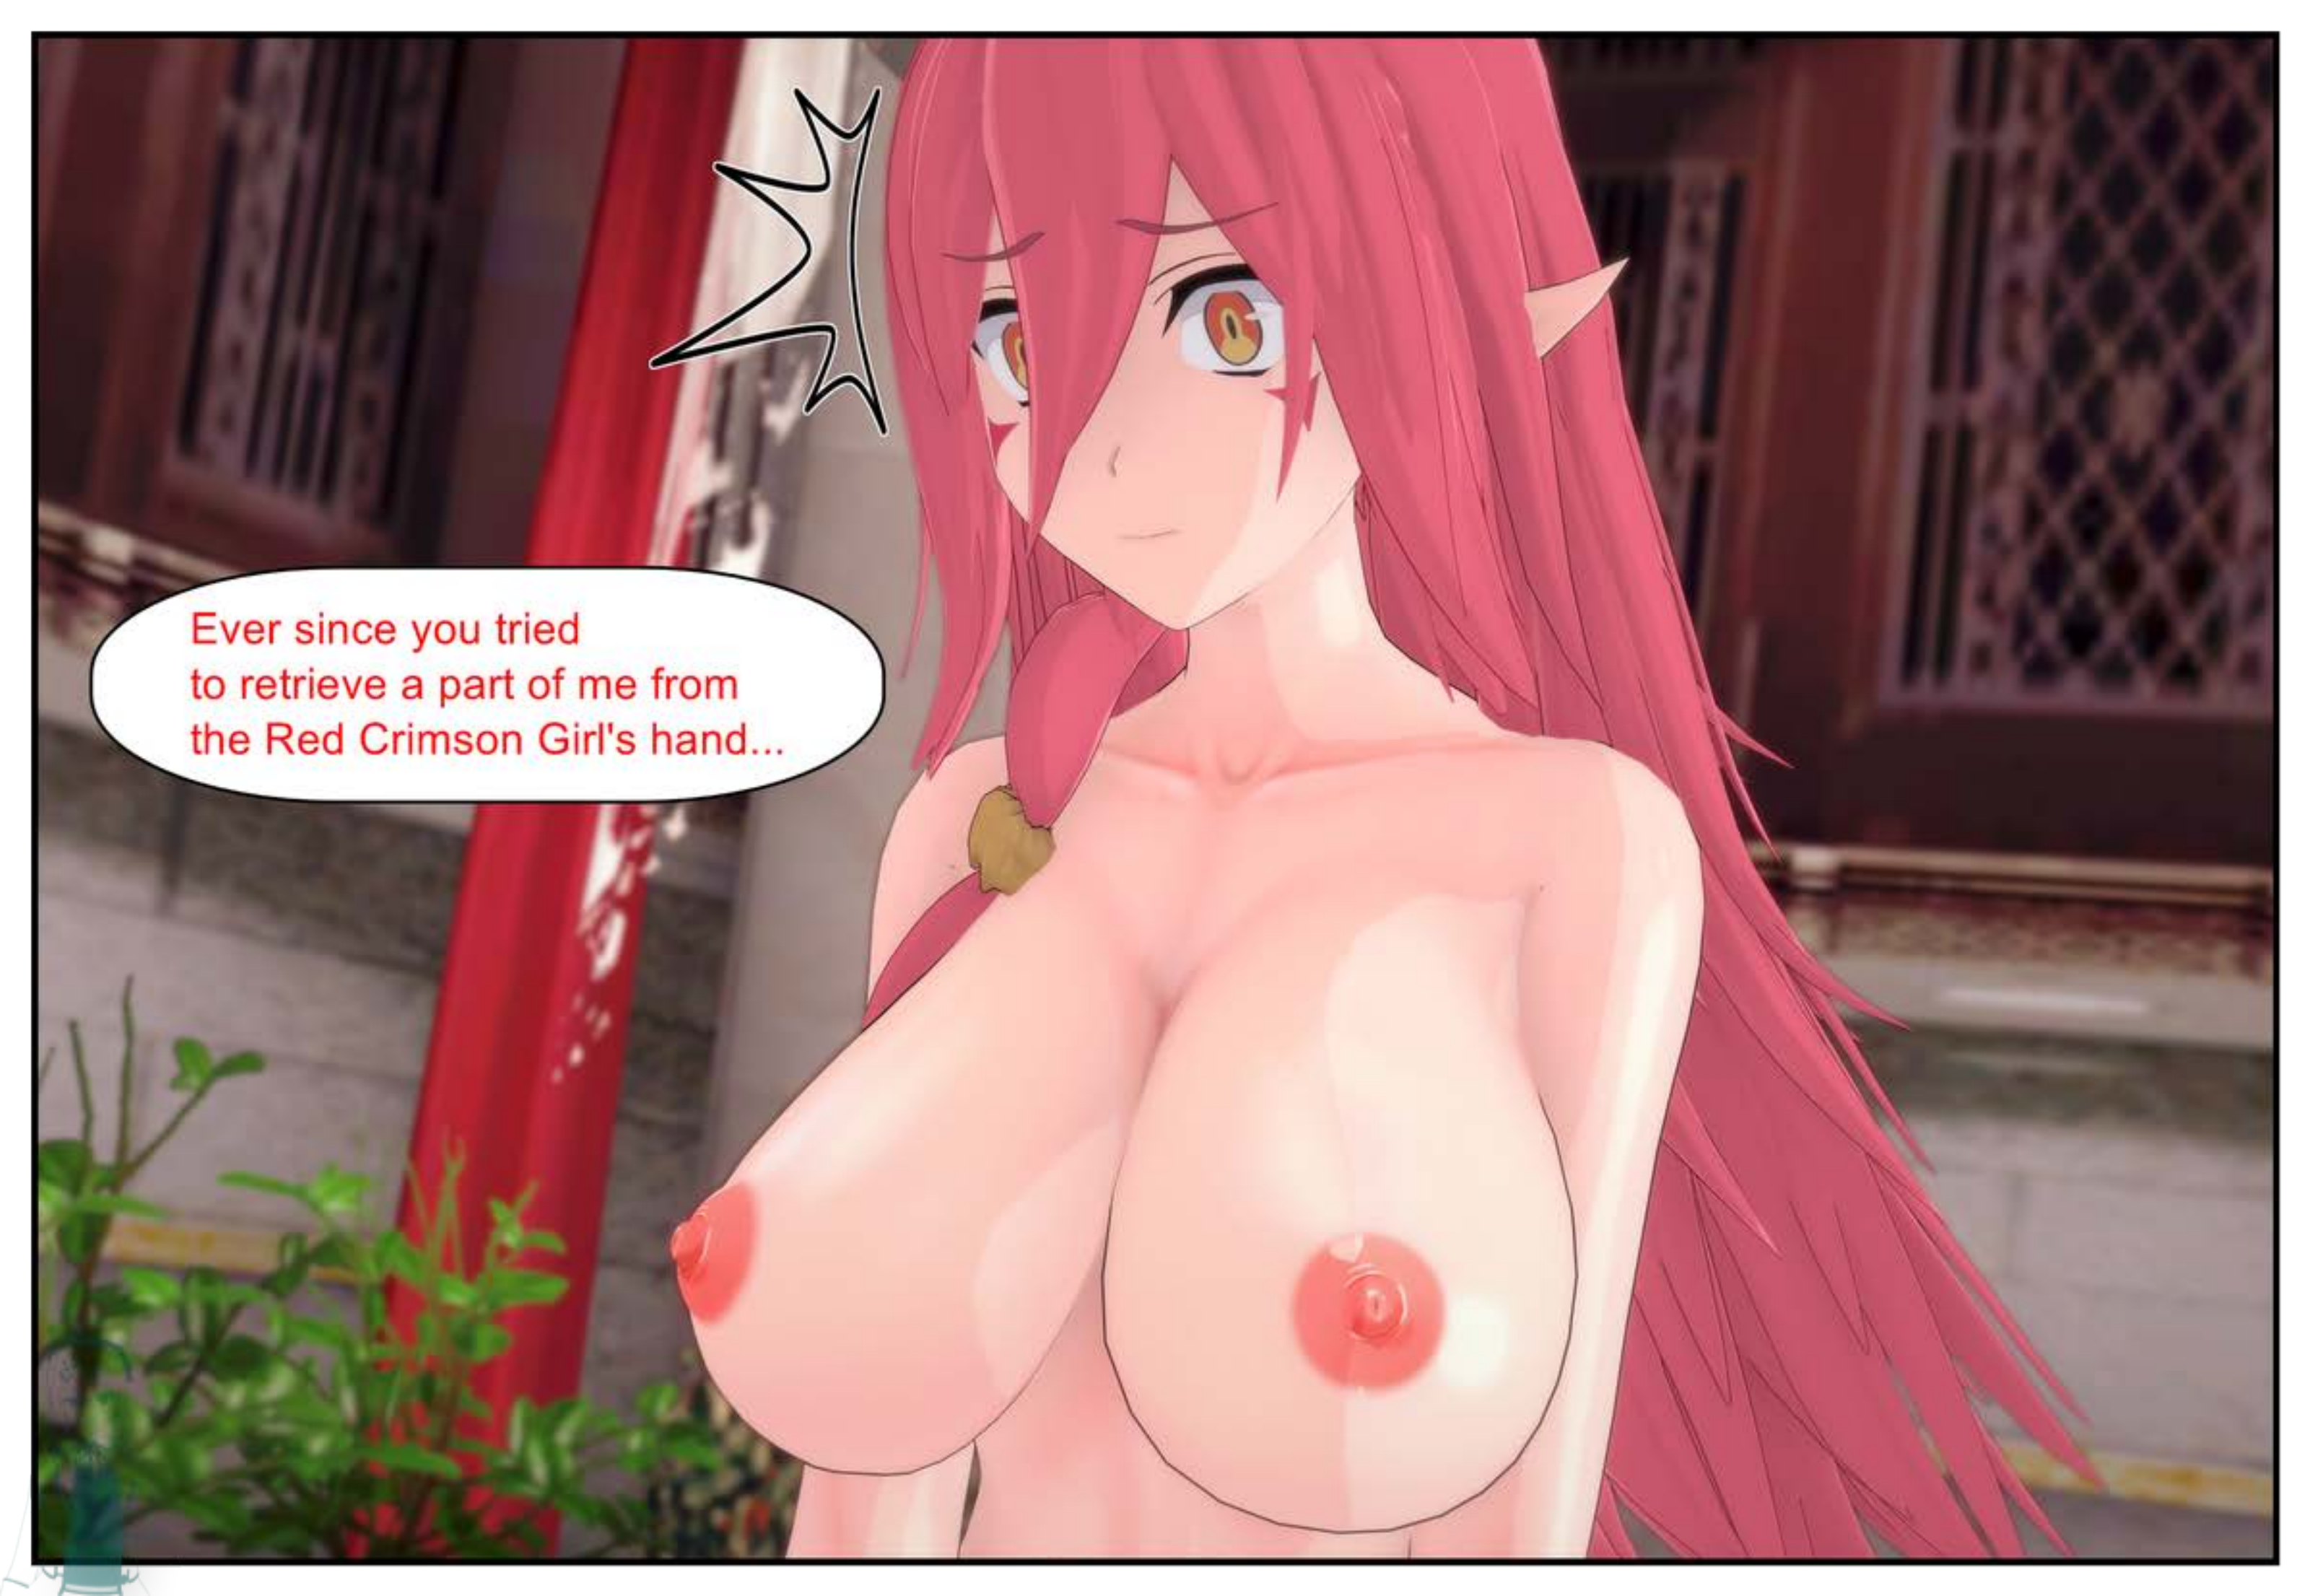

Why didn't you tell me anything!?

Please tell me, Master!
Am I not trustworthy
enough to you!?

A manga-style illustration of a young woman with long, straight pink hair. She has large, prominent breasts and is wearing a dark pink ribbon around her neck with a small gold bell. Her eyes are wide and yellowish-orange. A speech bubble is positioned to her left, containing text. The background shows a traditional building with a red pillar and a lattice window.

Ever since you tried
to retrieve a part of me from
the Red Crimson Girl's hand...

As a Demon, you could have taken it by force. After many encounters, you didn't.

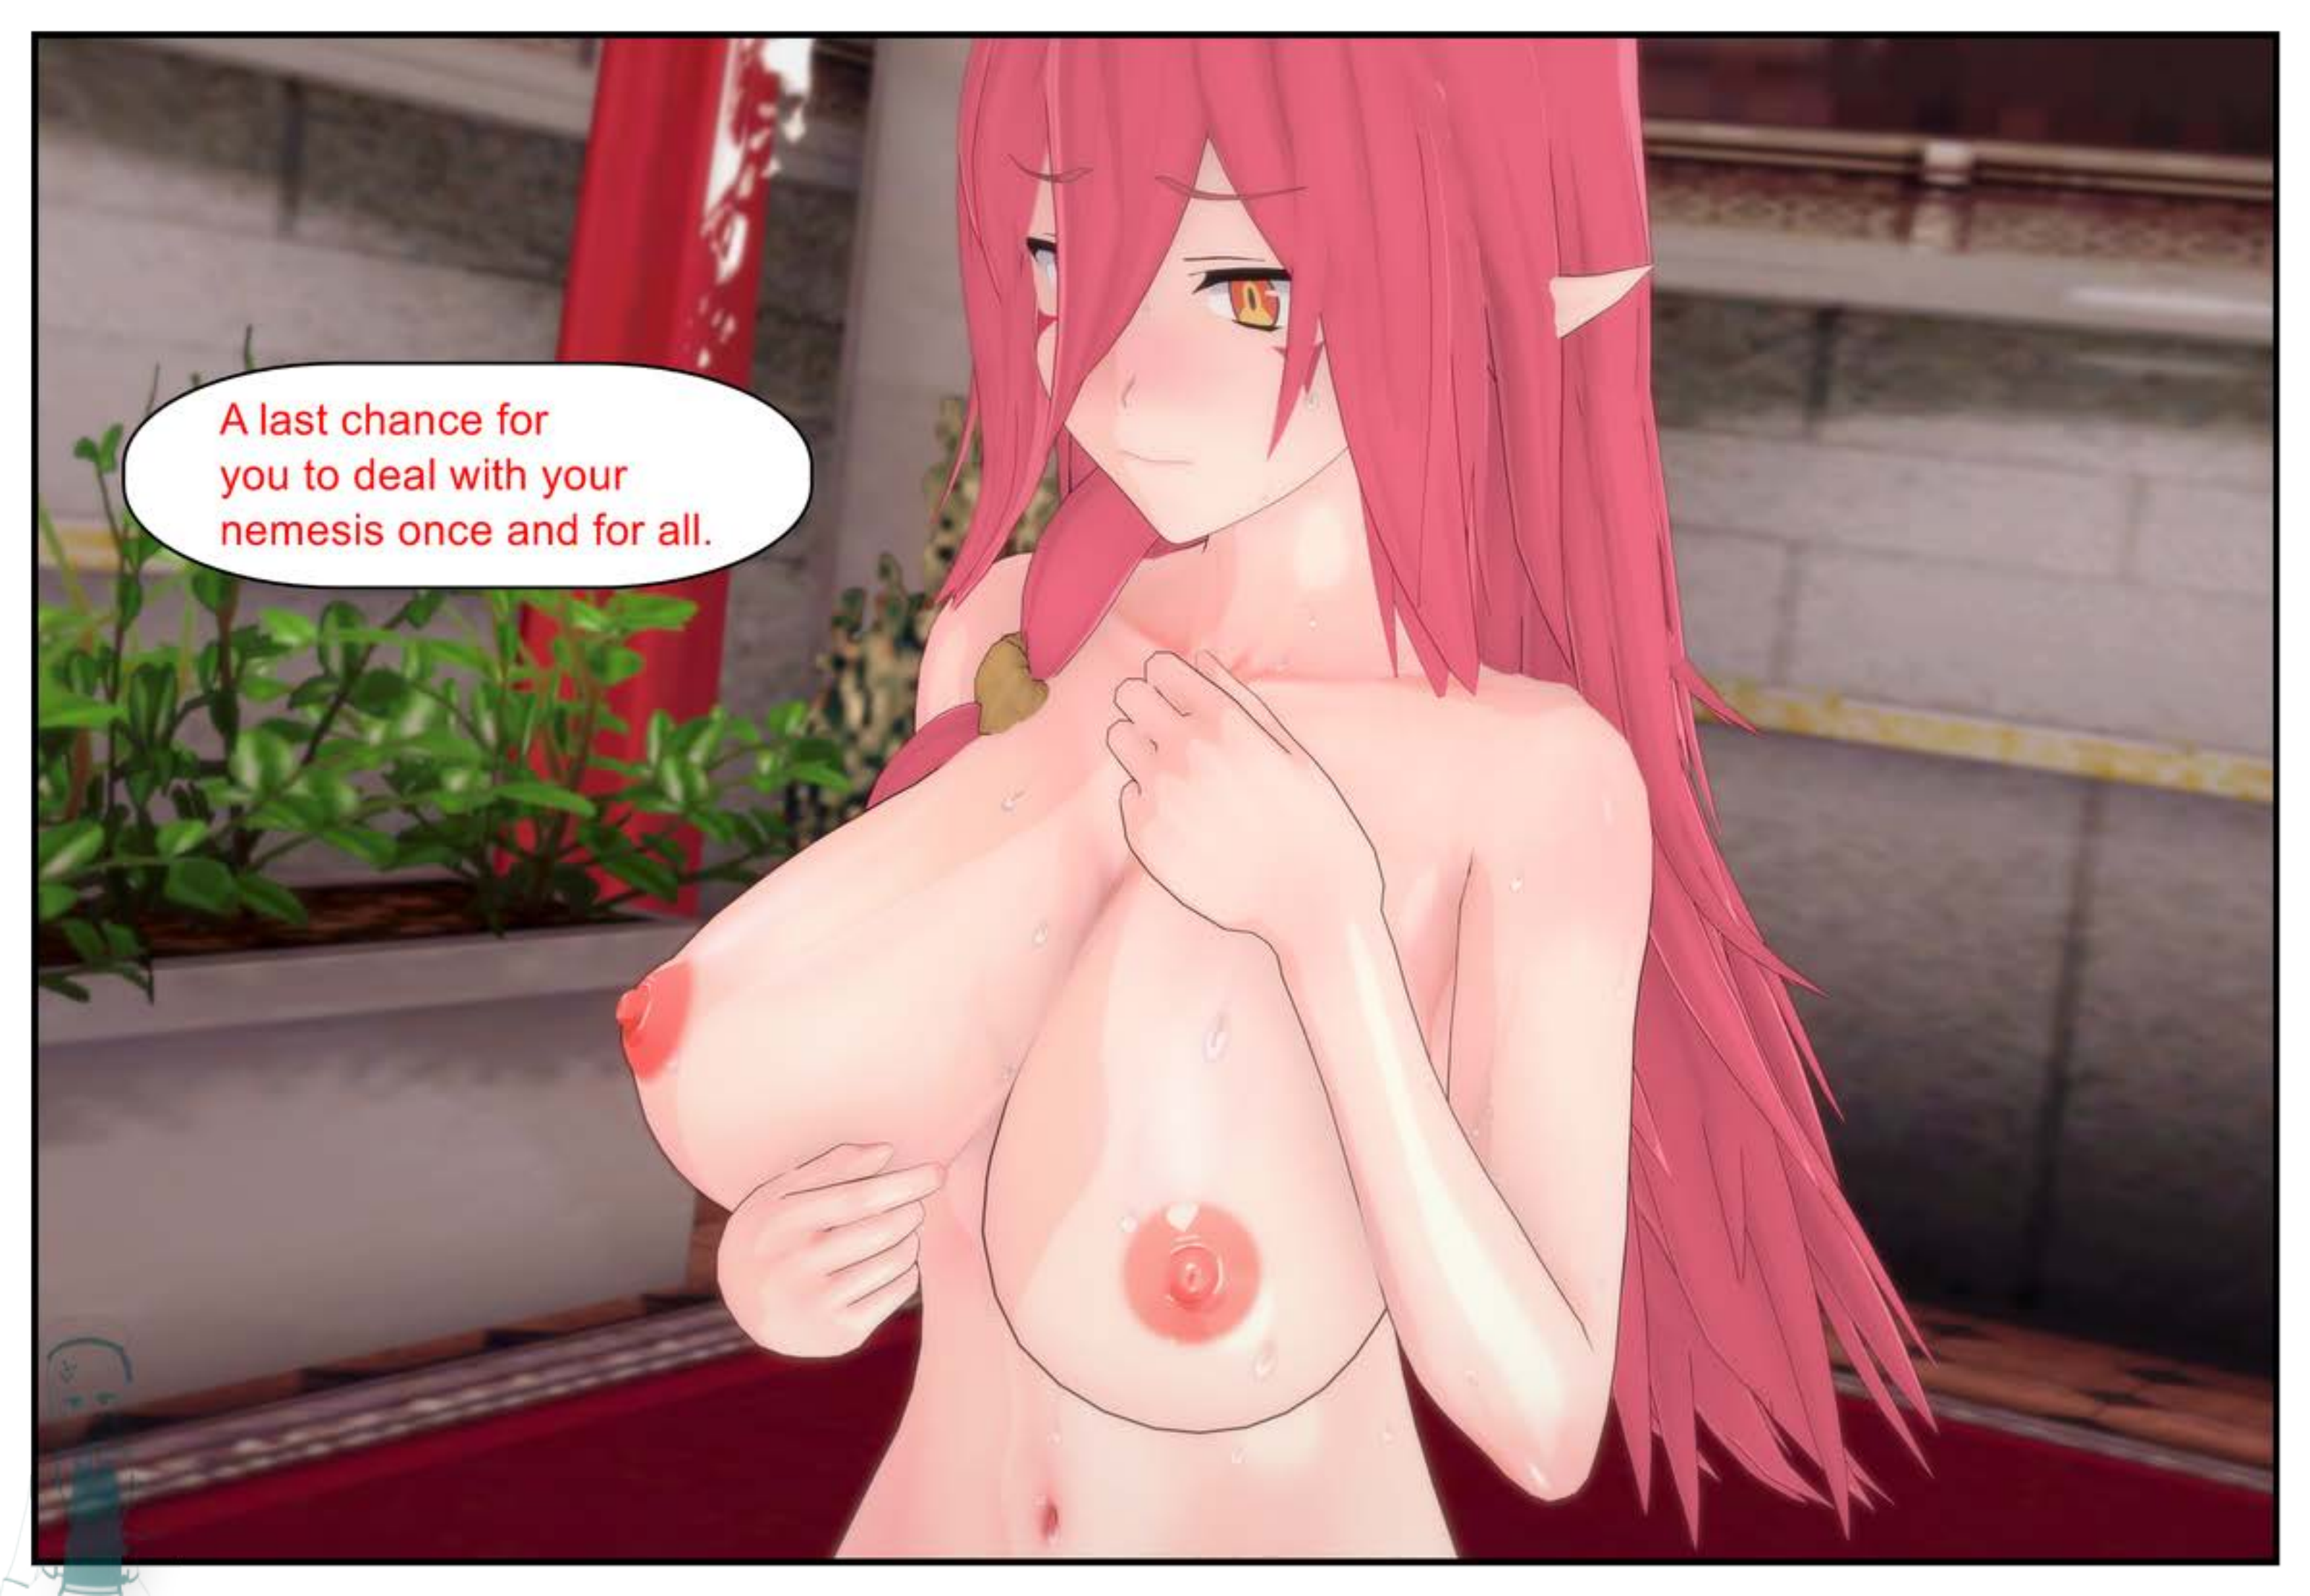

Were you a bit too soft, Arnes?

You were my Demon.
This was why I planned
all of these.

A last chance for
you to deal with your
nemesis once and for all.

The party was a stage.
This blondy and that
Goddess were never
attended...

A manga-style illustration. In the foreground, a character with dark hair, a large brown hat with yellow trim, and a purple and orange outfit looks towards the left. A yellow starburst is above her head. In the background, two nude female figures are visible. A speech bubble points to them.

The only that we invited
were you, right? Red
Crimson Girl?

Also, don't try to sneak away when I was talking...

...the night hasn't
over yet, Megumi.

You said... Wolbach!?
That Demon Lord!?

This was... her plan
all along!? And Megumin...

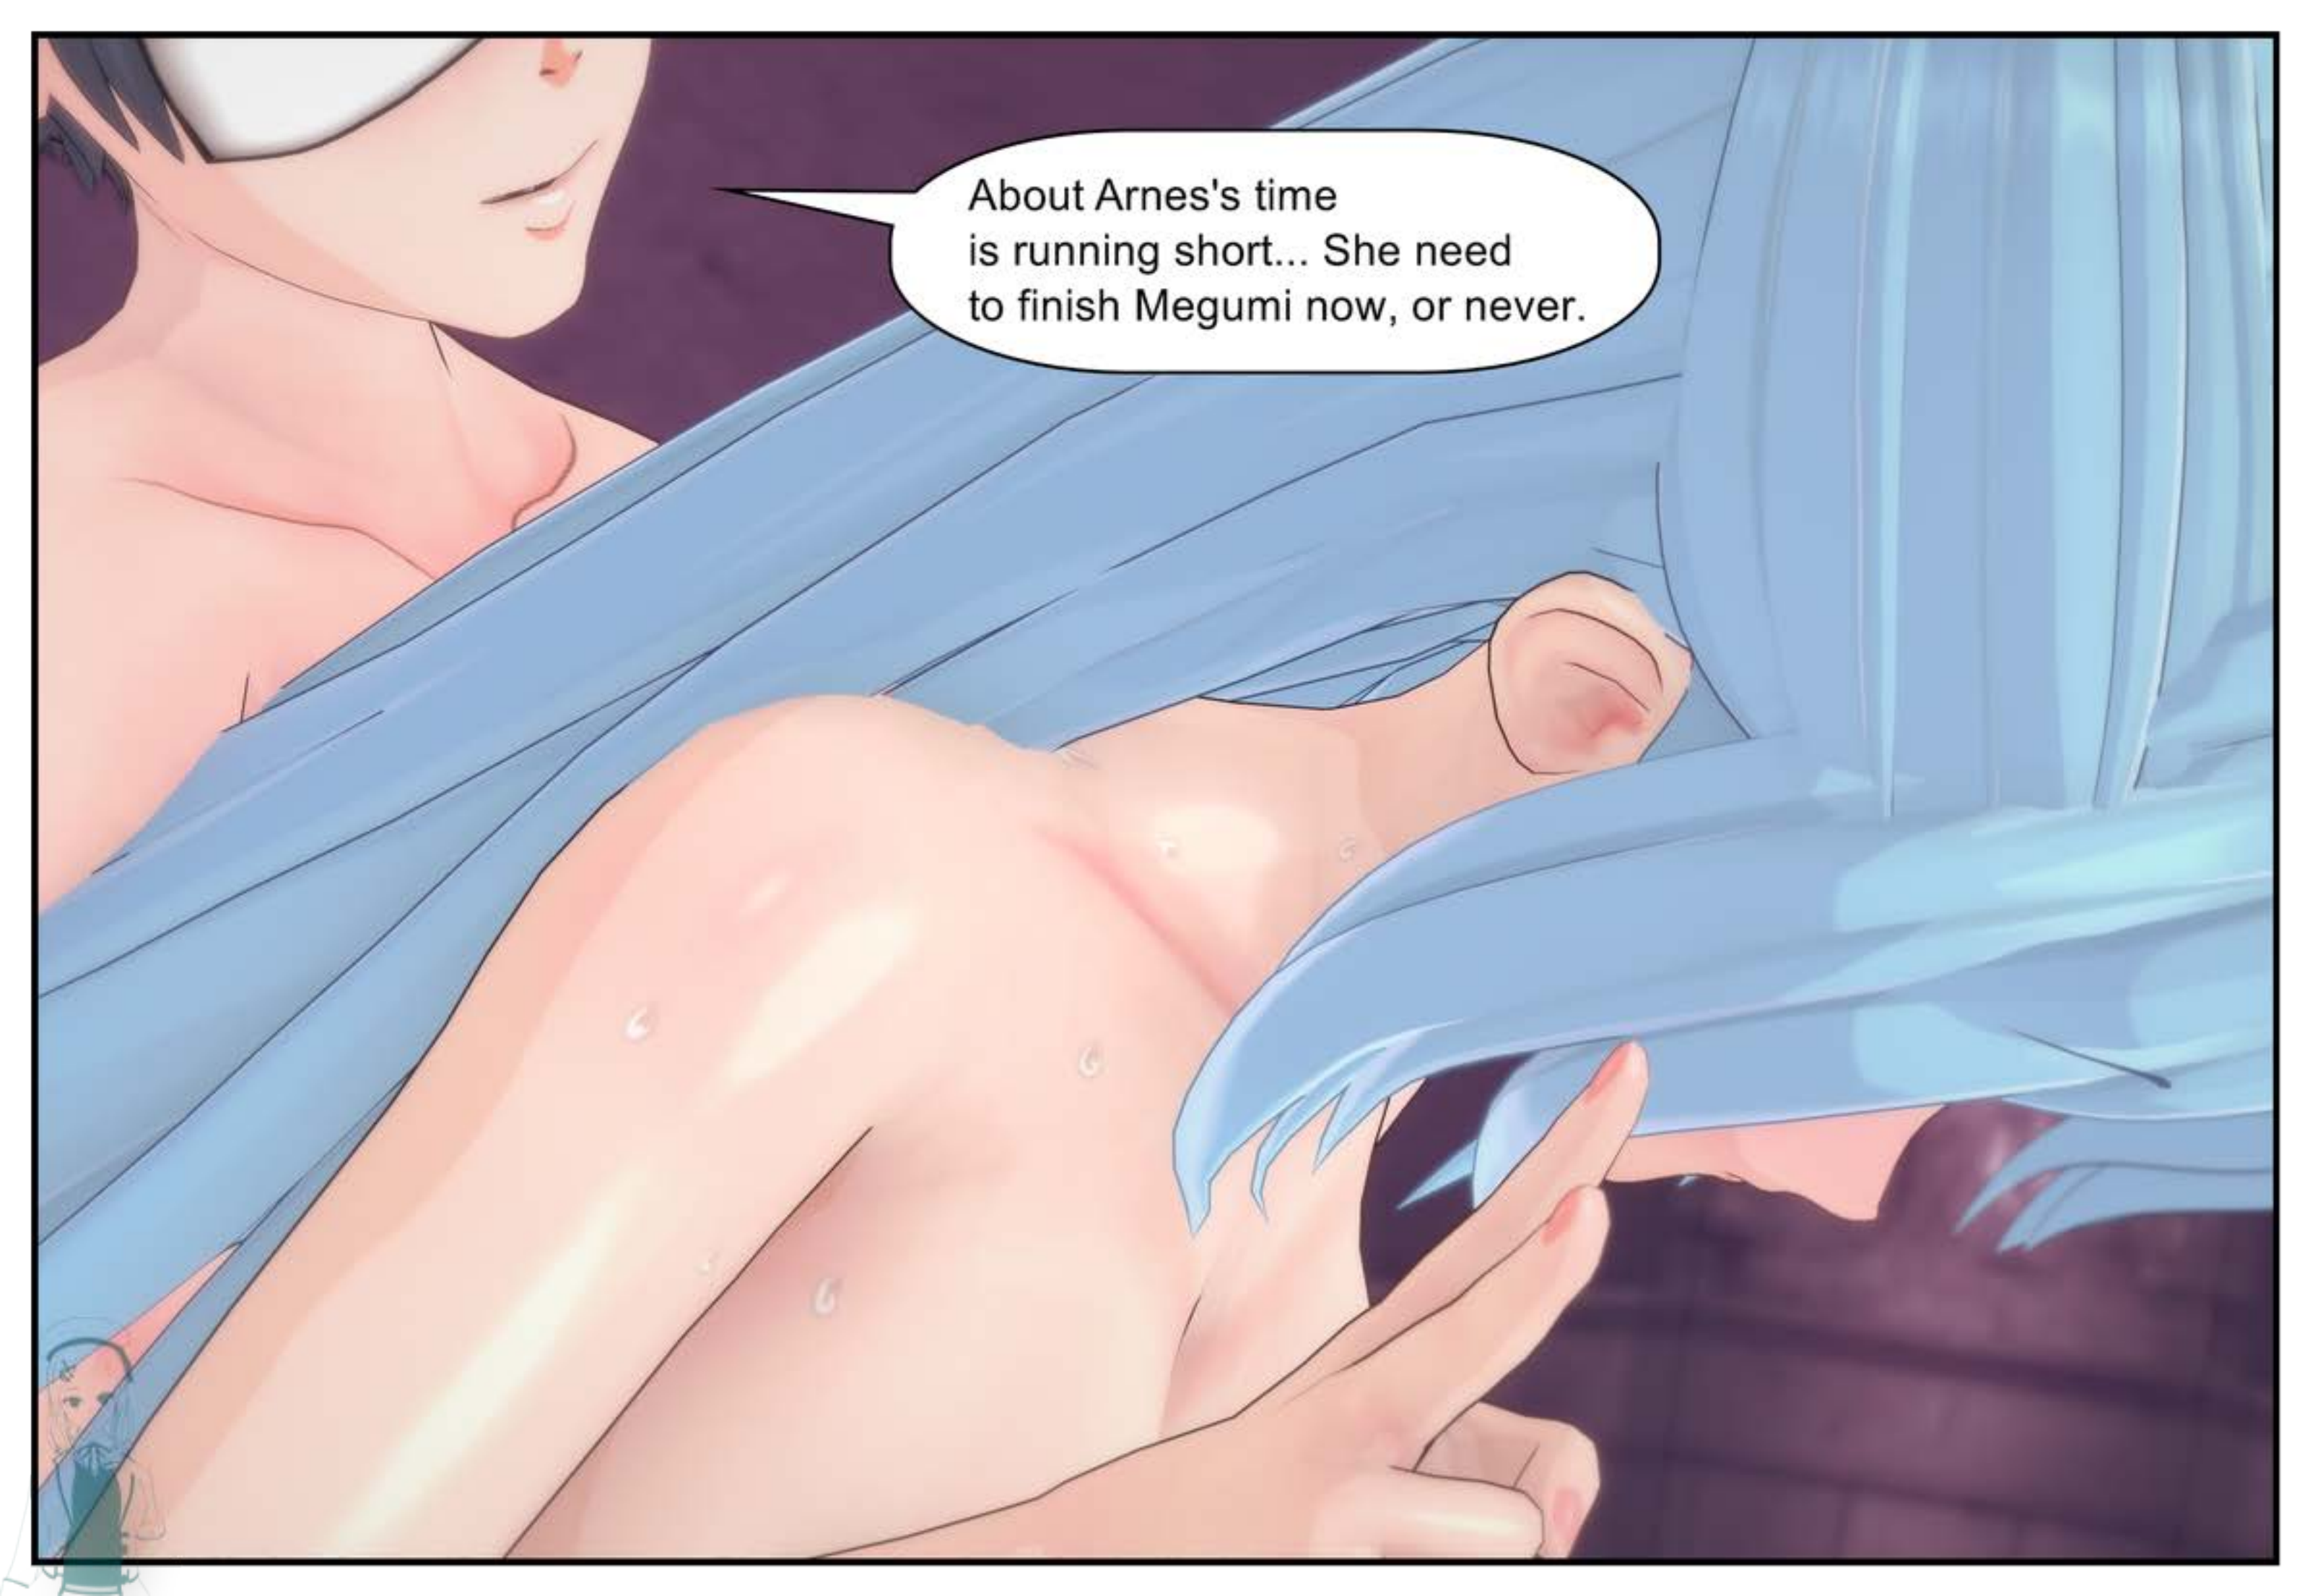

Actually, I was an actor like you, Mr. Kazuma.

Of course, something must have went wrong...

About Arnes's time
is running short... She need
to finish Megumi now, or never.

But I know... you will
do something, Mr. Kazuma?
For both of them.

Of course, I'm not stupid to put my head into their fight!

If they need to deal with each other, then leave them be! I don't care!

Mr. Kazuma, if Arnes couldn't do it, then Wolbach will after her Servant disappeared.

Then, you will be her next target because you witnessed everything.

Arrrggghhhh!!!!
Why did I involve in
the first place!?

Calm down, you can
still sort thing out.

But I must say...
time is not on our side.

This place was already sealed off from the outside world...

Don't you think
about leaving.

W-Well... I just need
to get some fresh air.

Arnes.

Y-Yes... Master
Wolbach.

Go on, do what
you have to do with
the Red Crimson Girl.

H-Hey! I got name!
You just called it before!

Want to complaint?

N-No... Absolutely not!

I will... do it, Master.

"Why... at this moment..."

"My grudge just...
simply gone..."

"No... Master Wolbach
been through a lot...
all for me!"

"Was this... what I truly wanted after being ressurected?"

"I always think about
revenge the person who
killed me... but now?"

All of you! Stop
it right here!

mm

Arnes, Wolbach,
it's enough.

"Well... I'm look
so cool!"

W-Wiz...?

"Hm... Kazuma."

H-Hey!? What are you doing here!?

Wiz! Please hold them off while I use Explosion to blow them away!

"Hey hey... You want to eliminate me too?"

Master Wolbach... I...

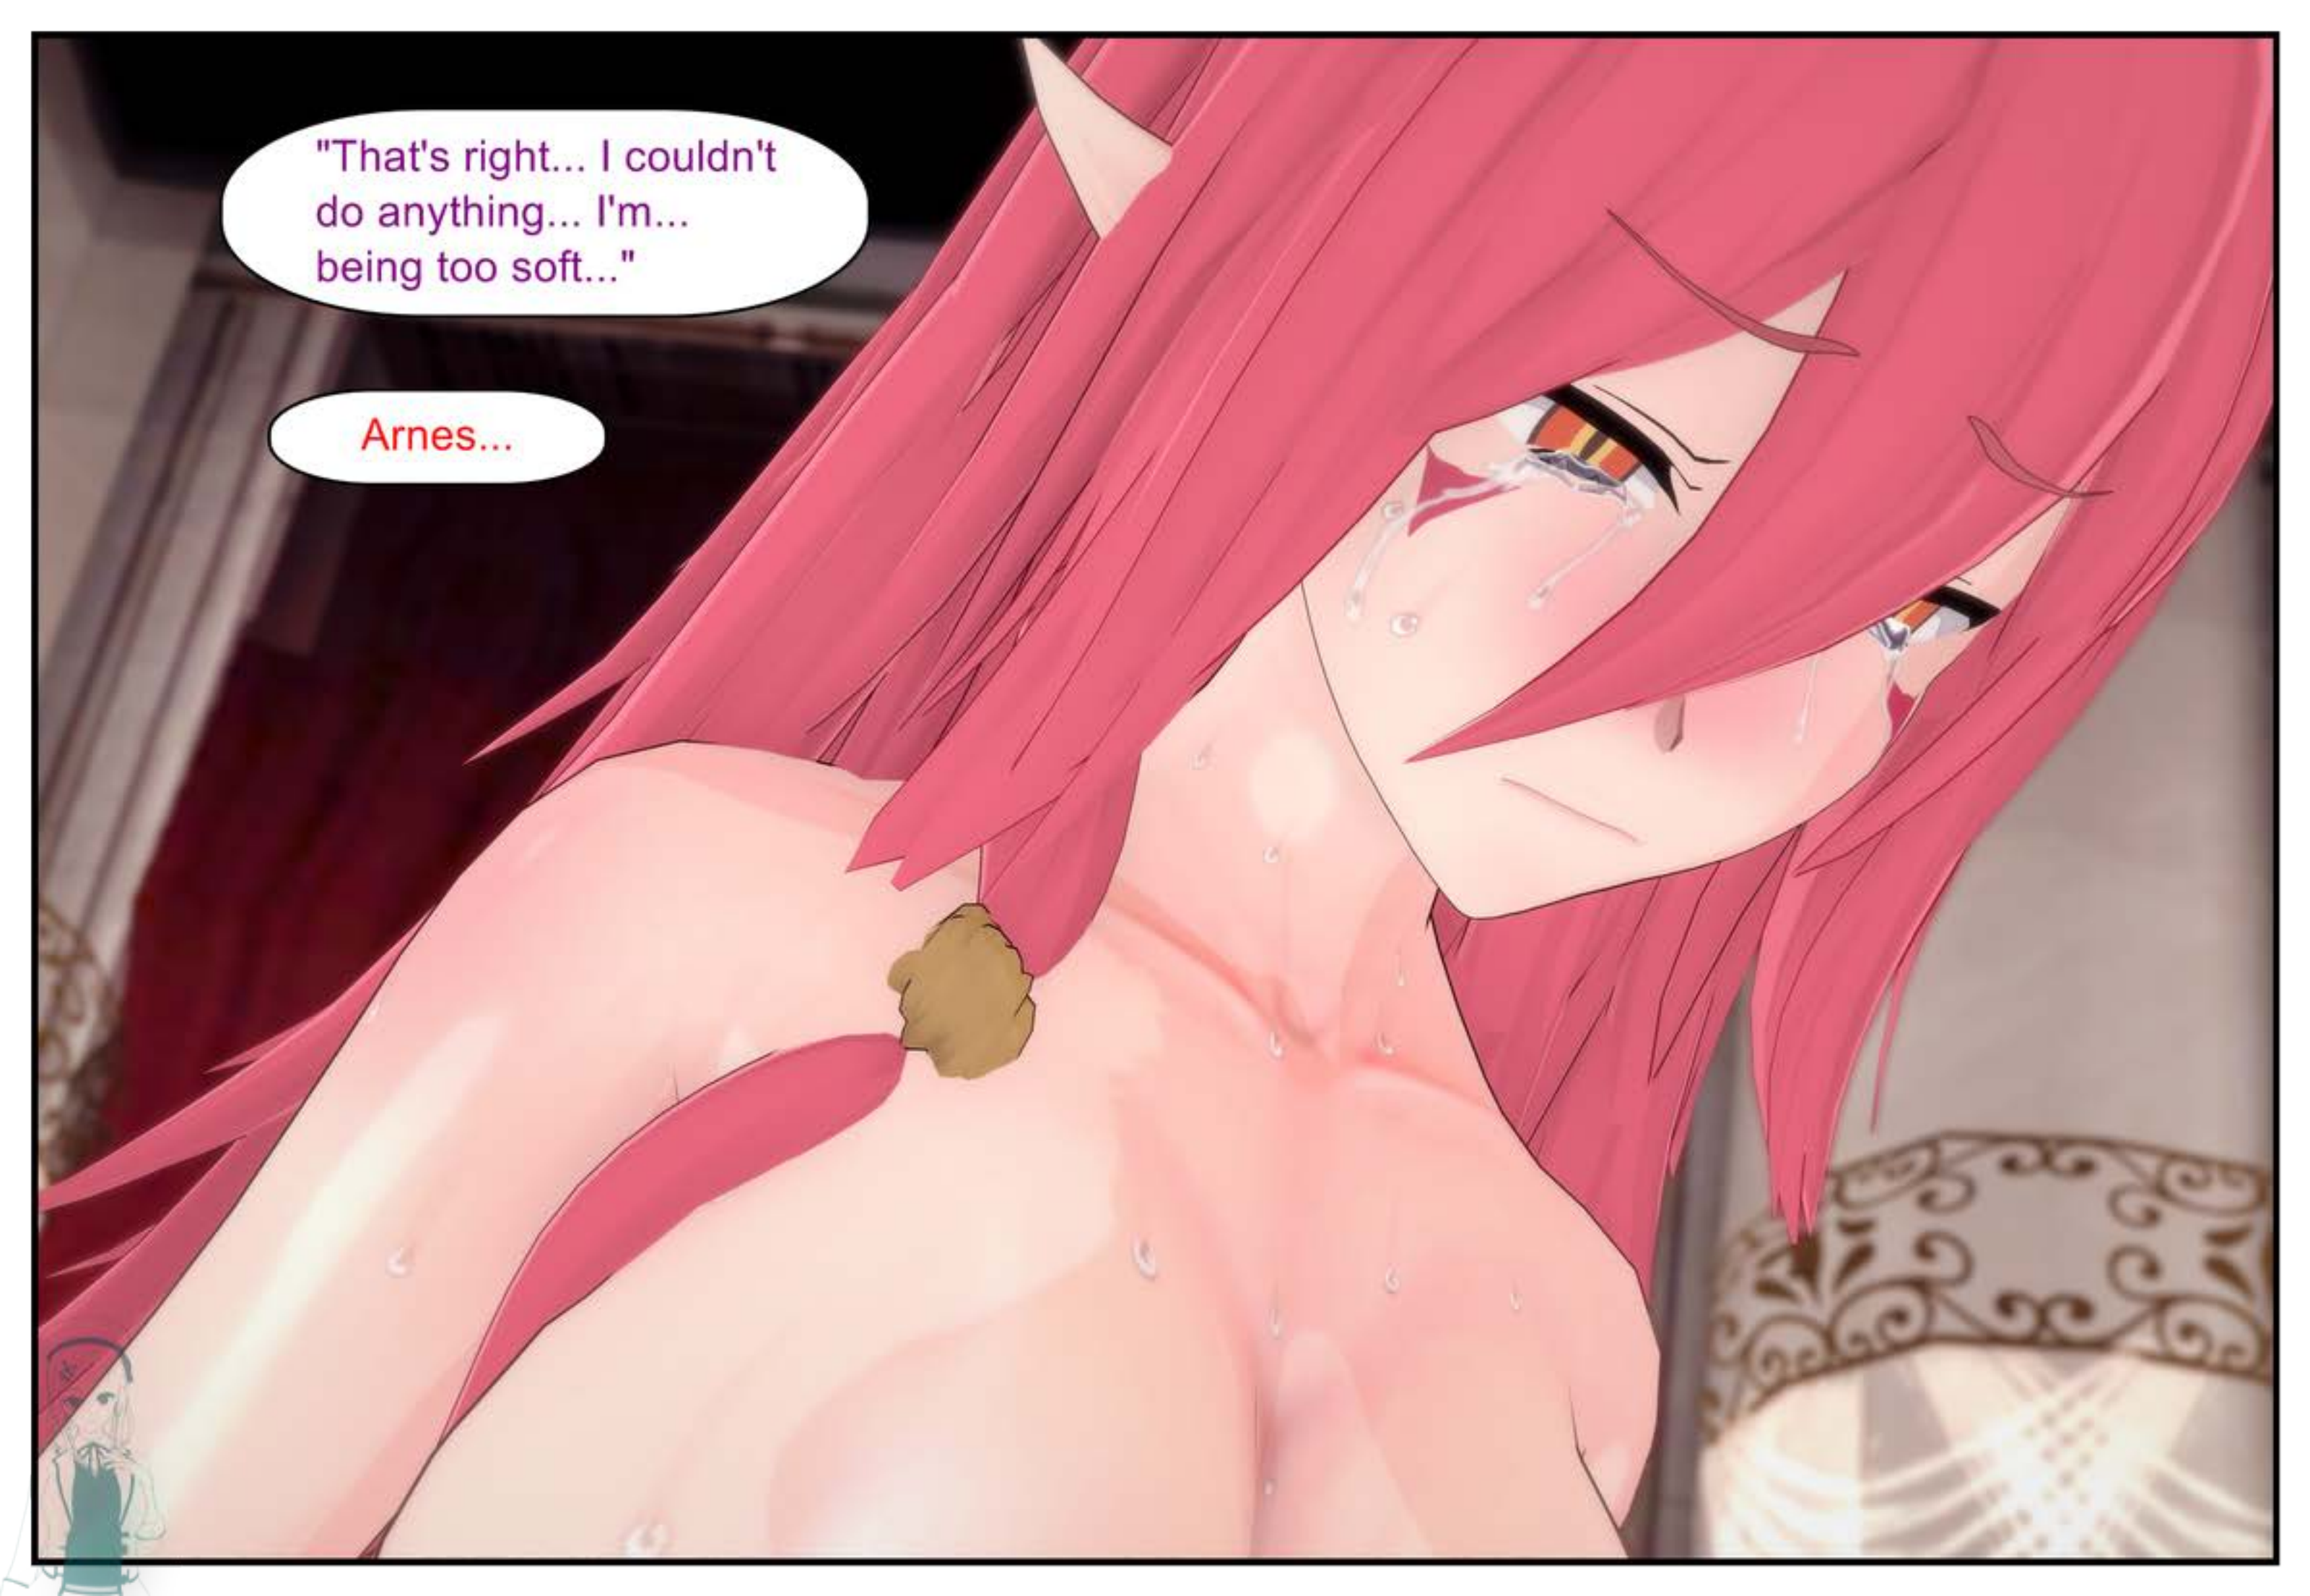

I can't... do it...

Despite... everything
you did for me...

I still can't... *sob*...
do it... *sniff*... I
let you down... *sob*...

"That's right... I couldn't
do anything... I'm...
being too soft..."

Arnes...

You did well. Don't worry, okay? Come on...

Uh... Aaaaahhhh...

Tch... Even Demon
know how to cry.

I'm getting heated up
from inside... Thought
I'm going to be killed
with you...

A Demon wore
Kazuma's skin!!!!

A character with dark hair, a red eye patch with a white cross, and a large brown hat with a yellow trim. She is wearing a purple shirt, a red and orange striped tie, and a dark purple jacket with yellow trim. She is holding a staff with a glowing red orb at the top. A speech bubble is next to her.

Enough!!! I will blow
everything away!!!

H-Hey!!! You stupid!!!
It's me, Kazuma!!!
STOP ITTTTT!!!!

WAAAAA

U-Um...

Kazuma...? Are
you... alright?

Even... Wolbach,
the Demon Lord, and
her Servant, Arnes?

Um... What made you all here?

A stupid girl who can only use one spell a day.

That spell feels familiar...

Died twice to her...
What a shame.

Next time I see her
again, I won't be nice!!!

C-Calm down...
Please tell me
everything.

I see... So that was
how it turn out...

Of course, Kazuma
will be revived as
usual... But about
the Demons...

Will there be any
exception, Iris-sama?

M-Master Wolbach...
What are you...

Like sacrifice one,
and let other leave.

I, myself, is a Demon Lord. Aren't the people in this world want us to disappear?

So you can take me
to Hell, in exchange
for more time to Arnes.

Master!!! Stop it!
You can't just...

It's a good deal,
isn't it, Iris-sama?

I understand. Kazuma
and Arnes will be revived.
And you will stay.

But she can only
have one week, that's
all I can give.

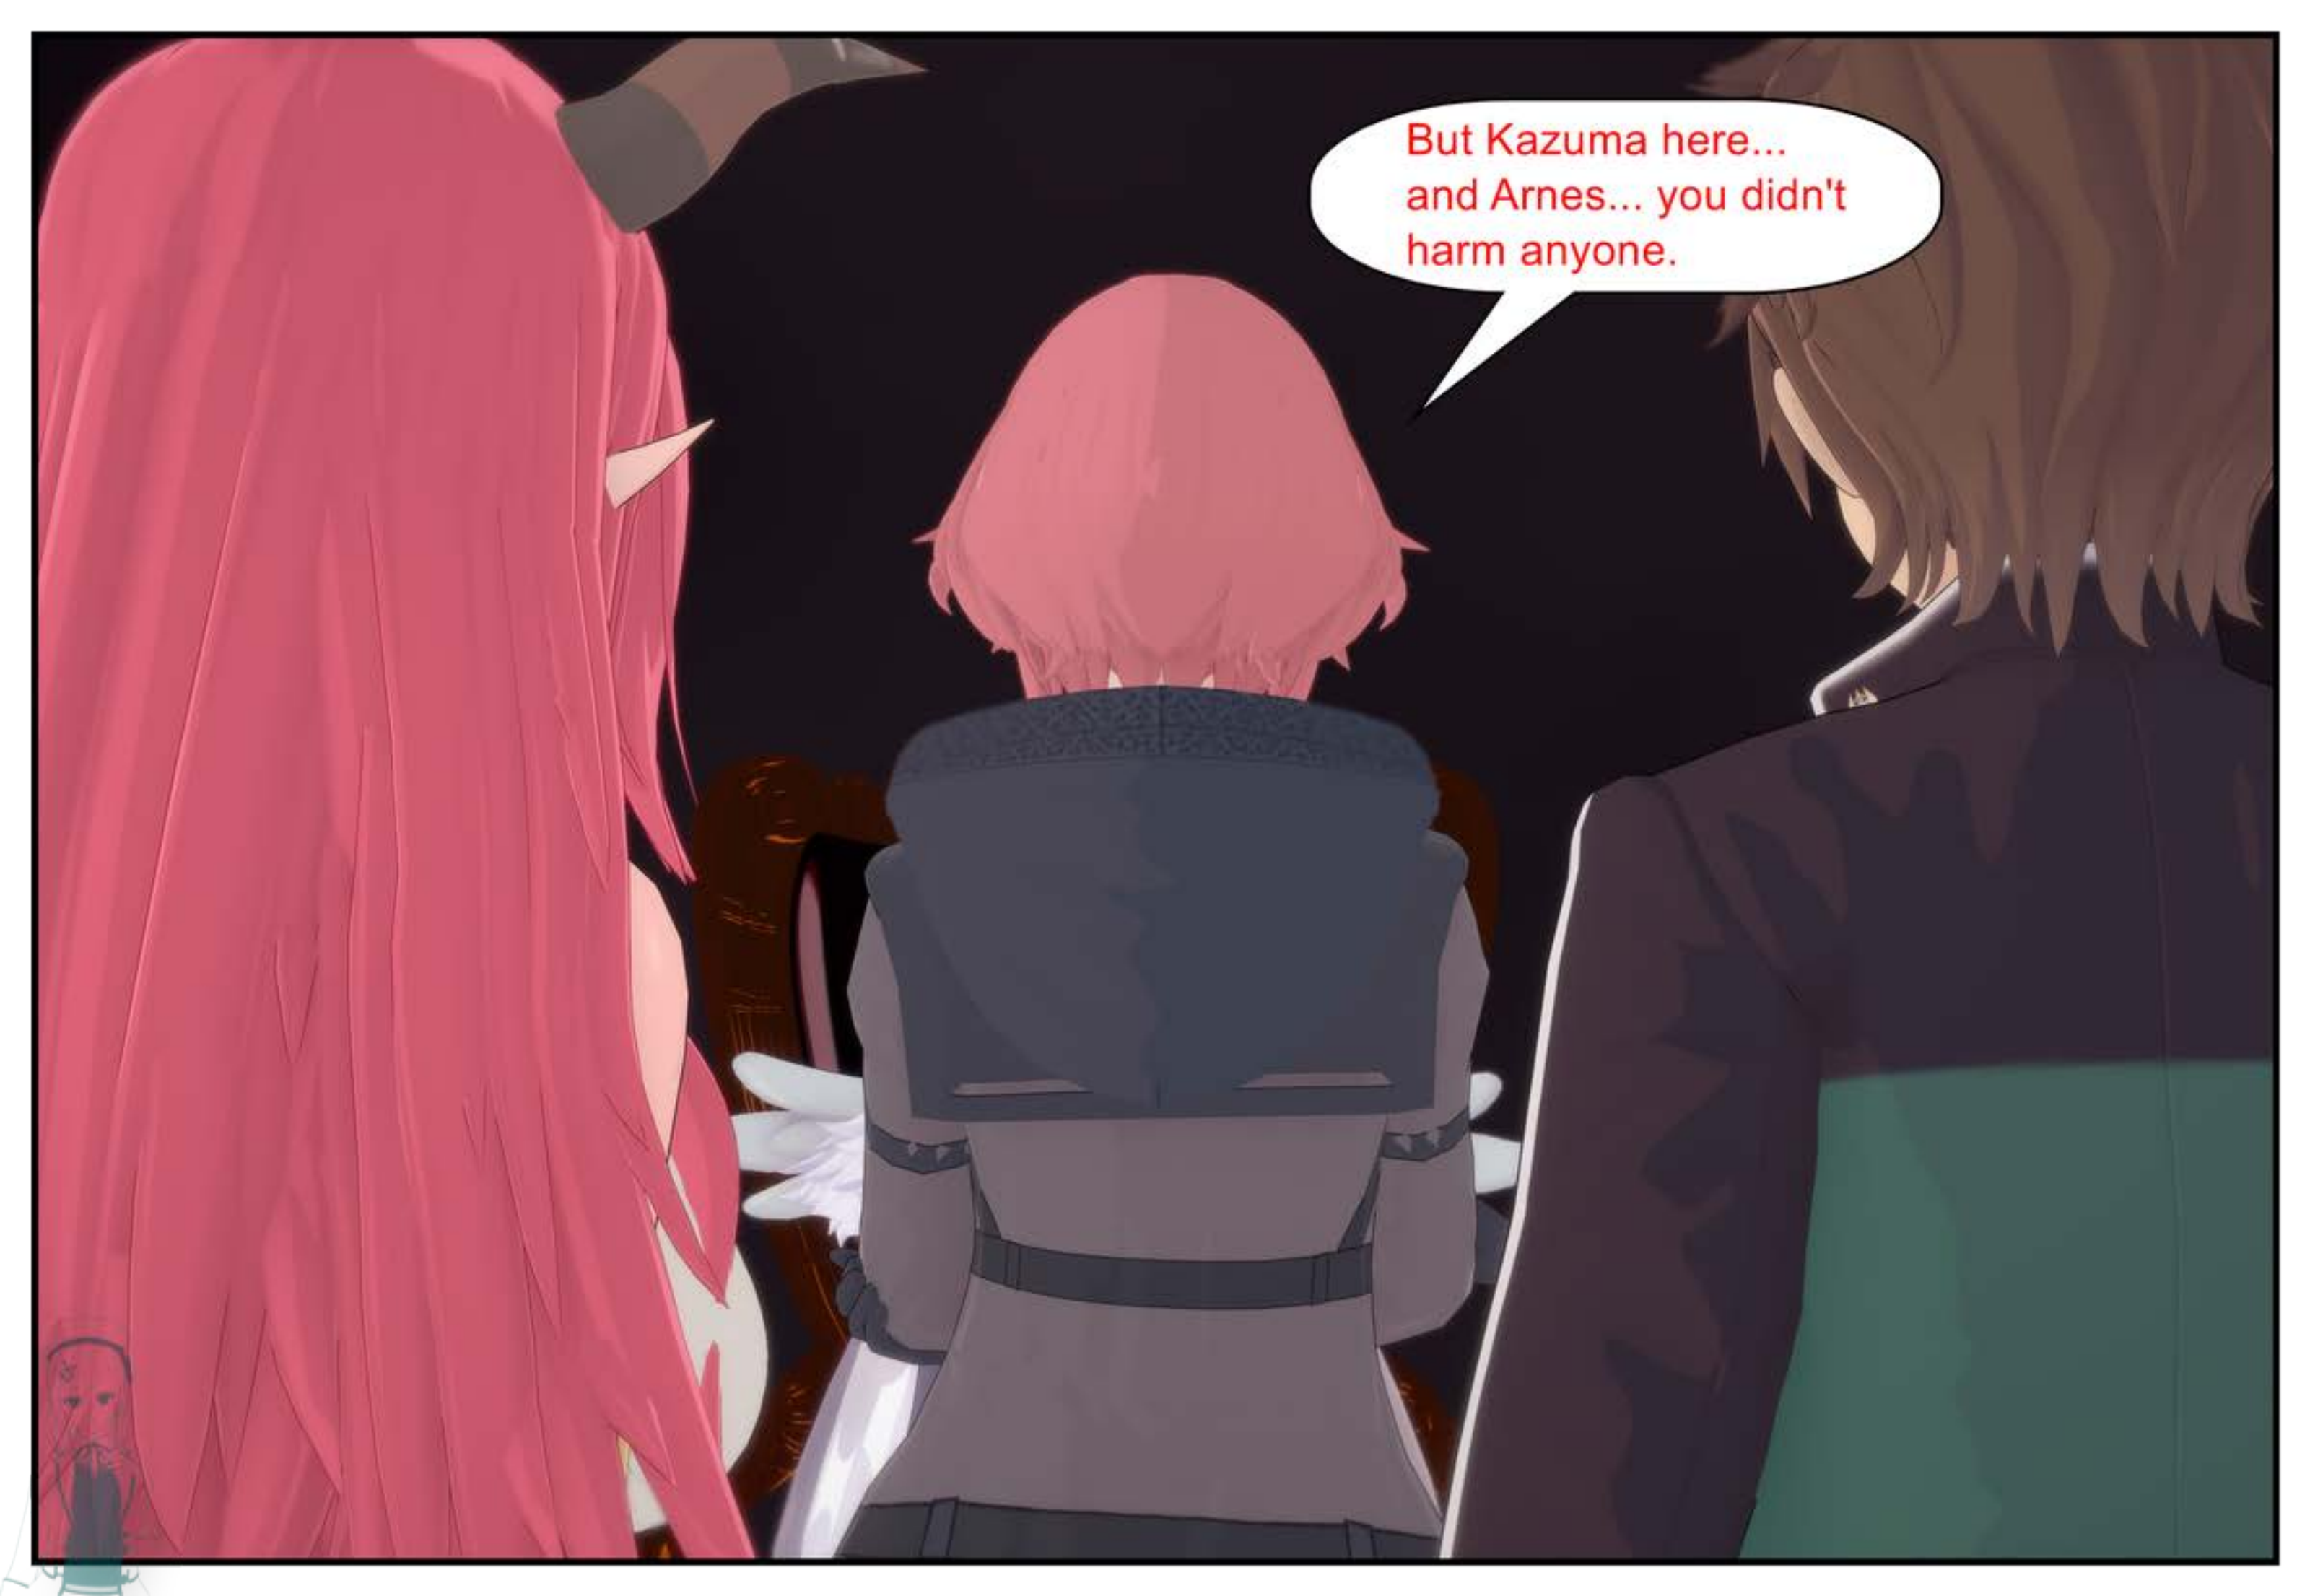

She's a good Demon.
I won't complaint.

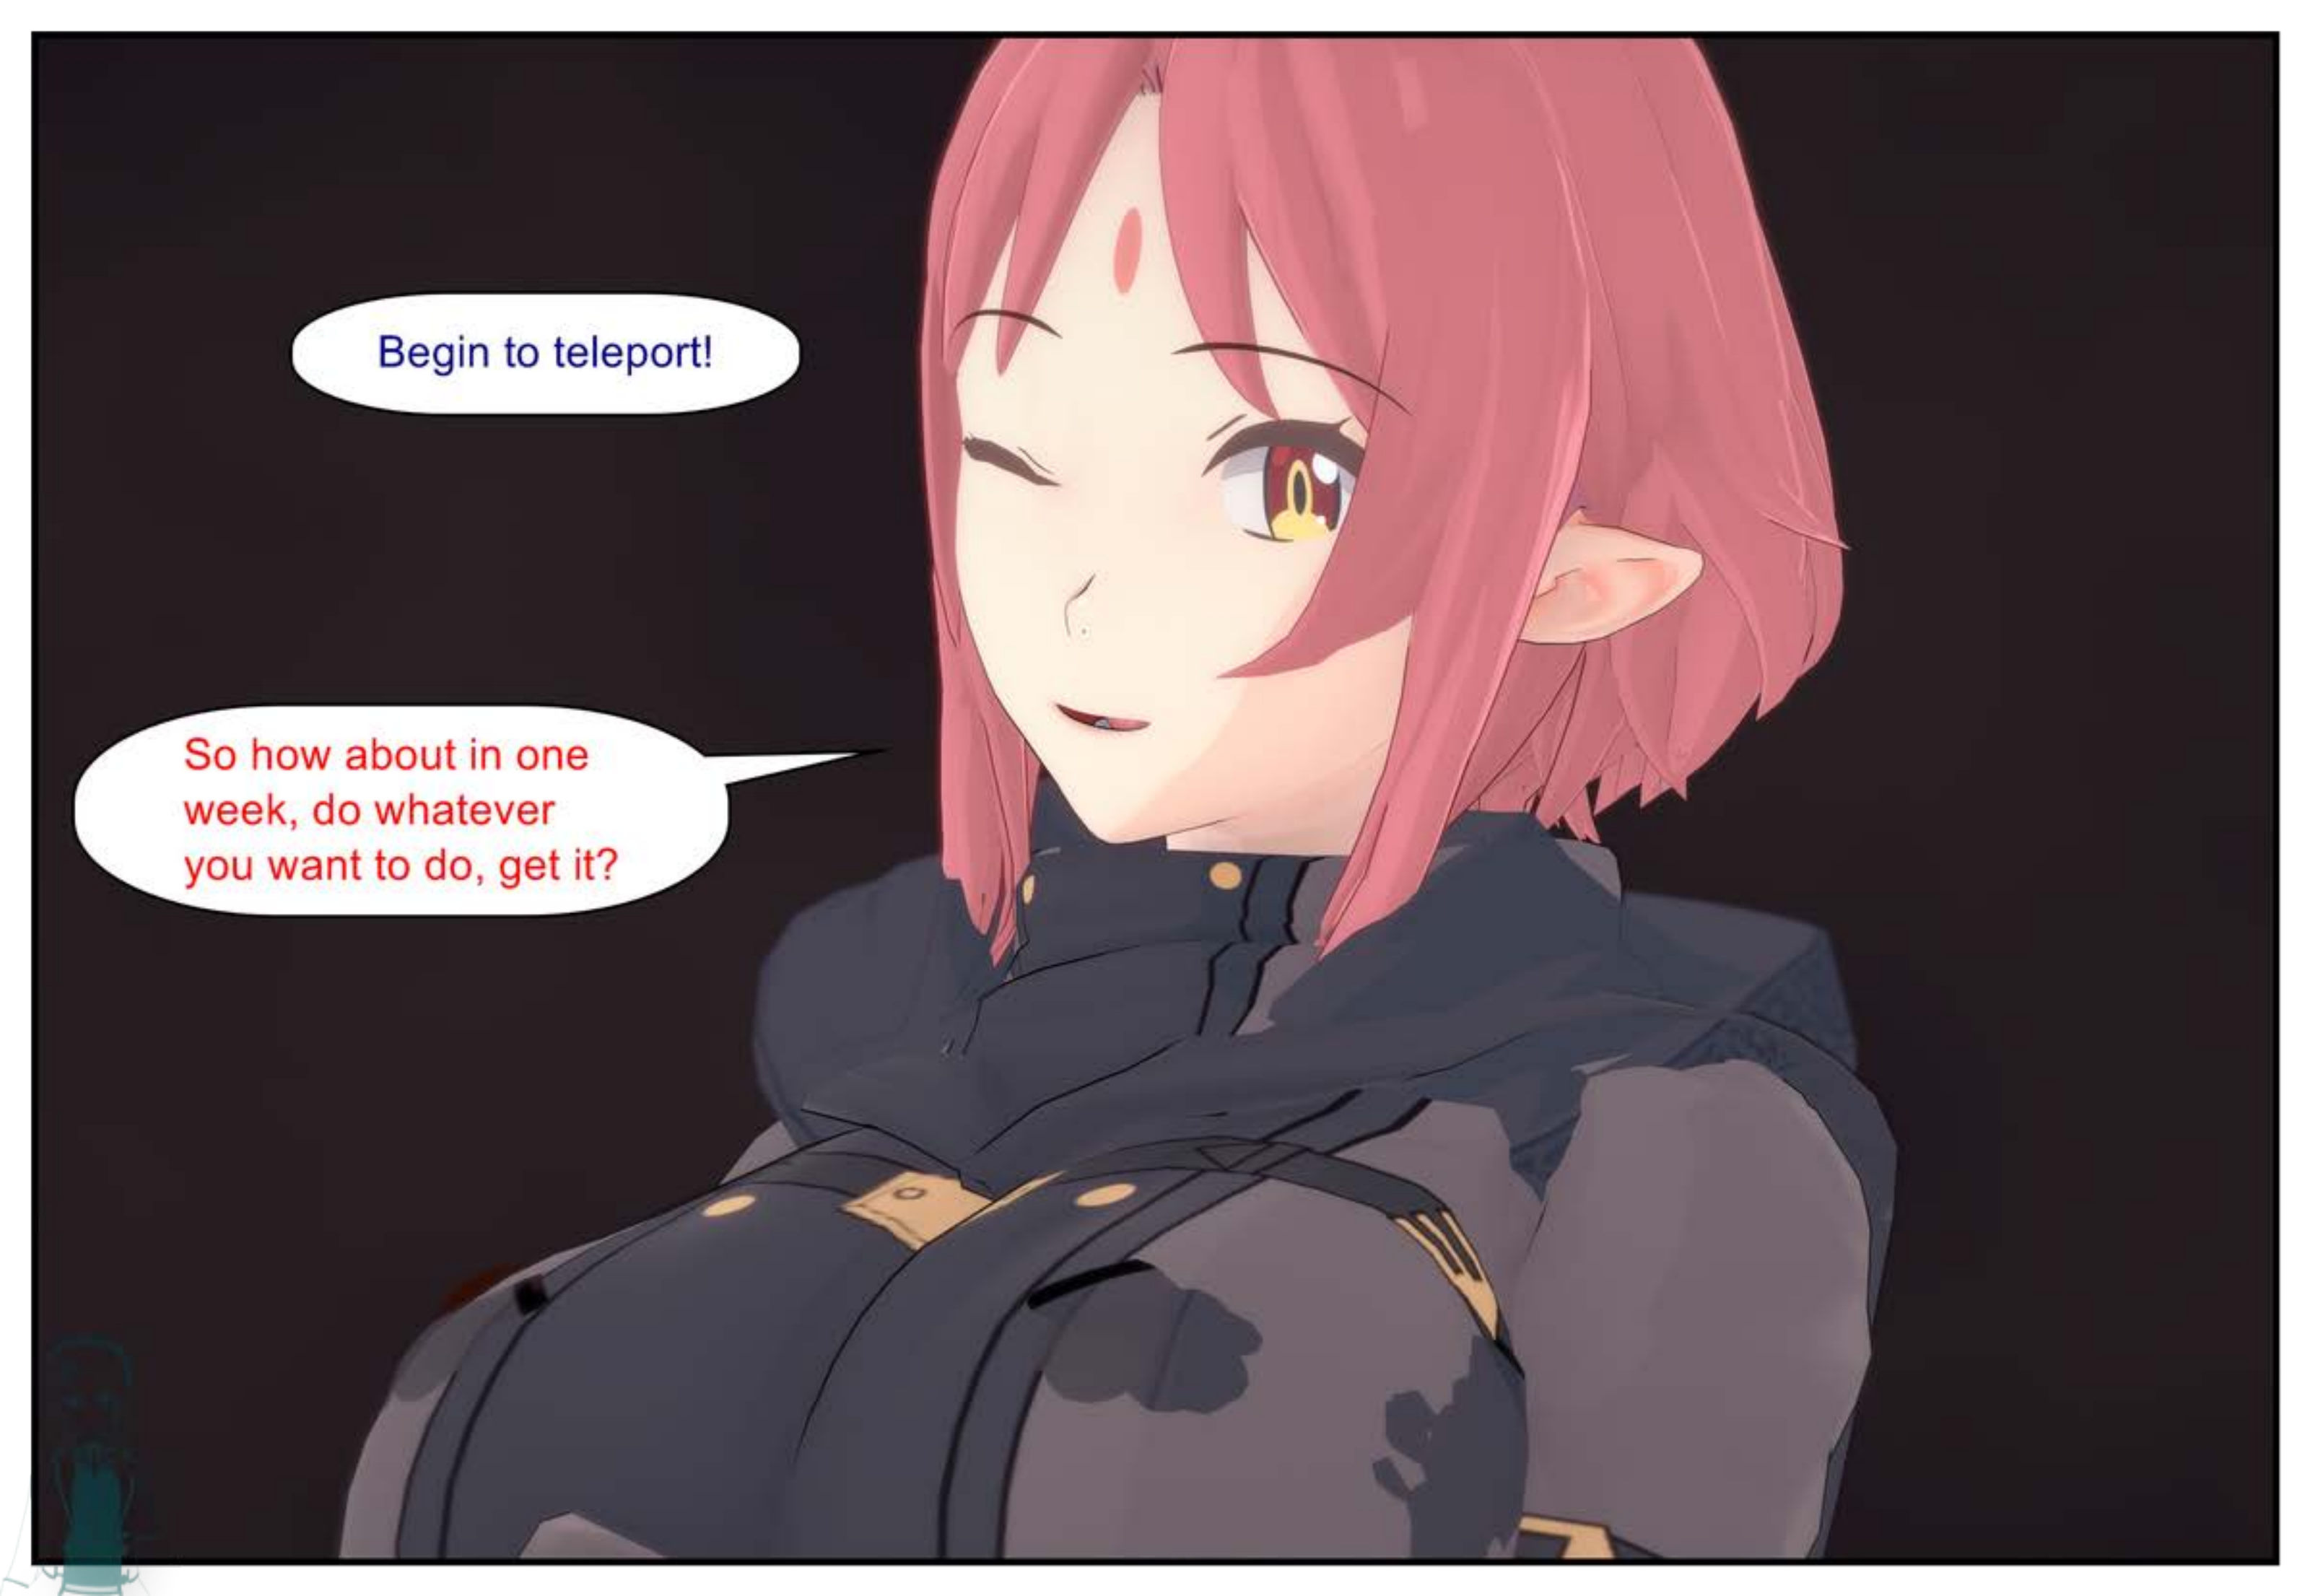

Ever since you came back to life, I was worried that... revenge was all you have.

Why are you doing this... Master Wolbach!?

But Kazuma here...
and Arnes... you didn't
harm anyone.

Begin to teleport!

So how about in one week, do whatever you want to do, get it?

Master Wolbach... I...

Teleportation complete.
Um... What about you, Wolbach?

It's up to you. But
I have nothing to
worry, everything is okay.

Um. I guess we have
Demon this and that.

Master... Wolbach...

A moment later...

Mmm

Kazuma...

Listen... I'm not
going to help you...

No... I only want to
join you on andventure.

Is your party still
have a slot for me?

"Remember how Wolbach sacrifice herself, I couldn't say no."

"Even if it only for
a week..."

"With Arnes, I and her can deal with high rank bounty..."

"But... it wouldn't be so simple..."

"Though, with Arnes,
nothing to worry about."

"Maybe... that was
what I thought..."

Later that night...

"Still, we completed a lot of bouties and enough for a luxury night."

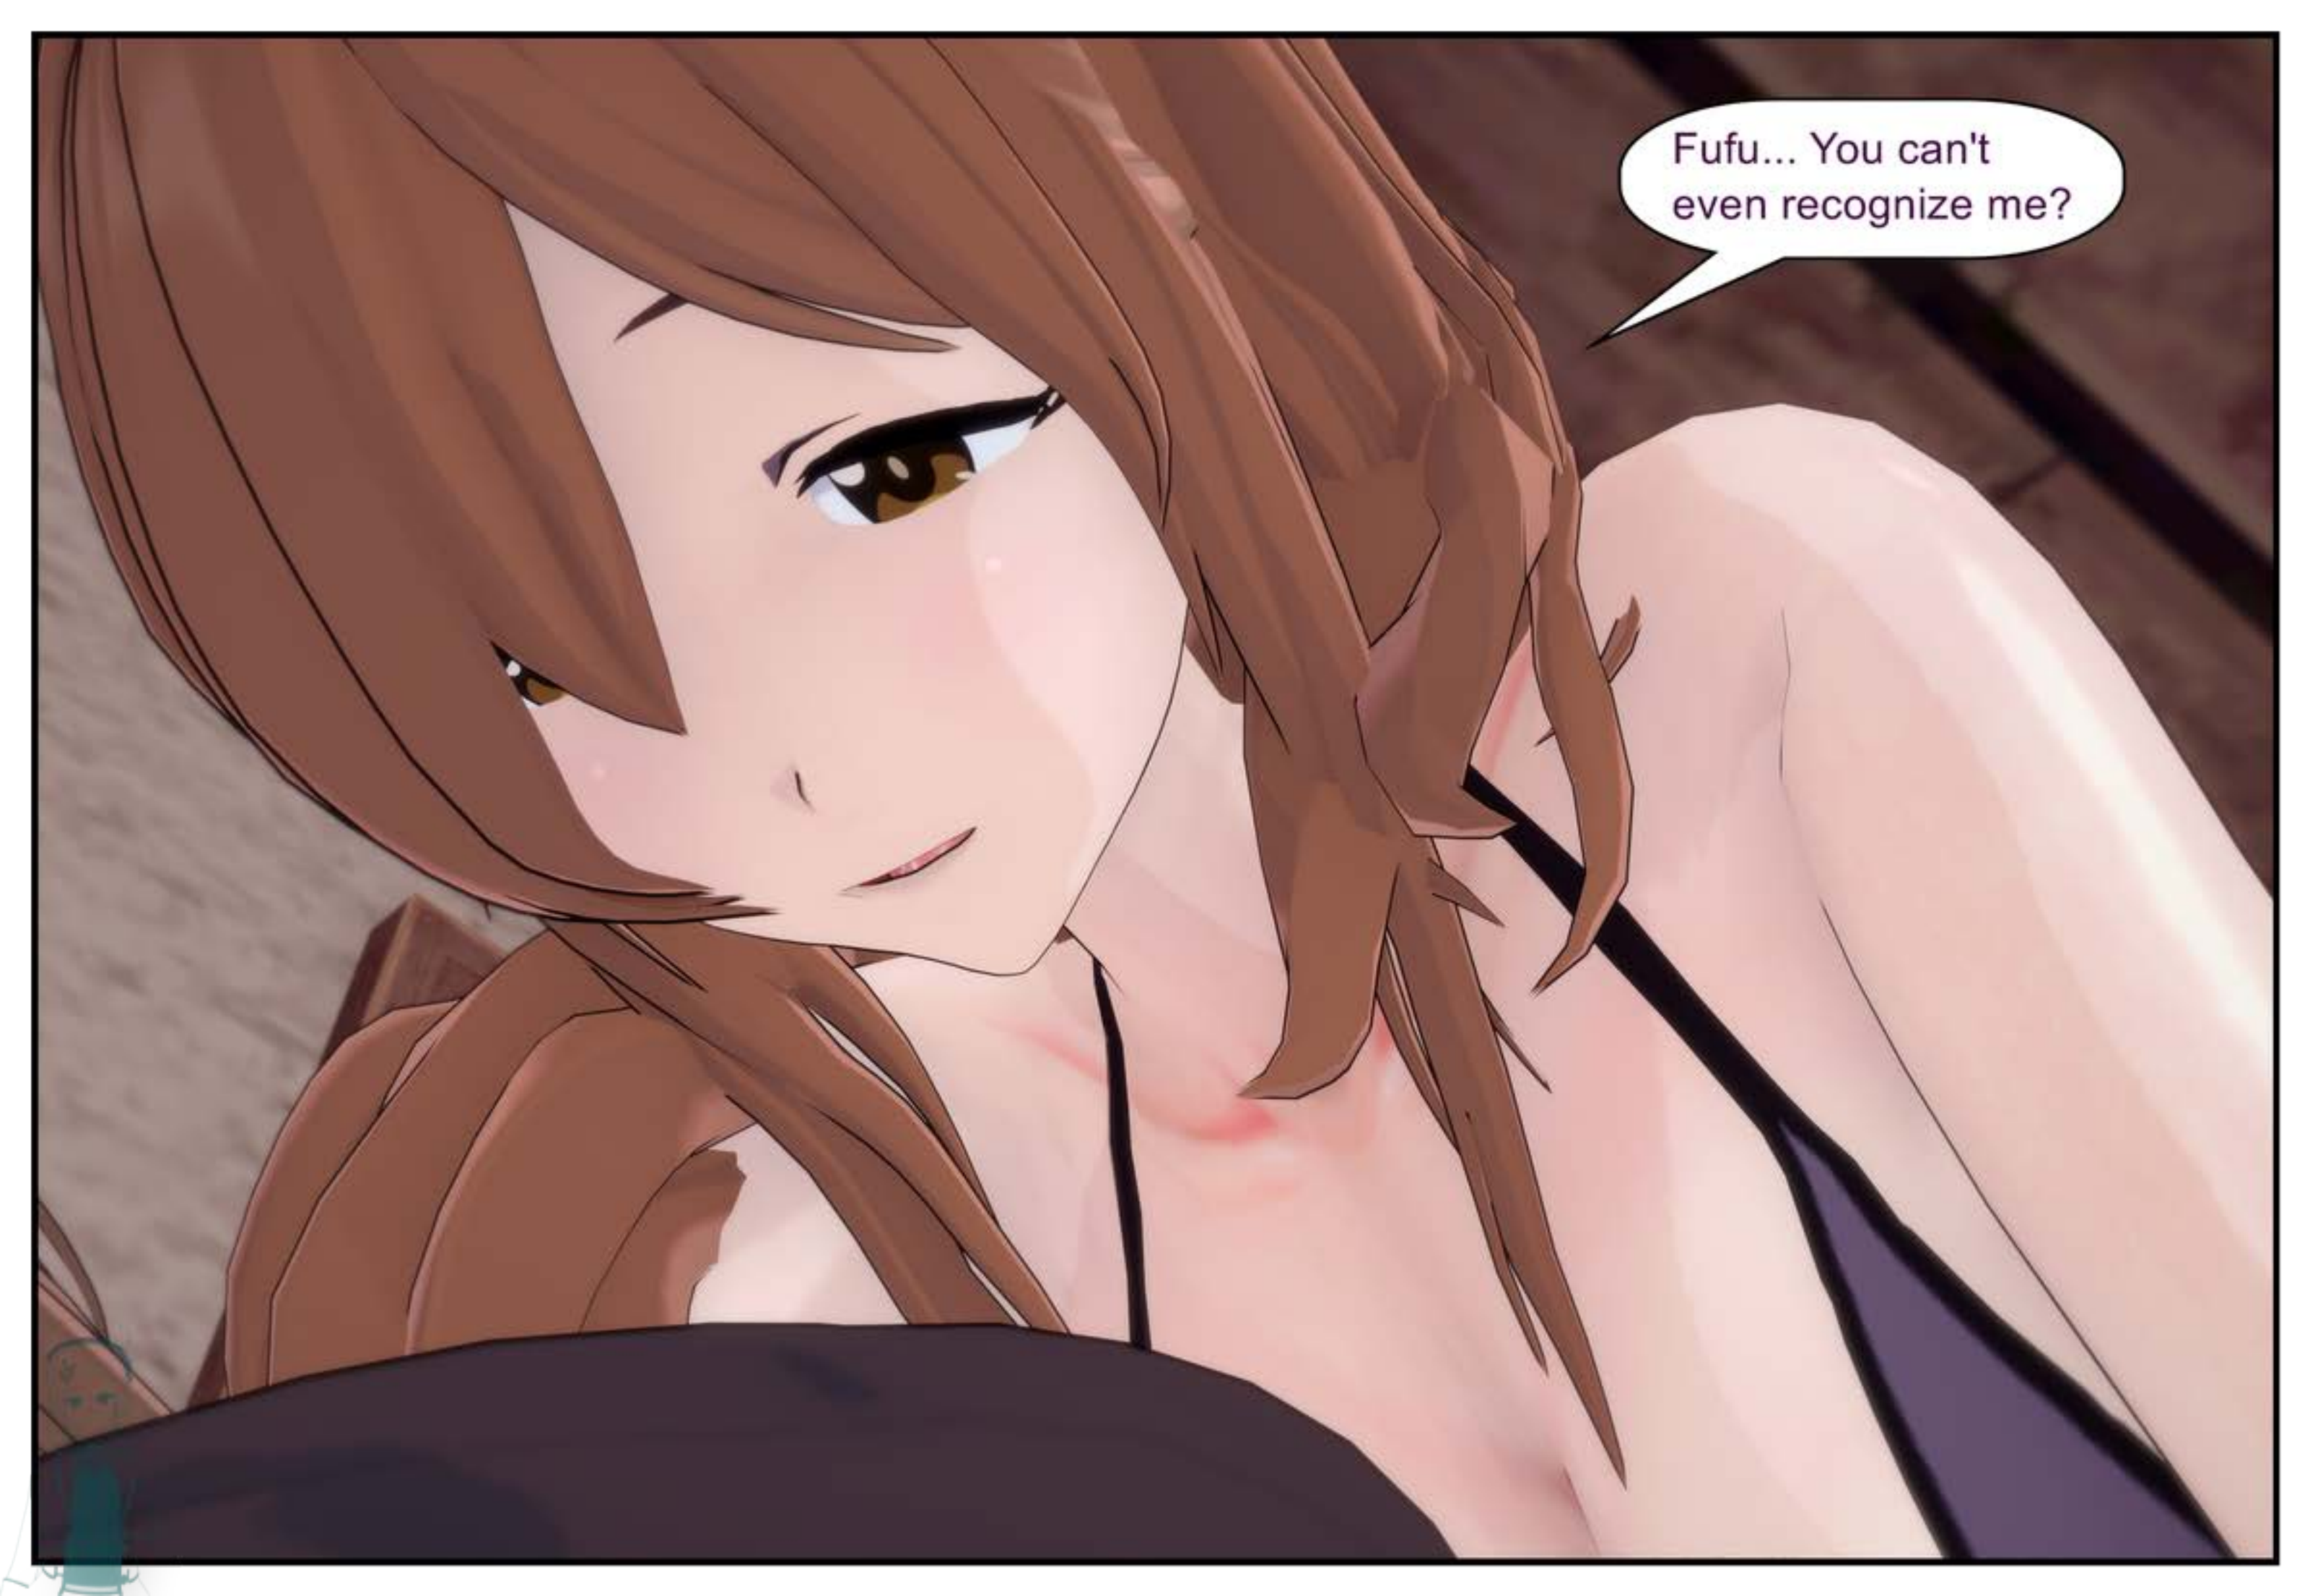

W-Wiz...?

Fufu... You can't even recognize me?

I couldn't think of
what to do tonight...

So I asked Vanir
and this...

A-Arnes...!?
What are you doing!?

Not the skinsuit
potion again!?

It's a new adjustment...
Vanir asked me to try.

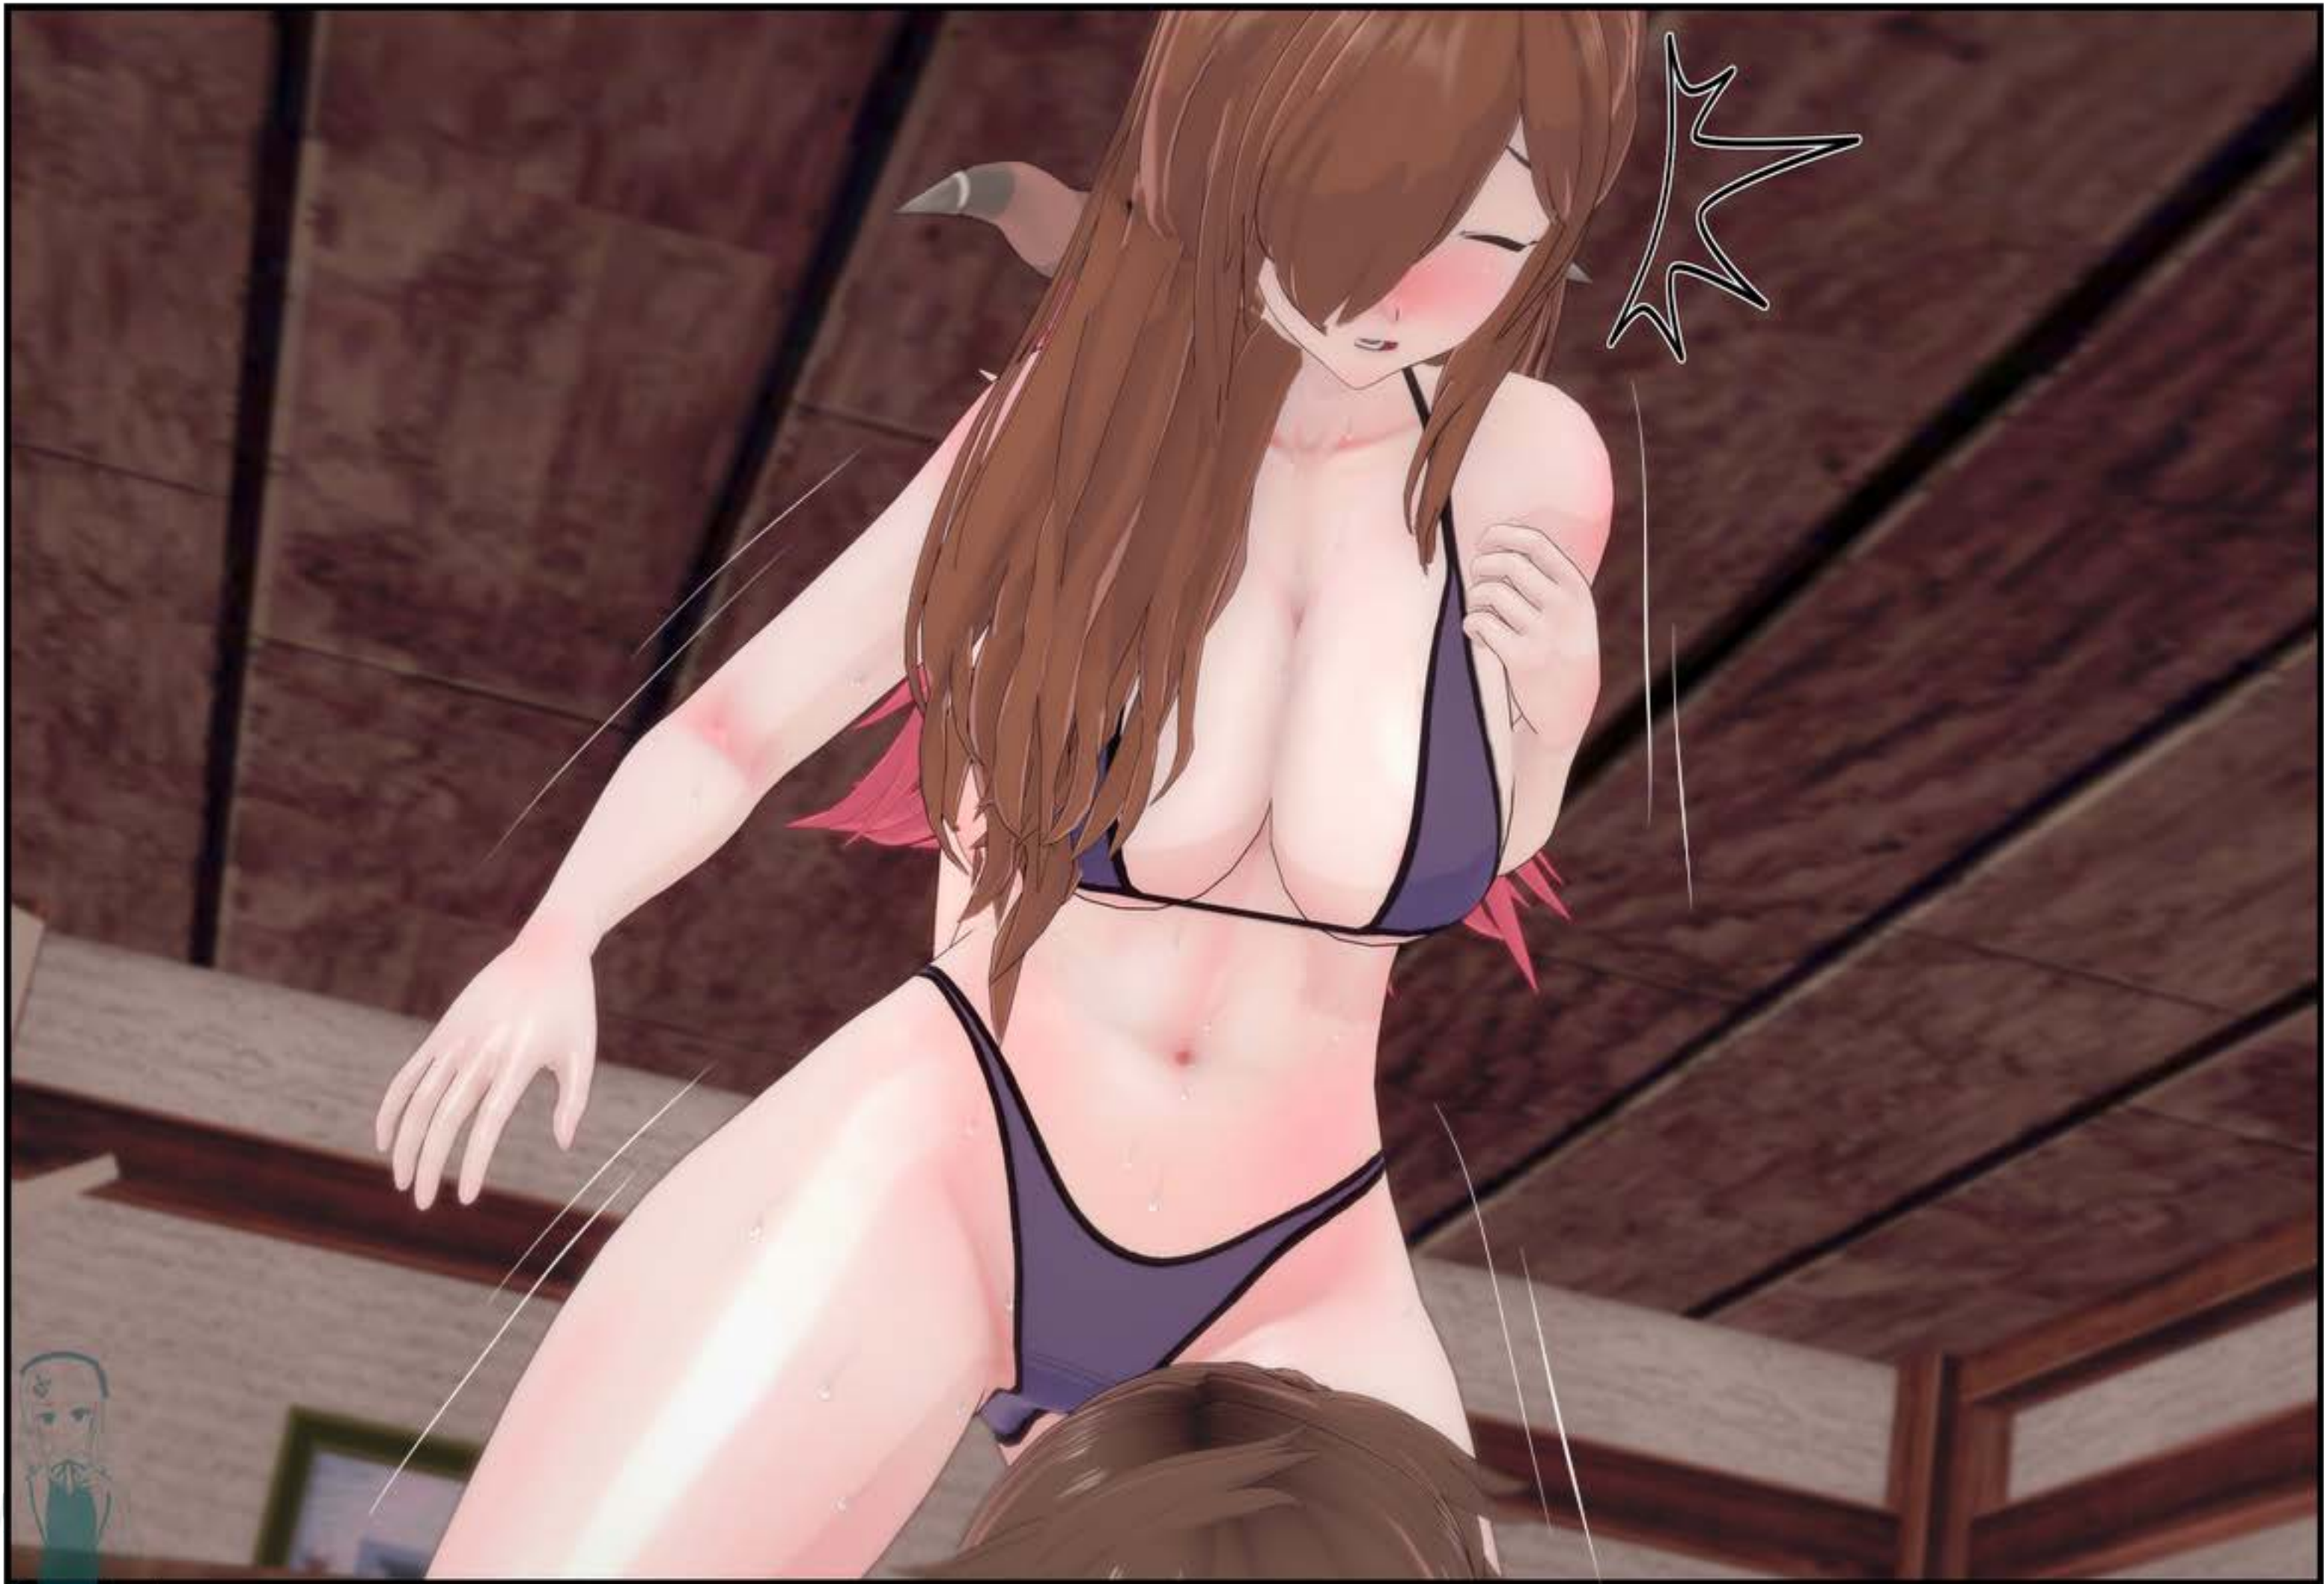

B-But... Ah...

You are not going to feel anything, Wiz.

I'm going in.

W-Wait..!!!

Now, Kazuma...
