

Videl on the Hunt

Doujinshi by
TheWriteFiction

Having retrieved some of the dragon balls already...

One day, after sneakily taking the dragon radar from Bulma's lab, Goten and Trunks went dragon ball hunting.

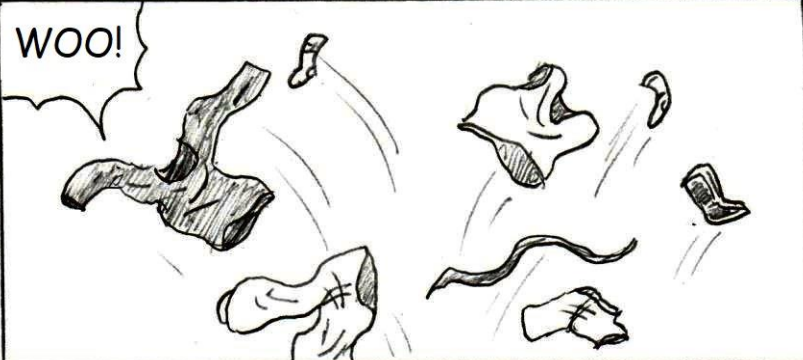

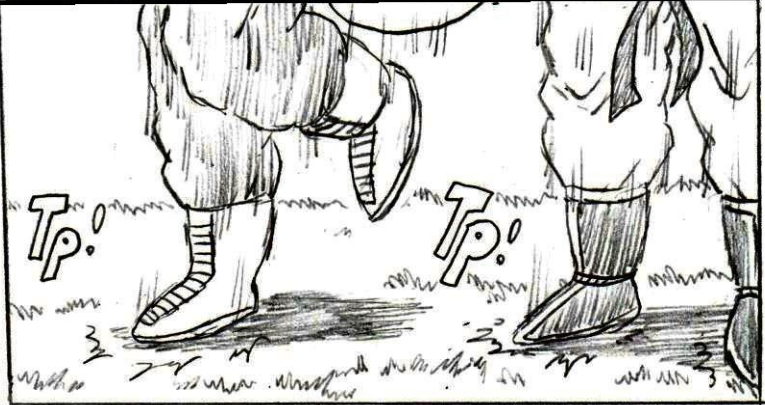

Videll- wanting to meet Shenron- decided to accompany the two mischief makers on their quest.

Uh-huh! That's what it says!

Seriously? The ball is somewhere in this lake?

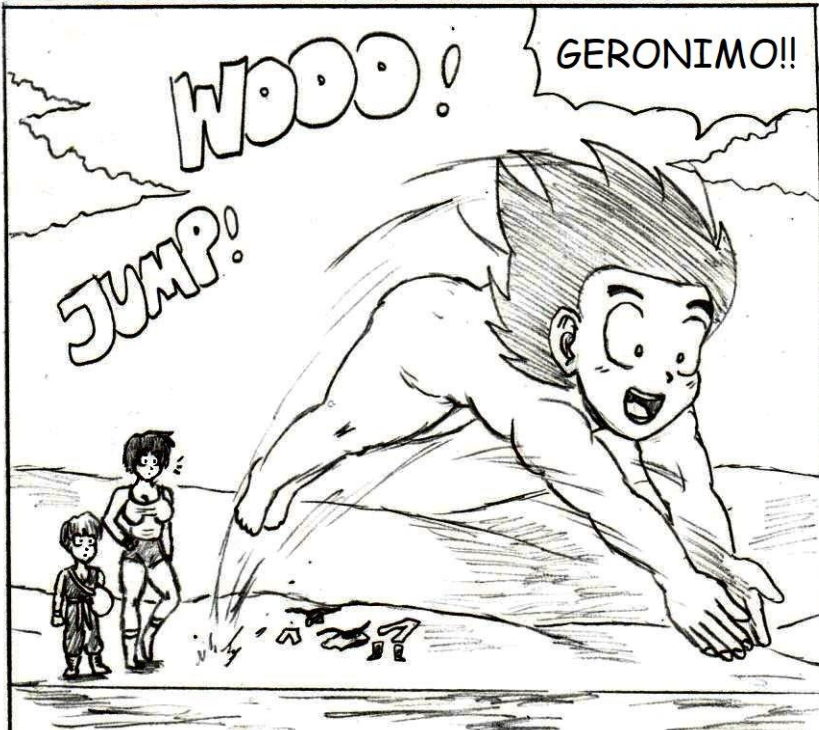

The radar then led the trio here.

WOO!

Great. I don't even have a swimsuit.

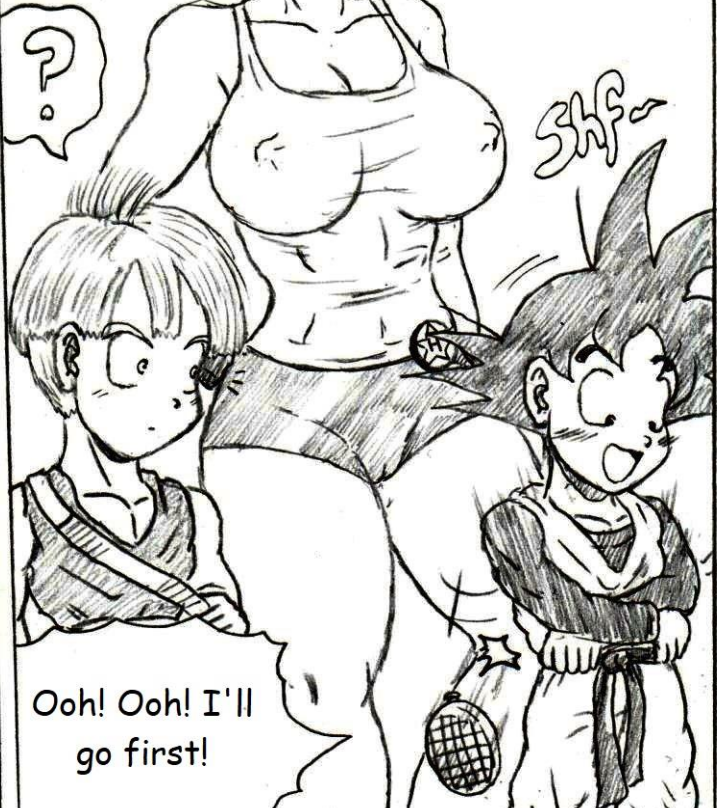

Well... looks like we're going for a swim.

WOOO!

GERONIMO!!

JUMP!

Ooh! Ooh! I'll go first!

Yep! Let's go after him.

Jaws!

SPASH!

Ah... he just stripped and jumped in...

Gee. Gohan's little brother is so carefree.

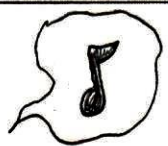

Guess we should follow his lead.

Welp.

Y-Yeah.

Yeeh!

You... you took off ALL your clothes without warning.

I didn't know girls were like that.

...

O-Okay. Sure.

It's a bit unfair for me to be the only one naked here. How about you undress and show me what you've got, handsome?

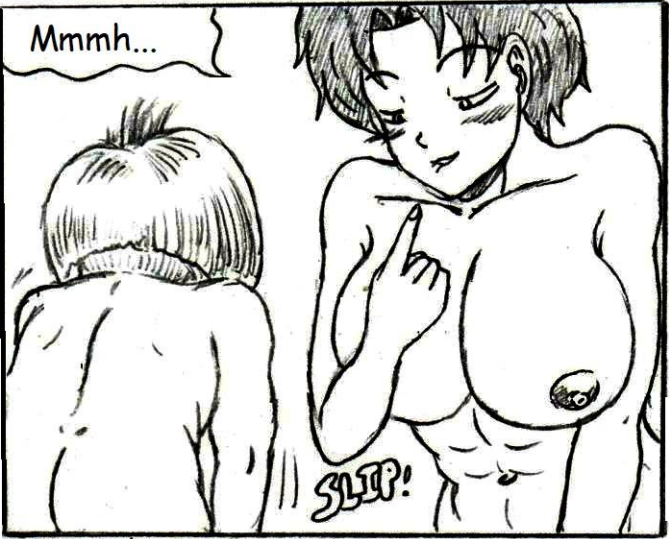

Hmm... you look good. Mmh... now I want to find out how you taste.

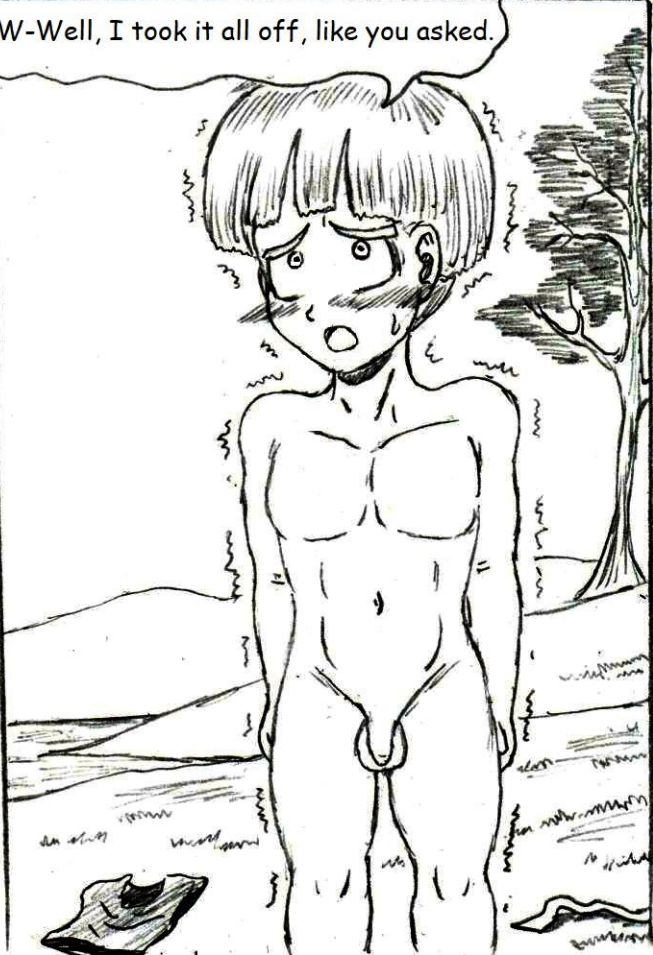

Fufu

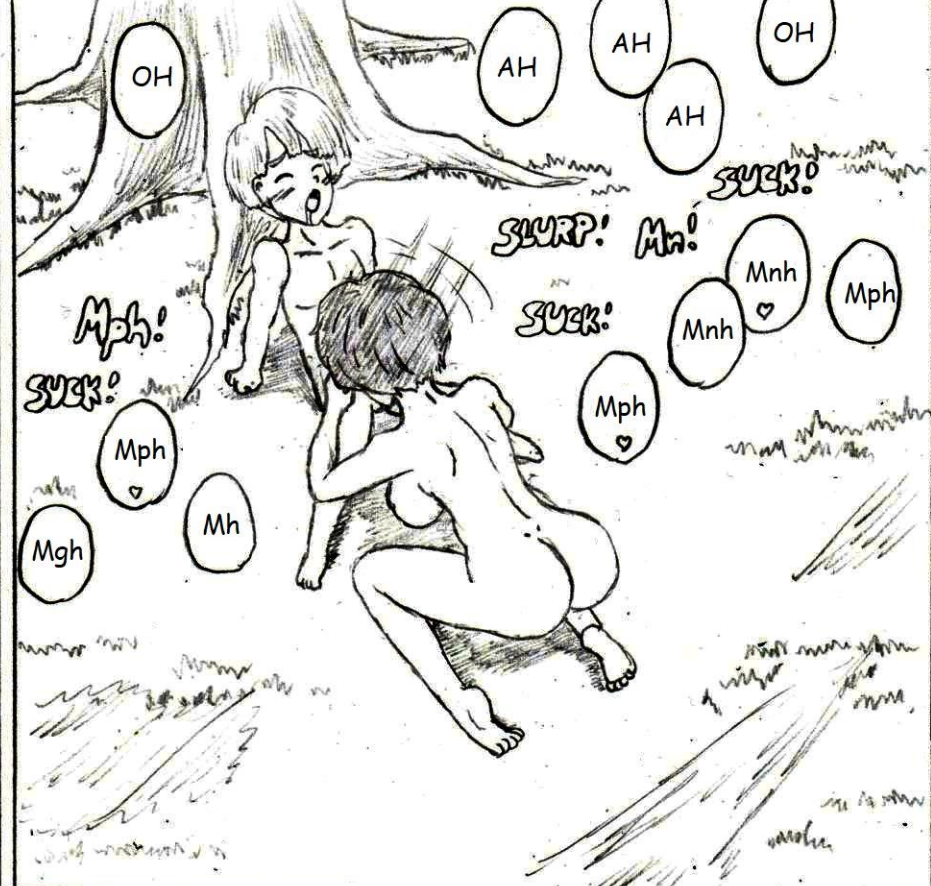

Mmmh...

W-Well, I took it all off, like you asked.

Aaahh! Wow... you're sucking me even harder than before! Oooh! My dick is so wet and warm inside your mouth!

Ooh... Vidal... that feels so damn good!

Oh Trunks. Your little penis is so tasty... aah...
