Her bed-wetting habit still hasn't gone away..

Your dad won't be mad.

It's not uncommon at Kokone's age.

I like you!

Dad!

..and thus, as a result of my continued affection for her...

You don't have to cry.

My little girl. I'm rather happy to smell her pee I'm rather happy I'm just happy.

Oh..

such a
pretty
outfit!

For me?

Thank you!

Kokone,

very
good girl.

I'll keep
your beautiful
