

# Alien Parasite

# R18 include!

*(Nudity, sexual activities and other R18 stuff)*

*All events in the story are fiction.  
I hope everyone will enjoy and  
like my works~*

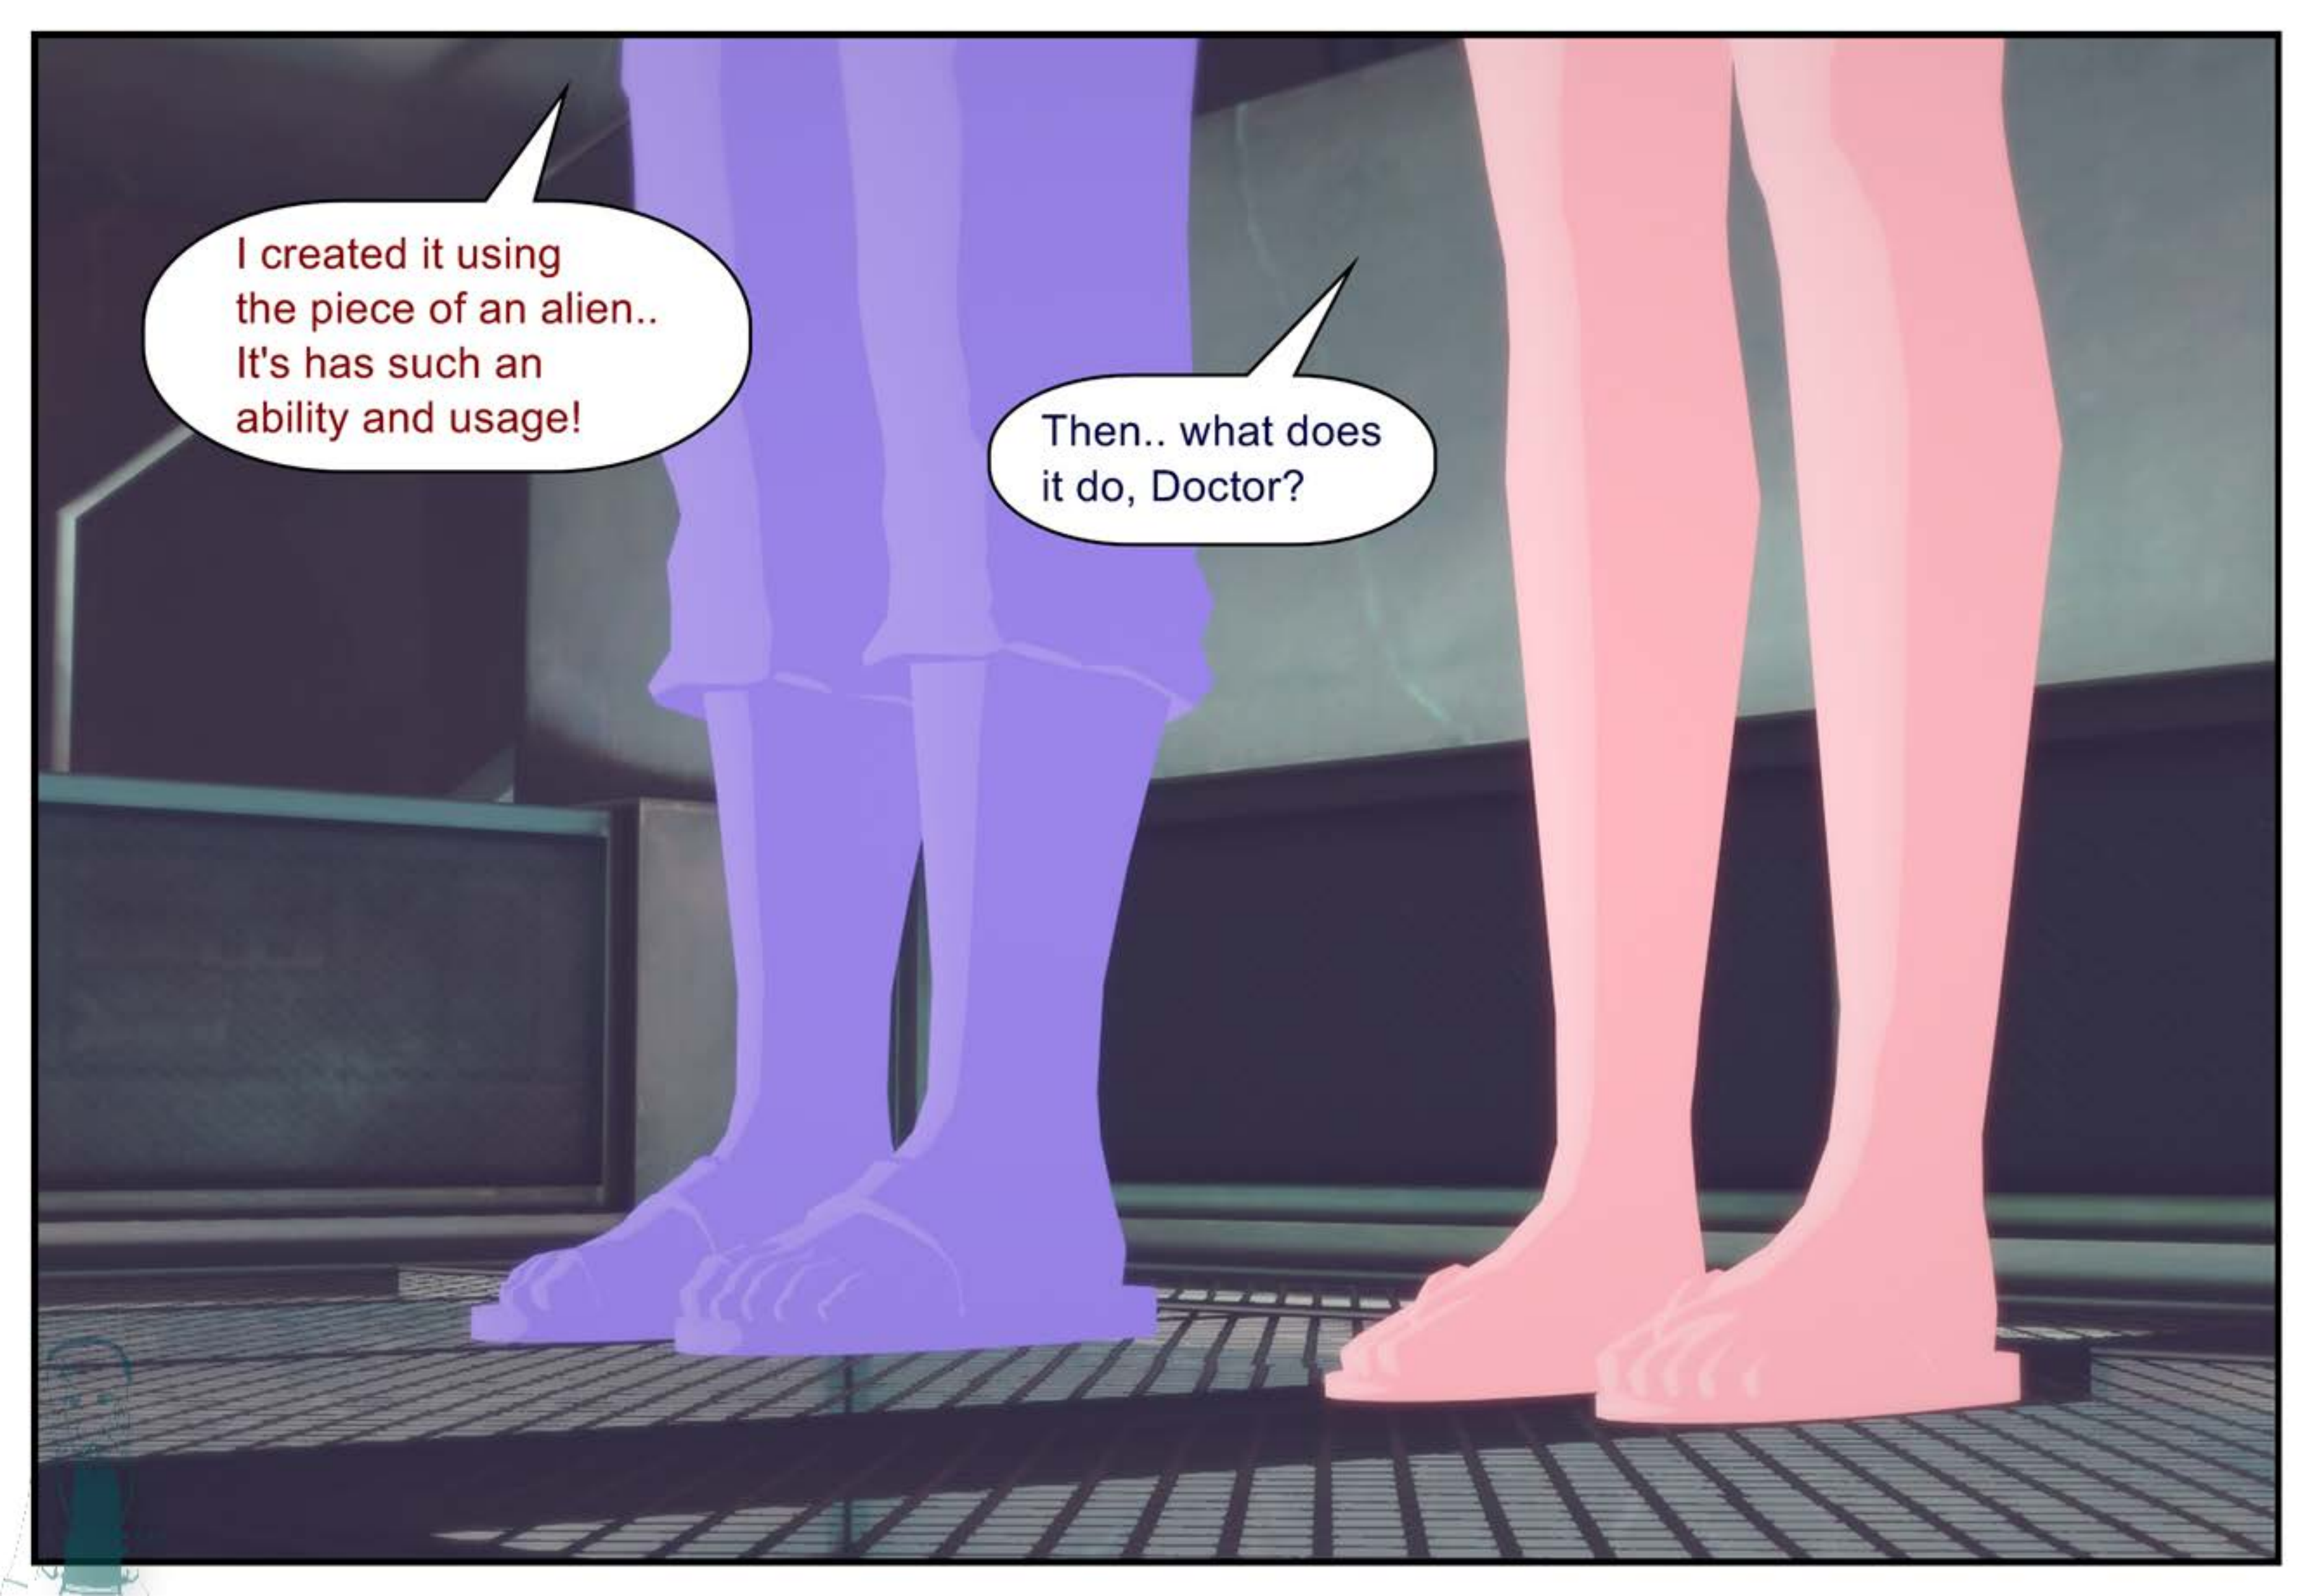

*Thank you very much for your support!*

A dark, industrial interior with a glowing green rectangular object on a ledge. The scene is dimly lit, with the primary light source being the green glow. The object has a curved, pipe-like protrusion on its right side. The background shows dark walls and a window or opening to the right.

We finally done it,  
Lena! The key for  
everything!

I created it using  
the piece of an alien..  
It's has such an  
ability and usage!

Then.. what does  
it do, Doctor?

Expand the human life.. Yes, that was what I discovered about this experiment..

Sound promising..  
But is it dangerous?

I did connect myself  
to it.. we can wait until  
it finished.. soon..

Ah.. You sound a  
bit scary, Doctor.

Lena.. I..

Whatever it is, I  
will still be with you  
to the end.

E-Emergency!!  
They found us!!

W-What..!?!??

Everyone is dead!!  
You two should..

..run..

Hm.. Haven't seen  
you for a while, Doctor.

Y-You are..

Hiding in this stinky sewer, what are you doing?

It's none of your  
business, Government's  
lap dog!

Well, I'm turning it  
into mine now.

A woman with short blonde hair, wearing a light-colored, possibly white, top, stands with her arms outstretched horizontally. She is positioned in the foreground. Behind her is a blue silhouette of a man in a suit, also with his arms outstretched. The background is dark and industrial, with visible structural elements like pipes and beams. A speech bubble is located to the right of the woman.

You are not going to touch him or his life work!

We are tired of  
making weapon for  
your wars! So get loss!

Seem like.. You  
haven't got the  
point yet..

This whole place..  
has now become  
Government's property.

LENA!!!!

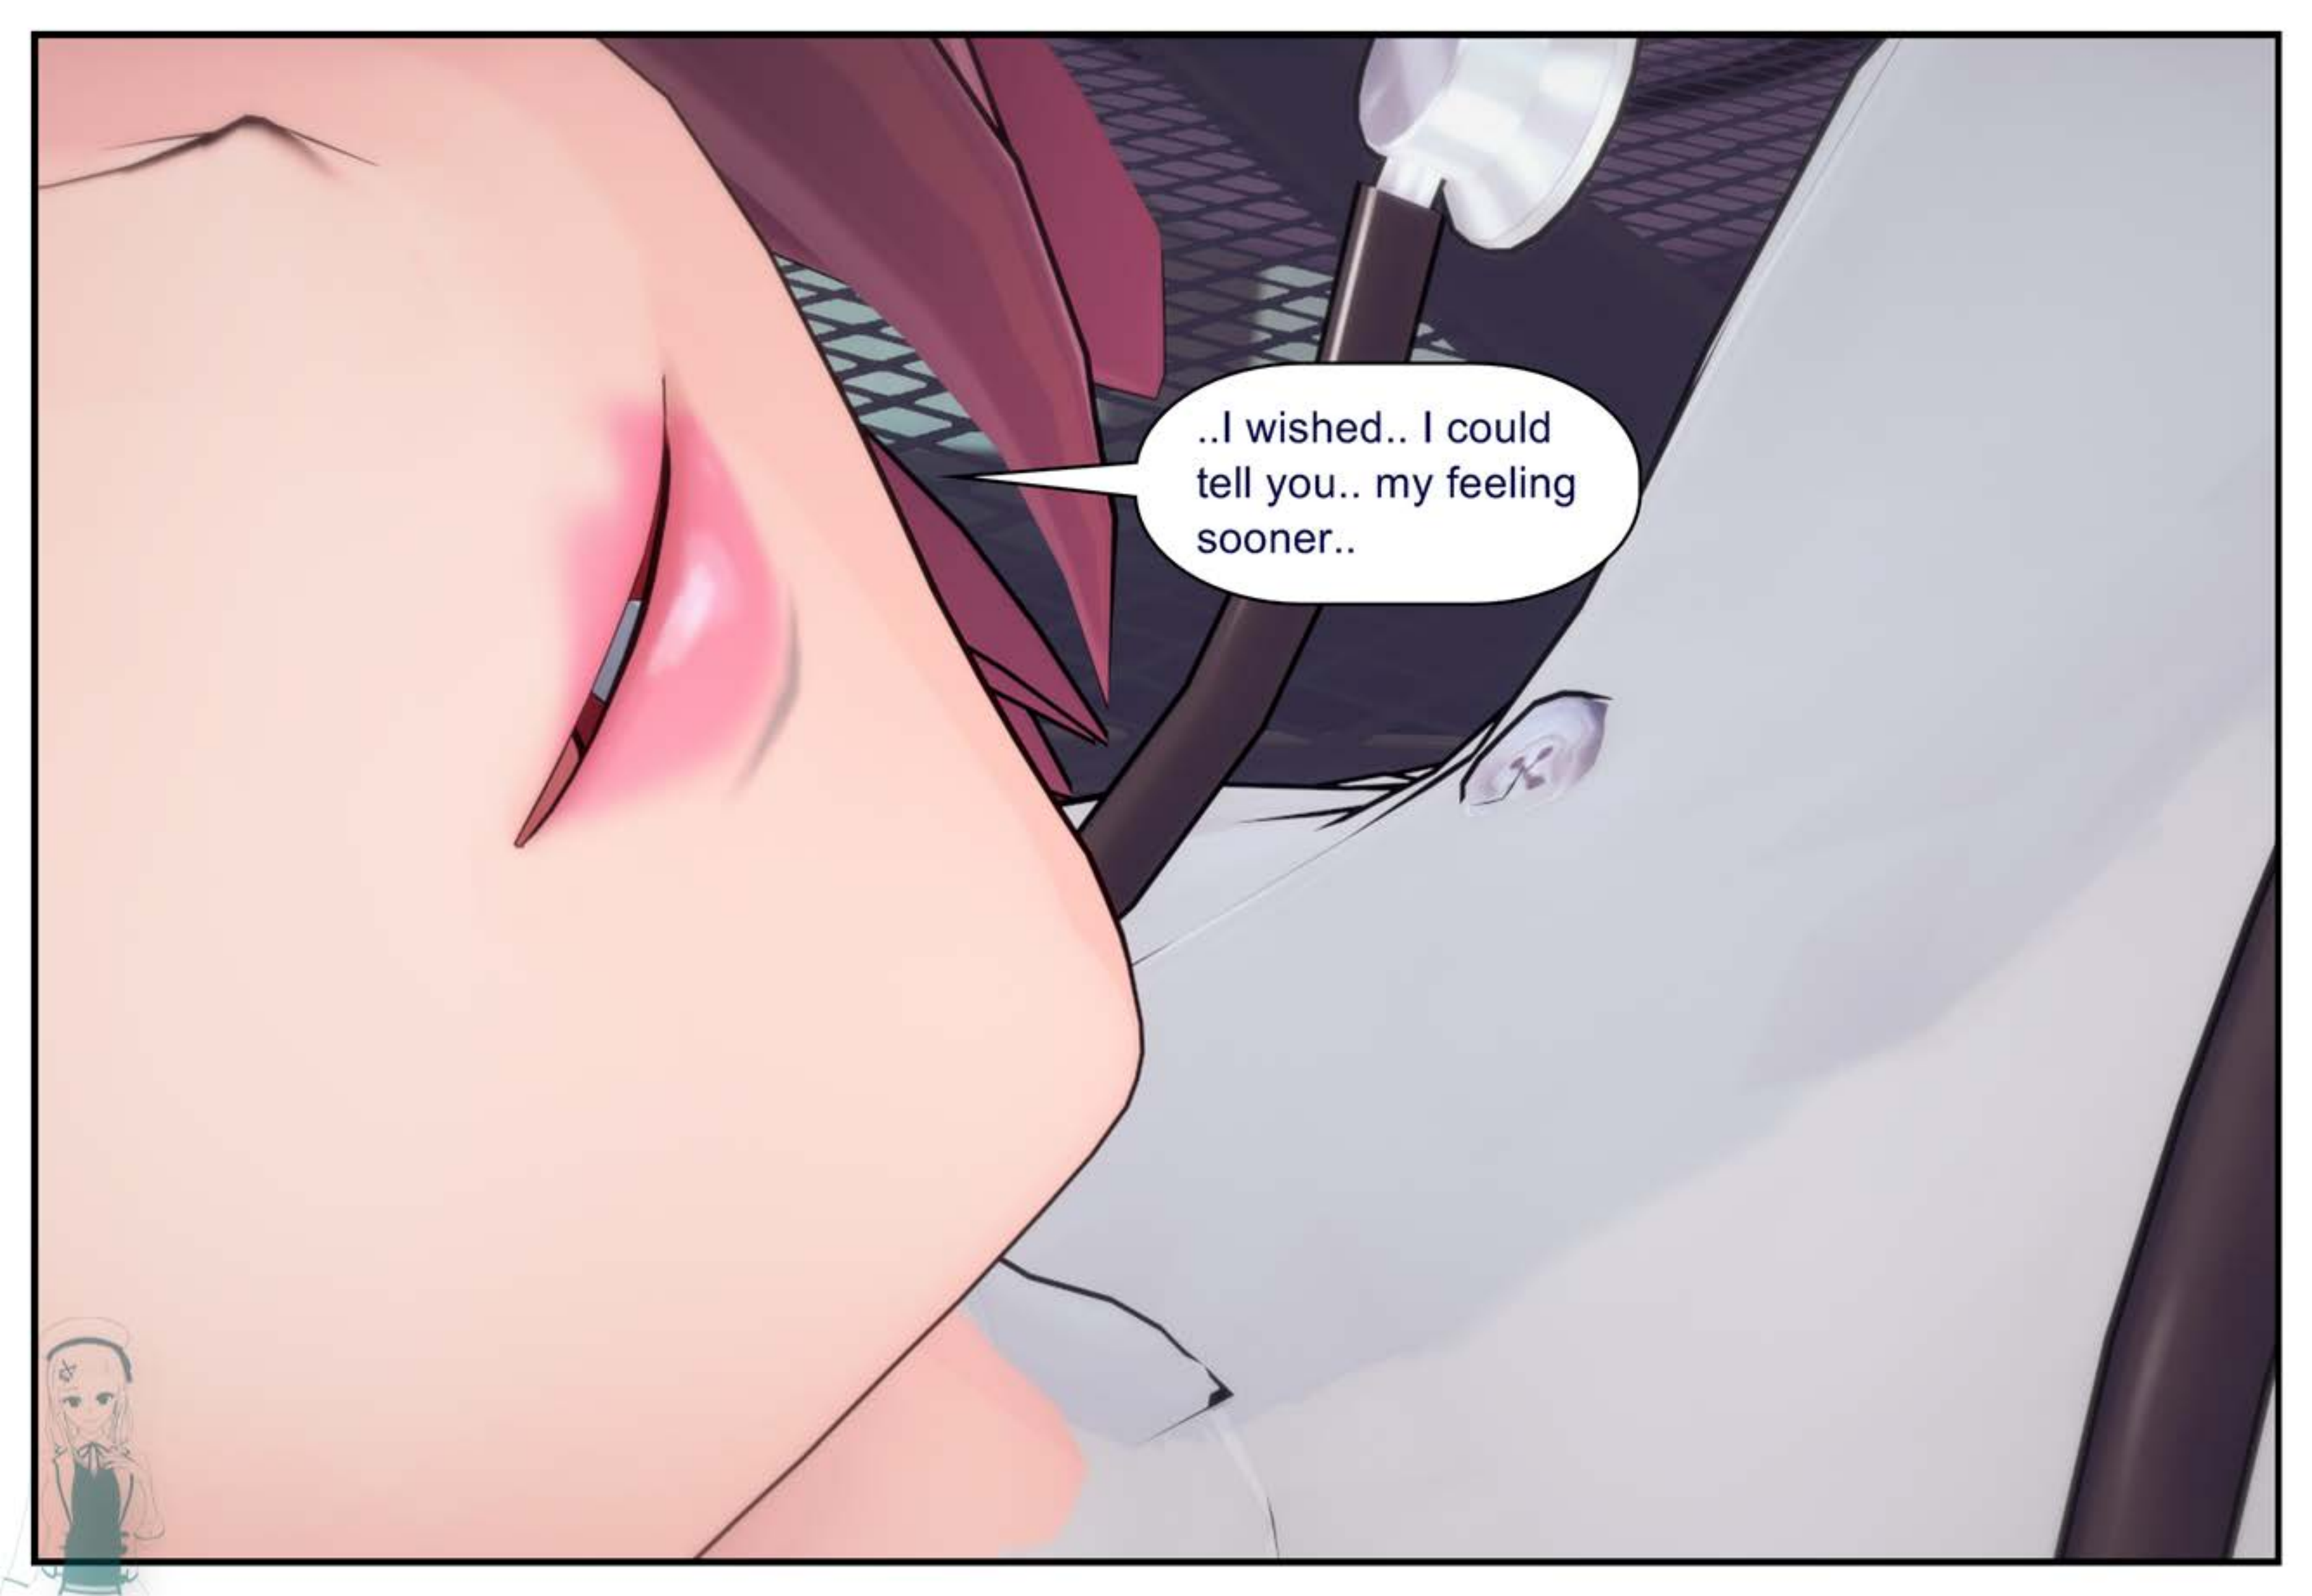

Tresspasser will  
be shot on sight.

Please.. Stay with me, Lena..

Doc..tor.. I..

..I wished.. I could  
tell you.. my feeling  
sooner..

..I'm.. sorry..

No.. No.. No!!  
Lena!!

Madam, what is your order?

Kill and burn  
everything to ashes.

Copy that,  
Madam.

Do not let a bug  
escape, get it?

A female soldier in a black and green camouflage uniform is shown from the waist up, holding a rifle. She has short blue hair and is wearing a tan tactical vest. The background consists of a dark, grid-like structure, possibly a window or a door. A speech bubble is positioned to the left of the soldier, containing the text: "You monster.. Why didn't you let us go!? All of you.. I will..!!".

You monster.. Why didn't you let us go!?  
All of you.. I will..!!

BANG

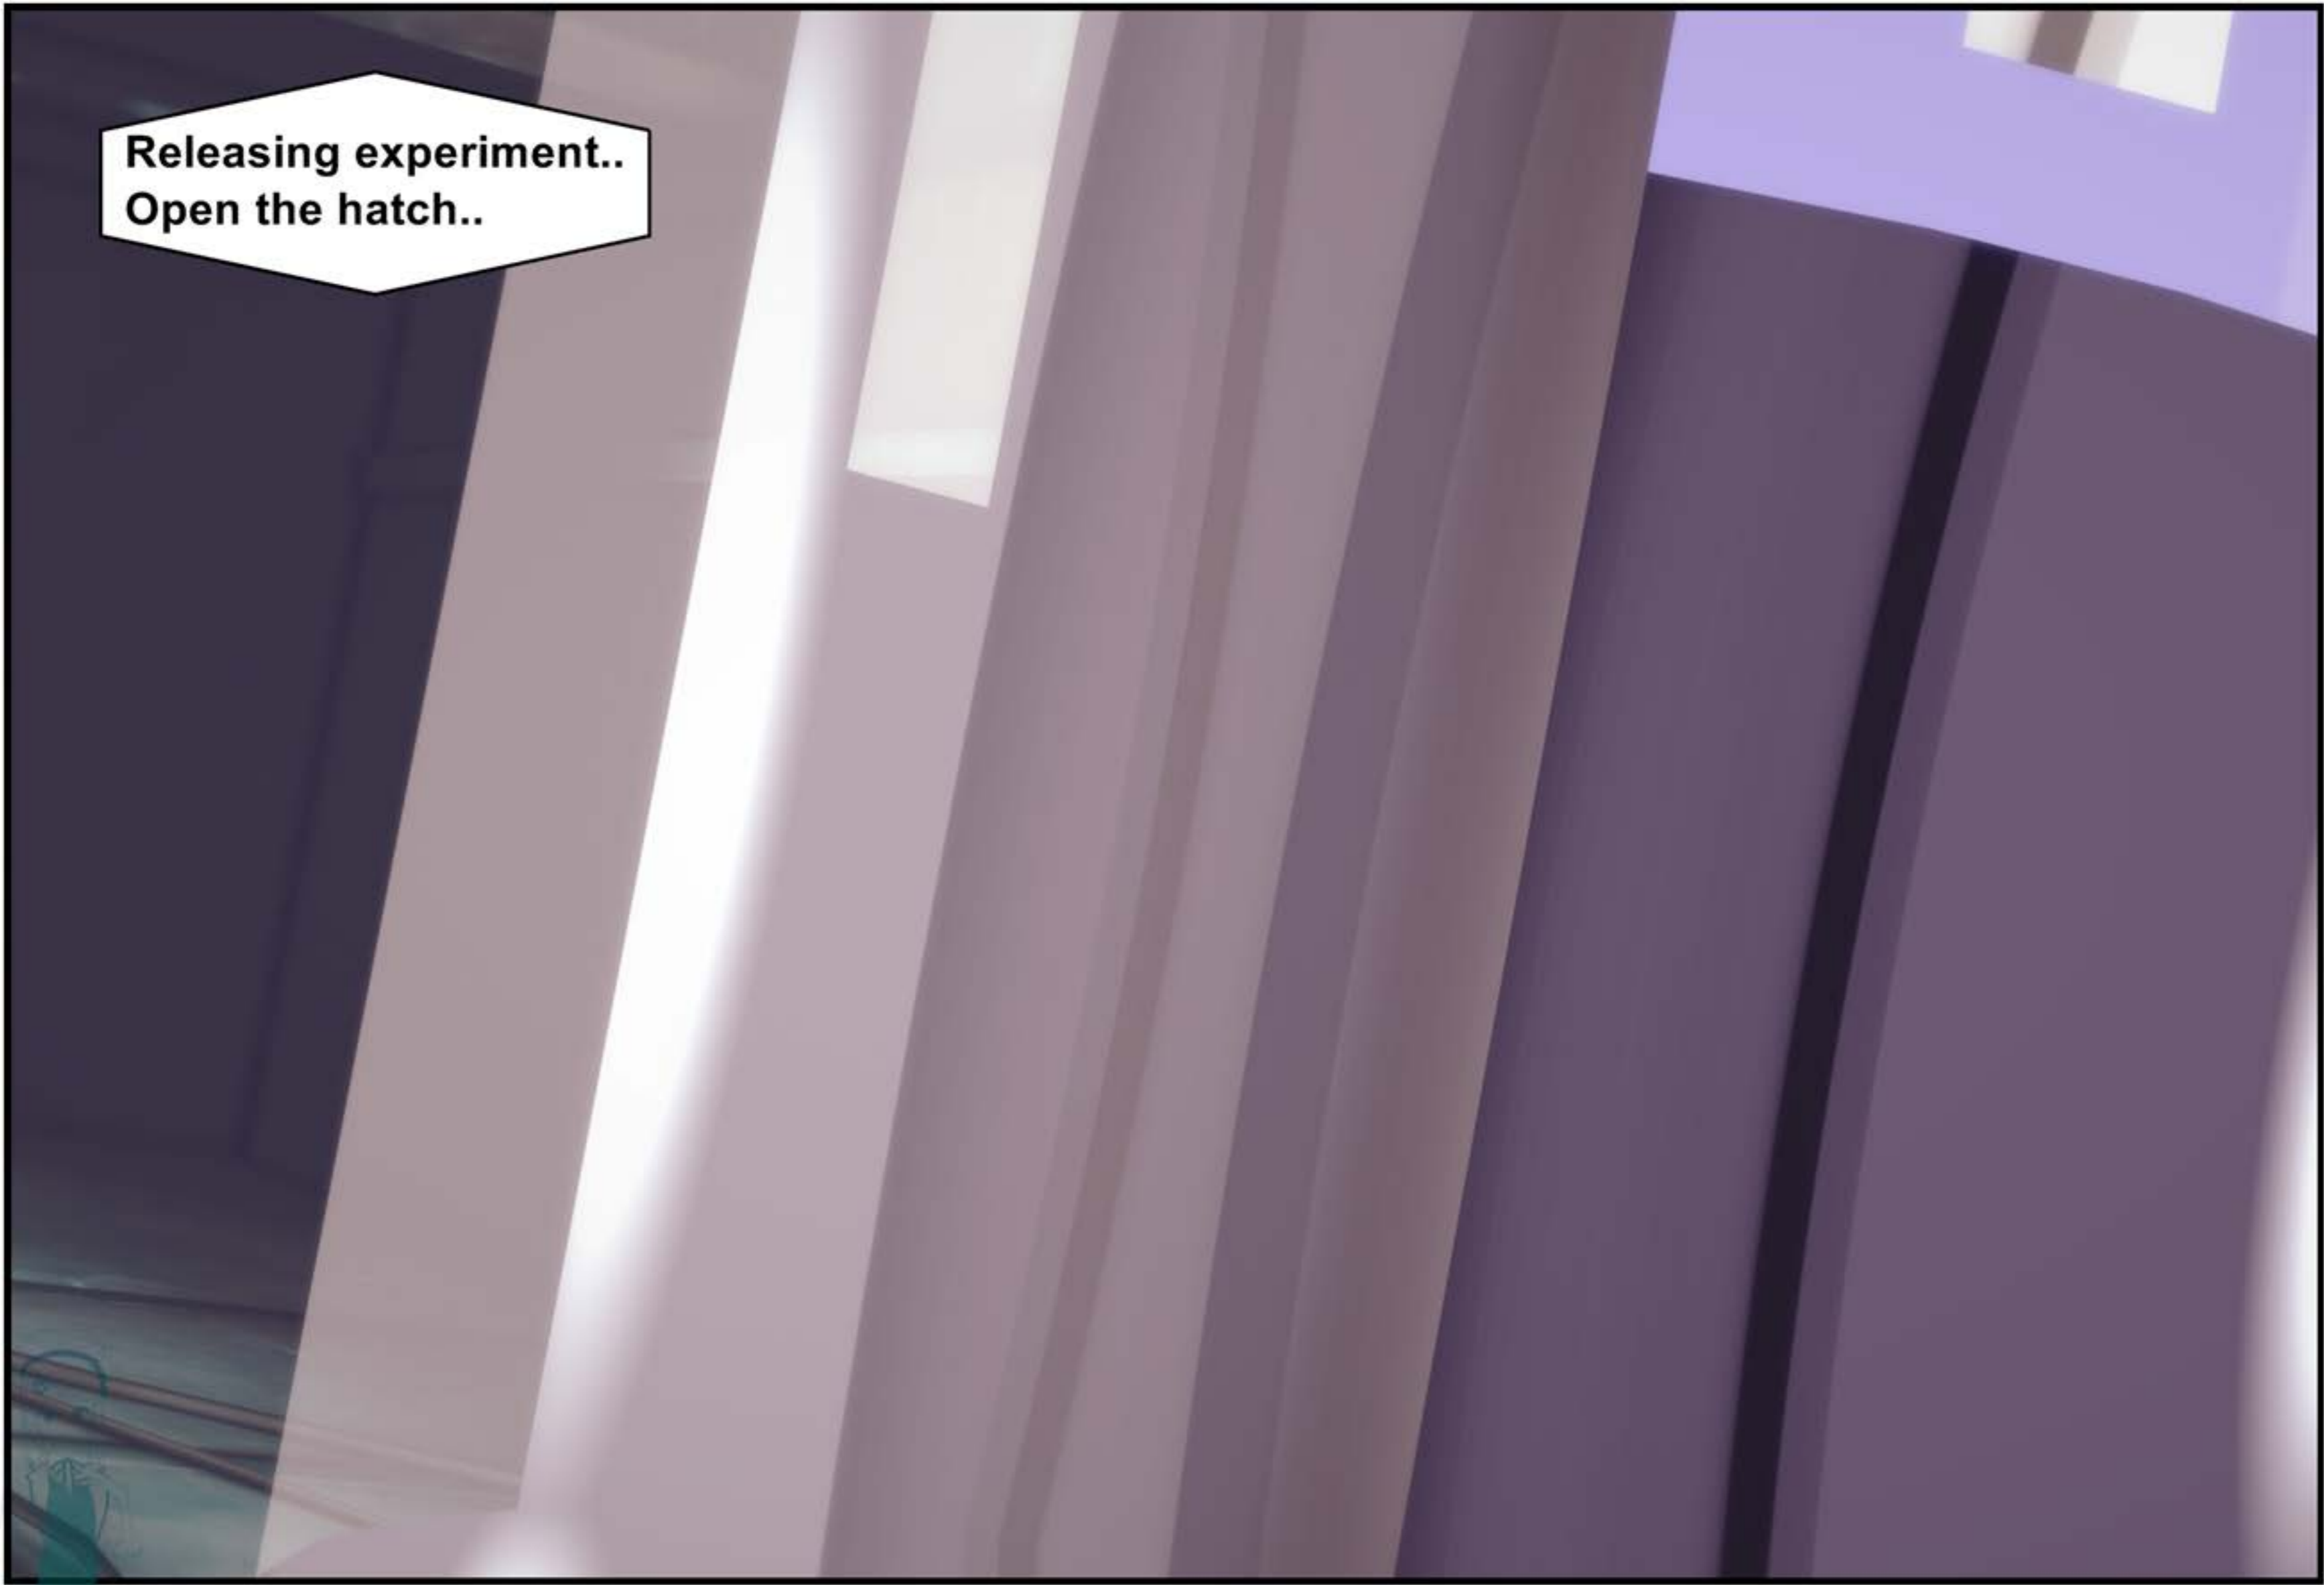

**Warning.. System  
damaged.. Shutting down..**

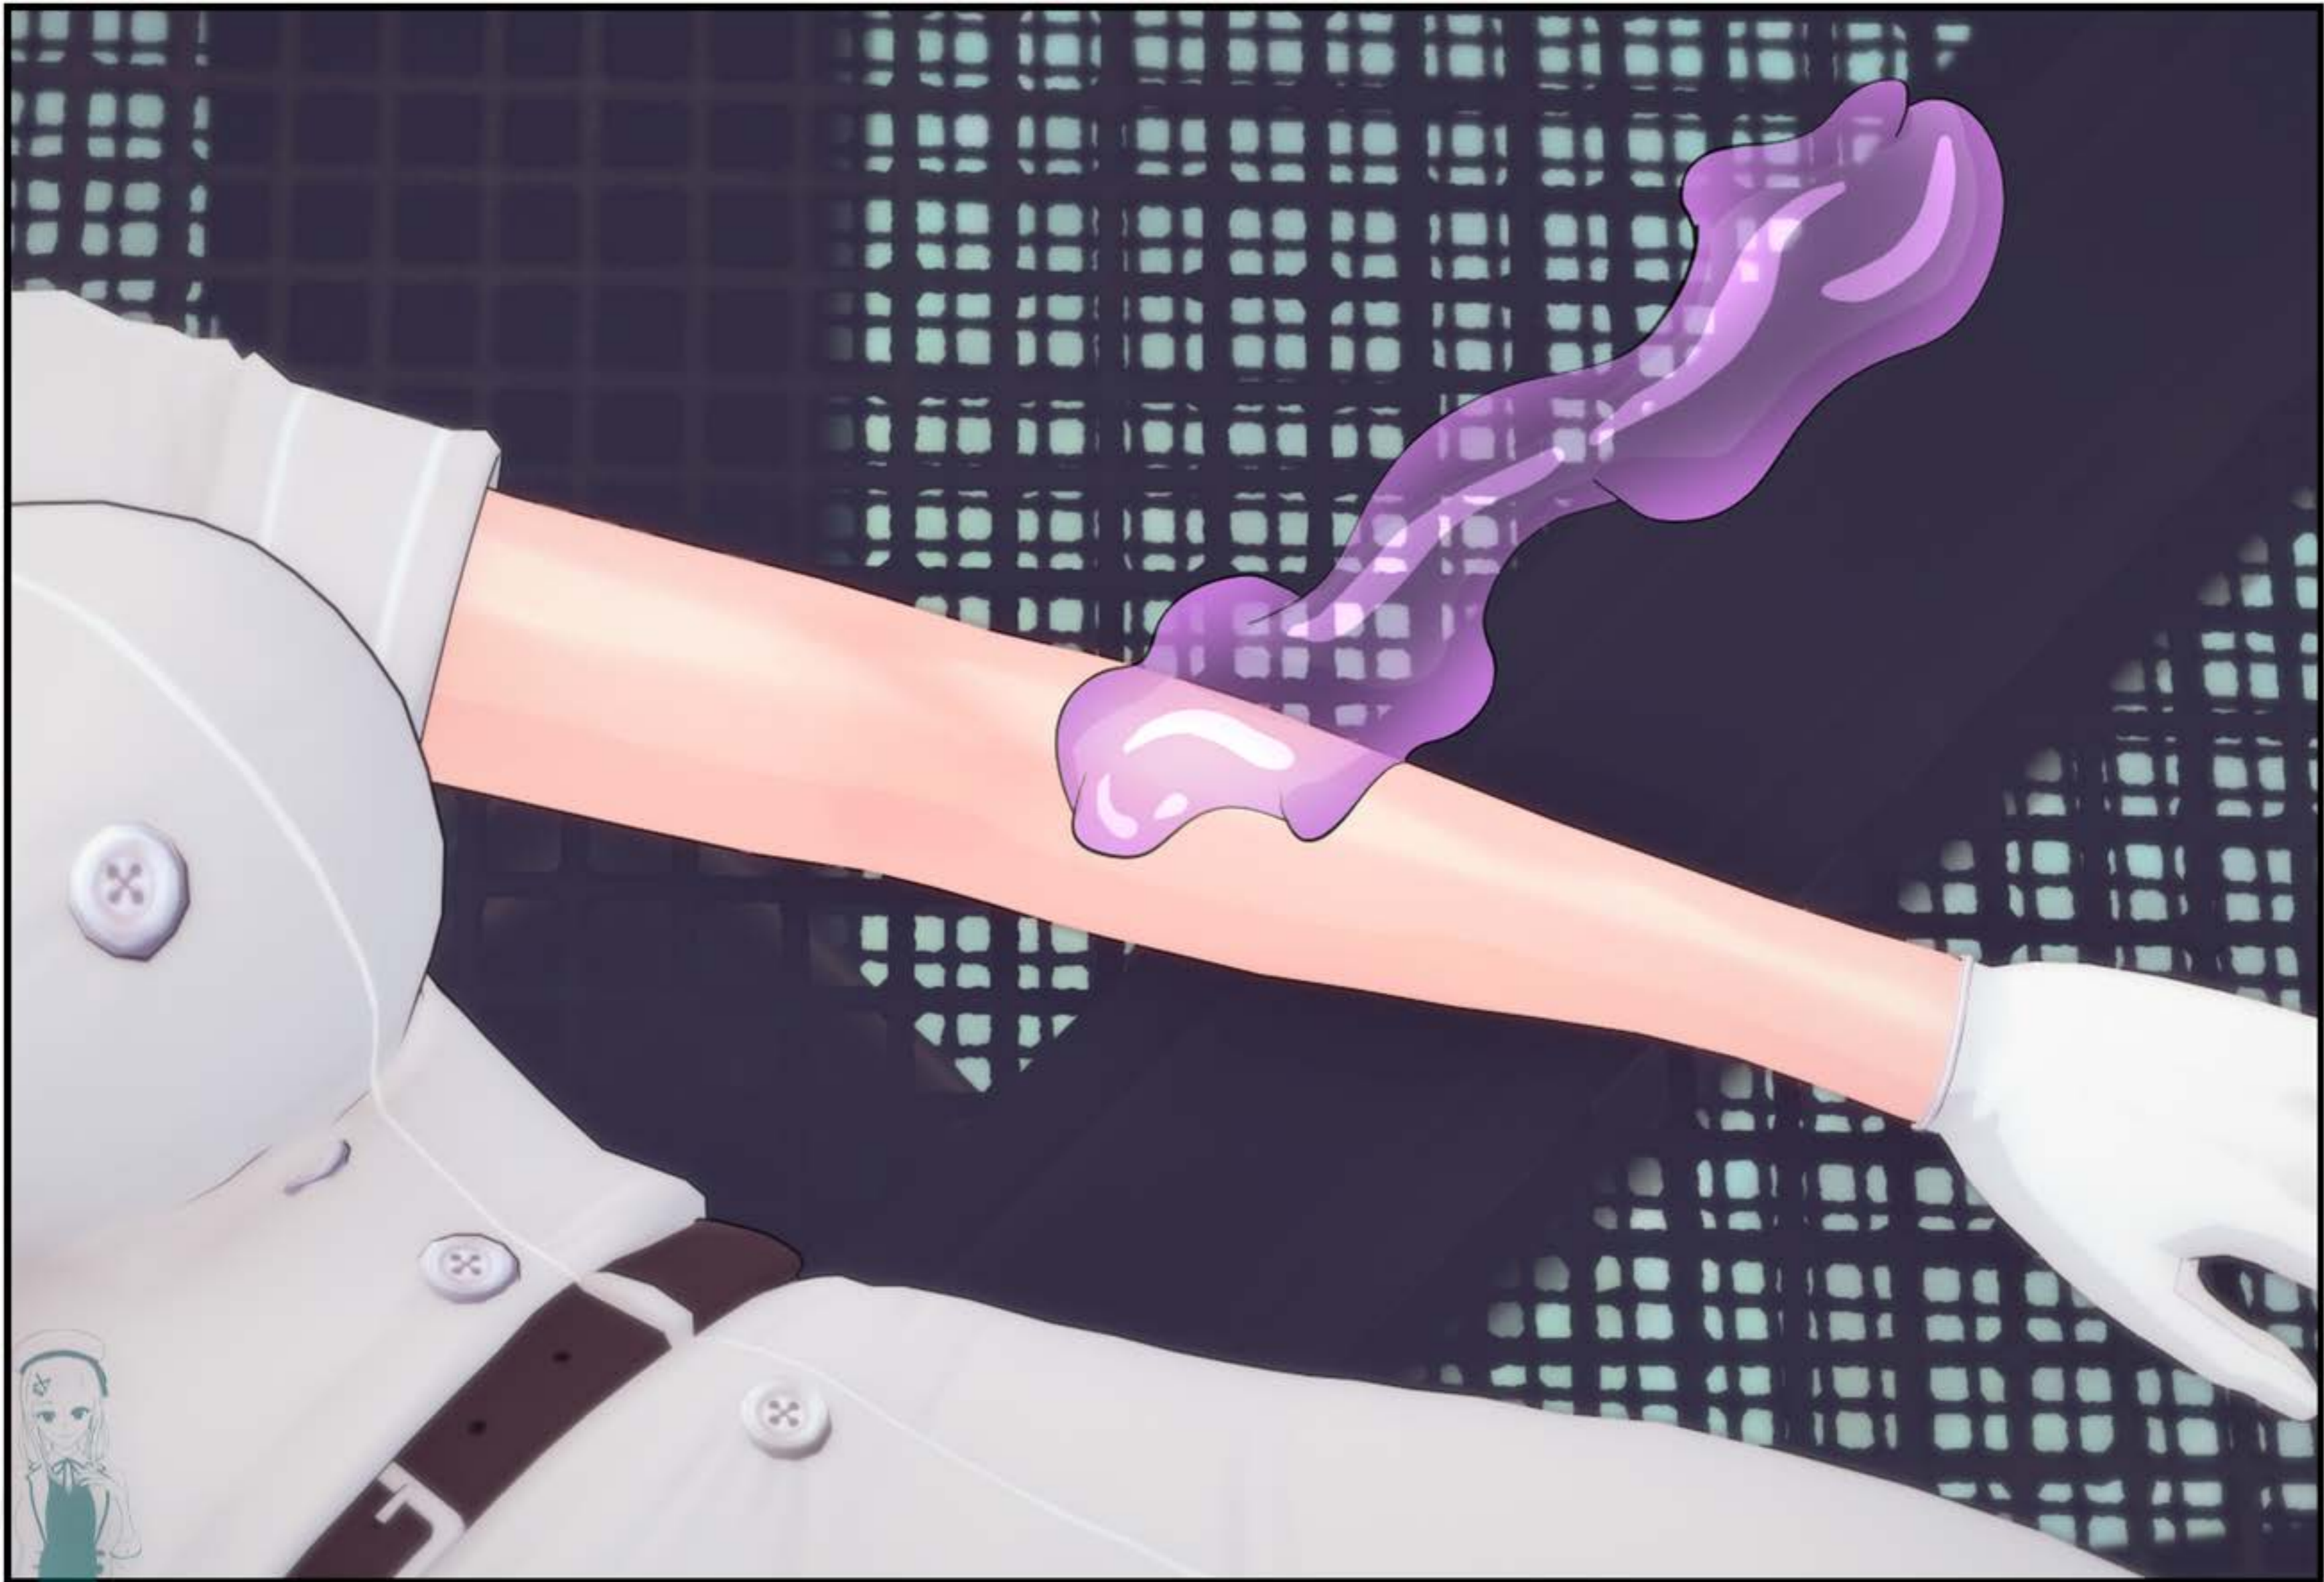

Releasing experiment..  
Open the hatch..

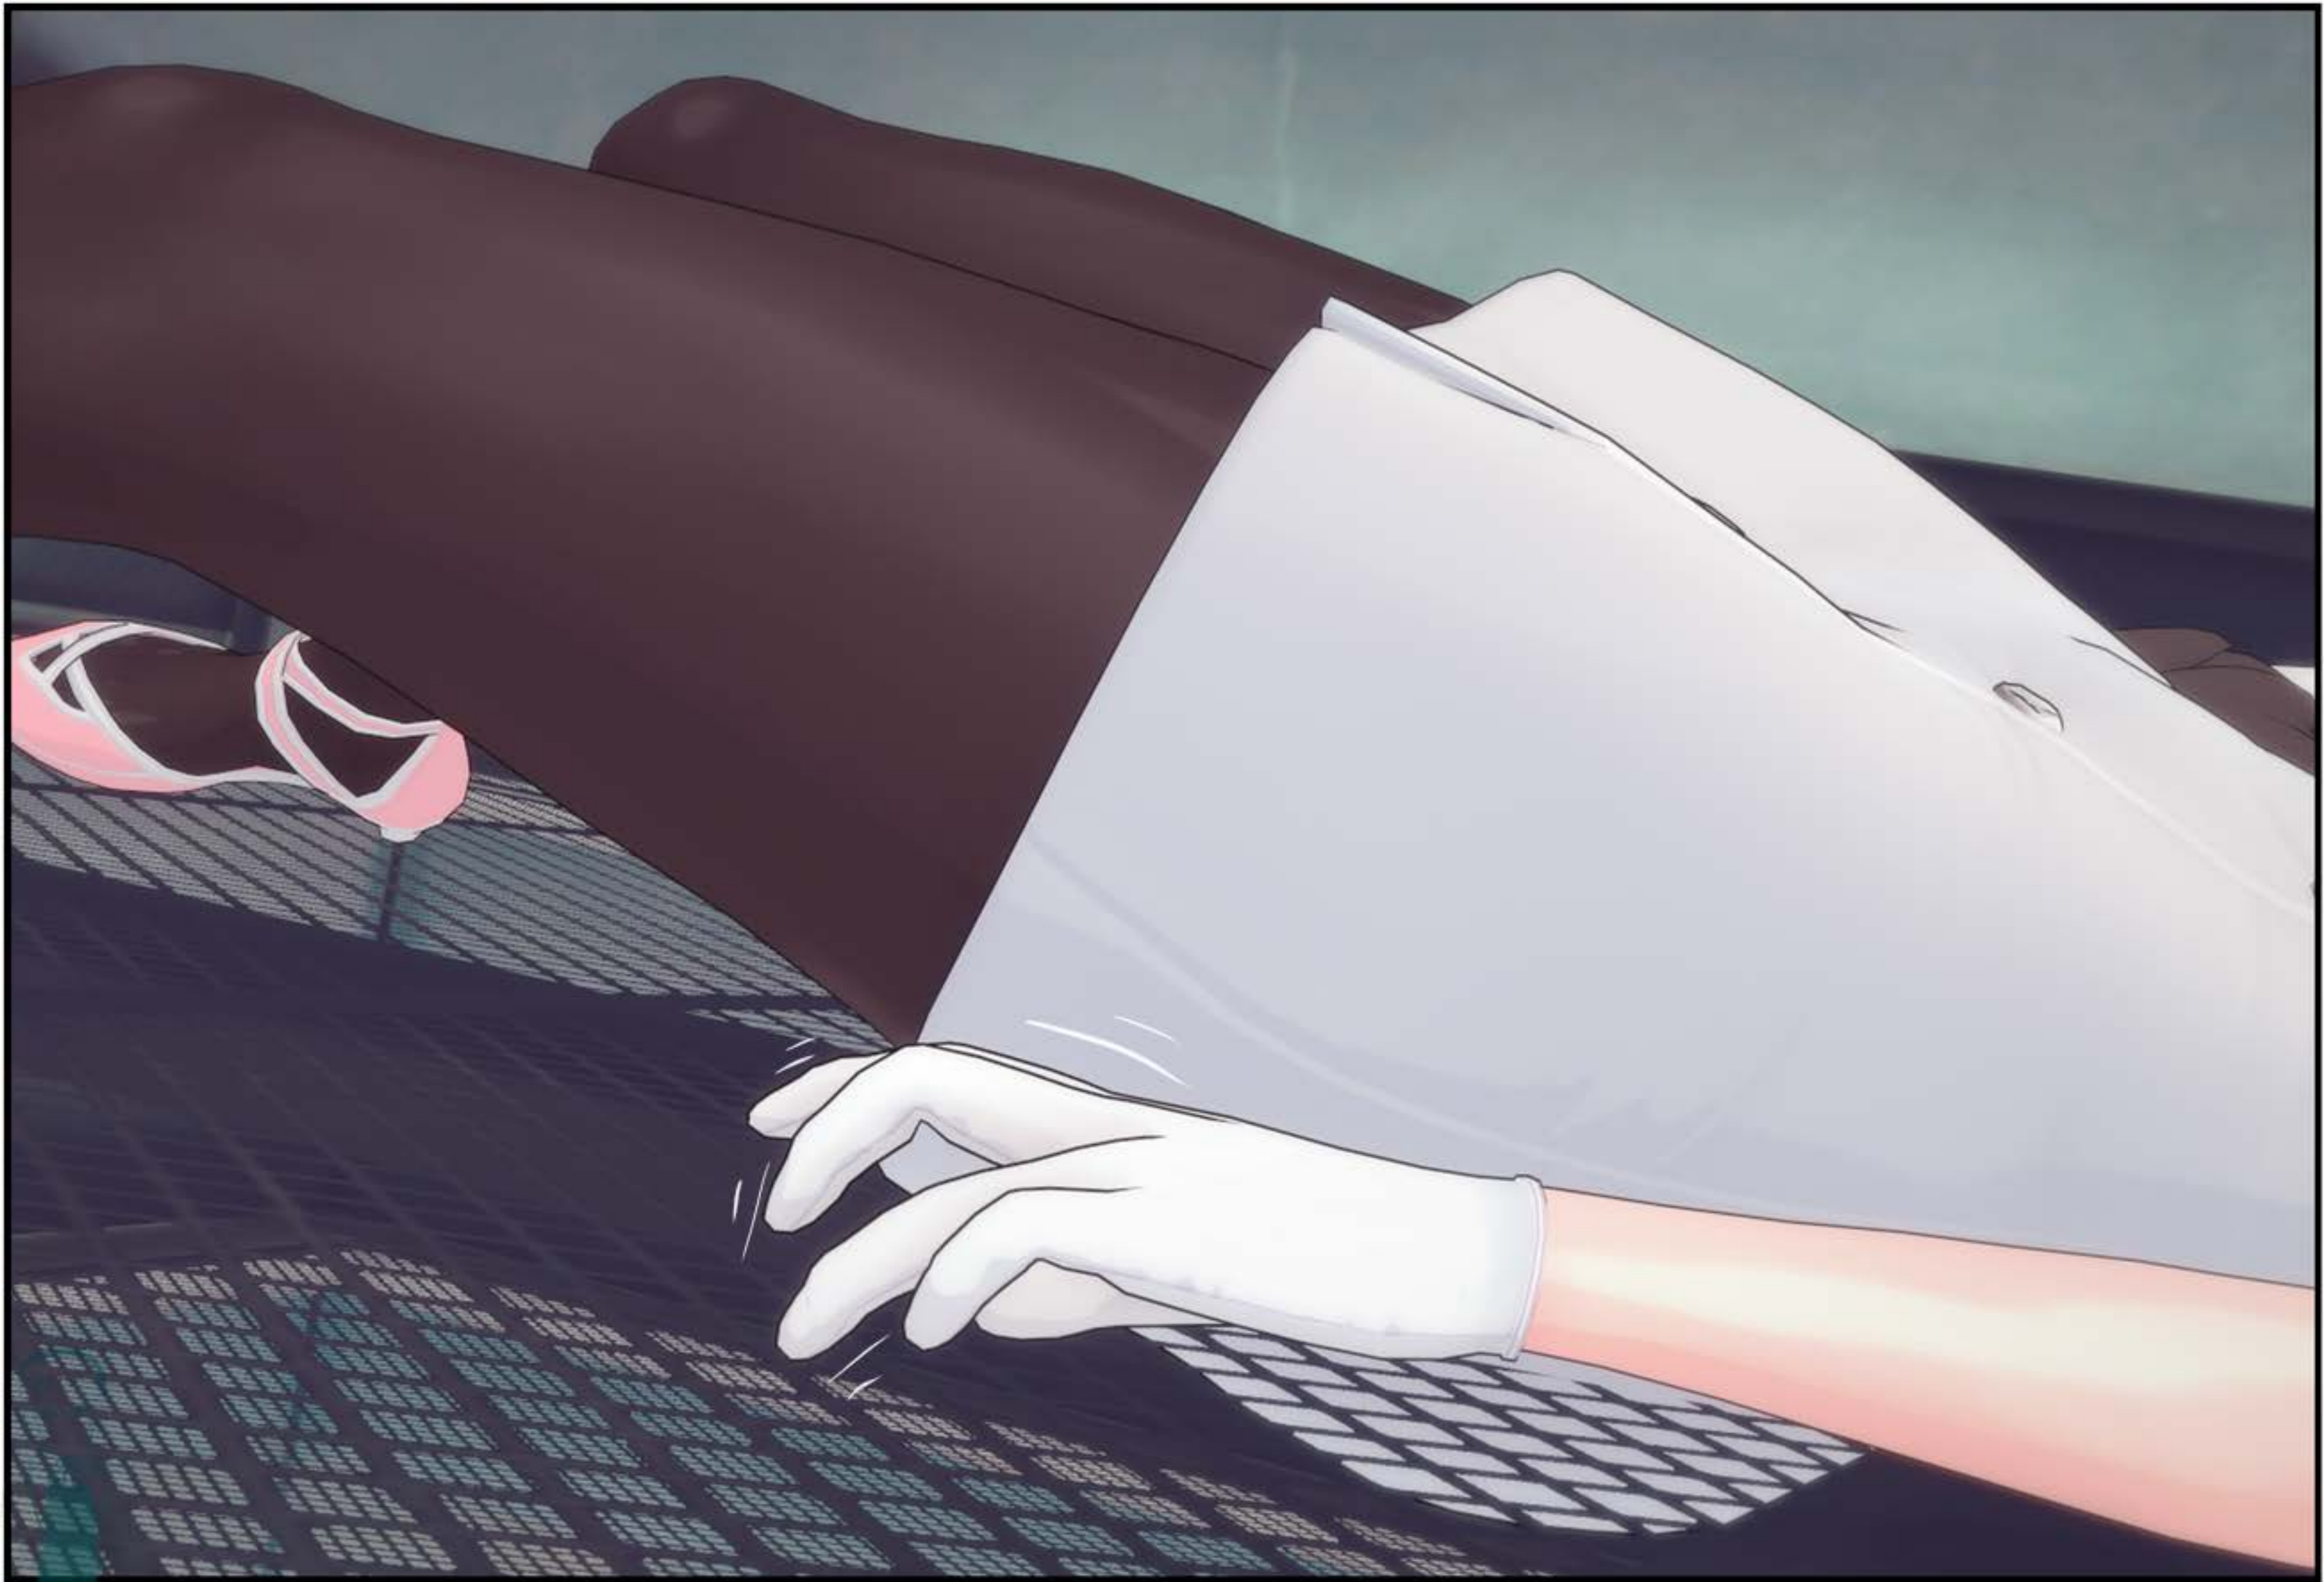

Gulp.. Uck..  
Gulp.. Gulp..

"What happened..?  
Where am I..?"

"I can't.. get out..  
W-Wait.. Is this..  
a body!?"

A character, likely a nurse or medical professional, is shown from the waist down. She is wearing a white, short-sleeved uniform with a black belt and dark brown stockings. Her hands are clasped in front of her. The background is a dark, industrial-looking environment with metal beams and pipes. The lighting is dim, creating a somber atmosphere.

"Ugh.. My head..  
How could I end  
up like this..?"

This body.. is under my control..? H-Huh.. I remembered..

Those two.. they caused this.. they killed everyone..

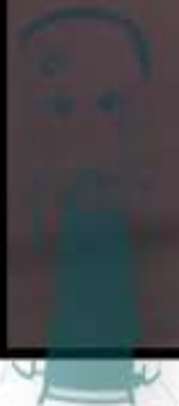

"I witnessed everything.."

I won't let them  
get away that easily!

A short moment later..

I can't.. walk..  
any further..

"The pain.. feel  
like I'm being injured.."

"N-No.. It was the host.. and I don't have much strength.."

"Am I.. going to  
give up here..?"

M-Miss..!? Are you okay..!?

L-Let me call an ambulance! Please hang in there!

"It's a person..  
This is my chance!"

\*grunt\*.. Uhm..  
Uh.. \*grunt\*..

A-Are you alright?  
I called someone,  
they should be  
here soon!

W-What..?

Kyyyaaaaaaaa!!!!

Gulp.. Gulp..

Gulp..!

"Hm.. Only a little  
control of this body's action."

"But it's enough  
for me to leave  
this area."

"I couldn't take control of her so well.."

"She could have been dead when I entered her already.."

Ah, welcome home,  
my lovely daughter!

Oh, my bad.. I shouldn't call you like that.. Haha.

Good.

So.. how was your first day as a officer?

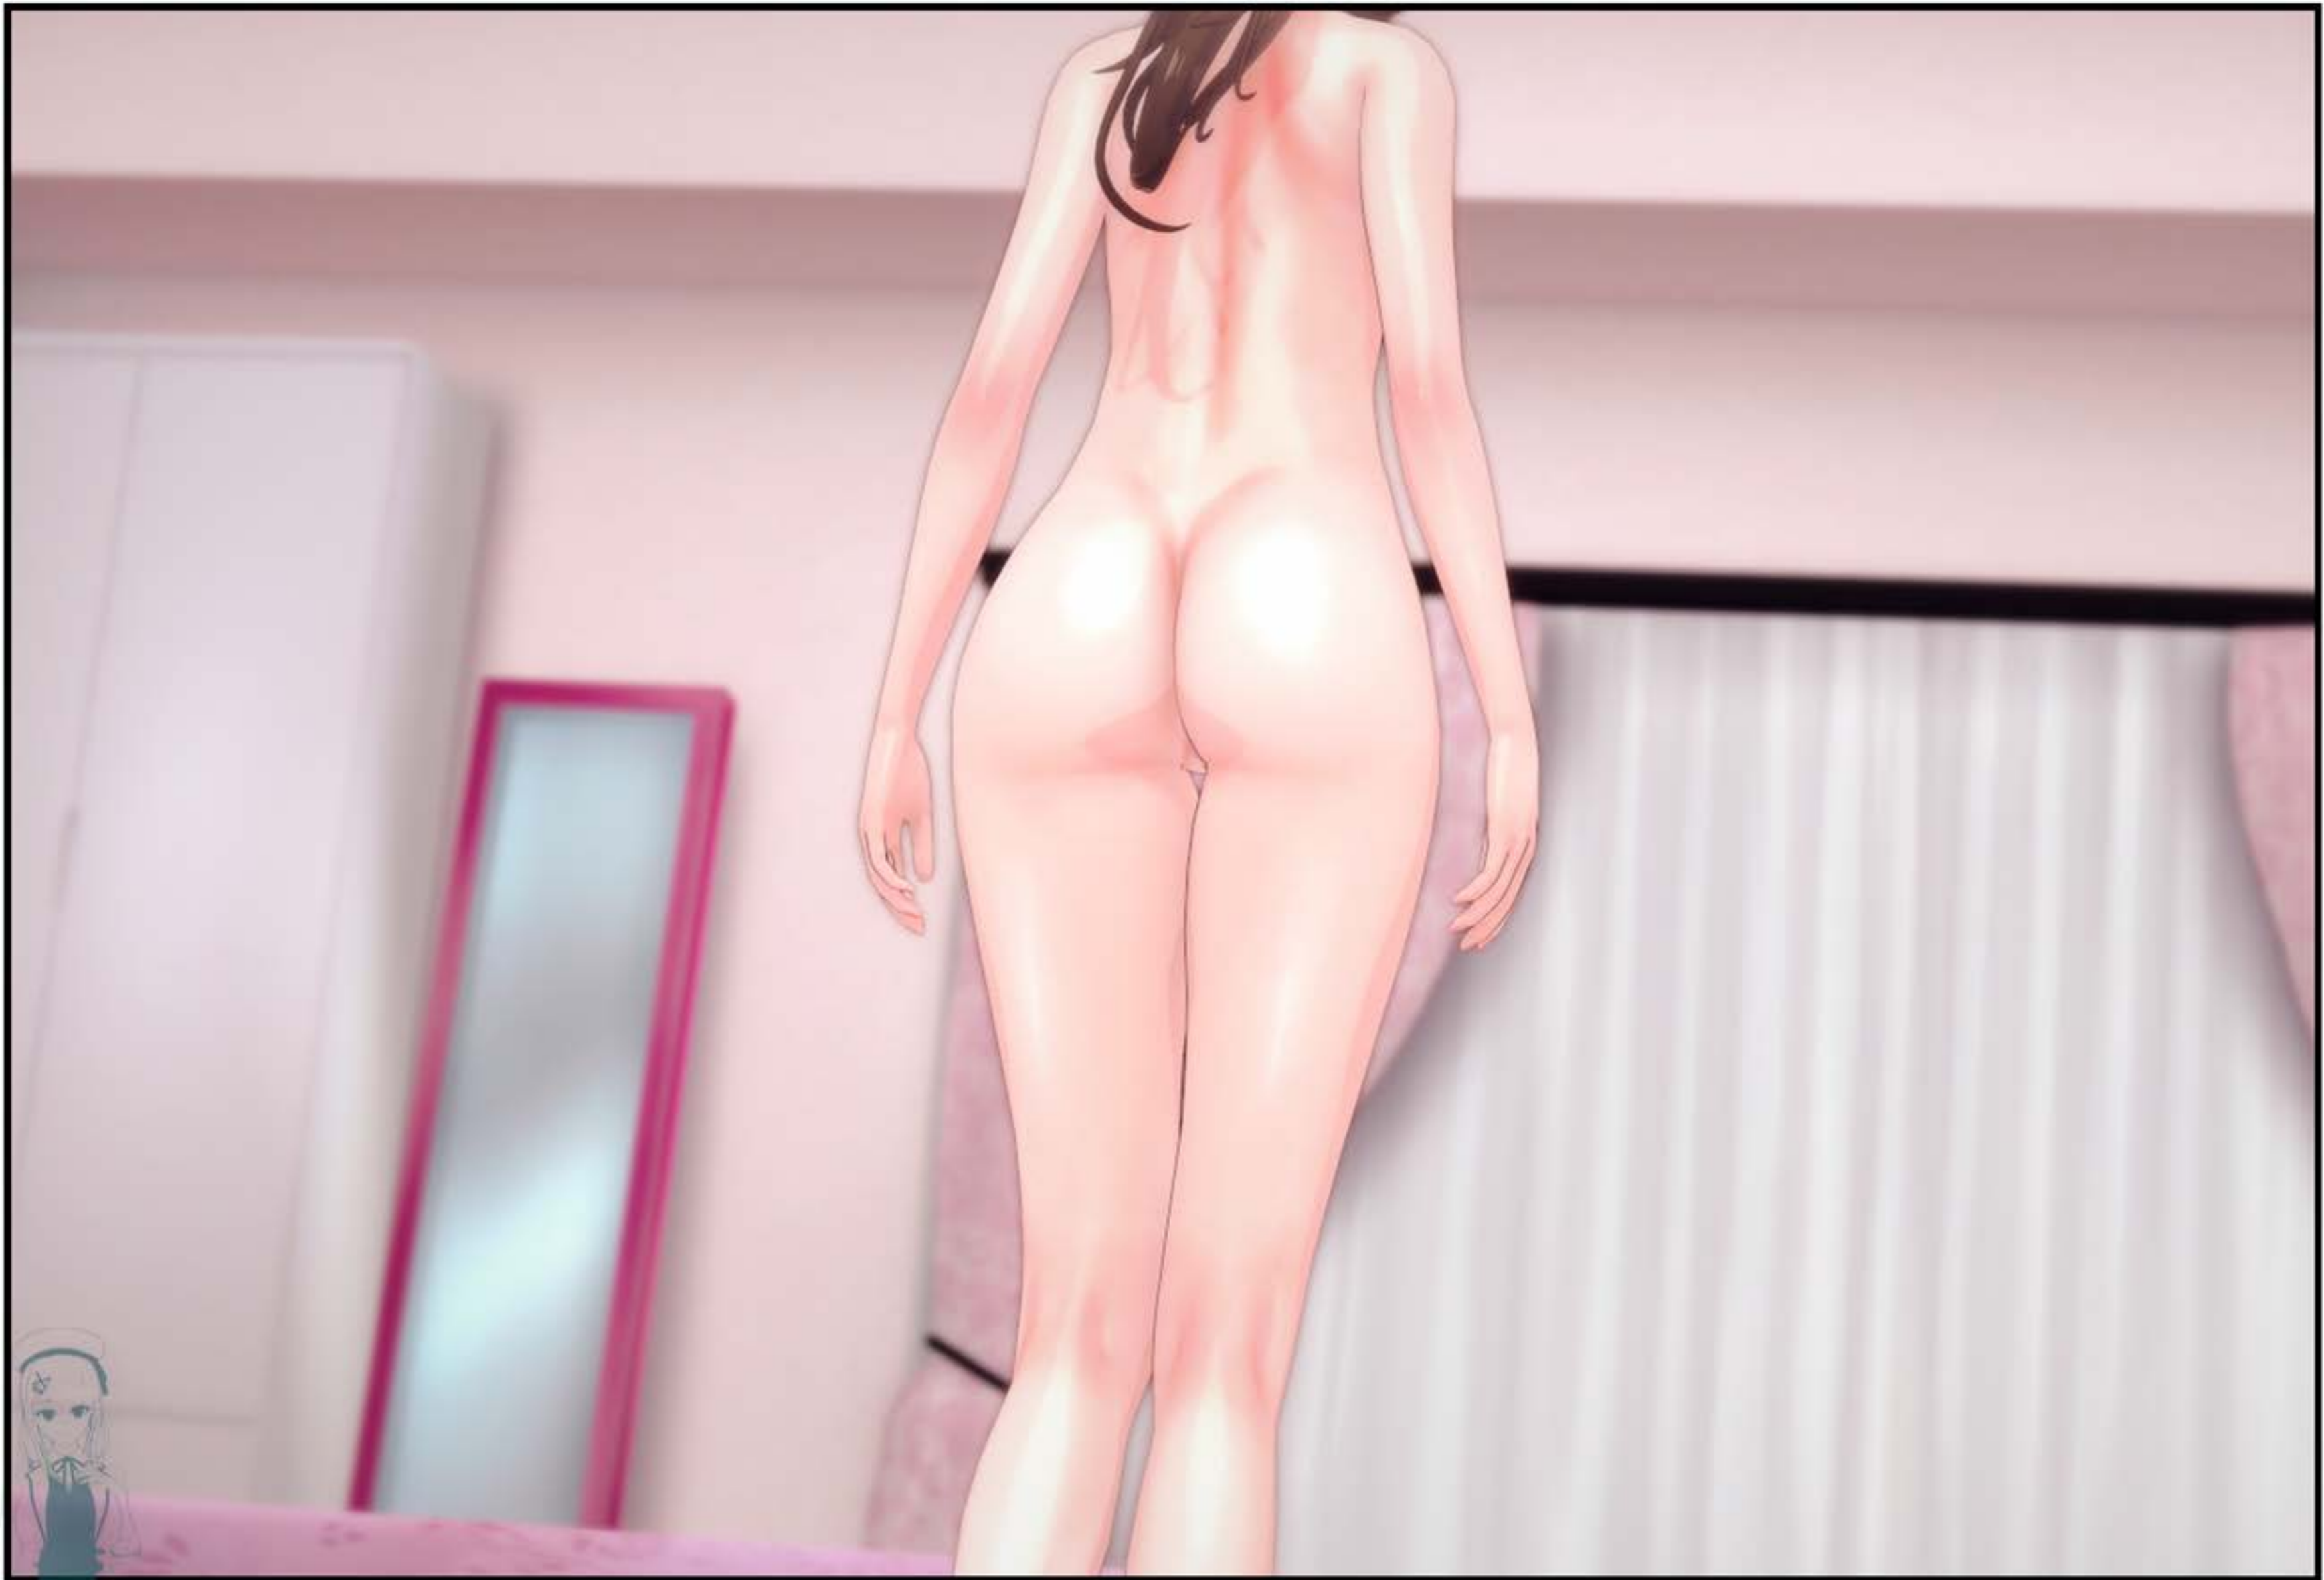

O-Okay.. You must be very tired..

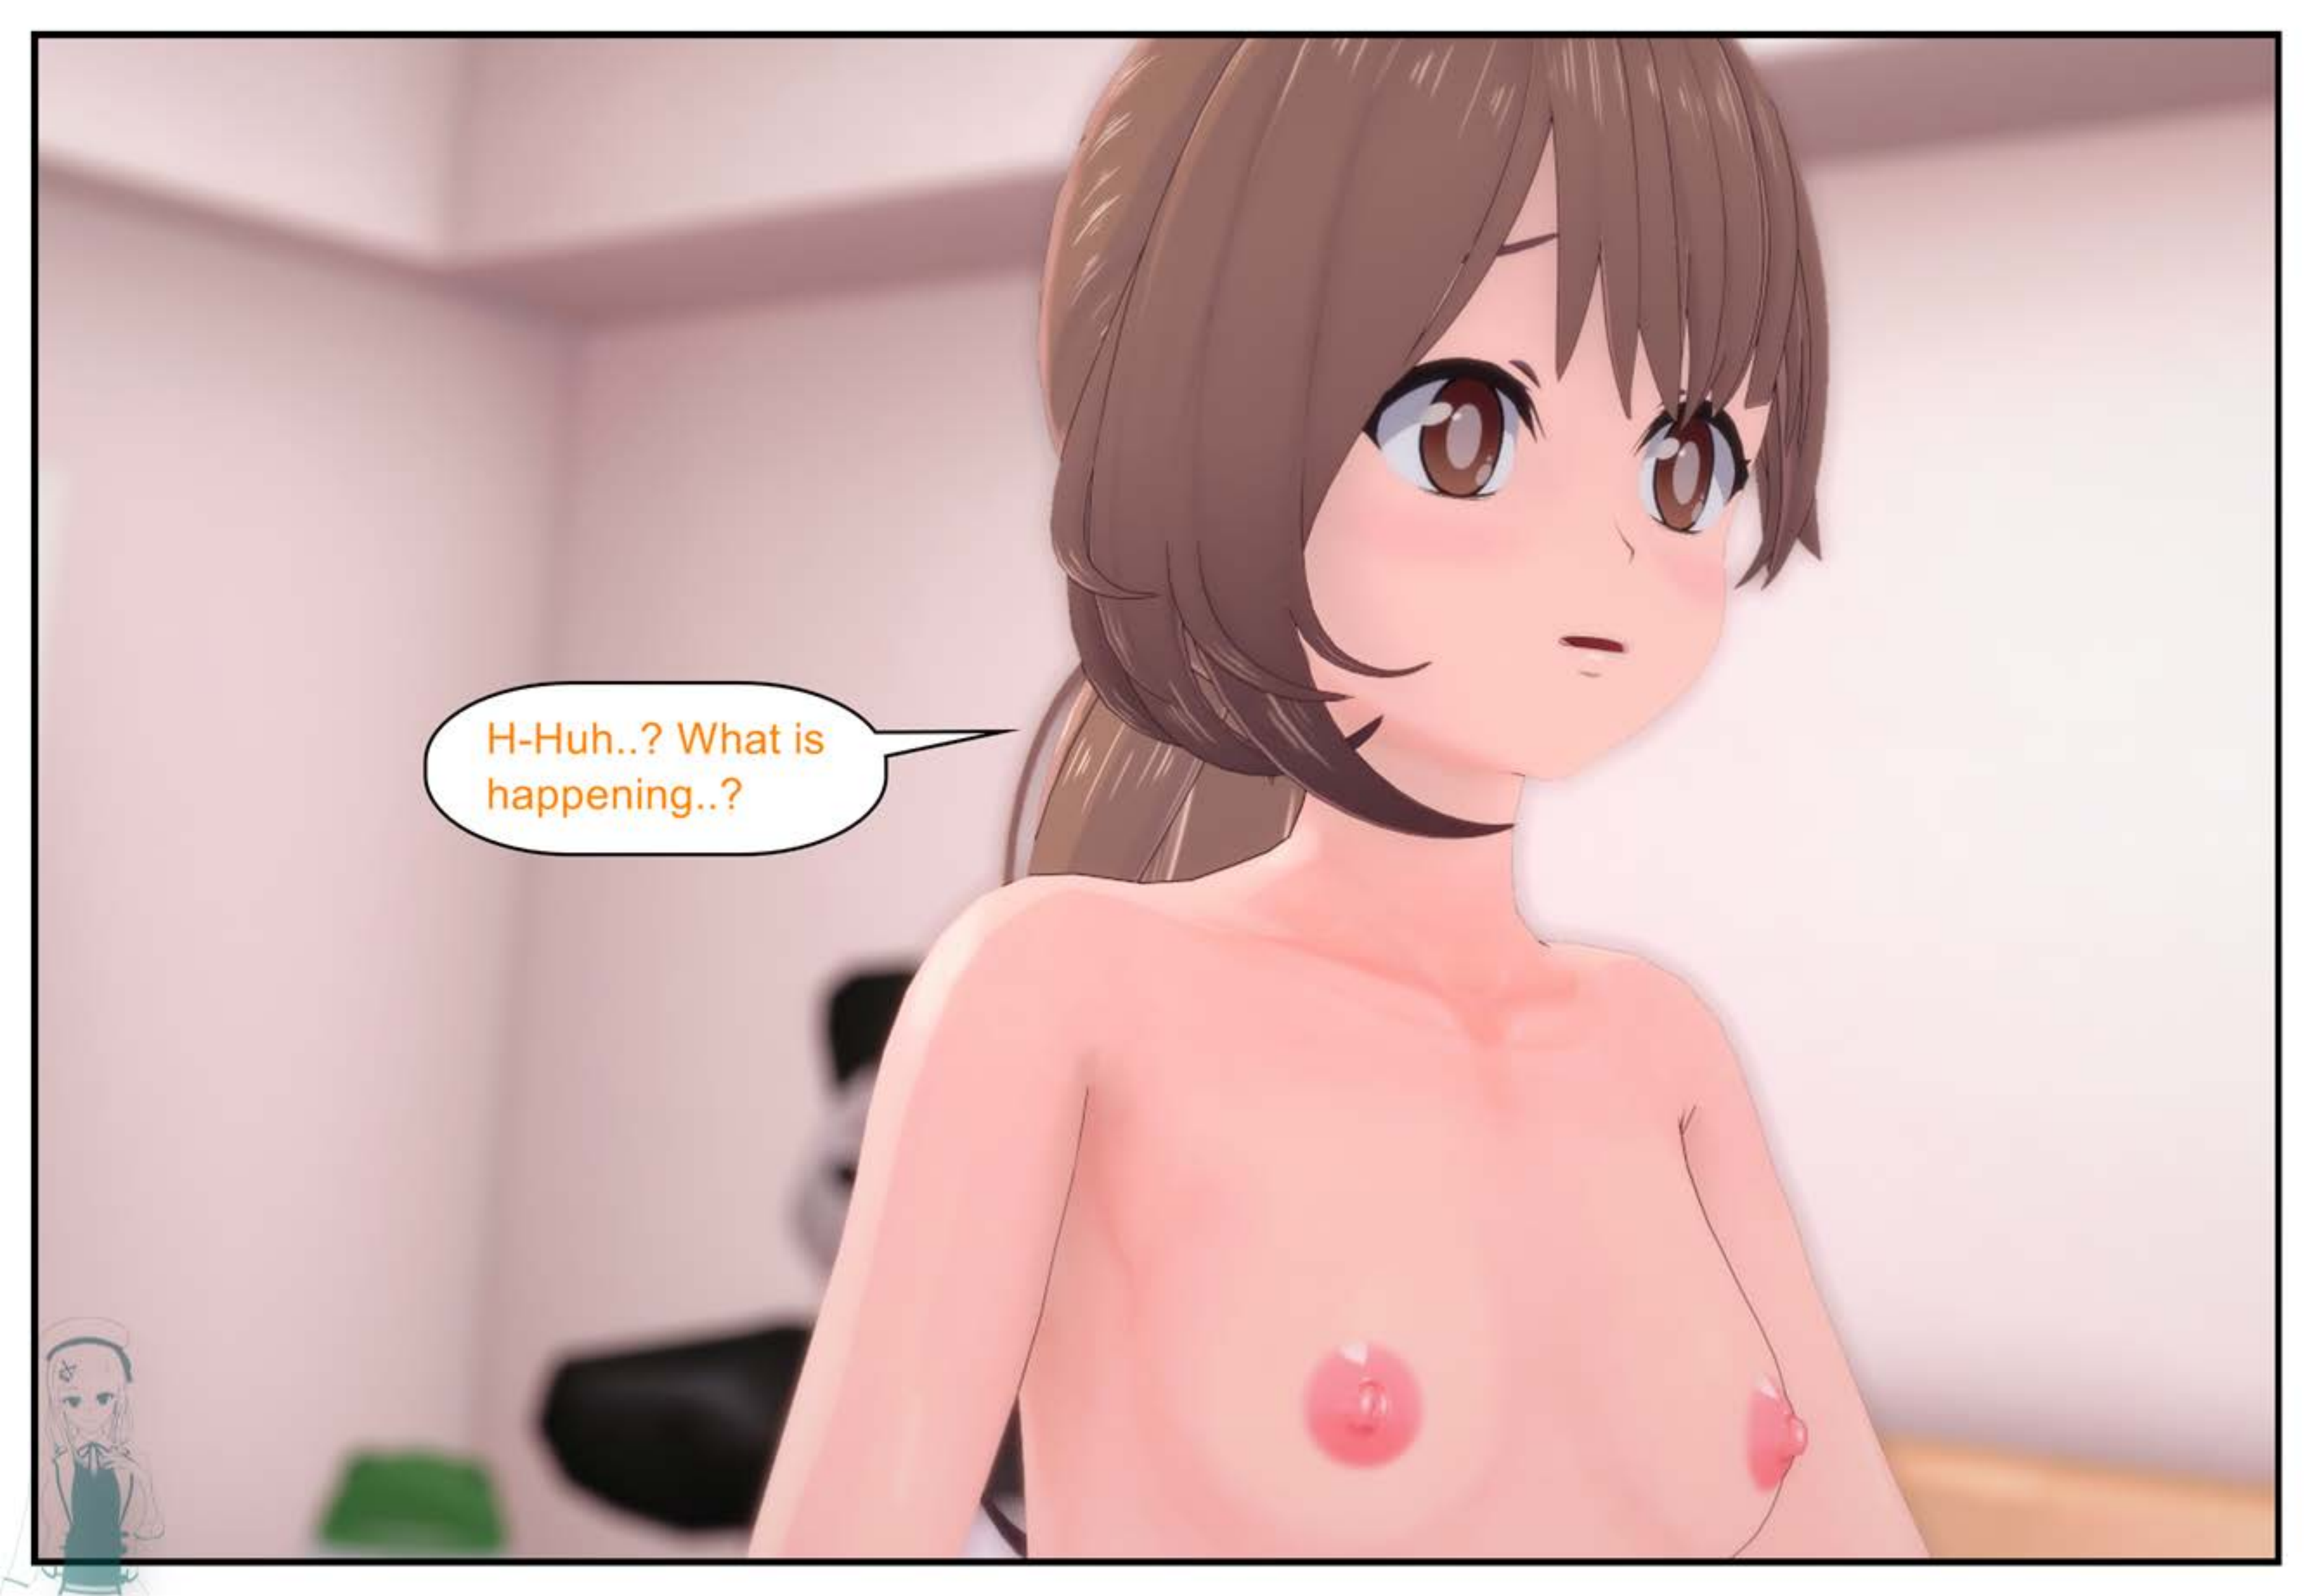

H-Huh..? What is happening..?

W-Who's there!?  
Why am I naked!?

"You are awake.  
It's good to have  
my own.."

I'm not joking  
around!! I can  
arrest you for..

"I'm afraid you  
can't do that.."

N-No.. H-How  
did you..

..Since I'm already  
inside you, Karina.

You can think about that  
I'm parasiting your body..

You are so potential,  
give me some strength, too.

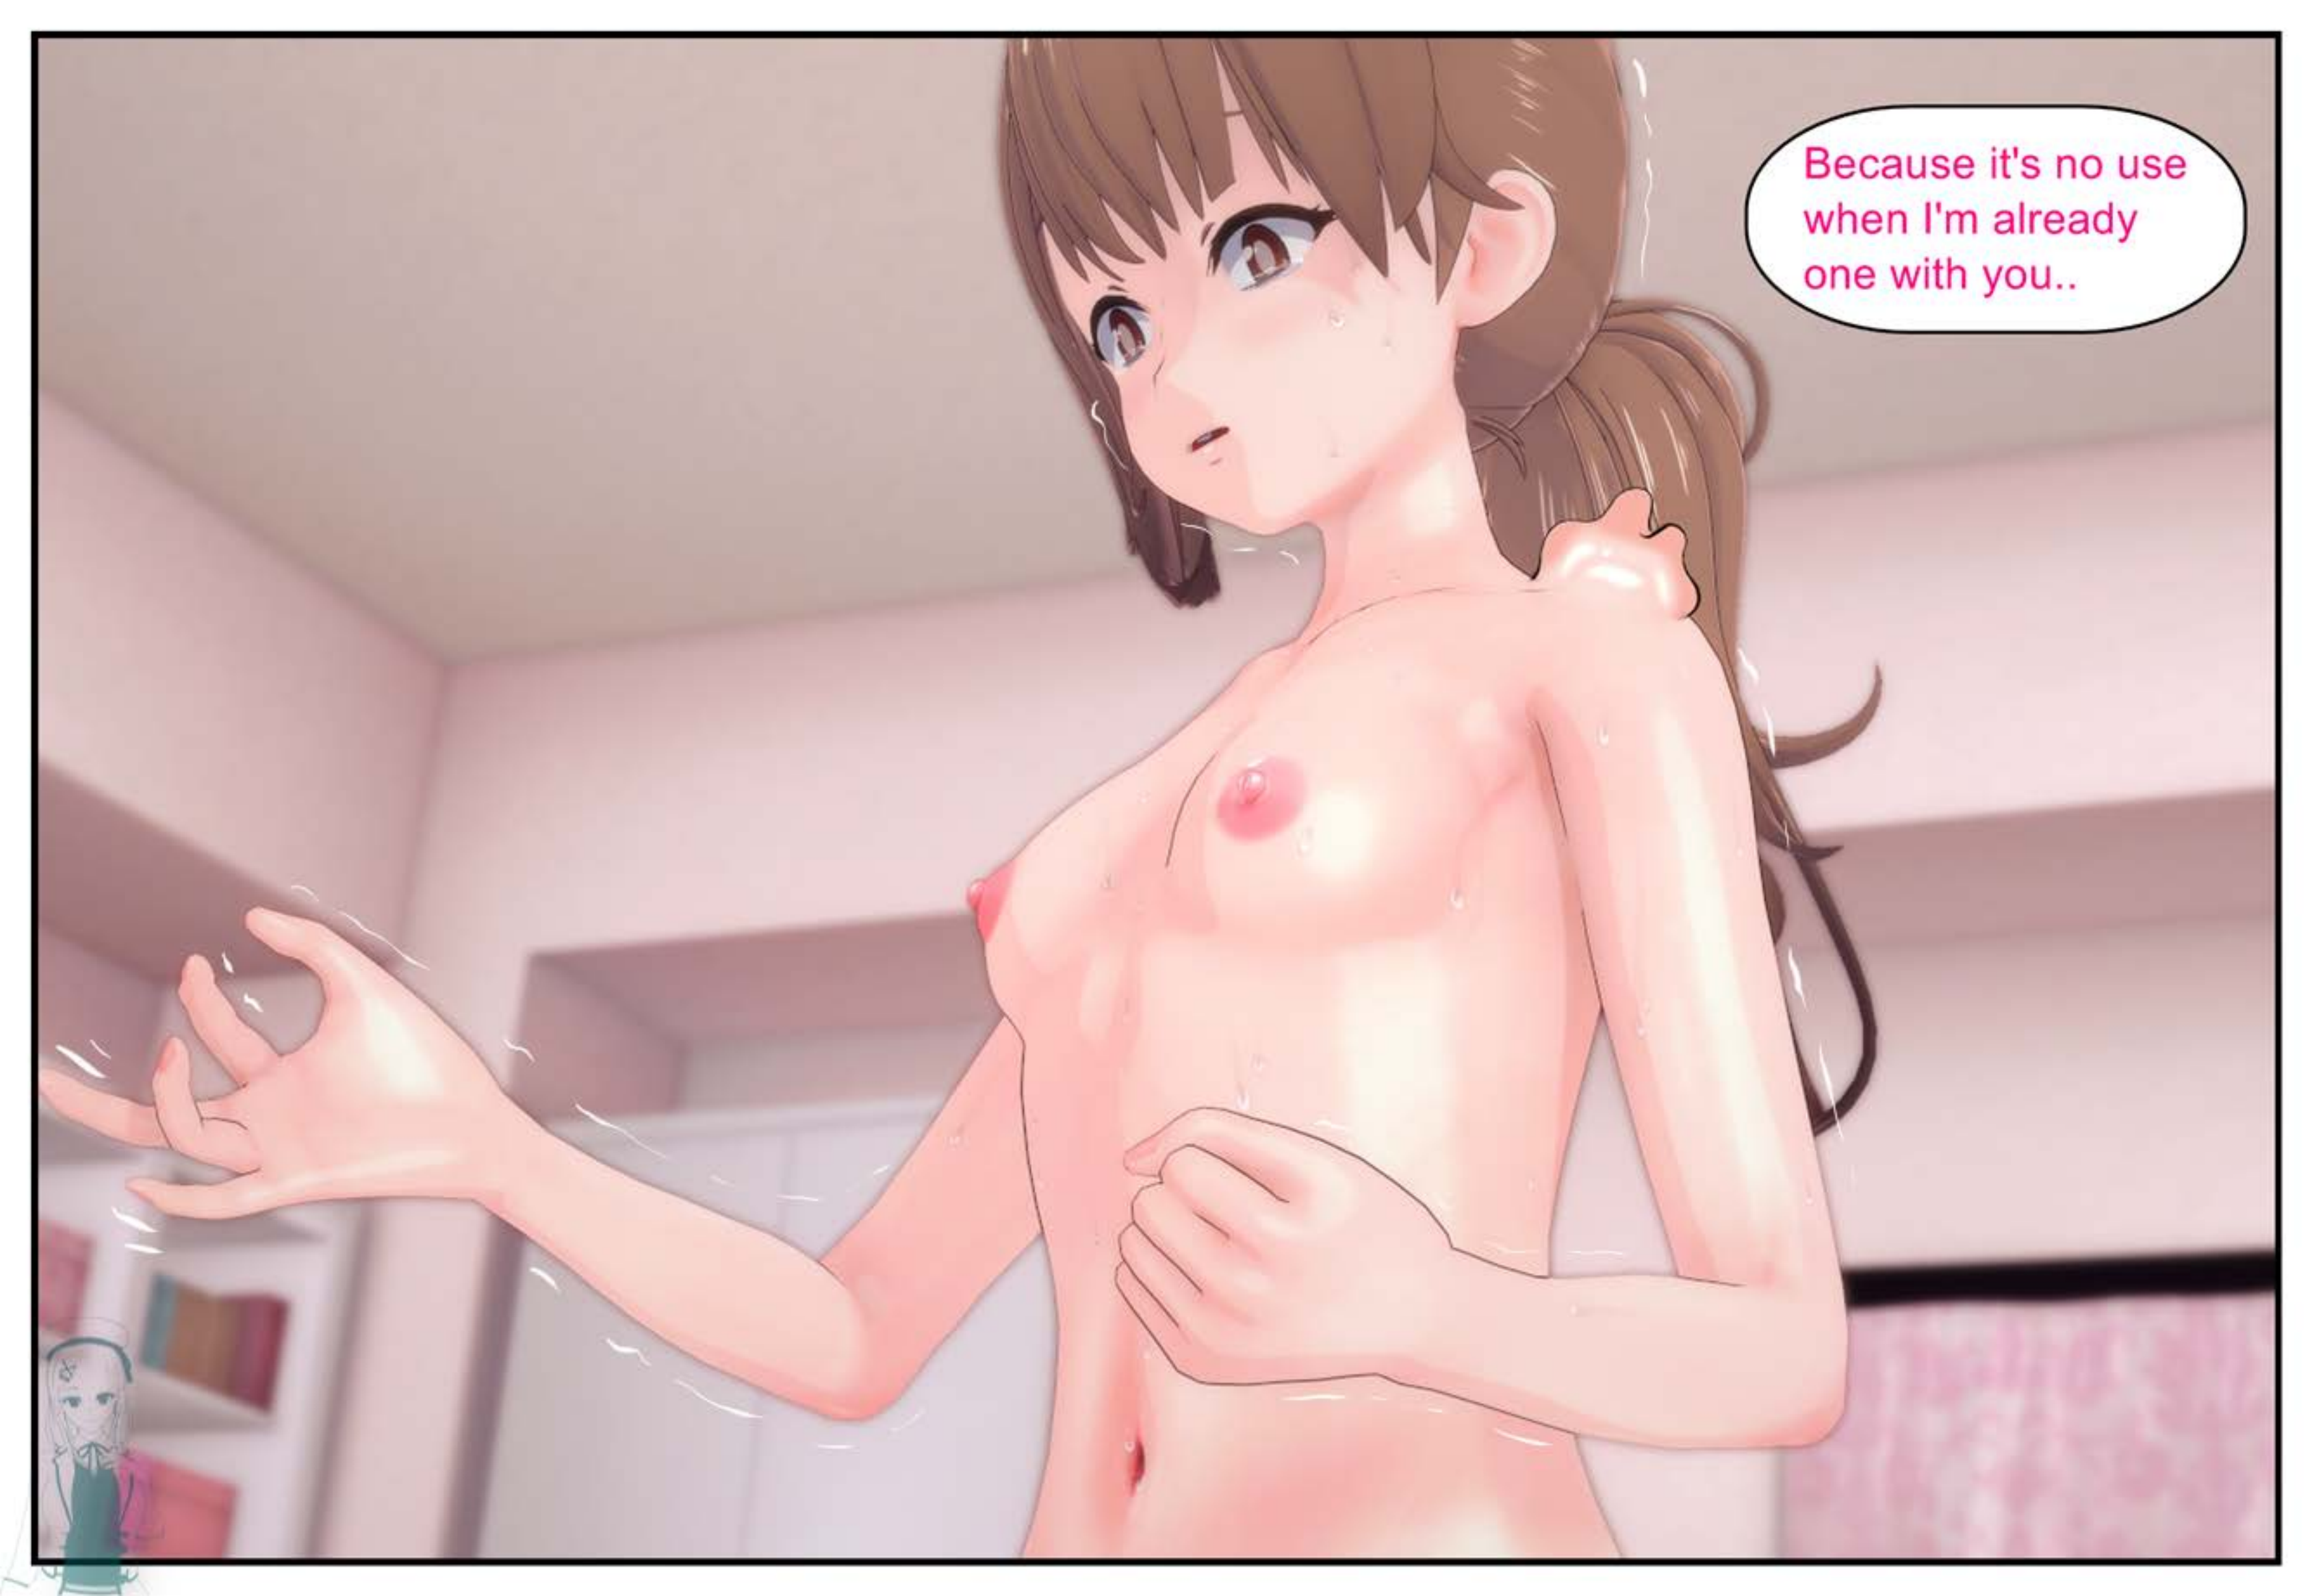

Don't try to resist  
me, Karina.

Because it's no use  
when I'm already  
one with you..

"I can't.. let you..  
take control.."

"Seem like.. I can gather energy from this girl.."

Only need to release  
her to climax.. It  
could work.

"I should start right away.."

3. ~~~~~

It's has a small amount.. at least..

Karina? May I come in?

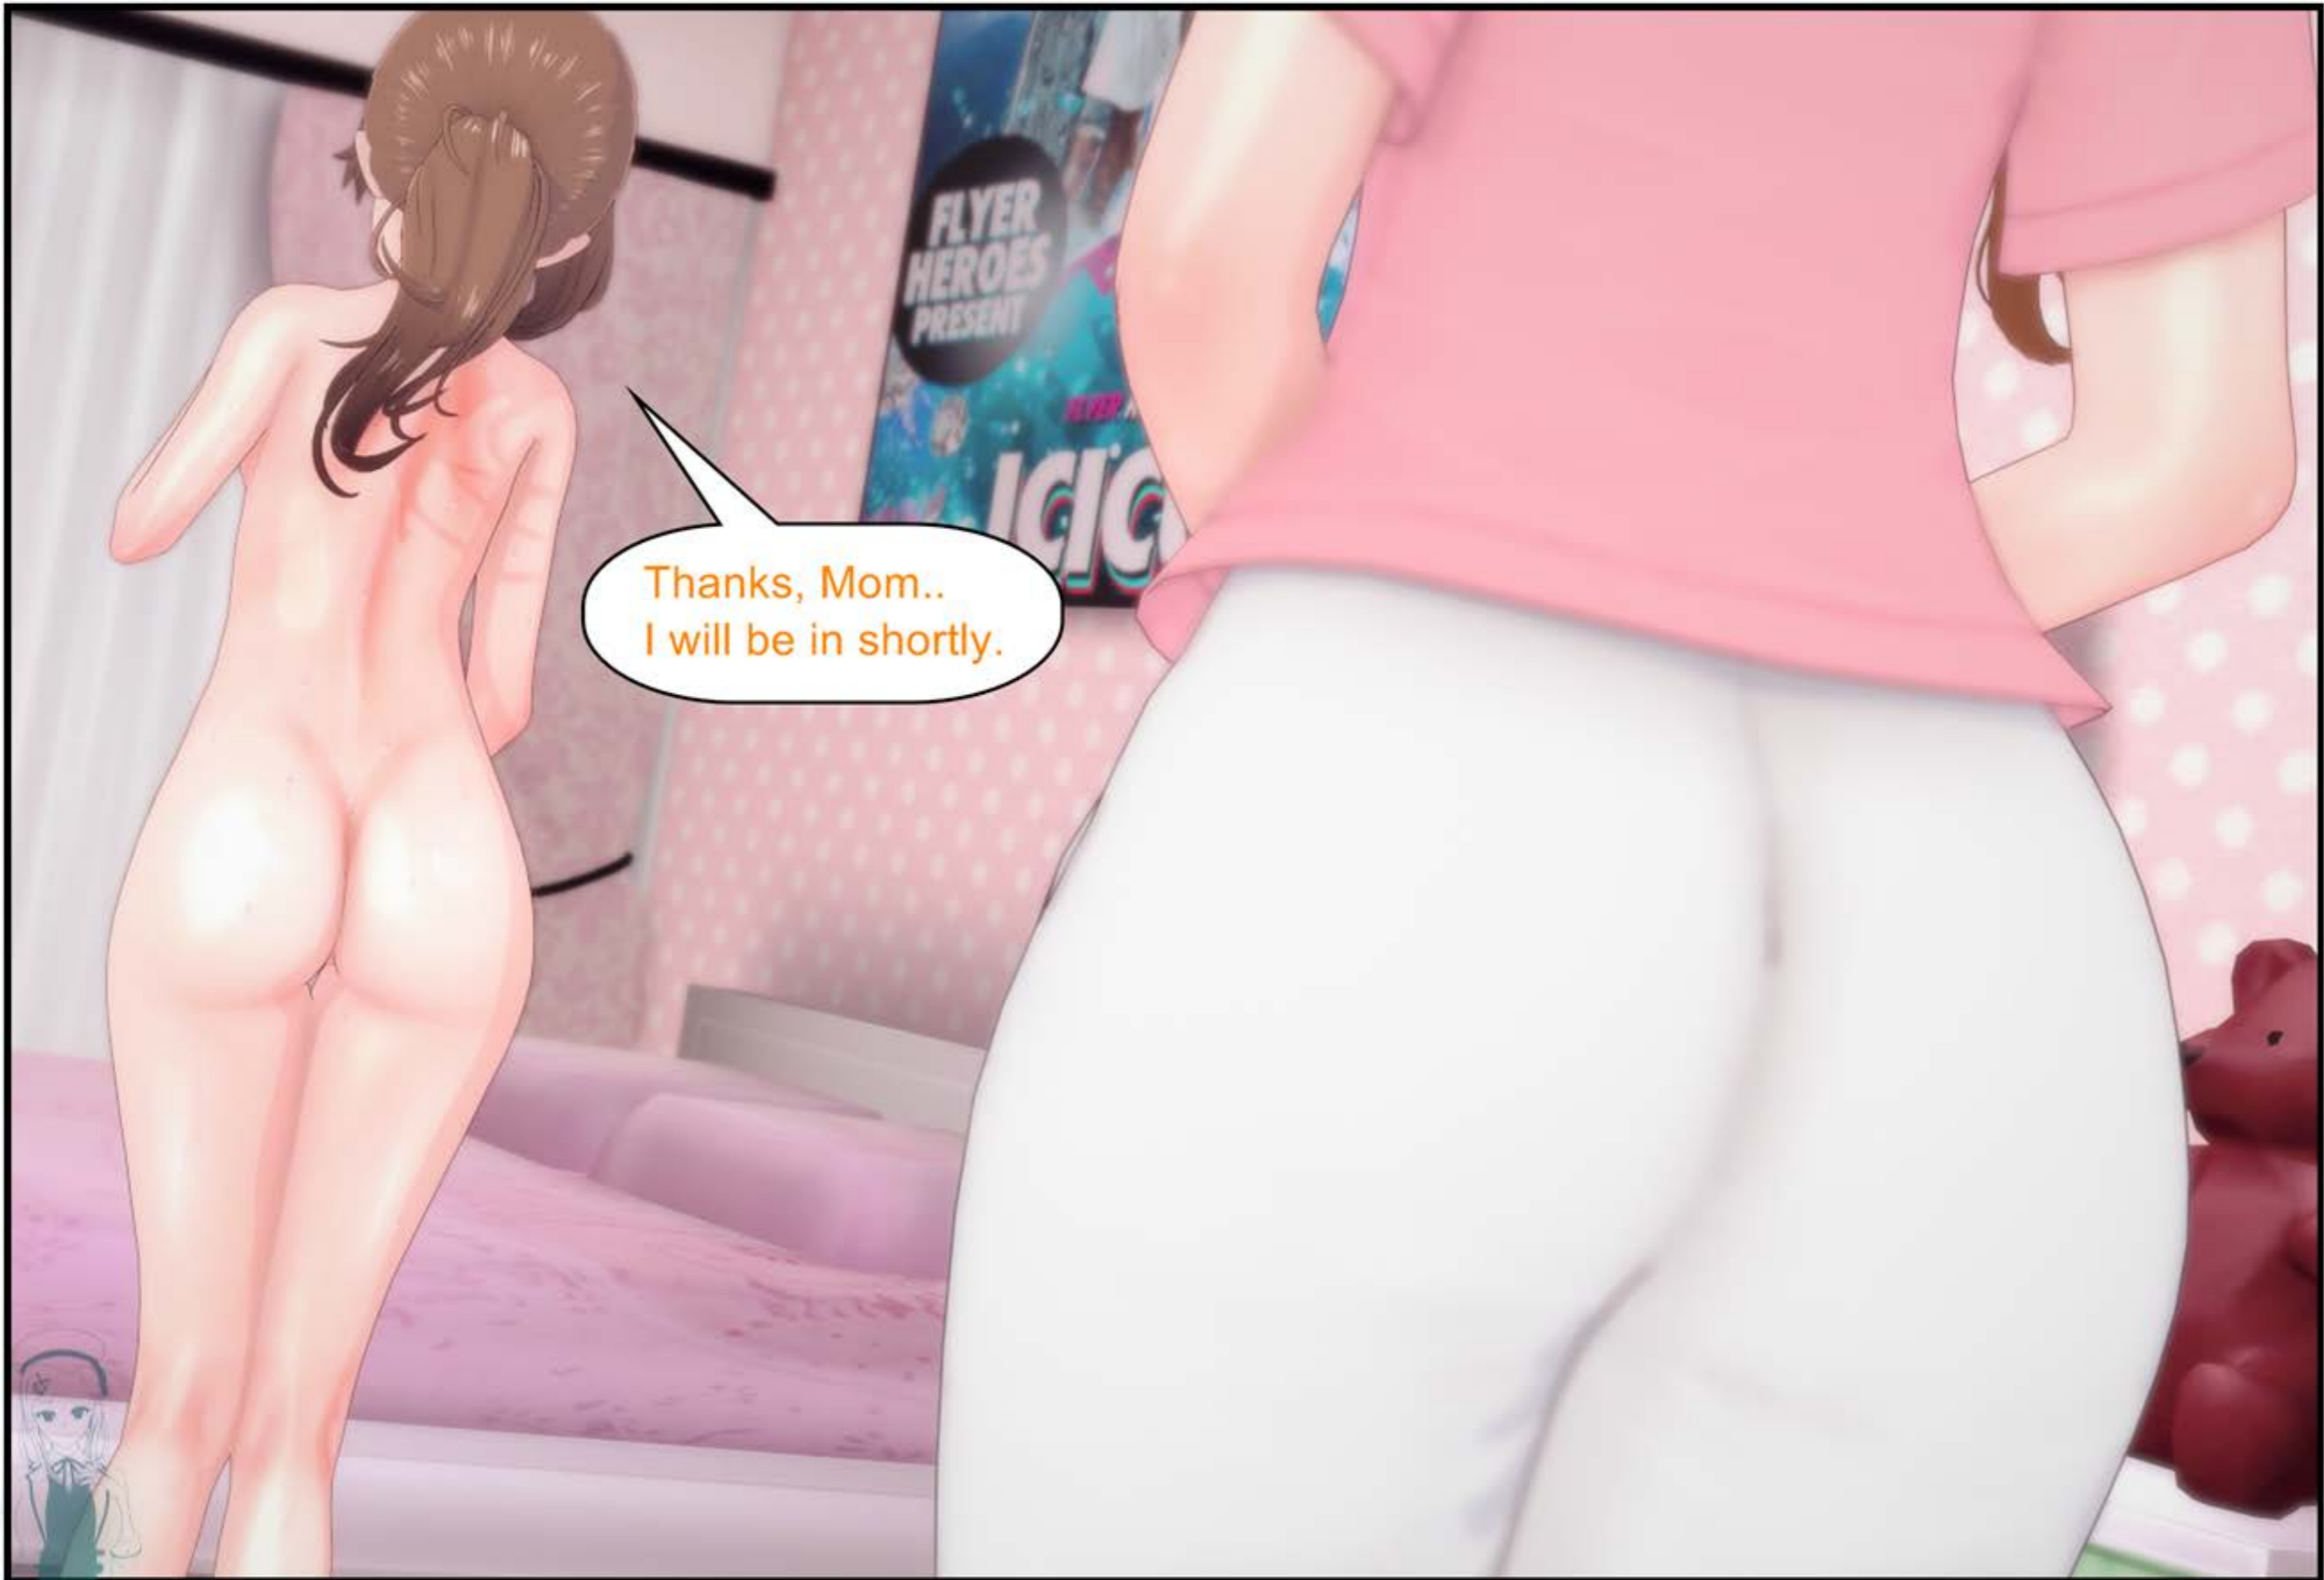

Um.. I have prepared  
hot bath for you, and  
some matcha flavor.

Thanks, Mom..  
I will be in shortly.

FLYER  
HEROES  
PRESENT  
Icig

Okay.. If there's anything, you can talk with me.

It's nothing.. Everything was fine today, Mom.

Hah.. I'm glad. Dinner will be ready soon, don't miss it, okay?

"That was close..  
But she so warm.."

Then, I have to  
learn to be quick  
in each situation..

"And until I  
could find those.."

To be continued..?

"I will need to improve my strength.."
