Well, I will stop running. I'm tired of this cat and mouse.

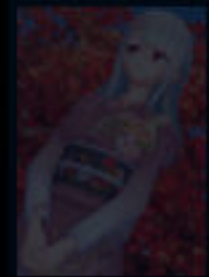

Are you planning something again?

As expected! It's Hitomi who always chased after me this whole time!

Of course, I have prepared for the worst scenario.

Time to end
game here!!

W-What!?

"Wh..what is this..?
I can't move.."

Gyyyaaaaa!!??

Hold still,
will you!!??

"This is called Dark Magic! It came from the ring I have."

A character wearing a blue, double-breasted uniform with gold buttons and a matching skirt. The character's right hand is raised in a fist, and their left hand is held out. The background shows a tiled floor and a wall with a large, stylized orange and black pattern.

"Kekeke.. I'm going to explore inside your body, Hitomi."

"Heh.. I'm inside her.
I can use her to move.."

"This is not simply normal possession."

As I could mess with her brain while I let her free.

Now then.. With her,
I can access to the
criminal records.

"And done! I deleted my record. This will also be against the law."

Lost her badge and a chance to be in jail if a police officer deleted criminal records without authorization.

Sergant? What are you talking?

"Oh? I don't know you have partner, Hitomi.."

No, Rookie. The suspect ran away.

I saw you chased him in here.. Have you caught him yet?

A character with short grey hair, wearing a dark blue fedora and a matching blue uniform jacket over a white collared shirt and dark tie. The character is pointing their right index finger to their lips in a 'shh' gesture. The background is a Japanese street at night, filled with neon signs and advertisements. A speech bubble is positioned to the left of the character.

But.. you said through the radio that you had him dead end..?

It was my fault
that he got away!
Report this back
to station, Rook!

Ah.. Yes! I will report back! Please stay safe, Sergant!

Heh.. Your partner will be useful later..

"There's still time.
I will have fun with
your body, Hitomi."

"I hired a room
which I can have
time to enjoy."

Sergant!? W-What are you doing?

A close-up shot of a character with short grey hair, wearing a blue uniform with a matching cap. The cap has a gold circular emblem on the front. The character is looking slightly to the right with a concerned expression. A white speech bubble with a black border is positioned to the left of the character's head. The background is dark and out of focus, showing some architectural lines and a glowing rectangular light fixture.

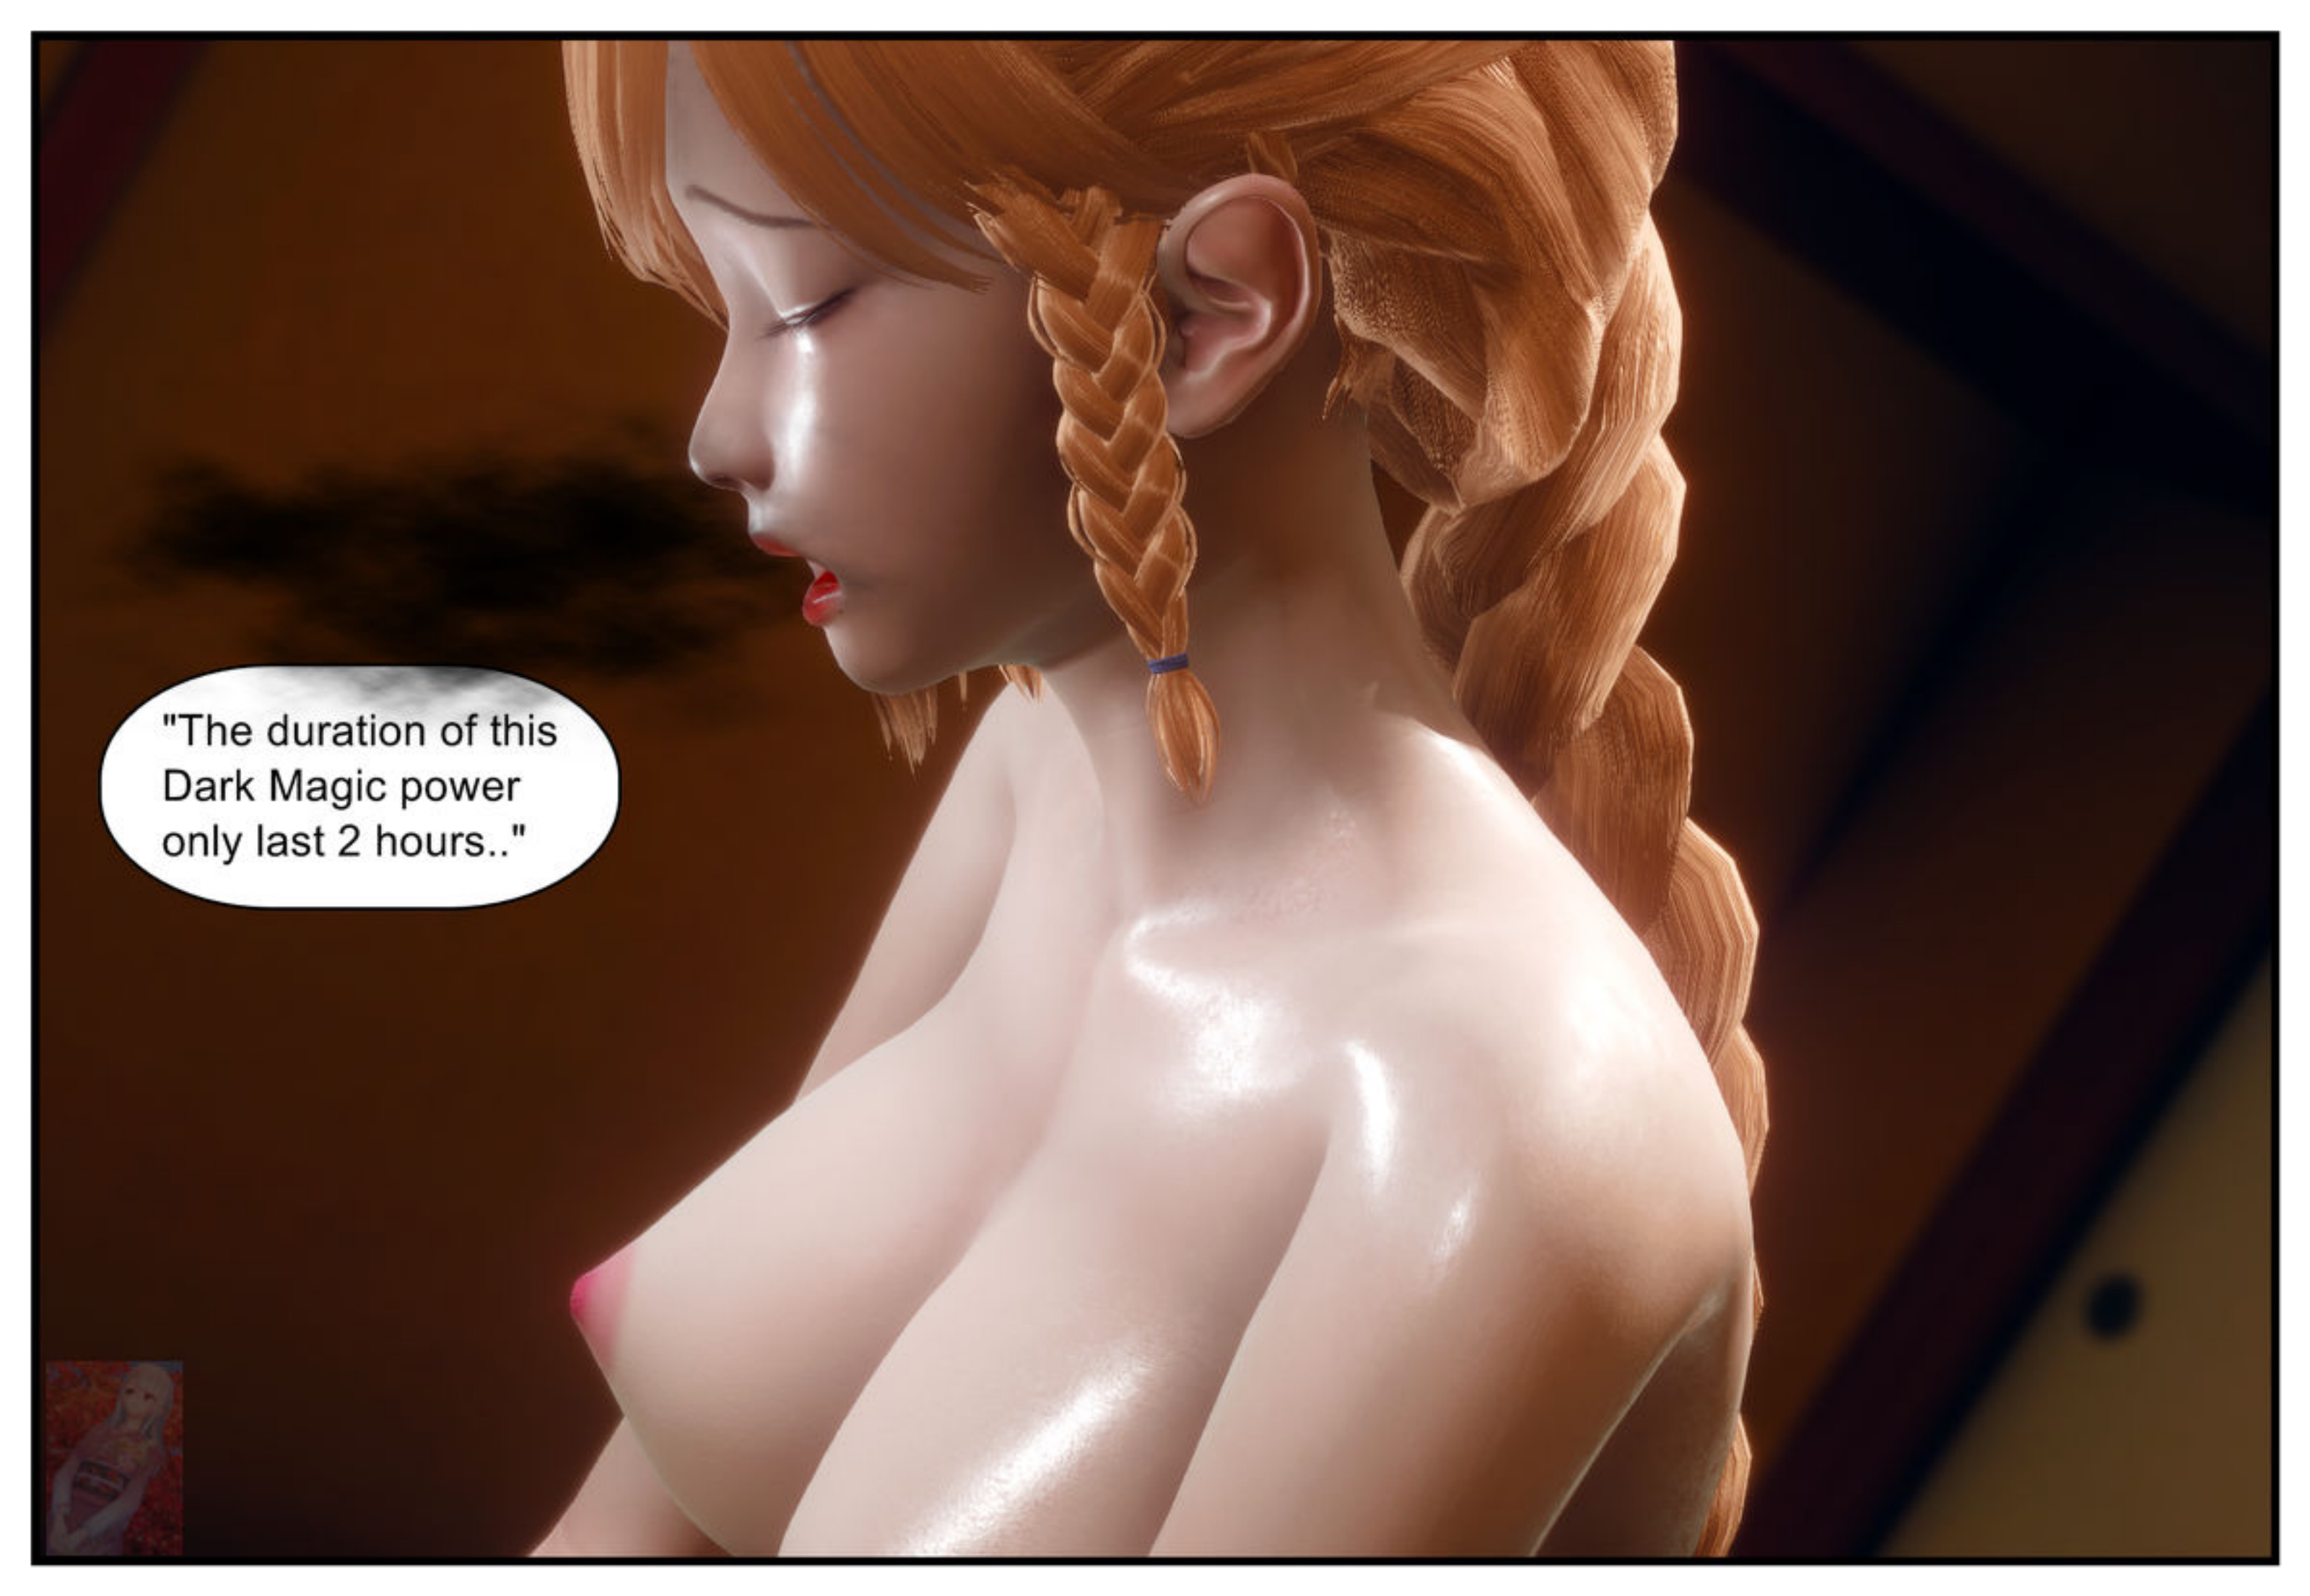

This is.. not
you at all!!

You are so annoying..
But anyway, I almost
out of time.

"The duration of this
Dark Magic power
only last 2 hours.."

"..If I use it overtime
in one body, it will
turn me into ashes.."

"..that's why I
need to transfer
to a new body."

Lucky for me
you are here,
Hitomi's partner.

A close-up, high-quality digital illustration of a woman with dark hair, wearing a blue uniform jacket over a white collared shirt and a dark tie. don't worry.

"Hm.. What should I do next..?"

"I can felt it.. The wind is telling me."

"Someone is using
Dark Magic.."

"I must stop it before
it's too late!"

To be continued?
