

**\*gasp\*** Oh!  
Hello. Where did  
you come  
from?

Um...I...  
y-you know  
Prince John,  
r-right?

Don't be alarmed, little  
one. And, yes, I know him.  
He lives here.

Did you steal those apples  
from the kitchen?

Well...  
Y-YES.  
**\*sob\*** I'm so  
hungry, I  
just wanted  
something.  
Please don't  
tell Prince  
John!  
**PLEASE!**  
**\*sob\***

Who's down there?!

Oh, no.

It's alright, guard!  
It's just me!

I hear  
something else...  
Be there in a minute,  
Maid Marian!

Oh, dear.  
Oh, dear.  
What'll I  
do?

**\*much sobbing\***

I'm gonna be thrown in prison, aren't I? \*sniffles\*

Please calm down. You'll be fine.

All of the shrubbery here is so small. There's nowhere to hide him.

Well, there was that time I hungered as a child and a mouse wizard allowed me to eat him since I was so nice. He put a spell on my insides to safely consume any living creature and to keep them alive.

I must act fast, but I know this will scare the poor dear.

\*sniffles\*

Please forgive me.

Eee! L-let go!

I can't focus on taste right now. Just keep on swallowing!

Wow!  
All of these  
are for me?!  
They're more  
than I've had  
in a whole  
month!

Thank  
you so  
much! You're  
so kind!

And  
now, if  
you don't  
mind,  
I'd like  
to nap a  
while.

When  
there's something  
big in my belly, I  
get tired very  
easily.

\*yawn\* What a dear little lamb-
