Ehhhh..? We can play together..

"Naoko was my only friend in high school.."

"..How could I let her buy that for me?"

A character's legs are the central focus, wearing a dark purple pleated skirt and shiny, light pink leggings. The character is standing in a classroom with a green chalkboard, a clock, and desks in the background. Three speech bubbles are present: one on the left, one in the middle, and one on the right.

Ah.. Afternoon class  
has started. See you  
later, Yumi!

Hmph! I know!

Okay. Remember  
to keep your mind  
in studying, alright?

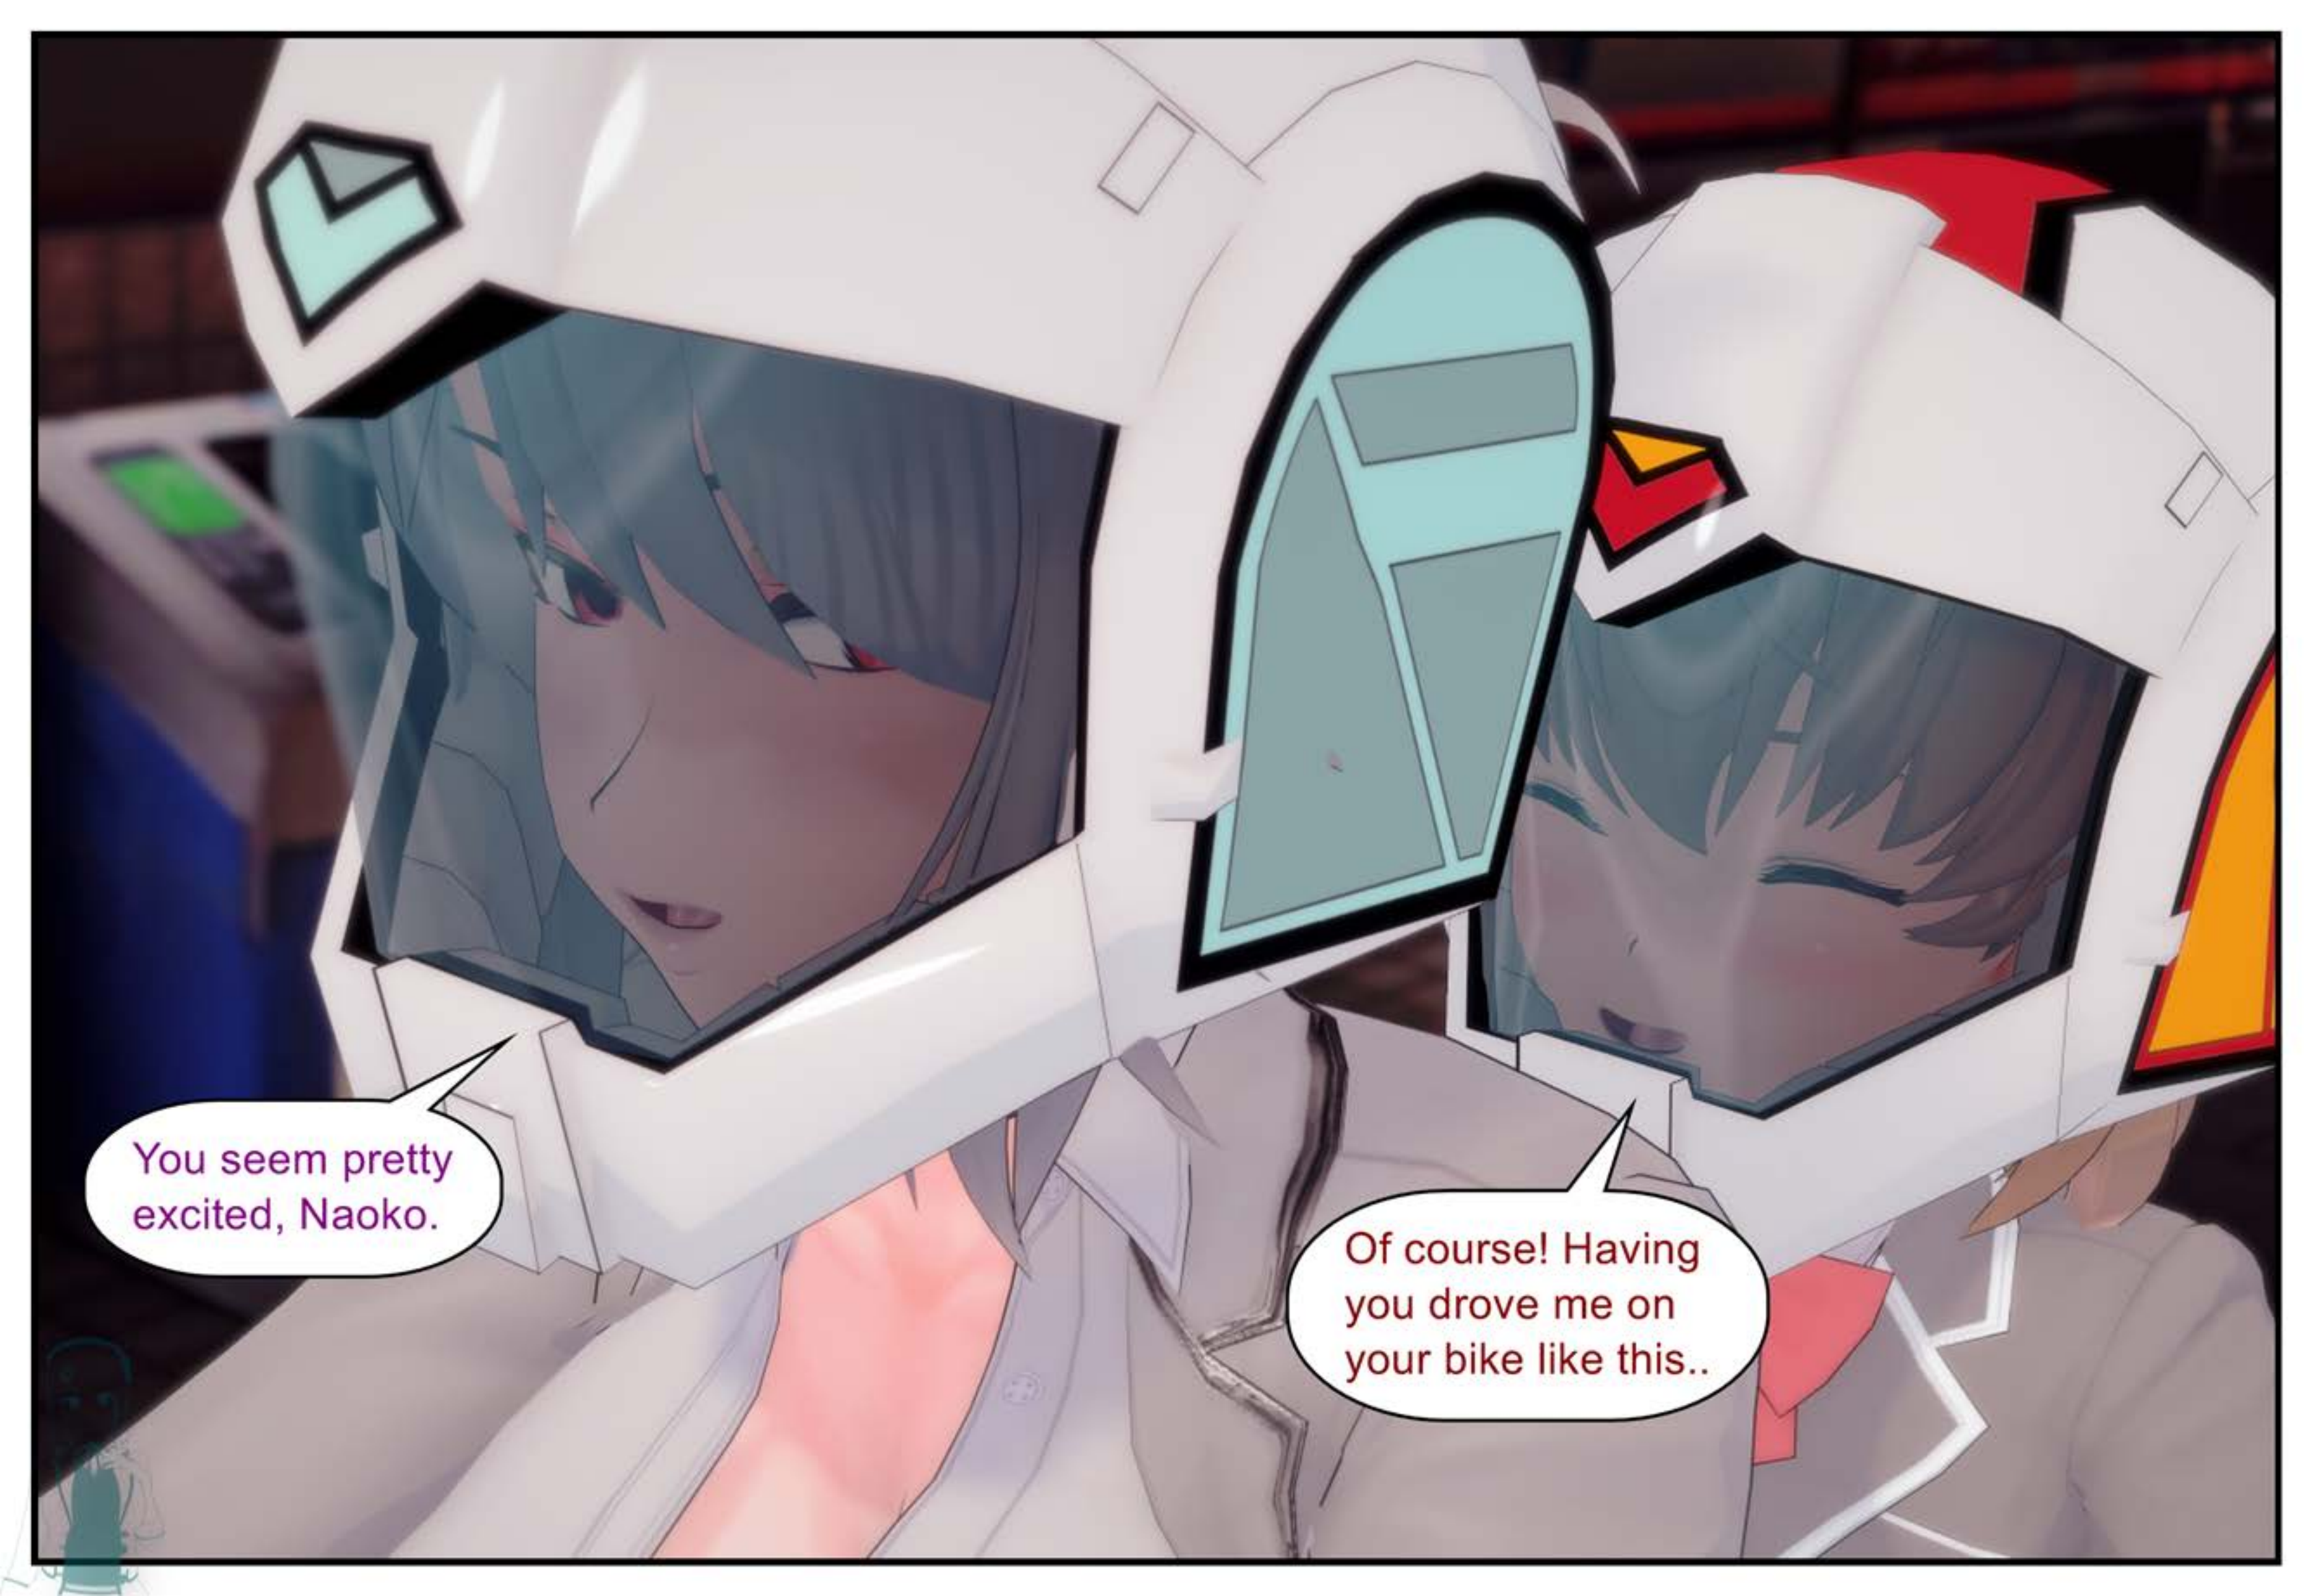

Later that evening..

Yes!! We finally bought it!

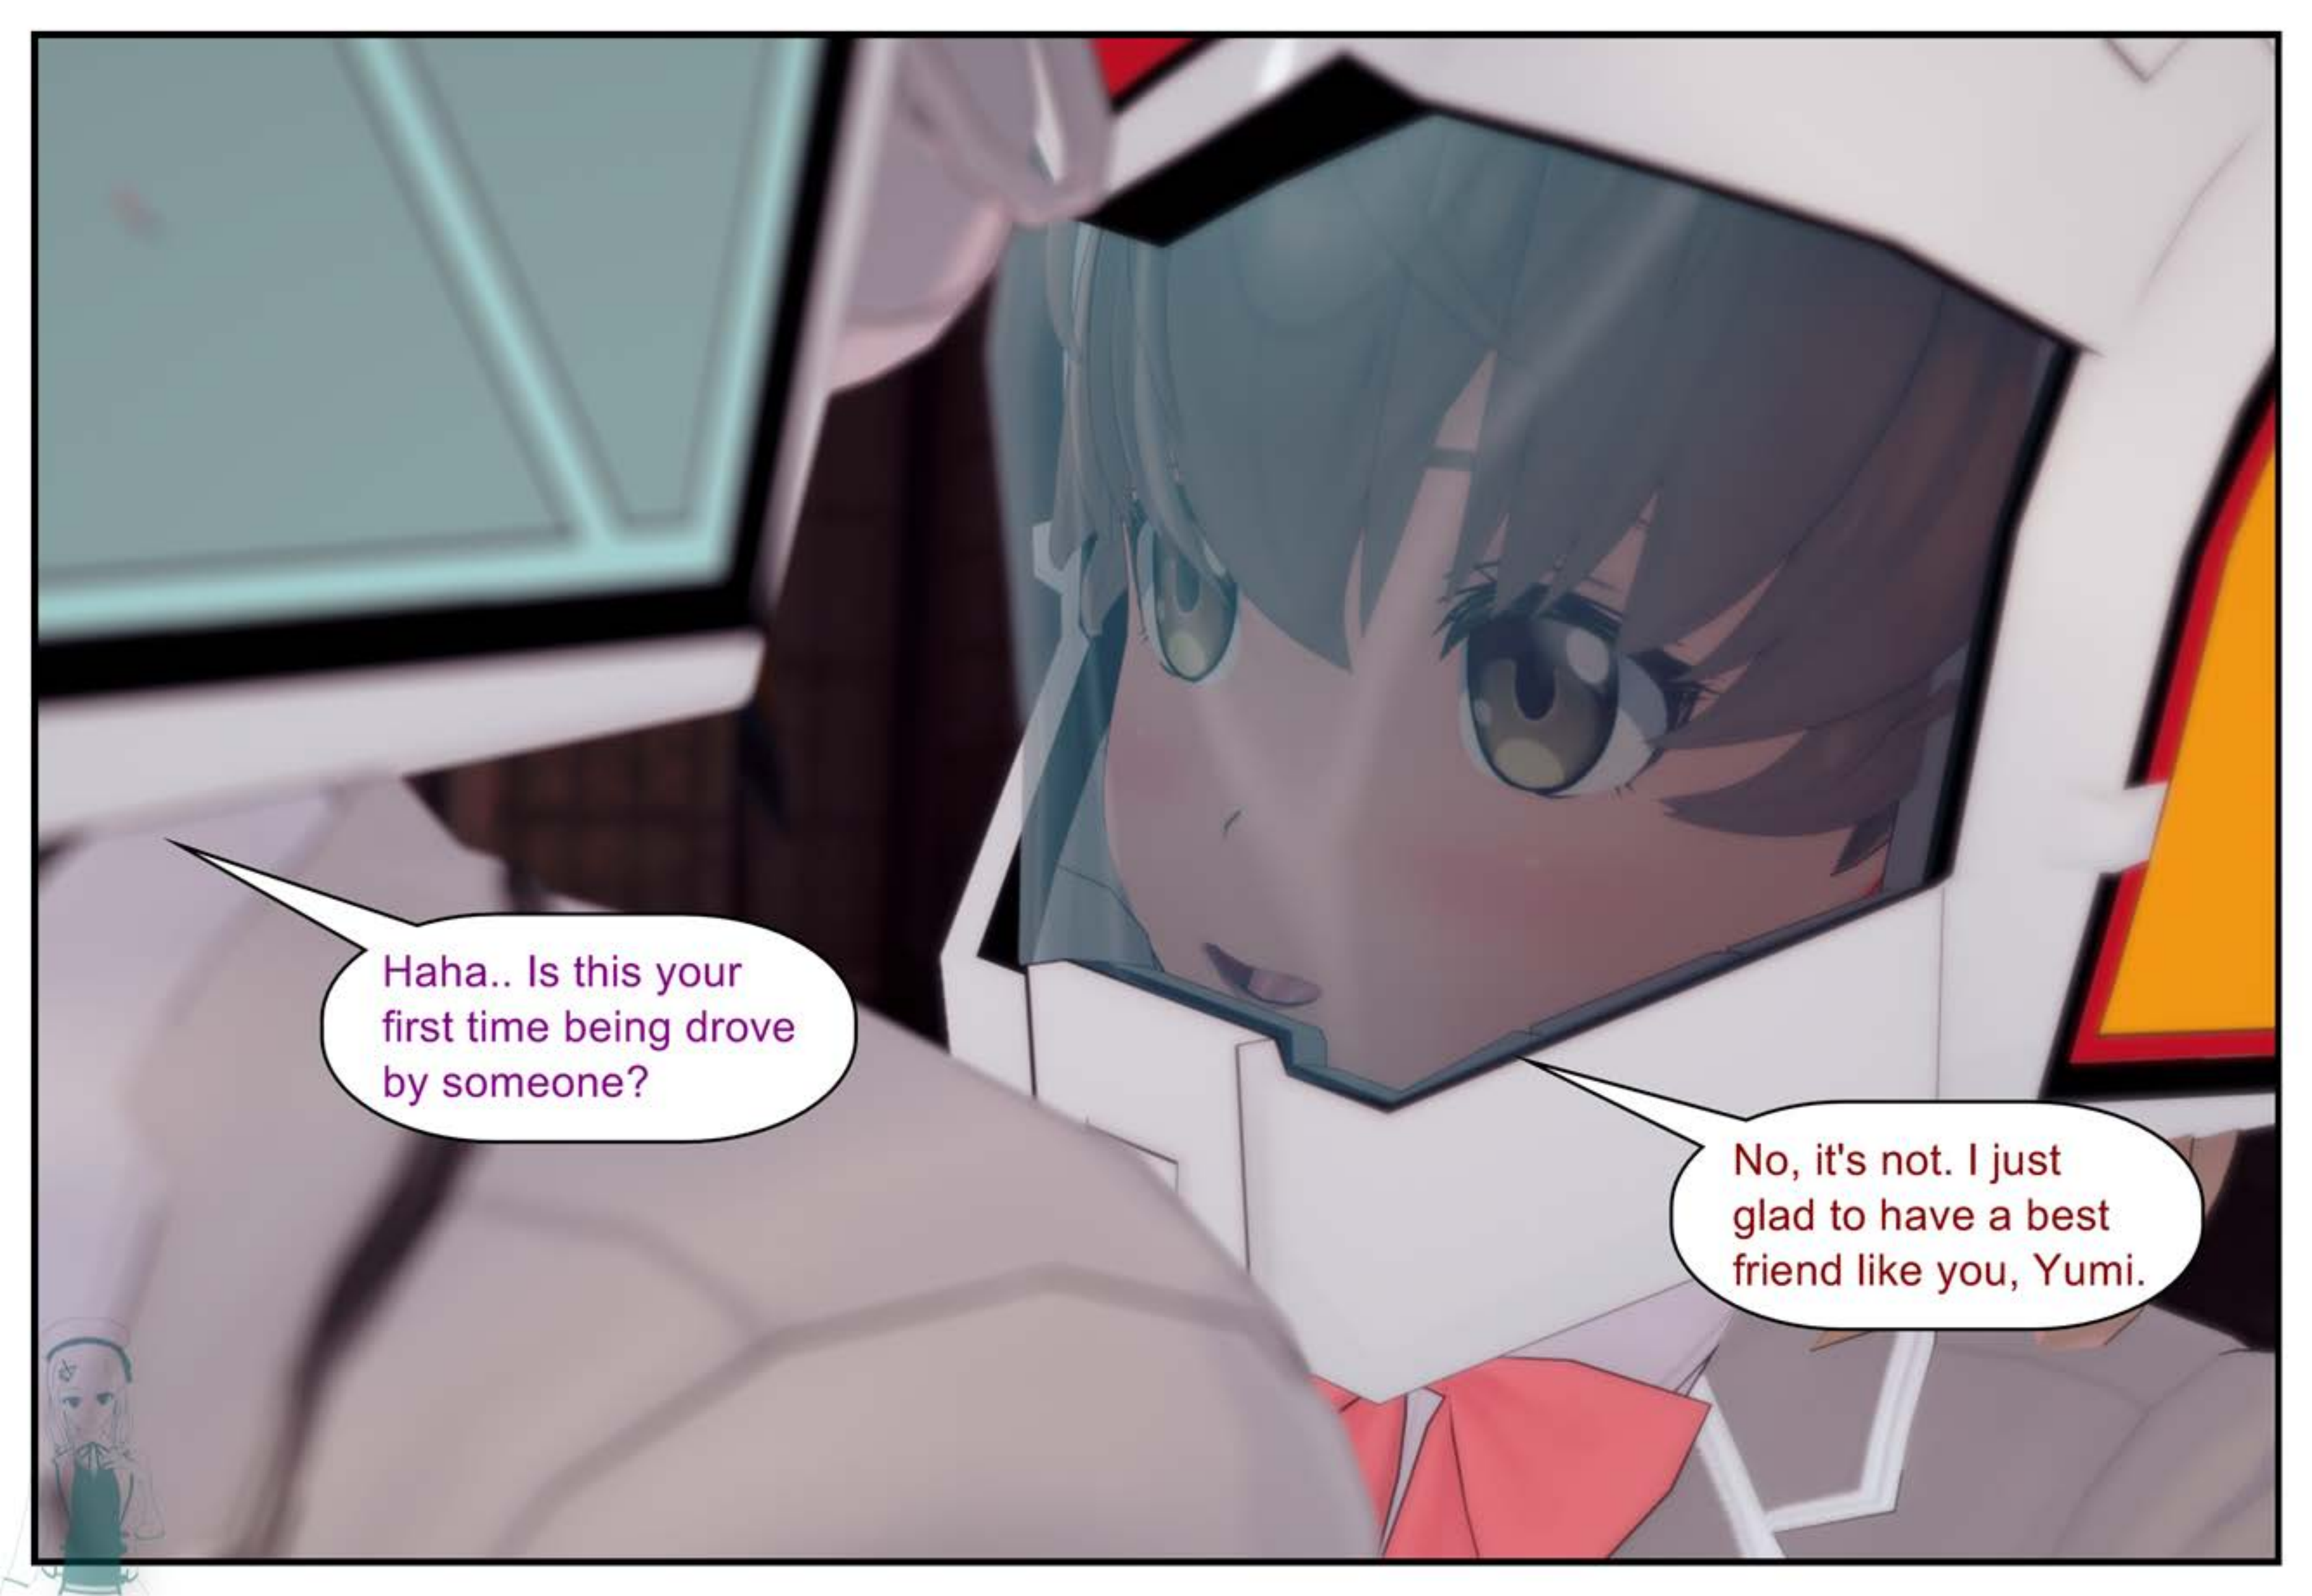

You seem pretty excited, Naoko.

Of course! Having you drove me on your bike like this..

Haha.. Is this your first time being drove by someone?

No, it's not. I just glad to have a best friend like you, Yumi.

Come on. What with that voice? Are you trying to make me play VR games, hm?

No.. It's not..

N-Naoko..?

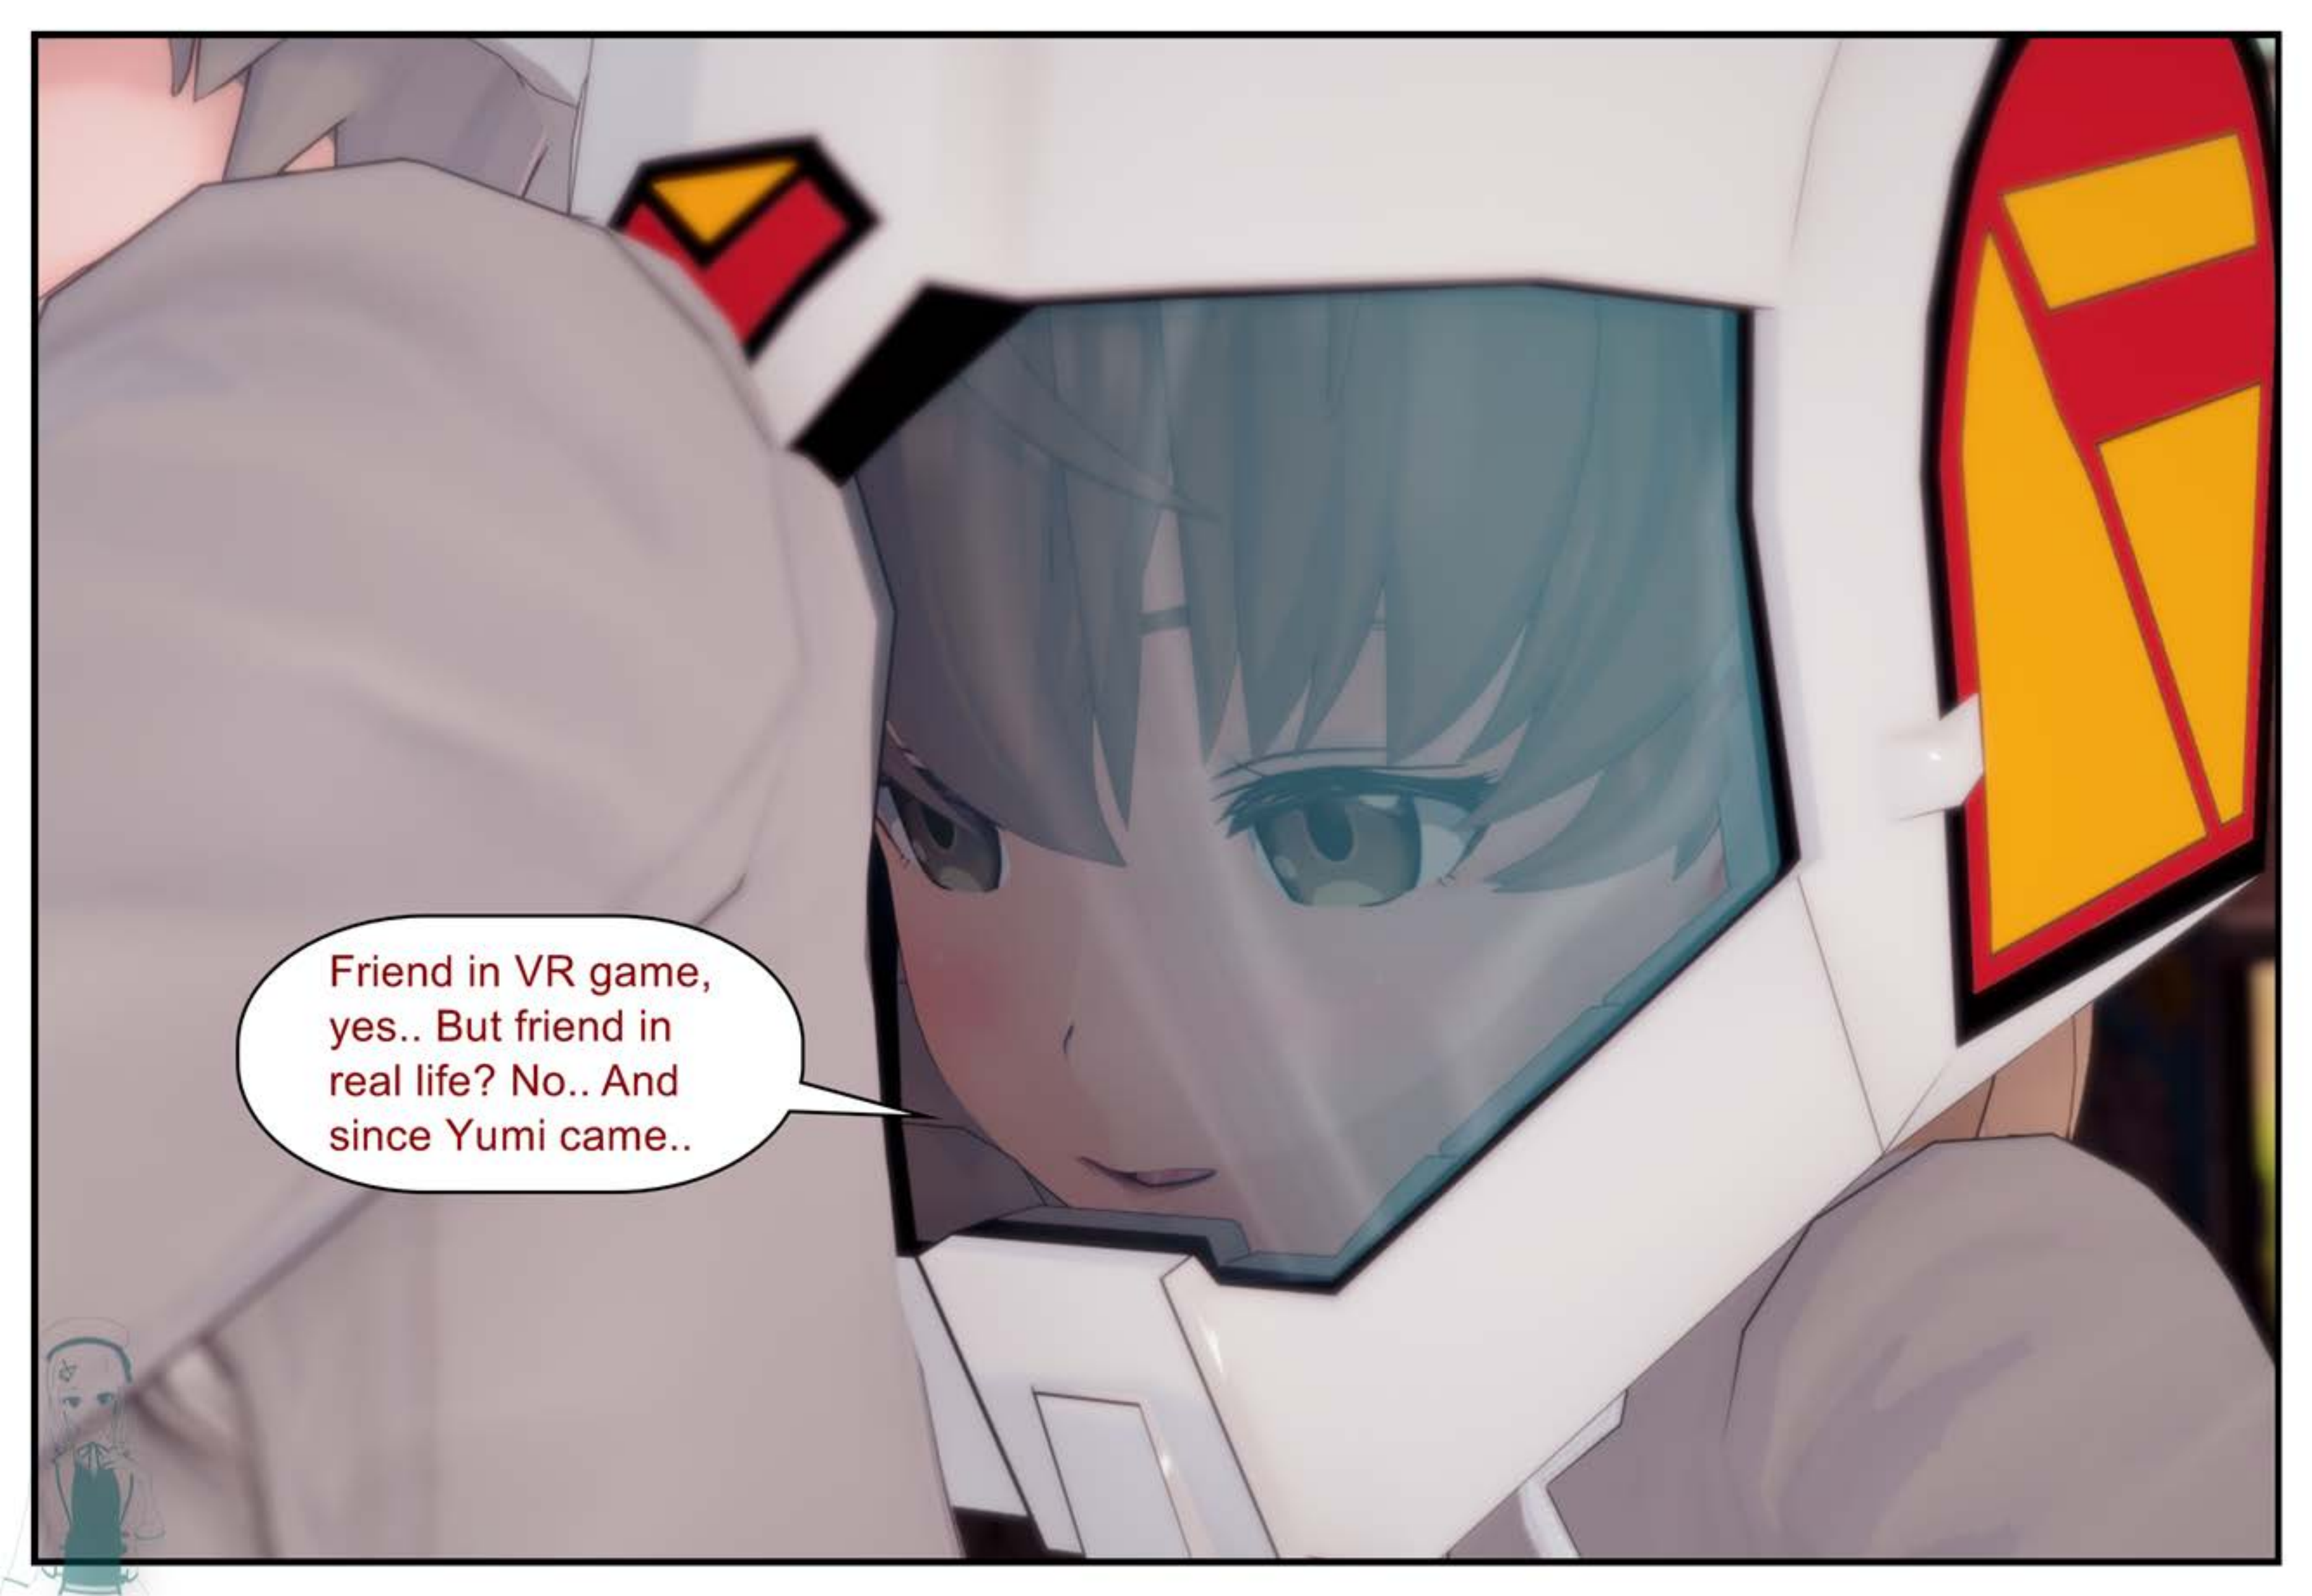

I never had a true friend.. before..

For some reason..  
no one wanted to  
play with me..

Friend in VR game,  
yes.. But friend in  
real life? No.. And  
since Yumi came..

You cared about me..  
and we did so much  
things together ever since.

Please.. Yumi..  
Don't leave me  
alone.. okay..?

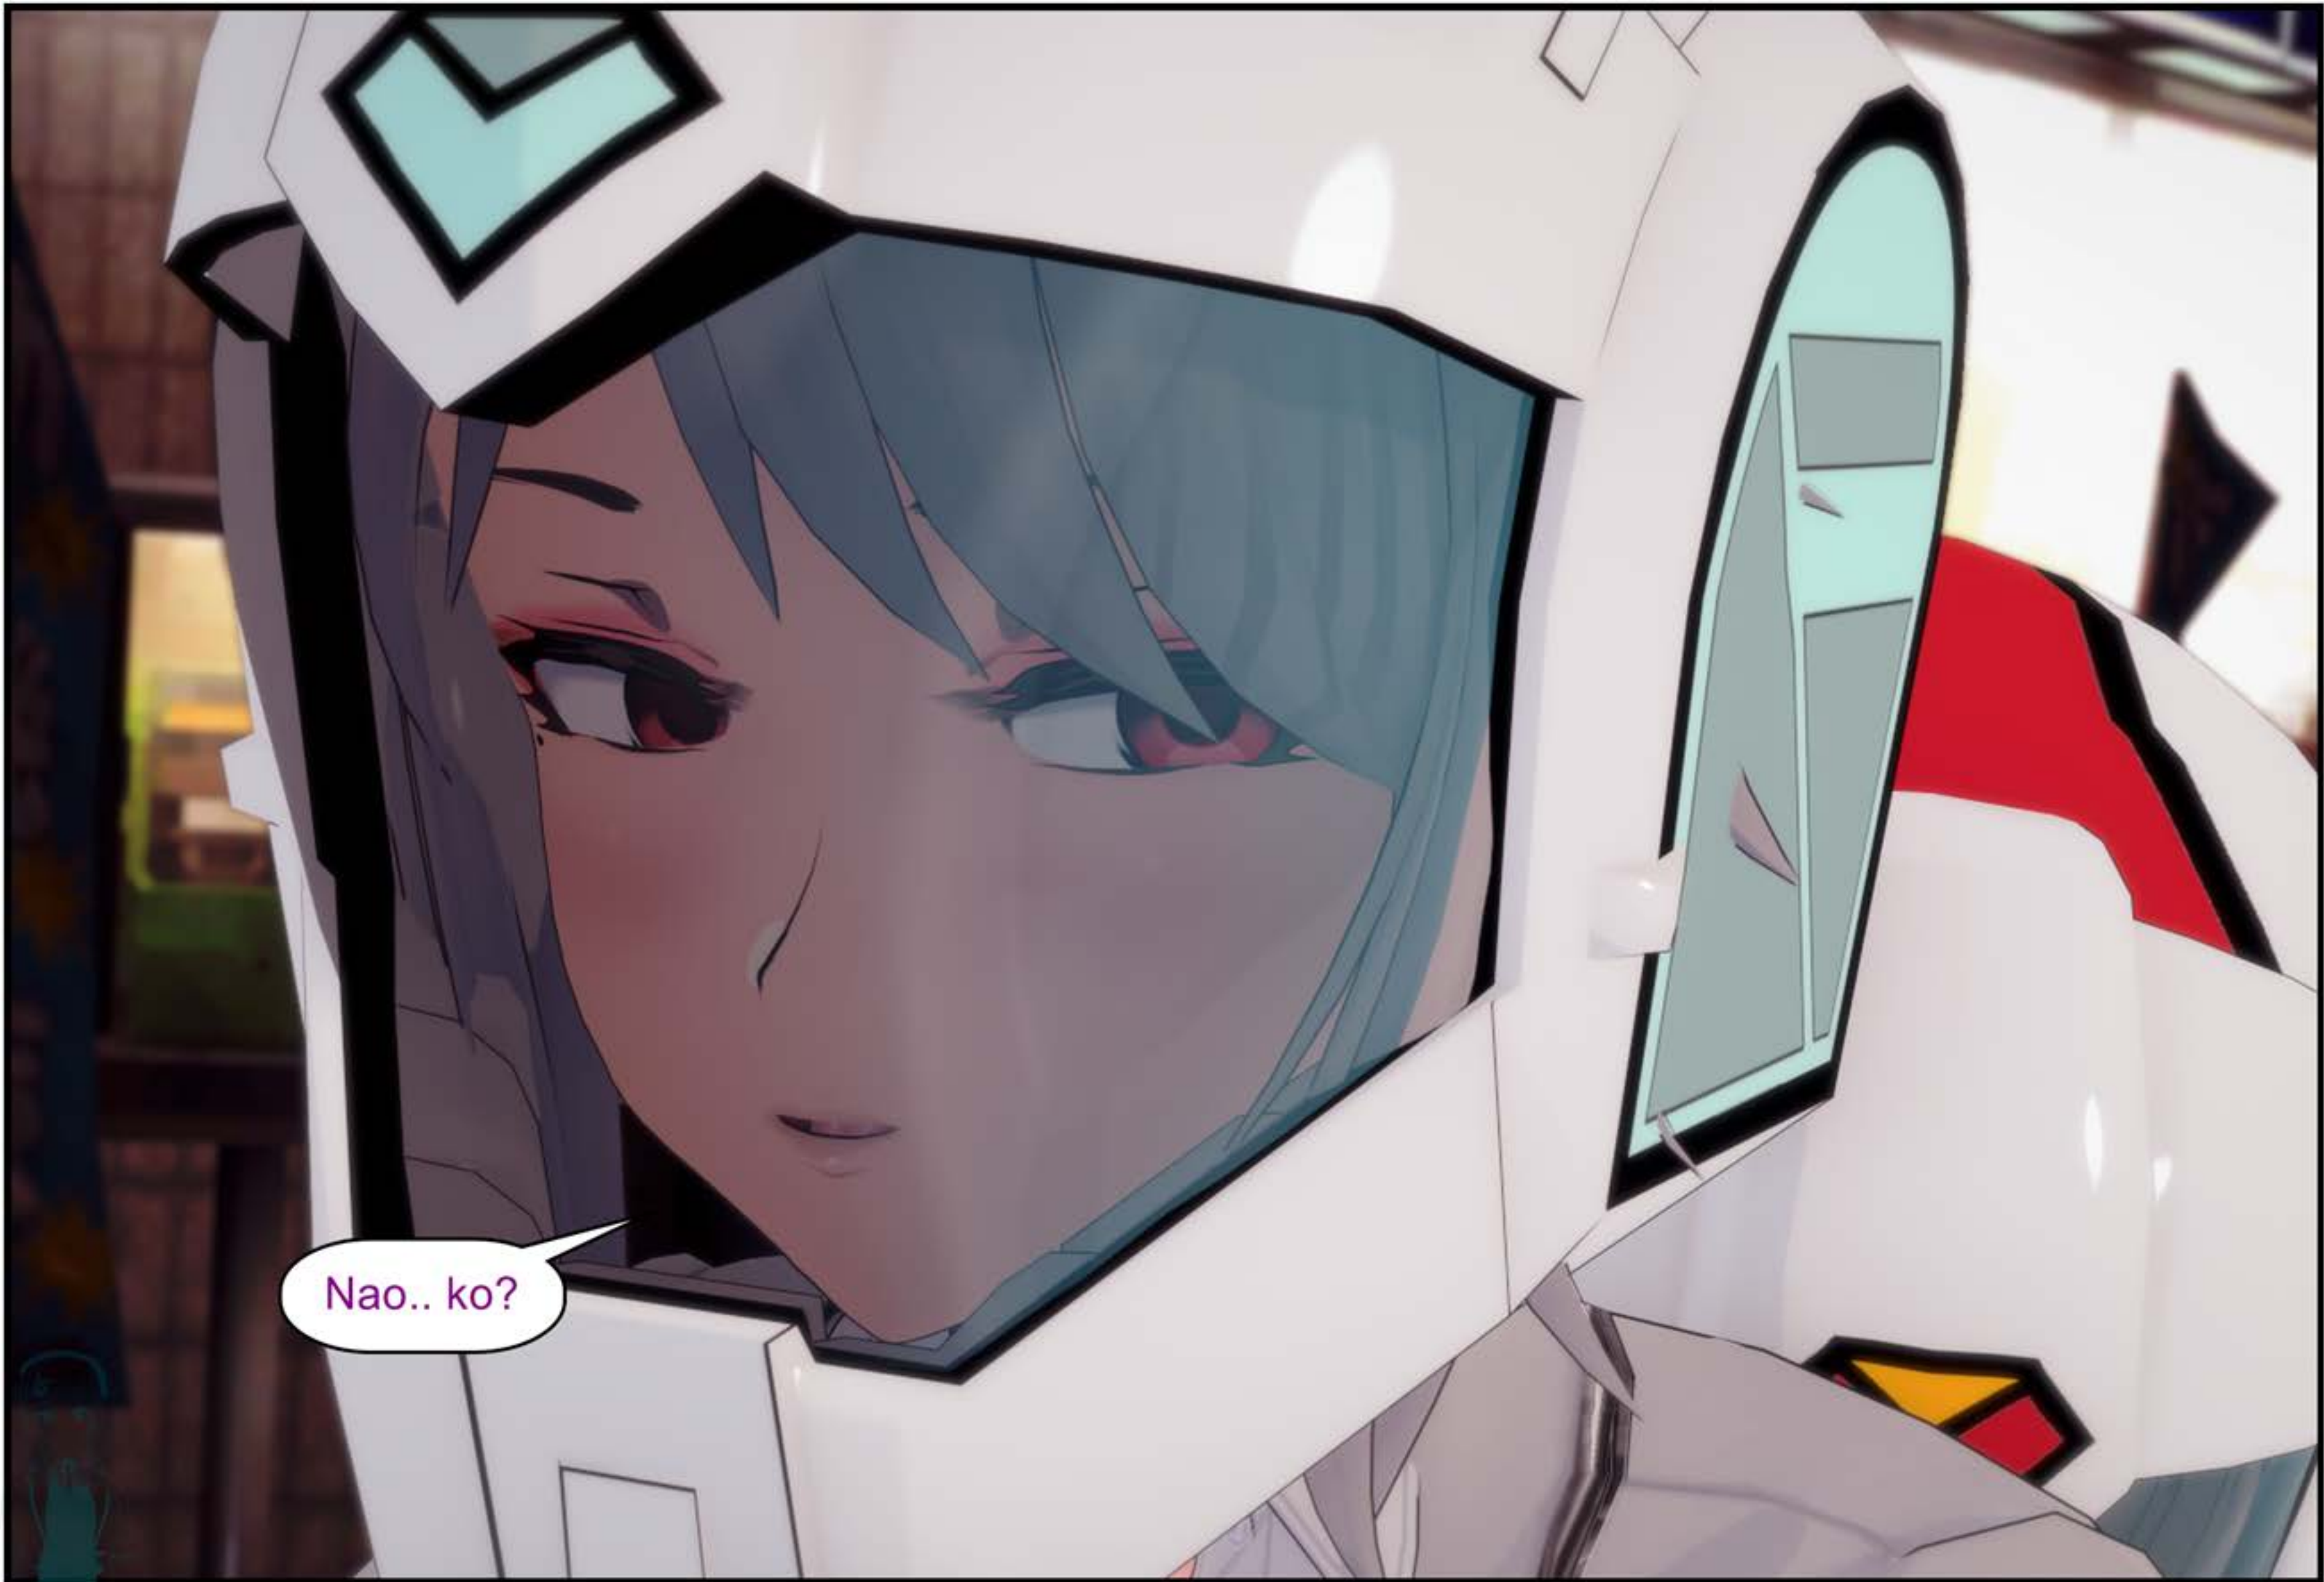

I won't. Whatever happen, you can call me, Naoko.

Nao.. ko?

"She already

"You too, Naoko..

what a true friend  
was like.."

"Have to take her home before my part-time shift start.."

A person with long dark hair, wearing a grey dress, is kneeling on a pink carpet. Their hands are clasped together in front of them. A speech bubble is positioned to the right of the person. A small black icon of a hand with a pointing finger is located to the left of the person's legs. In the bottom left corner, there is a small, stylized illustration of a character with long hair and a headband.

The game was just
