Asami you have no need to thank me. In all my years you are the finest student I have taught. In fact you are more than a student, You are like the daughter I never had.

Sensei Fumiko I appreciate everything you have taught me.

Sensei Fumiko, it means so much to hear you say that. As an orphan I never knew my mother. You have taught me everything I know and made me the warrior I am today. You are more than my Sensei, you are like a mother to me.

What a touching scene.
Such warmth, such compassion. I
hate to interrupt this beautiful moment,
but I've come to collect on a
debt.

*An Oni is a supernatural being from Japanese folklore. A type of ogre or troll.

Wh... What are you doing here after all these years?

Stand behind me Sensei. I will protect you from this Oni*.

Oni Neikan what are you doing here after two centuries? We had a deal and you broke it. I don't owe you anything.

Daughter of the heart? You mean Asami? You would give me 100 years of youth and beauty in exchange for Asami? I don't know?

I couldn't bear giving you my child, so I never had any. If you are willing to restore our bargain, I could live with giving you Asami.

Sensei Fumiko we had a bargain and I have come to collect. I offered you 200 years of youth and beauty in exchange 100 souls and your first daughter. You kept half your bargain, so I kept half of mine. When you give me your daughter of the heart, I'll return your youth for another 100 years.

You tried to cheat me by not having children. I will forgive your treachery and restore our bargain. 100 years of old age is sufficient punishment for your dishonesty.

Then we have an accord. In exchange for Asami I will give you 100 years of youth and beauty. Asami is strong and beautiful. She will serve me well.

I feel so young, so alive. I can't go back to being old. Do I have to give you Asami?

The choice is yours. Protect Asami and get old again, or give me Asami and enjoy your youth.

Sensei Fumiko you have to resist this. The Oni is seducing you with evil. You can fight this Sensei. I believe in you.

I'm sorry Asami. I'm not strong like you. I need this, I need my youth. I hope some day you can forgive me.

You've seduced my Sensei with your evil Oni. You won't have me without a fight.

So Fisty! I wouldn't have it any other way. Show me what you've got.

Best student indeed!
Your Sensei has very low
standards.

Ough!

Oh my it looks like you dropped your sword. No matter; you don't know how to use it.

Ough!

Humans! So Pathetic!
So confident in your skills, but you
master nothing but ignorance,

Ough!

I drink deeply your sorrow.
Your humiliation and despair intoxicates
me. I've crushed your spirit; now I will
make you mine forever.

How is this possible?
I was Sensei's best student. How
was I defeated so easily?

“Demon’s Breath” is one of an Oni’s most powerful spells. It creates a heightened state of arousal in humans. The affect is overpowering and can only be reversed by the strongest magic.
