

MEDON

"The badlands? You mean the lands."

Personality Traits. Medon is quiet and perceptive. He is resolute, stoic, and never speaks frivolously. Focused on business and accomplishing tasks, Medon is sometimes hired by far-reaching wanderers as a stalwart navigator. He is unflinching in the face of death or catastrophe. Medon quietly worships a deity of war and death.

Ideals. The world is endlessly challenging. I will meet them until I'm bested. I need no respite.

Fears. I can't show cowardice. Weakness is the gravest of insults to me and my family.

Quirks. Keeps beeswax to tame his hair.

Secret. Medon is a widowed father.
