[wet sfx] [sleepy moans for a bit] (**top is still sleeping**) Hah...fuck that feels good...nnggh...just like that...[more sleepy moans]

(**top starts to wake up**) Nnggh...huh? What...what's happening? Hah...f-fuck...good morning to you too, baby. Am I inside you right now? Shit...riding me first thing in the morning...you enjoy this kind of thing, don't you?

Did you like getting me hard while I was asleep? Fuck...and you're wearing my shirt. Did you take it off so that you could leave marks all over me? My chest is covered in your hickeys. I must be a really deep sleeper.

[wet sfx stops] Hah...why did you stop? Keep doing what you were doing...bouncing up and down on my cock. I was enjoying that.

Punishment? Aw...are you still upset about last night? Was I too rough with you?

...

It's mine turn to come undone? What, you want me to be the one begging this time? That might be tough considering it's always you who's asking for more. Why do you think I went as hard as I did? Because you asked me too.

Ok ok...I'll let you do your thing. Let's see how much of a mess you can make me, hmm? Go ahead.

[kisses] Baby...isn't punishment supposed to be...bad? I'm very much enjoying what's happening right now. I don't know how you're gonna discipline me by making me feel good.

...

I'll see? Ok...I'm excited to see what you have in store for me. Should I just lay here and do as you say? I can be a good boy for you. [kisses] Wait...how long were you doing this before I woke up?

30 minutes? Fuck...that's so hot. I was completely defenseless and you had your way with me...be honest...how many times did you cum before I woke up? [kisses] Is this your way of telling me to shut up? But I love teasing you, babe.

I'm misbehaving? (*teasing*) Should I tone it down? Just tell me what to do...you're in charge, right? Go on~ boss me around.

...

[laughs] If you wanna wipe the smirk off of my face, then stop holding back and do it. *[kisses]* So...are you gonna move or do you want me to do it for you? As much as I love having you around my dick, just sitting here is a bit...frustrating.

Hah...you can't just squeeze me like that...not while I'm pinned beneath you and I'm not allowed to move. Are you sure you don't want me to help? I'll pound you so good, babe...don't you want to feel me deeper?

...

Yeah...I know I'm already inside you...I can feel every little move you make. Are you enjoying yourself? Tightening around my dick...being inside your ass is amazing, but this is...are you just gonna sit there all morning?

...

Say please? *[laughs]* That look on your face...you're really enjoying this...fine. Please? Do something, baby. I wanna make you feel good.

[wet sfx] Nngh...grinding on me isn't fair...fuck, can I at least grab your hips? No? Mmm...ok I won't, just...keep moving like that, baby. We've been sitting still for so long that the movement is...driving me crazy. *[improv noises]*

Look, babe. You're leaking...does it feel good using me like this? I can make you feel better if you- *[wet sfx stops]* huh? Wait...don't stop. Please...keep grinding. Ok ok I'm sorry...I'll stop saying shit like that, alright? Don't stop.

[wet sfx] Hah...thank you, baby. Fuck...it's not enough. I feel like I'm being edged. I'm completely at your mercy again. What did you do to me while I was asleep? Did you...nngh...suck me off? Or play with yourself? How did you use me?

Yeah? Hah...you used your mouth on me, huh? I bet it didn't take very long for me to get hard, even in my sleep. I wish I could have seen it...nngh...record it next time, baby. Let me watch how you treat my defenseless body.

F-fuck...baby, this is torture. I keep talking to distract myself...but I'm about to lose it. Mmm...what can I do to make it up to you? Whatever it is...I'll do it, just...hah...please do more. Anything.

Keep being a good boy? Yes...yes baby, I'll be your good boy. I'll do what you want. Please...please I'll- *[wet sfx]* Ah! Shit! Yes, keep bouncing on me. Oh my god...you feel so good. This is exactly what I wanted...nnggh...please don't stop.

[improv noises] You feel so fucking good. I love doing this with you...hah...shit, baby. I don't know how much longer I'm gonna last...it feels like I'm already gonna cum...f-fuck...baby I'm gonna- *[wet sfx stops]* *[desperate whine]* Why do you keep stopping? I was so close. Was I not being good enough? I'll try harder...I promise.

...

Y-you did say it was a punishment...yeah I remember. Haven't I been punished enough? I...I've learned my lesson, ok?

Huh? No...my orgasm died down...but can you start moving again? It felt so amazing...I want you to keep riding me.

...

The magic word? I'm sorry...please ride me. Please make me cum. I wanna cum just from you pleasing yourself on me. I'm begging...I'll beg harder if you want me to. Please please please... *[wet sfx]* *[moan]* AH! So sudden! Ah fuck! Baby, you're so good...you're so good to me. Yeah...I'm so lucky I have you.

Fuck...I'm so deep inside of you...you're so fucking warm. The way you squeeze me...you're the best ass I've ever had. No one compares to you...nnggh...shit...feels amazing. Can you wake me up like this every day? Mmm...I think I'd become a morning person if that was the case. *[laughs]* You're just...such a good fuck.

[improv noises] I think I'm getting close again, baby. Are you gonna let me cum this time? Nnggh...ask nicely? F-fuck...ok...can I please cum? I wanna cum inside your tight ass...please? I'll do anything...nnggh...I just wanna cum. So badly. Please, baby, please.

(happy) I can? Oh fuck...thank you, baby. Shit...f-faster...I'm gonna cum...fuck me faster, please...ah...I'm cumming...fuck, I'm cumming! *[loud moan]* *[heavy breathing]*

That was...so amazing. You're so amazing. Damn...if that's how every punishment is, I might misbehave more. *[laughs]* But seriously, I promise not to be too rough with you again...I'm sorry if I just haven't been listening.

...

Wait...huh? You liked that I was rough? Then what was I being punished for?

You just wanted to try being the dominant one? *[laughs]* Next time...just ask. I'll gladly give all of myself to you. I'm your good boy, remember? Though...out of curiosity...if I were to wake you up by fucking you...would you like that?
