

After teleportation...

And we are there.

We'll solve your little problem right away. hehe

Ouch!

Ichika, are you all right?

Couldn't we have just called a TAXI?

This way is much faster.

Besides, I forgot my wallet at home.

You could have spoken then I would have bought you that ticket.

This is the old school building Kuou Academy and these are their uniforms.

In case someone sees us here.

What is this place anyway?

And what am I wearing?

Why do we need them?

And actually why are we here?

To visit my friend, she is a very powerful demon surely she will know what to do.

Yes, Rias is my friend, besides why would she not help us?

**\*scared\***

A demon?

Are you sure she will help us?

Strange, no one is there?

**\*Shocked\***

Hi Yuuto, is Rias around perhaps?

She is just taking a bath, should I call her?

Would you like some coffee perhaps?

I'll make it right away.

No need, I'll wait.

If you don't mind, I'll have some tea.

Thanks.

What's going on here, is this a real sword?

Did someone call me?

Oh...  
I already understand everything.  
hehe

Say, do you like what you see?

Sorry I'm not in control of it. hehe

What a shame!

*\*embarrassed\**

*\*Sigh\**

Naomi, this is your work, isn't it?

Eee.... You can say that.

Don't tell Onee-san that I changed someone's gender again.

*\*Shocked\**

Again? Then how often do you do it?

After Issei and Akeno returned...

*\*scared\**

Naomi,  
I changed  
my mind.

Having  
a penis is  
not so bad  
after all.

Please do  
something.

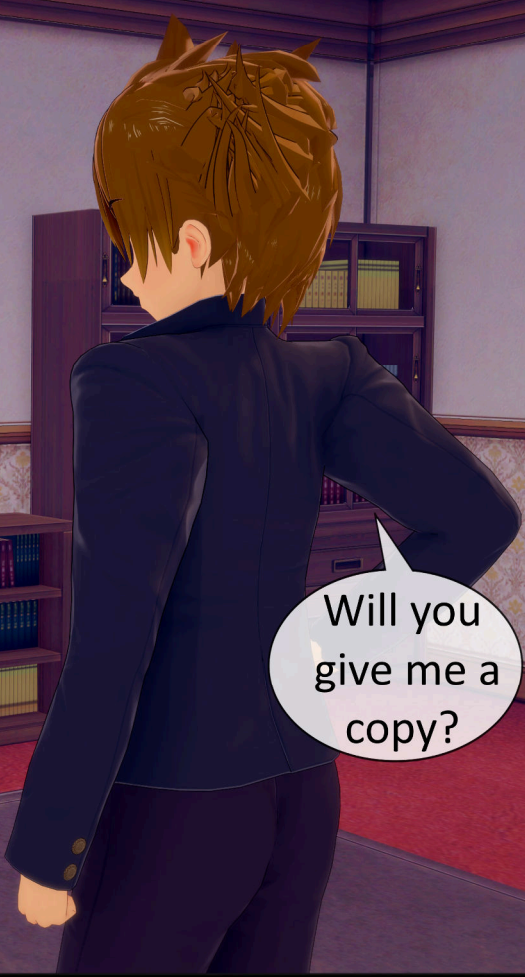

What, are you  
recording it?

I'm doing  
something right  
now.

Yes I will  
add it to my  
collection.

Sure.

*\*Shocked\**

Will you  
give me a  
copy?

Hihi.

This will be a beautiful addition to my collection.

Naomi, now that you're here, how did you finally manage to catch him?

Who are you talking about?

No, I haven't yet.

Although my people are looking for him everywhere, but it's not easy to find a rebellious angel who changes bodies like gloves.

What?

More than a year ago, one of the angels rebelled against my father and fled to earth.

Since then, both heaven and hell are looking for him.

What, why is heaven and hell looking for him, is he that important?

Has he some Sacred Gear?

No but heaven does not tolerate rebellions.

And hell doesn't want another holy war by one angel.

And what will you do to him once you catch him?

If you turn him into a girl then send me some cool pictures, okay?

Did you miss the skirt?

*\*scared\**  
Sorry.

Moments later...

It was really funny.

Patience, it will disappear in a few days.

Not for me.

Besides, my penis has not disappeared at all as you promised.

I hope so.

Meanwhile, at Fuutaro...

So this task can also be done this way.

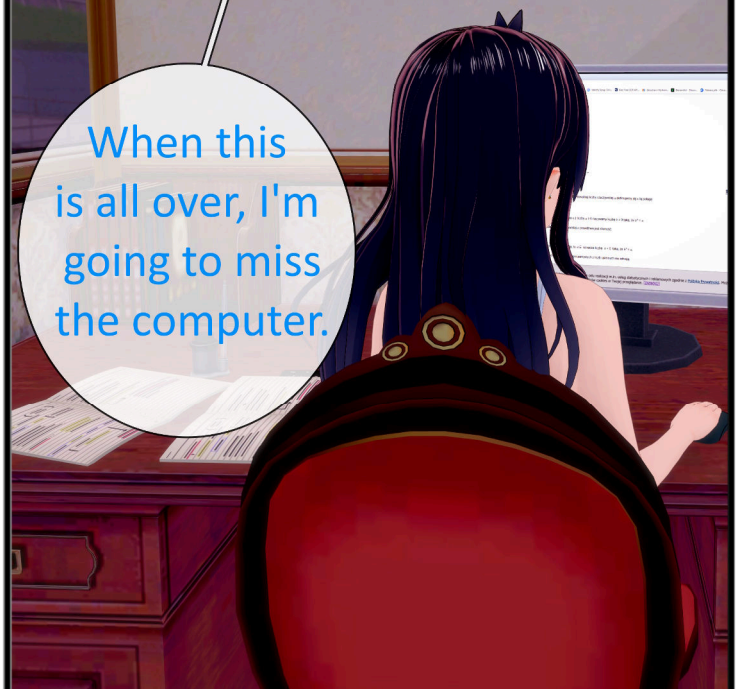

Interesting.

And this formula we haven't had yet.

I need to get better grades than Yotsuba again as soon as possible.

When this is all over, I'm going to miss the computer.

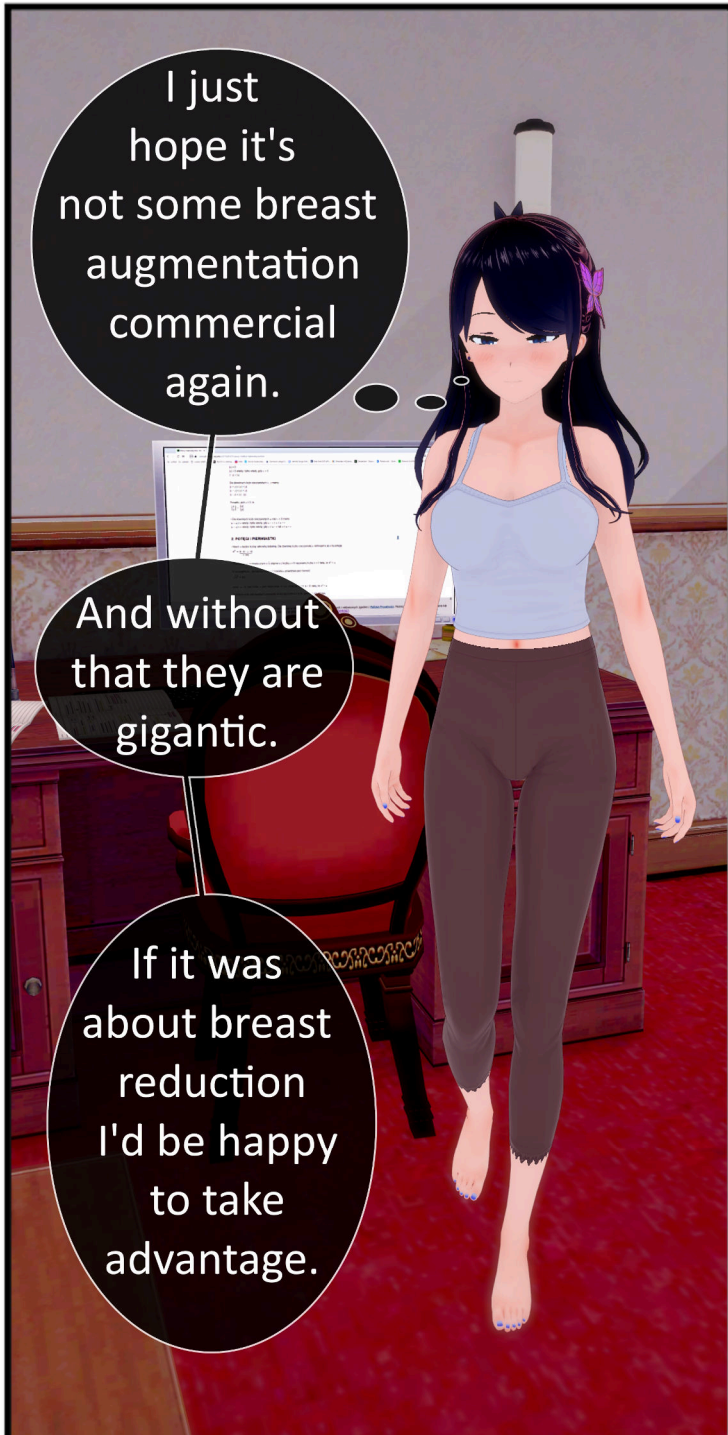

\*bell\*  
\*bell\*  
\*bell\*

What.  
Someone is calling  
me at this hour?

\*sigh\*  
I don't have time  
for such things  
now.

I just  
hope it's  
not some breast  
augmentation  
commercial  
again.

And without  
that they are  
gigantic.

If it was  
about breast  
reduction  
I'd be happy  
to take  
advantage.

Zian?

What  
happened, why  
are you calling at  
this hour?

Will you  
go on a date  
with me?

What!!!

**\*Shocked\***

Yes, I would like to practice a little for my role.

Unfortunately, I don't know anyone else who can help me.

Do you mean you and I, together?

**\*embarrassed\***

So it's just supposed to be a pretend date.

Er... Yes.

I thought you guessed it.

You couldn't have said that right away!

**\*Angry\***

So what do you say? Will you go on this pretend date with me?

You probably also need to practice for the movie.

Okay, I'll go with you on this pretend date.

And when will this date be and where?

What?!  
Do you really  
agree?

Er...

I do not  
know, maybe  
this Tuesday,  
I just happen  
to be off?

**\*Rub\***

No way, this  
Tuesday I have a  
concert.

Are you  
singing?

Are you  
kidding, my friend  
invited me to her  
concert.

How about Friday  
night then?

Great in that  
case on Friday at 7pm I  
will send you the address  
in a message.

Sure.

Ymm... Yes,  
I don't have any plans  
for Friday.

OK, but  
everyone pays for  
themselves.

Sure, see you later....

*\*disconnected\**

Okay, I have to go now I still have a lot to study today.

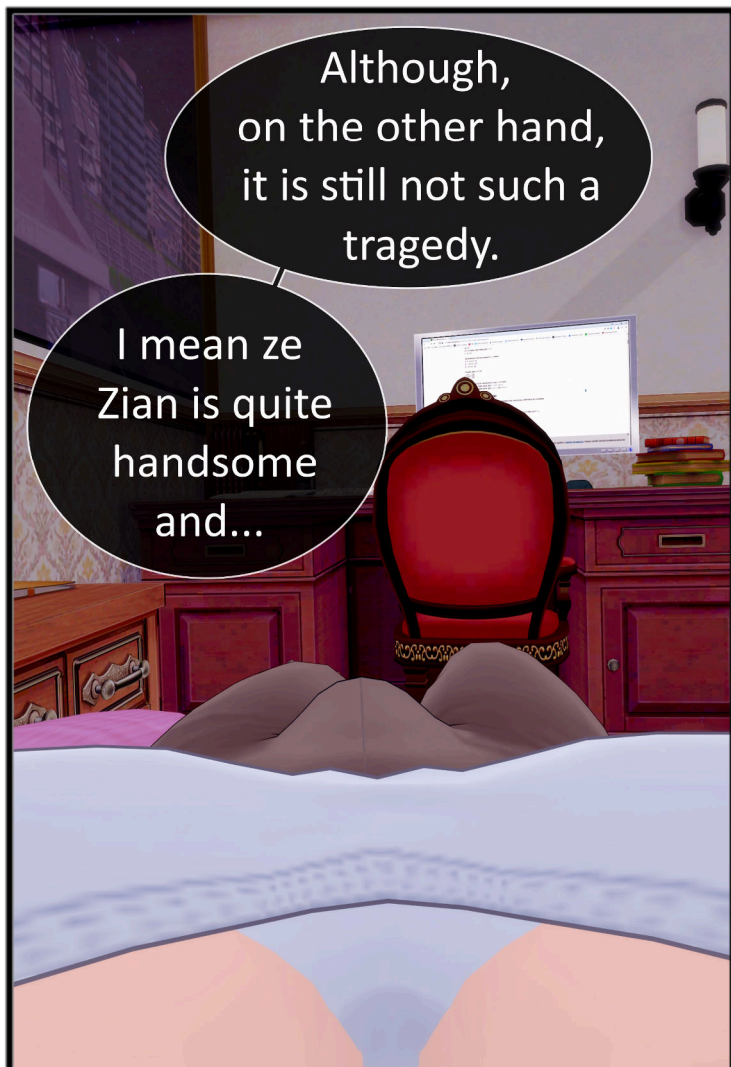

Bye.

It's unbelievable that I really agreed to this.

But unfortunately I have no choice.

He may know someone who has similar powers as Naomi.

Although, on the other hand, it is still not such a tragedy.

I mean ze Zian is quite handsome and...

?????

\*bell\*

\*bell\*

\*bell\*

Don't get up  
I'll pick it up.

Thanks.

Wait  
a minute!  
What?

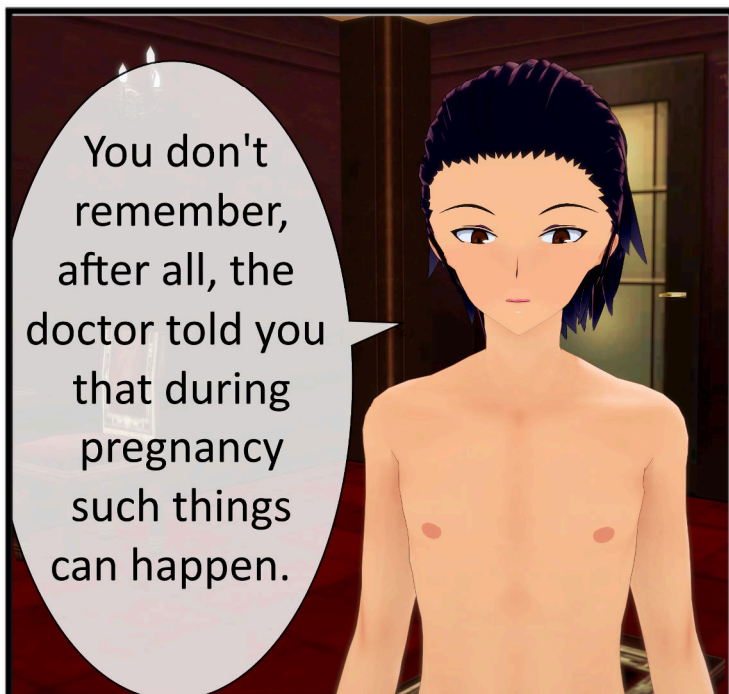

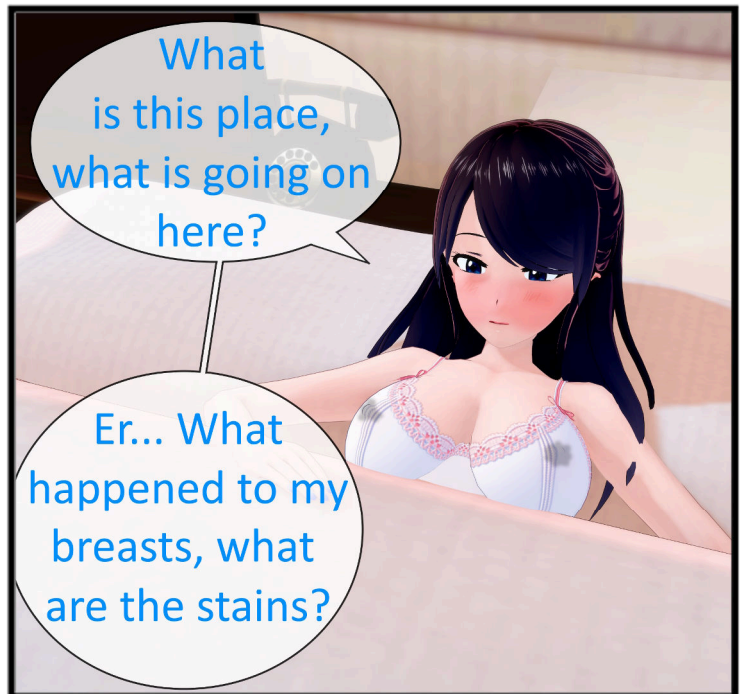

Who said  
that?

Gosh, they  
won't even  
let one day  
sleep longer.

No,  
I can't make  
it today.

Yes, I already  
have other plans,  
see you later.

What is  
Zian doing in  
my room?

Yes.

Honey are you all right?

Should I call the doctor?

*\*scared\**

No need, it's just because of the hormones.

Er... You said something about breakfast.

Yes, I'll do it right away.

And what would you like to eat?

Er... Pickles with chocolate.

All right. hehe. I'll bring it right away.

What's going on here?

Wait a minute does that mean...

*\*confused\**

Am I really pregnant?

I really am pregnant.

Unbelievable, my belly is as big as if it were at least eight months.

But that means I'm going to give birth soon.

Something kicked me.

I'm sorry, I know I promised that today we would spend the day just the two of us, but they called from the company.

They said it was something really important.

So unfortunately I have to go, sorry.

But no worries, I'll try to come back as soon as possible.

And you for this time take care of our child.

Our child?

Does this mean that Zian is the father?

**\*Shocked\***

Just please be gentle, this is my first time.

No worries. Can I?

Yes, please.

NGH!

Gosh, you're so tight.

Haa

You didn't say it is so big.

Hehe

AH

AH

In the morning...

What, how?

Where am I?

Is this my room?

I think it was just a dream.

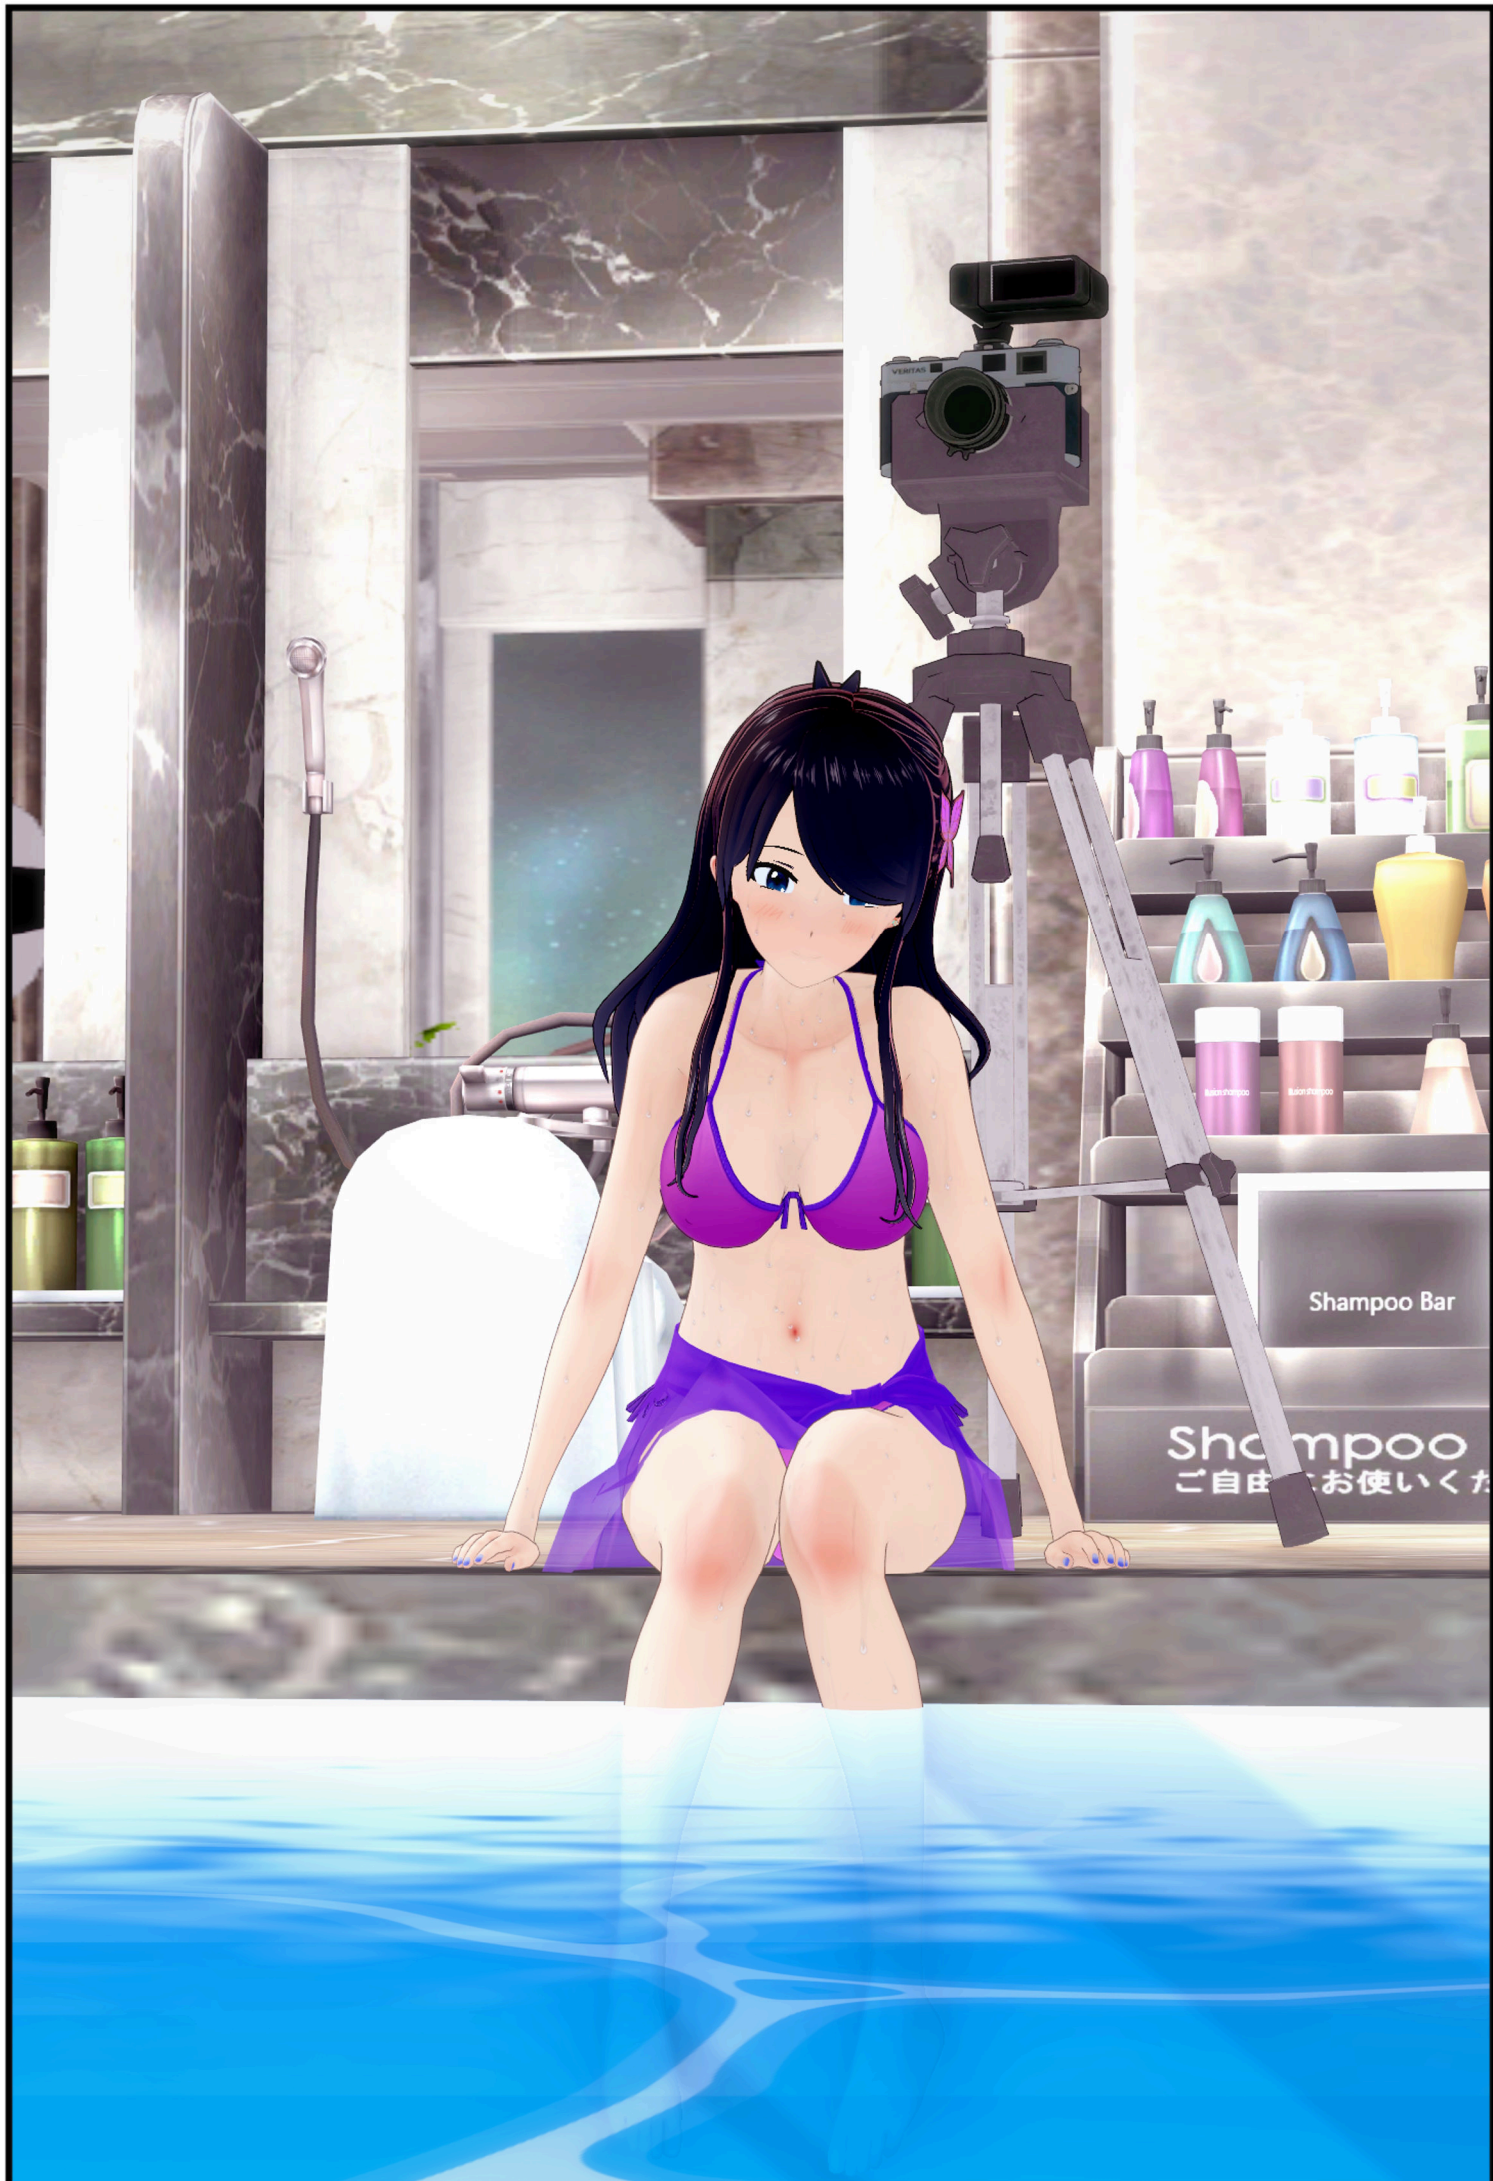

Phew.

I need to cancel this date as soon as possible.

Er... But first I think I need to change my panties.
