

### **Commission #3**

*The story should be in forced perspective: You did X*

*The story follows you and your GF, she is tall and athletic but after discovering your affiliation for large women she shows an interest in gaining weight. She starts to act playful and flirty towards you and the idea of growing big and fat. She agrees on one condition, you shrink your penis. She prefers a small dick; she wants to see your manhood shrink. If you agree, she will gain for you. You agree and the expansion begins, days and weeks go by with the continuous shrinking of your cock and the rapid growth of your once athletic girlfriend. She must go out of town for an extended business trip in the middle of nowhere. She can just about message you. Upon returning home you see she has grown massively, but she only has one thing on her mind. "Show me how tiny you are"*
