Featuring Rikku from Final Fantasy X

Alrighty, my warty
friend, you're in my way of
regrouping with Yuna and
the others.

You may look
intimidating, but in the end
you're just a toad. I'm sure
I can take you.

What's that sticky
thing in it's mouth?

A character, likely Lara Croft, is shown from the waist down in a jungle environment. She is wearing a green bikini-style outfit with black straps and black gloves. A large, realistic-looking red phallic object is protruding from the center of her shorts. She is holding a silver metal object, possibly a flashlight or a tool, in her right hand. The background consists of dense green foliage and stone ruins.

What the f-
You pervert!

Aha...that - that actually
feels kinda...

Hey hey! Stop that Mr. Warty, that tickles!

Huff
Huff
Alright, enough of that.

A blonde woman with her hair in a ponytail is lying on her back on a grassy forest floor. She is wearing a brown top, green shorts, and black arm warmers. She is looking up at a large, green, textured frog that is sitting on the ground with its mouth wide open. The frog's tongue is visible inside its mouth. The background consists of dark green foliage and ferns.

You... didn't pull me in?
You were just having a
taste?

A female character with blonde hair in a ponytail, wearing a brown tank top, green shorts, and black arm warmers, stands in a lush jungle. She is looking towards the viewer. Two speech bubbles are positioned to her right. The first bubble contains the text "Did...did you like how I tasted?". The second bubble contains the text "I gotta admit, it wasn't as... unwelcome as I thought." The background is filled with dense green foliage, including ferns and tall grasses.

Did...did you like how I
tasted?

I gotta admit, it wasn't
as... unwelcome as I
thought.

Sigh What
are you doing Rikku?
You're talking to a
freaking toad.

And why are you
contemplating what
you're thinking about
right now?

If you go
through with this, you're
never seeing your friends
again.

No more Rikku. Just a slop
in toad intestines...

A screenshot from a video game showing a woman with blonde hair in a ponytail, wearing an orange tank top, black arm warmers, and black boots, crouching in a lush jungle. She is facing a large, green, textured frog with a prominent eye. A speech bubble above her contains the text: "Ok, Mr. Warty, I have a confession to make. I've always been fascinated at the thought of being eaten by a toad."

Ok, Mr. Warty, I
have a confession to
make. I've always been
fascinated at the thought of
being eaten by a toad.

I... didn't think I was going to try this, but I'm a little horny after that tongue thing.

Yes... I might be throwing my life away, but I've been curious my whole life to know how this would feel.

It's ok, Yuna has plenty of guardians for her pilgrimage. I know she won't need me in the end.

No... no... I
can't go through
with this. I have to
warn them that Yuna
will die at the end of
her pilgrimage.

Wait, you're actually giving me an out? I thought you would slurp me down and I would have to fight.

This is so surreal... I'm so close. I can feel the gullet with my feet. You could just swallow me down now.

I feel you pulling me in, but I can still pull myself out.

I can still pull myself out,
and I can save Yunie.

If I place my hands like this, you'll suck me in, and I won't be able to turn back.

It's letting me slide in. Once it closes its lips, I can't get out anymore.

Yunie... I'm sorry.

And that silly kid Tidus. I'll miss him too.

Wakka... well, he probably won't miss me.

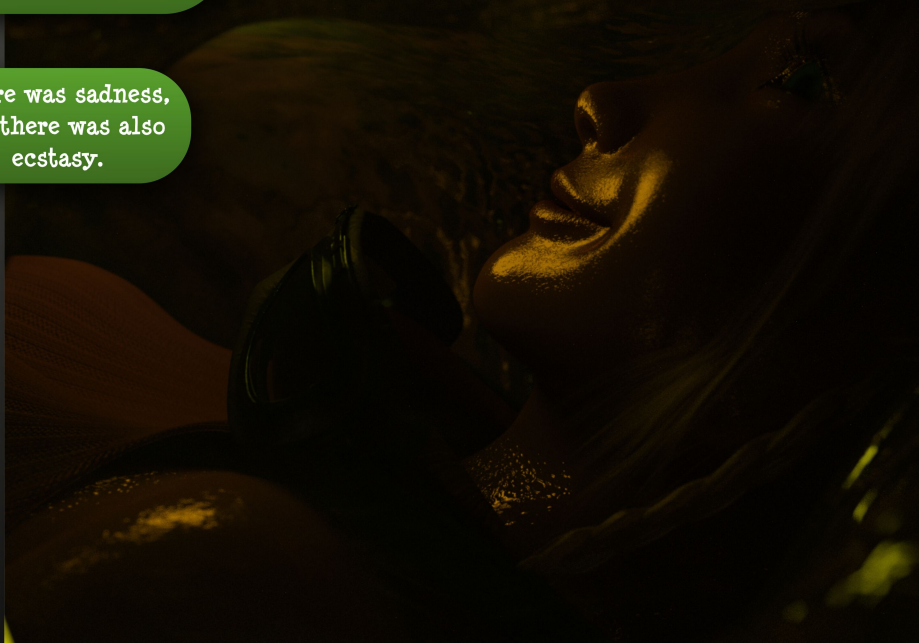

I'll miss all of you. Good
bye.

Just like that, the toad seals its lips, thus also sealing the young Al Bhed girl's fate.

Rikku felt the toad's
saliva coat her body. She
thought of her friends
one last time.

There was sadness,
but there was also
ecstasy.

Rikku could feel her legs in the toad's gullet, and she anticipated the climactic plunge to come.

A large, green, textured toad is shown in a forest setting. The toad is facing left, with its head slightly tilted upwards. Its skin is highly detailed with various textures, including bumpy areas on its back and smoother areas on its face. The background is a dense forest with green foliage and trees. The lighting is soft, highlighting the toad's features.

In the silence
of the moment, the
natural sounds of the
forest were all that
could be heard as the
toad held the girl in
its gullet.

For a moment it
almost seemed like it
wasn't going to
swallow her.

Rikku smiles one
last time.

She cums freely
as she felt the
muscles constrict
around her, sending
her to her fate.

A large, green, textured toad is shown in a forest setting. The toad is facing left, with its mouth slightly open. The background is a dense forest with various green plants and trees. The lighting is somewhat dim, suggesting a shaded forest floor.

GULP!

Rikku was then
swallowed by the
toad. The forest was
silent.

A large, detailed green frog is the central focus of the image. It is shown in profile, facing left, with its large, prominent eye looking forward. The frog's skin is textured with various bumps and ridges, particularly on its back and legs. The background is a lush, dark forest with dense foliage and trees, creating a sense of a deep, natural habitat. The lighting is soft, highlighting the frog's features against the darker background.

The sounds of the forest resumed. The Al Bhed girl was no more.

Rikku has been permanently removed from the party.
