-lick-

Yesss. I ssshould come to the beach more if there are treatsss like you around.

Just one little fish girl won't do. Maybe I'll find a school of mer-people. \*giggle\*

\*push\*  
\*grunt\*  
Darn land-dwellers!

\*hiccupps\*  
Excuse me ...I guess I don't have to say that since no one heard.

MUCH LATER AND NEARBY

Hello, from up there butterscotch "CHIP".

\*squirm\*  
Trust me, I don't taste like butterscotch, Love. Can't we do something else?

Nope!  
In you go!

-drop-

Oh, crap!

\*gulp\*

Hey!  
No eating us like we're food!

\*kiss\*

\*GULP\*

Well, gotta admit; this is kinda hot besides the whole "being eaten" part.

Nyah- quite a buff lil squeak he was.

Mmph!

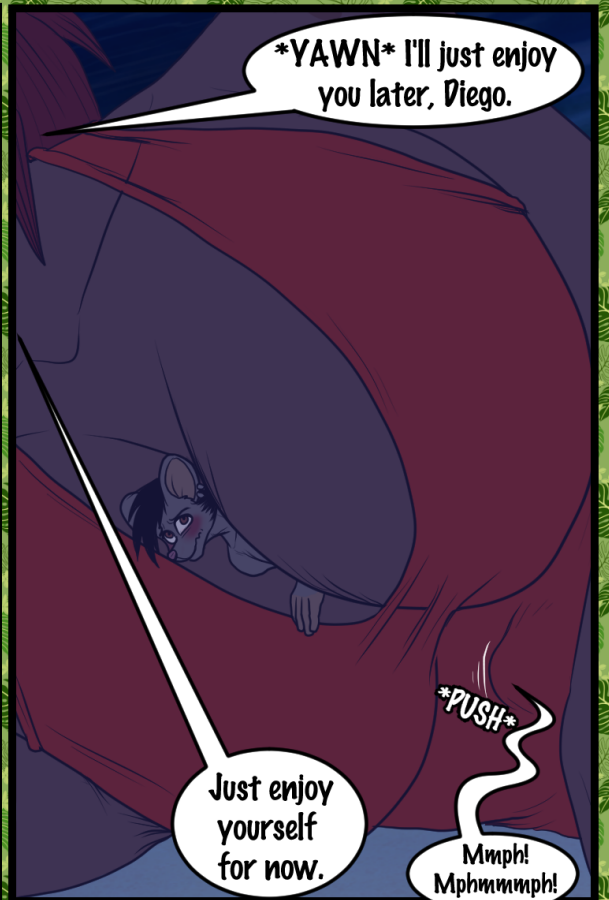

-GLURK-

The ocean breeze feels nice and cool at night. Maybe a lil relaxation on the beach would be a nice way to end this day.

\*wave\*  
\*wave\*

Hey! You're smothering me!

\*YAWN\* I'll just enjoy you later, Diego.

Just enjoy yourself for now.

\*PUSH\*

Mmph!
