

Well I just heard the news today  
You can show your love in a special way  
Take your arms, open them up wide  
Grab a friend, there's a hug inside!

With arms wide open  
With arms wide open  
I'm hoping that you'll see  
I'm not the broken man I used to  
Be..... i'm happy

Well I don't know if I'm ready  
To be the man I have to be  
A hug makes me feel so happy  
That you're my baby and I'm your daddy

With arms wide open  
With arms wide open  
Got rid of my aggression  
Just like fighting Three Eleven  
Hug - ging.....is heaven

At the top of my wish list, number one  
Is lots of hugs from you my son  
And my wish for you is to know what fun  
It is show your friends how much you love them

With arms wide open  
With arms wide open  
What I did with Kid Rock  
Should simply be forgot  
Open your arms and hug a LOT

With Arms wide open  
Hug a lot  
With Arms wide open  
Hug a lot  
With Arms Wide Open  
Oh I'm hoping  
I am not a man still broken
