

This way I can save
dad!

Using the APP new function, I can switch dad's body with the high school girl's.

After body switching, dad won't have to lie on the bed. I do feel sorry for the high school girl...

S...sorry. Sorry to disturb you. I'm leaving now.

It's too late to leave. Accept your fate!

Why am I so dizzy?
What happened?

Woohoh!

Woo... What happened?

How can I move my body again? I recall that I lay on the bed and can't move.

My consciousness is vague. There was a young girl riding me in my memory.

It's like a long and strange dream.

Huh? Something's wrong.

What happened to my body?!

It's a female body?!

Is me lying on the bed?

Did my soul enter another person's body?

How could this happen? Whose soul is in my body?

Should I use the new body to carry on living? But doing this means saying goodbye to my original life...

Is this God's will?

Even though my original body is failing, I still feel very sad.

Are you ok, my son?
I can't figure out why
this happened to you?

No matter what, I will
always believe that
you're innocent.

However, dad I can't
take care of you
anymore. You have
to keep on going!

Although this new body is a high school girl, at least it can freely move. I believe there will be a chance for me to meet my son in the future!

However I don't have this kid's memory. Me, an old man stuck in a teenager girl's body. What should I do?

It seems working.
Don't worry about
me, dad.

Just enjoy your
new life! I will
secretly assist you!

Dad looks so confused. I need to find a way to make him familiar with his new body.

The hospital has many “materials” for me. What a wonderful location!

Maybe I should observe the situation first?

Please pay more attention to your body. The overweight problem can easily lead to high blood cholesterol, hypertension and high blood sugar.

Oh, I see. Thank you for your concern and reminder.

...I will try to eat less and lose some weight.

Keep on the work!
We will take care
of you in the
future check-ups.

Wow. The nurse is
so gentle. I wish
all nurses were
just like you! That
would be nice!

It's my job. I
believe that other
coworkers are as
caring as I'm.

I need to go and care for other patients. Please remember to come back every 2 months!

The female nurse is so lovely! It's so sad that she's way out of my league.

That's nice! I can use their relationship.

Using them to help dad...

A man with a large build is sitting in a black hospital chair with chrome armrests. He is wearing a white hospital gown with a blue geometric pattern and a white hairnet. He is looking upwards and to the right with a slightly nervous or hopeful expression. To his right, a nurse in a white uniform is walking past, her back to the camera. The setting appears to be a hospital room or a waiting area with a white wall and a patterned rug.

This fatty must be a nerd. I can sense the familiar loser smell.

Deep in this mind, he must be dissatisfied with his life. Given a chance, he would love to change his life.

I can tell from his eyes that he has a crush on the nurse.

The nurse has outstanding look and capabilities in the hospital. People around her trust her.

She's suited for my plan.

Hold on, dad. I will
take care of you.

Sorry to interrupt.

Is here the ward
of Mr. Shen?

I'm the nurse who is responsible for the ward. I'm here for the routine check.

Lady, are you a relative of this man?

Ah. No, I...

Don't be nervous,
young lady.

Hold on

You don't look well. Are you sick?

How do I check you up?

Take off

? !

Hey. We're both women. Don't be shy.

Why does the nurse want to take off my clothes? It's so odd.

Don't worry. It will be over soon. I will make sure you have a pleasant check-up!

First, let's check your breasts. Your breasts are so elastic!

It's so wonderful to feel up.

The young nurse is so strange. She touches my boobs like a pervert. In my sixty plus life, I never encounter this kind of nurse.

This's the first time for me to rub a high school girl's boobs. She makes me so horny!

? !

Hehehe. This is so nice. All this thanks to the stranger.

When I met her earlier, I thought she's a fraud.

Wow. This chick is so hot! Her clothes are so sexy.

A woman with long, flowing black hair and a serene expression stands in a hospital room. She is wearing a light-colored, ribbed, sleeveless crop top and a high-waisted, black, form-fitting skirt with a side slit. Her hands are on her hips. In the background, a hospital bed with a white and blue patterned sheet is visible, along with a bright overhead light fixture. Three speech bubbles are overlaid on the image, containing text.

Hey, do you have a minute? I would like to share something good with you.

Oh my god. She is talking to me. I have never chatted with a pretty girl in my life!

You aren't satisfied with your own life. Do you want to change your life?

Hey fatty, check out your huge body! If you don't do something, you will be hospitalized someday!

Hey! My body is none of your business.

I'm proud of my fat body. Mind your own business! What do you want?

Hey fatty, don't be upset!

I used to bury my head in the sand and lack confidence.

Come, I will show you something.

The man in the deep blue shirt is the old me. So much difference, right?

I was a NEAT. However, the new me got rid of the old life!

Holyshit! That's a totally different person. How did you do that?

If I was as attractive as you, could I be popular?

Of course. All you have to do are some simple favors!

Ok. You can count me in! As long as I can change my life,

I will try anything!

Follow me!

A woman in a white nurse's uniform stands in a hospital hallway, viewed from the back. She has her hair in a bun with a white headband. The hallway has white walls and a tiled floor. A speech bubble is positioned above her head.

What a busy morning.

The only break is using the bathroom. It's so hard to be a nurse working in a major hospital.

Huh? This is weird
that the restroom
is empty.

What the...

Shut up and don't
make a sound.

Woo! Woo! Woo!

A woman in a white, short-sleeved, button-up dress stands in a bathroom stall, looking slightly distressed with her hand to her mouth. She is being embraced from behind by a woman in a black, form-fitting dress. The woman in black has her arms around the woman in white. The background shows a tiled wall and a sink. A dark blue oval contains the text "Don't you feel tired?".

Don't you feel tired?

A woman in a white, short-sleeved, button-up dress stands in a bathroom stall, looking slightly distressed with her hand to her mouth. She is being embraced from behind by a woman in a black, form-fitting dress. The woman in black has her arms around the woman in white. The background shows a tiled wall and a sink. A dark blue oval contains the text "Later, you can rest in the bathroom stall. How great is that?".

Later, you can rest in the bathroom stall. How great is that?

Weep...

Weep...

Fatty, she is the nurse you mentioned.

Yes...

However, why do you take off her clothes and tie her up? We broke the law.

A woman with long, straight black hair is taking a selfie with a black smartphone. She is wearing a light-colored, ribbed crop top and a black skirt. In the background, there is a clothing store with a mannequin wearing a white, puffy top and a white skirt with blue polka dots. The scene is lit with soft, indoor lighting.

You will see!

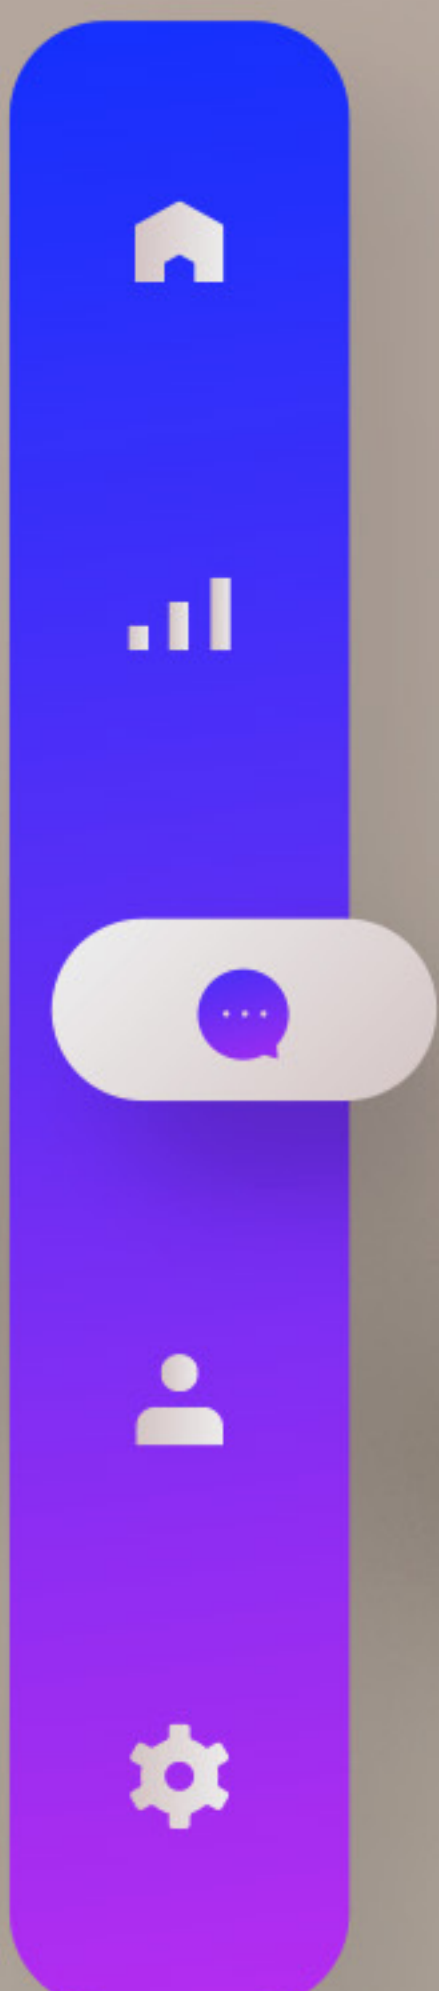

Say "cheese"!

ID : User9527

Ok. I just created your account!

The face swapping APP allows you to change your look at will!

I will upload the nurse photo to your profile.

Huh? What are you doing?

A man wearing a white lab coat and a white hairnet is shown from the chest up. He has a distressed expression, with his mouth open as if shouting or crying, and his right hand is raised to his face. The background is a blurred white wall with a grid pattern.

Arghhh!

What happened?

My god. The face
swapping APP

A woman with a surprised expression is dressed as a nurse. She wears a white bouffant cap, a white hospital gown with a black diamond pattern, and black slide sandals. Her hands are raised in a gesture of surprise. The background is a tiled room with a white pillar.

It worked!

I morphed into
the nurse!

A woman with long, wavy black hair and a beige ribbed crop top is looking towards a person in a white hoodie. The person in the hoodie is partially visible on the right side of the frame, wearing a white hoodie with a black graphic. The woman has a necklace with a crescent moon and a star pendant. She has dark nail polish on her fingers. The background is a plain, light-colored wall.

Hurry up, put on her clothes! After you wear her clothes, no one would suspect that you're a fake.

This is so amazing!

It's impossible.
How on earth is it
possible!

The obese man
changed into me!

He he. After I put on her clothes, I'm her exact copy.

This is so awesome!
I can finally get rid
of my loser life!
