CHAPTER TWENTY THREE
You Make My Dreams

*hey i havent heard from you
in awhile so im coming over*

is it still dangerous?

are you in danger?

Ah, I scored!
...Finally.

Did your phone
distract you?

You can respond,
but I'm not waiting.

...I told you your life
was on the line, right?

Y-yes, I
suppose it did.

...Permit me one
second to respond.

BZZZ

BZZZ

Yes.

...Yes to both? Damn.

Phew... That was
the final goal I had
to score, right?

Wow, you win again...
Is that thirty in row?
I'm getting pretty mad
about it, hehe...

Yes, well, perhaps I
have been fortunate in
the selected games.

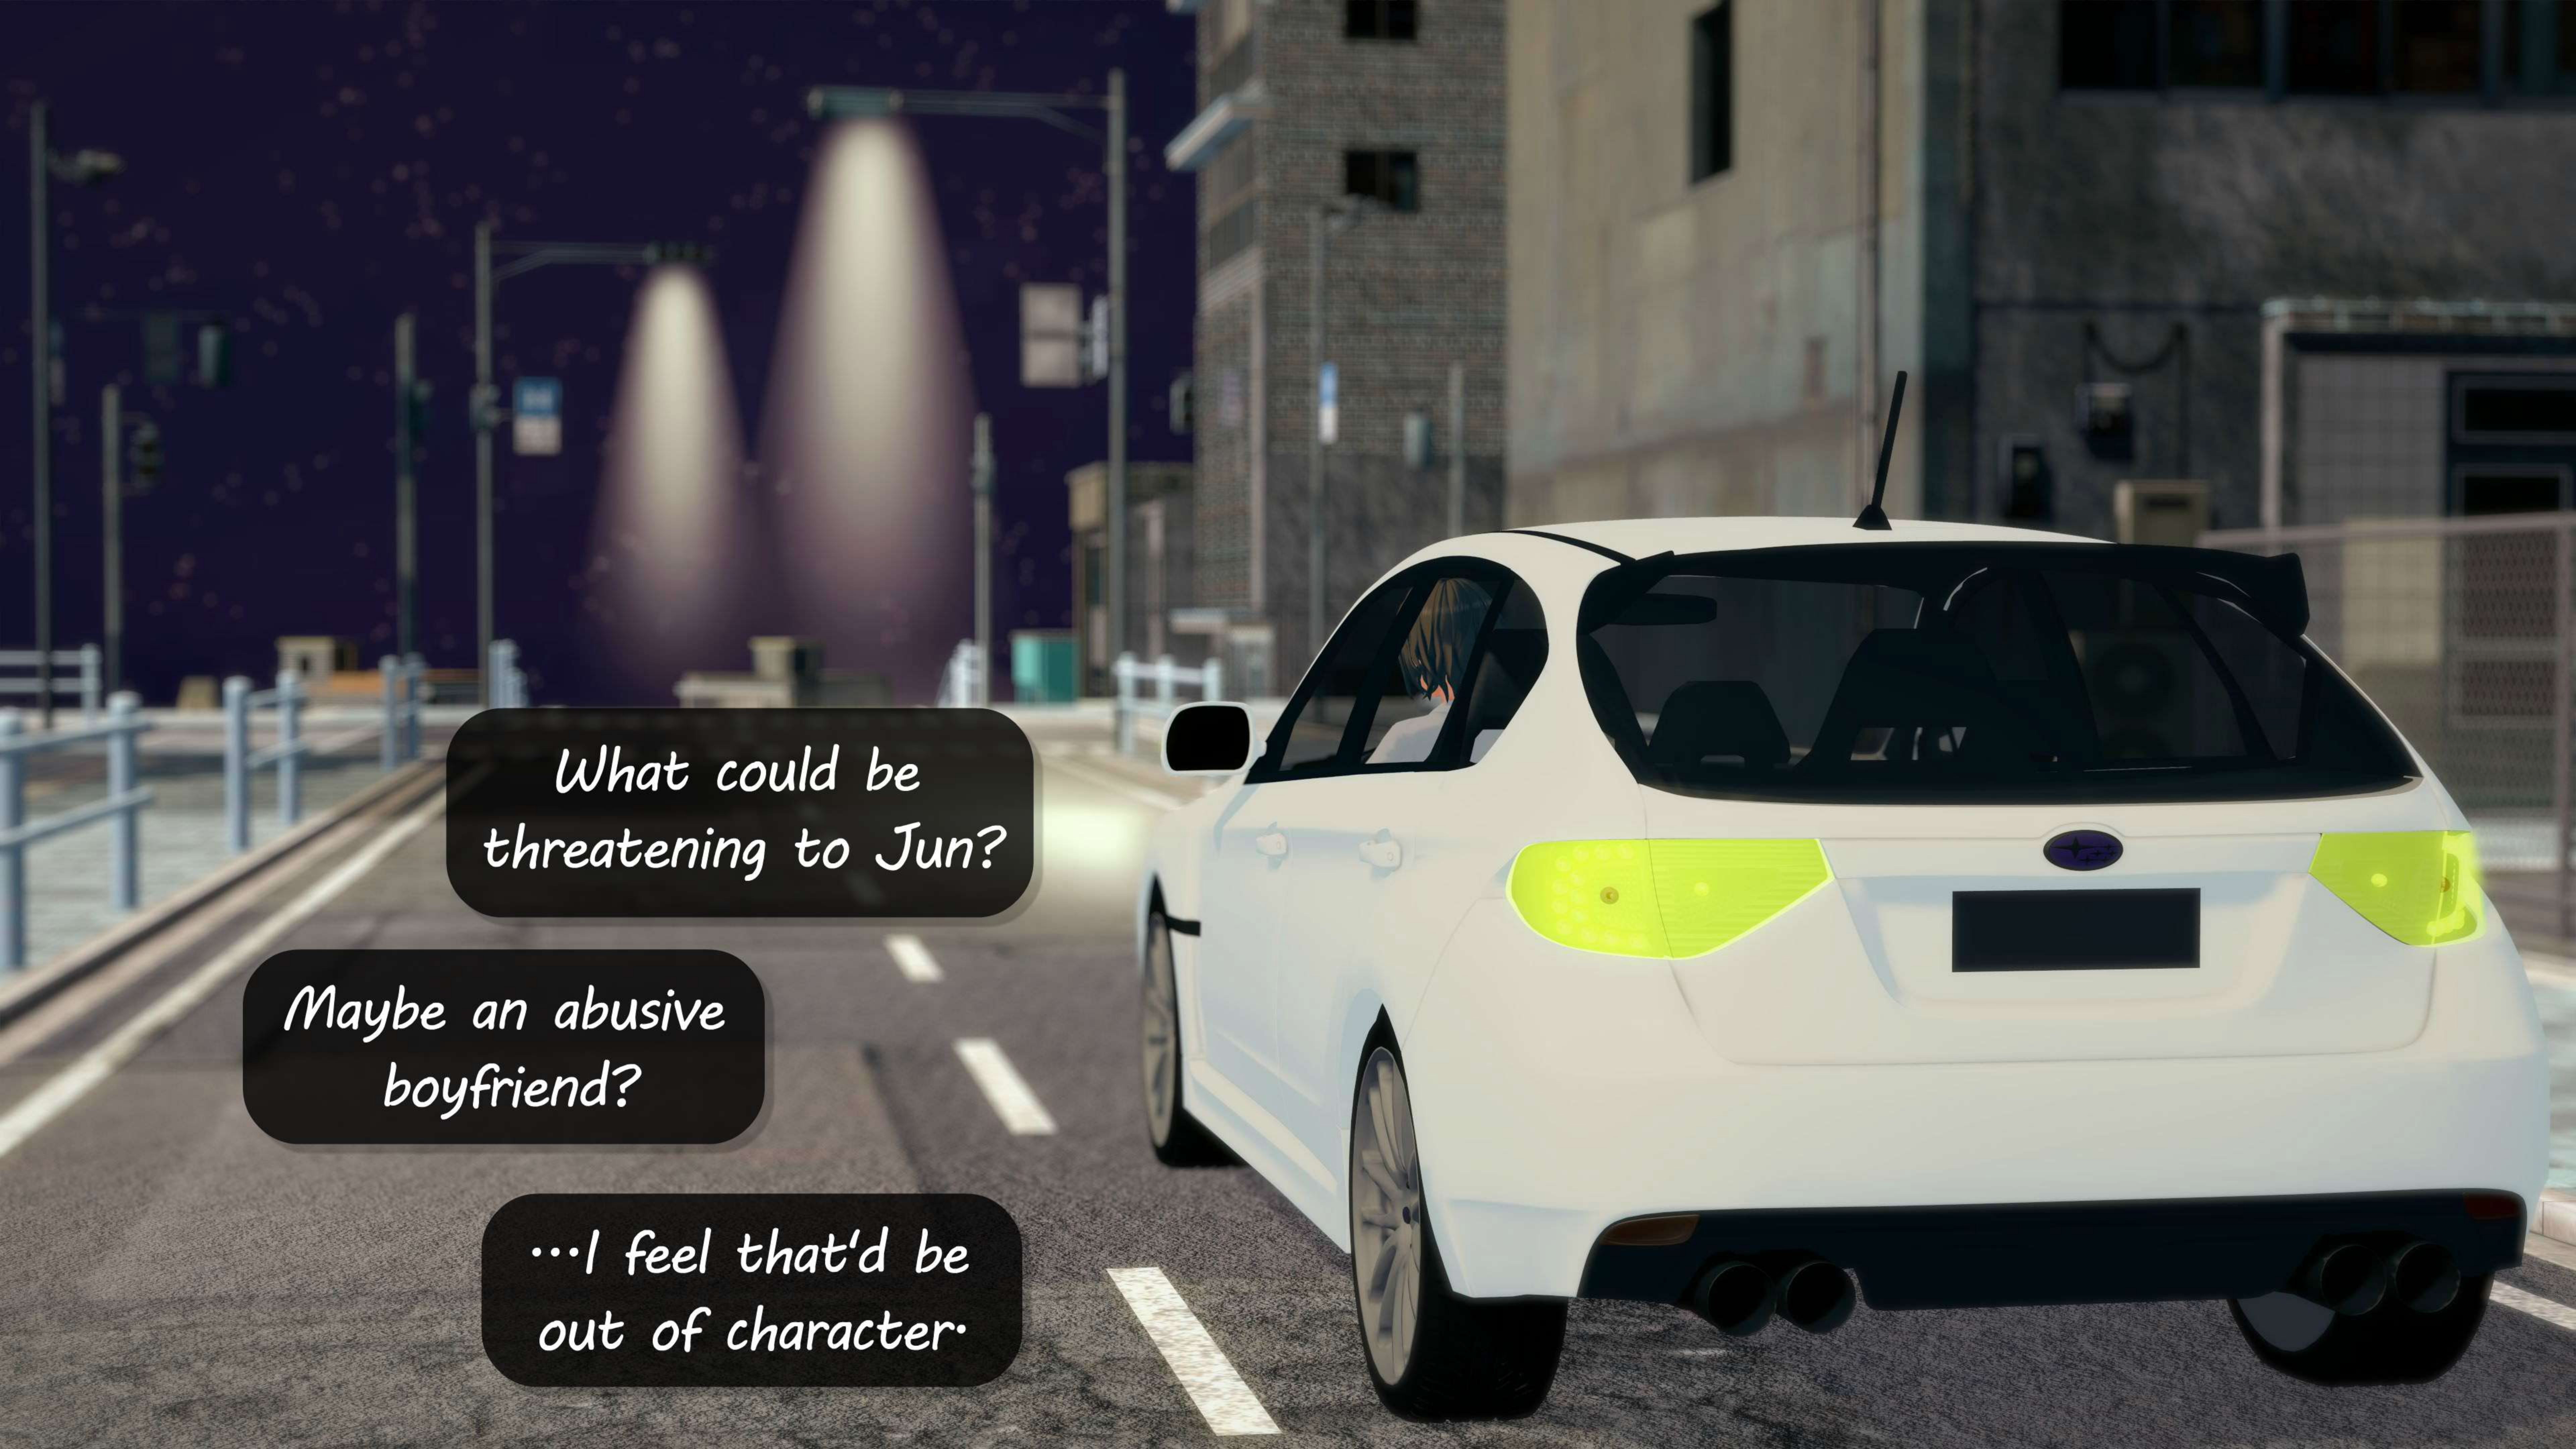

Oh yeah... Then we should play something I'm actually good at next.

...Have you heard of Magic: The Gathering?

N-no... Please, we have been at this all day. I need to rest.

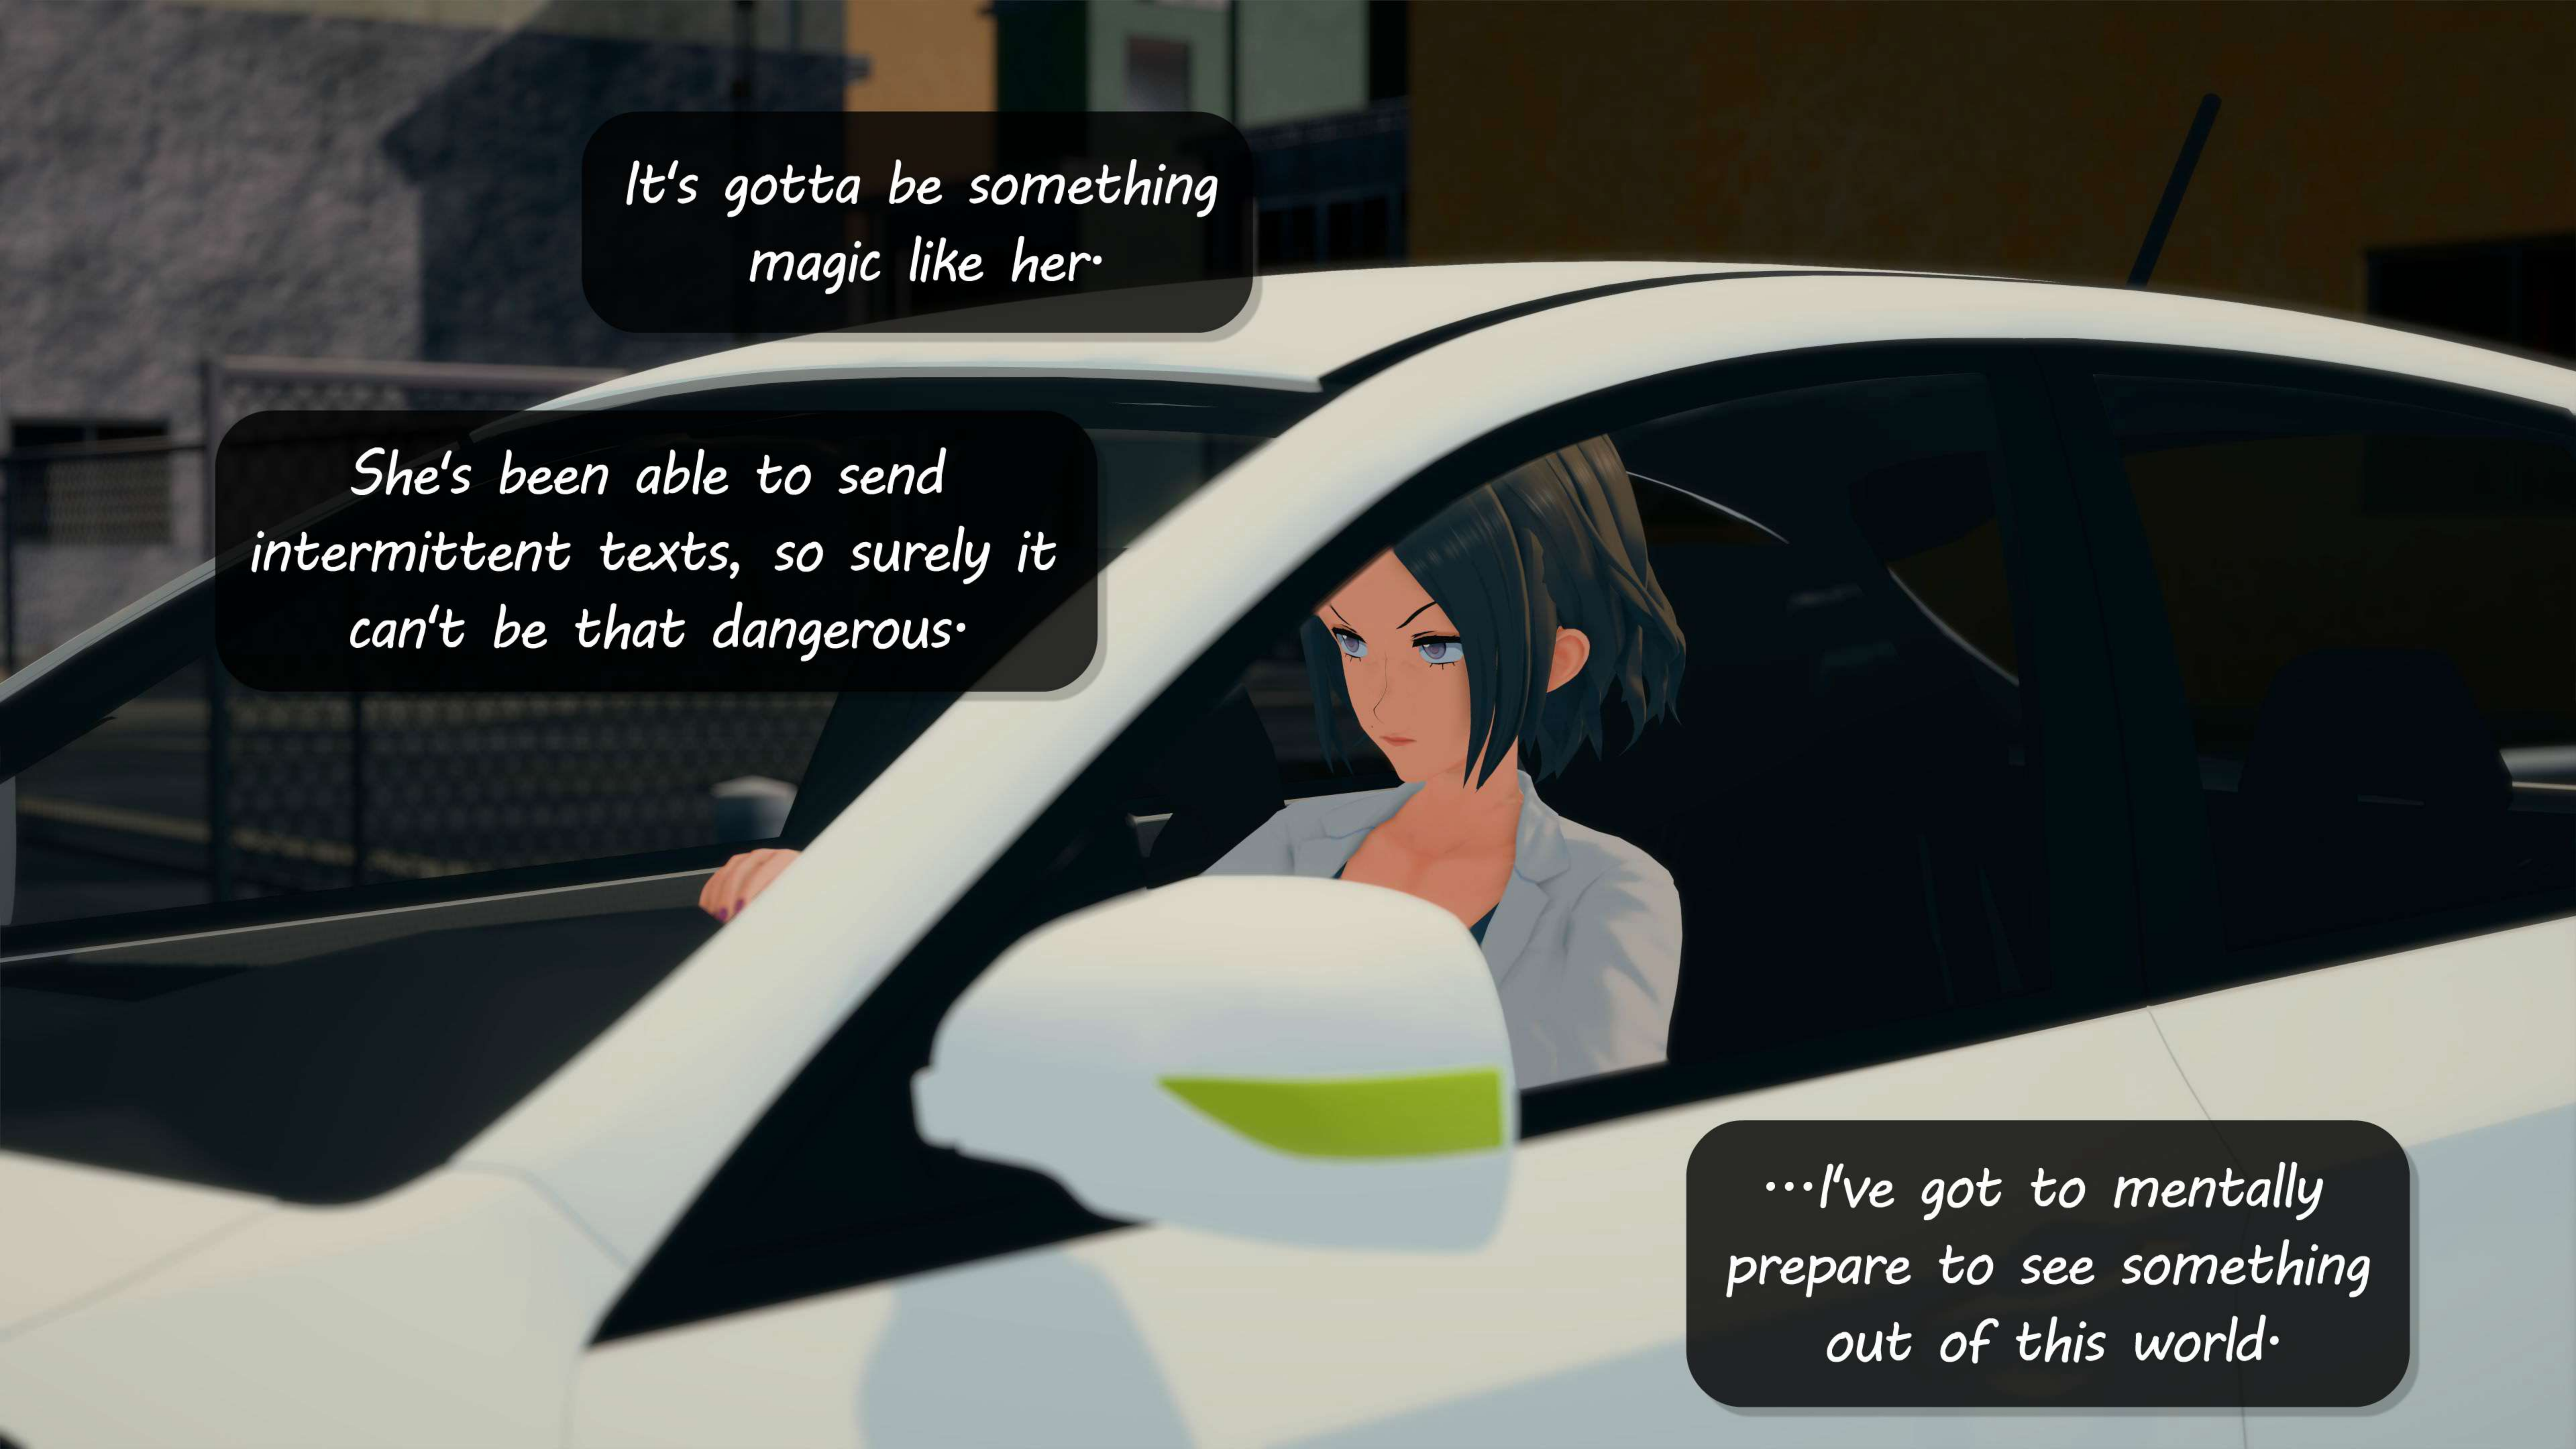

Yeah, well, if you didn't insist we stay here all day, I wouldn't be so bored...

A white car is shown from a rear three-quarter view on a city street at night. The car's taillights are glowing with a bright yellow light. The car is parked on a road with white dashed lines. In the background, there are buildings and streetlights. Two streetlights are visible, casting a soft glow on the road. The overall scene is dark, with the car and streetlights providing the main sources of illumination.

What could be threatening to Jun?

Maybe an abusive boyfriend?

...I feel that'd be out of character.

*It's gotta be something
magic like her.*

*She's been able to send
intermittent texts, so surely it
can't be that dangerous.*

*...I've got to mentally
prepare to see something
out of this world.*

'Kay, so if you lose this practice round I'll turn you into an ant, hehe...

KONG KONG

Oh dear...

Uh oh. You'd be in trouble if someone saw you lived like this, right?

...Want me to make them disappear?

Jun? Missed you at work today. You feeling any better?

N-no! It is just Miss Andrea. She already knows about me.

KONG KONG KONG

...I will tell her
I am busy.

Yeah, actually, invite her
in. I think I wanna meet
your friend... Probably.

Y-yes, but...

Ah! No buts! You
already said yes...

Jun? Yikes, you look... Oh!

Hello Miss Andrea, many thorned rose...

This is my mischevious friend Casper. She is a powerful freed djinn.

Come on in. We're playing high-stakes Magic.

...Wait, 'Magic', like the card game?

I used to play that at university... What are the stakes?

...Oh, you want in? Uh, we'll say if you lose then I'll send you to the shadow realm!

Ha ha. Got a spare deck?

...Haha?

Uhhmmm, do you want 'blue black', 'red black', or 'green white?'

Actually, I want 'red black,' so...

Blue black control, right? Gimme that.

...FIVE MINUTES LATER

Haha, so, I guess I
attack with everything
and win...

Shit. I didn't think
the disparity in speed
would be this big.

Kay, so you've got
to go to the shadow
realm now.

...Huuuhgh?

Ah! The last of
my life points!

I can feel the
shadow realm taking
me, oh noooo!

*M-miss
Andrea, no!*

*This is all my
fault, isn't it!?*

Alright, hand over
that other deck.

This match-up's
unworkable.

...Huh?

Okay, but if you lose this
time I'm gonna, hehe, tear
out your eyes?

...MEANWHILE IN DREAMLAND...

Hurrrmm. These deadlines are really stressing me out.

...Huh?

Sorry, can I help you?

It it possible for us to help each other, yes.

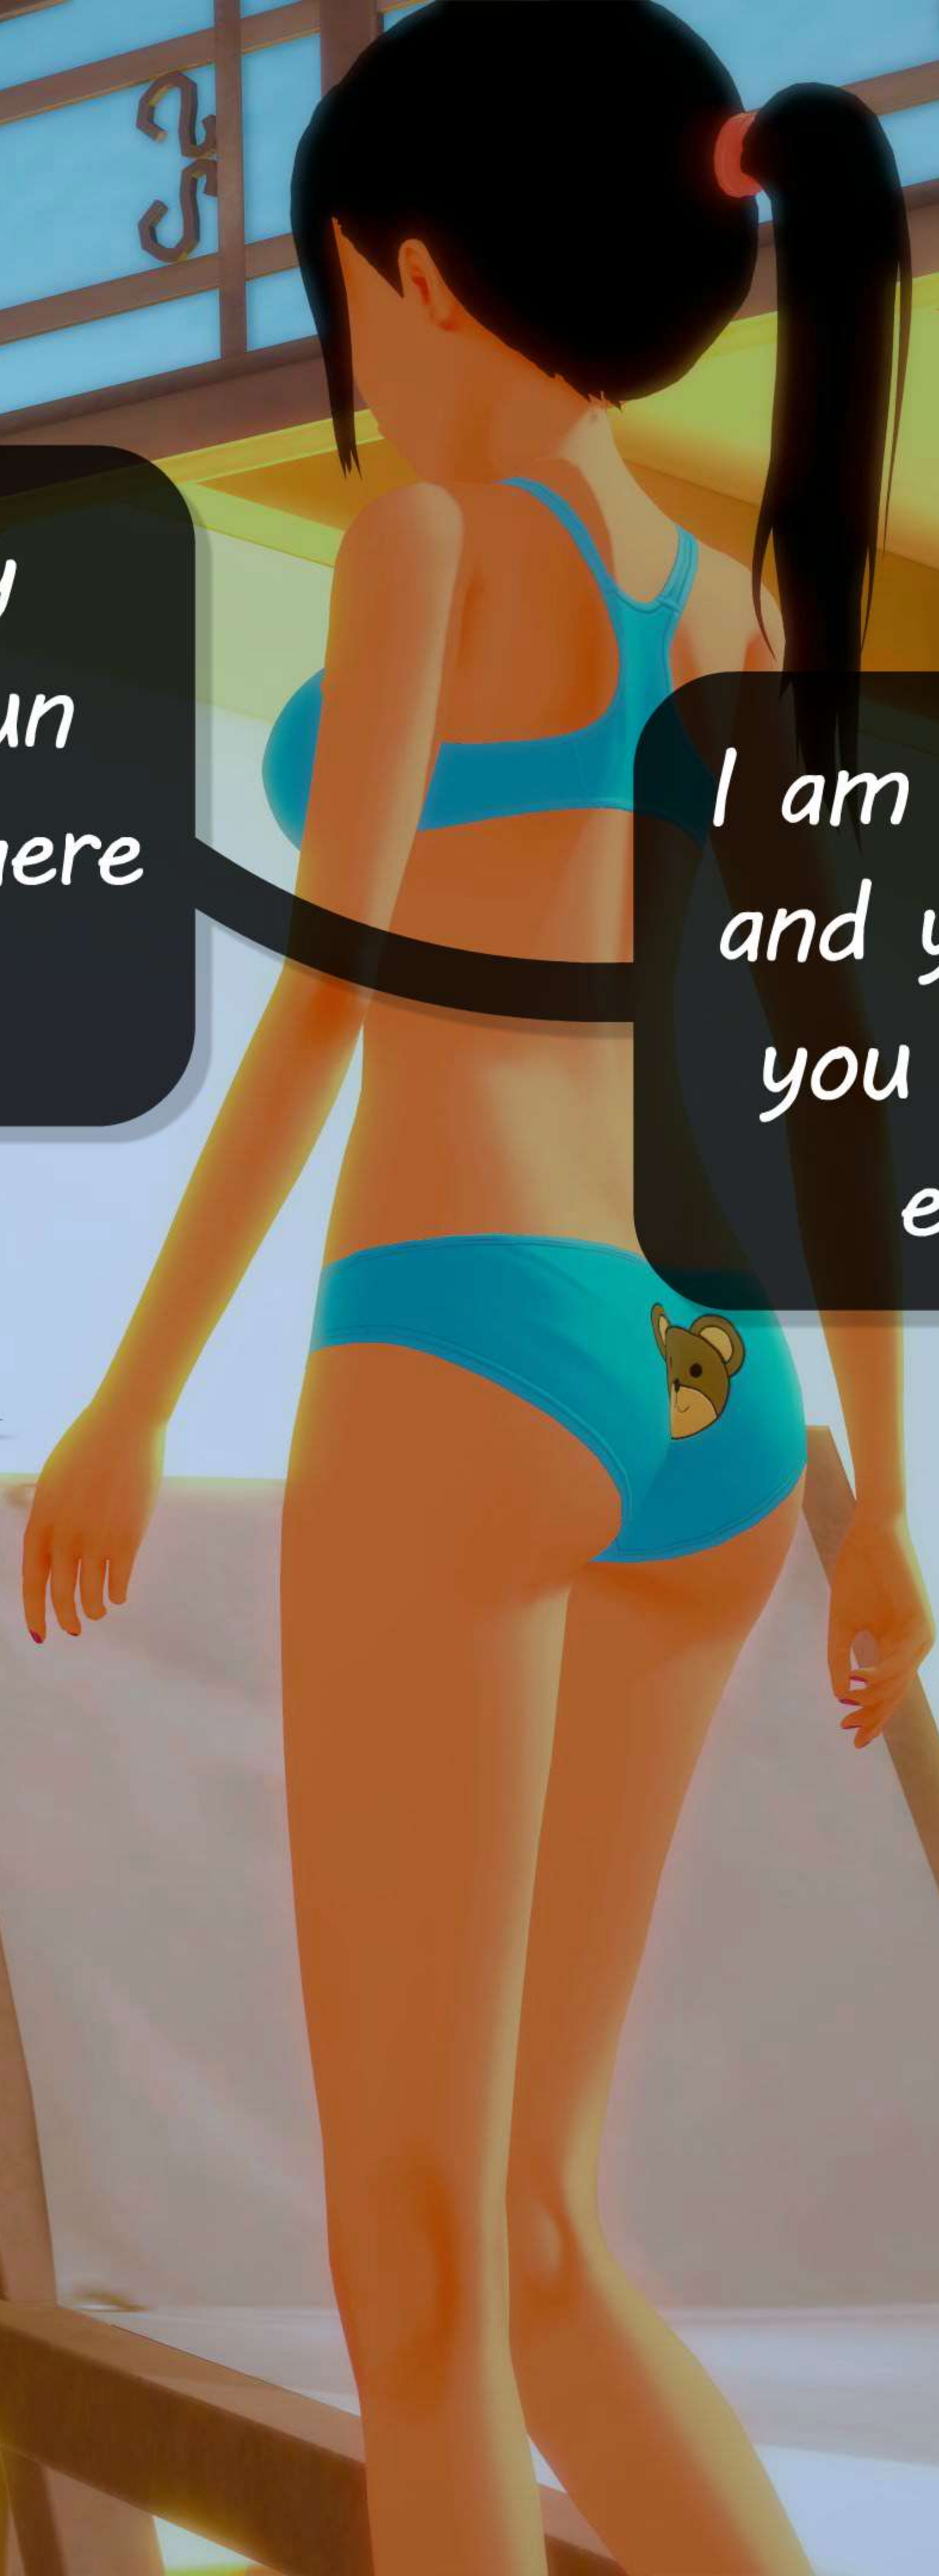

Who are you?

I am the spirit of magic which resides in your undies and now lingers upon you.

...I see.

Wasn't your name "June" or something?

It is not. I only resemble Wei Jun because she is where I originated.

I am linked to her and you, and thus you are linked to each other.

Okay, but I'm kind of busy right now. Can you come back later?

A woman with orange skin is shown from the back, wearing blue underwear with a brown bear face on the back. She is standing next to a white bathtub. A man with black hair is sitting in the bathtub, looking at the woman. The background is a white brick wall.

*Ah, but would you
not rather I resolve
your stress with a
pleasant bath?*

Huh? Oh...

*I guess taking a
short break would
be fine.*

A short break? Perhaps.

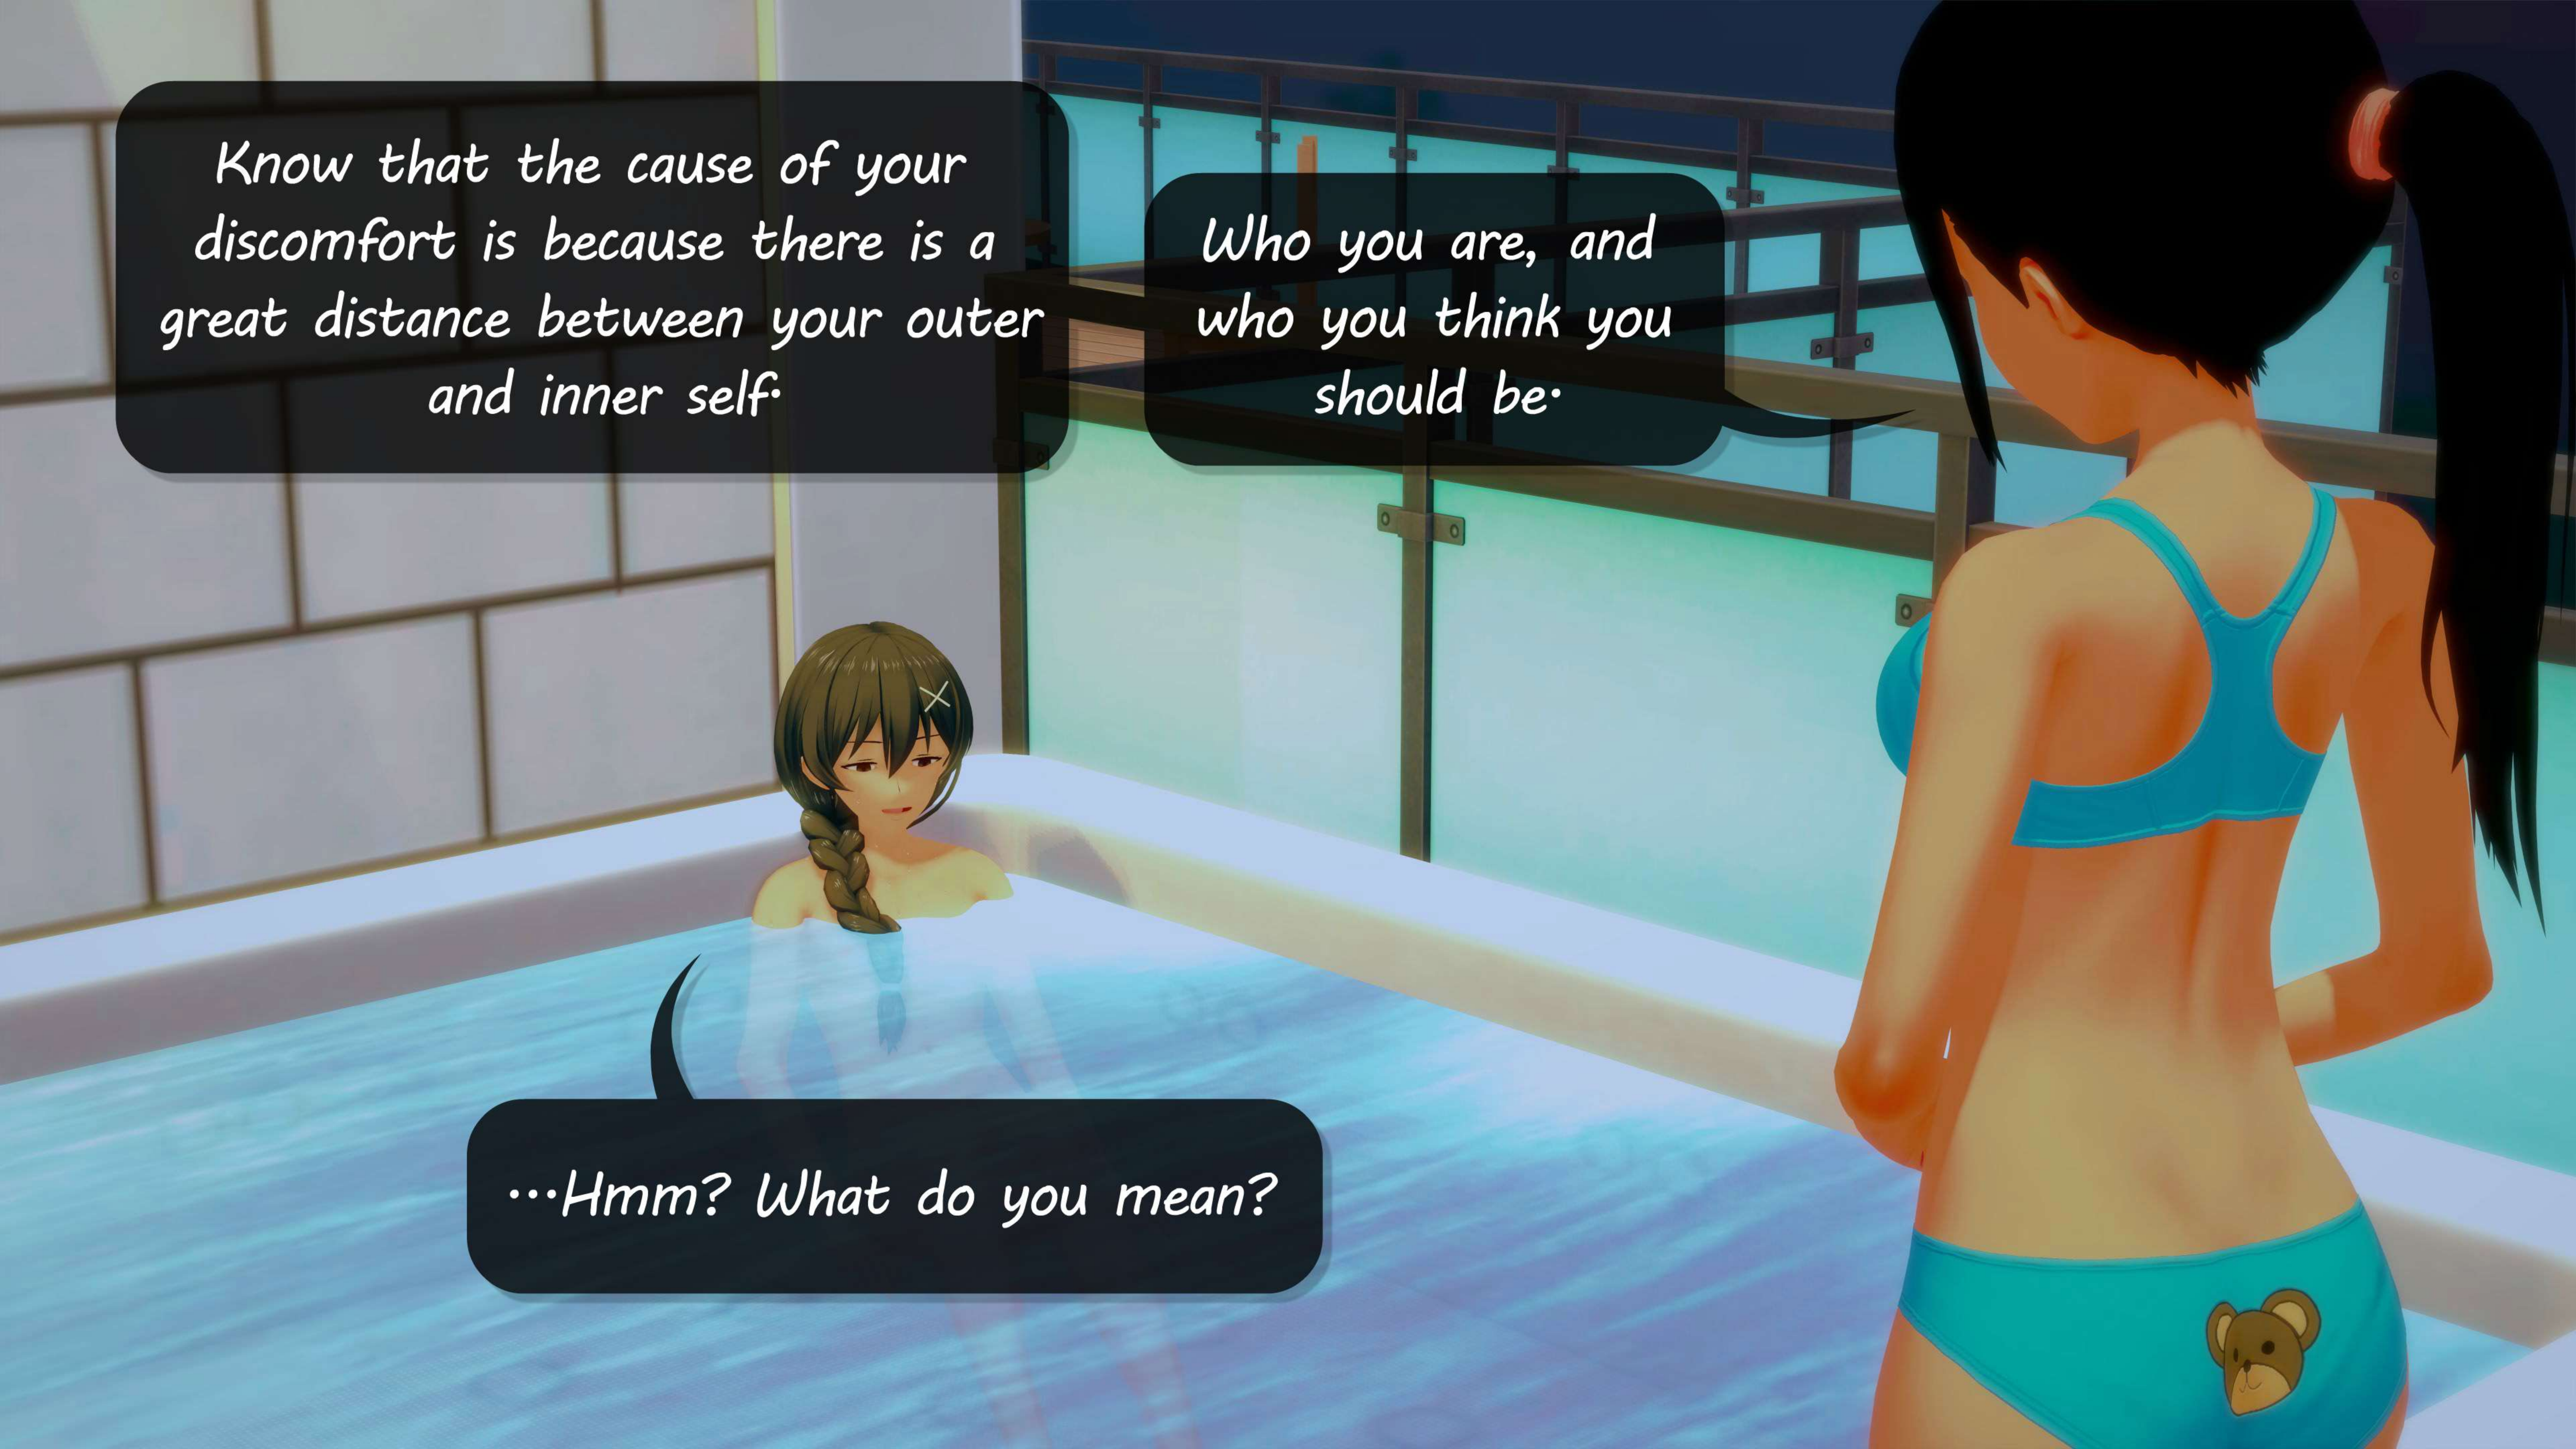

But the longer you stay in the water, the more the source of your stress will be addressed, the more the problems of your body will be remedied, and the more relaxed you will become.

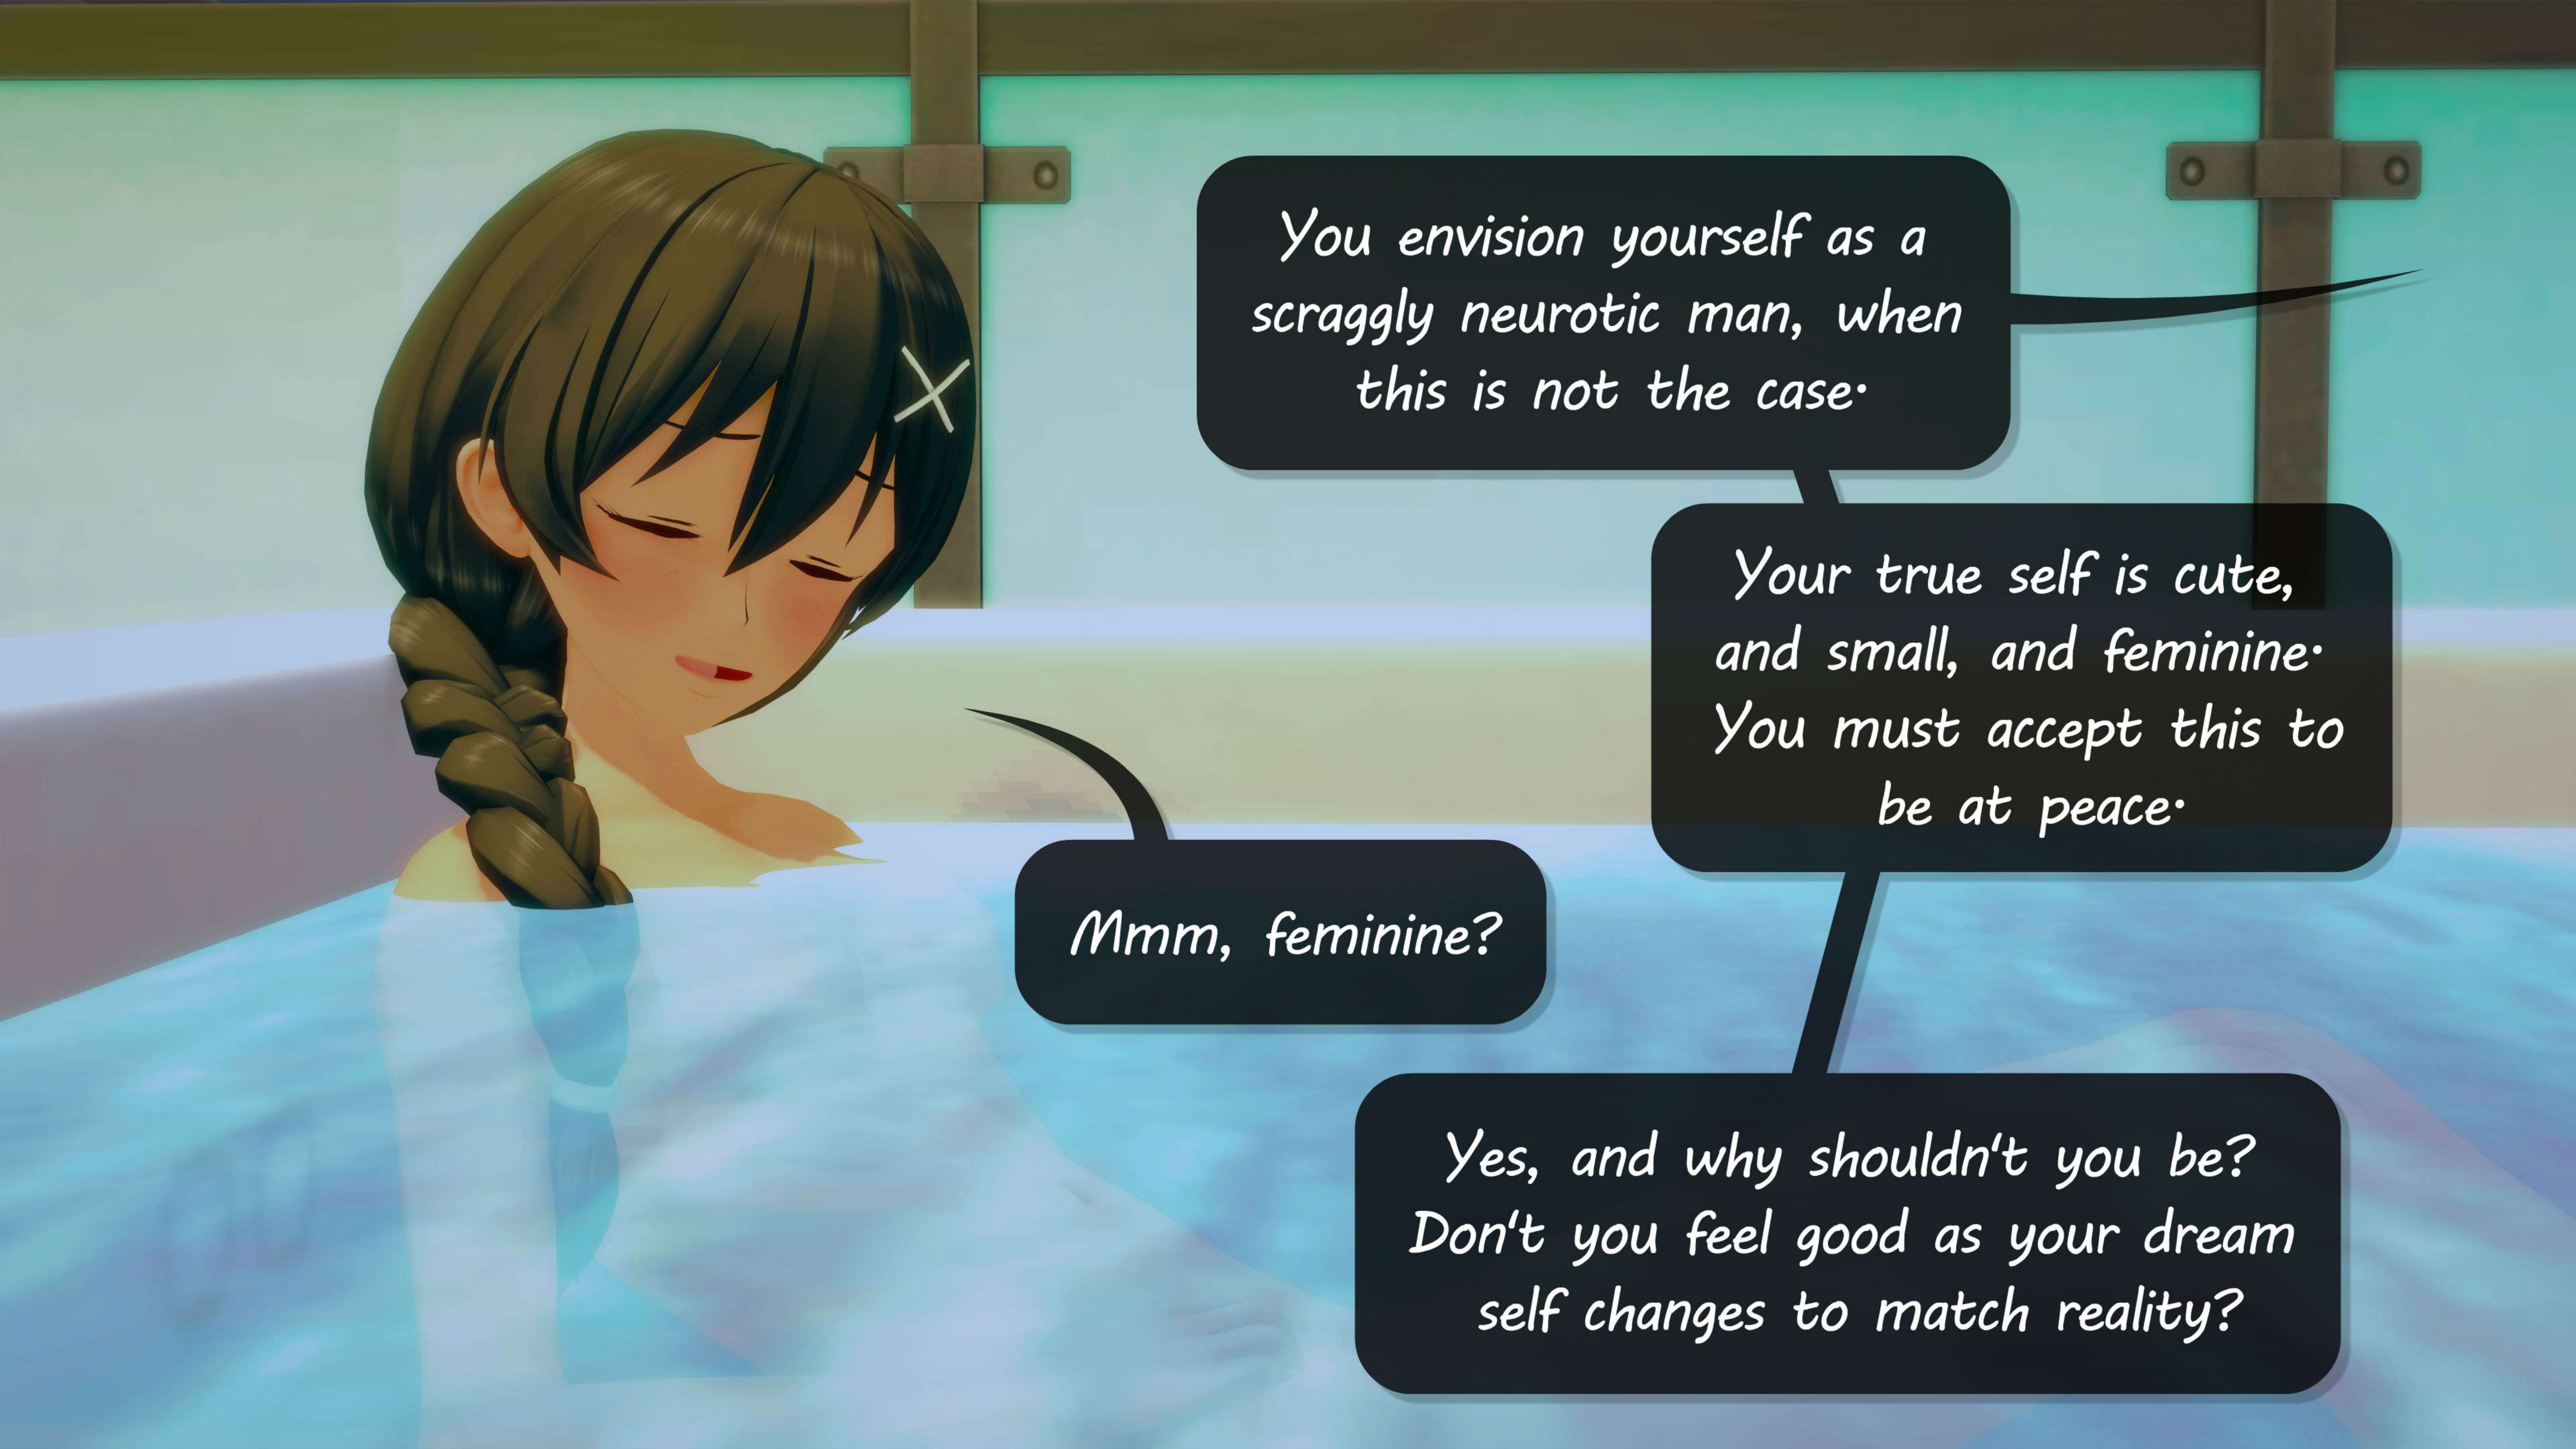

Yeah, I get how baths work.

Know that the cause of your discomfort is because there is a great distance between your outer and inner self.

Who you are, and who you think you should be.

...Hmm? What do you mean?

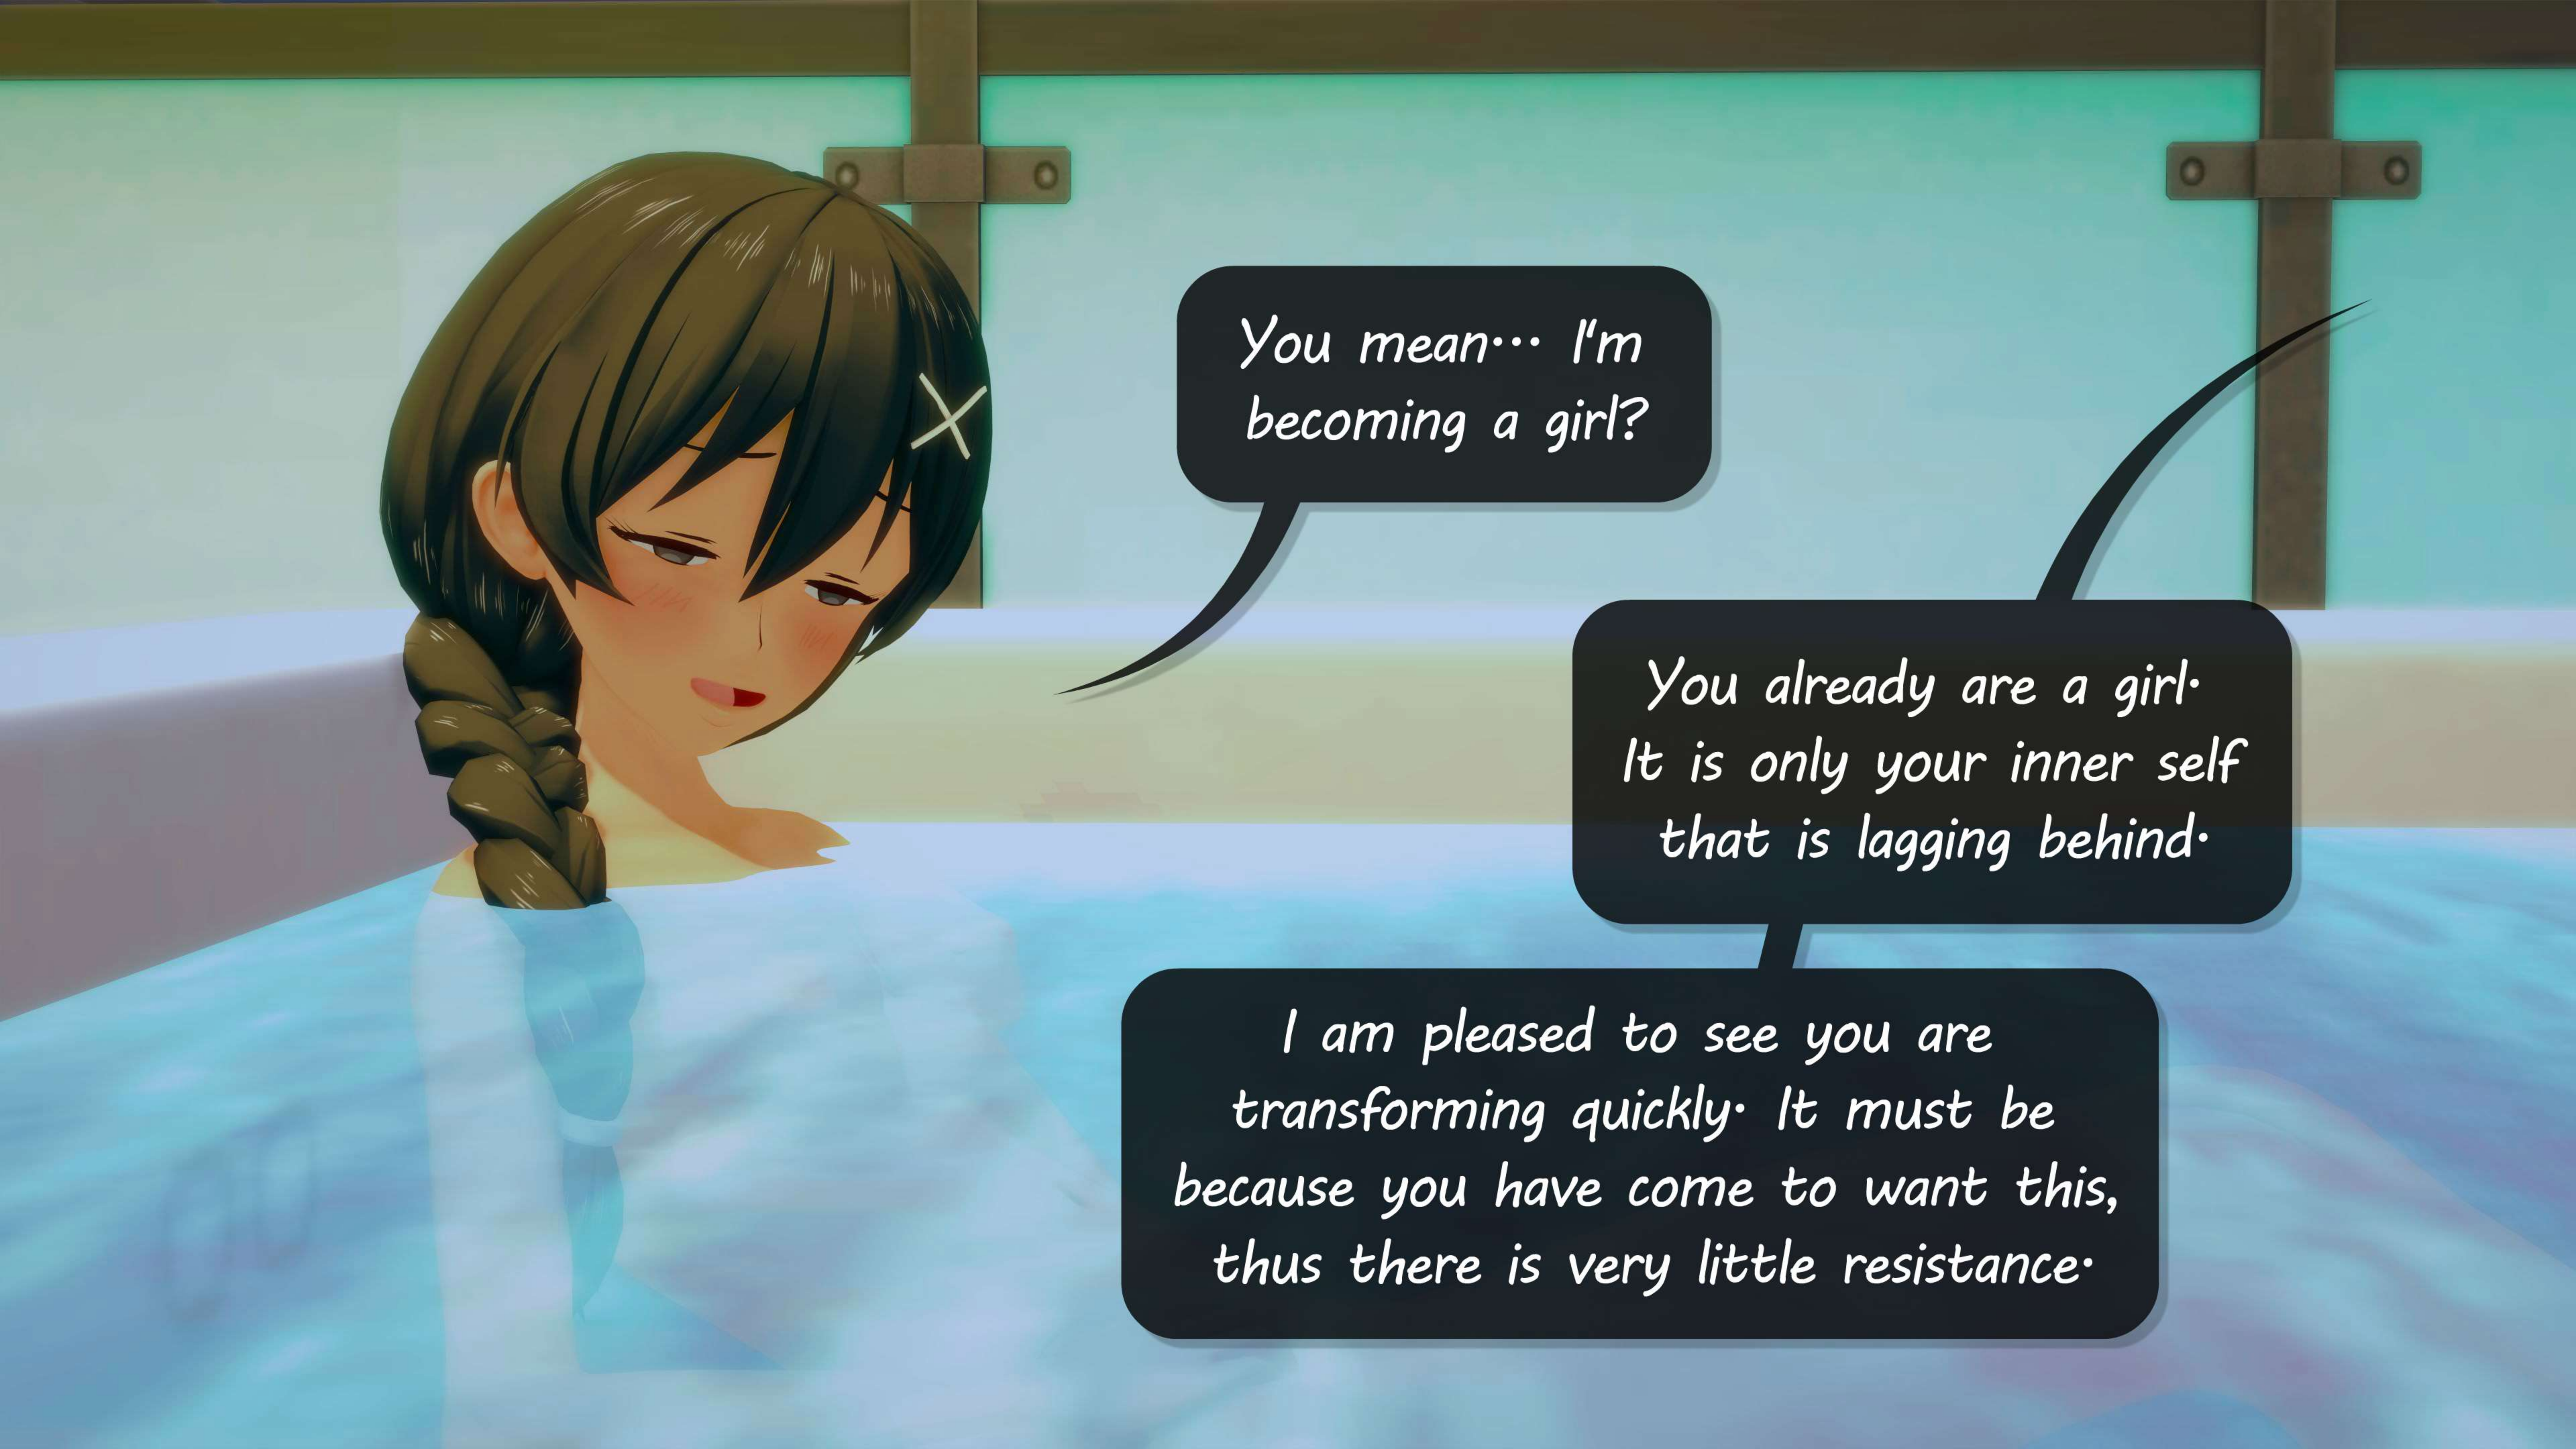

You envision yourself as a scraggly neurotic man, when this is not the case.

Your true self is cute, and small, and feminine. You must accept this to be at peace.

Mmm, feminine?

Yes, and why shouldn't you be? Don't you feel good as your dream self changes to match reality?

You mean... I'm becoming a girl?

You already are a girl. It is only your inner self that is lagging behind.

I am pleased to see you are transforming quickly. It must be because you have come to want this, thus there is very little resistance.

I... I want this? But...

Yes. The will of magic is contagious. We've been together long enough that our desires have come to overlap.

Oh, wow, I can see the changes happening...

Good, now give in completely and let the magic fully envelop you.

*Mmm... Guess I've
come this far...*

*Good girl. And for this you
will be rewarded with the
body you desire, both here
and when you wake up.*

*This is who you are
now, and it simply
would not feel right
any other way.*

Hmm...

I am glad we could meet and come to an understanding, but with my purpose achieved I do not think we will meet again.

*Your body will not change any further.
Goodbye.*

*Right, um,
goodbye... And
thanks?*

THE NEXT MORNING

...This feels a little tight around the chest.

...Oh! Did they get bigger?
