G | 7--9-----

A minor Position 5

A | -----10--12--
E | -----10--12--
C | -----9--12--
G | 9--12-----

Note: Numbers in red are the root note, or the A note for this particular scale and will have the safest point of resolution. The high G string can be tricky to integrate because of the large interval leaps, but play with it, it doesn't have to be avoided.
