Tanya Stevens has been having to have a baby for 5 years. But all the doctors said she couldn't have one. And the adoption agency waiting list was insanely long. So, she spent her time looking at Instagram photos of babies

Suddenly the door rings...

Who is that? Damm salesmen has been calling my phone. Now they are knocking on my door.

Lucky bitches. Look at these women with their babies. Oh, those babies are so cute could just eat them up. Sigh one day

Ooo oooo who is this cutie?

Hello my Name is TIM Anderson. Am And I here to sell you some products.

baby did you say, baby? You have a baby here!! Let Me see!!

Come on in Timmy.

Timmy's voice cracks as he sees these tall women tower over him. She blew some smoke in his face, He tried to show confidence.

Ahhh I prefer Timothy Madame. I am here to sell you baby products. We sell the best products for mothers.

No Miss baby products. And May I say some of the best out there.

She suddenly gets an idea. She tells him to sit down.

These are some nice Products. Tell me you drive her with a team.

No Miss. My office is a few states away. I sell door to door. Just me and my Car.

Let me show you something Ms.?

Oh So your alone hu

She suddenly gets an idea. She tells him to sit down.

Call me Mama. Let's not talk about business. A cute thing like you being out there is dangerous. Why Don't you sit on Mama's Lap and let me breast freed?

What!!

What!! Your...your CRAZY

Honey if you're going to be my baby, then you're going to learn that tone of voice will not be tolerated. Come on now. Know you can't take an eye off these breasts my little man is hungry

No wait this inappropriate

(laughs) Honey you don't have a choice.

No way I am OUT of here. Your crazy

She grabbed him by his skinny arm and pulled him toward her. She could feel how baby soft his skin is.

Ahhhh your so cute when you try to run.

ha. Do you think those cute baby legs going to help you escape from me? I may not look it, but I am extremely Fast.

Oh you're crushing me.

Shhh baby. You have to learn what I say go. I am bigger than you my wittle cute baby boy. There is nothing you can do to stop me. You are just too cute and Tiny

She places her nipple in his mouth and forces him to suck. She moans in pleasure feeling what she wanted to feel for so long. Warm breast milk went into his mouth

That's a good little baby. Drink up mommy's sweet milk.

That's it, my thirsty boy. No wonder you are so skinny, you haven't drunk any milk for a while.

But you have clearly been outside of the world for too long. Didn't have a mommy taking care of you. Look at you. Your filthy

Let me take off those clothes and give you a nice bath.

But I am a grown man.

Shush. If you were a real grown man, then I wouldn't be able to do this to you.

She carries him in his arms. For some reason, he started to feel relaxed. His will was giving, and his arms were going limp. She lifted him like he weighed nothing.

Look at my little baby. So cute and nervous. Let me give you a nice bath.

Got to make sure to use baby-safe soap. So, I won't get soap into baby wittle eyes

NOW
listen here. Don't even think
about running. I am clearly stronger
than you. You have no chance.
UNDERSTOOD

Yes...
yes

Yes
what

Yes
MOMMY

Now Let
me take off these
clothes so I can get in the
bath with my little
sweetie.

Damm
she's so hot.
She is crazy as
hell, but she is
so hot.

What is
that? IS THAT AN
ERECTION little
man?

Are you
getting hard
looking at your
mother?

Sorry
Mommy. I
couldn't
help it.

Clear young
man you need some
discipline. It's time for you
to get a proper
spanking.

Wait
No!!!

The spanking came down hard and fast. The embarrassment was worse than the pain. Which was saying a lot because the pain was pretty bad. But despite this, it was quite sensual. He was amazed that part of him was getting turned on. He felt pre cum dripped from his cock.

Naught little baby. Getting turned on by your own mother's body. I blame internet porn and dirty comics. Clearly, it has corrupted your young mind.

(sobs)
Please Sorry
Mommy

That's nice. A Red and bruised ass makes for an obedient man. You're going to learn to be a proper baby. You going to obey your mommy right?

He was shocked by how easily the word mommy rolled off his tongue. It seems natural.

Bet those little cheeks are nice and warm.

yes Mommy.
Yes! (sob)
(whimper)

Now sweetie. Has baby learned his little lesson

Now Little man now that you know who's boss, stop those tears. You won't have to worry about much from now on. Your new mommy has saved up over the years. I have a lot of money. I can take care of you.

Yes Mommy

His voice turns soft and submissive

I will make sure the bath is nice and warm for you. Just the right temperature

She put him in the bath. The water was perfect. It had all sorts of bath salts that made his skin nice and soft

Now Let me wash you up.

She washed him up, scrubbing every bit of dirt. Her hands were strong yet caring. She filled the tub with suds.

Let me get behind the ears.

See how good it feels to obey? How natural and safe.

Yes Mommy

She draped him over her shoulder. He felt like he was lighter than air as she was drying him off

Let's put you into bed

What are you going to do to me?

well my darling little baby boy. The answer is clear. Anything I want.

Now that you going to be my baby. Think it's high time I put you in diapers.

No! This is A step too far. NO WAY!!

A Look of total shock went into his eyes. Surely, she wasn't serious. This was madness. PURE MADNESS

Honey you have no choice. Hell, you shouldn't be even talking. Your words should be mostly goo goo, ga ga, Now put on these diapers.

She drags him by the legs as he kicks and screams. He was grabbing the blanket trying to stop her.

Silly baby. You're not going anywhere.

Wait noooooo.

She holds him down effortlessly.

See! It is nice and snug, looks at how nice it feels. This is so you won't make any messes

She starts to breastfeed him again. She rocks him back and forth relaxingly. Lucky for him the diapers hide his erection. He felt an odd sense of safety

That is a good boy. Relax. No one else knows that you're here. Going to have to get rid of the car. And you will be my forever baby.

Shhhhh that's it. Good boy

She hums a musical note as she rocks. Soon his eyes start getting drowsy.

Soon he couldn't keep his eyes open. His arms went limp and fall asleep into a fantastic bliss.

That's a good baby. You're not leaving my side ever. Sleep tight little baby.

End of Part 1
