

I've gained some
weight recently...
I should exercise more...

What? Machamps are great exercise partners?
Okay! I'll try that out!

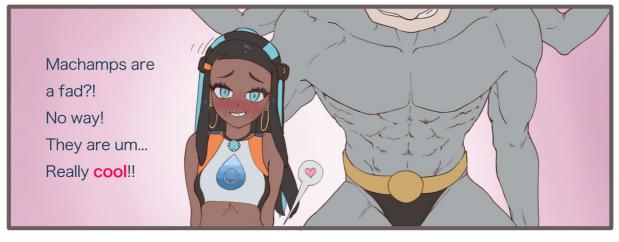

What's this fad
with everyone
raising Machamps?
So annoying...

What? They can help you workout? (Hmm.. Then it'll be good for my model work!)

Afterword

Thank you for buying this comic! Definitely means a lot to me.
In the future, I'll try doing. Pokemon hental with stories involving. Hypno, Gardevoir etc.

But it going to take a few months (cuz I hav college)
