

Back in the office, the three top guys were really exhausted, while the Dads were still Craving Cock and Cum, moaning like Bitches in heat.

It's getting late, I Can't fuck these sluts anymore!

Me neither, I'm Completely Drained.

I wonder where Mr. Wright is!

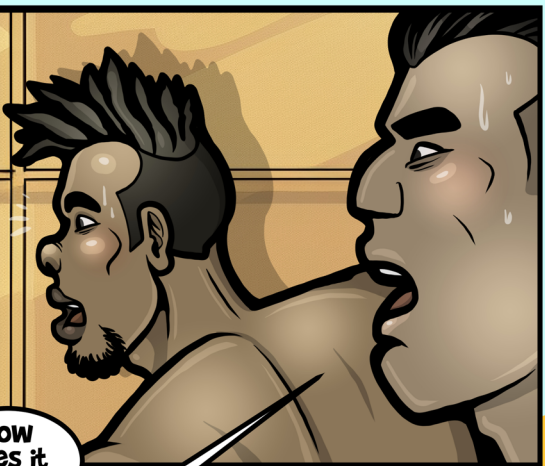

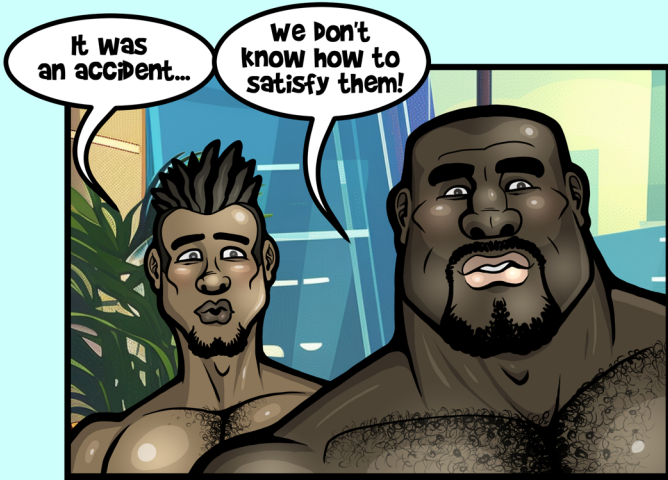

Mr Wright! where have you Been?

I'm here! Sorry for the Delay...Wow! I see that the negotiations are going very well!

I guess you Boys found my DADVIL Powder and had a Party without me...

The TOP must take this Pill, and his Cock Becomes huge and at its maximum Power. He will Cum inside the Dad intoxicated with PAPVIL, and your sperm will Be the antipote.

THE DEAL WITH THE ARABS! I MUST RUN TO THE OFFICE!

After a while, the BOTTOM DAD will Be normal again, with just some vague memory, and everyBody will Be happy.

Dr. Hoover used a lot of difficult scientific terms to explain me, but when he flooded my guts with his jizz, I came back to normality right away.

And someone has to take care of this! Those big muscle guns would be perfect for my monster hole, young stub! I'm not on PAVIL anymore, but I'm always ready for a ride.

So what to do guys?

I would like to have another round on them...

the three men took the TOPPERALL...

Whatever!

GUP!

It's make or Break!

Suddenly their cocks got hard and almost the double of their normal size!

The three cock hungry bastards were aiming to those huge cocks...

My Dick is huge!

Mine too!

I feel so Powerful!

MOAN...

YEAH...

The orgy kept going all night long until the intoxicated Dads got all impregnated by the wild tops, multiple times!

FUCKE YES! MY CUM IS SO HOT AND ABUNDANT!

I'M CUMMING AGAIN TOO! THE SPURT IS SO POWERFUL!

Finally, the effect of the PAPVIL vanished, and the four Dads were satisfied, moaning and licking each other, slowly getting back to normality...

THE END!
