Sakura... Hinata?

What are you doing in the bath? Don't tell me... something dirty?

I-It's not like
what you think, Ino!

We were just...
having a bath together!

You are lying. I
heard you two
moaned inside.

Believe us, Ino.
We really didn't
do anything dirty!

We fused together...
and splited out as
soon as you stepped in.

Hinata?

Of course if you agreed to keep this a secret...

...we will let you know what actually happened, Ino.

Hold up, I have too much to process at once...

How about we take the bath first, and then talk later?

Okay, I hope you don't mind.

Slurp...

Then, aren't you
going to say something?
And stop starring at me.

We... were just wonder if the green tea fit your taste...

CORN
CEREAL

Did you put poison in here or what!? If not, then tell me what is going on here!

H-How about another cup while we are talking?

Alright... Enough
joking around, here
what happened.

A few days before,
Hinata got these
earrings...

...We didn't know who sent it or where these came from. But it affected our charka...

...if you put these on like we do, it's going to push and fuse our body together.

In order to split out,
we may need to reach
some pleasurement
or being exhausted.

However, yesterday,
we were attacked by
the two annonymus.

And the earrings
are what they aimed at?

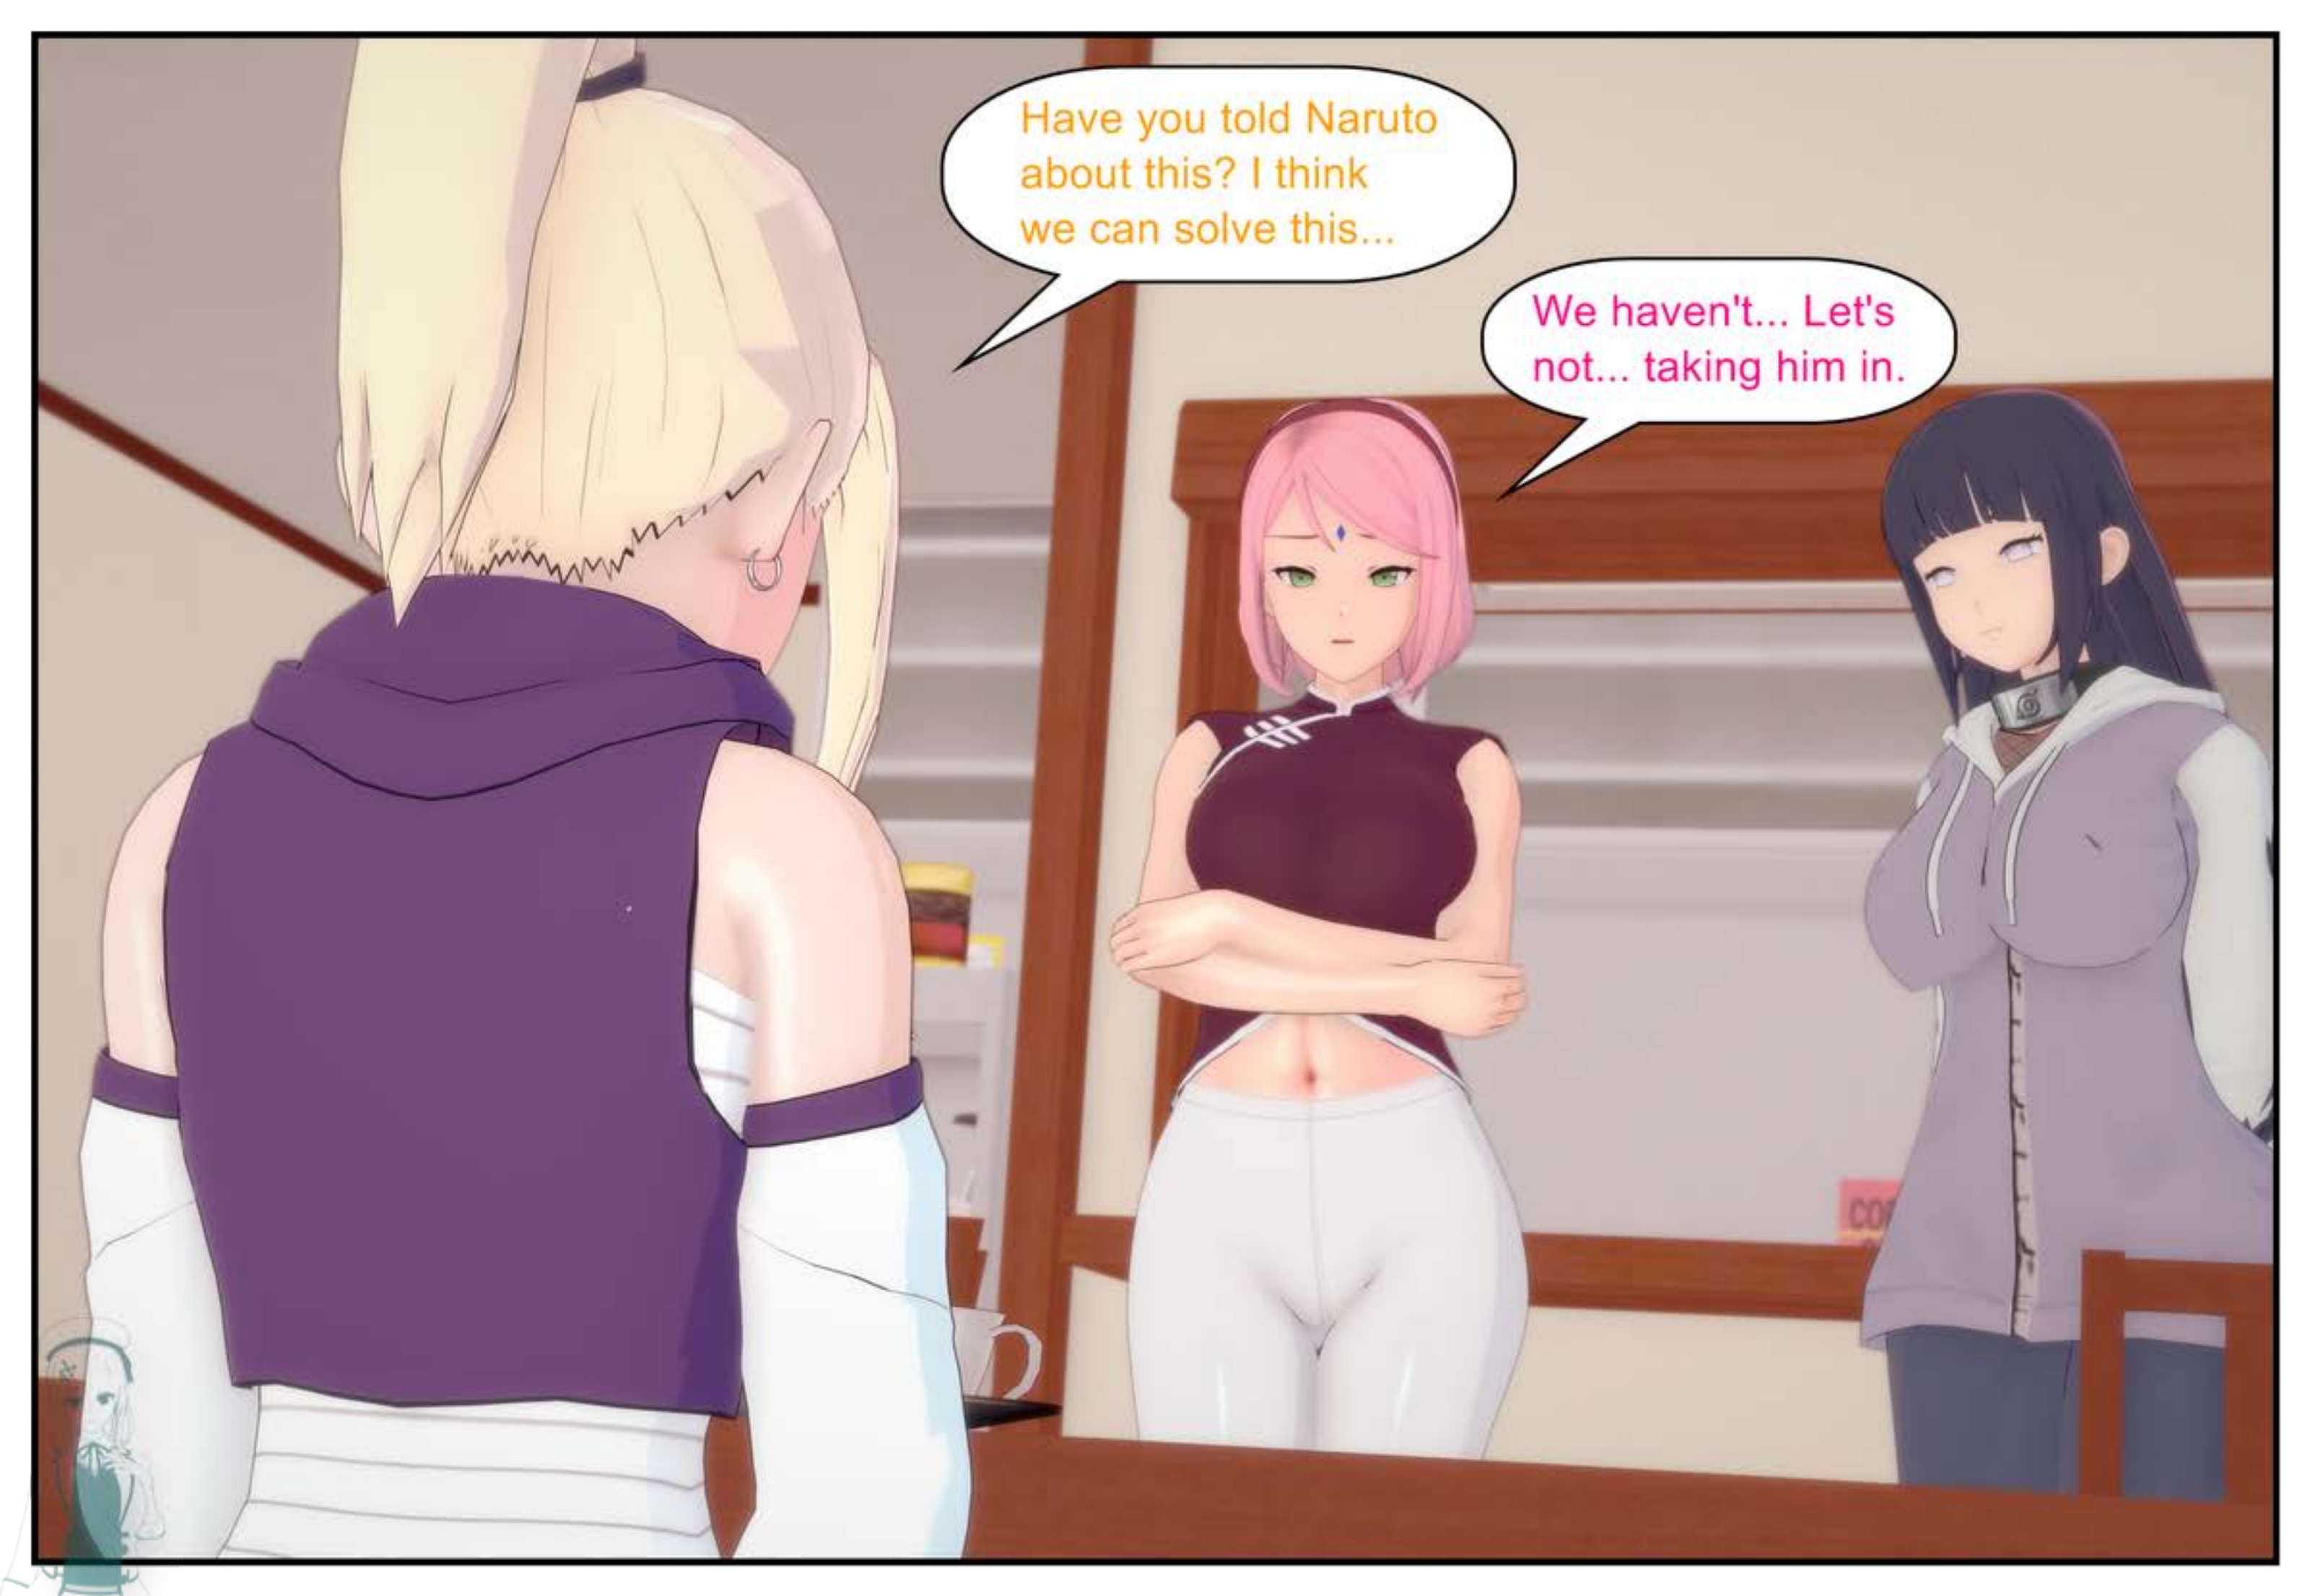

Yes, only when we
fused, we could
push them back.

I understand the situation now. They must have wanted the earrings back.

Have you told Naruto about this? I think we can solve this...

We haven't... Let's not... taking him in.

Then, I want to try
the fusion, too. See
its effect, okay?

Sakura? What do you say? We already told her everything...

I agree. Ino, take
Hinata's and do
it with me.

Put it on... Like this, right, Sakura?

Yes, are you ready?

I'm good... But my
charka... they seem
to rise up...

Sakura...?

H-Hey... You are too close!

Well, this is how the process start, Ino.

Our clothes...
disappeared!?

Hyaaaa...!?
Your hand is...

Our body... are being fused...?

Woa...

Is this... Sakura
and Ino?

Is it done?

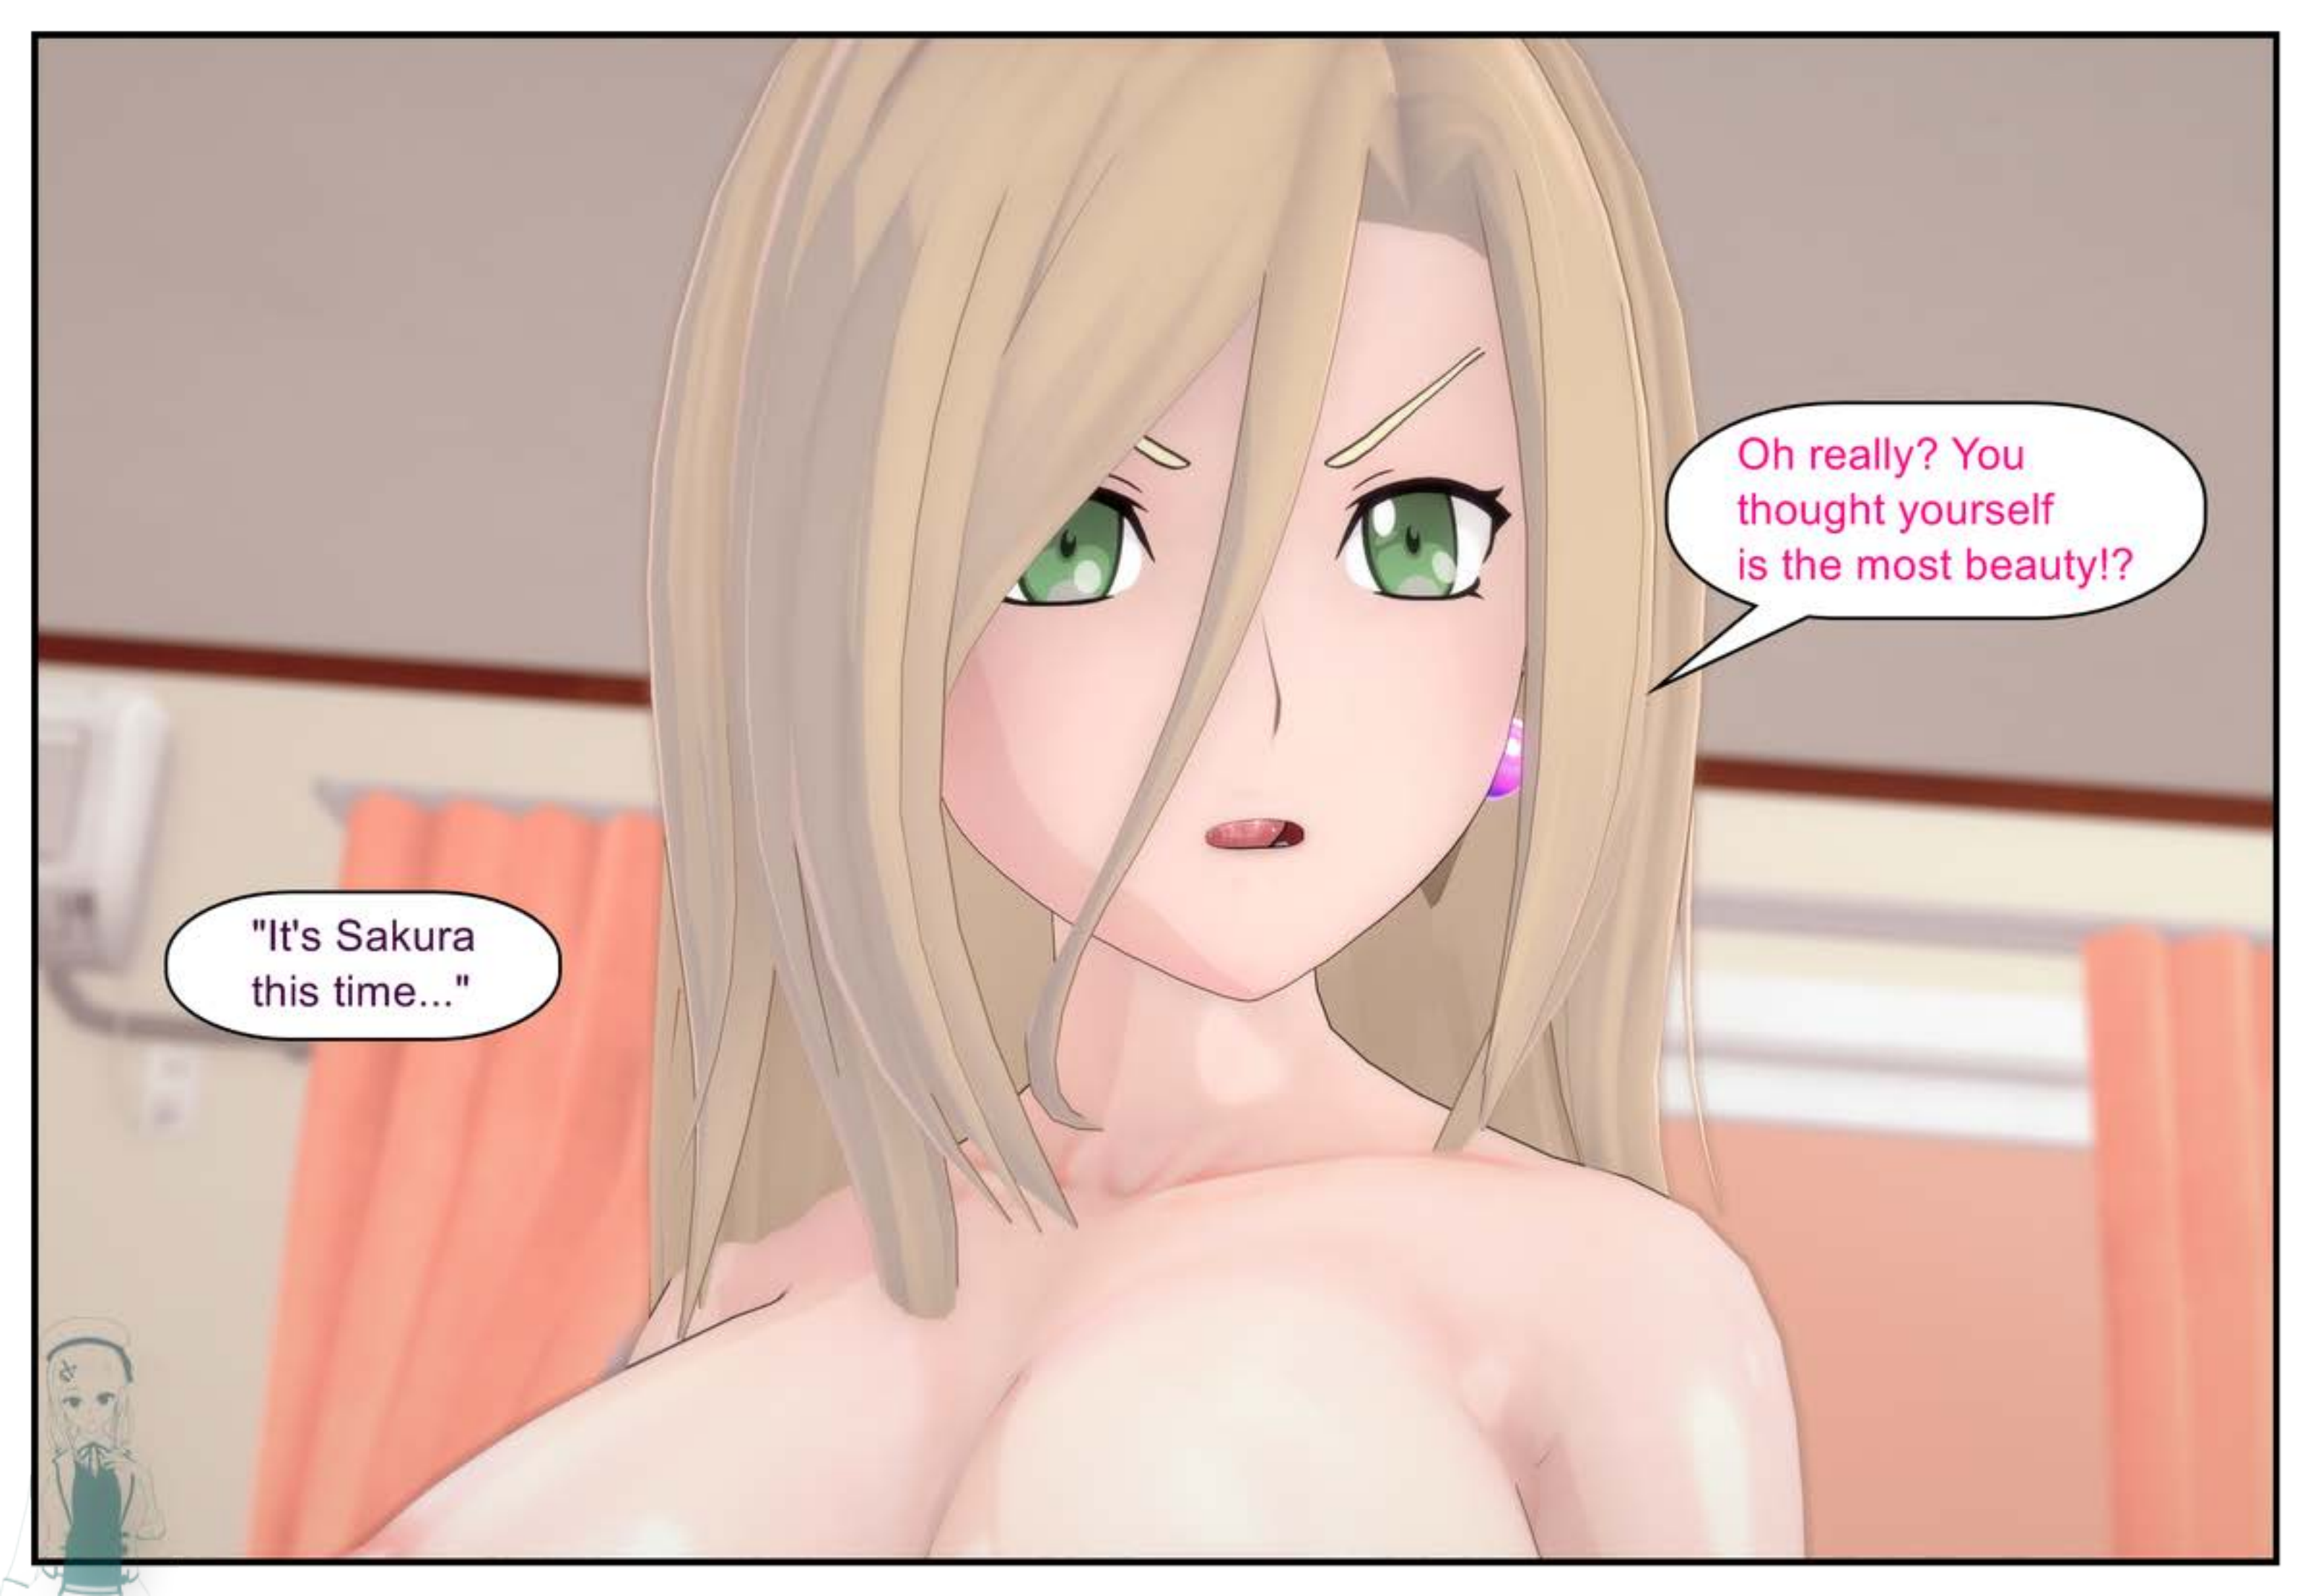

Oh? I guess....
this is my new
form when fuse
with Sakura?

"Only... Ino's
voice?"

You two are pretty beautiful, I must say.

Hmph... It's very normal. I can be better.

"It's Sakura
this time..."

Oh really? You
thought yourself
is the most beauty!?

U-Um...
You two...

What!? You jealous!?
Of course, I will
control this form!

I will show you!

Say that again!?
Who control who!?

You take this!!!

Using right arm
to hit me, huh!?

B-Both of you!!!
Stop this immediately!

Do you really think you are better than me!?

Let's see who better than!

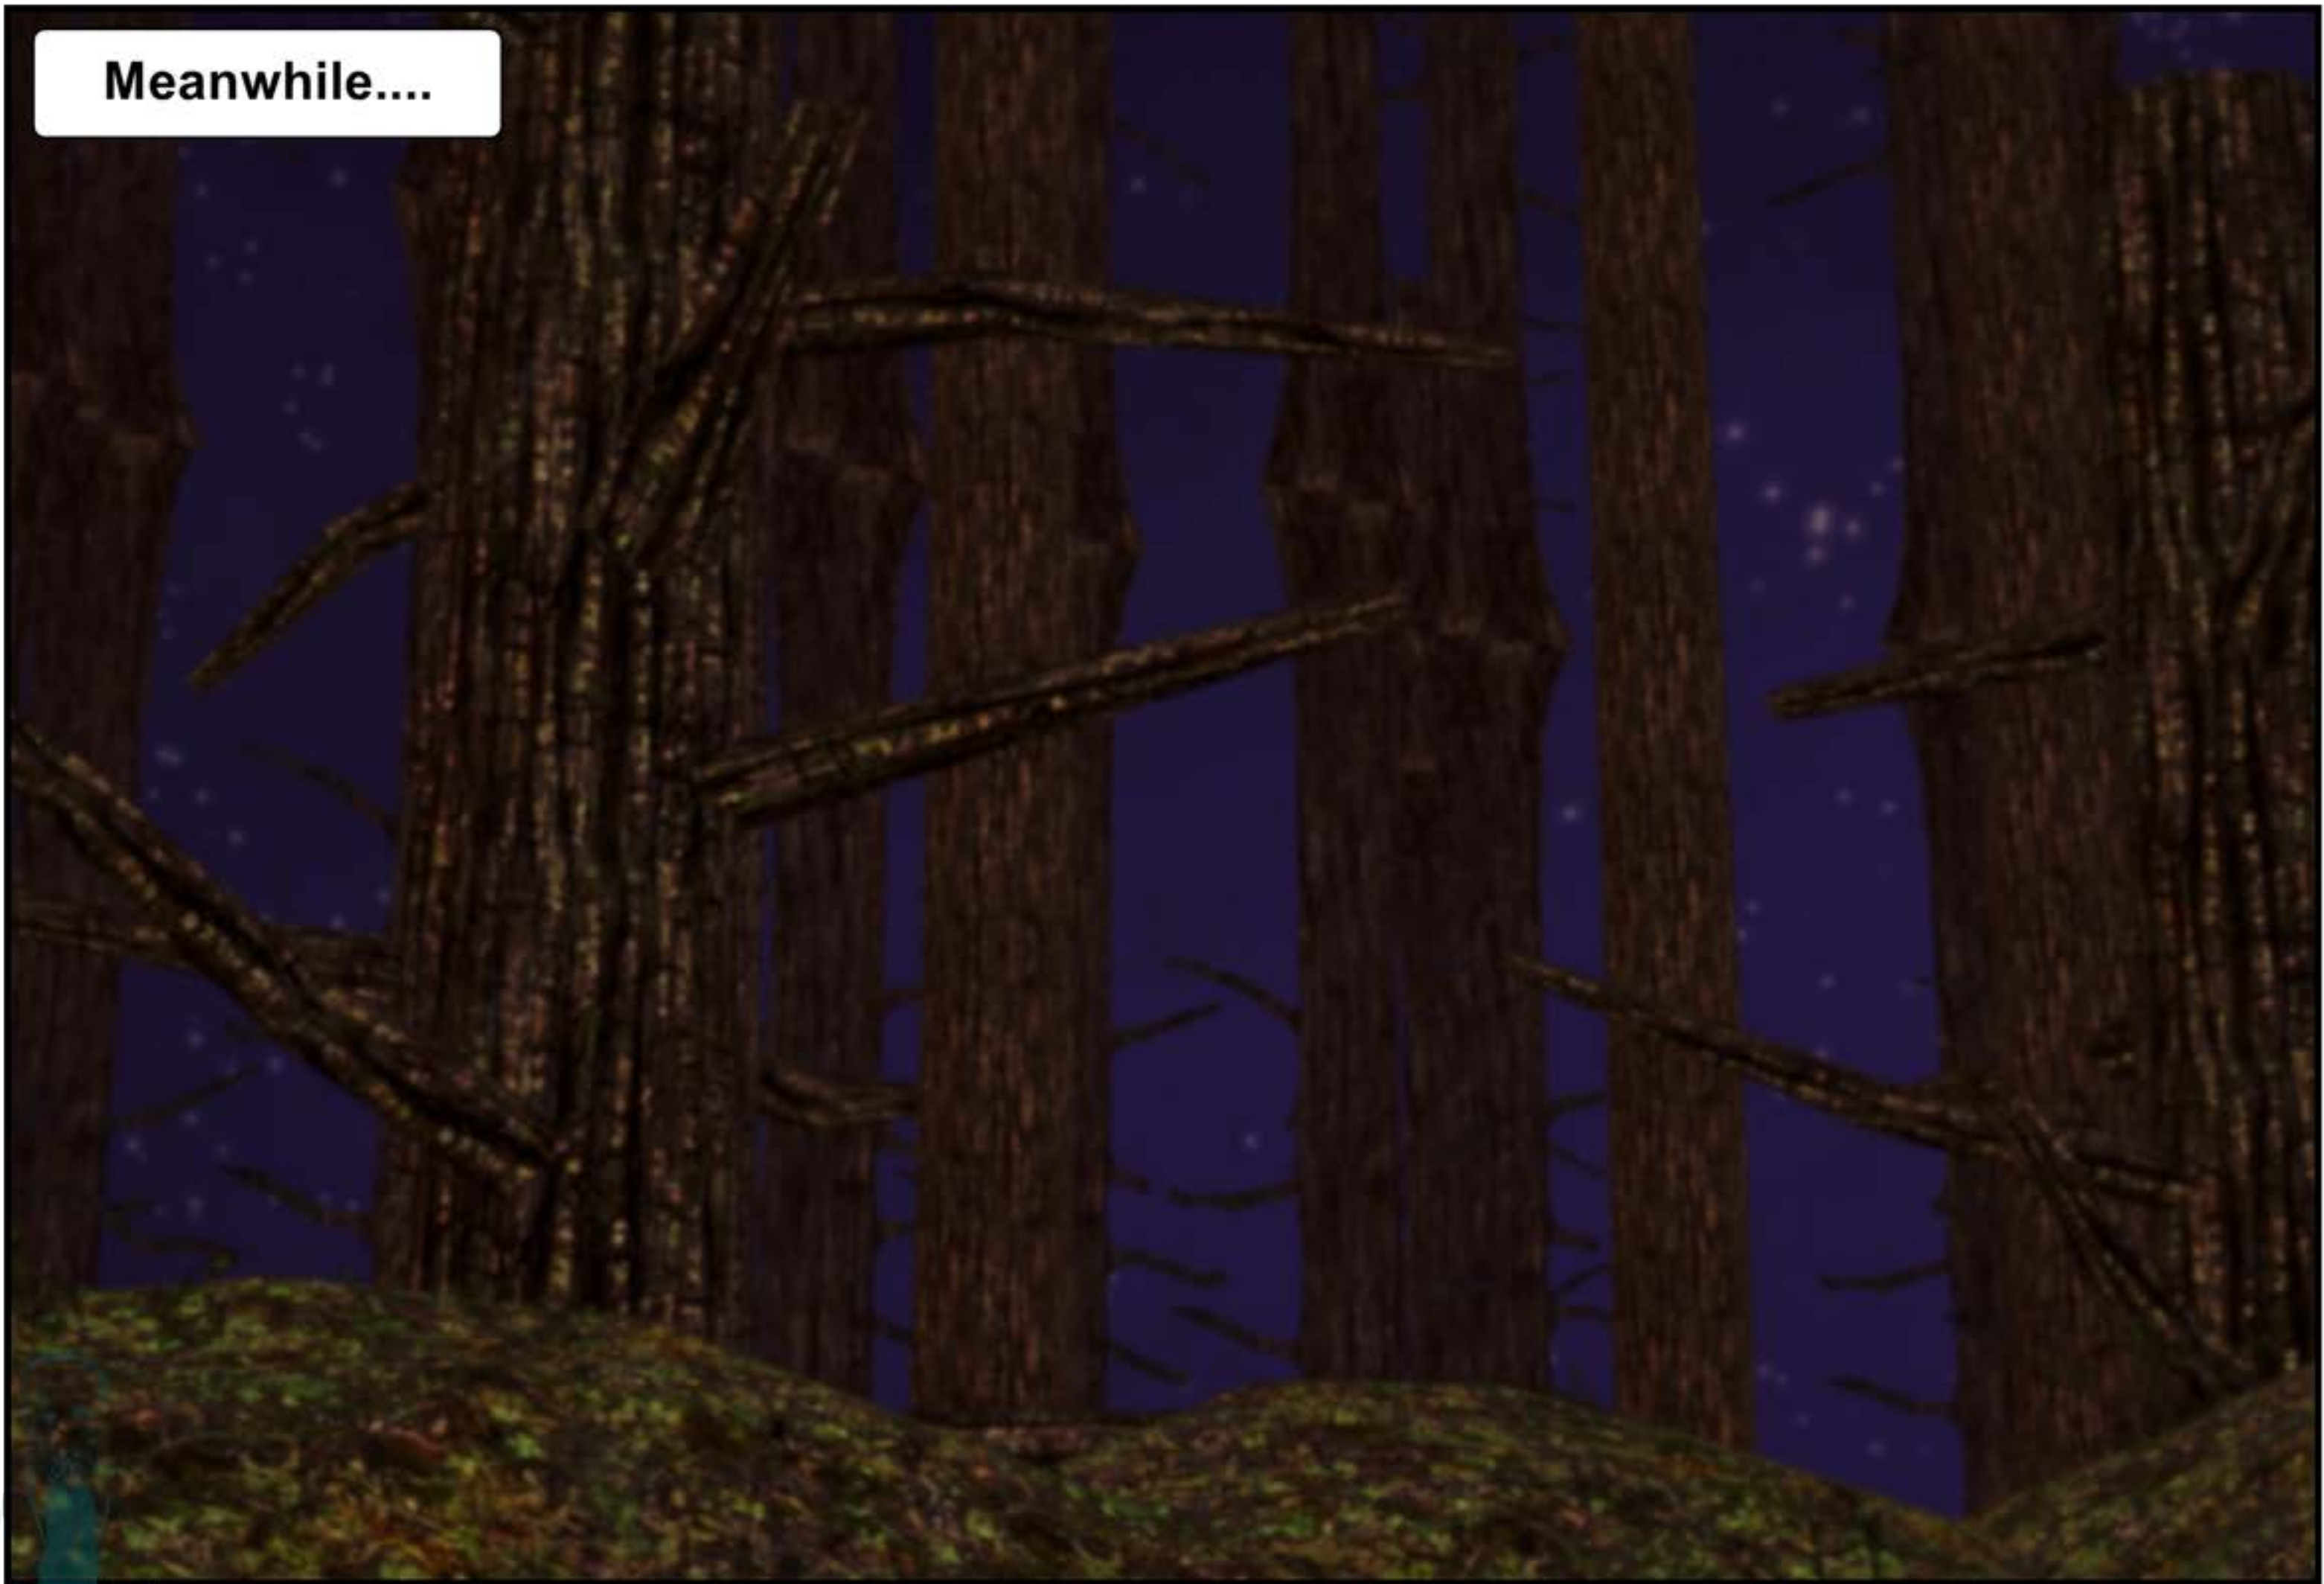

"Hah... Maybe I will wait until they get exhausted..."

Meanwhile....

Are you okay,
my little sister?

I'm... a bit hard...
in breathing...

Here, please
drink this. It will
help you feel better.

There you go...
Take it slow, okay?

Gulp... Gulp...

Thank you... Sis...
But... what about you?

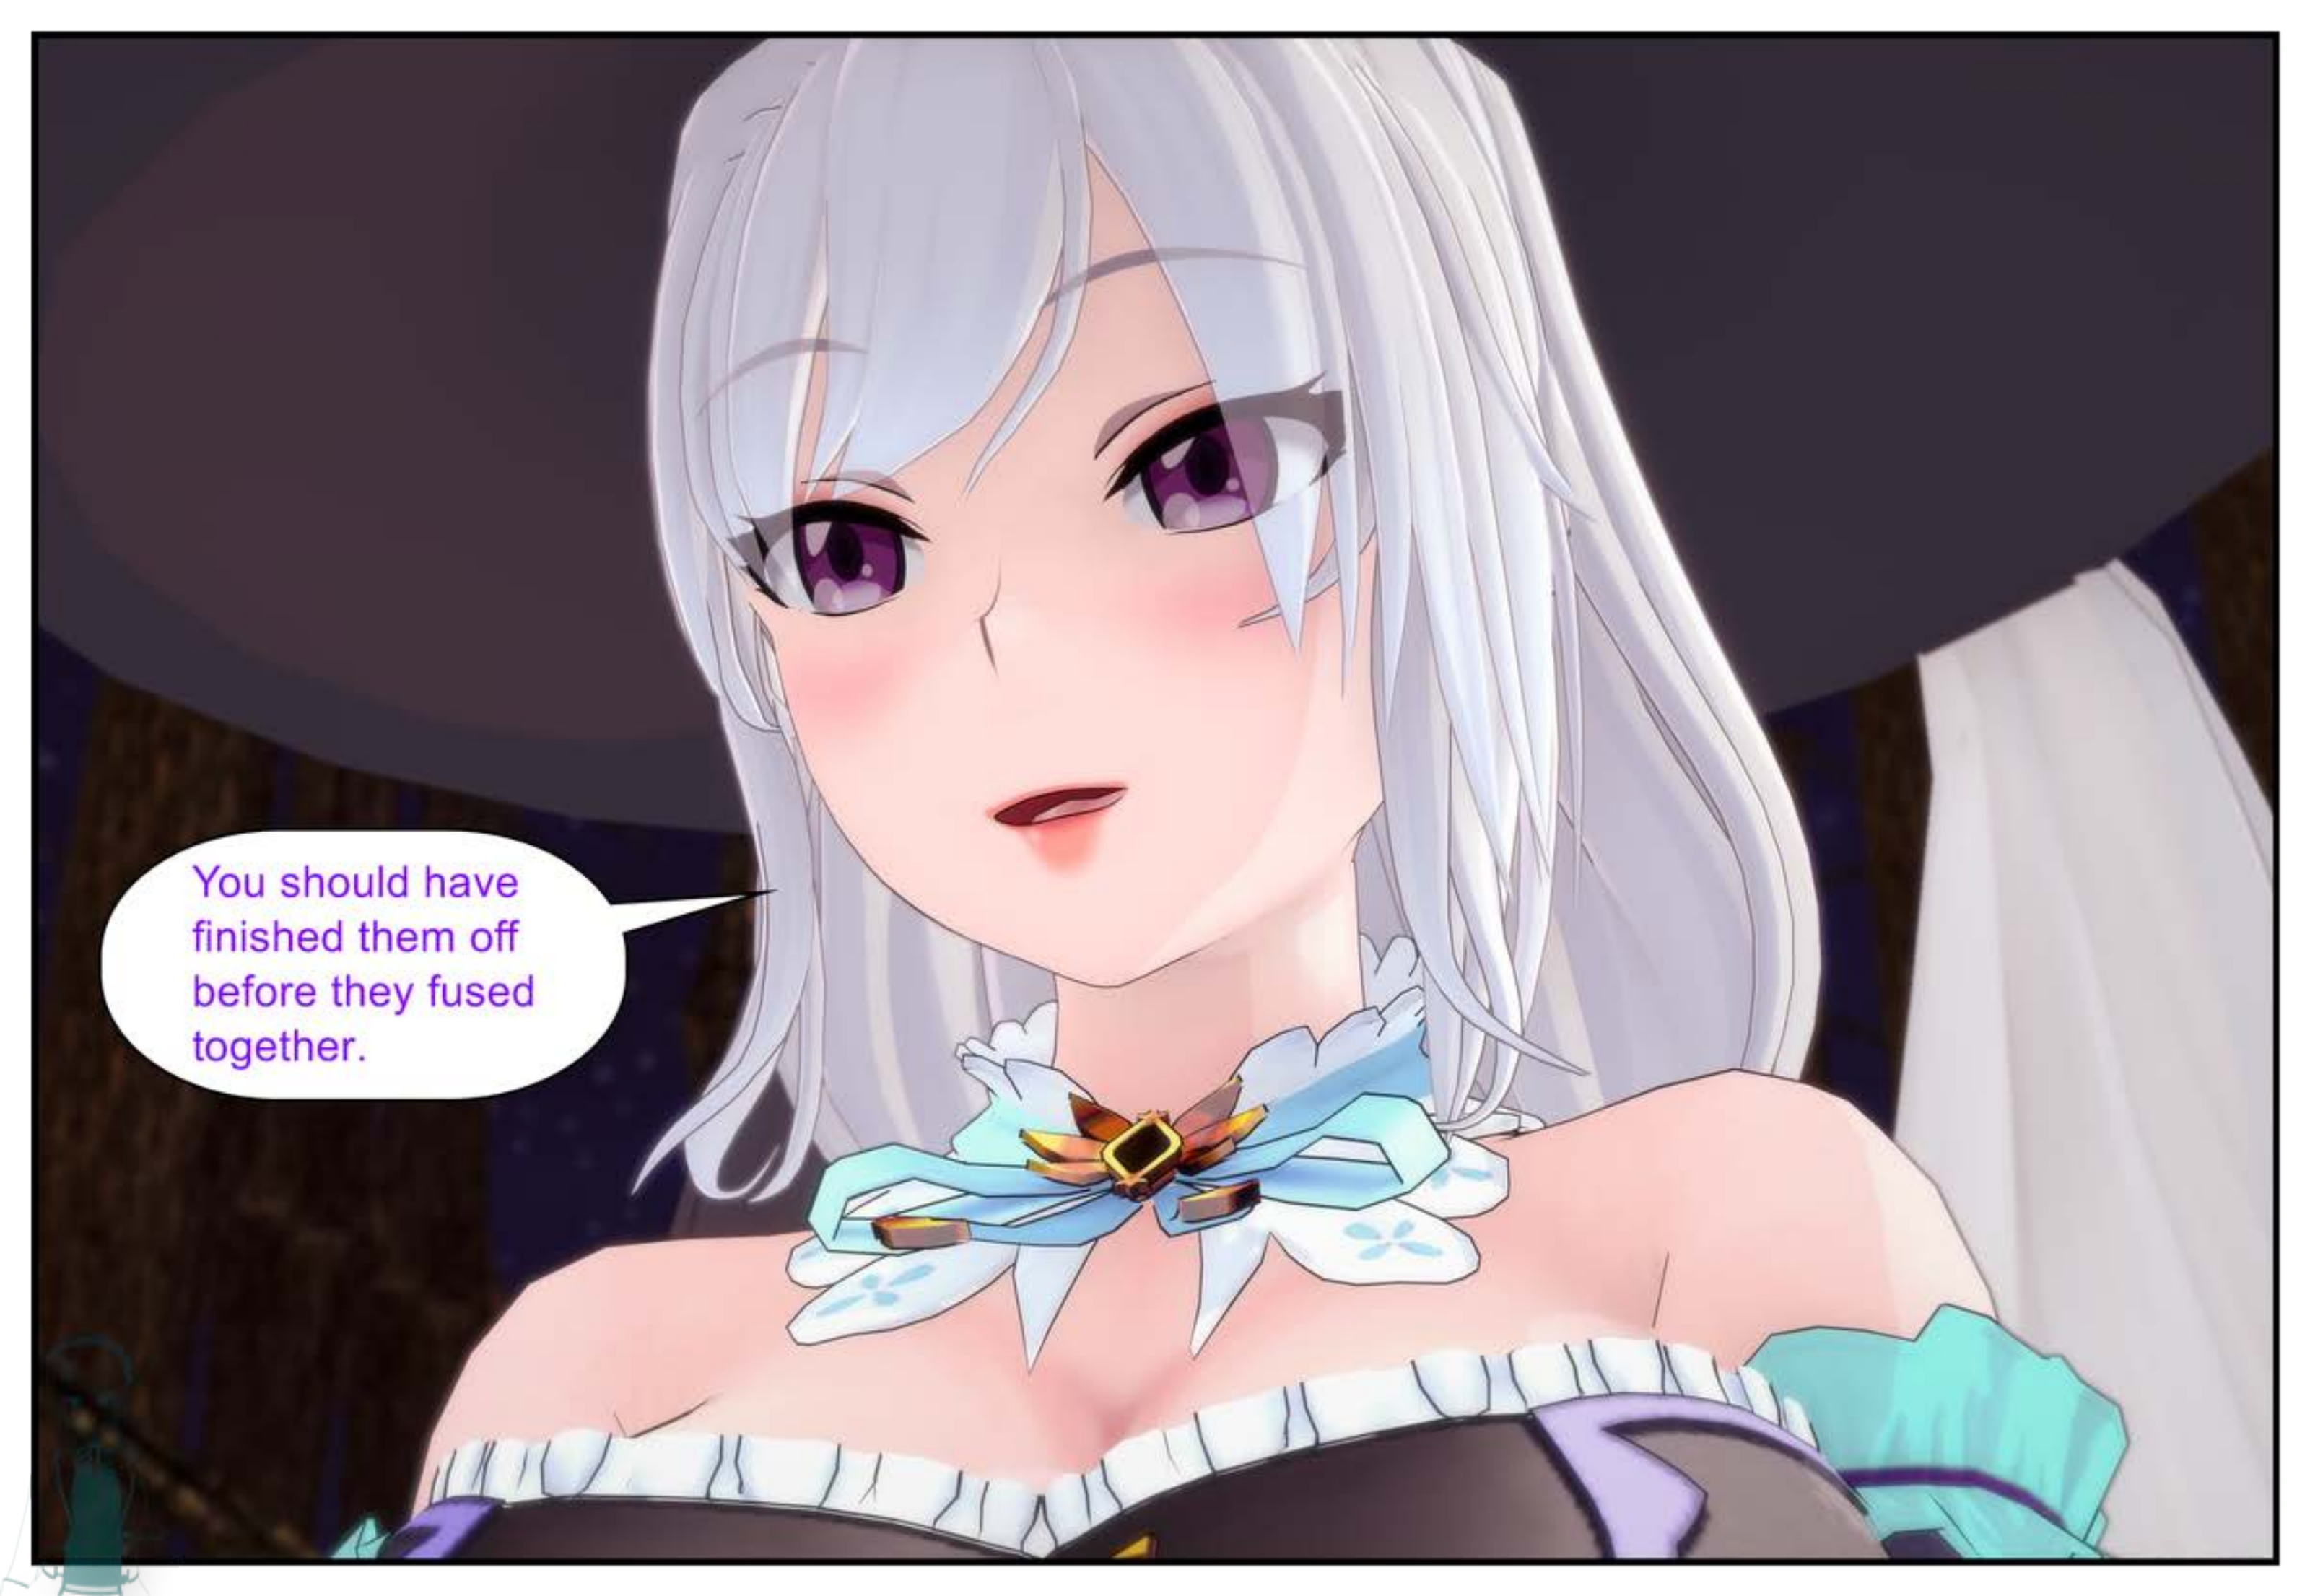

About explaining why did you two fail to retrieve the earrings?

I already got the rope of what happened.

Honestly speaking,
I am disappointed
in how slow you were
taking this.

You should have finished them off before they fused together.

Please punish me as you wished, but leave my Sister alone!

I heard that... In your village, a warrior took down his/her mask is consider as death sentence.

So... I'm asking
you to take yours
off as a punishment.

Please... Sis...
I beg you... Don't
make her do it...

Yes, my Highness.

I accepted my fate
and death sentence that
you gave me, my Highness.

I would do it, but your village was no longer visible, as well as its rule.

What do you mean? I'm a part of...

You were free the moment I took both of you in with me.

A close-up, three-quarter view of a character with long, straight white hair and purple eyes. The character has a slight smile and is looking towards the left. The background is dark and out of focus, suggesting an outdoor setting at night. A speech bubble is positioned in the lower-left corner of the frame.

Also mean that,
you are now a part
of me, not that village.

No matter if you failed my task, I will give you another chance.

If you want to
save your Sister,
and let her see
the light again...

Retrieve those earrings, kill if you have to.

This time, I will
lend you my will
and power...

From now on,
Komura Kashiwagi...

...will become
The Hunter.

Hunt them down, and
let them taste the fear.

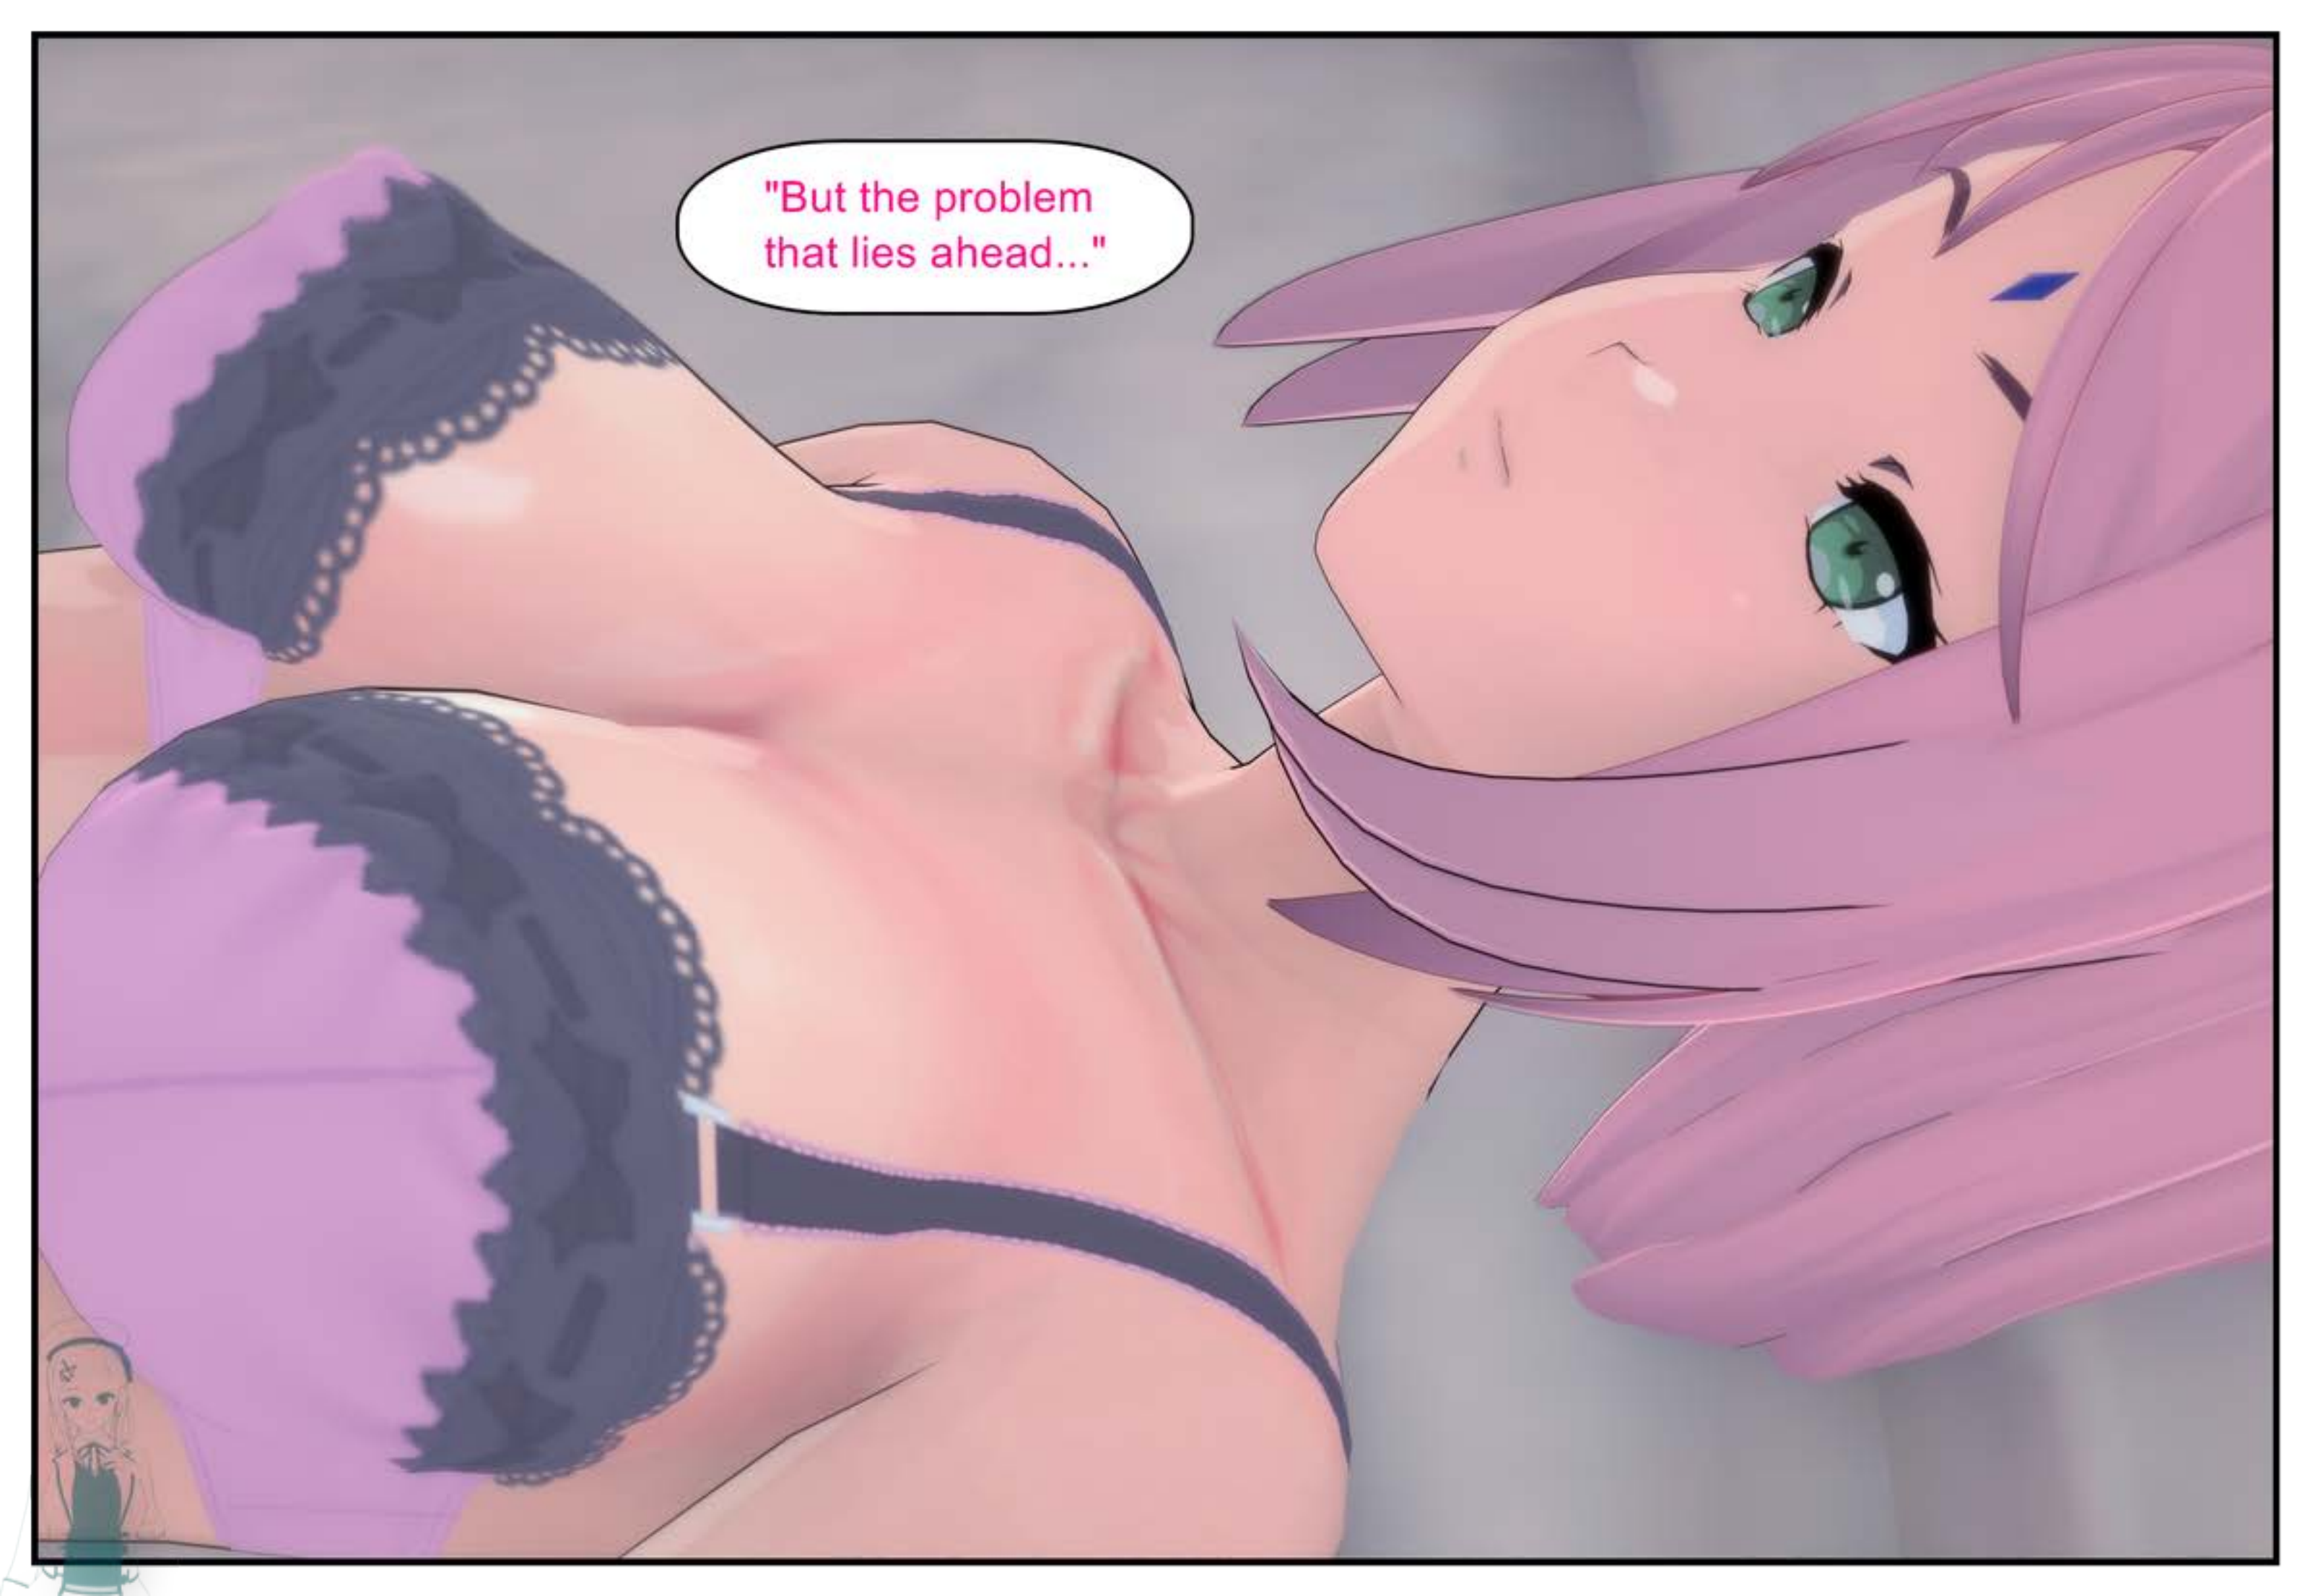

A while later, after
Sakura and Hinata
splitted out...

"Seem like... I and
Ino fought for
some reason..."

"But the problem
that lies ahead..."

"What if those villian
return? Can we still
push them back?"

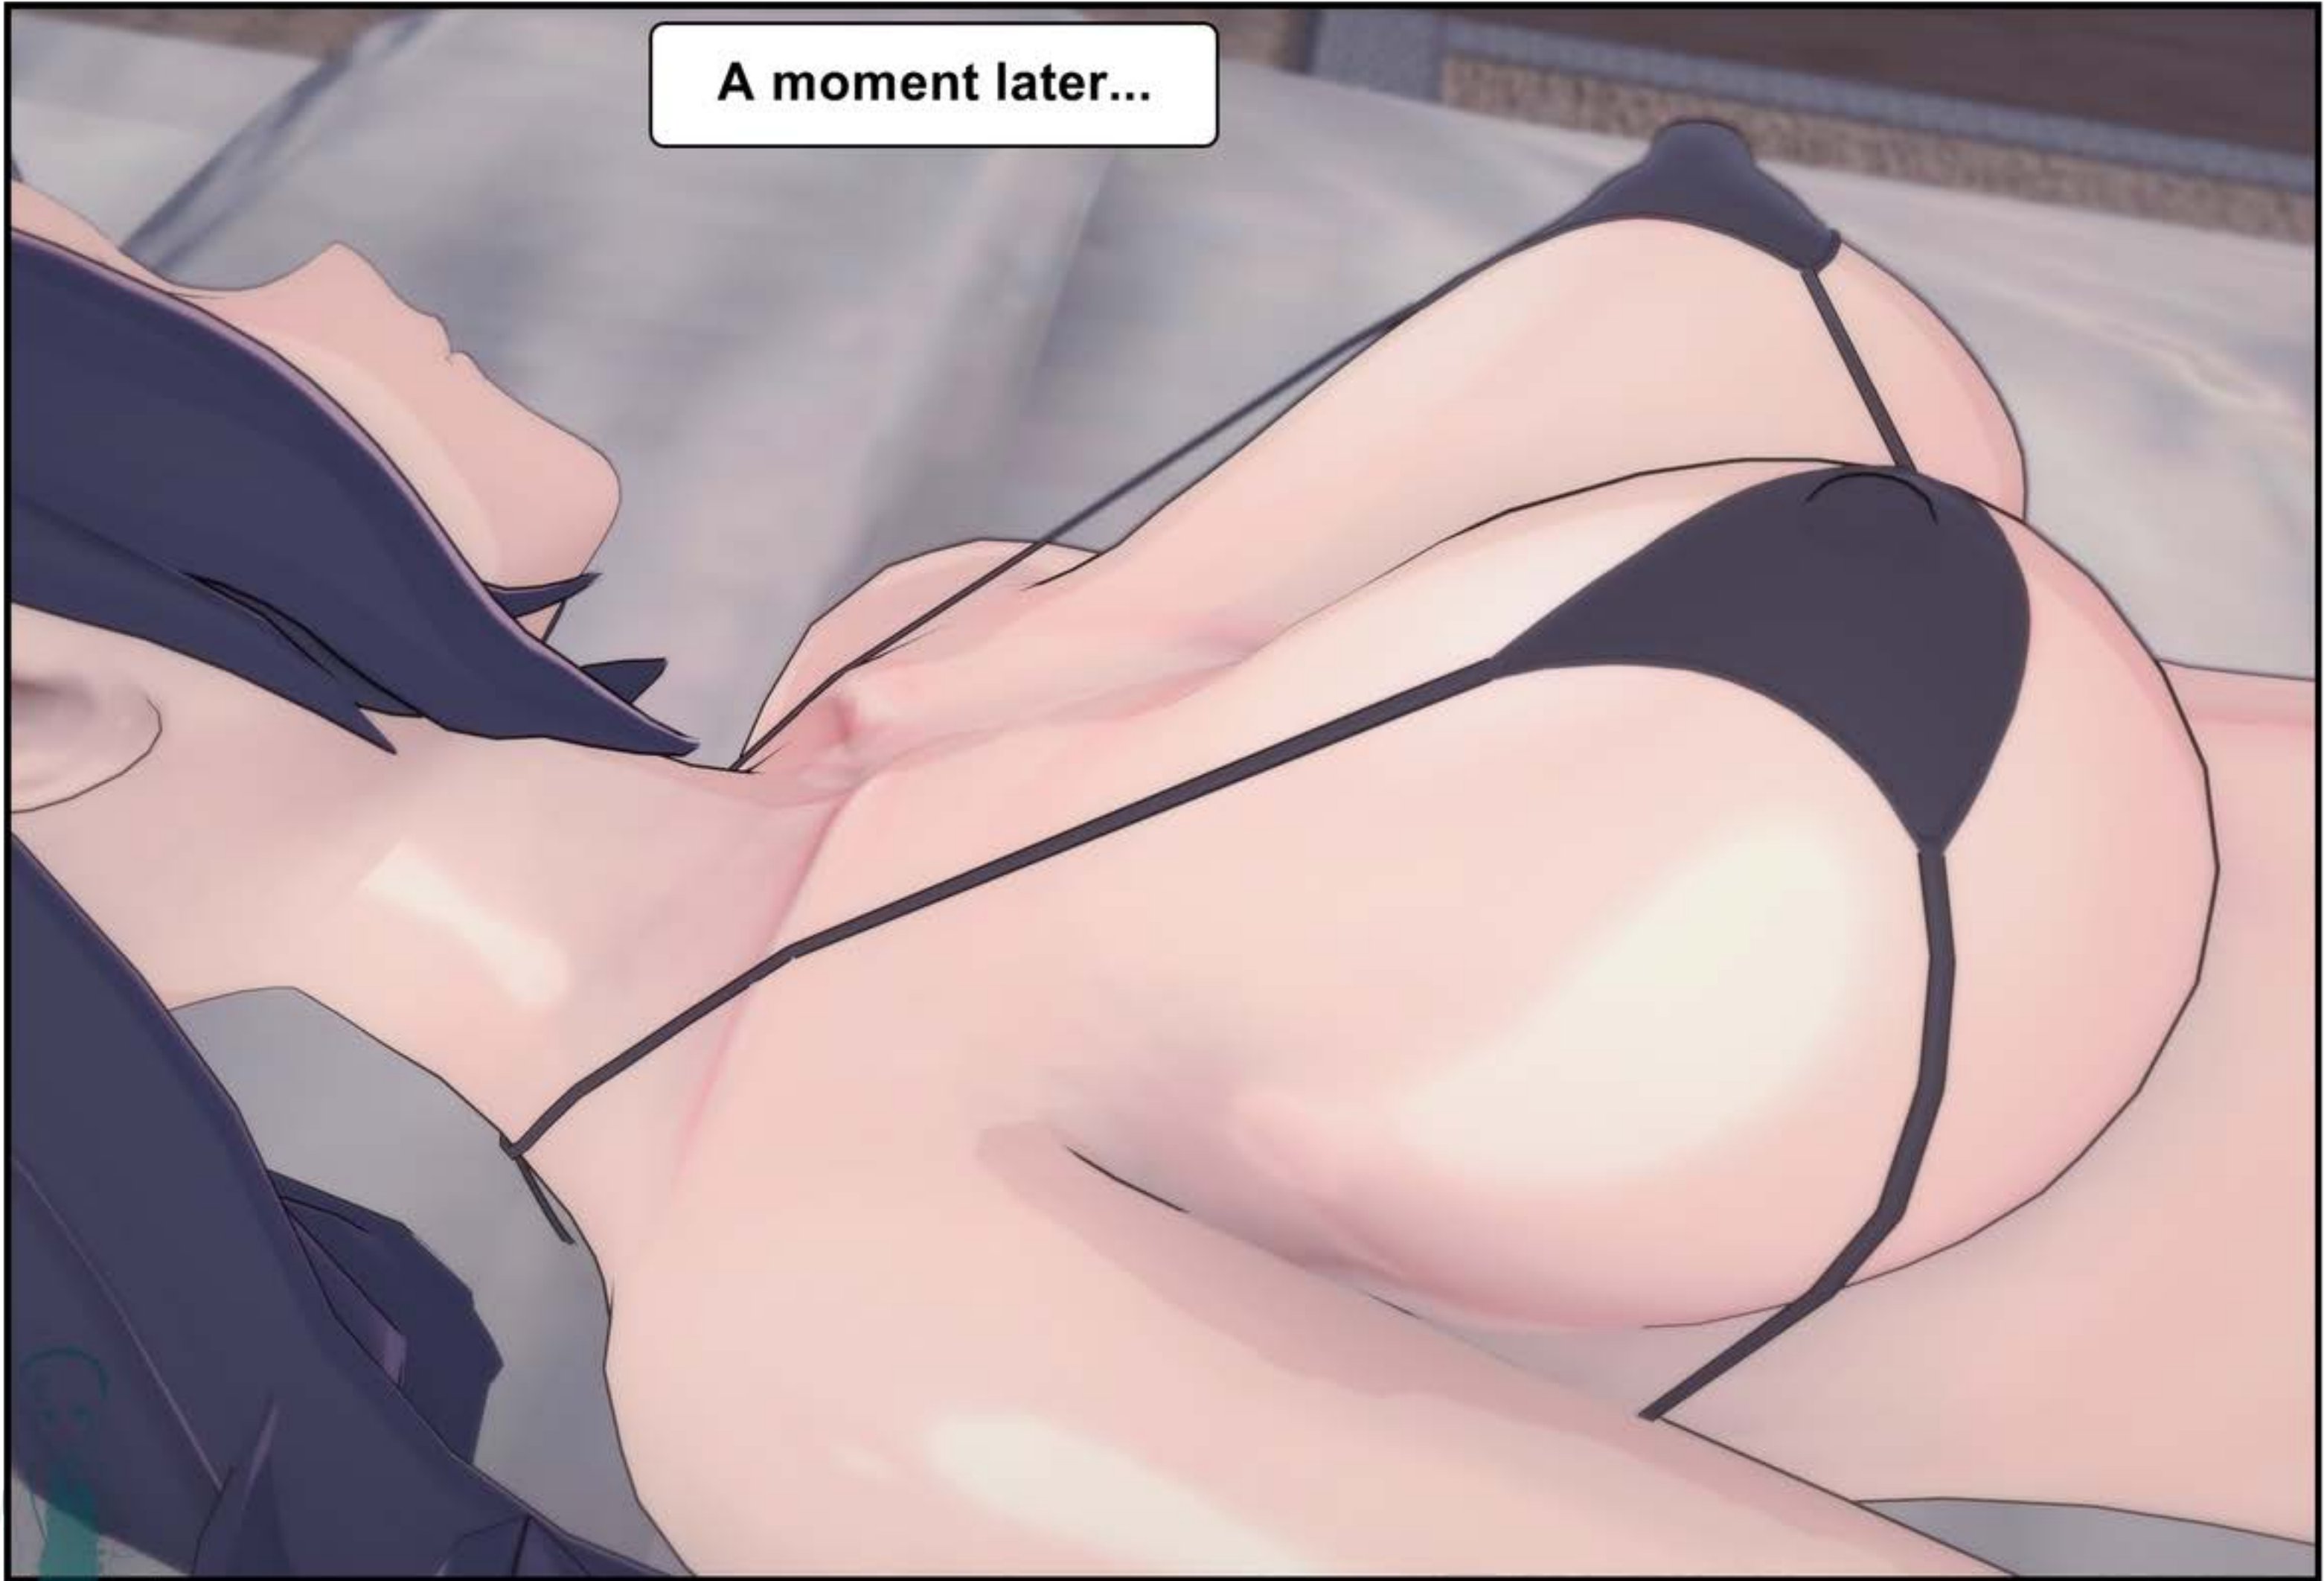

"Moreover... Should we tell Naruto about this?"

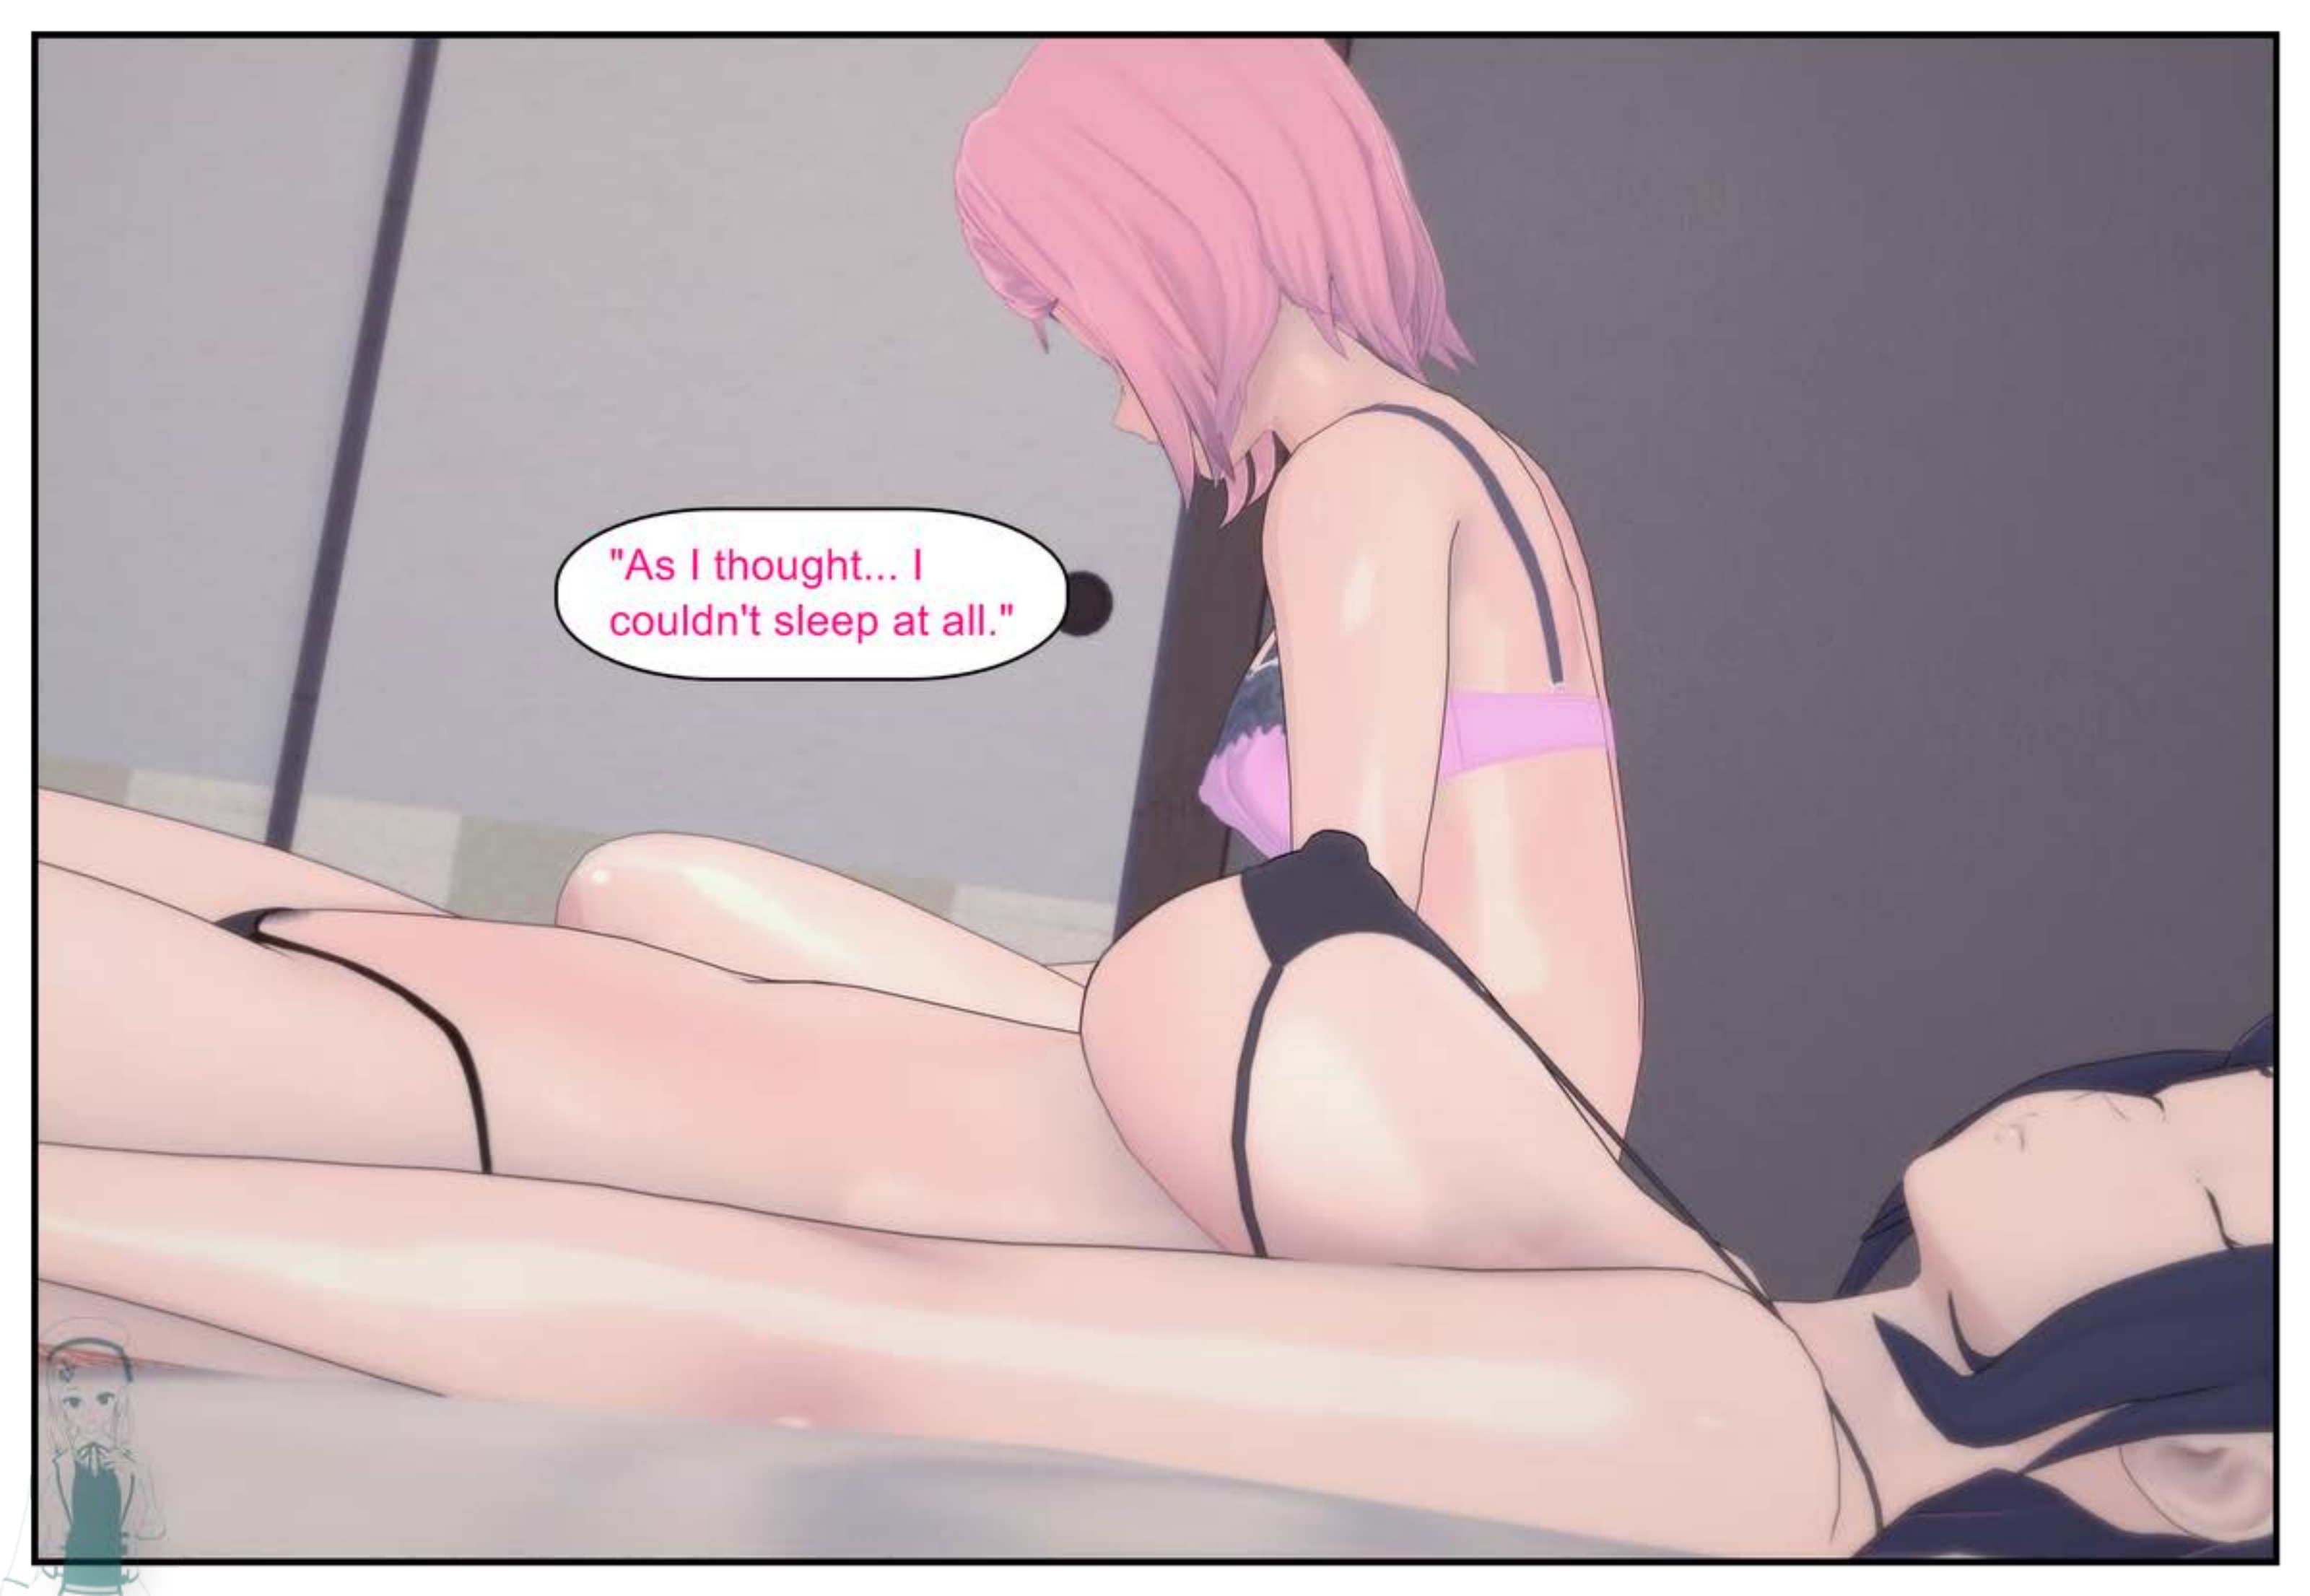

"Maybe... Until we talk with Ino again tomorrow..."

A moment later...

"As I thought... I
couldn't sleep at all."

"What am I going to do now?"

Should I...?

"Nothing much,
aside from increase
the size of body."

"And whenever I fused with Hinata, an itchy feeling is up under me..."

"I have to release it, I supposes."

Ah... Un... Hah...
Um... Ah... Ah...

Un... Hah... Mm...
Ah... Hah... Ah...

Ah... Nn... Hah...
Um... Ah... Nn...

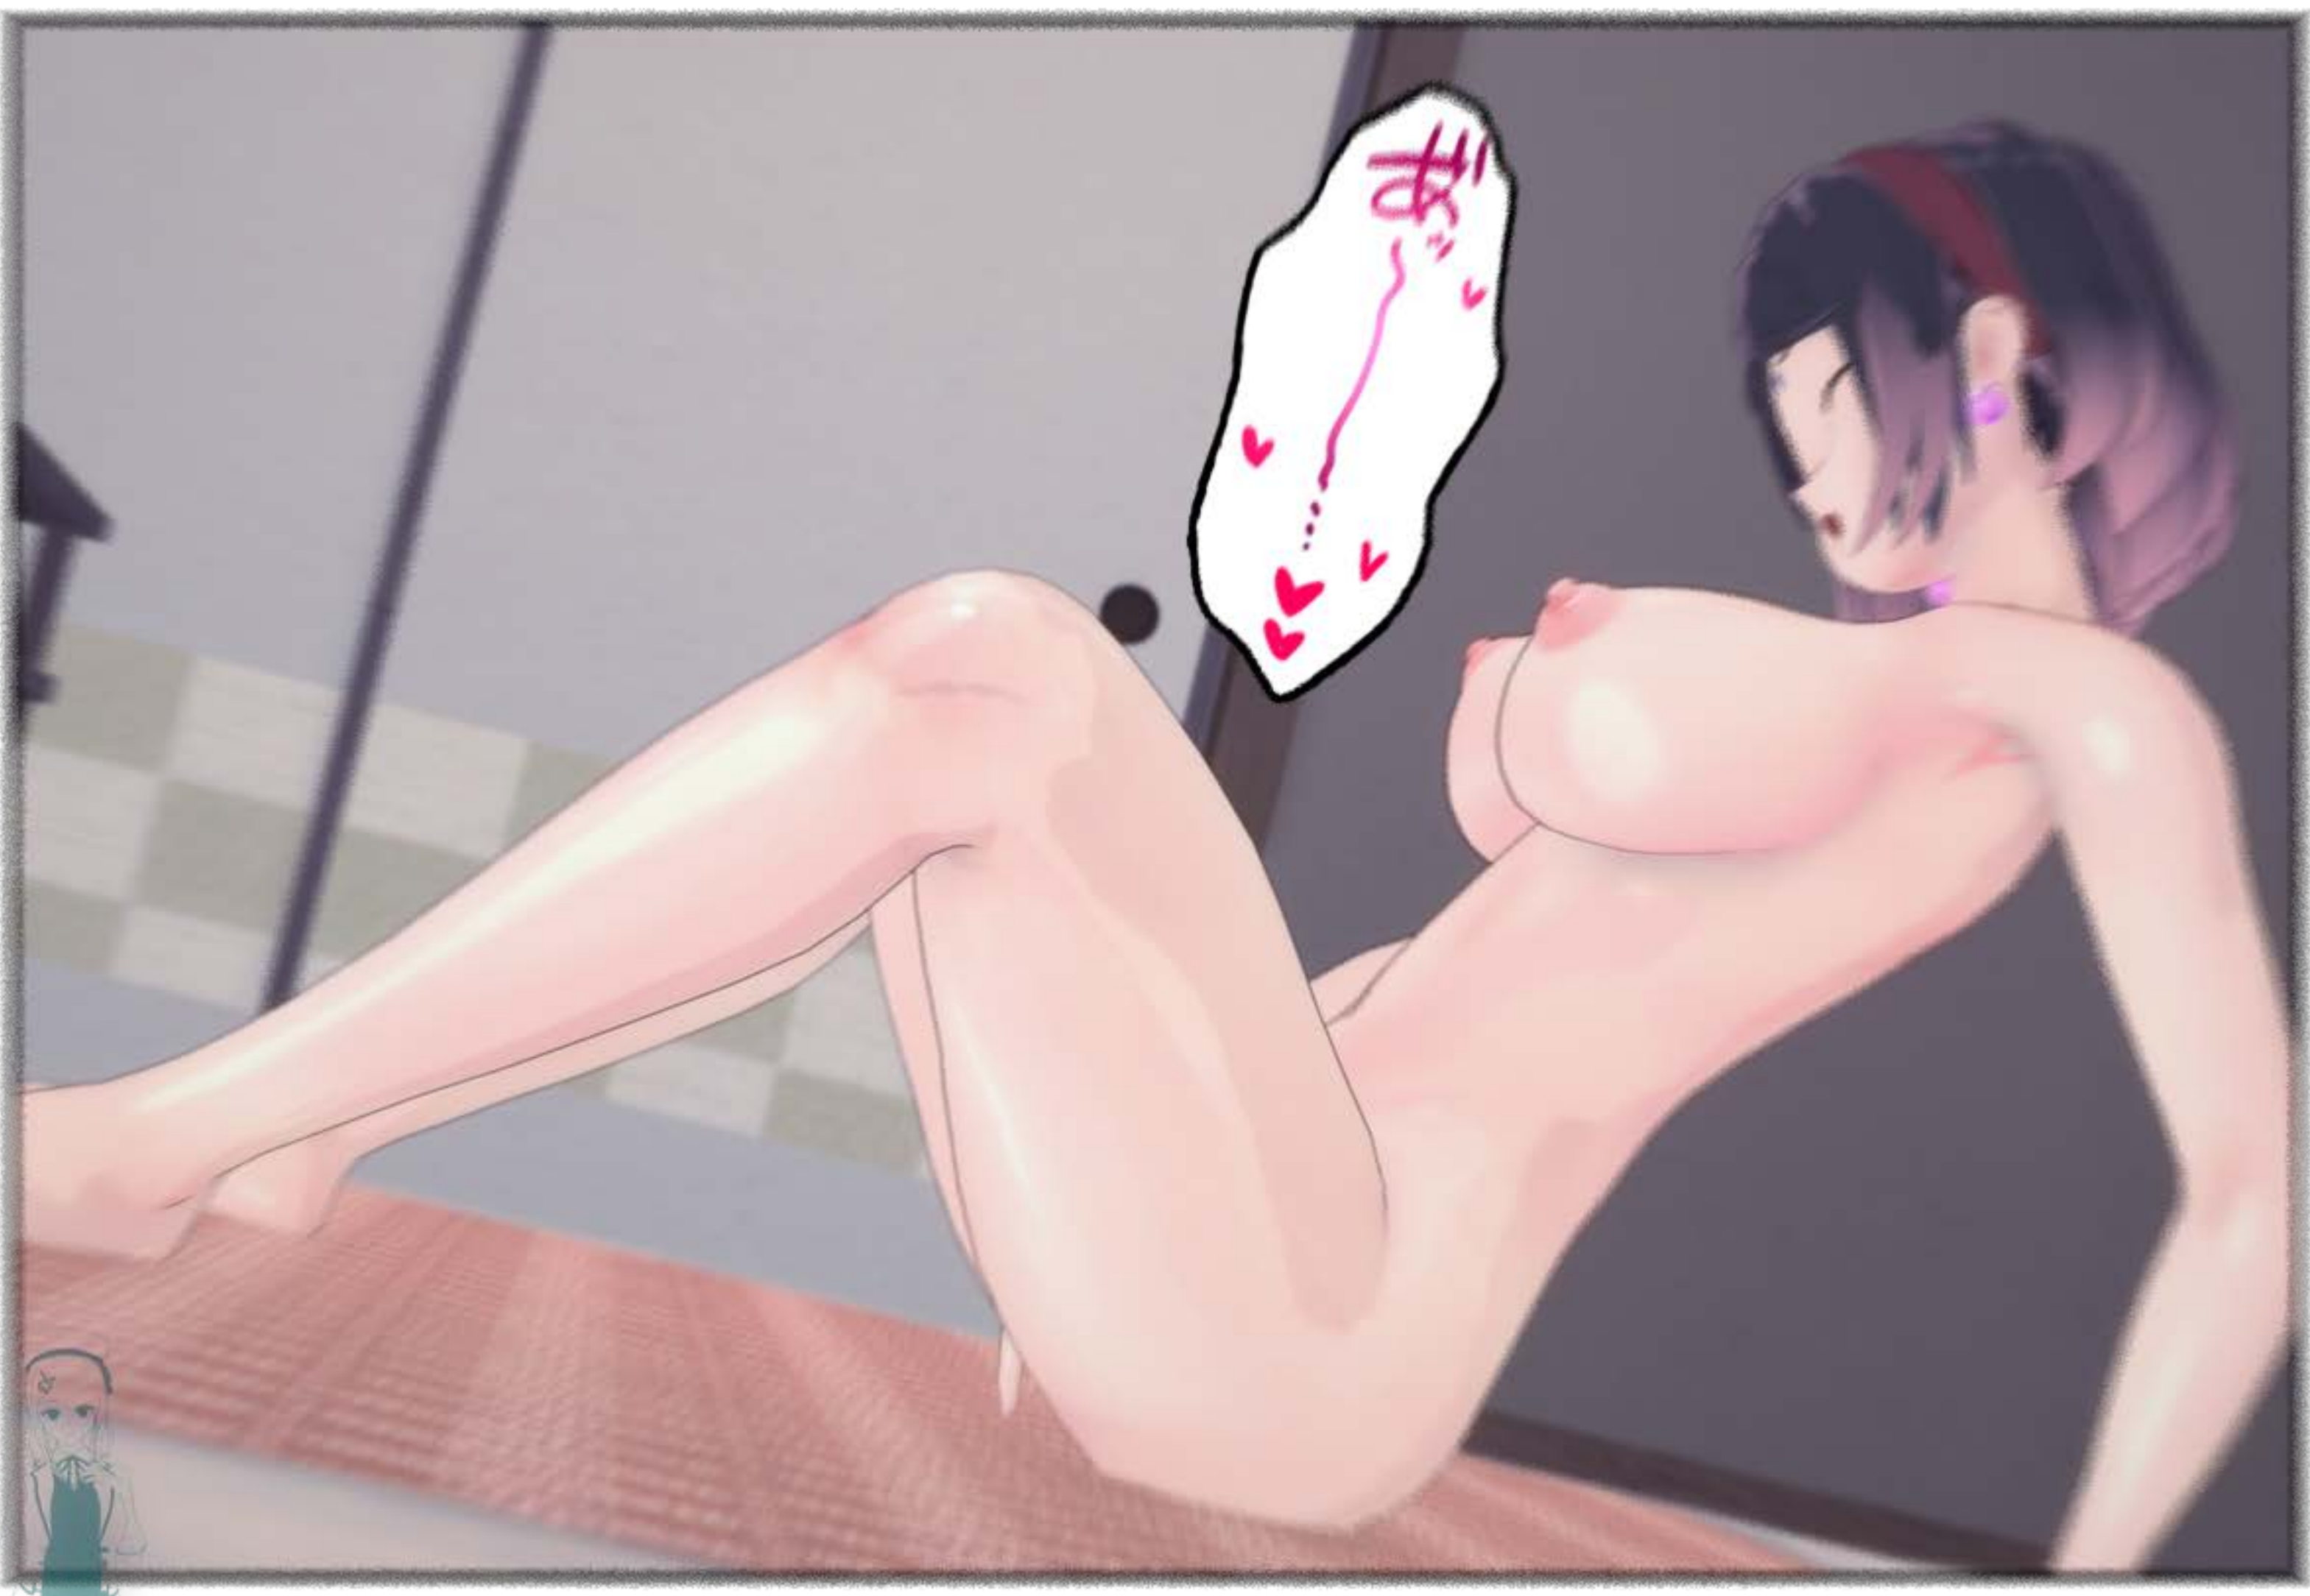

Un... Ah... Ah...
Nn... Hah... Ah... Mm...

I'm... going to
climax now!!!!

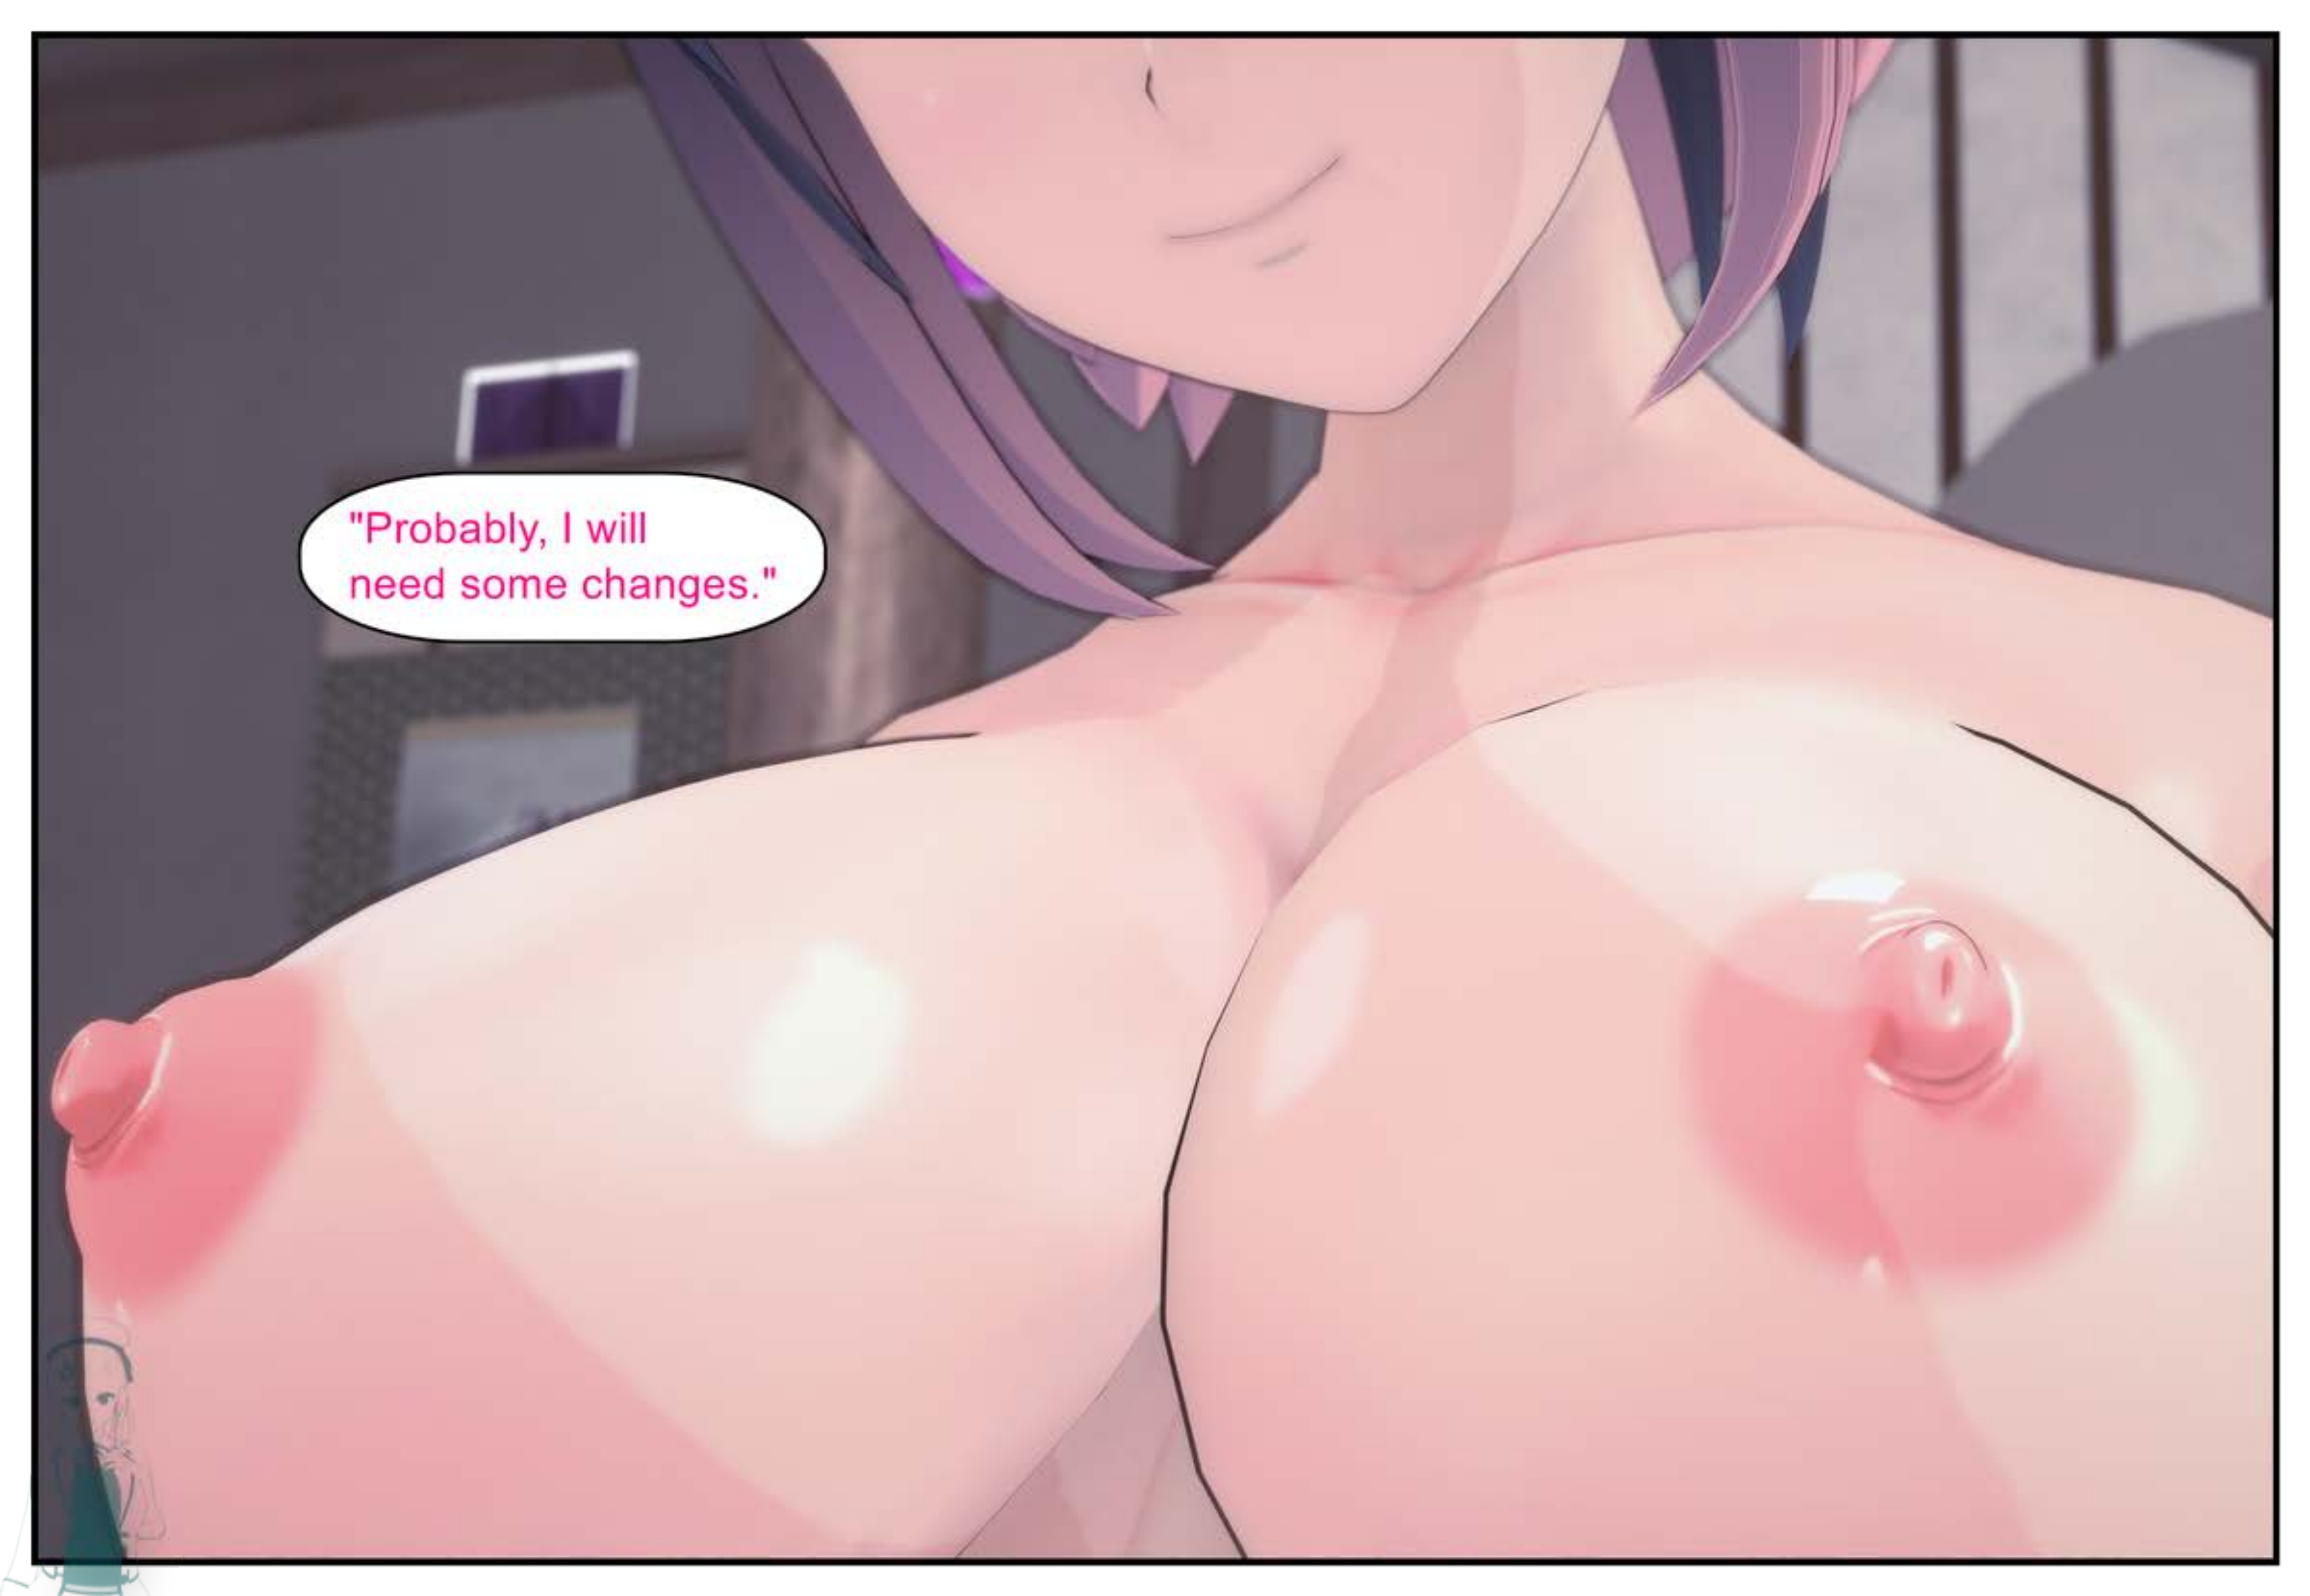

"That's not...
enough, I guess."

"Probably, I will need some changes."

"Phew... I'm not yet finish the work..."

A close-up illustration of Naruto Uzumaki. He has his signature spiky blonde hair and blue eyes. He is wearing his orange high-collared jacket with yellow buttons. He has a neutral, slightly somber expression. The background is a grey stone wall with some green foliage visible behind it.

"Also, Winter is coming, the wind is getting a bit cold."

"Guess I should be prepare... Hm?"

Uh... Miss?
Where are you
going this hour?

Oh, maybe we haven't met yet...

...or we have met
somewhere and you
forgot about me?

To be continued?
