

In the walkthrough, I will describe the best path with the lowest content possible. I will describe how to avoid fetishes and how to get all that you like. Every **bold** row is a selection in the game that you will have to choose to get to the best path. Underlined rows indicate different scenes in the story where the game has different alternative content. **The option** that will control certain fetishes will be of this color. Content for the Extended edition is marked as **Blue**.

Day - 15

Scene - 01

Early Morning. Wake up. See AmRose. Go downstairs.

- Read the Note (optional)
- then Thoughts on Penis Cage #1 - the "LC" cage (optional)
- then Thoughts on Penis Cage #2 - the "NTR" cage (optional)
- finally, Decide Which Cage to Wear
 - Select Penis Cage #1 (the "LC" cage) - Select for a more romantic story with Lydia
 - Select Penis Cage #2 (the "NTR" cage) - Select for a harsher, darker story where you might get betrayed

If you selected the "NTR" cage and are on the AmRose "Romance" path - then AmRose gives a blowjob.

If you selected the "LC" cage, then AmRose gives a blowjob - teaches Lydia how to suck dick, and finally Lydia gives head by herself.

If you selected the "NTR" cage and are on the AmRose "Sex Slave" path - then Lydia aggressively facefucks AmRose using your cock.

Afterwards you are caged and take a shower. AmRose returns your phone and you discover that you earned points.

If you creampie'd Nora and confirmed that you want to be a father to her potential child, you will receive a phone call asking you to come to her coffee shop.

You will get **12 points** for that scene.

Scene - 02

If you creampie'd Nora and confirmed that you want to be a father to her potential child, you will learn that she is pregnant. Also, she is considering an offer to buy out her coffee shop.

- Itching to Break Free - You are a sex machine looking forward to fucking again
- Had Enough Fun for Now - You are looking to settle down with someone special

Regardless of your choice, Nora will ask you to think about leaving this city and moving away with her. You will also receive a Gold Star (for knocking her up.)

Scene - 03

Run into Pete back at your dorm room.

If you did NOT give Hana the password to Pete's laptop during Week 2 then you learn that someone stole the laptop.

If you put Pete in the Retention Program then you can learn about what it is trying to get Pete to do.

If you are on Dahlia's path then Pete will talk to you about her and Samiya.

If you are on Dahlia's path AND you selected the "LC" cage AND you let Pete try to hook up with Samiya during Week 2 AND you put Pete in the Retention Program then you will get some special dialogue with Pete suggesting the two of you and the two women (Dahlia & Samiya) could take off for the Bahamas.

Scene - 04

Scene 04 has three possible paths: Study, Dahlia, or Daisy

Study path: You continue Studying for Exams. Nothing interesting happens, but you earn 1 Study point.

Dahlia path: You set up a surprise meeting for Dahlia and Samiya to work out their differences, but they unexpectedly team up for femdom.

- Stop This Now - ends the scene with you yelling at the two women, but at least you don't get your ass beat
- **Let Them Work Out Their Anger** - continues the scene with the intervention working as Dahlia and Samiya resolve their issues. You will also get **6 points** at the end of the scene.
 - Take credit for reuniting them - ends the scene with Samiya leaving and Dahlia performing horrifying acts off screen
 - **Let the girls think it was entirely up to them** - continues the scene with Dahlia and Samiya even hugging and becoming friends again. If you had the conversation with Pete in Scene 03 about the four of you going to the Bahamas this option will be necessary to continuing that path in future releases.

Daisy path: Go to the hospital with Daisy to support her. Daisy finds a lewd outfit and sexual events follow. After the doctor's appointment you will have the option to kiss Daisy or not.

- **Kiss her**
- Don't

You will get **6 points** for the scene with Daisy.

Scene - 05b

[Extended Edition Only - scene with Polly and Nora](#)

You can only get this scene if you are on Polly and Nora path and you didn't creampie Nora

Visit the Triple-P (Public Private Place) for some exhibitionism with Polly & Nora

If you fisted Polly during day 14, then you will teach Nora how to fist Polly.

Nora will offer to remove your penis cage (without the key):

- "Inquire further"
 - This choice has no consequence currently. You learn more about Nora and an interesting job she once had.
- "Let it go"
 - This choice has no consequence currently.

Flip a coin (both will happen, it is just a question which happens first):

- "Heads"
 - Polly fucks Nora with a strap-on, starting with Nora giving head.
- "Tails"
 - Starts with Nora fucking Polly's ass with a strap-on.

Interesting possibilities:

- "Get Pegged by Nora"
 - Nora will use her strap-on on your anus
 - Option to strapon spitroast Nora afterwards
- "Put on a Strapon and Spitroast Nora"
 - You will wear a strap-on and team up with Polly to fuck Nora
 - Option to get pegged by Nora afterwards

- "Say that is enough for today"
 - Skip either of the above possibilities

Scene - 06

Spontaneous date with Lyssa. Lyssa and Oliver pick you up and take you to Lyssa's house for a dinner date

Three important choices in this Scene:

After handjob she wants to eat your ass:

- Don't - This will stop the sex scene
- **Let her eat your ass** - needs to be done to continue the sex scene (+3 points)

After that, you can let her fuck your ass:

- **Allow Lyssa to take your anal cherry** - Lyssa will fuck your ass (+6 points)
- Don't - ends the sex scene and will block some of Lyssa endings

During the pillow-talk she tells you that she loves you:

- **I love you too** - Tell Lyssa you love her
- Kiss her - no consequence now, but will block some ending with Lyssa

After the steamy parts are over you cook and have dinner with Lyssa.

If dating Oliver you get some more dialogue with him.

- I'm just here for moral support - Only Min pisses on Lydia

Min asks if you want to do watersports in the future:

- I'm getting kinda bored of the watersports - You will still date Min, but with fewer Watersports.

You will get **12 points** for that scene.
