Champagne, Madame?

Ooh, for me, too!

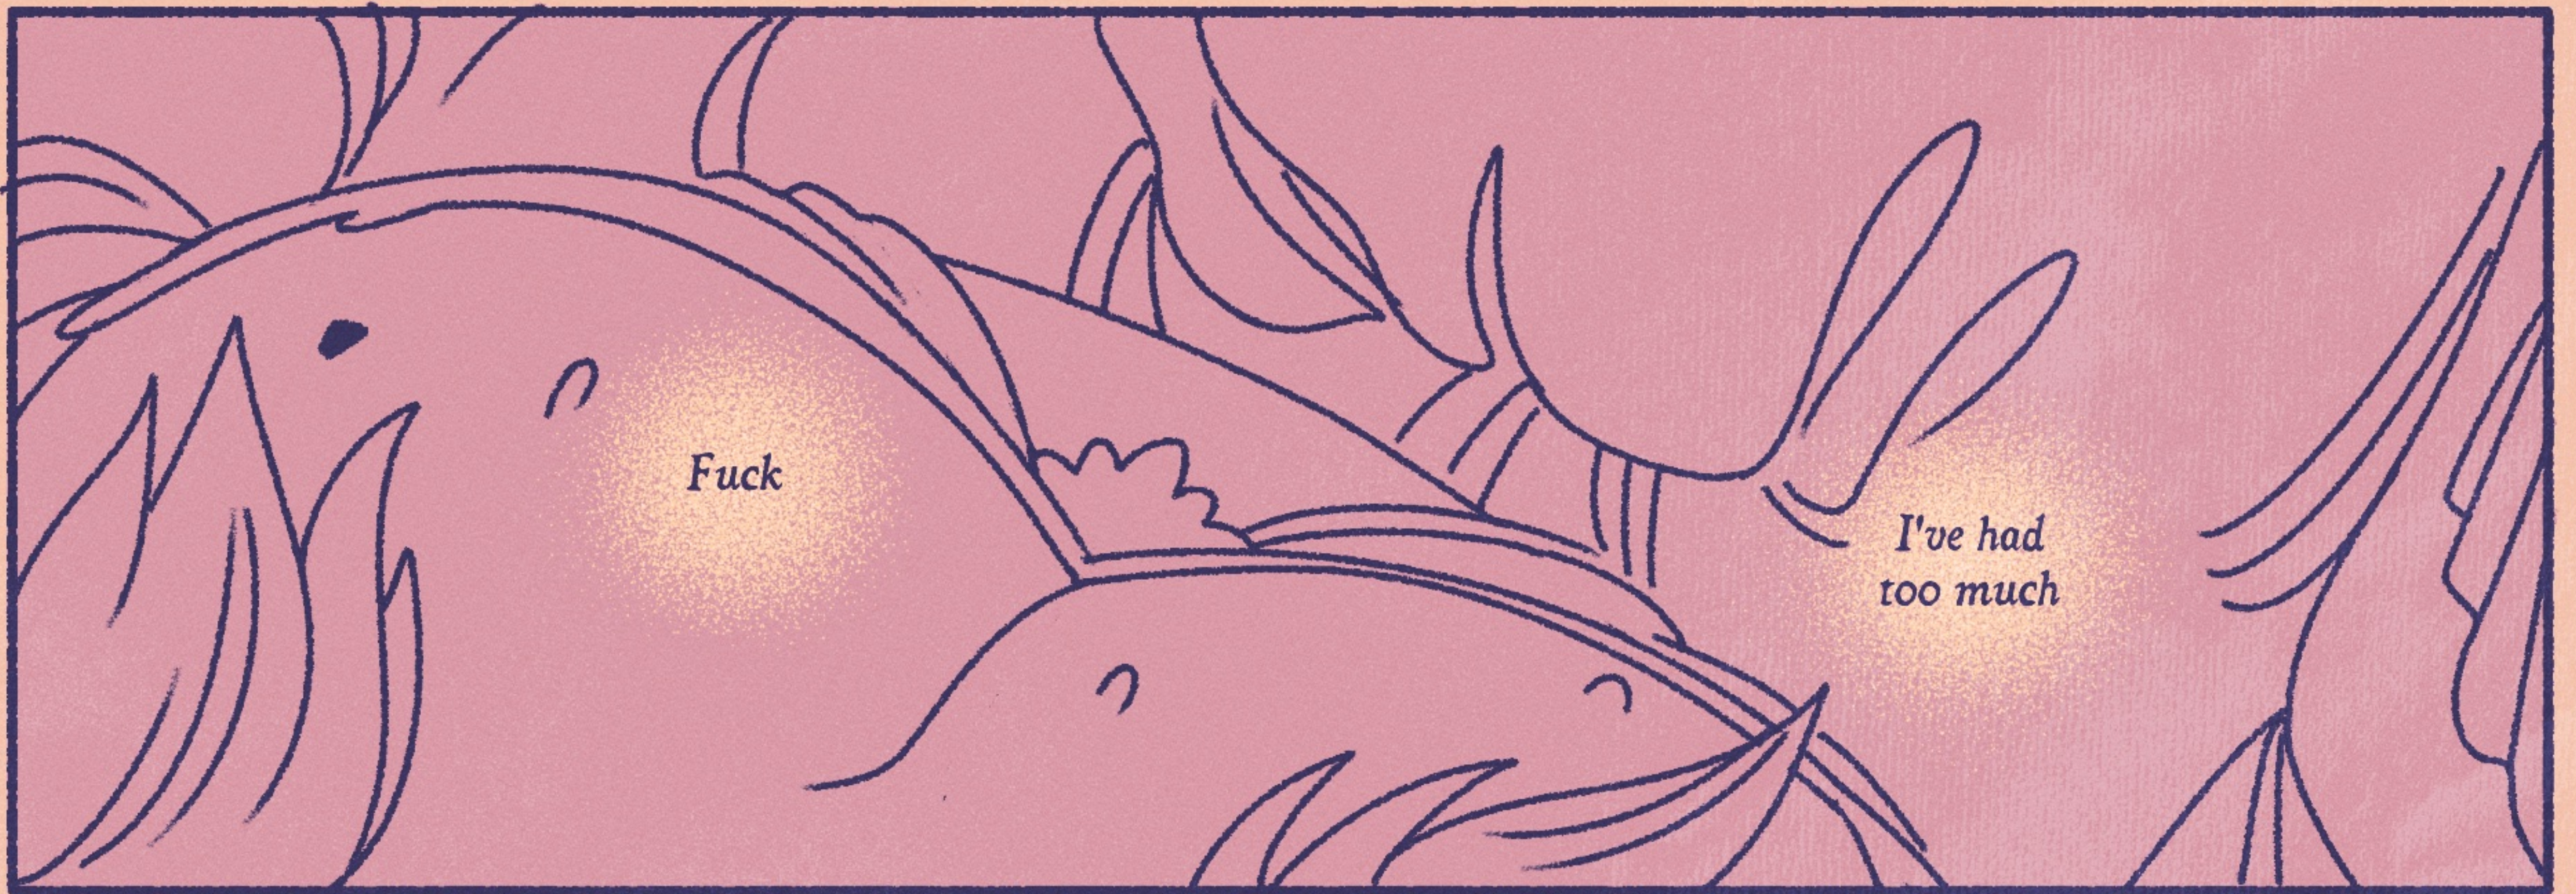

You must feel so lucky, Lady Shreve!

Typically, when one marries up --

Well, the man isn't usually so handsome!

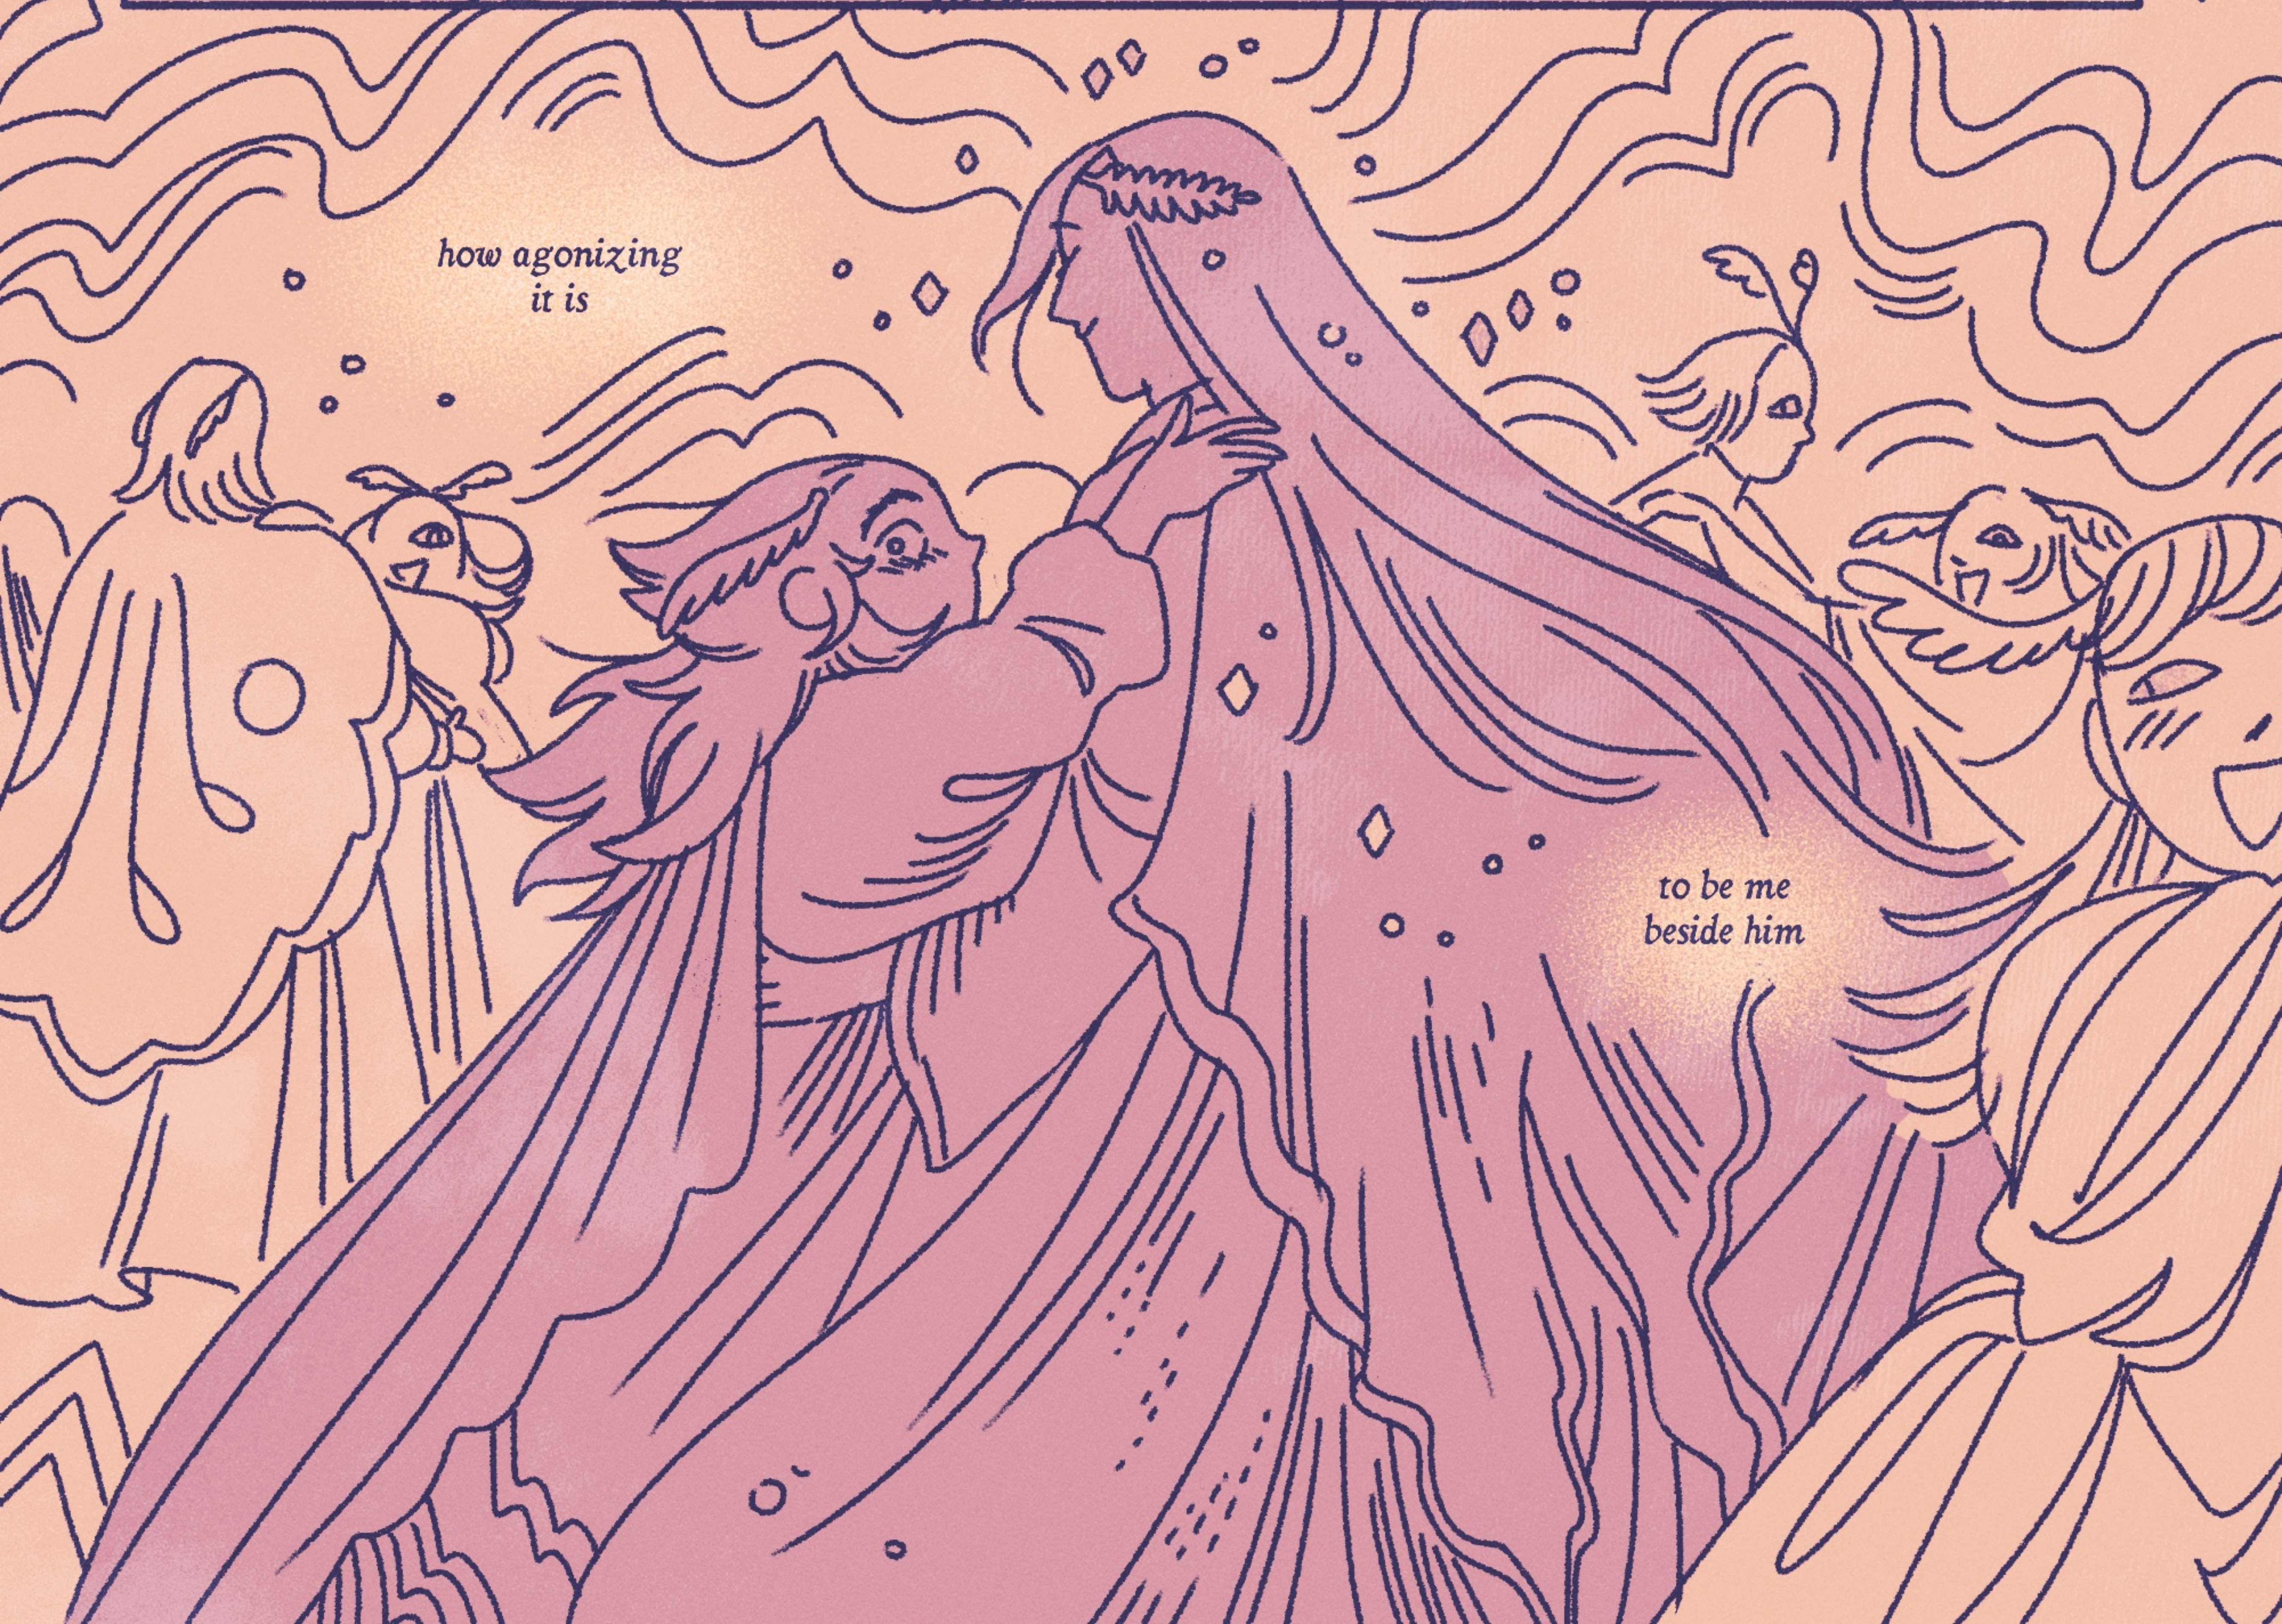

Fuck

I've had
too much

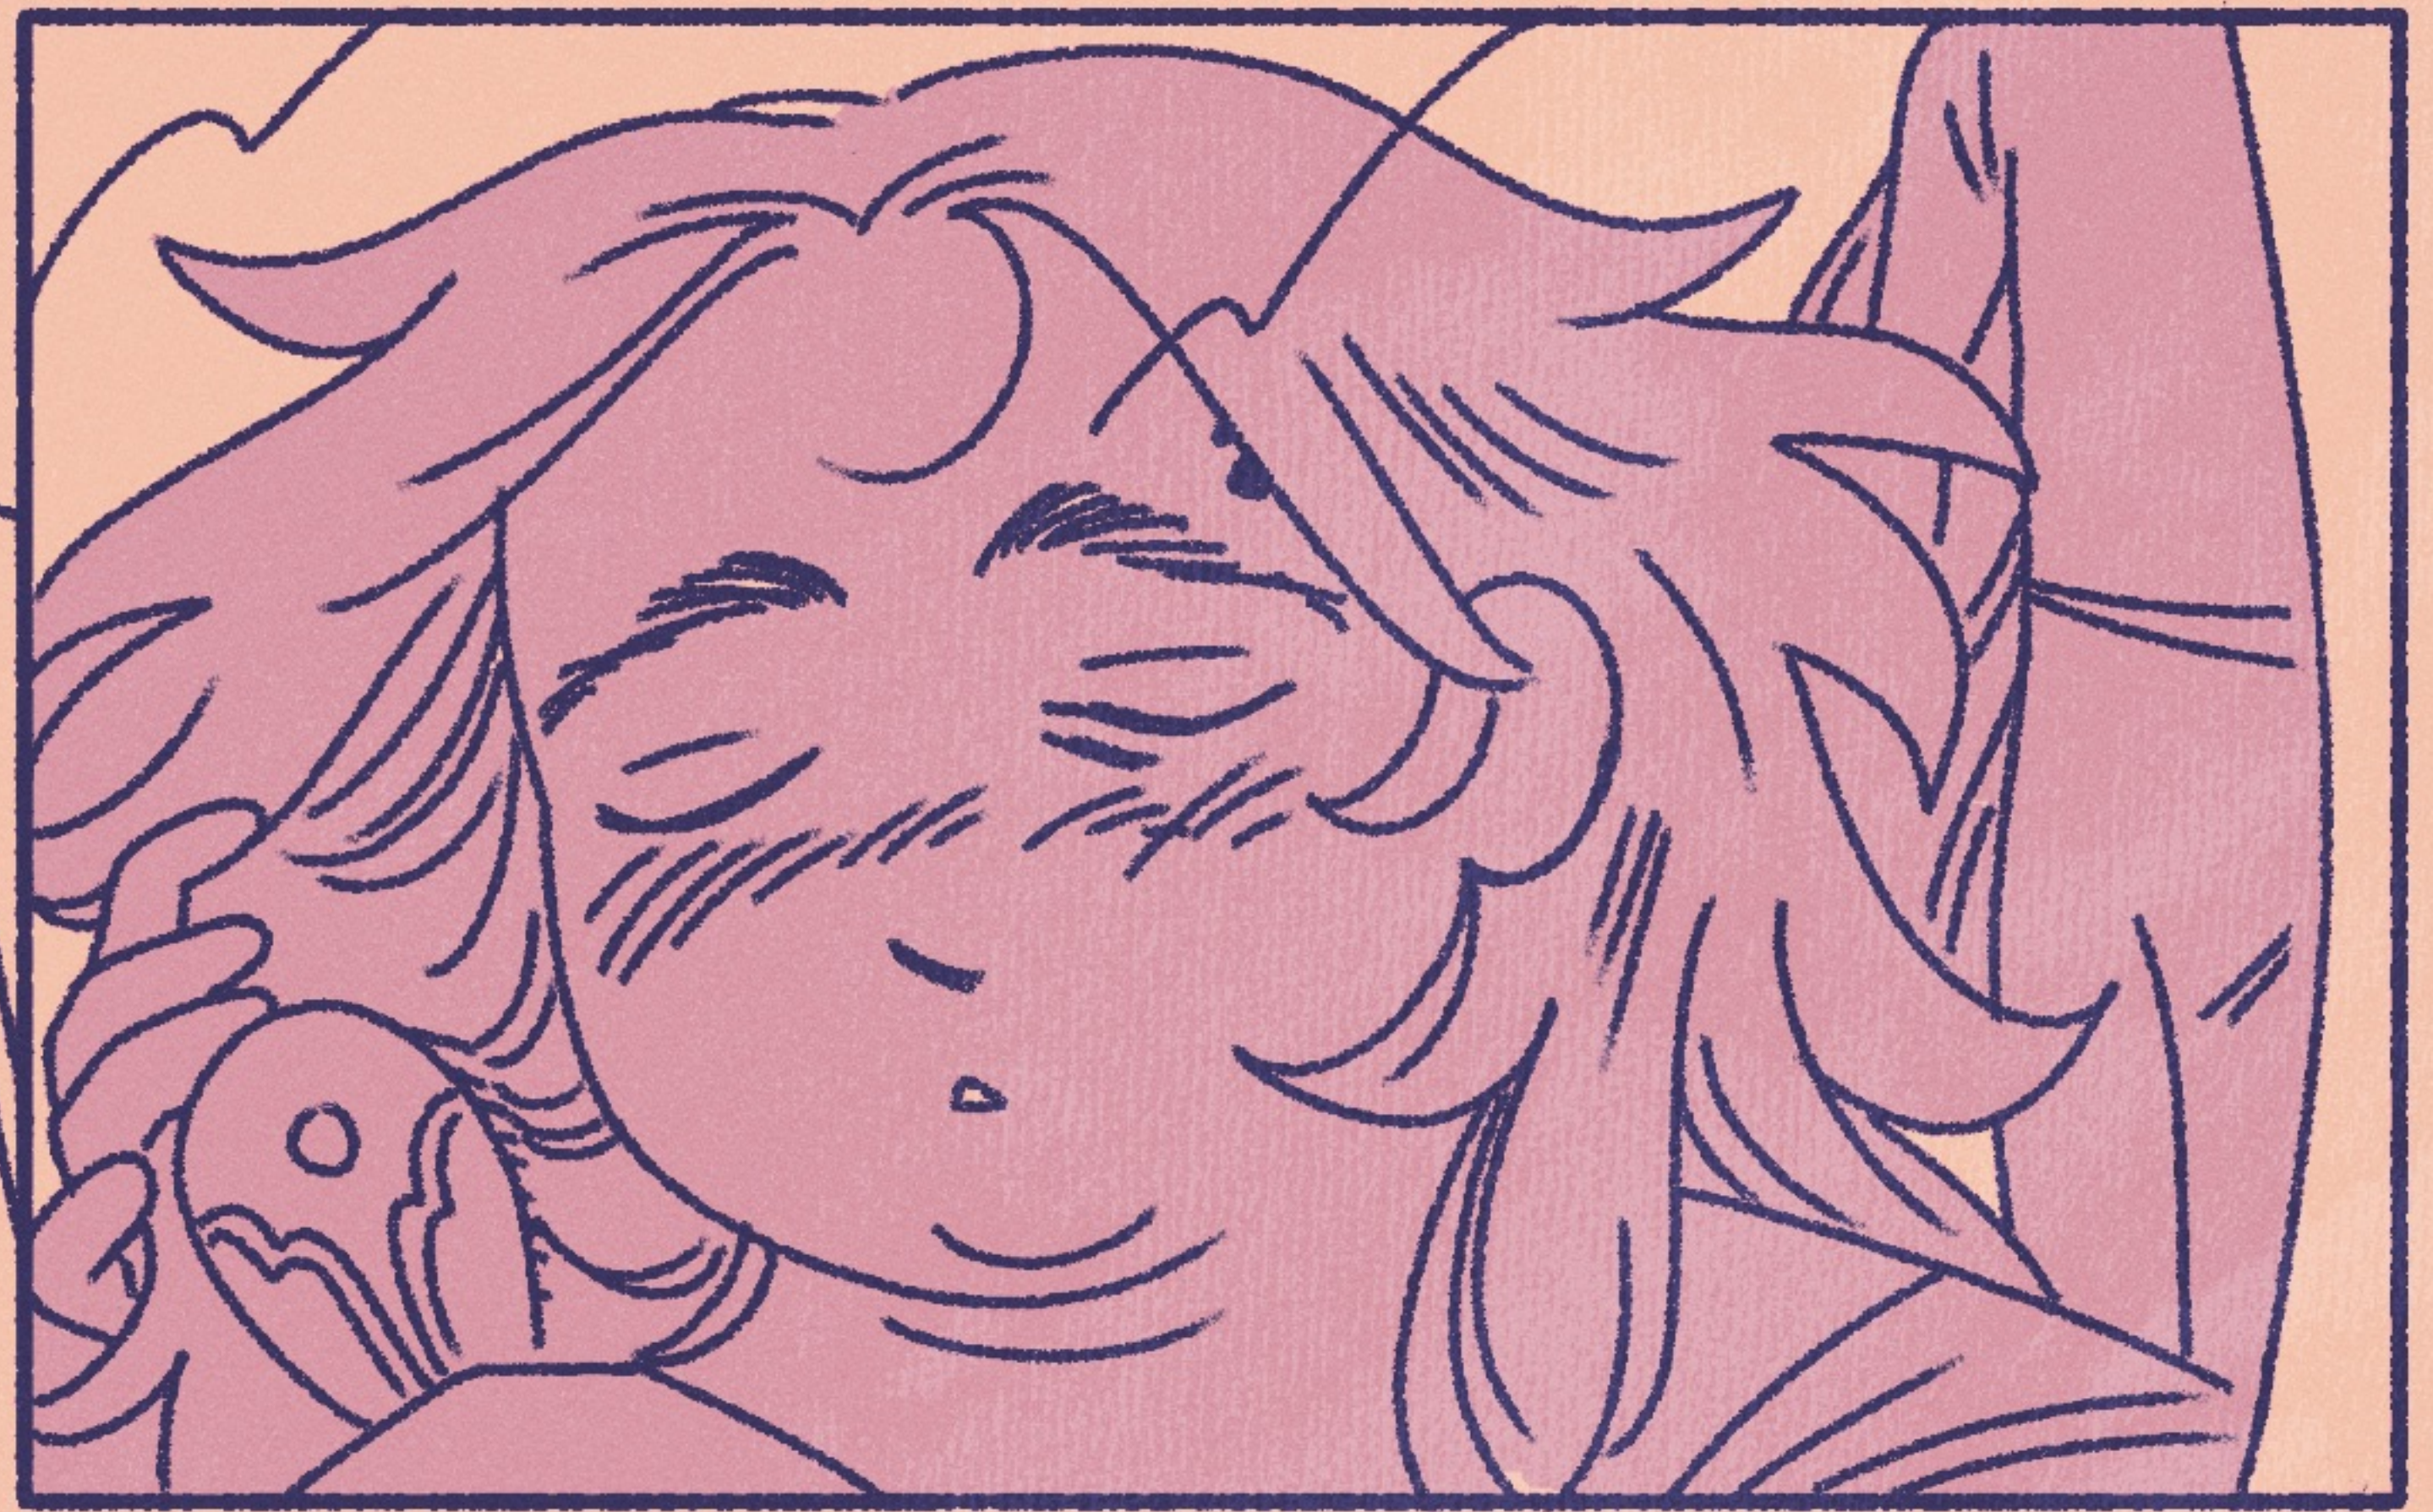

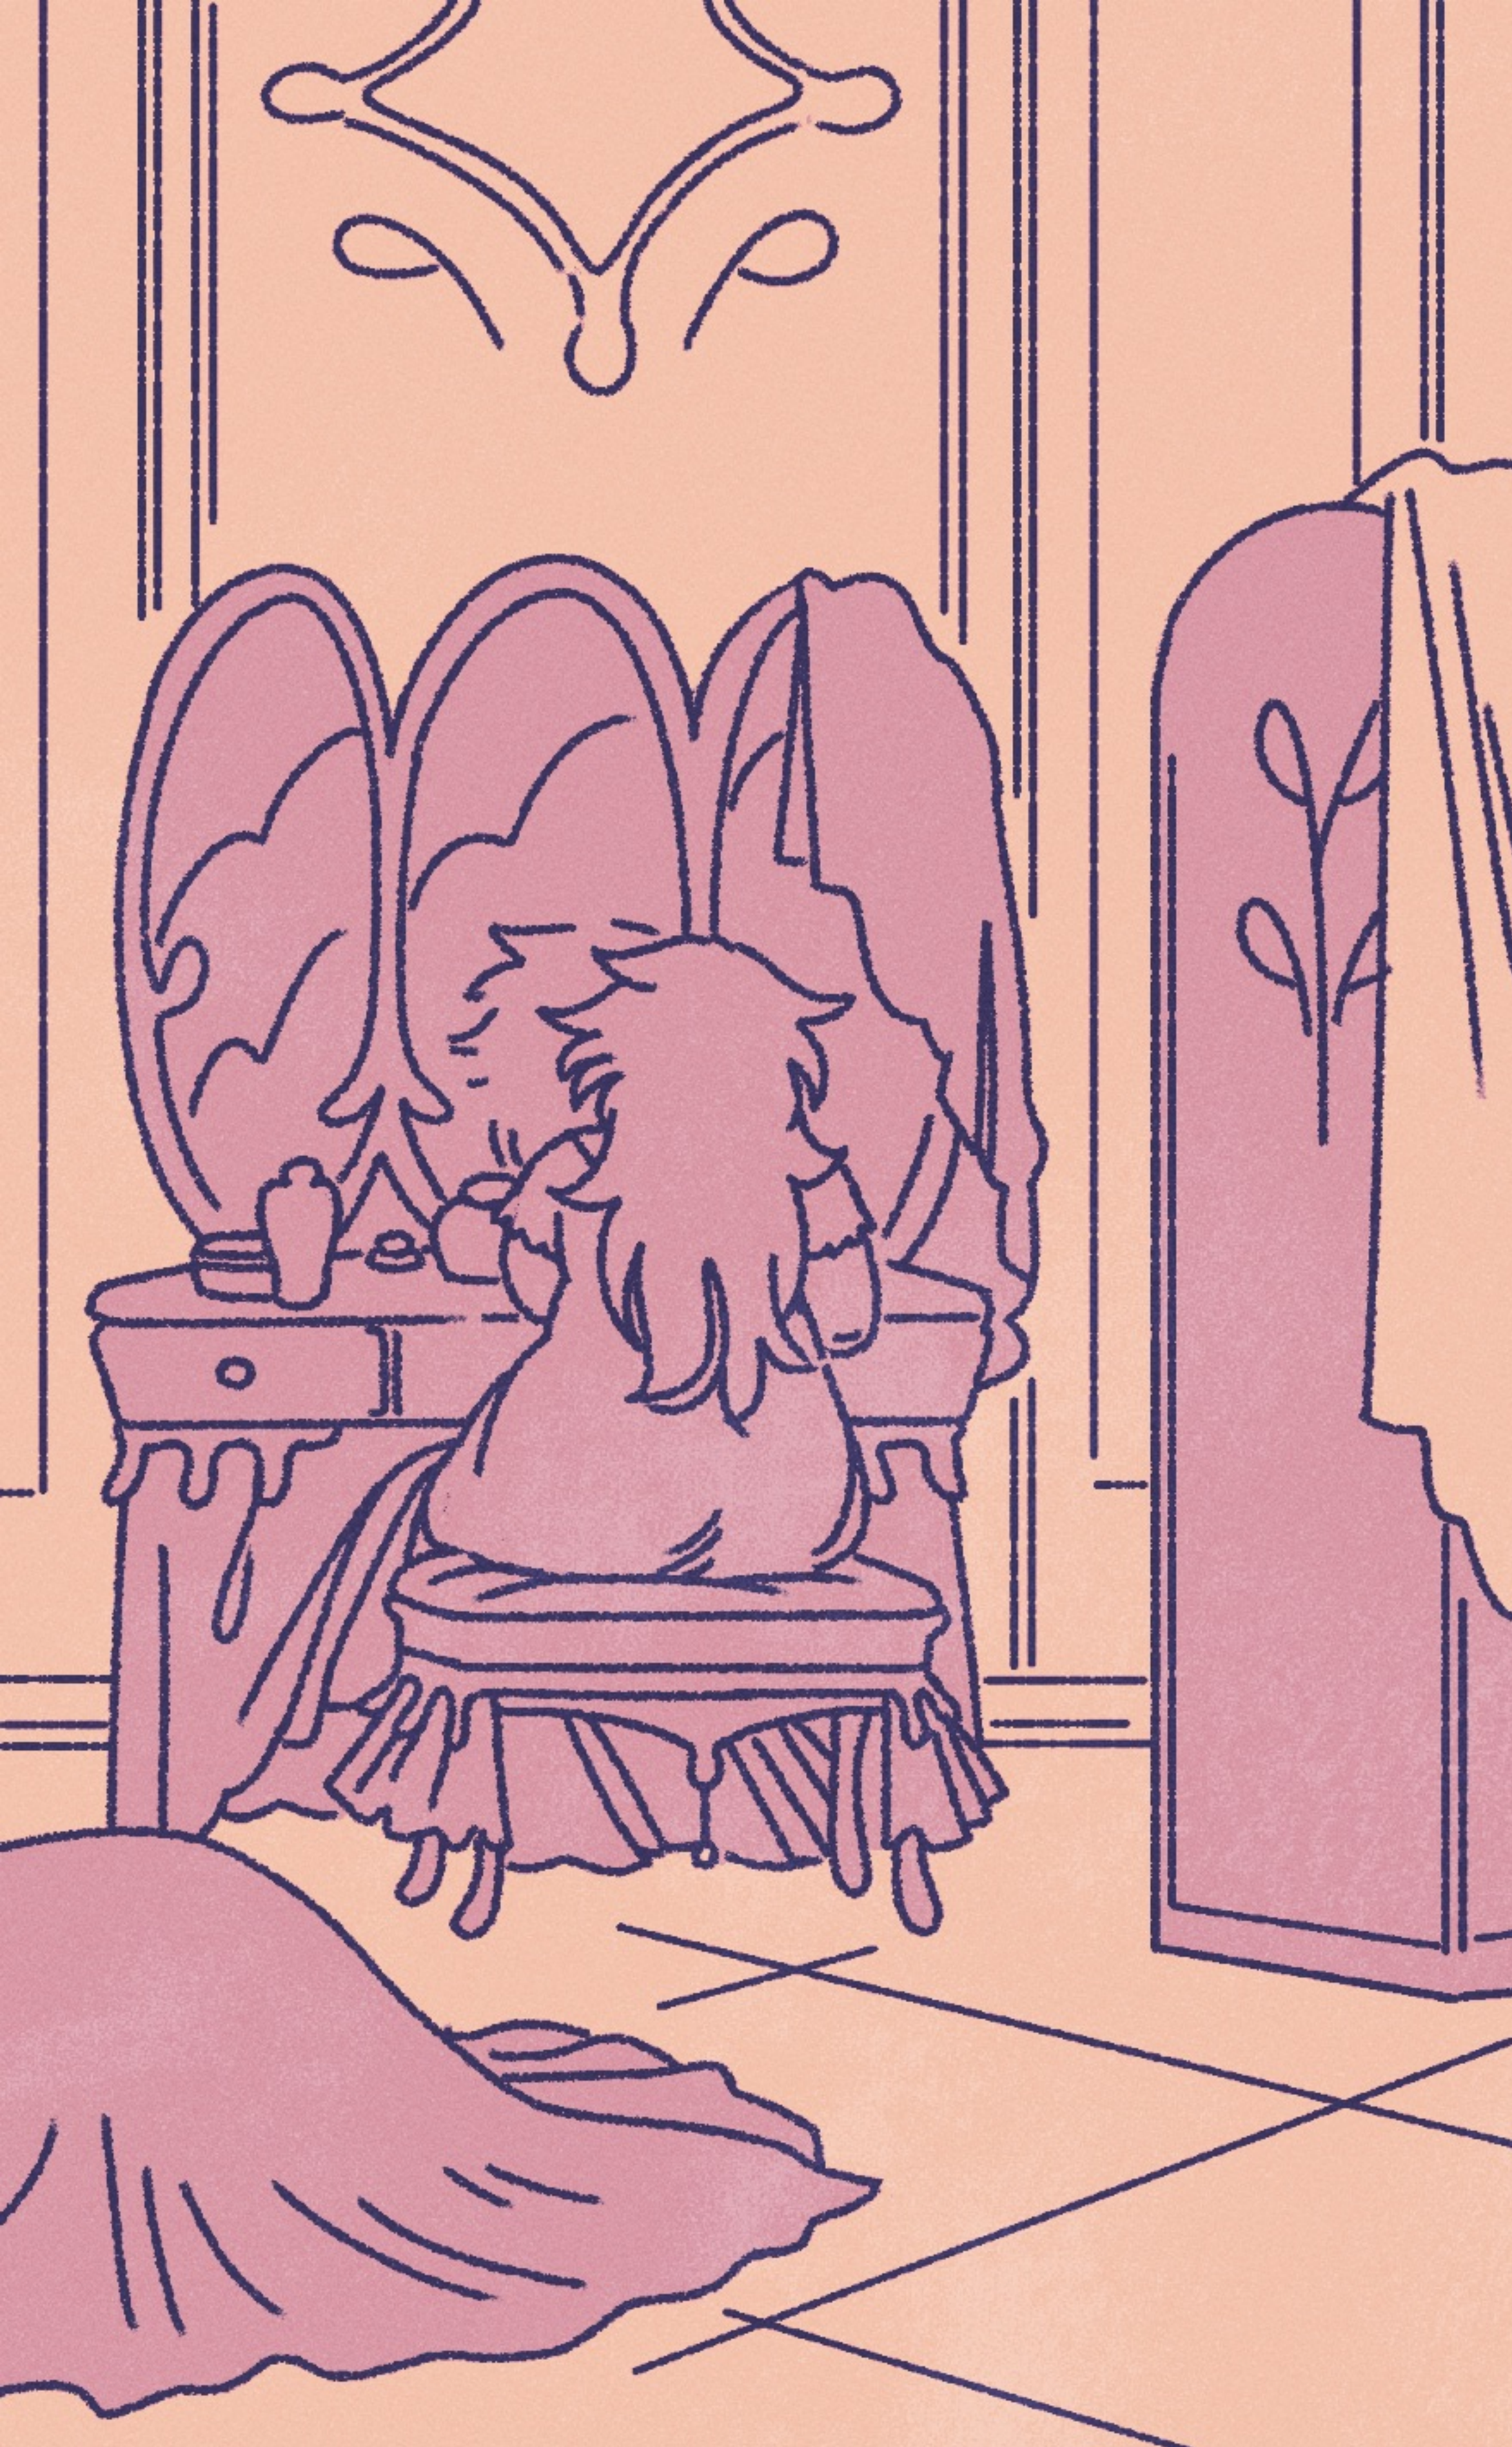

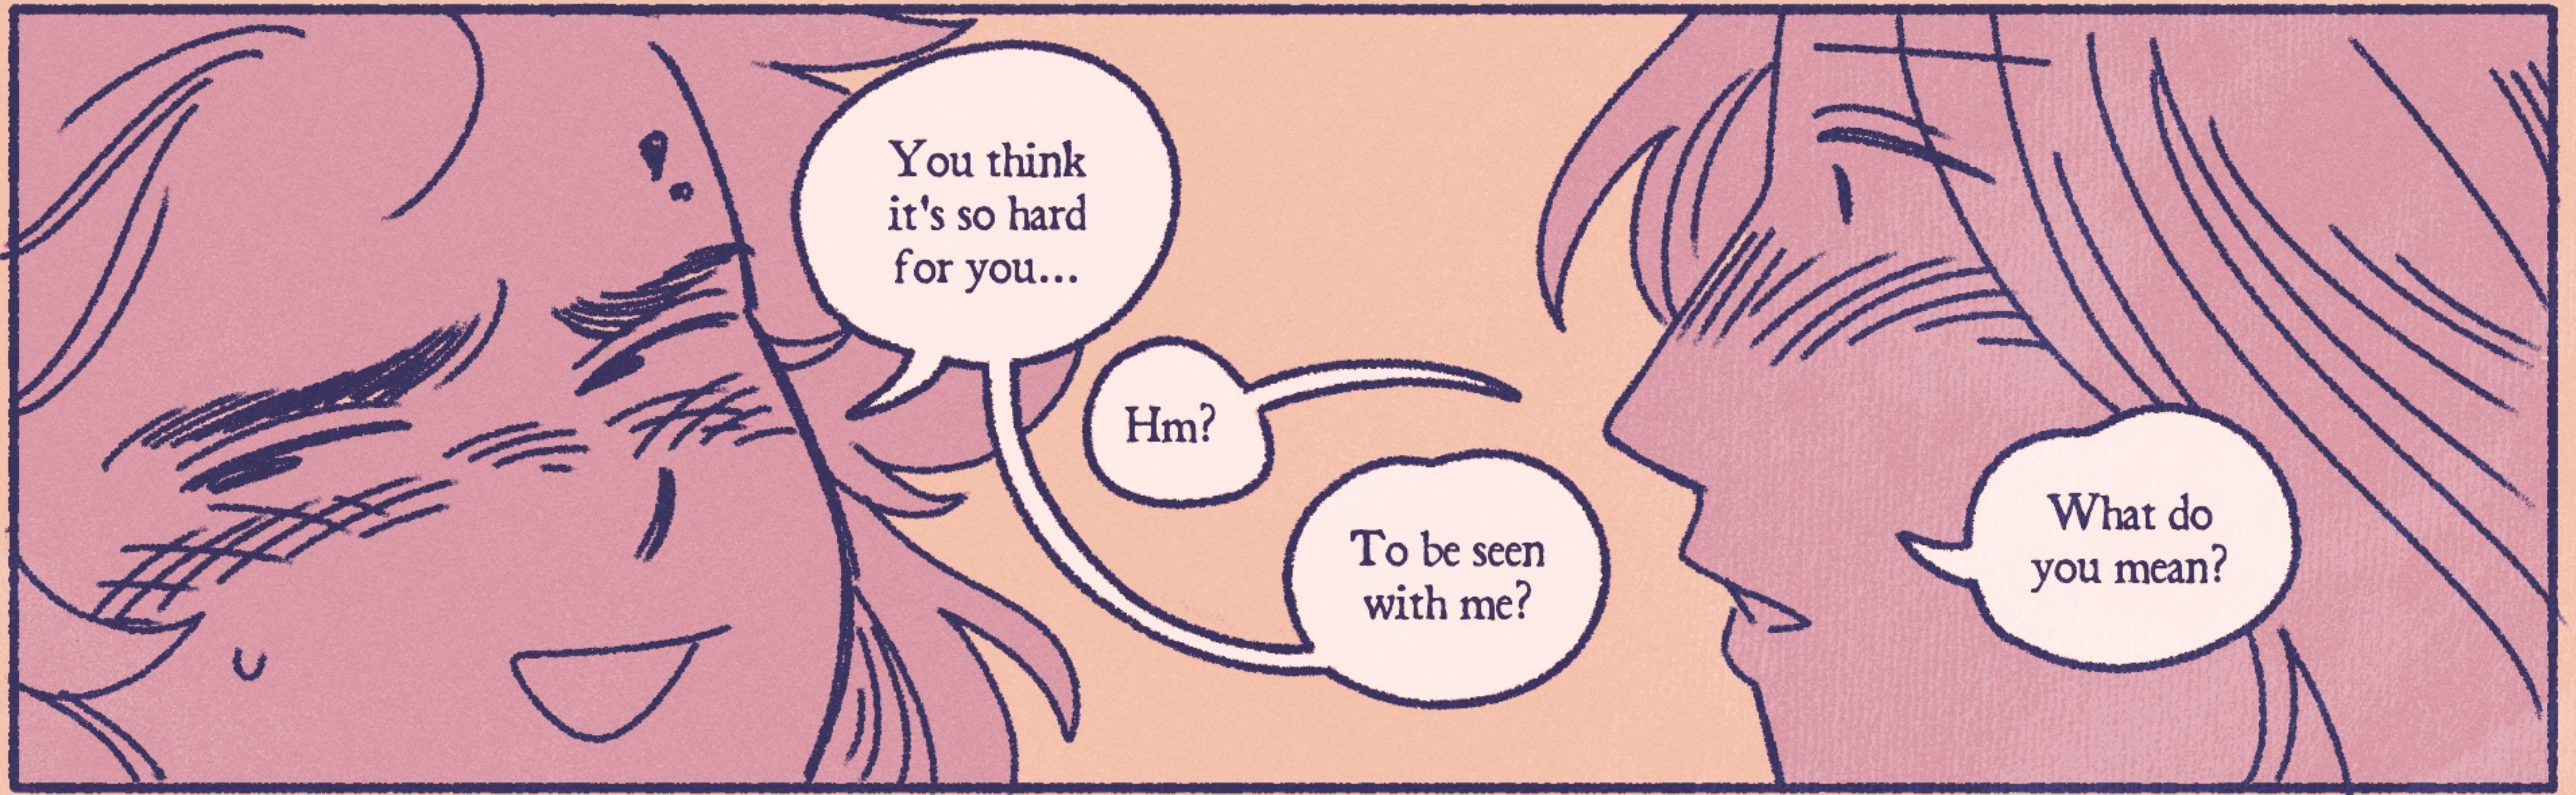

but how
else do they
expect me to
suffer this?

how agonizing
it is

to be me
beside him

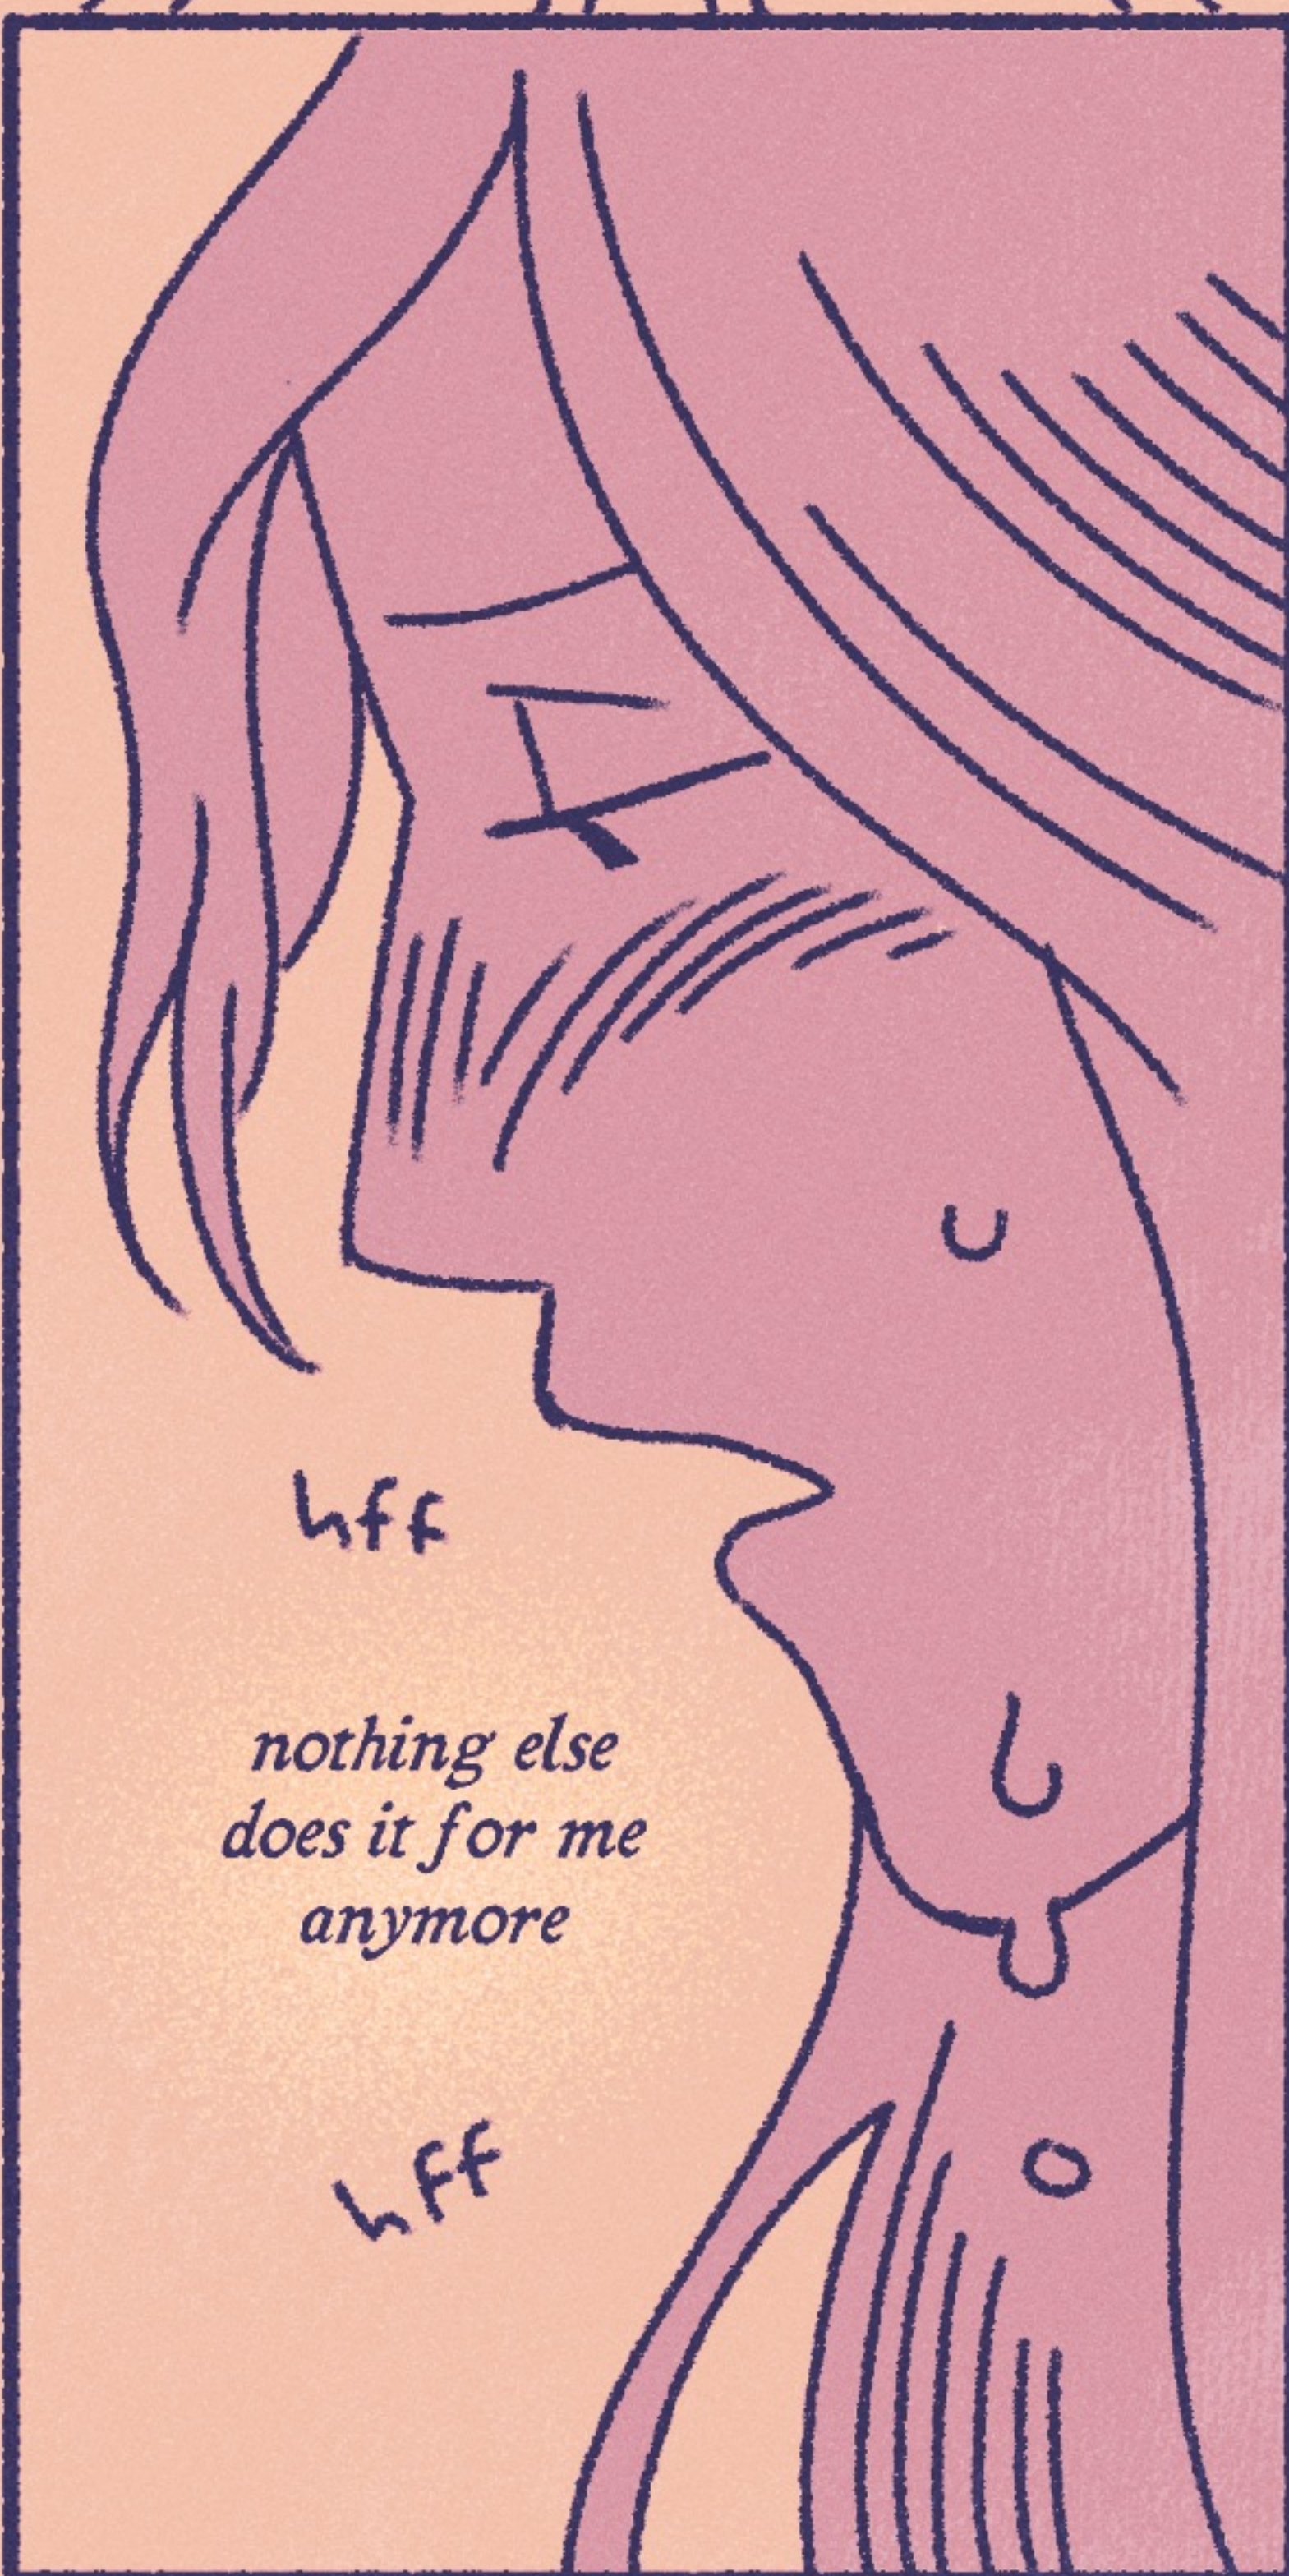

god, what
a feast

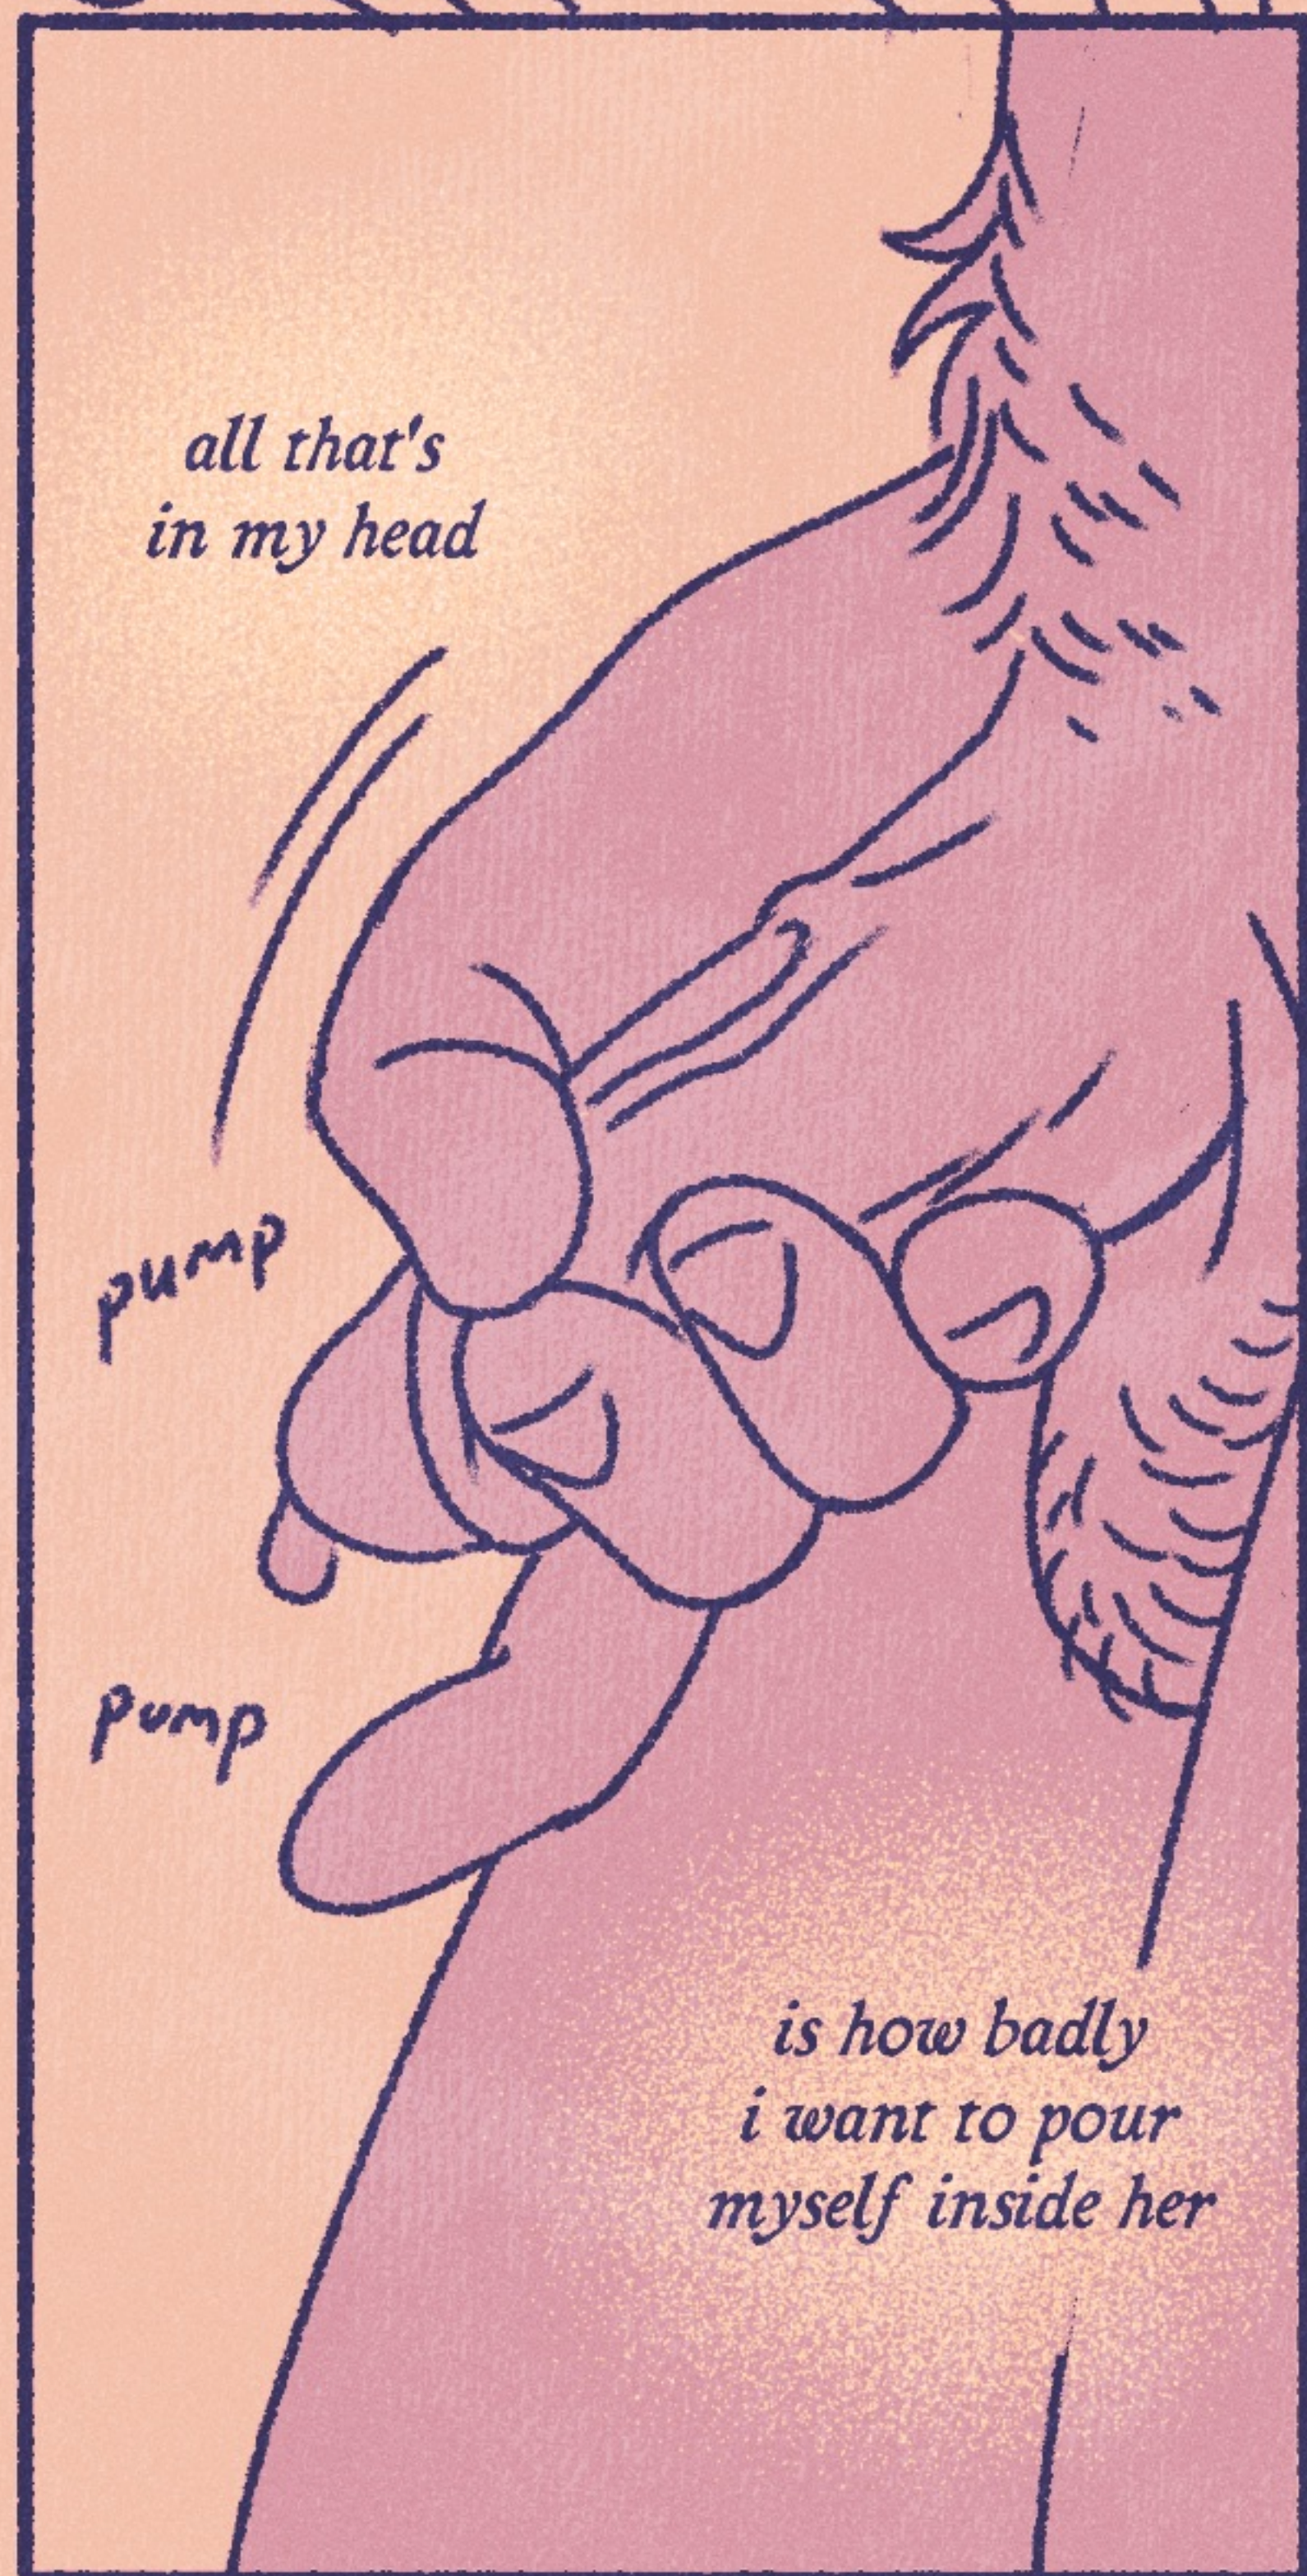

*does she
know how
much i think
about it?*

hff

*nothing else
does it for me
anymore*

hff

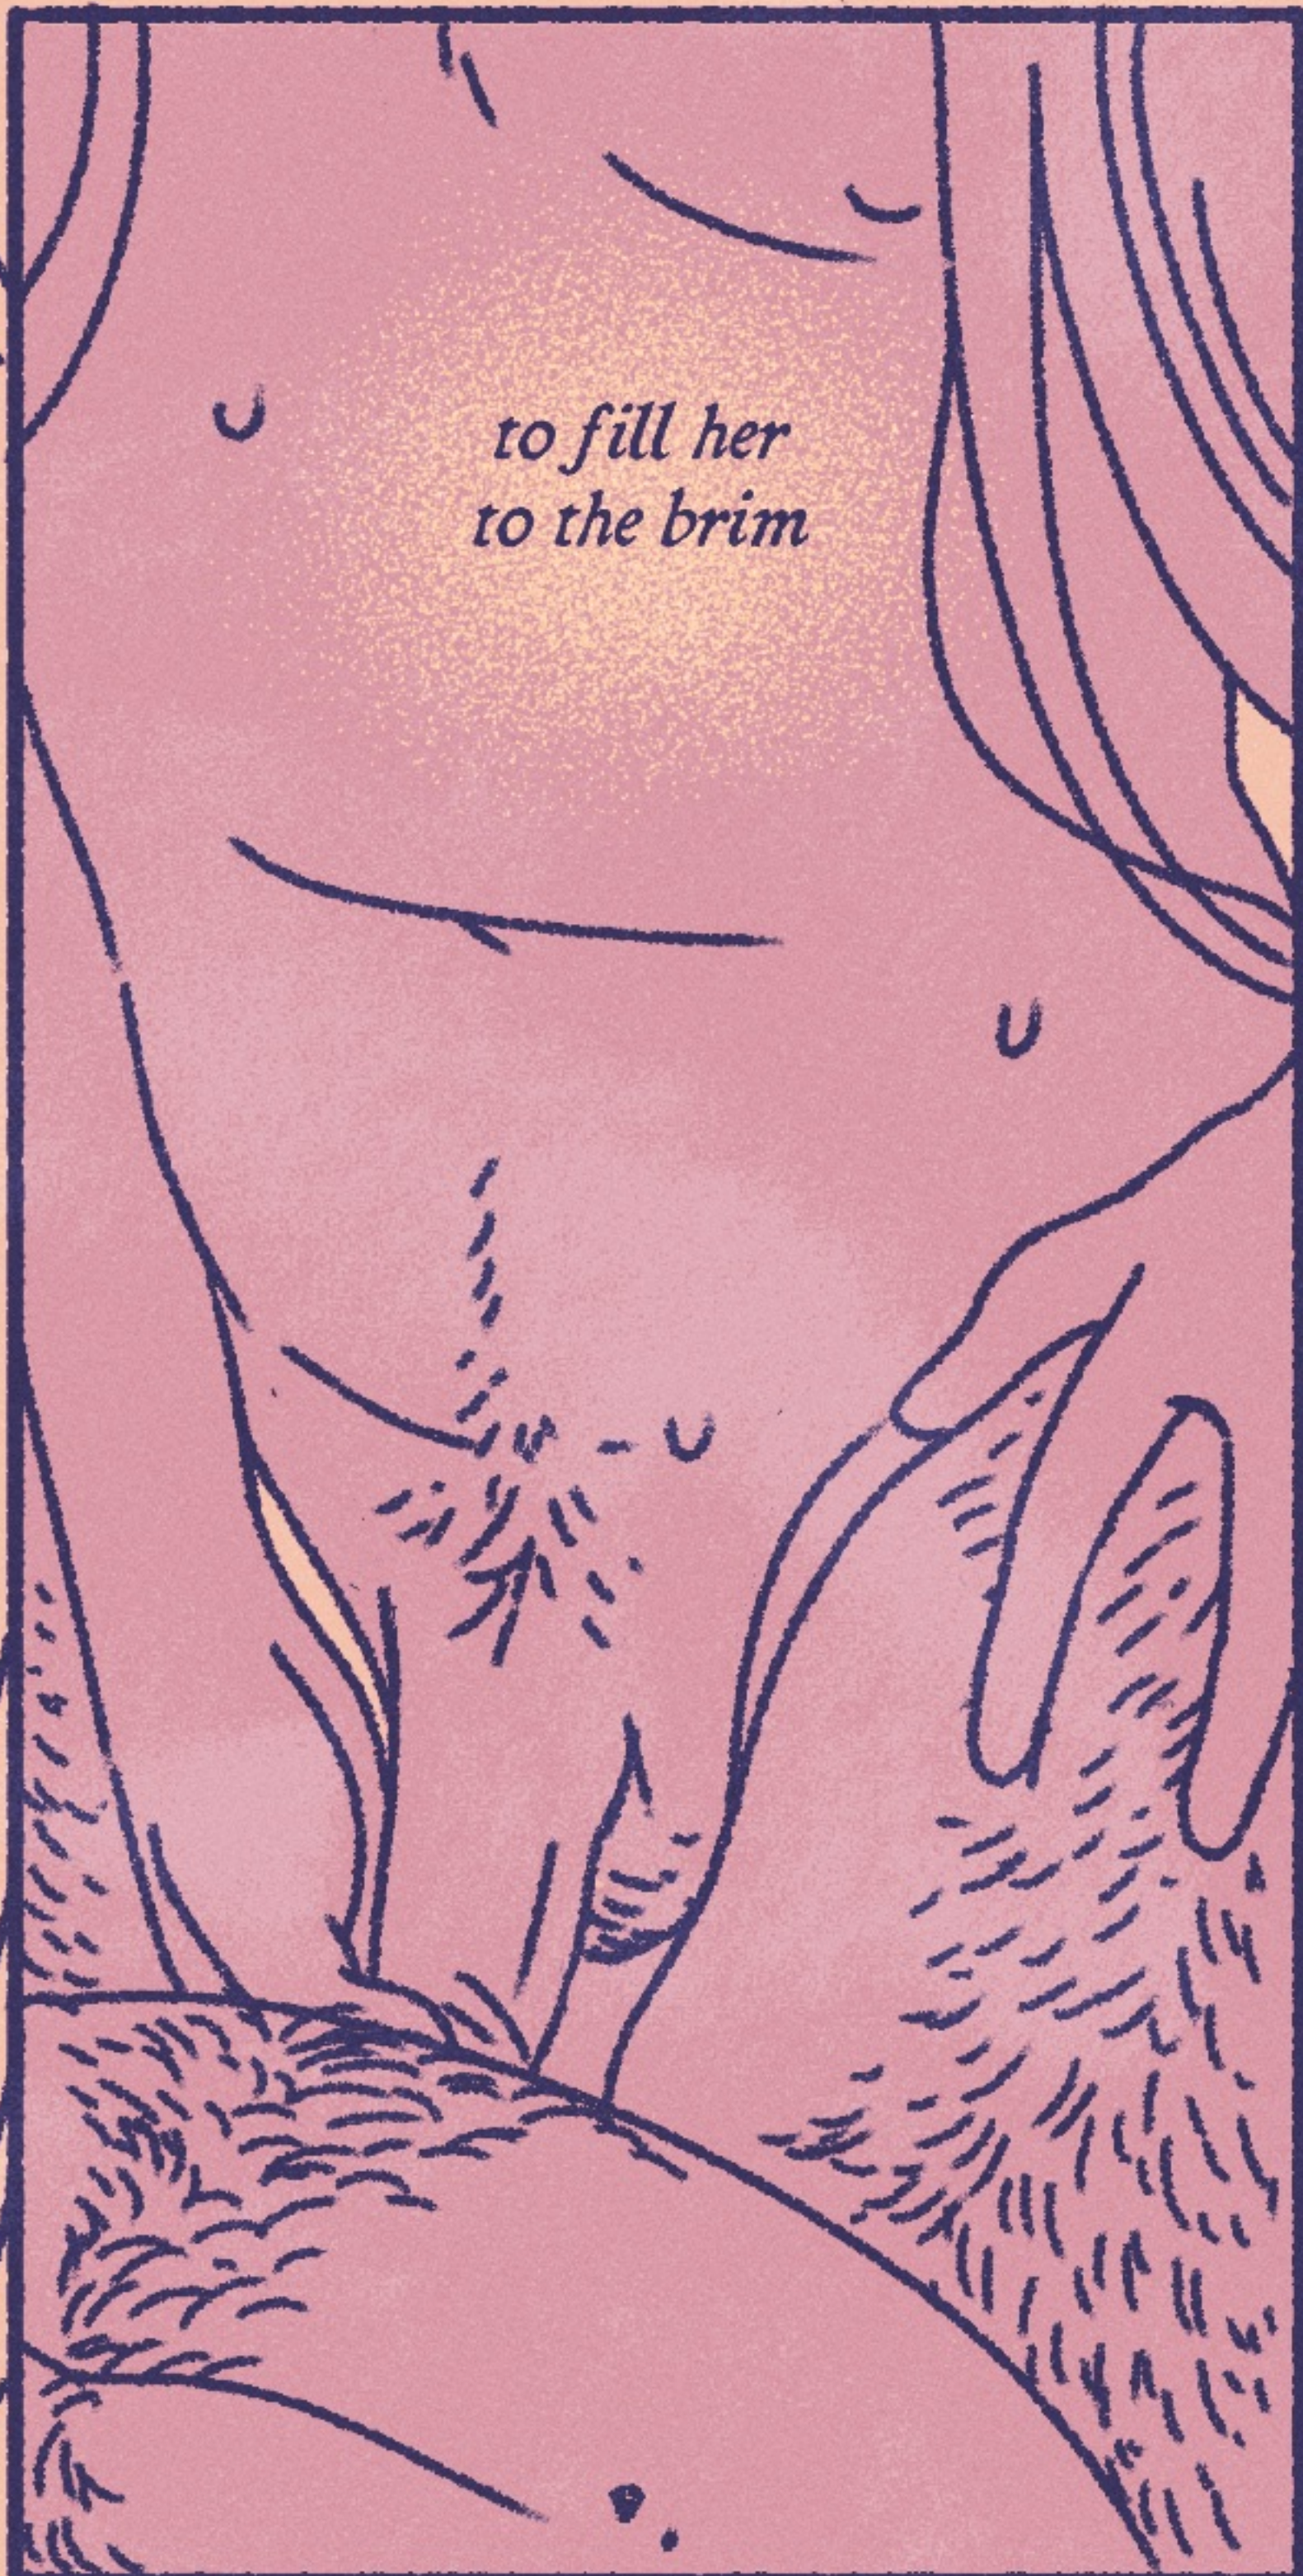

*all that's
in my head*

pump

pump

*is how badly
i want to pour
myself inside her*

*to fill her
to the brim*

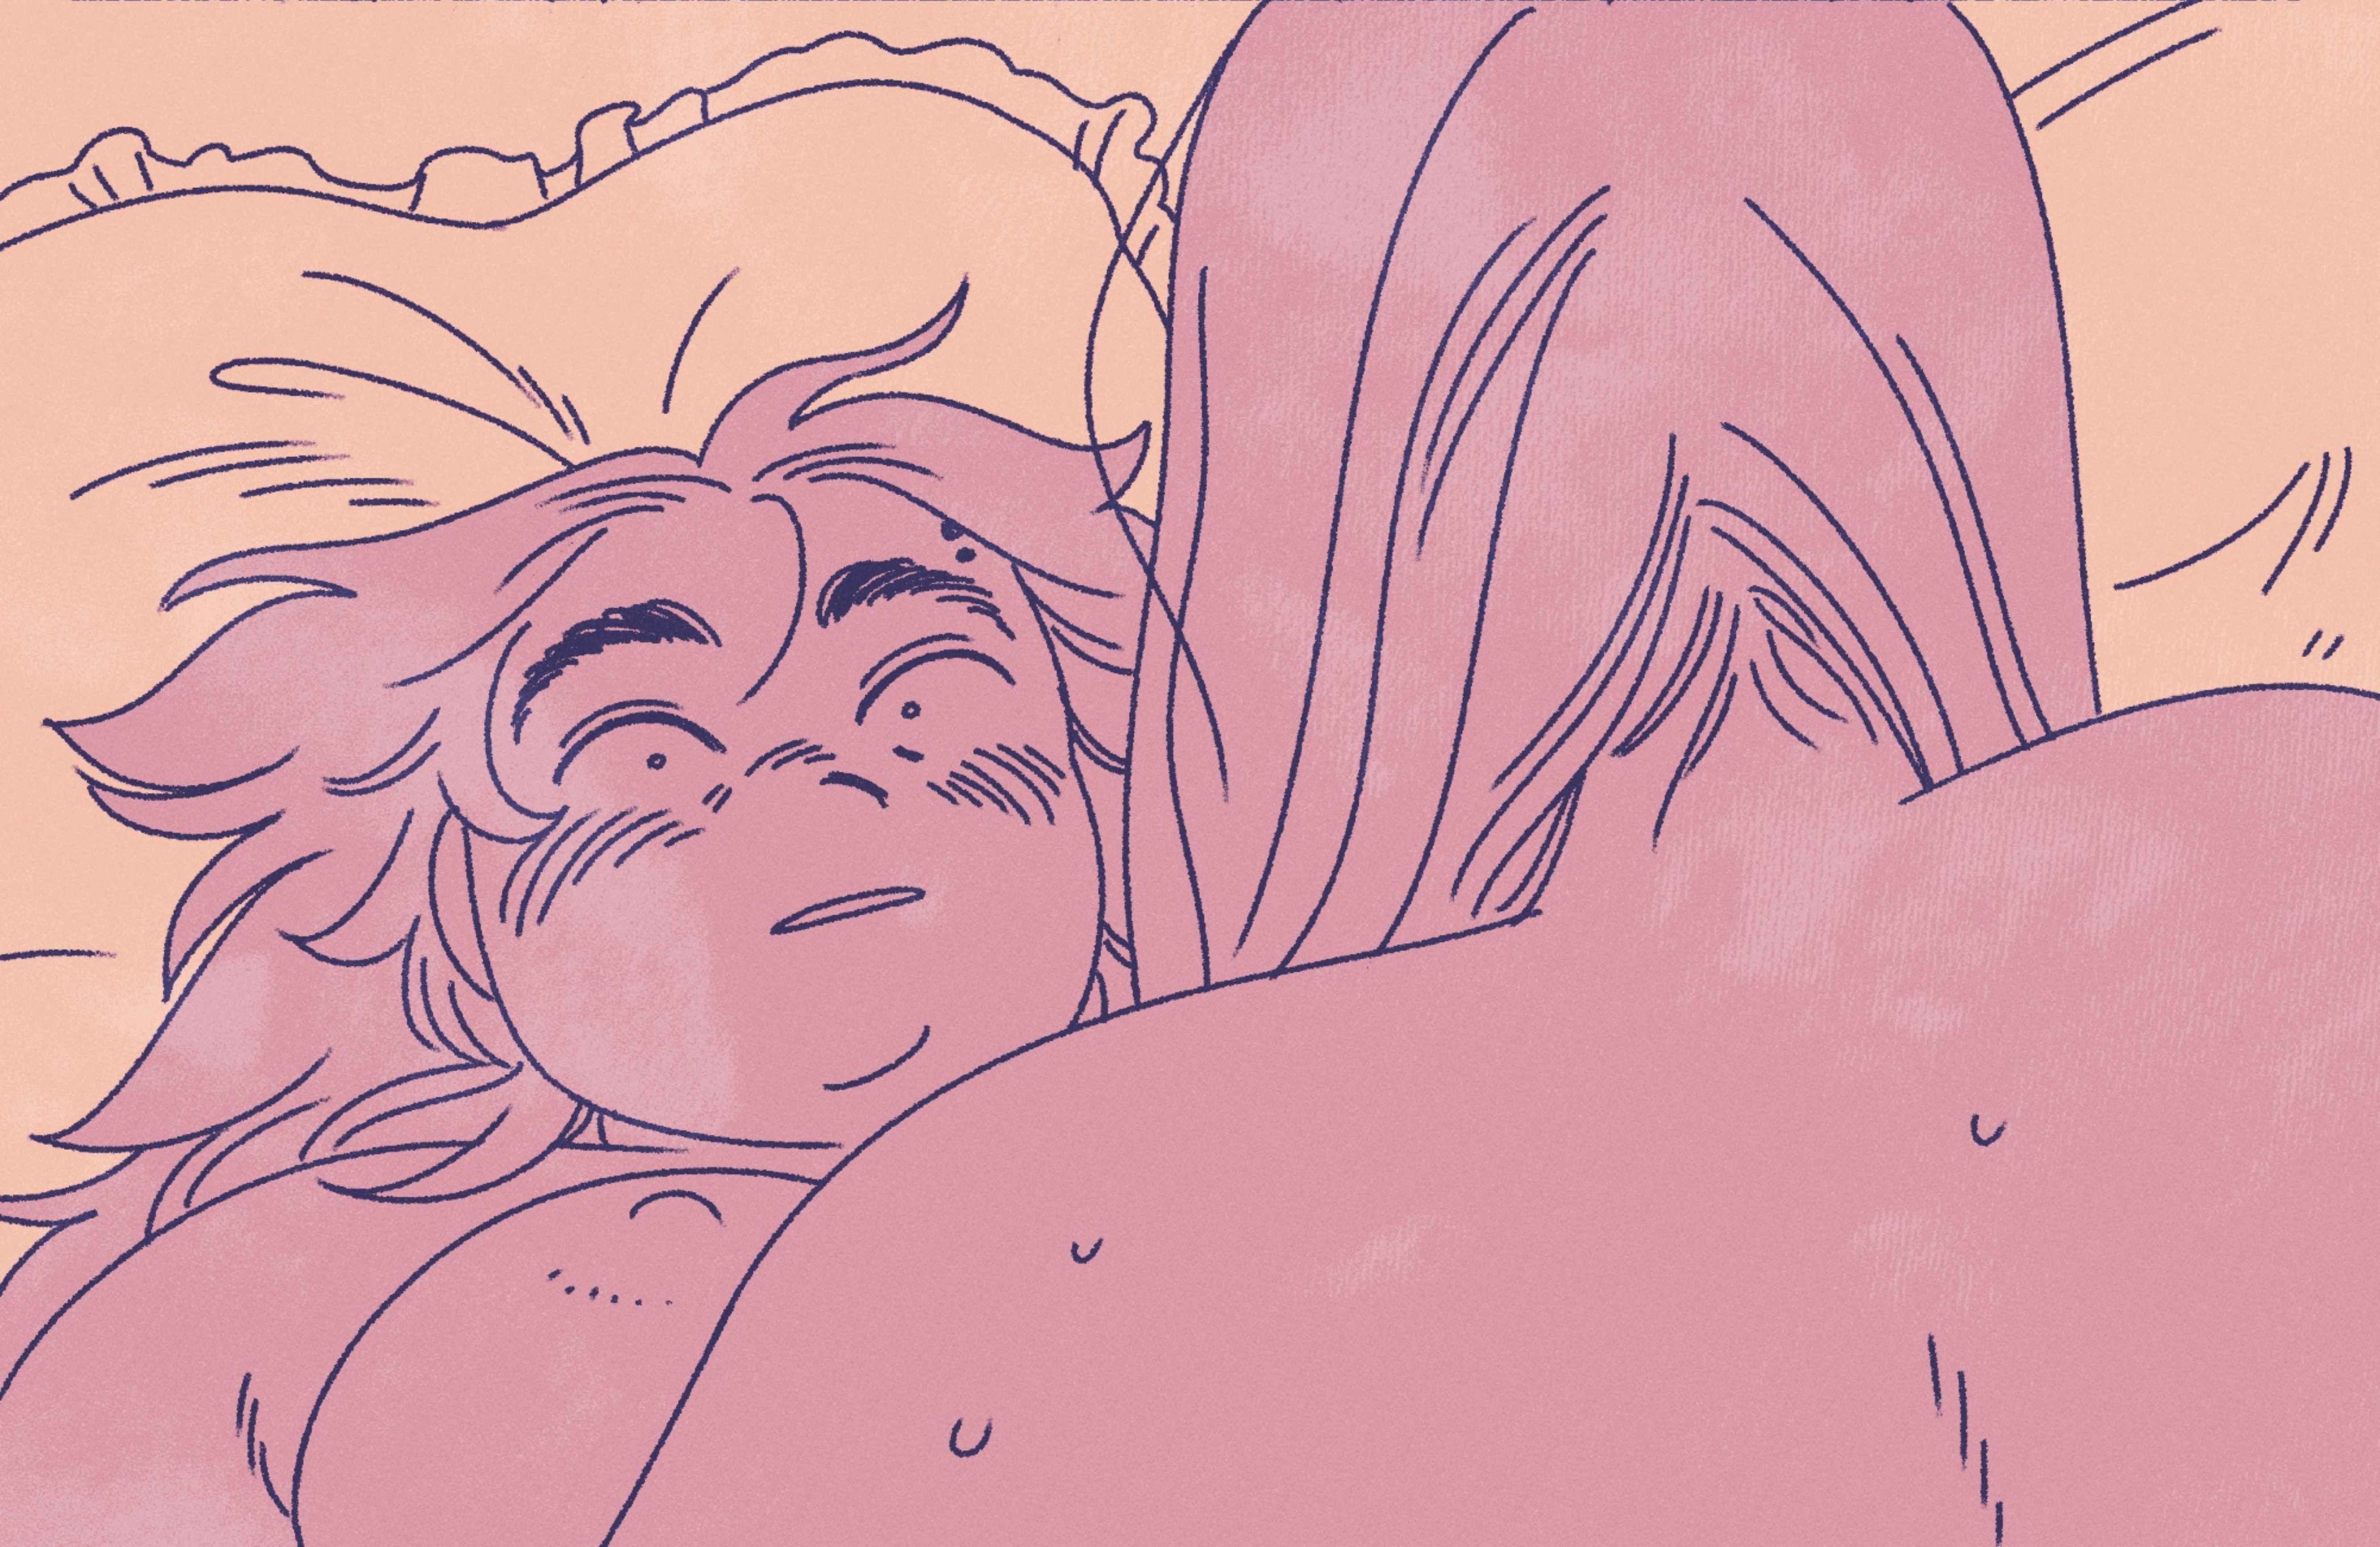

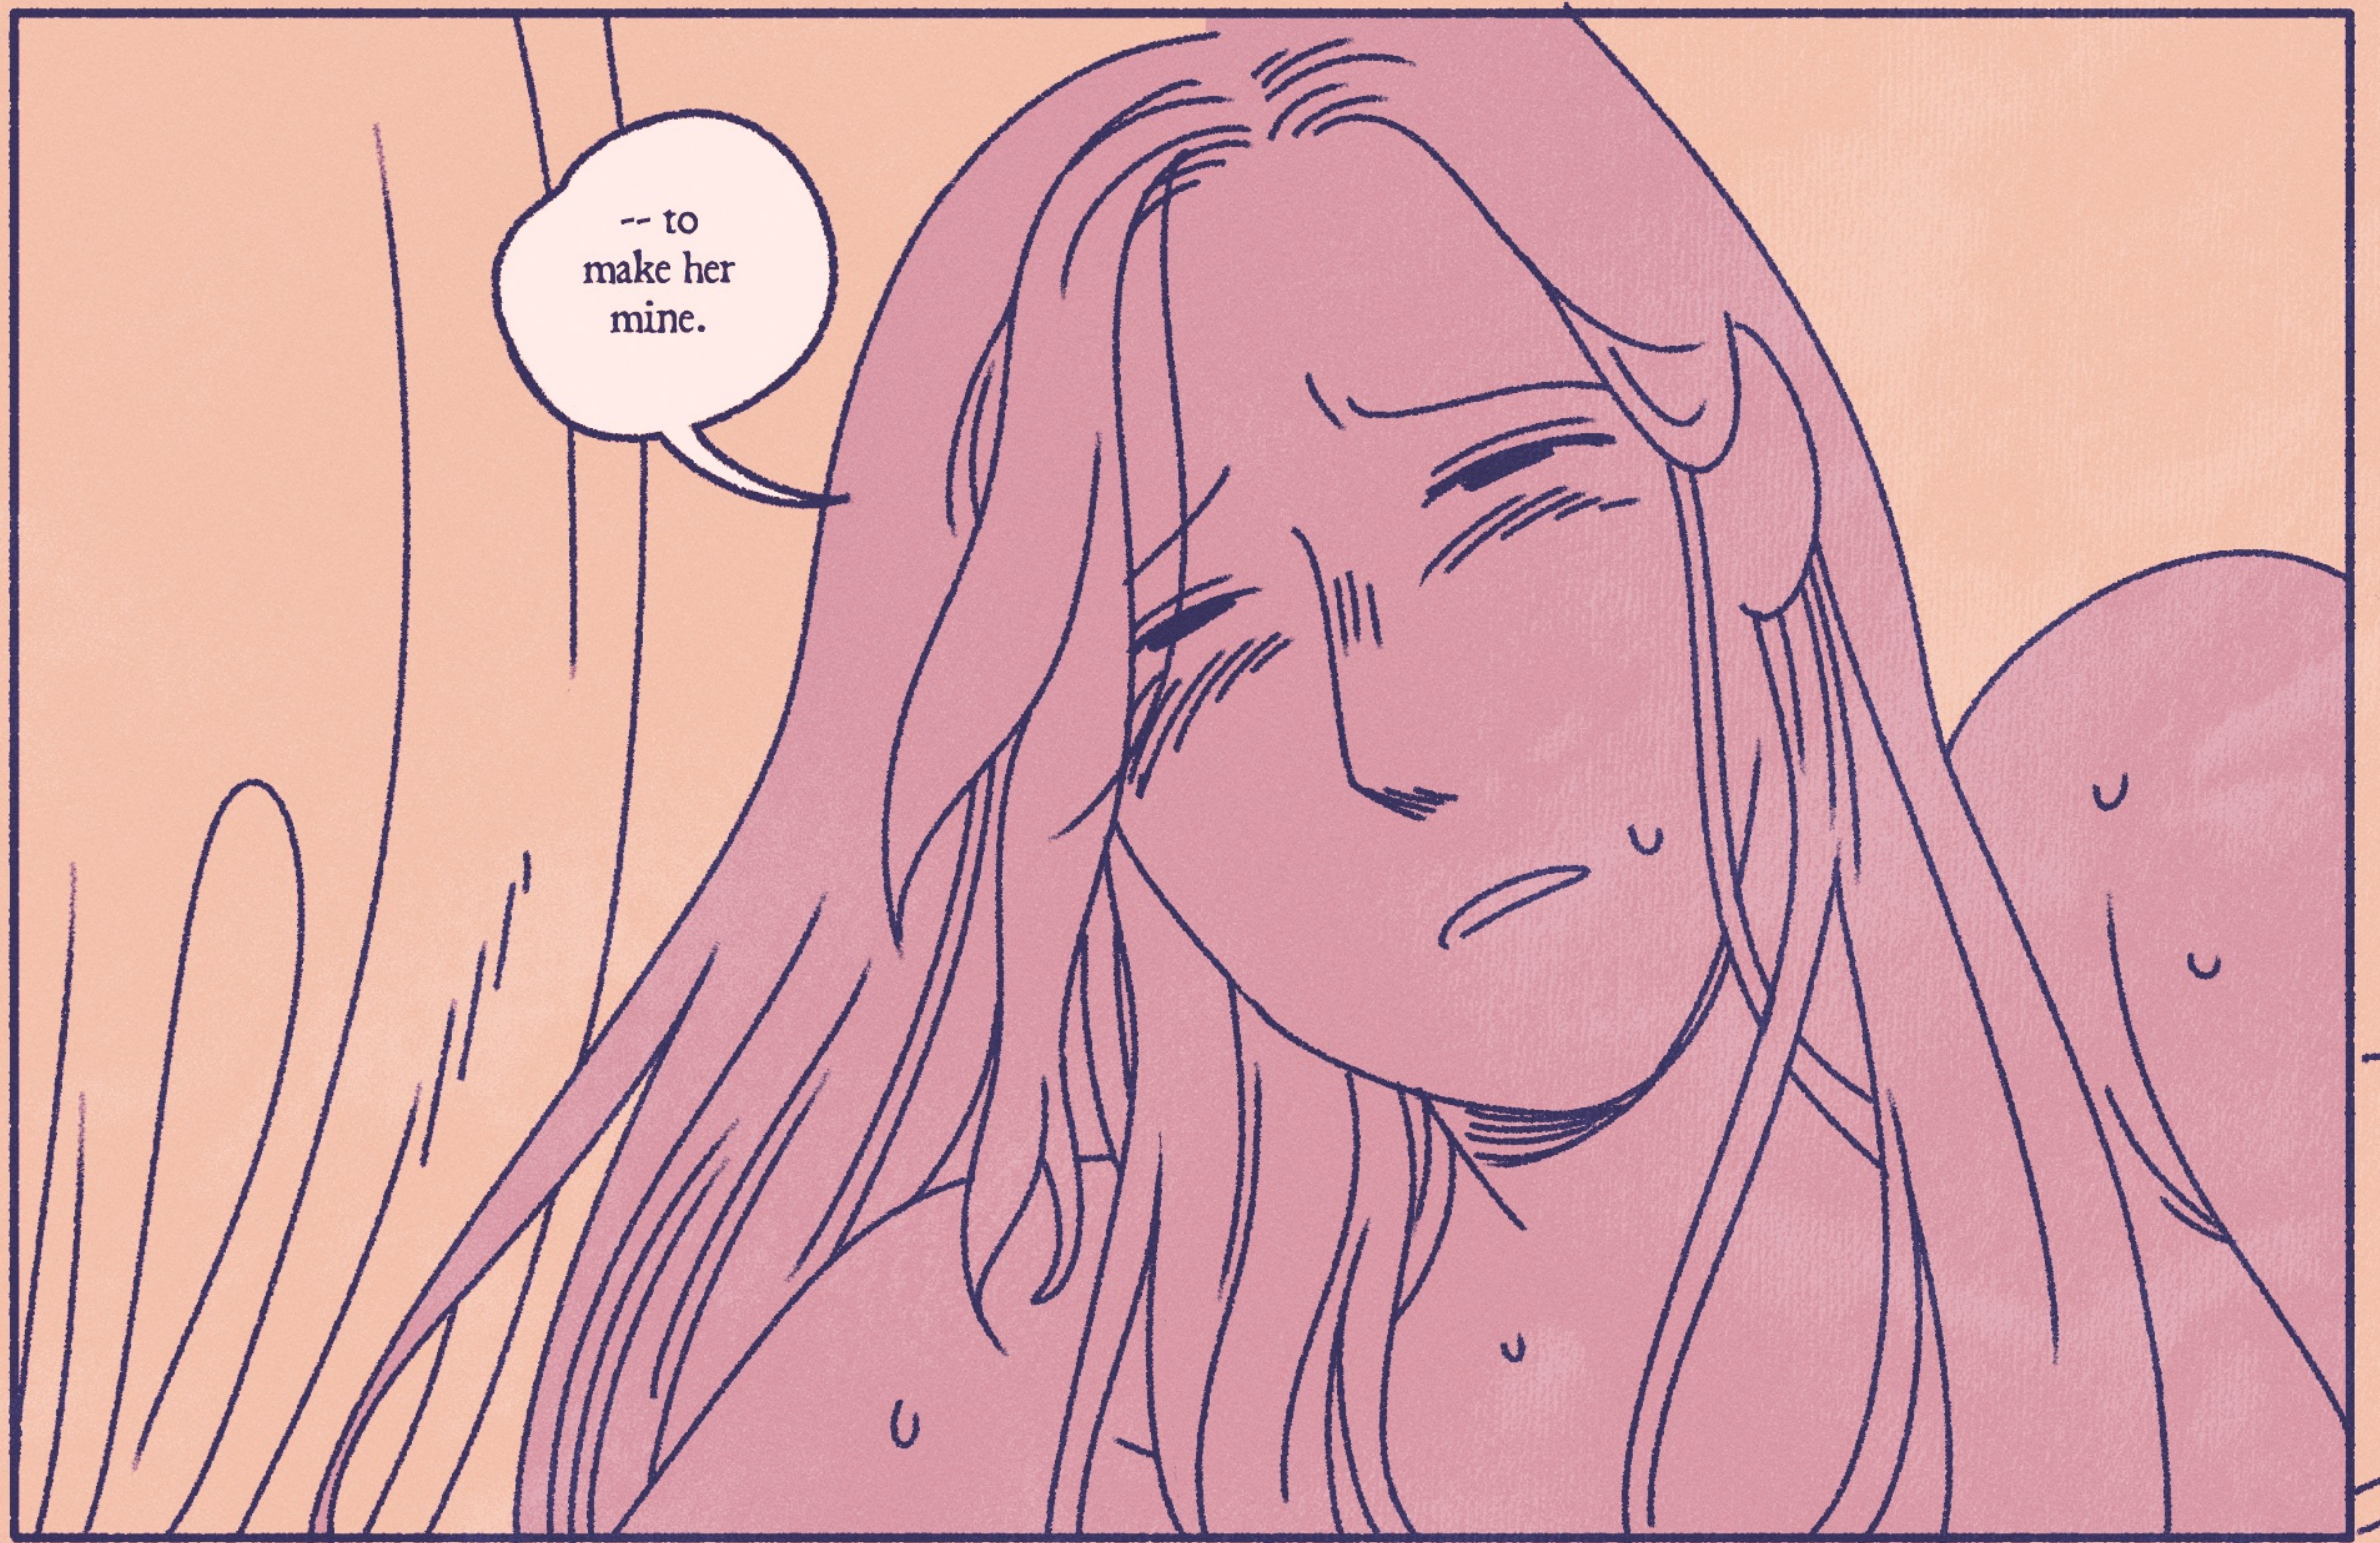

*to feel her
change in my
hands*

*to know that
it was me*

*to make
her --*

...how much did I --

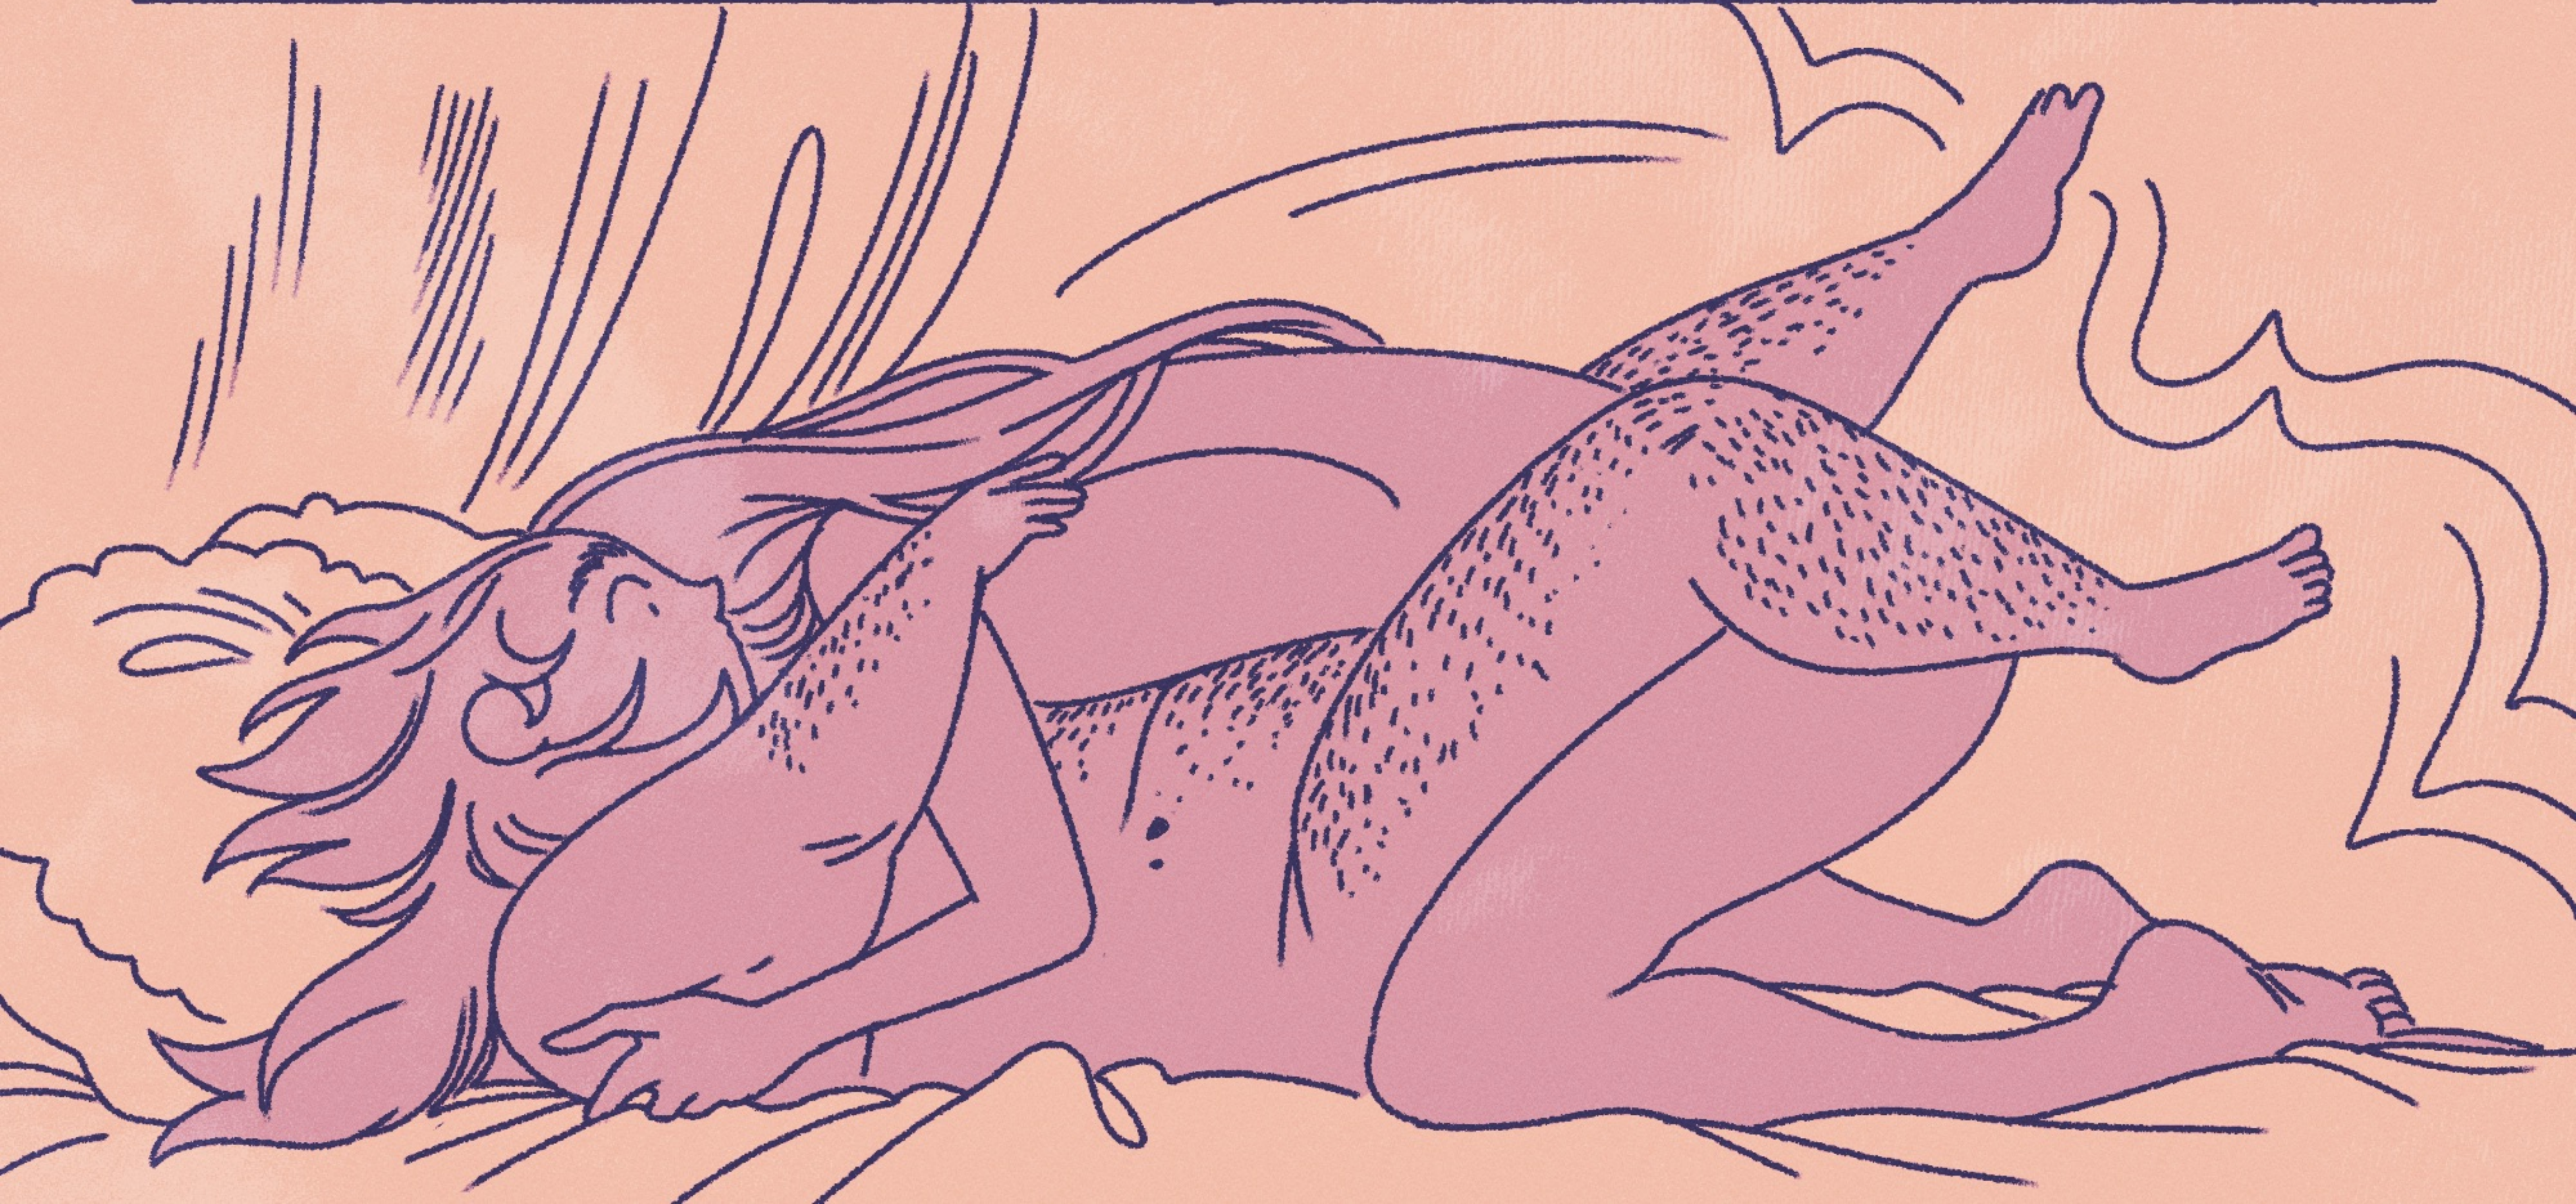

Yeah you were talking for a bit.

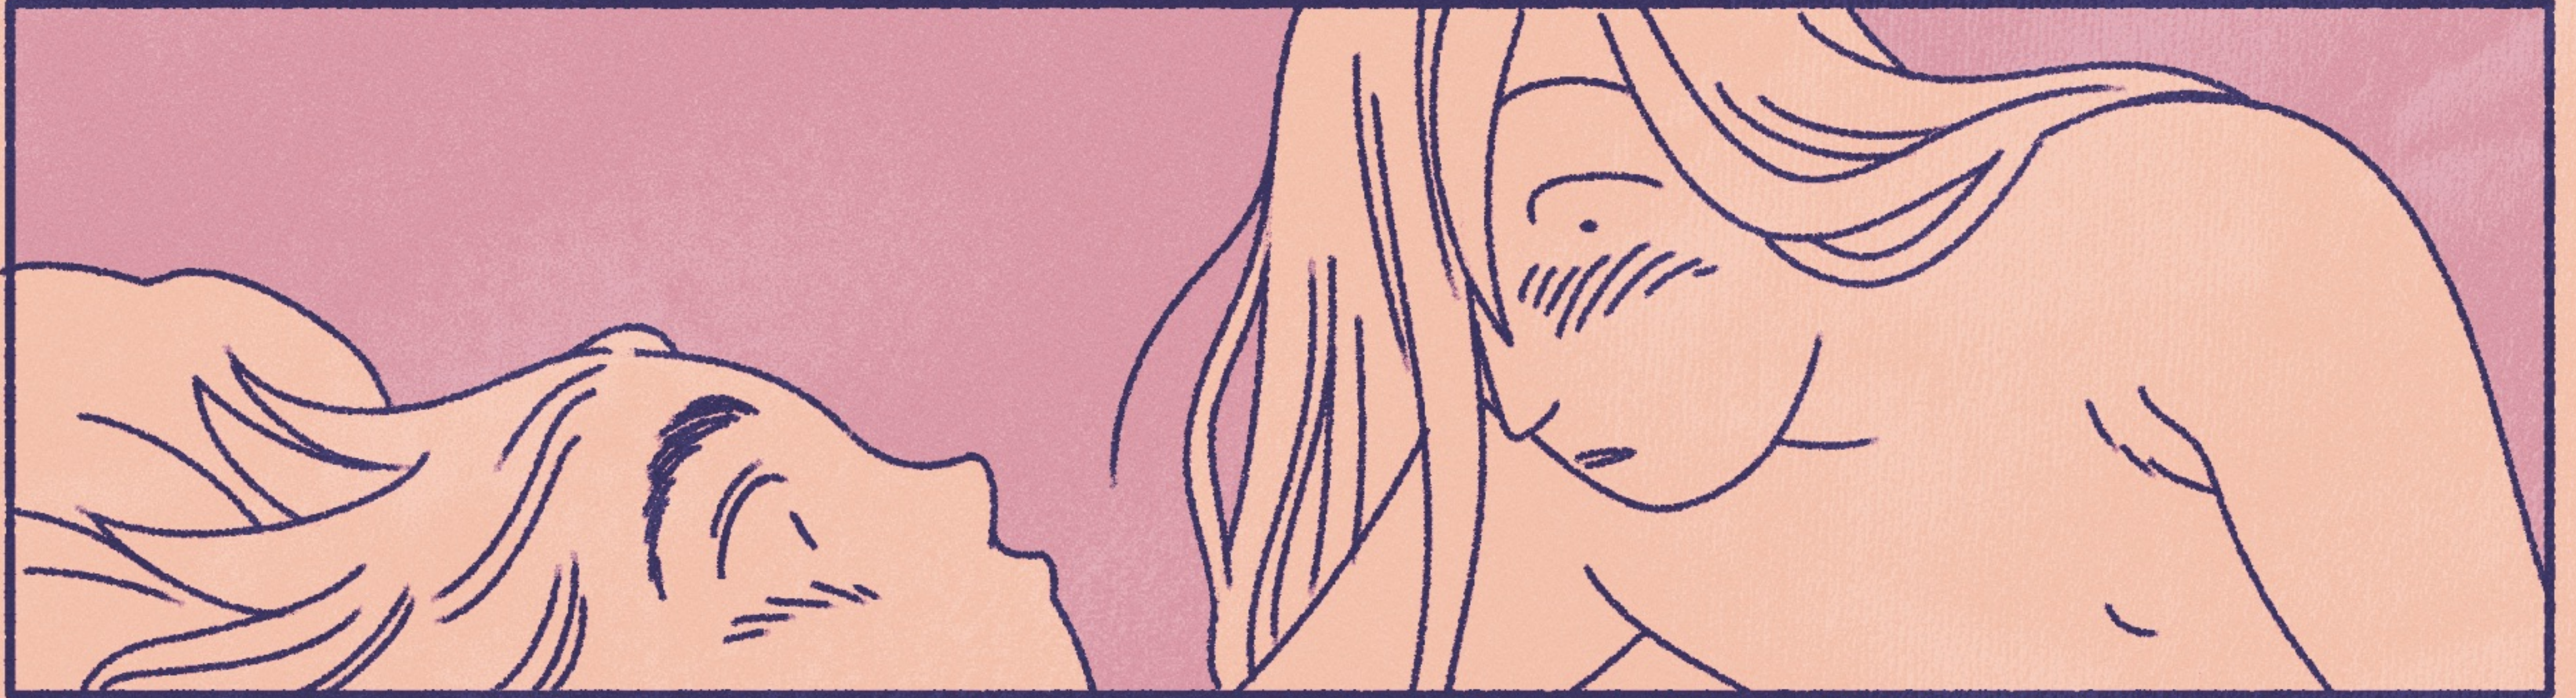

i think i have to kill myself

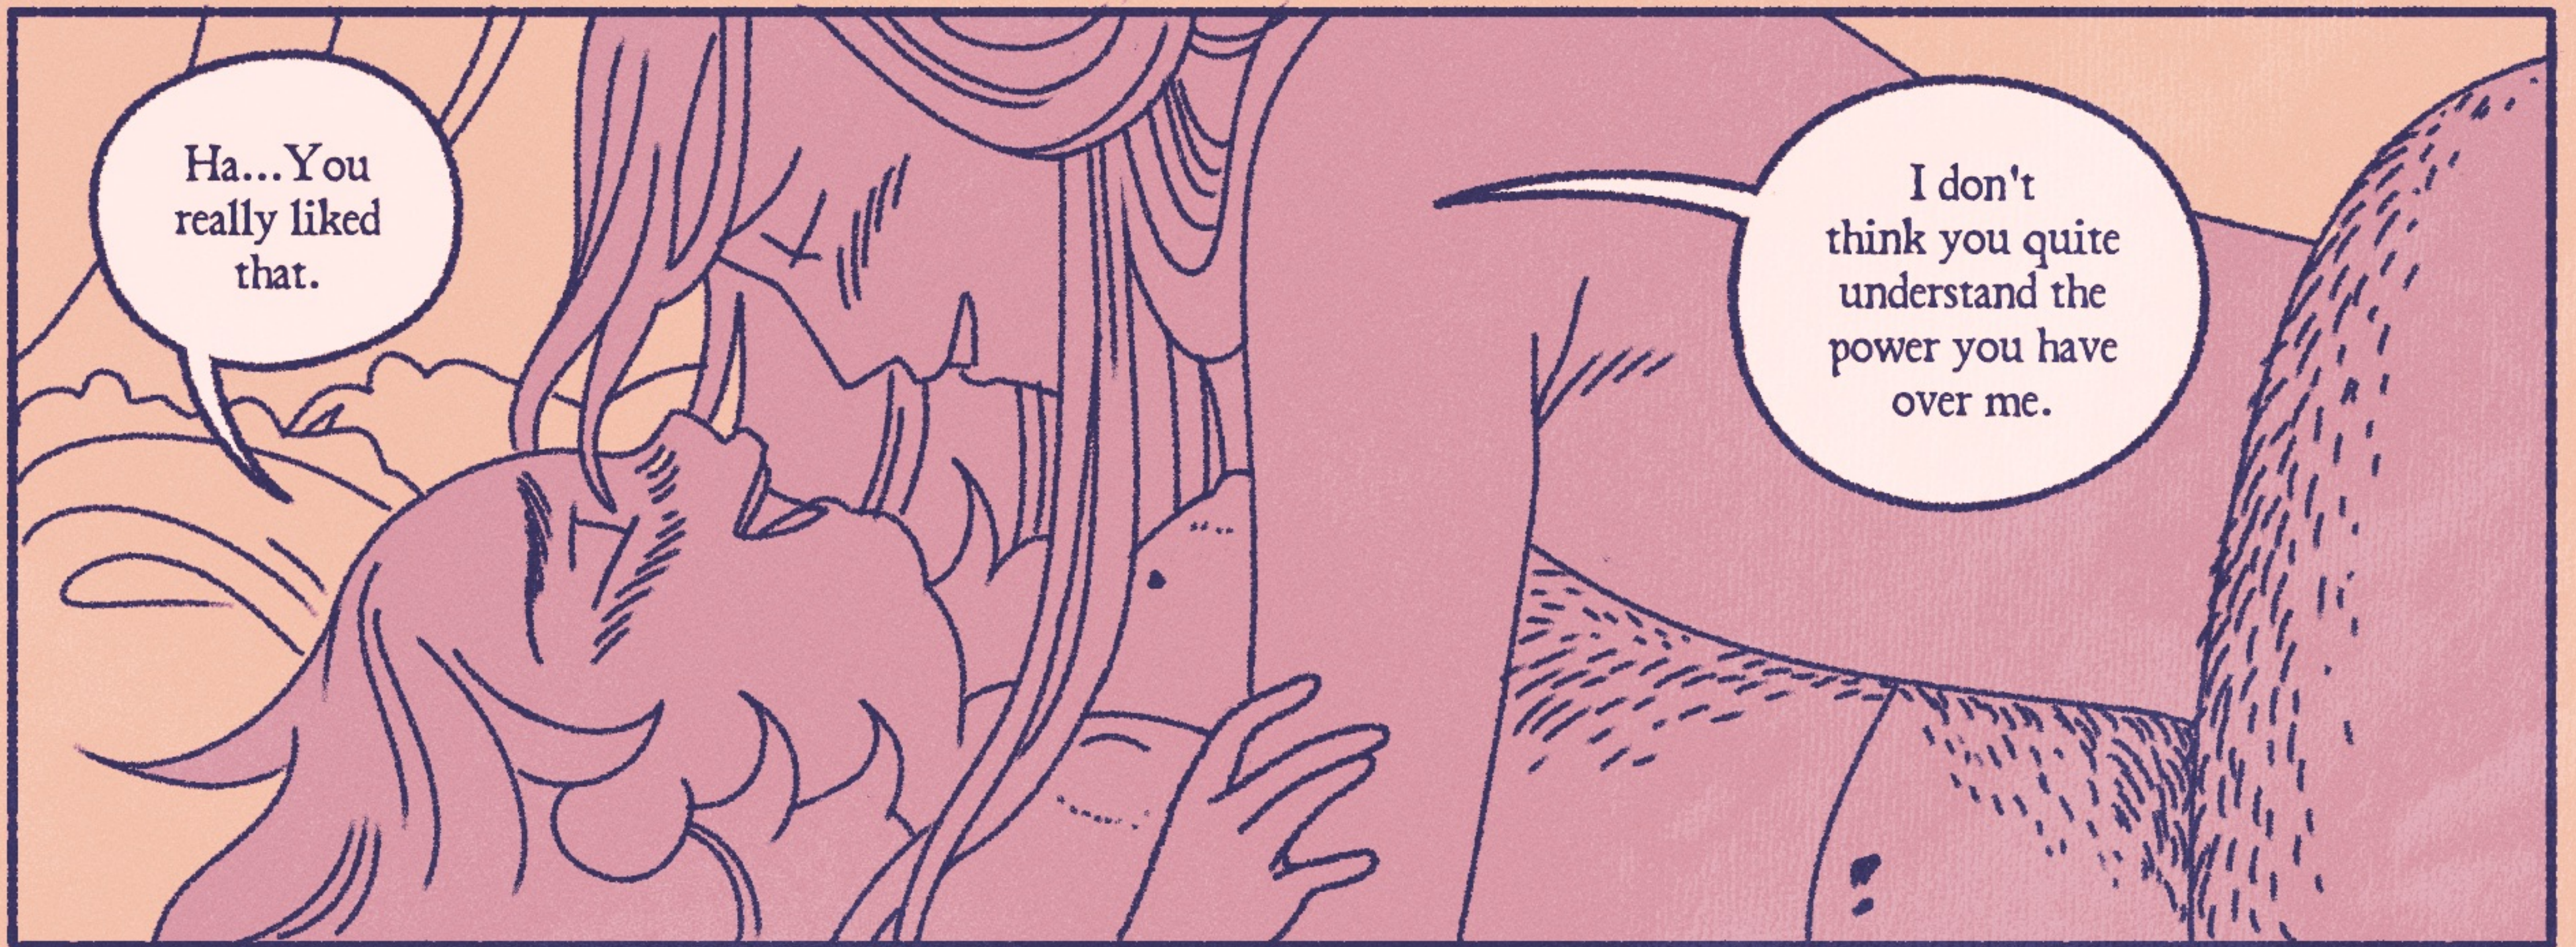

Oberon, were you, um...

...were you talking about...

Ha... You really liked that.

I don't think you quite understand the power you have over me.

Hoo... okay.

I want...

I want to cum inside you.

I want to be there, when y-you --

When you realize.

I want to comfort you when you feel sick.

I want to spoil you.

I want you to -- I want to feel you grow

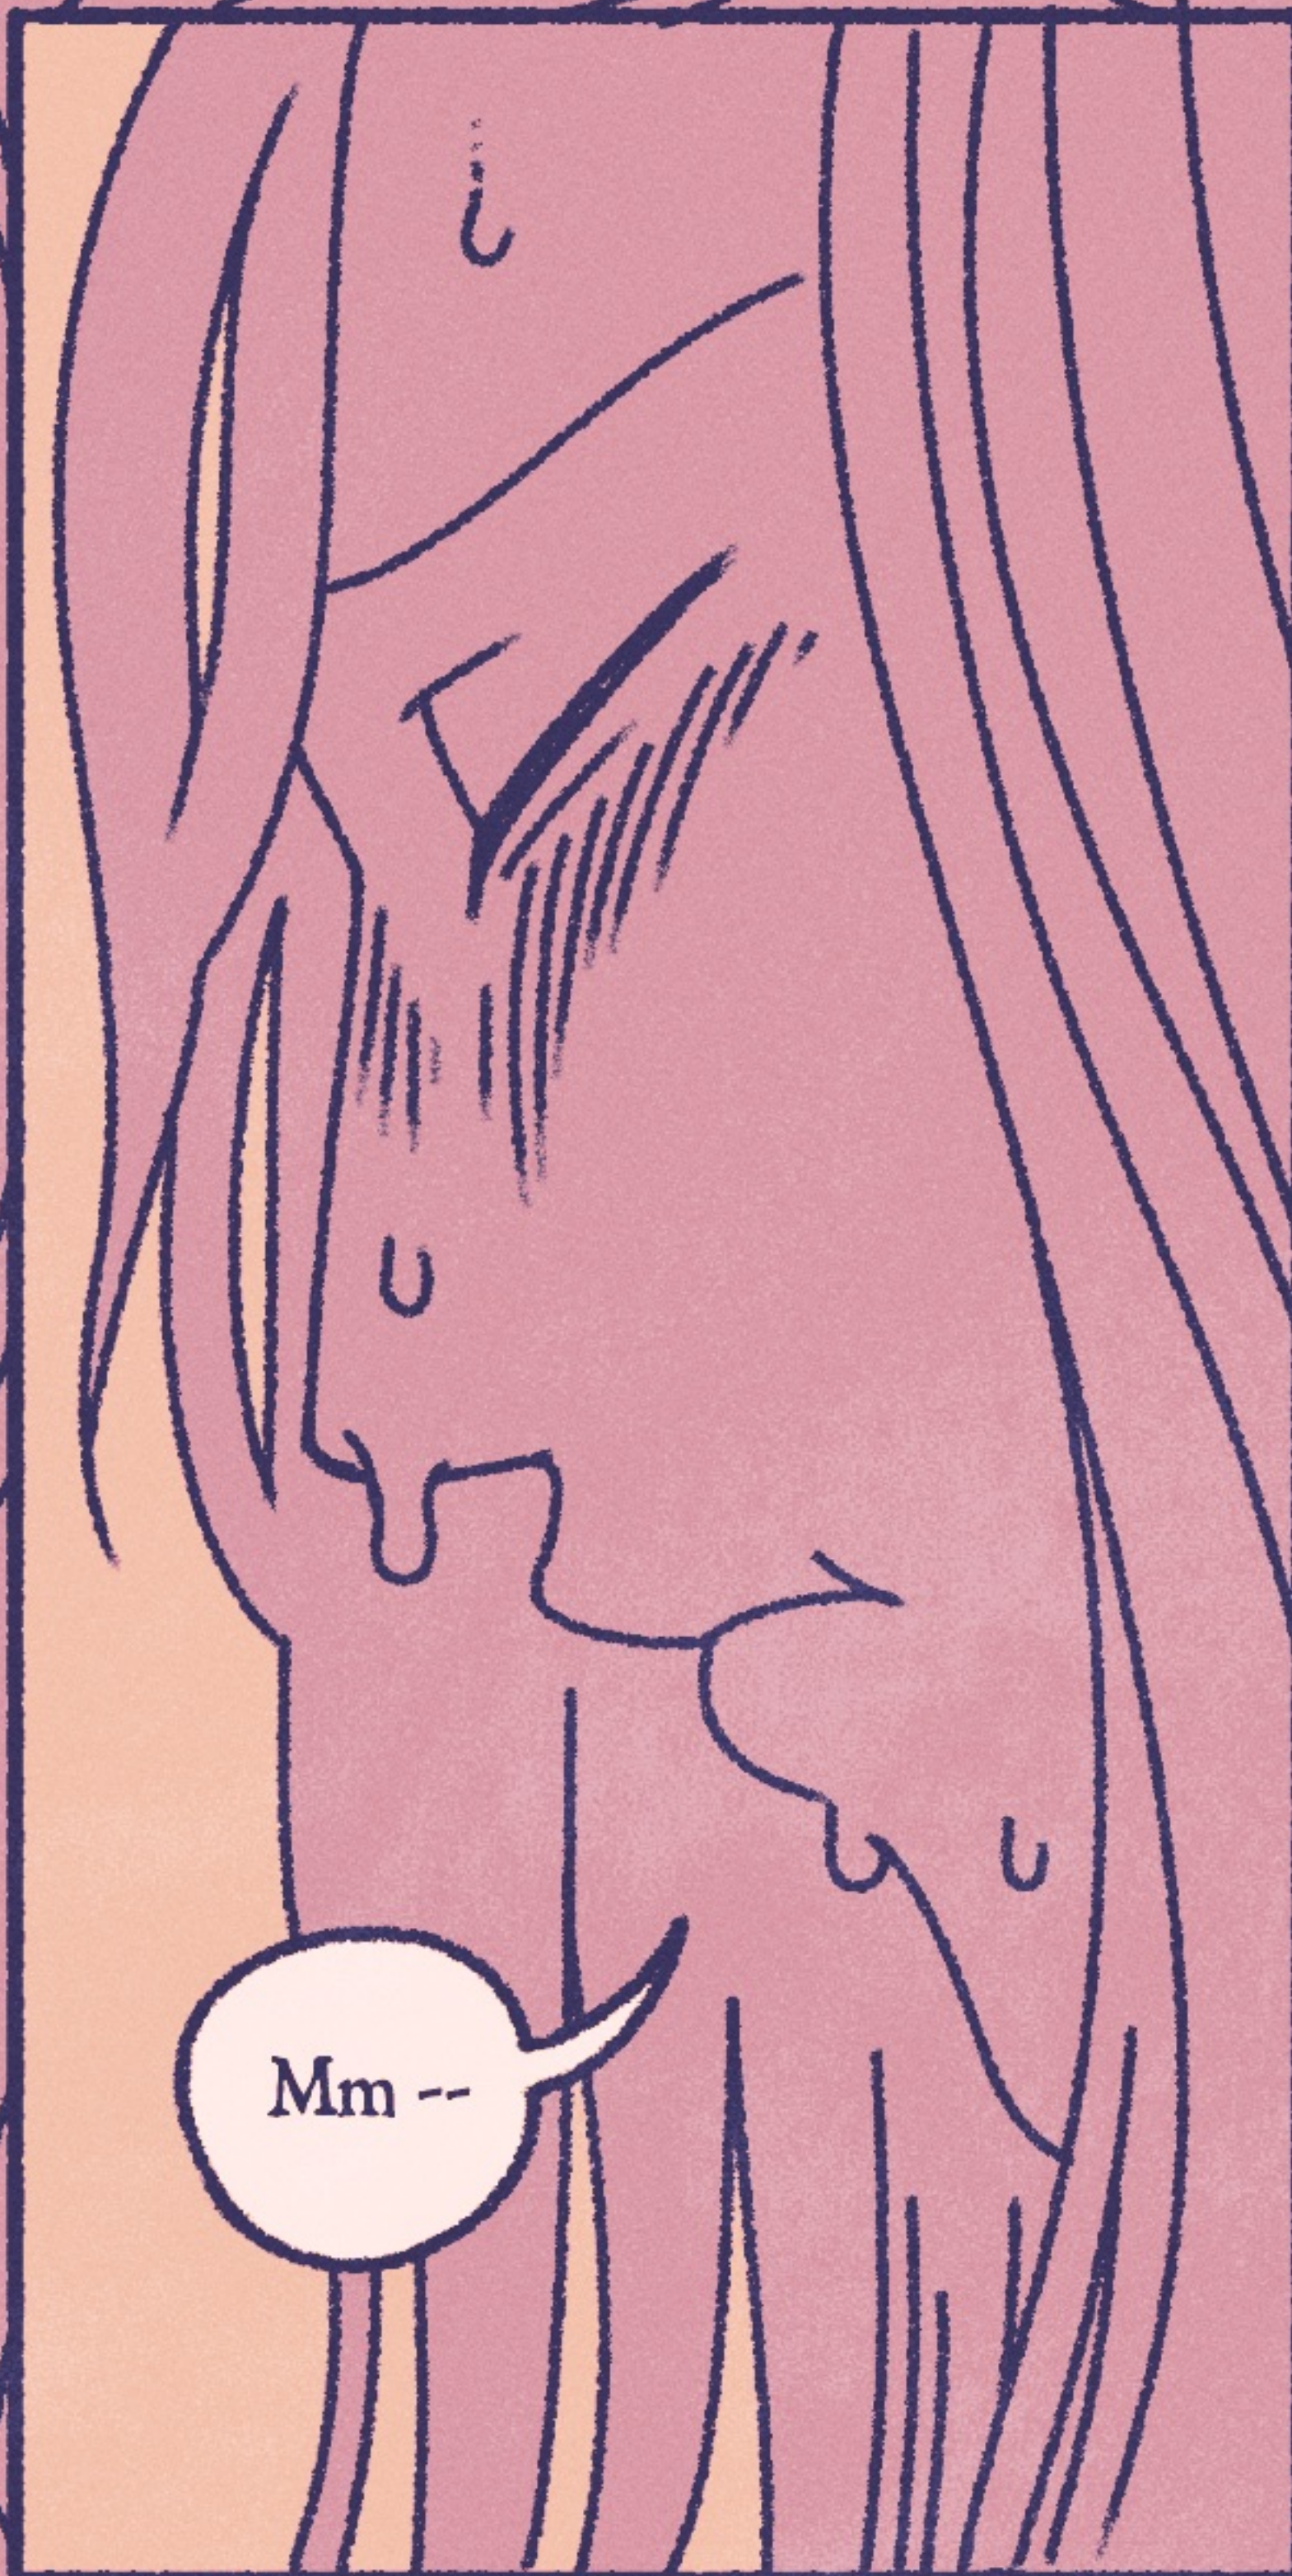

I want everyone to notice

I want there to be no doubt in their minds -- Shreve --

shff

Mm --

I want them to know

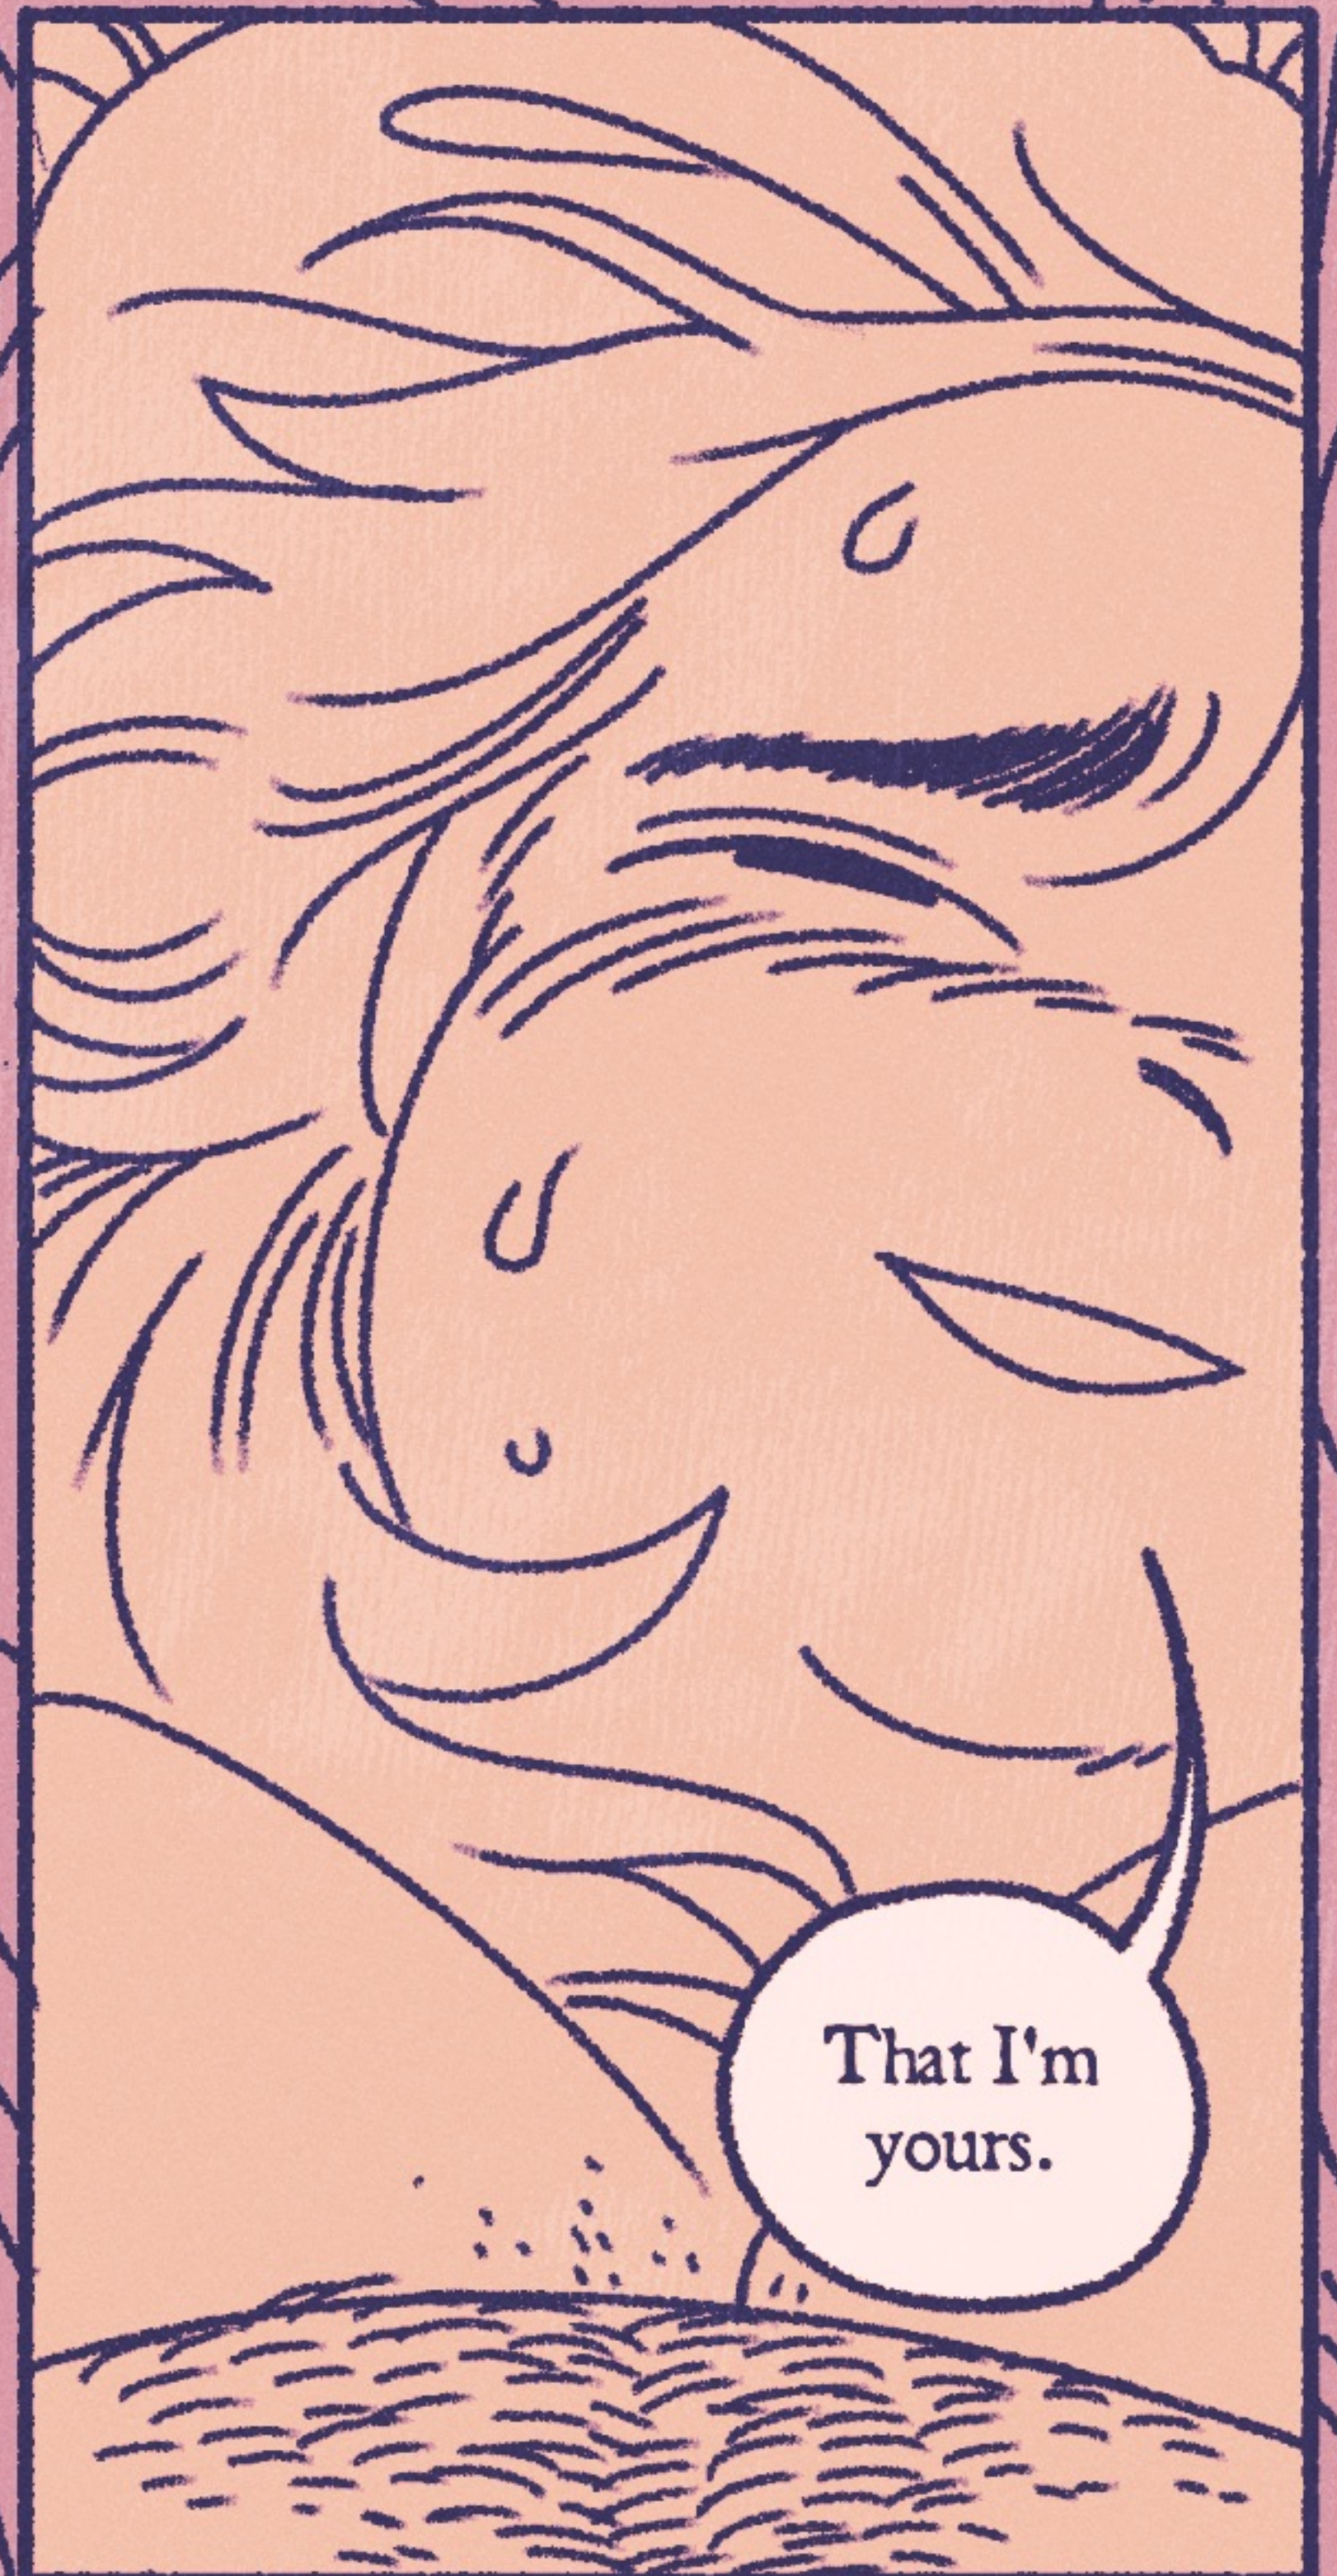

hah
hah

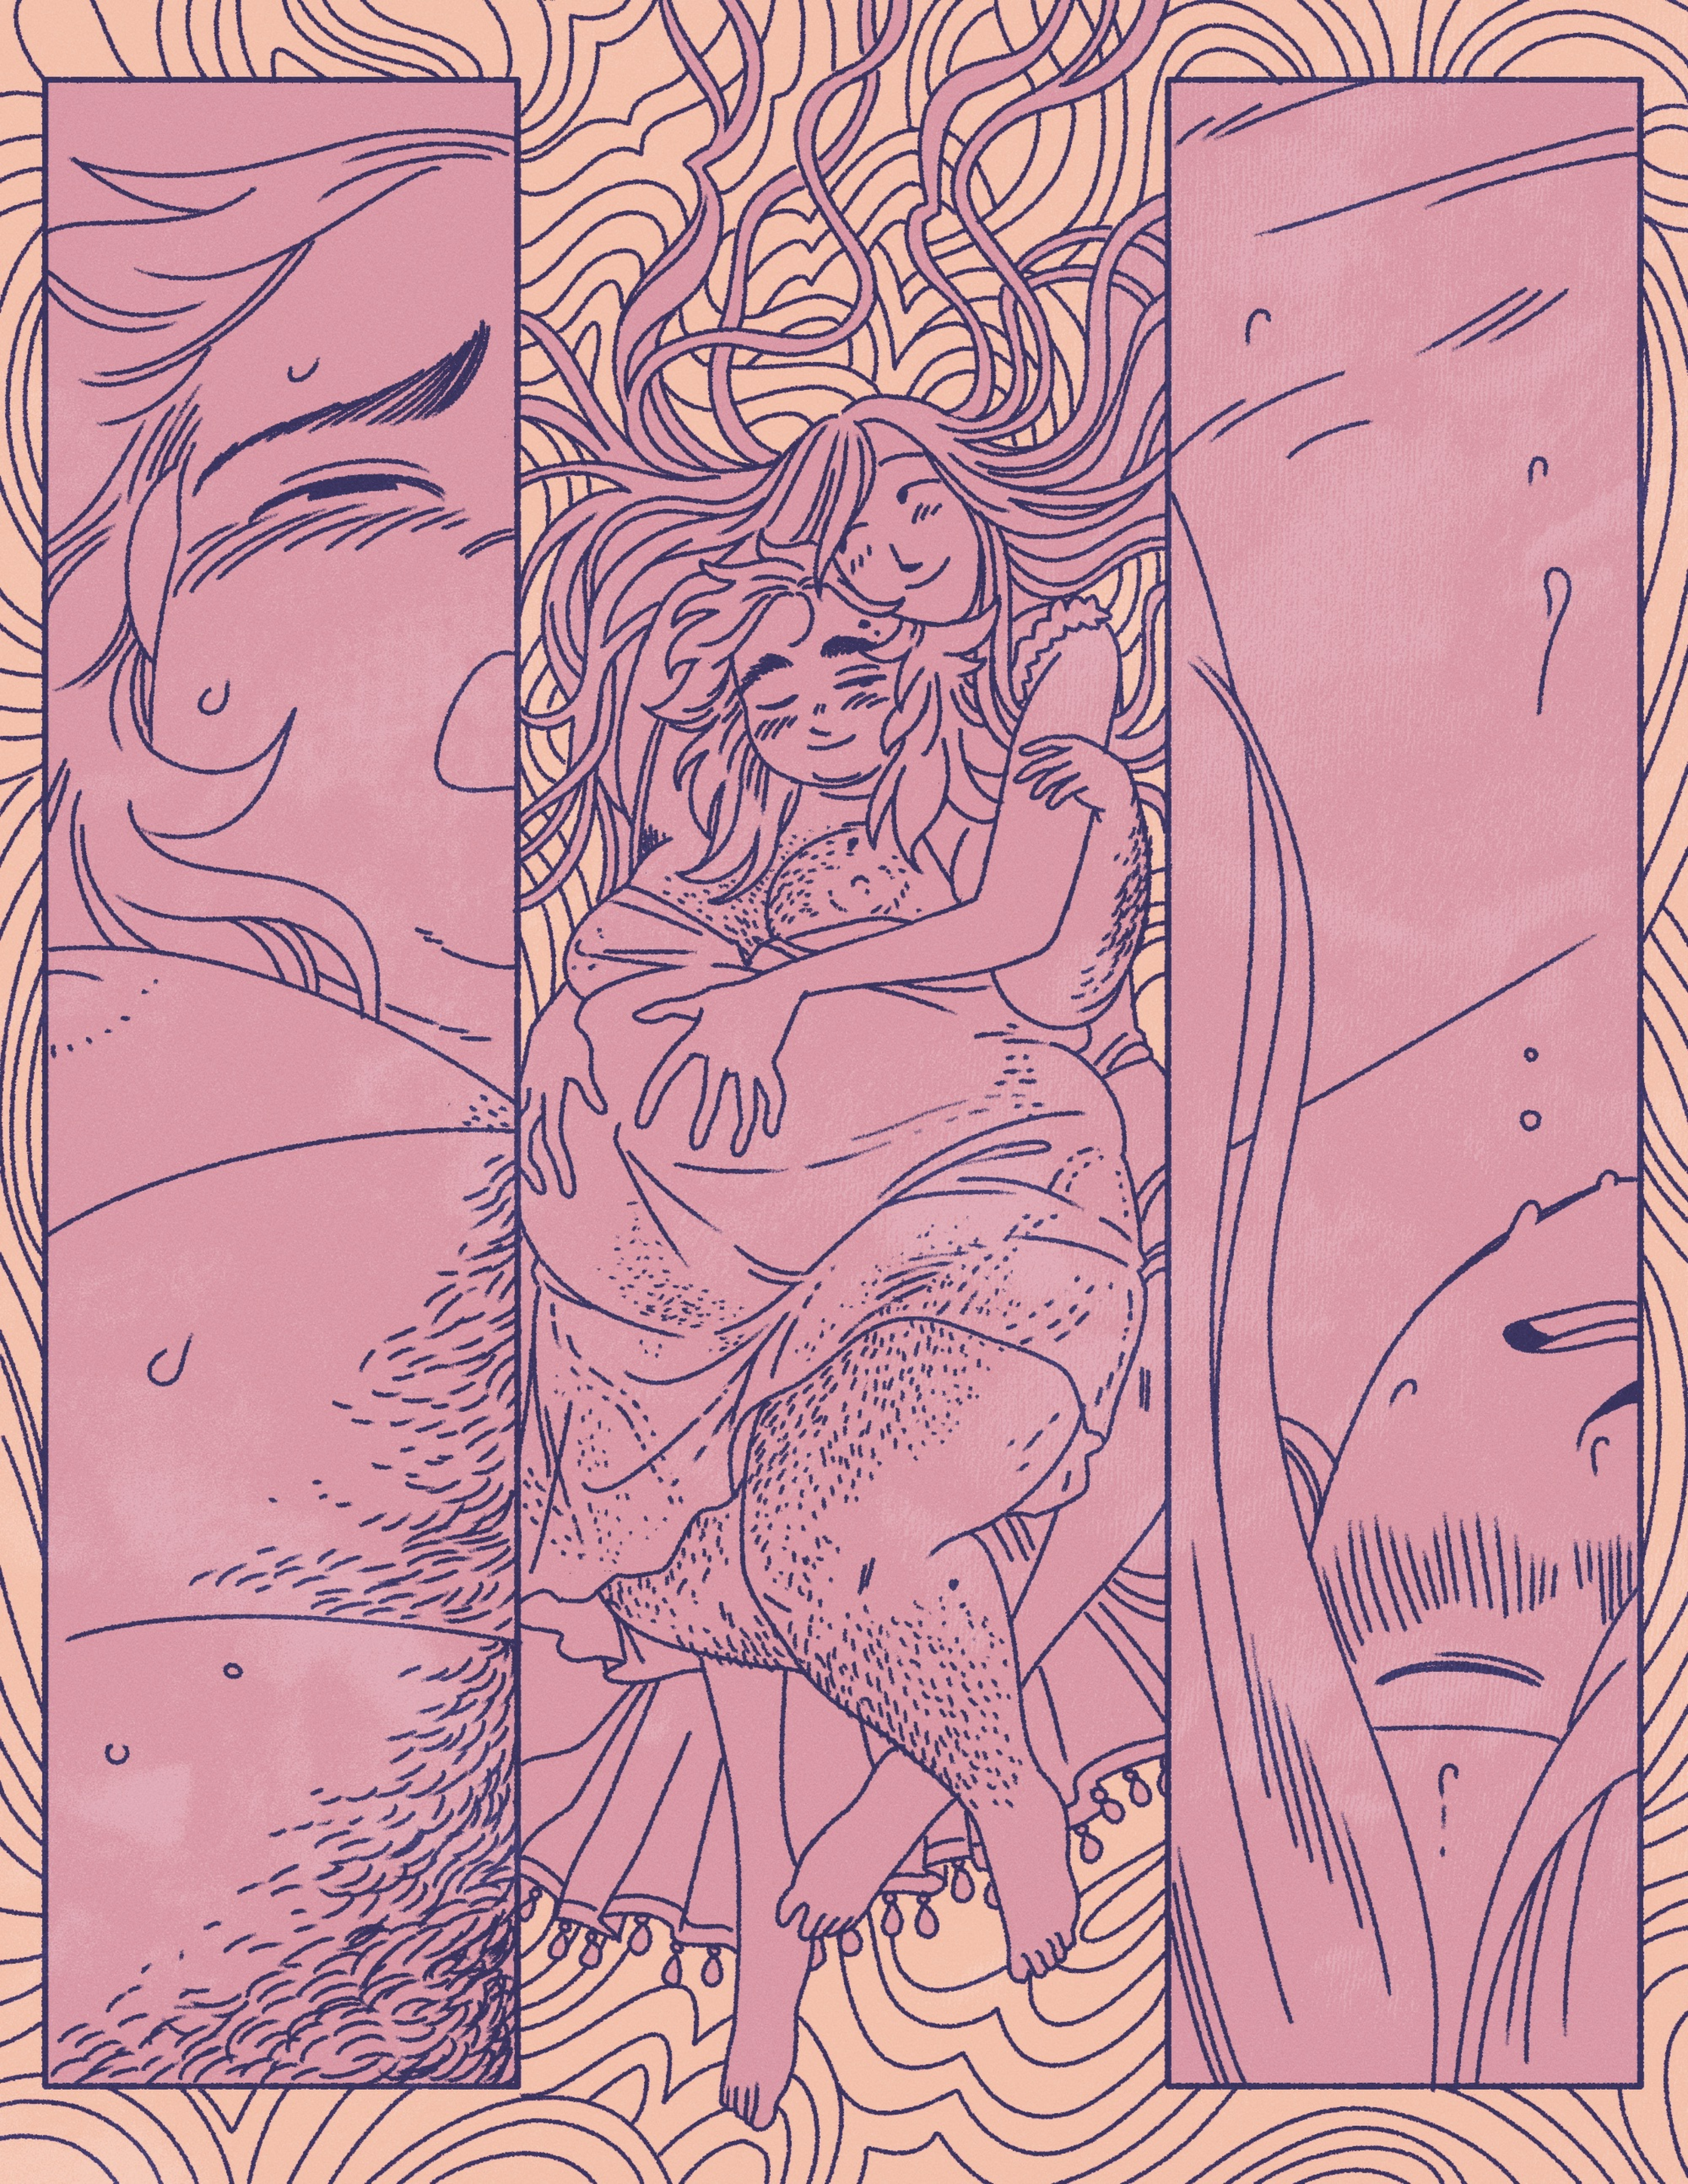

T-to know --

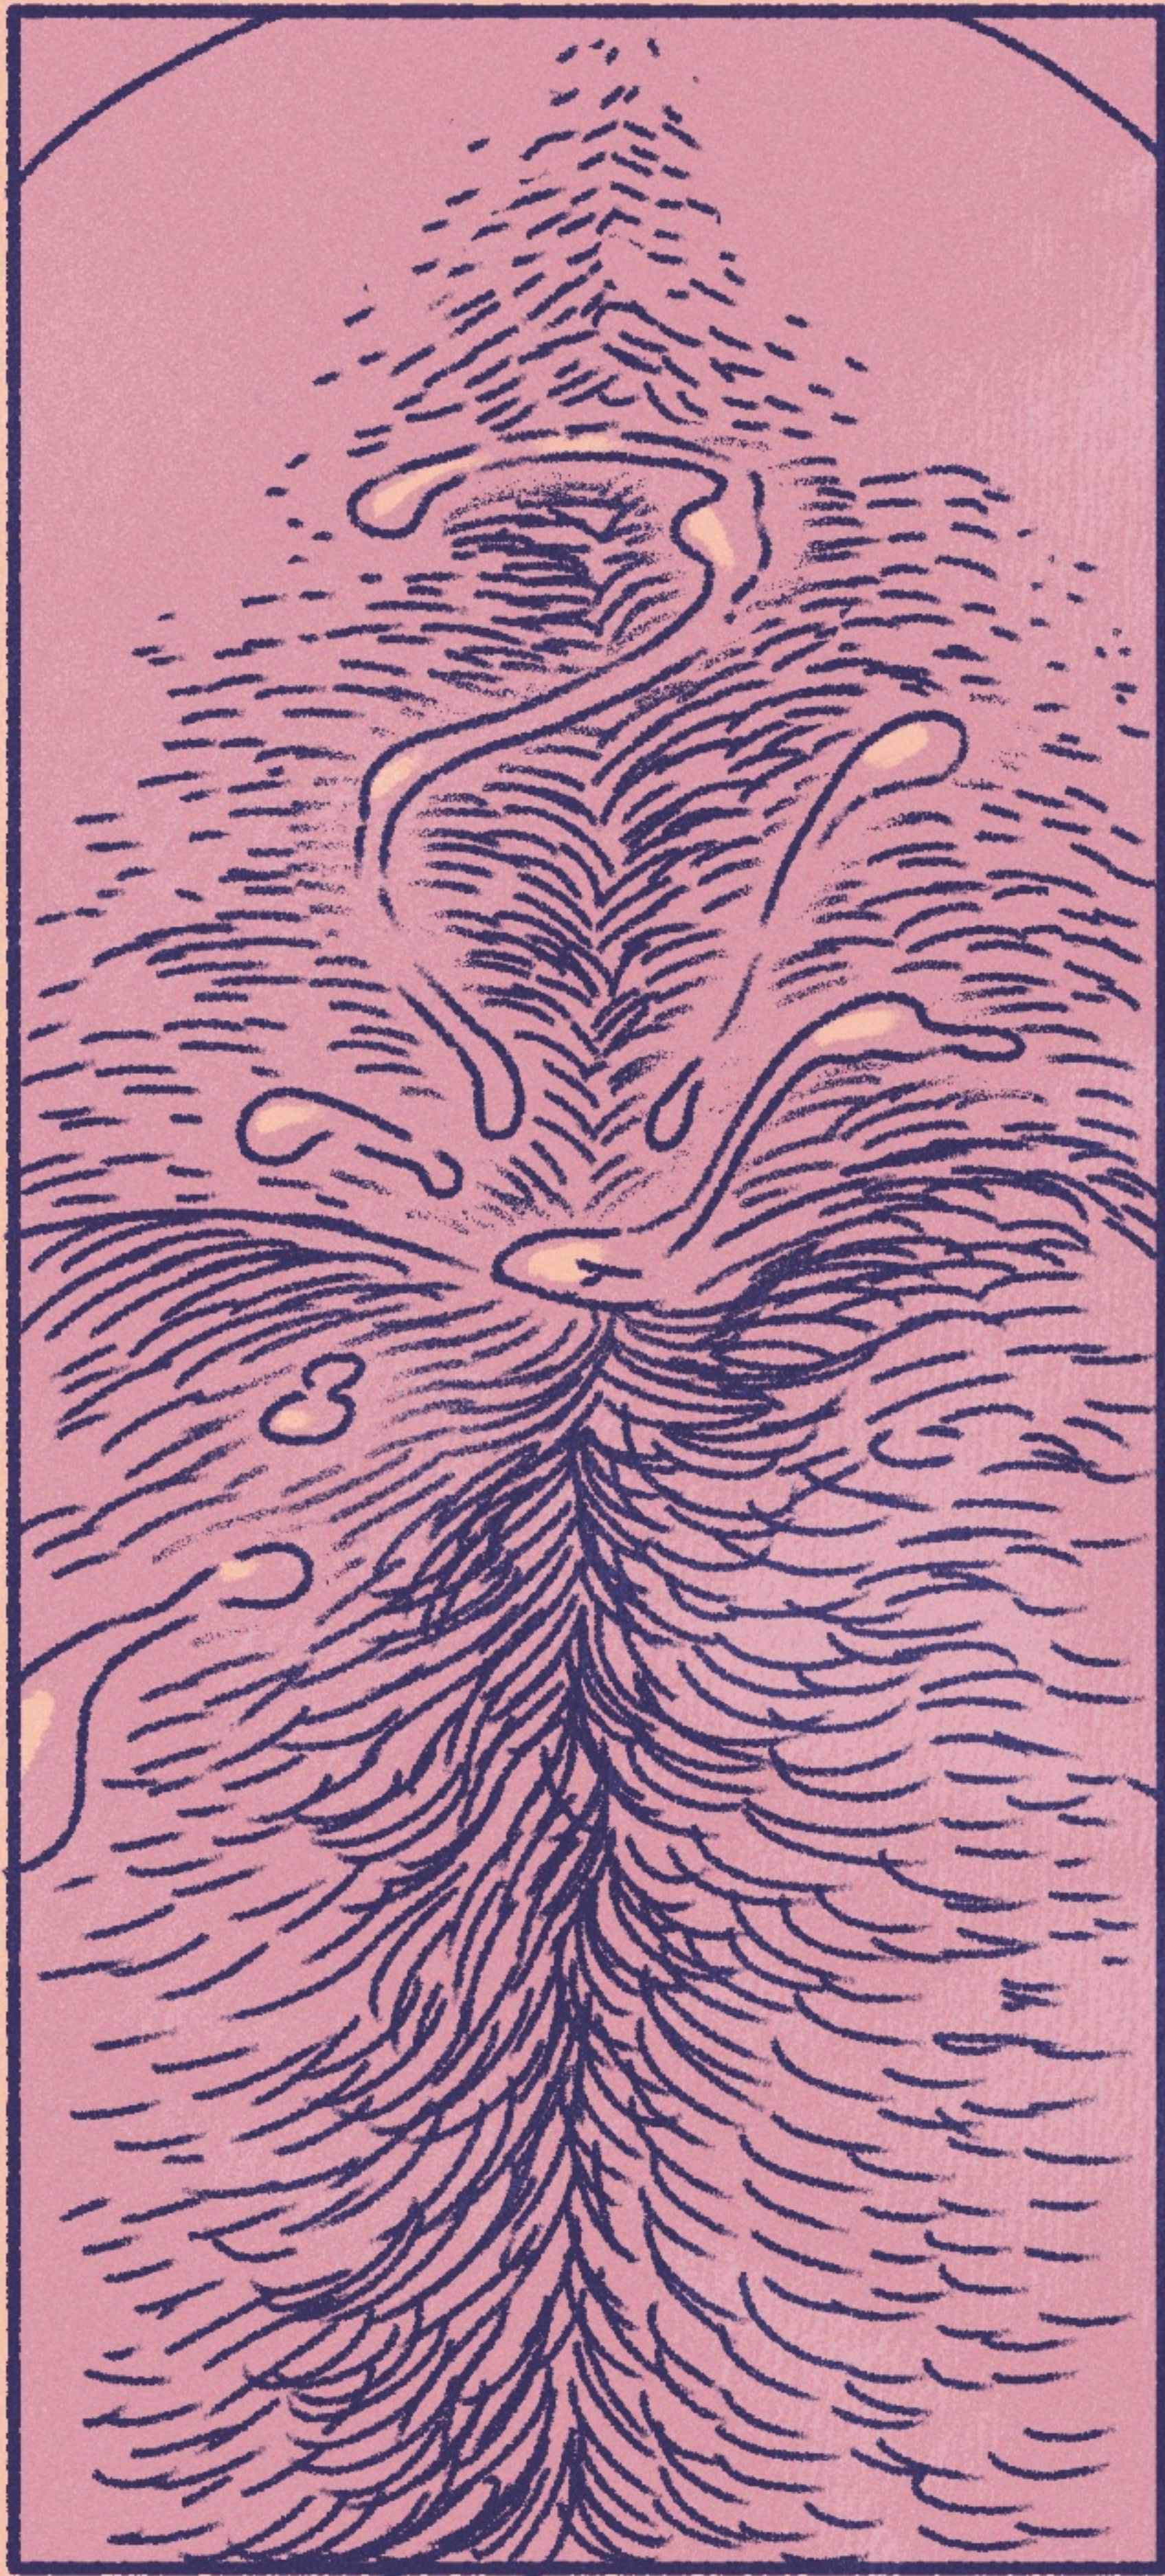

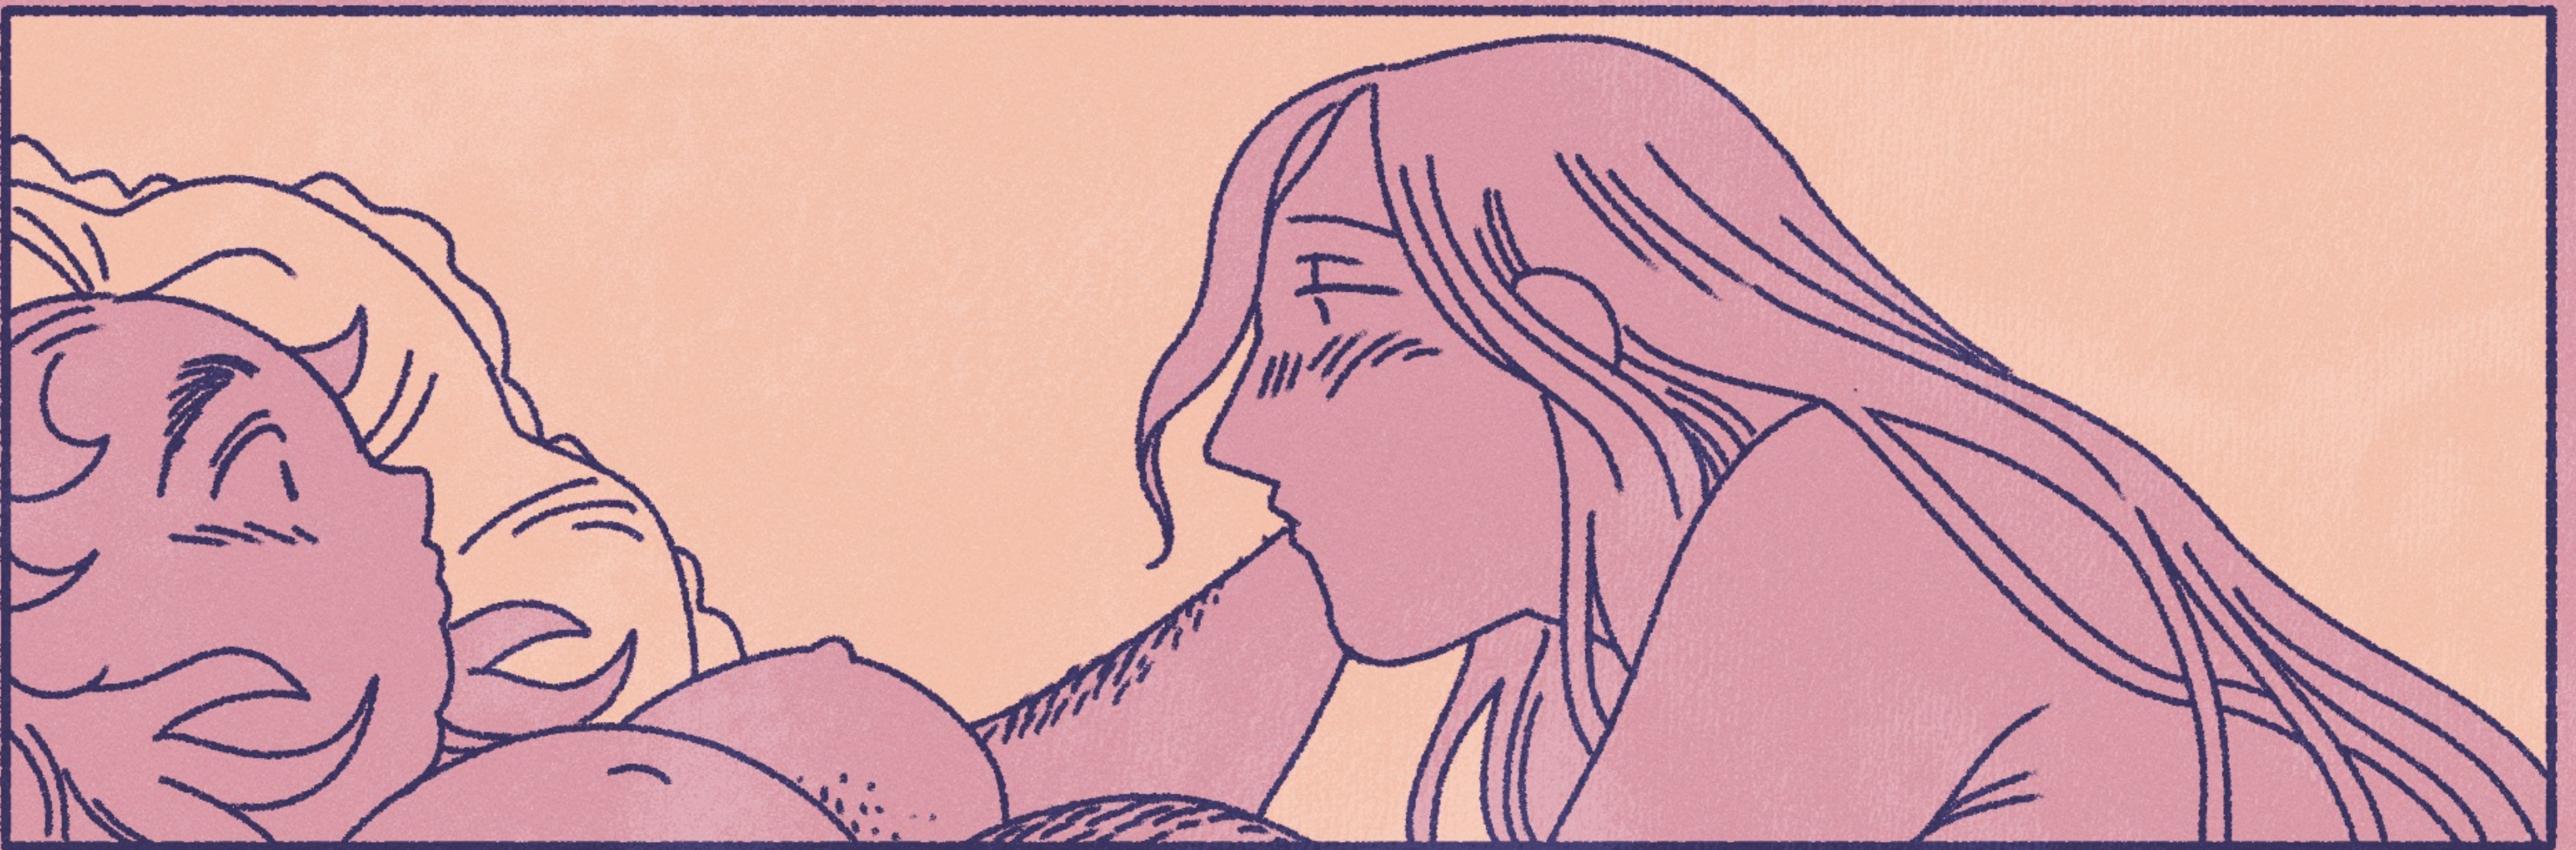

fuck, Shreve --

That I'm yours.

I know this is still just a marriage of convenience.

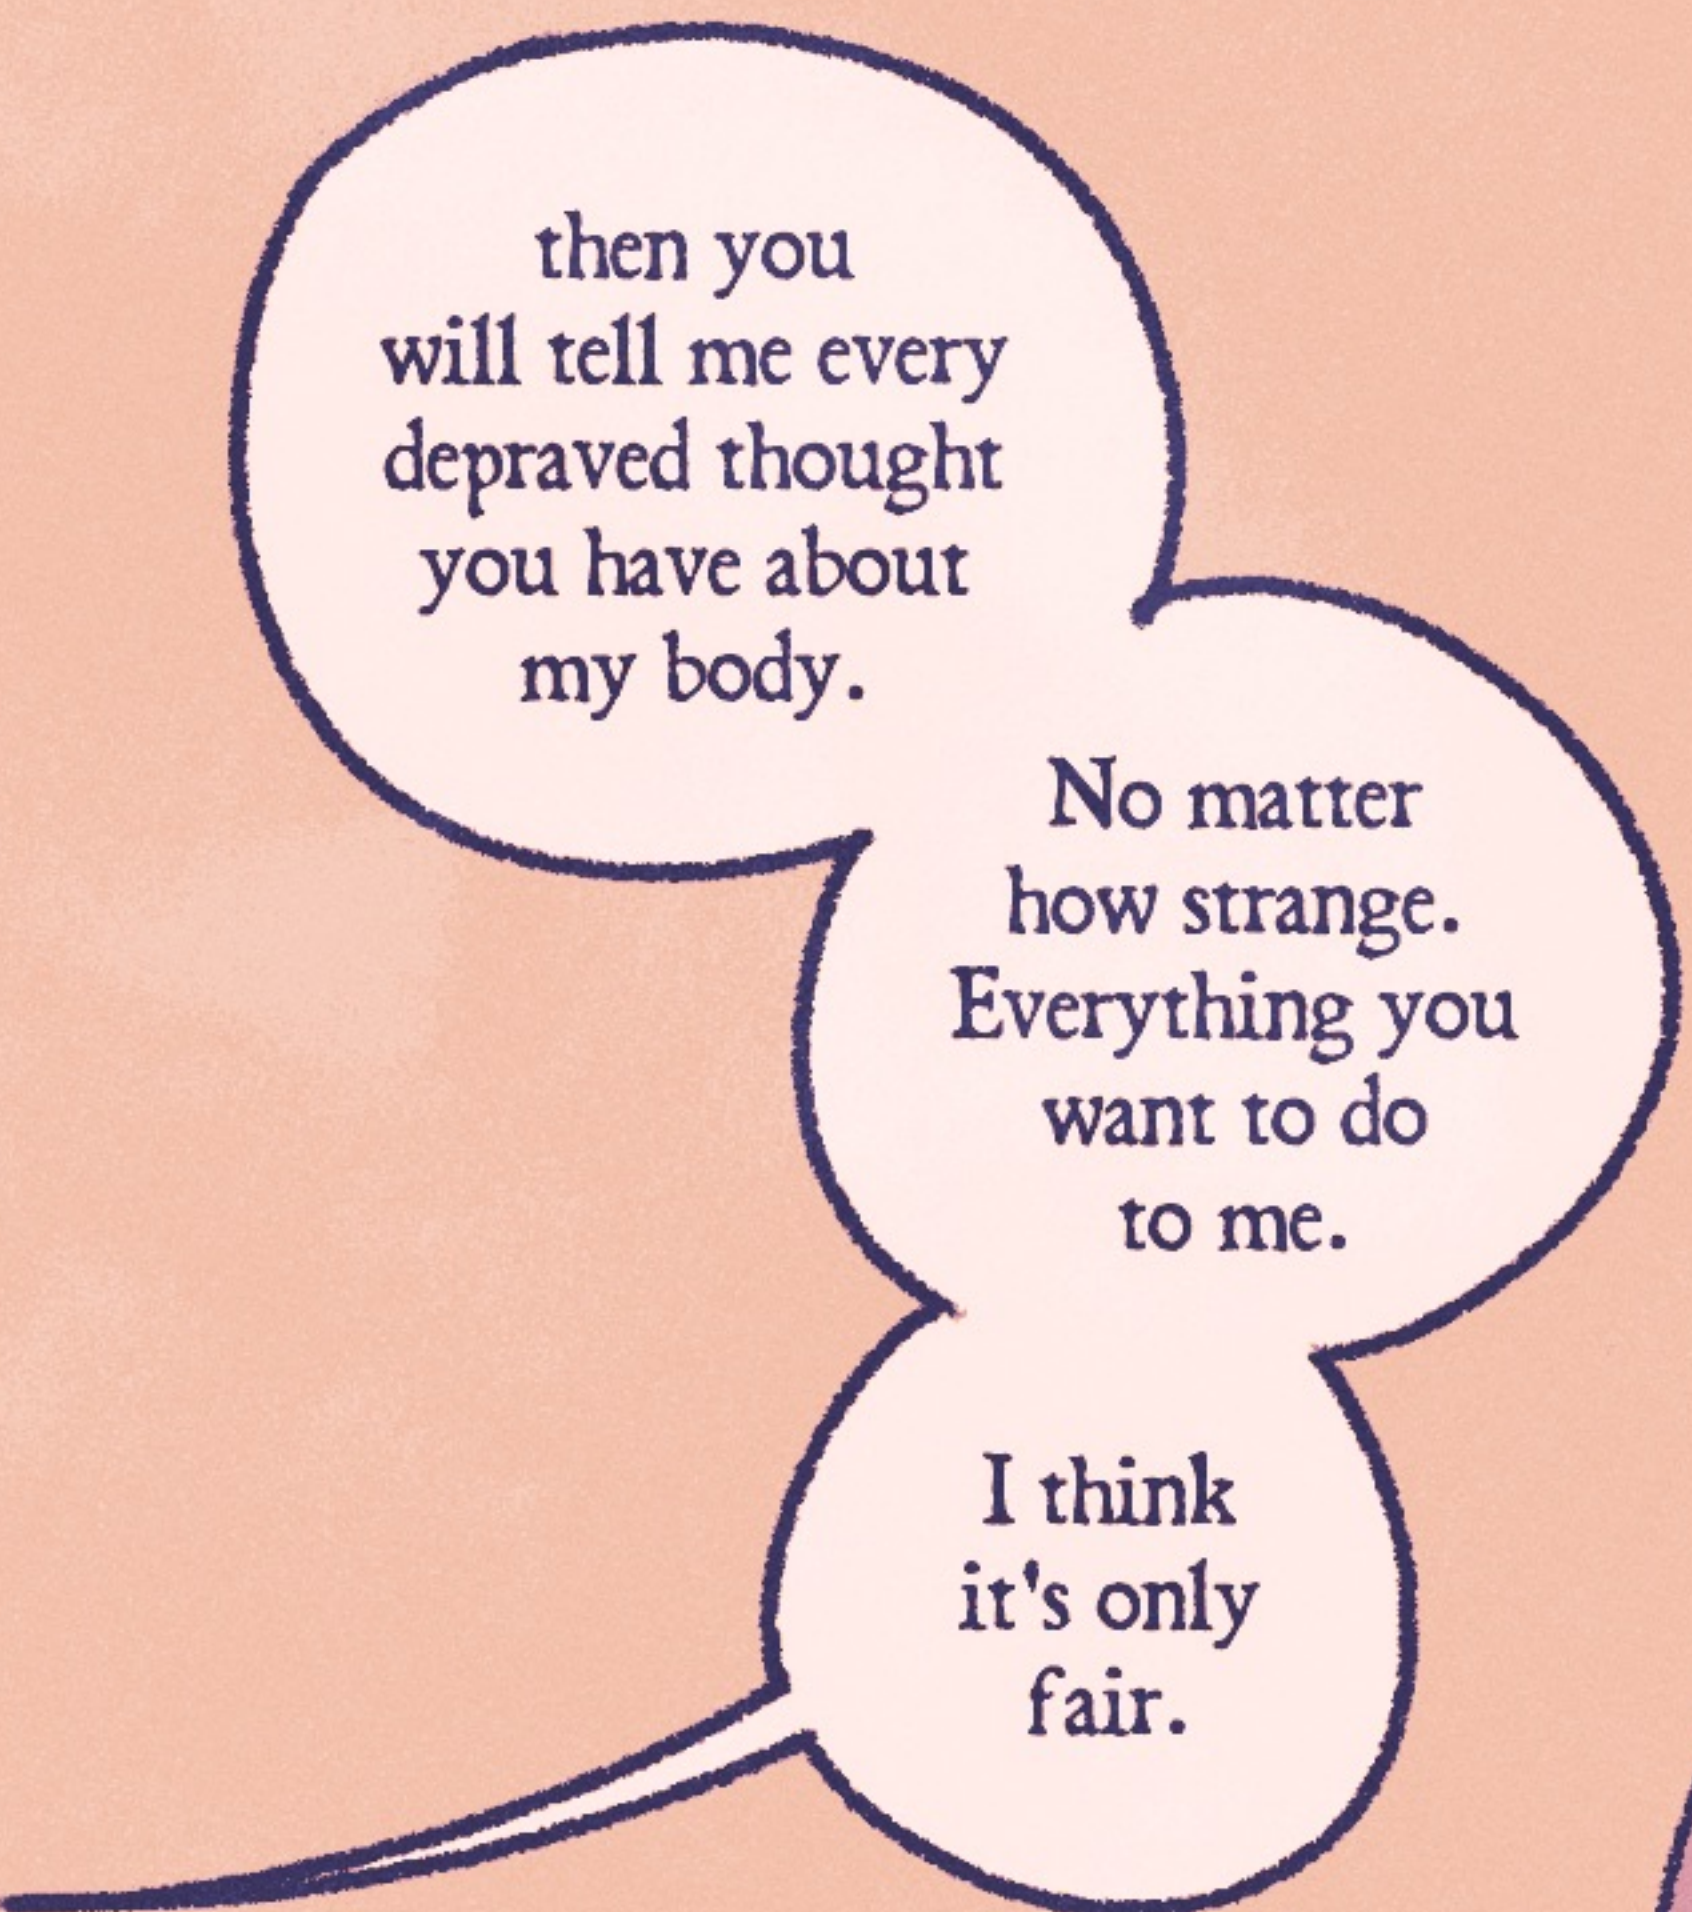

I don't want you to feel you have to --

Stop talking.

If I have to endure being the disgraced, ugly wife of a duke's pretty son,

then you will tell me every depraved thought you have about my body.

No matter how strange. Everything you want to do to me.

I think it's only fair.
