

„This is hilarious when you really think about it. I mean, what would any normal man do if he had that fuckload of money you have? Travel around the world on their yacht? Spending their money to help the poor, become a philanthropist? Go to space? Certainly, pretty much every man out there would use it on women, I believe. No matter if they're singles or engaged or even married, they would all have their little side-adventures. Imagine, you could pay any girl in the world to be your slut... You could have your favorite porn star suck your cock... Maybe even that Hollywood starlet you've been fantasizing of, I dunno..”

“But not you... No, your deranged little lizard-brain forced you to succumb to your submissive fantasies. The Agency's advertising caught you like a fly in its web. You're a young, rich and healthy man but you gladly signed your life away to become a helpless prisoner in your own fucking house! Bound, cock-caged and teased... Teased with everything you crave so much, sexy bodies in short skirts and tight nylons. Merciless cock-teasing bitches prancing around in high heels, laughing at your desperate struggles to get free. And you **want** to get free, get out of this misery you maneuvered yourself into. From the moment you learned who your lovely caretakers would be, you regretted your decision. But now it's far, far too late!”

“God, you had the biggest crush on me back at college! Always lusting after me, the flirty cheerleader. I loved teasing you back then, but you never had a chance with me, given you were such a geek! And now you're at my feet, helpless to do anything about me having my teasing ways with you. Your cock is

straining so hard against the chastity cage down there... Oh my, do these keys dangling from my anklet just inches from your face make it worse? Aw, too bad! You can't have me, you can't touch me and you most certainly can't fuck me! But don't worry I'll have you watch me fuck. Remember the hunks from the football team you used to be so jealous of back then? Well, let's just say we'll have a little reunion soon!"
