A little while ago...

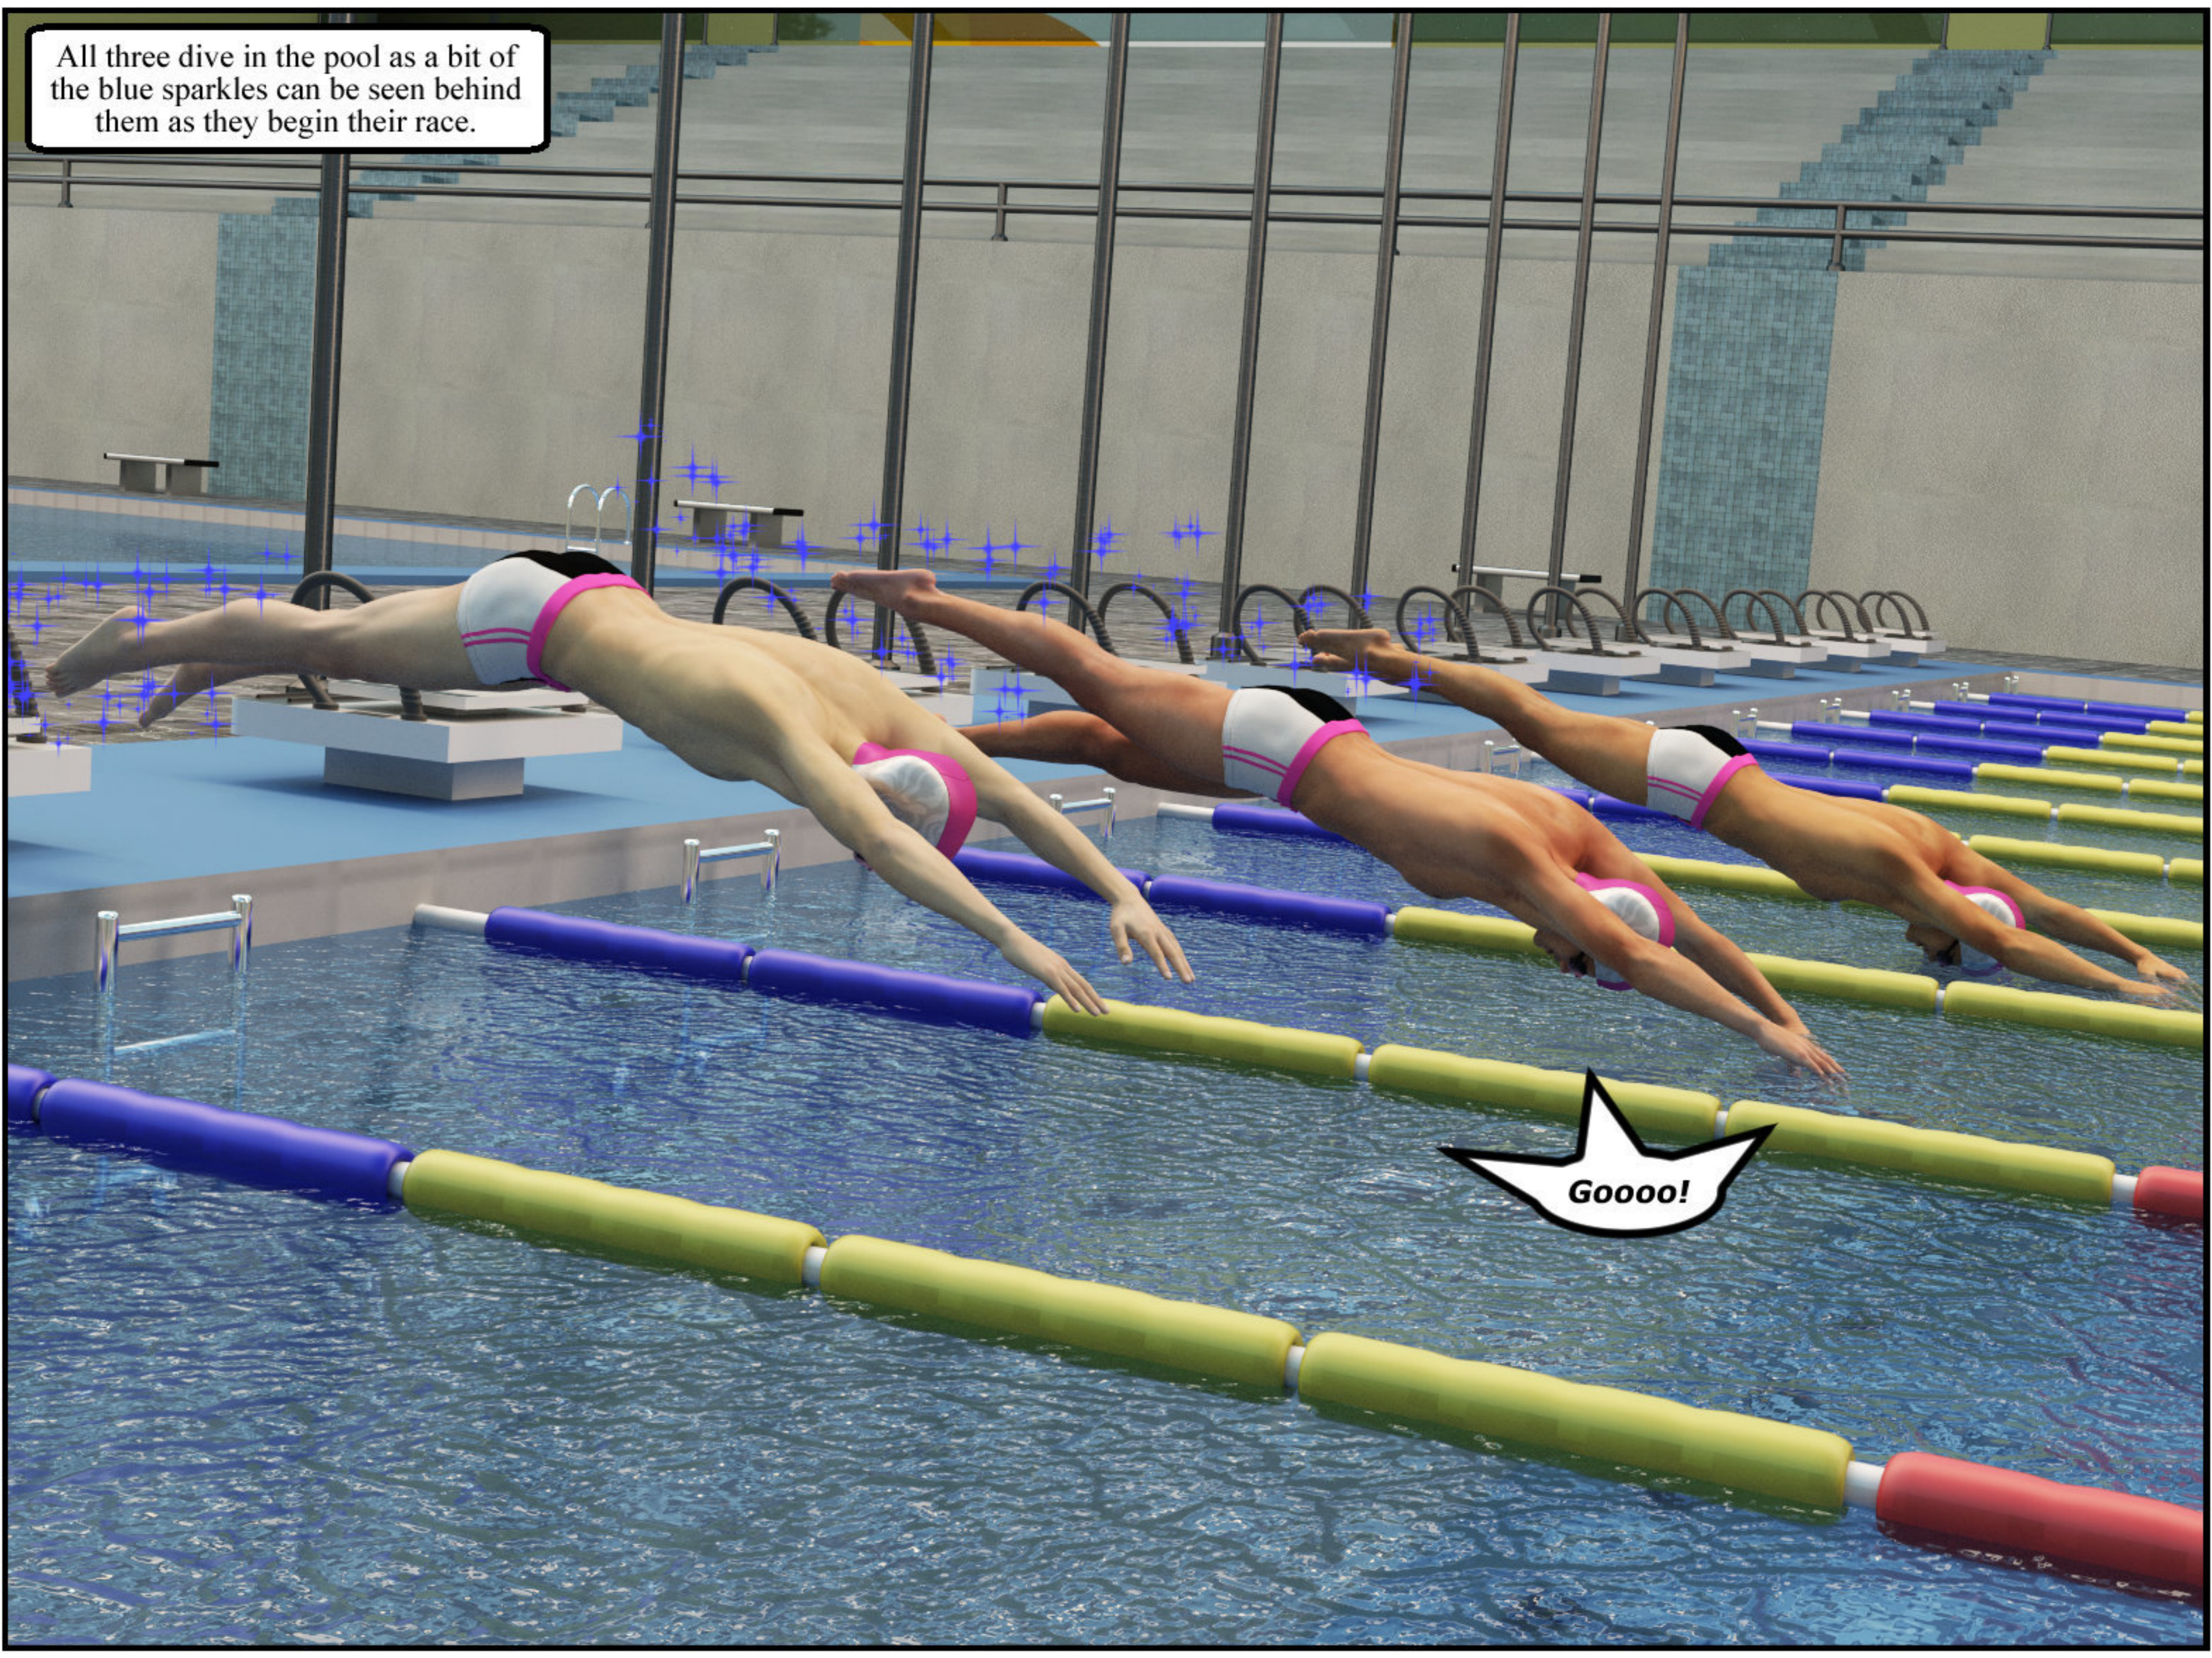

Welcome to Chapter 28! 28? **Turns to the author** Is it 28? Isn't it 29? Right! Twenty nine. Welcome to chapter 29! We start this chapter with a bit of a flashback to explain why Sylvia screamed in the last chapter.

All right. On your marks! Get set!

By starting I mean we focus on Jason and his two other varsity members, who are standing on the starting board side-by-side as they get ready to jump.

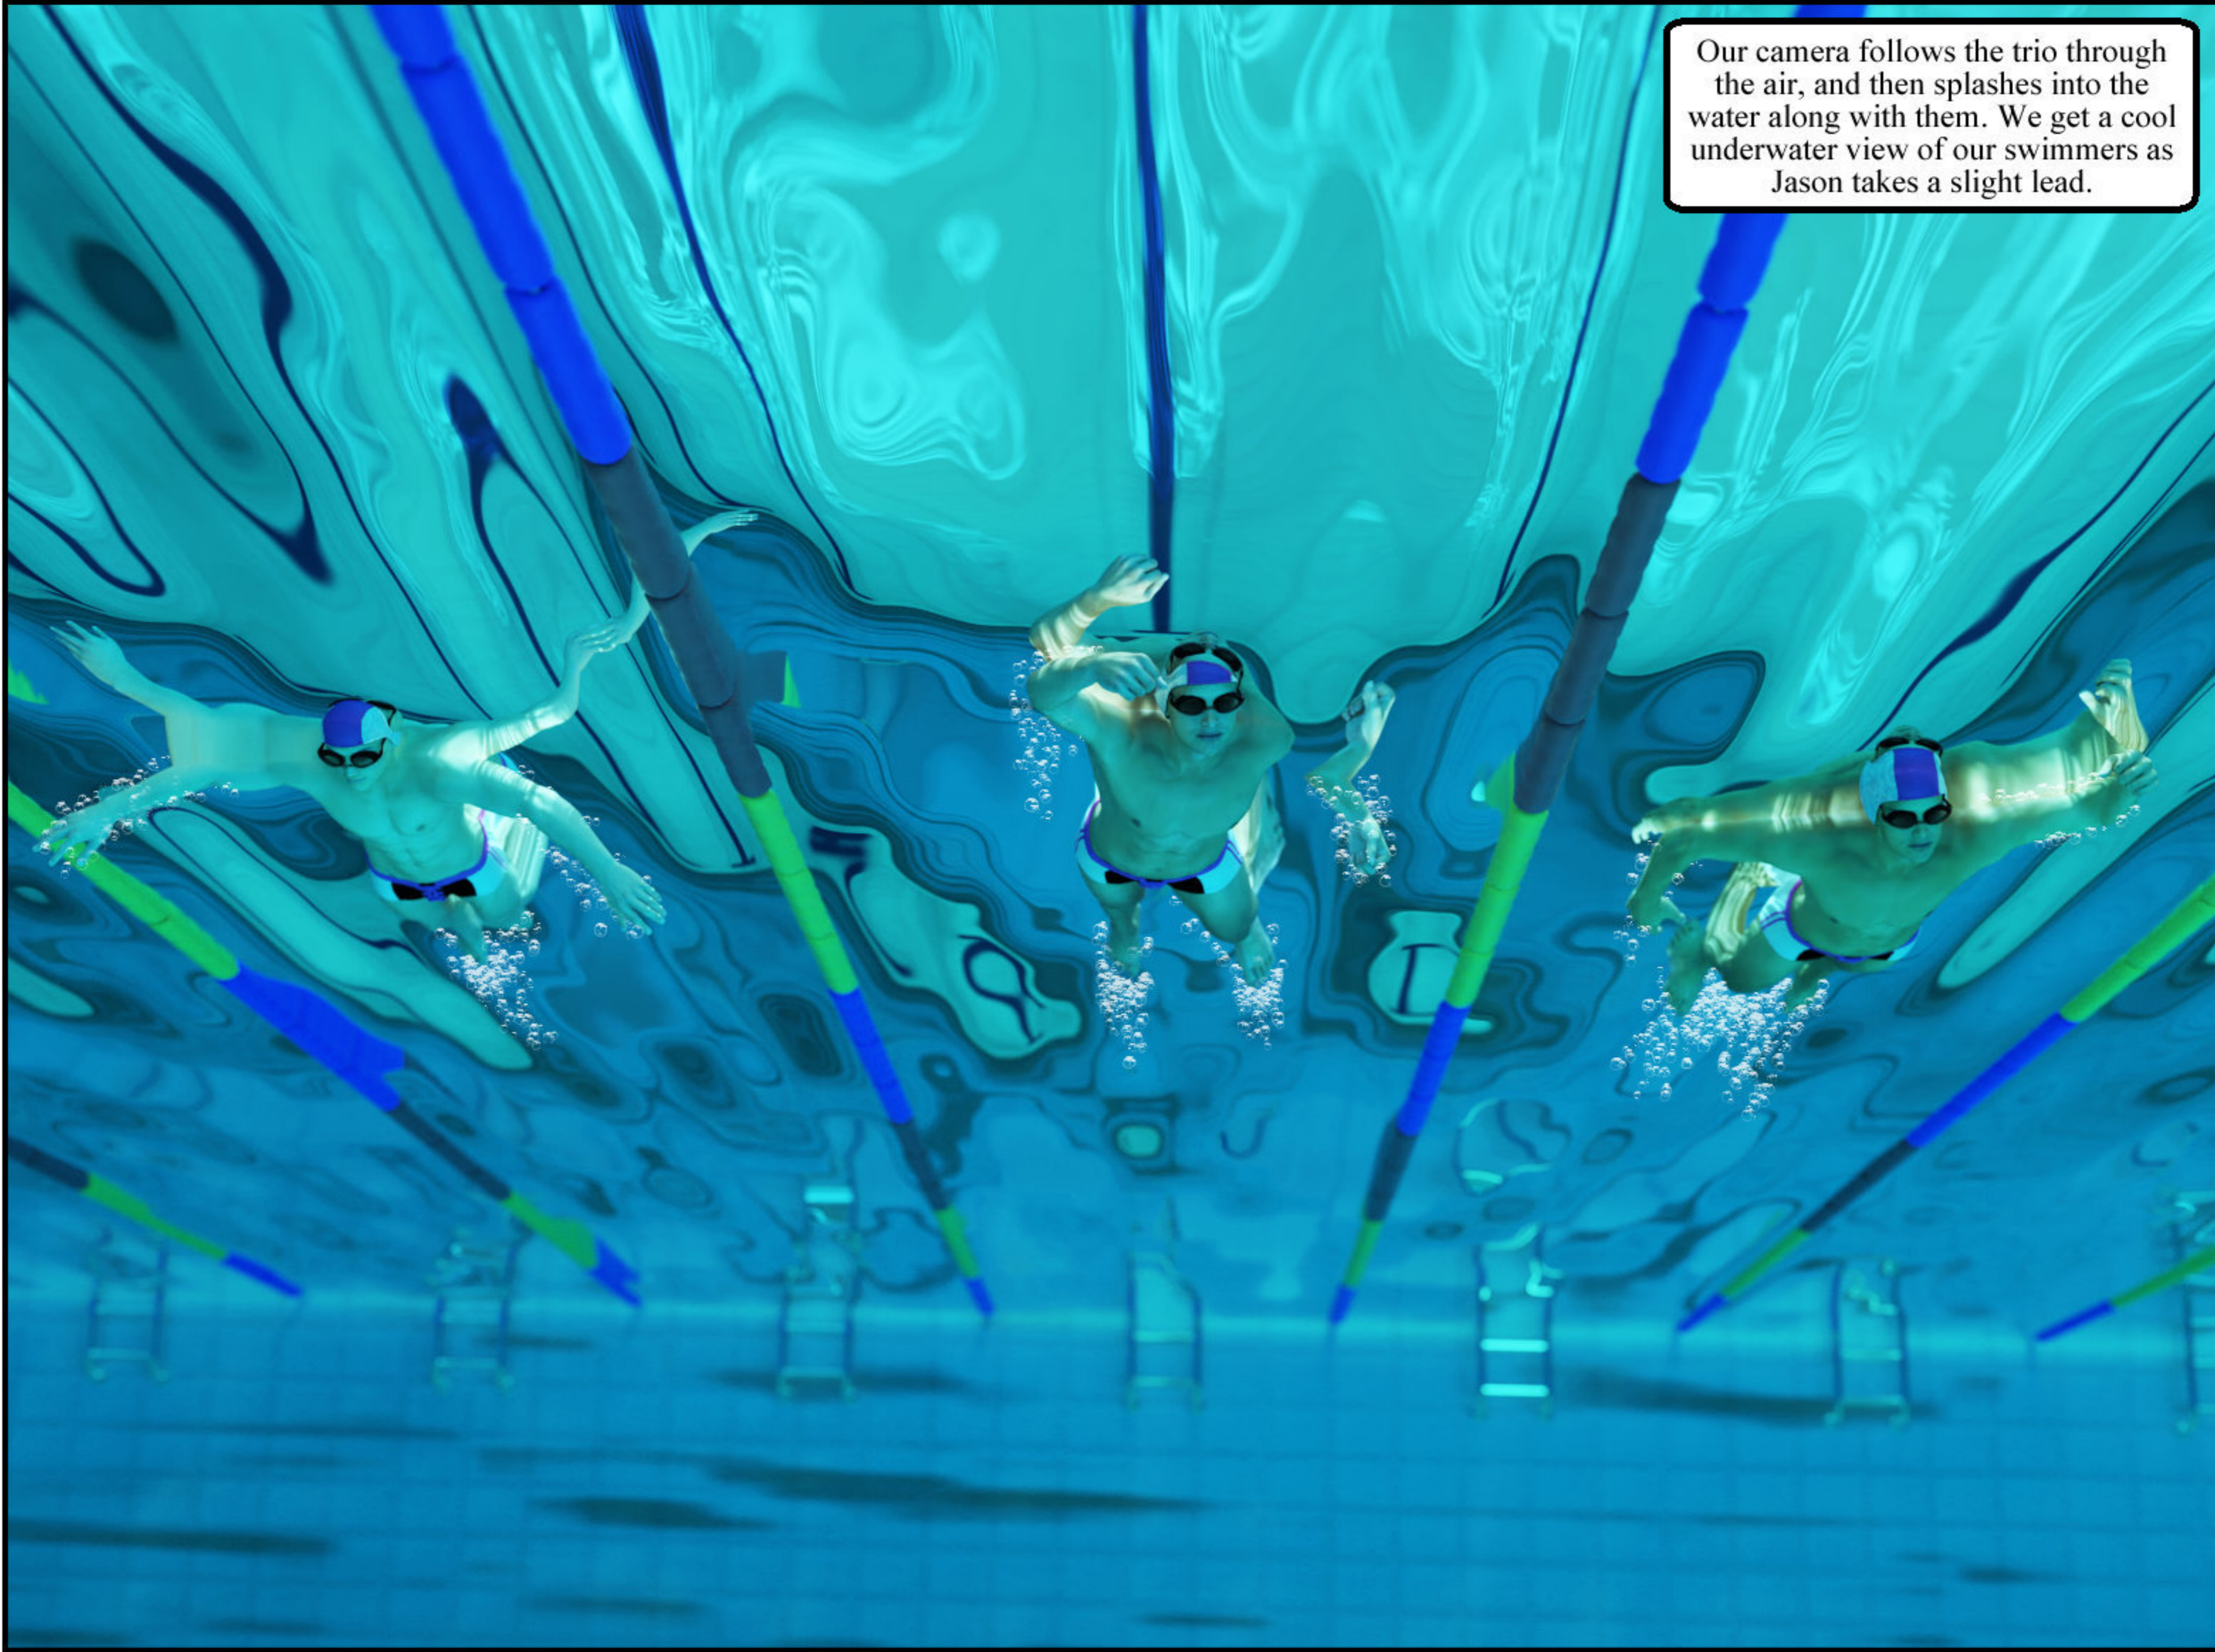

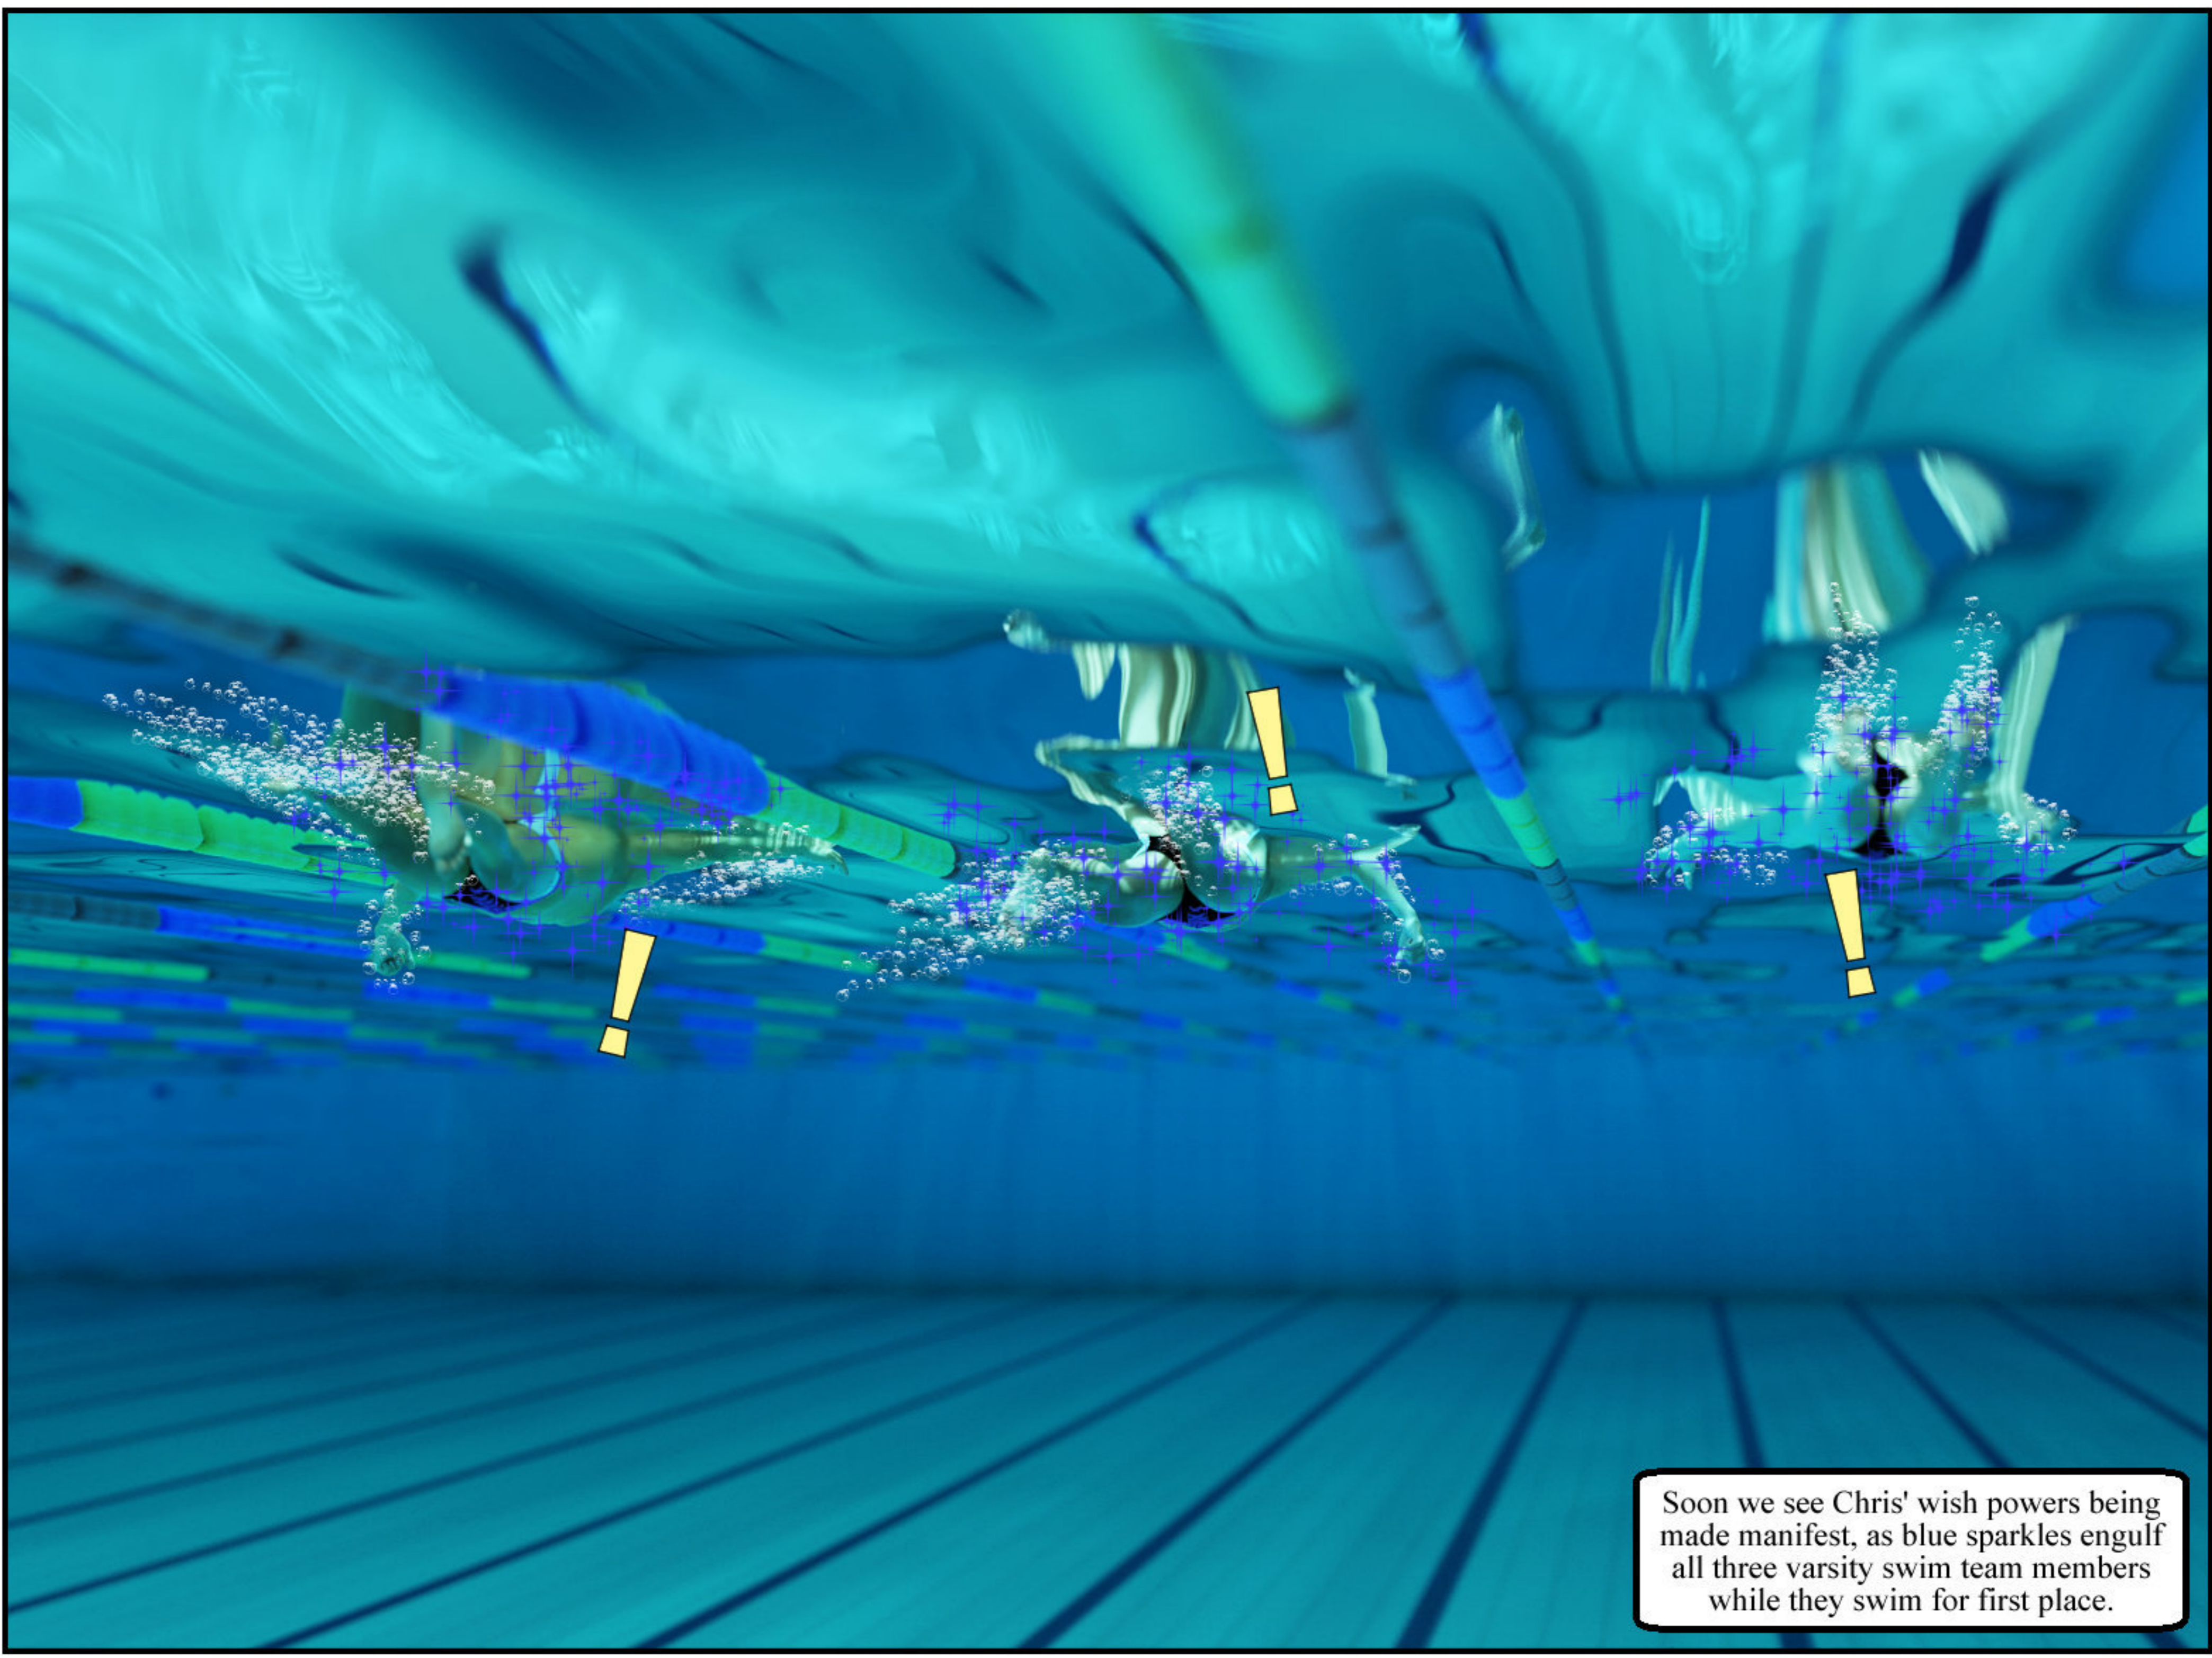

All three dive in the pool as a bit of the blue sparkles can be seen behind them as they begin their race.

Gooooo!

Our camera follows the trio through the air, and then splashes into the water along with them. We get a cool underwater view of our swimmers as Jason takes a slight lead.

Soon we see Chris' wish powers being made manifest, as blue sparkles engulf all three varsity swim team members while they swim for first place.

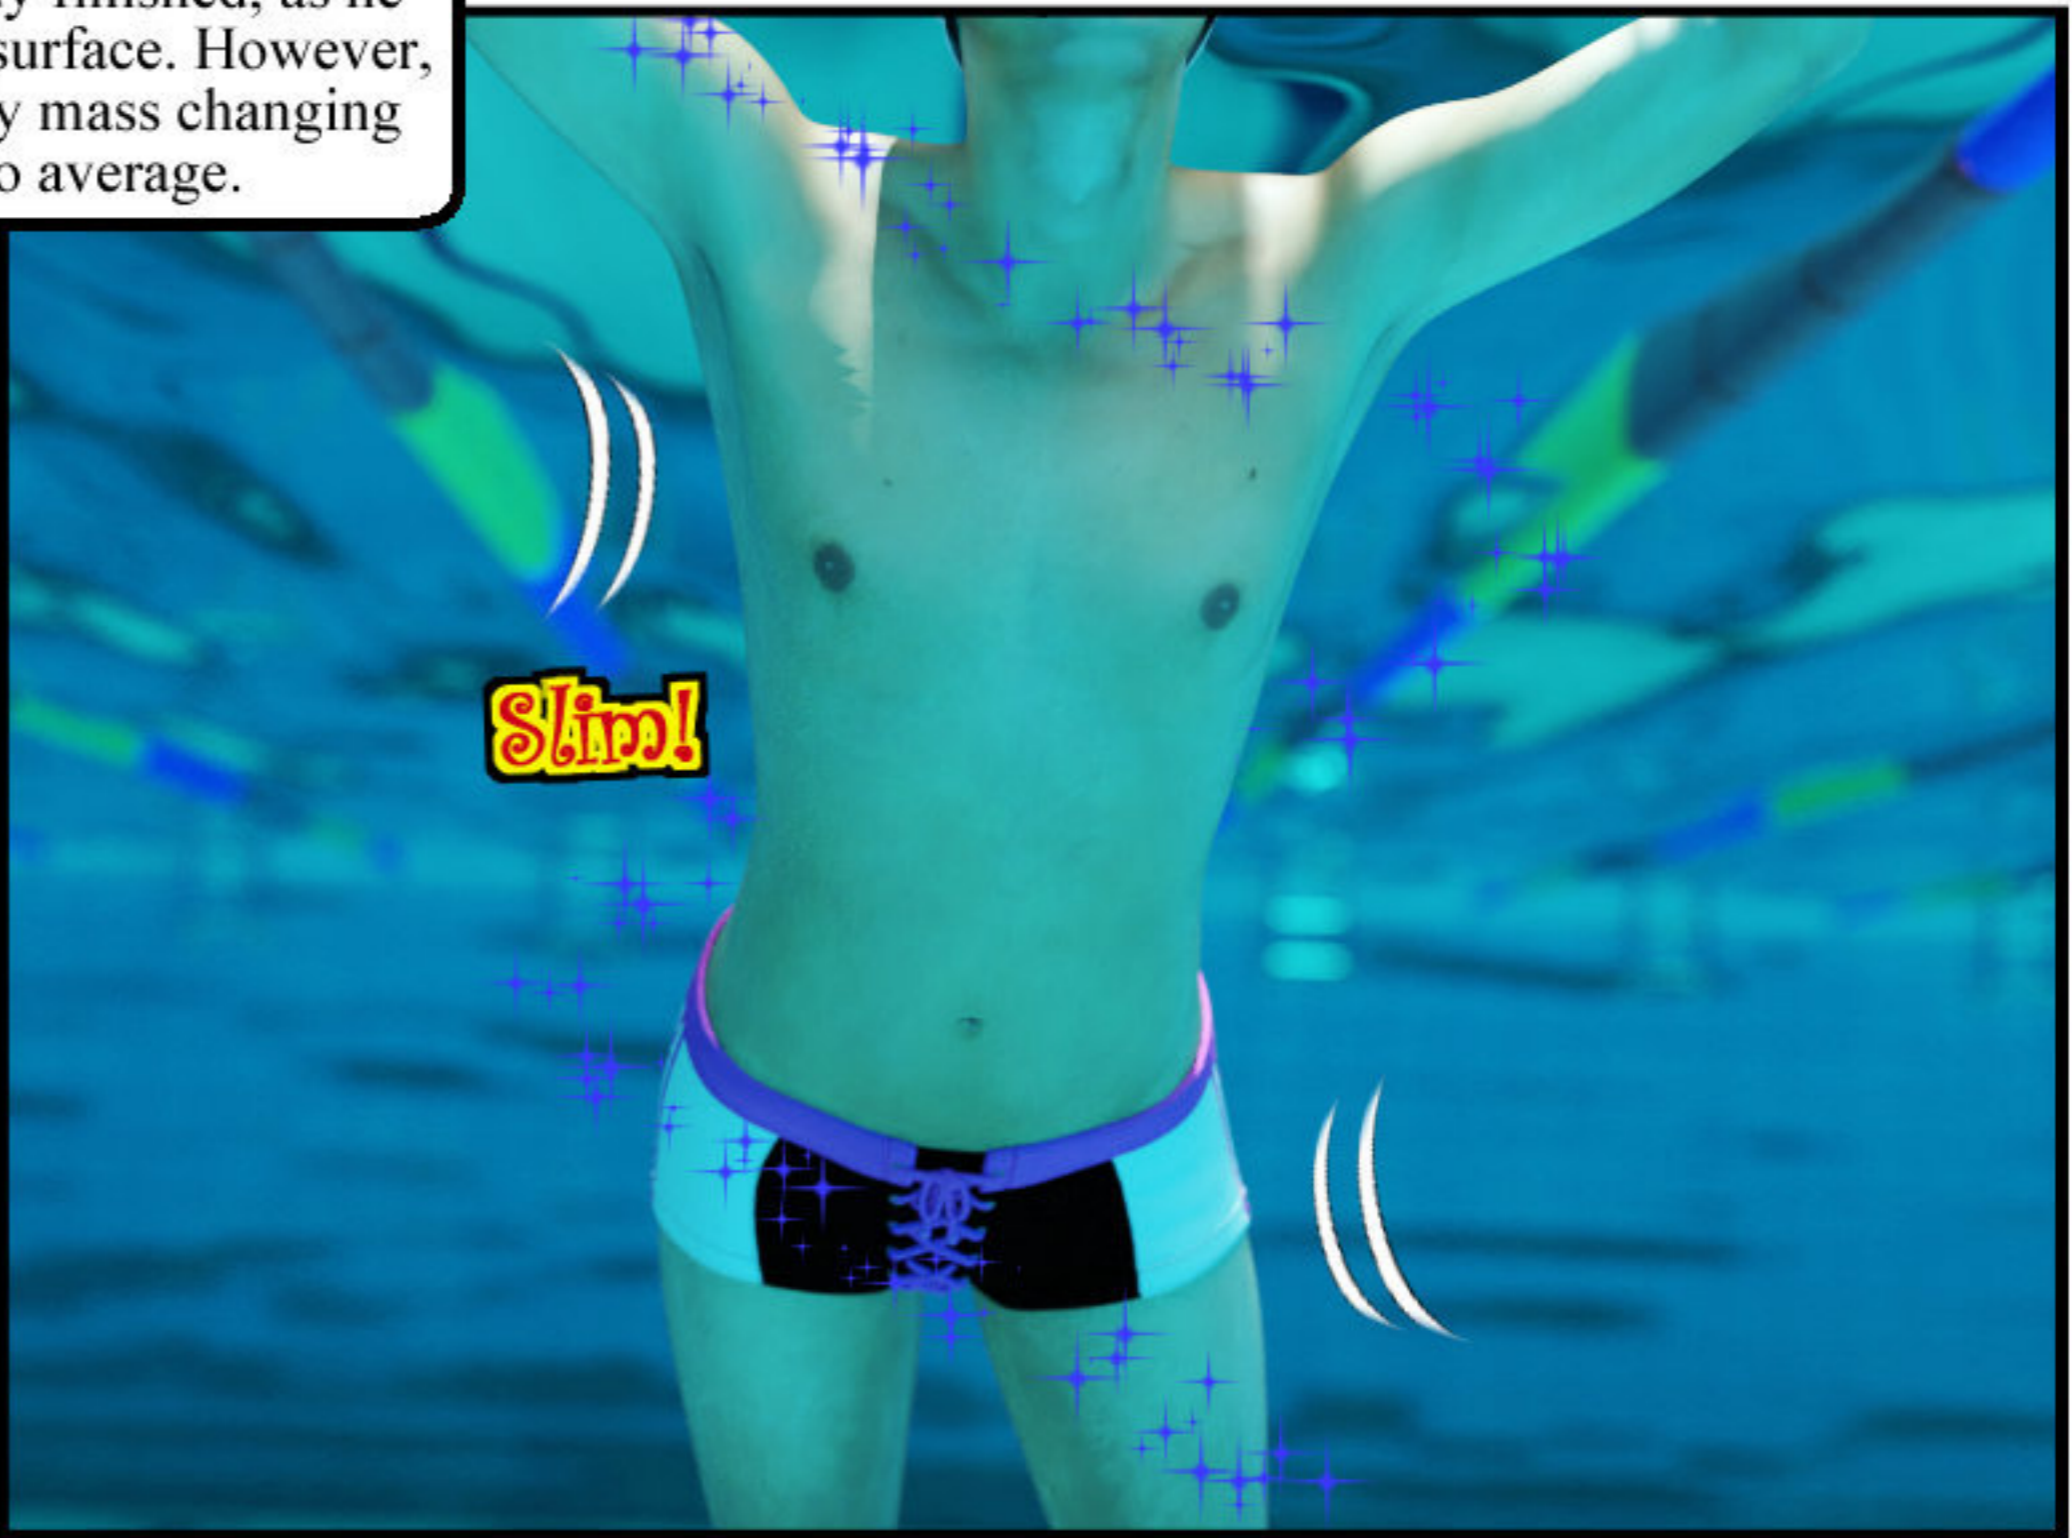

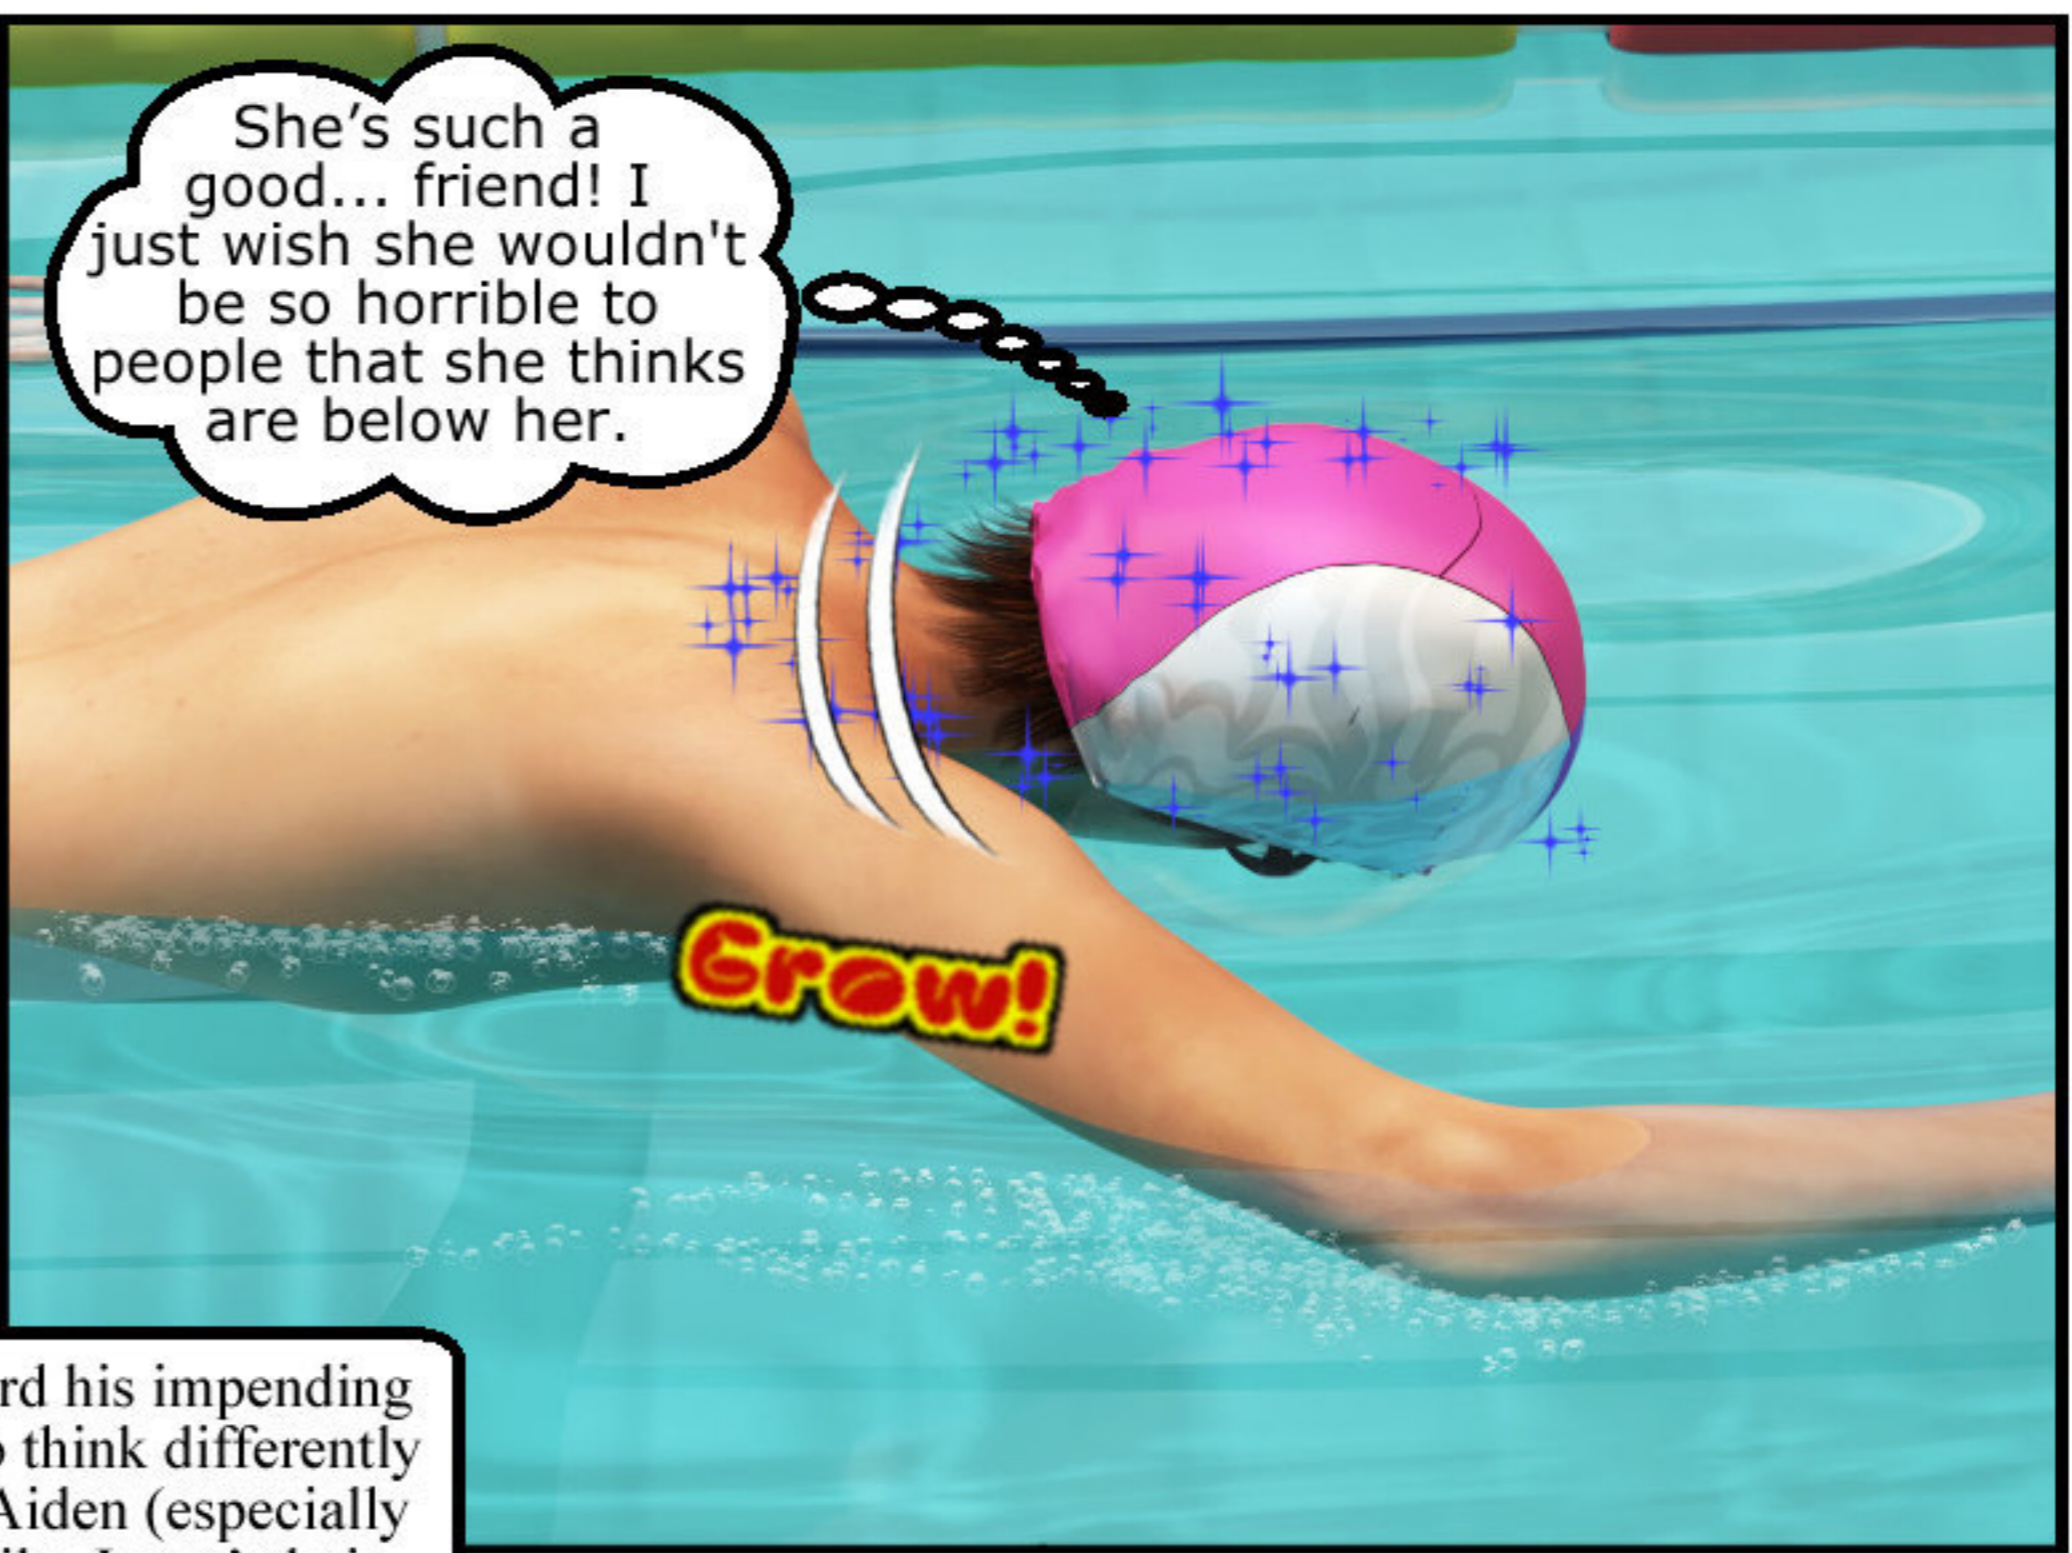

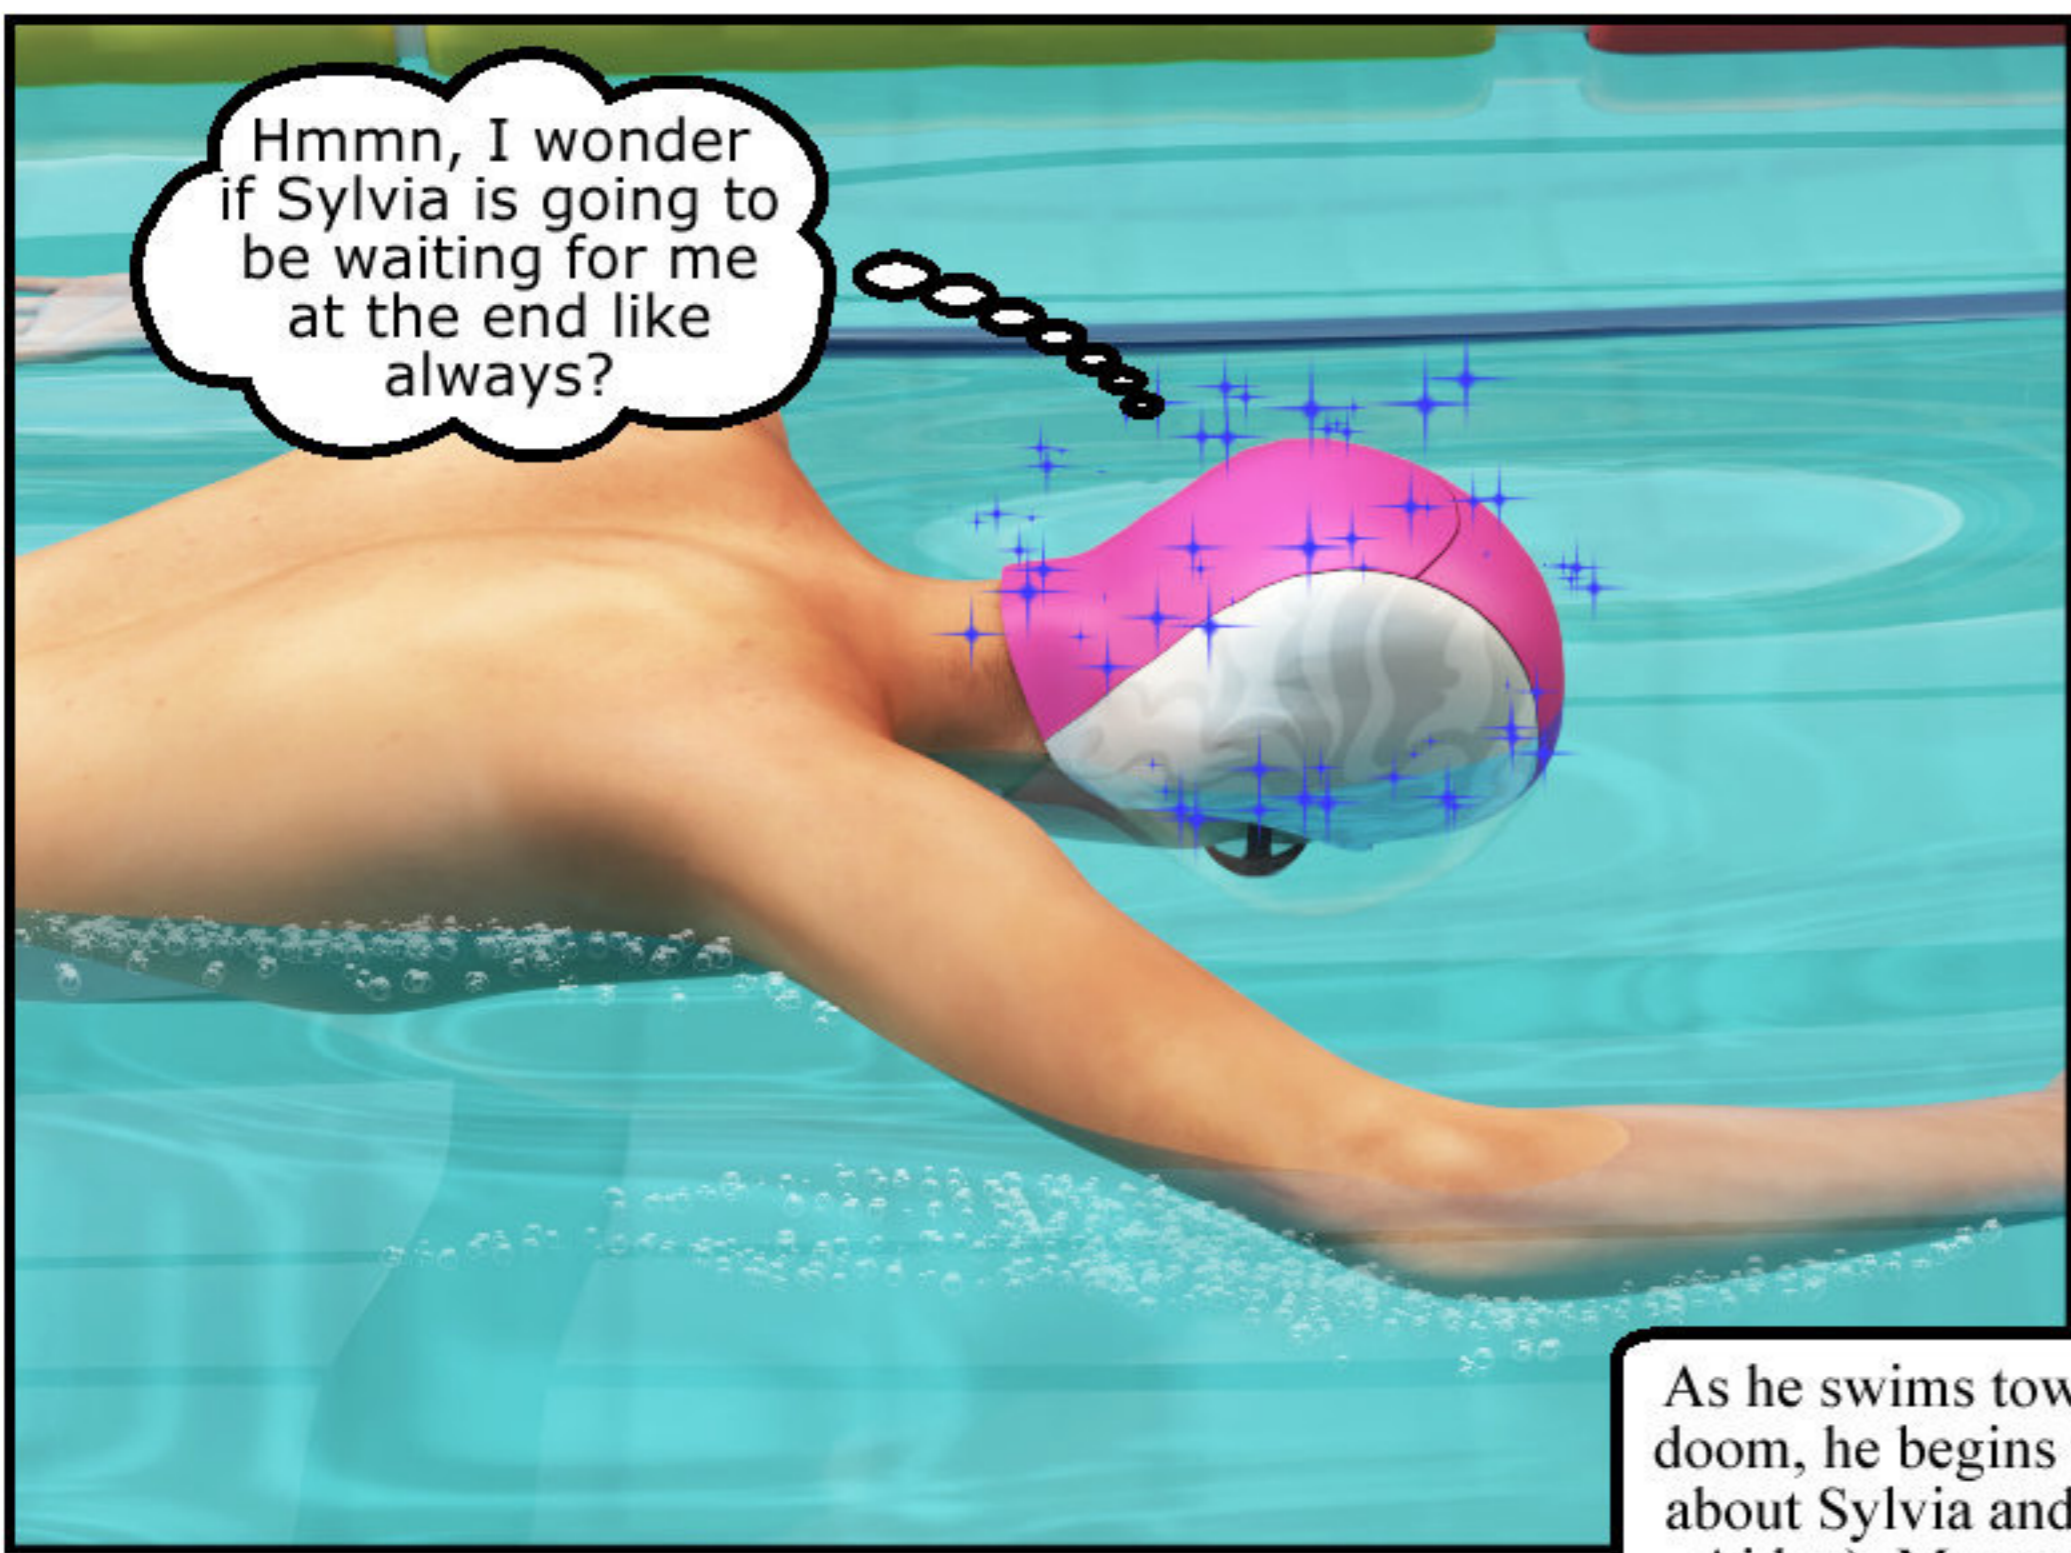

Hmmm...
what is this
sensation? And
where did they
all go?!

Jason stops for a moment and we see that he is under the illusion that he is the only one in the pool at the moment. Floating underwater he looks around wondering where everyone went.

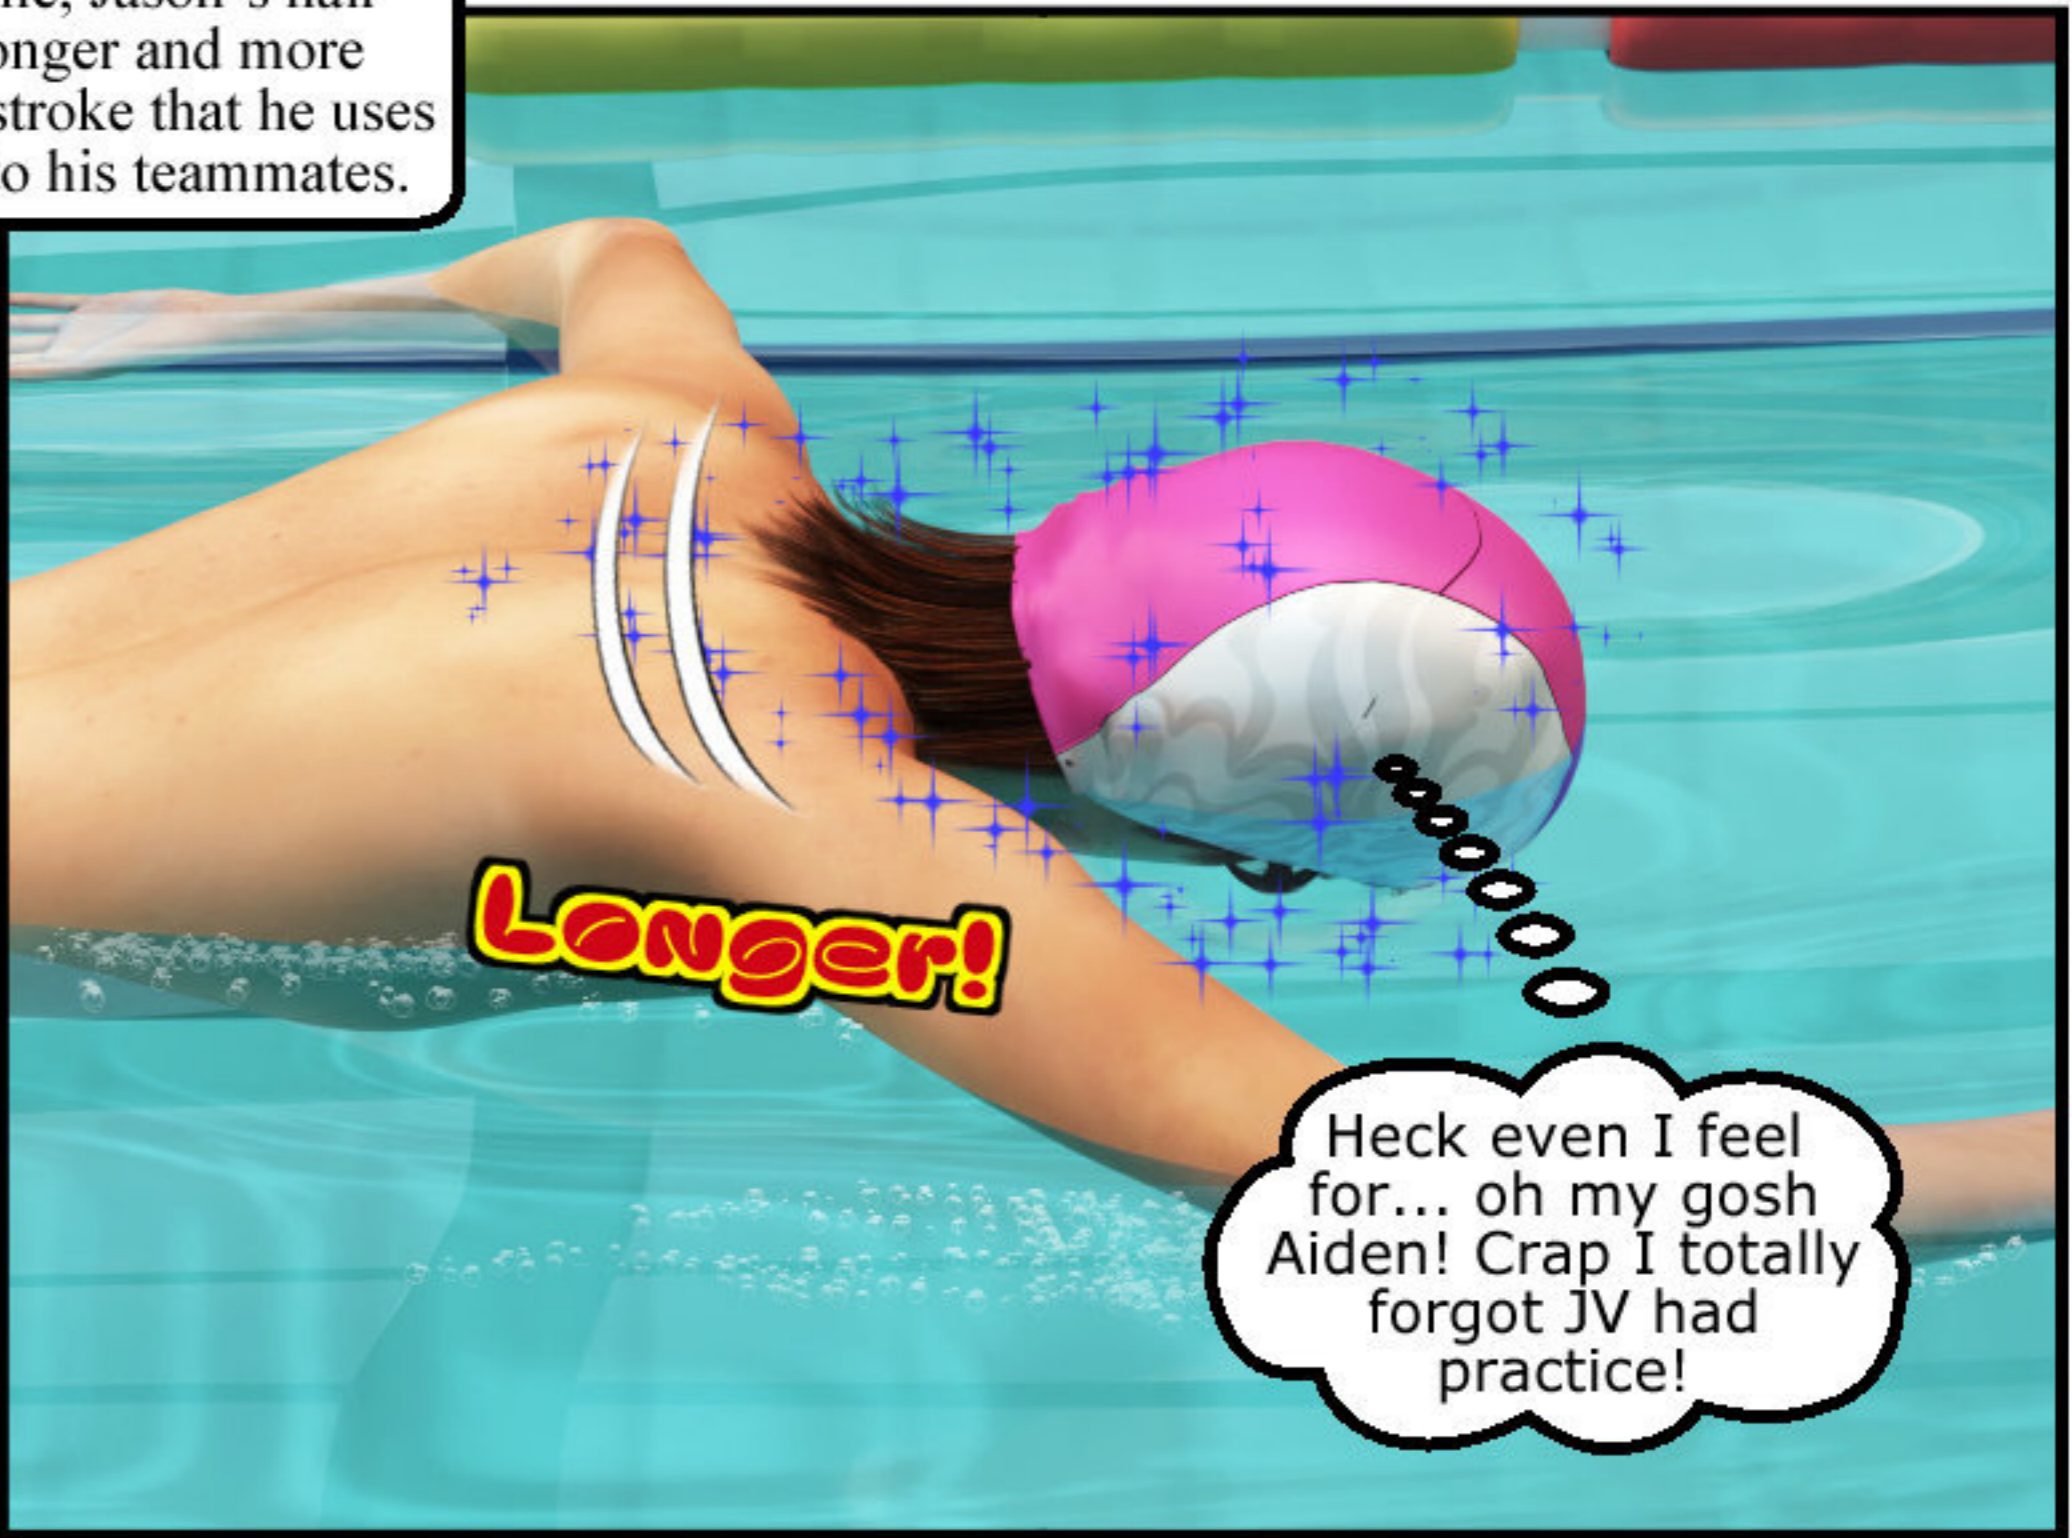

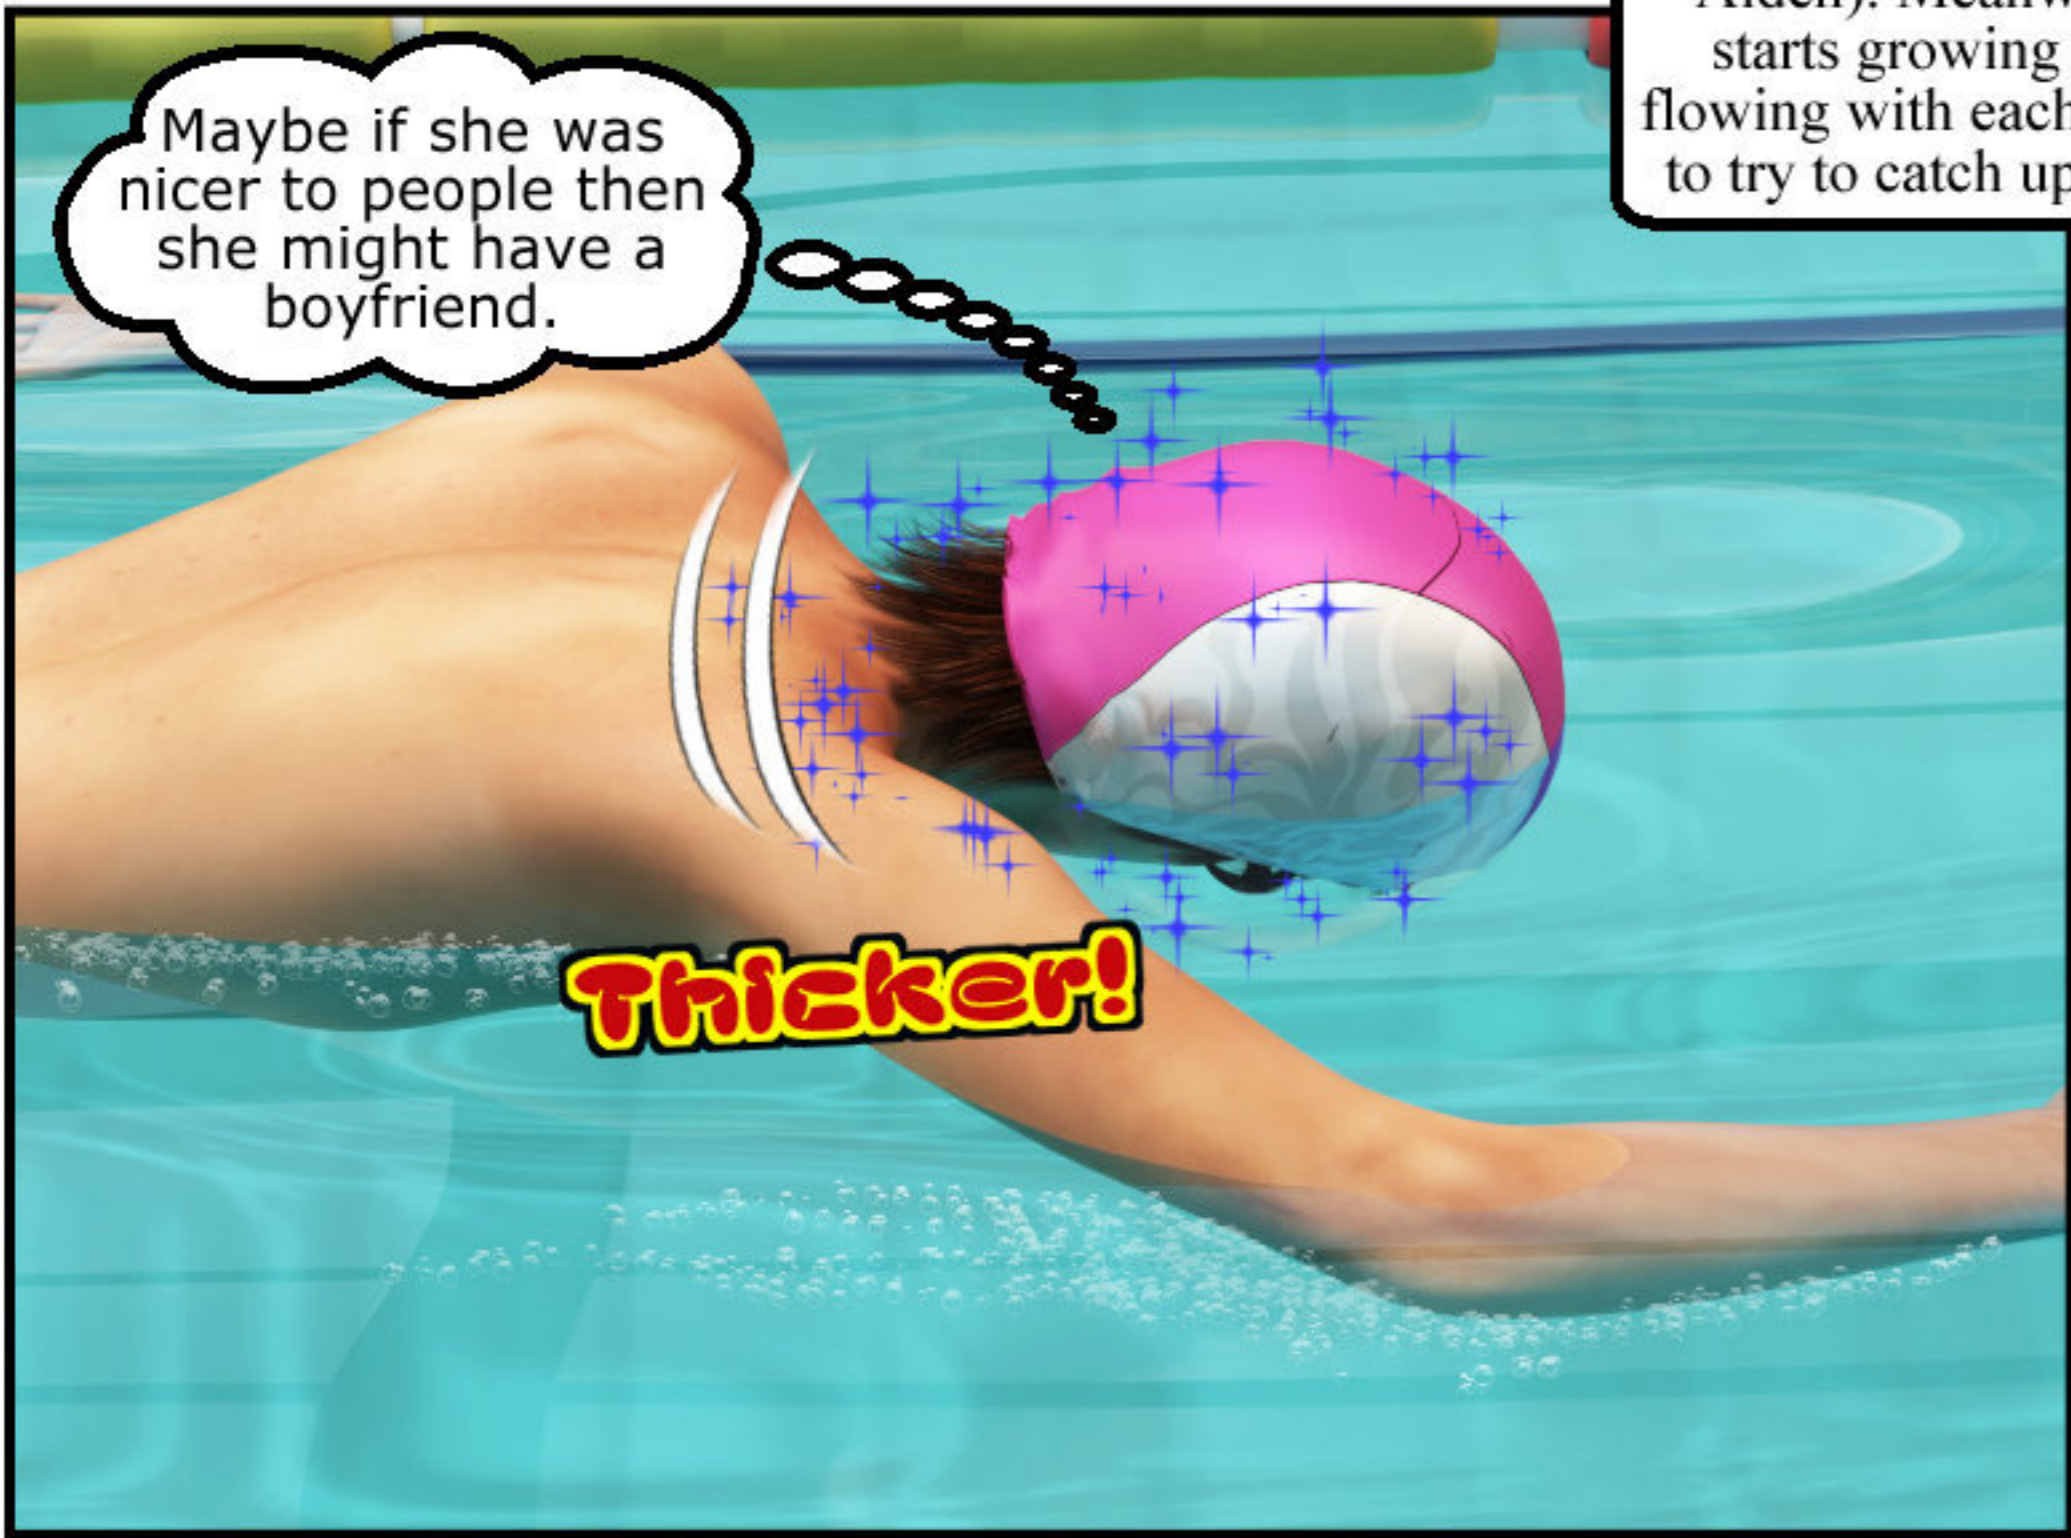

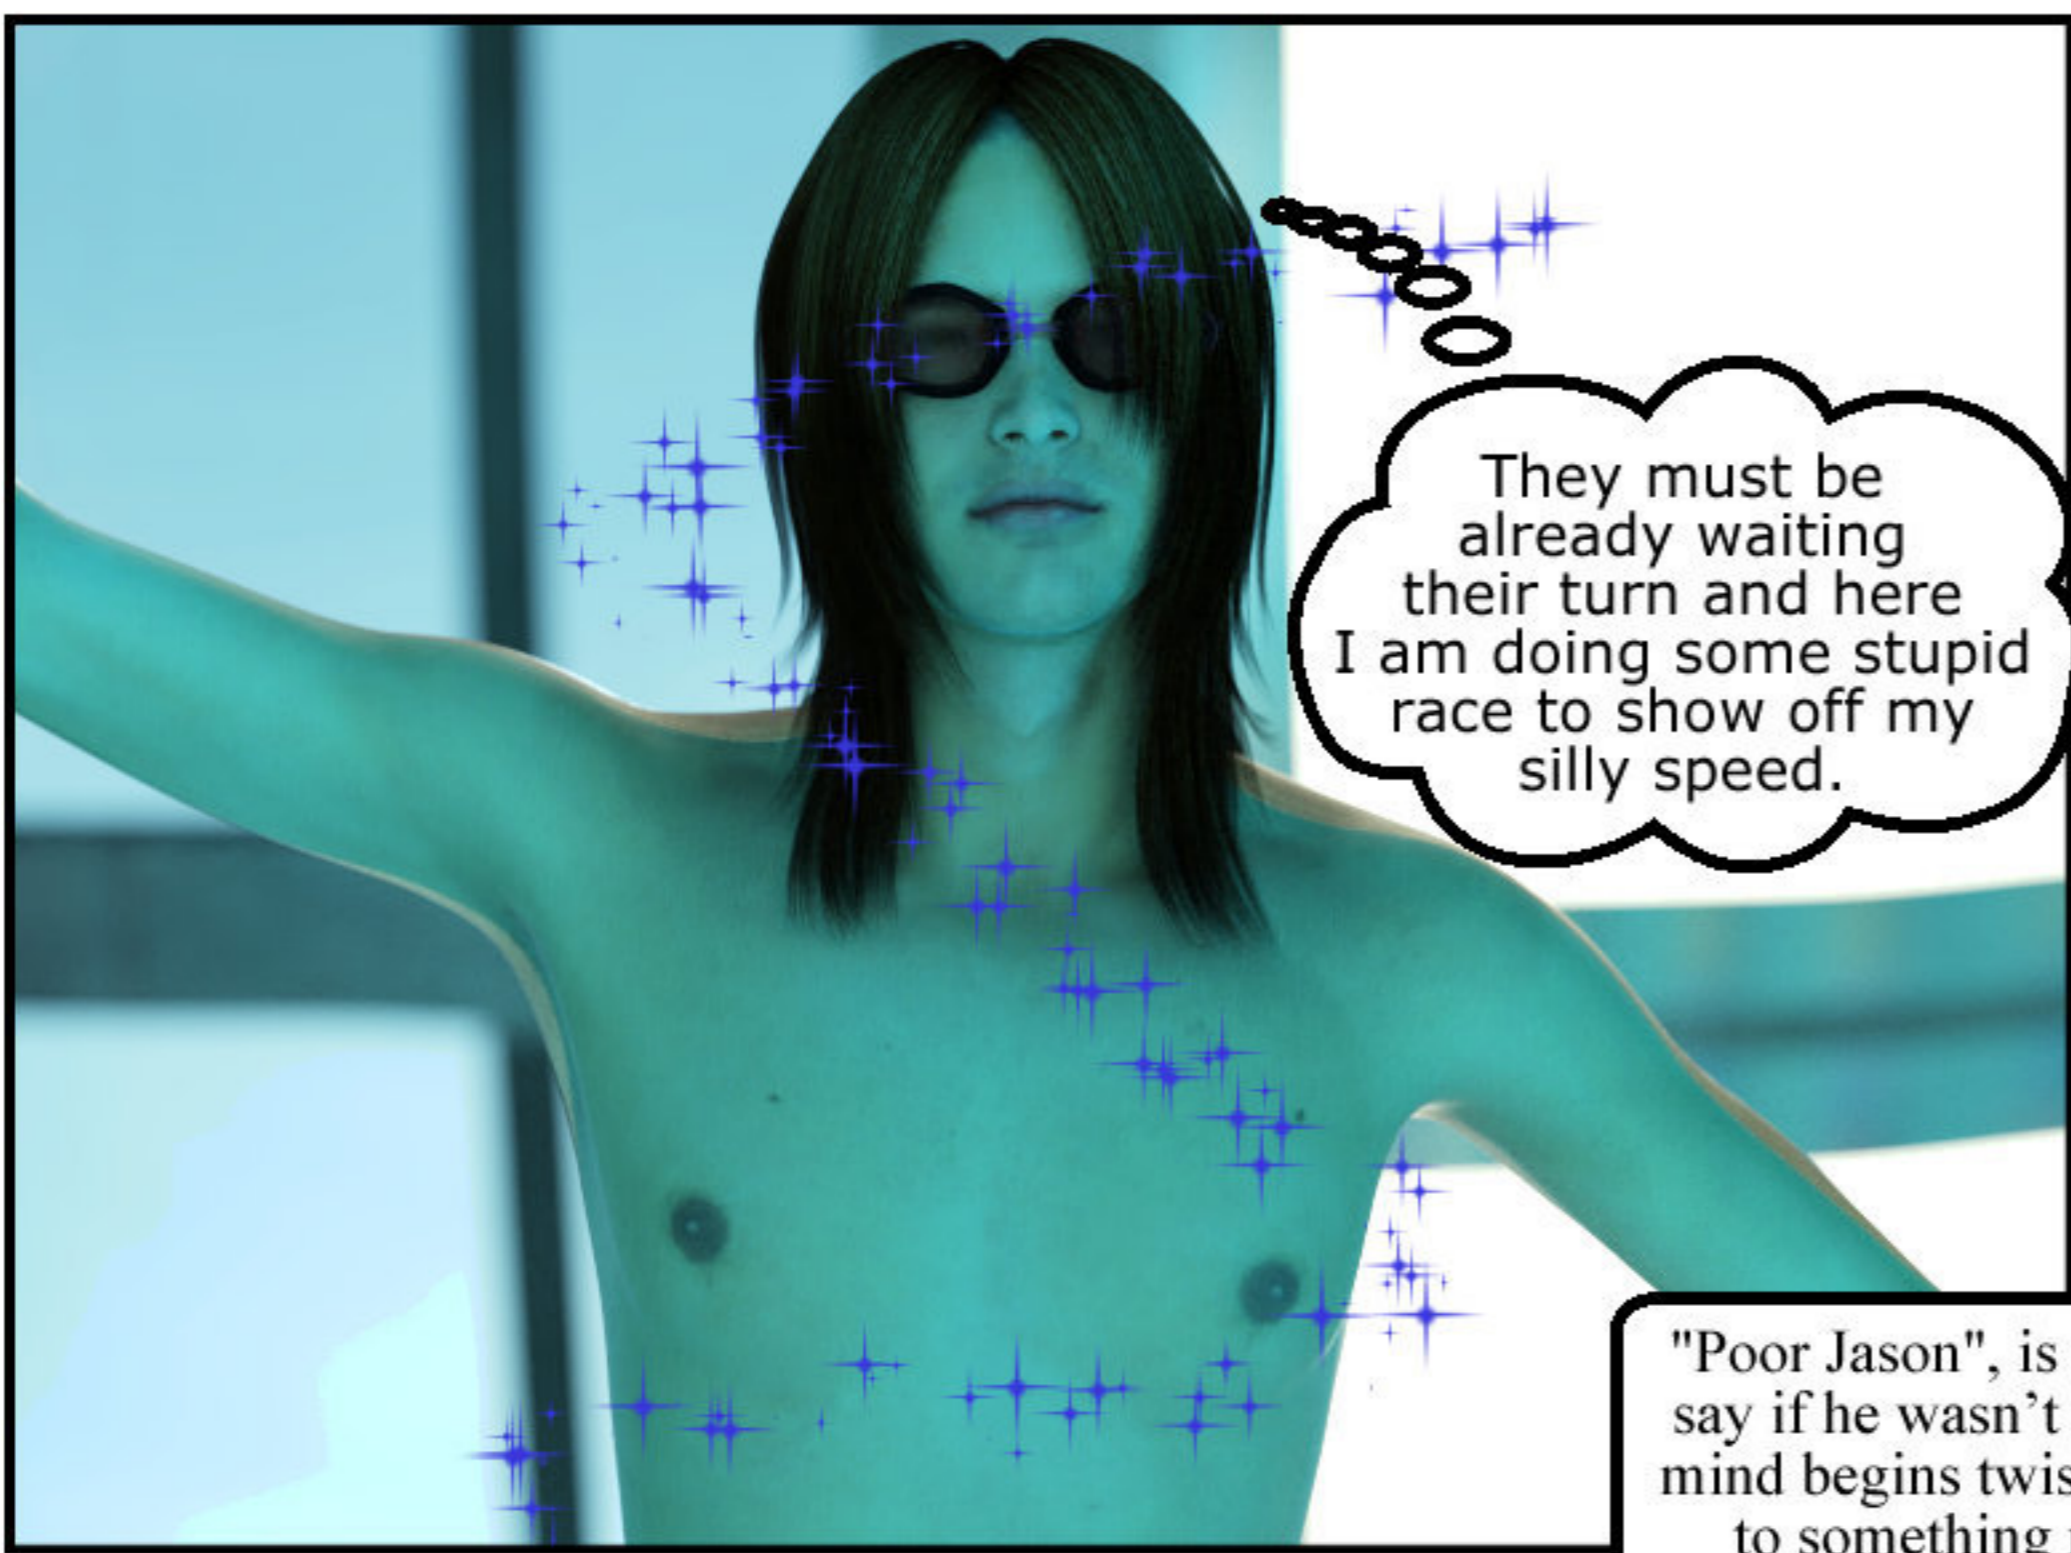

We start the first transition as Jason panics and wonders if he had zoned out. He can't help but think that the others have already finished, as he swims back to the surface. However, we notice his body mass changing from jock to average.

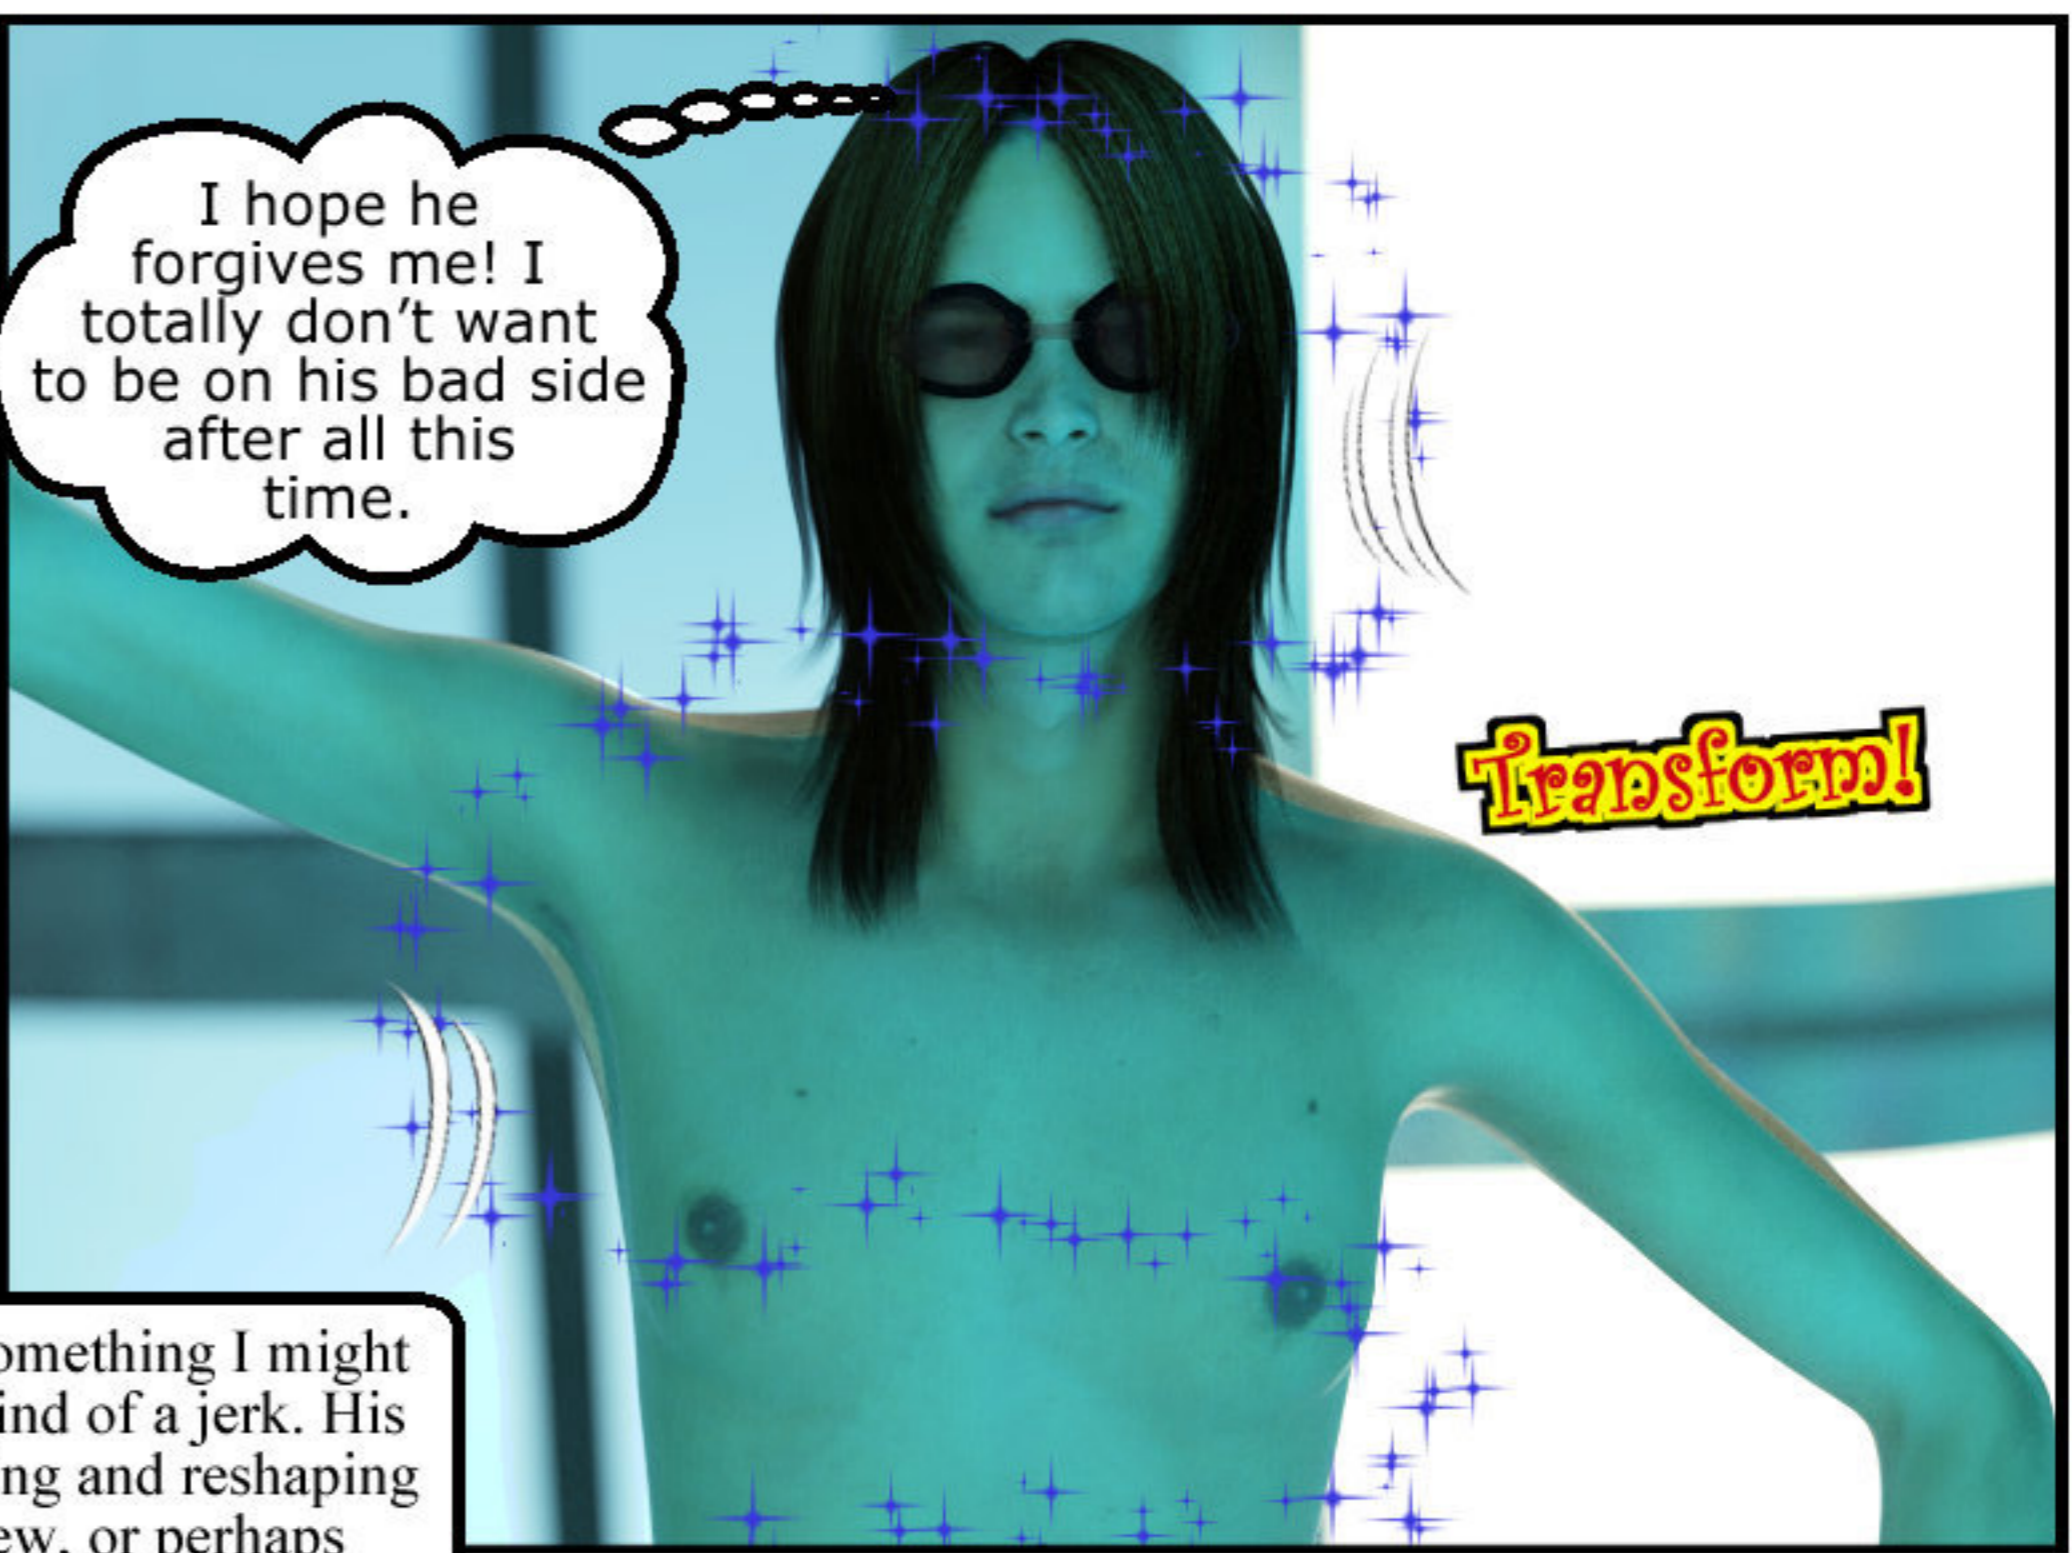

As he swims toward his impending doom, he begins to think differently about Sylvia and Aiden (especially Aiden). Meanwhile, Jason's hair starts growing longer and more flowing with each stroke that he uses to try to catch up to his teammates.

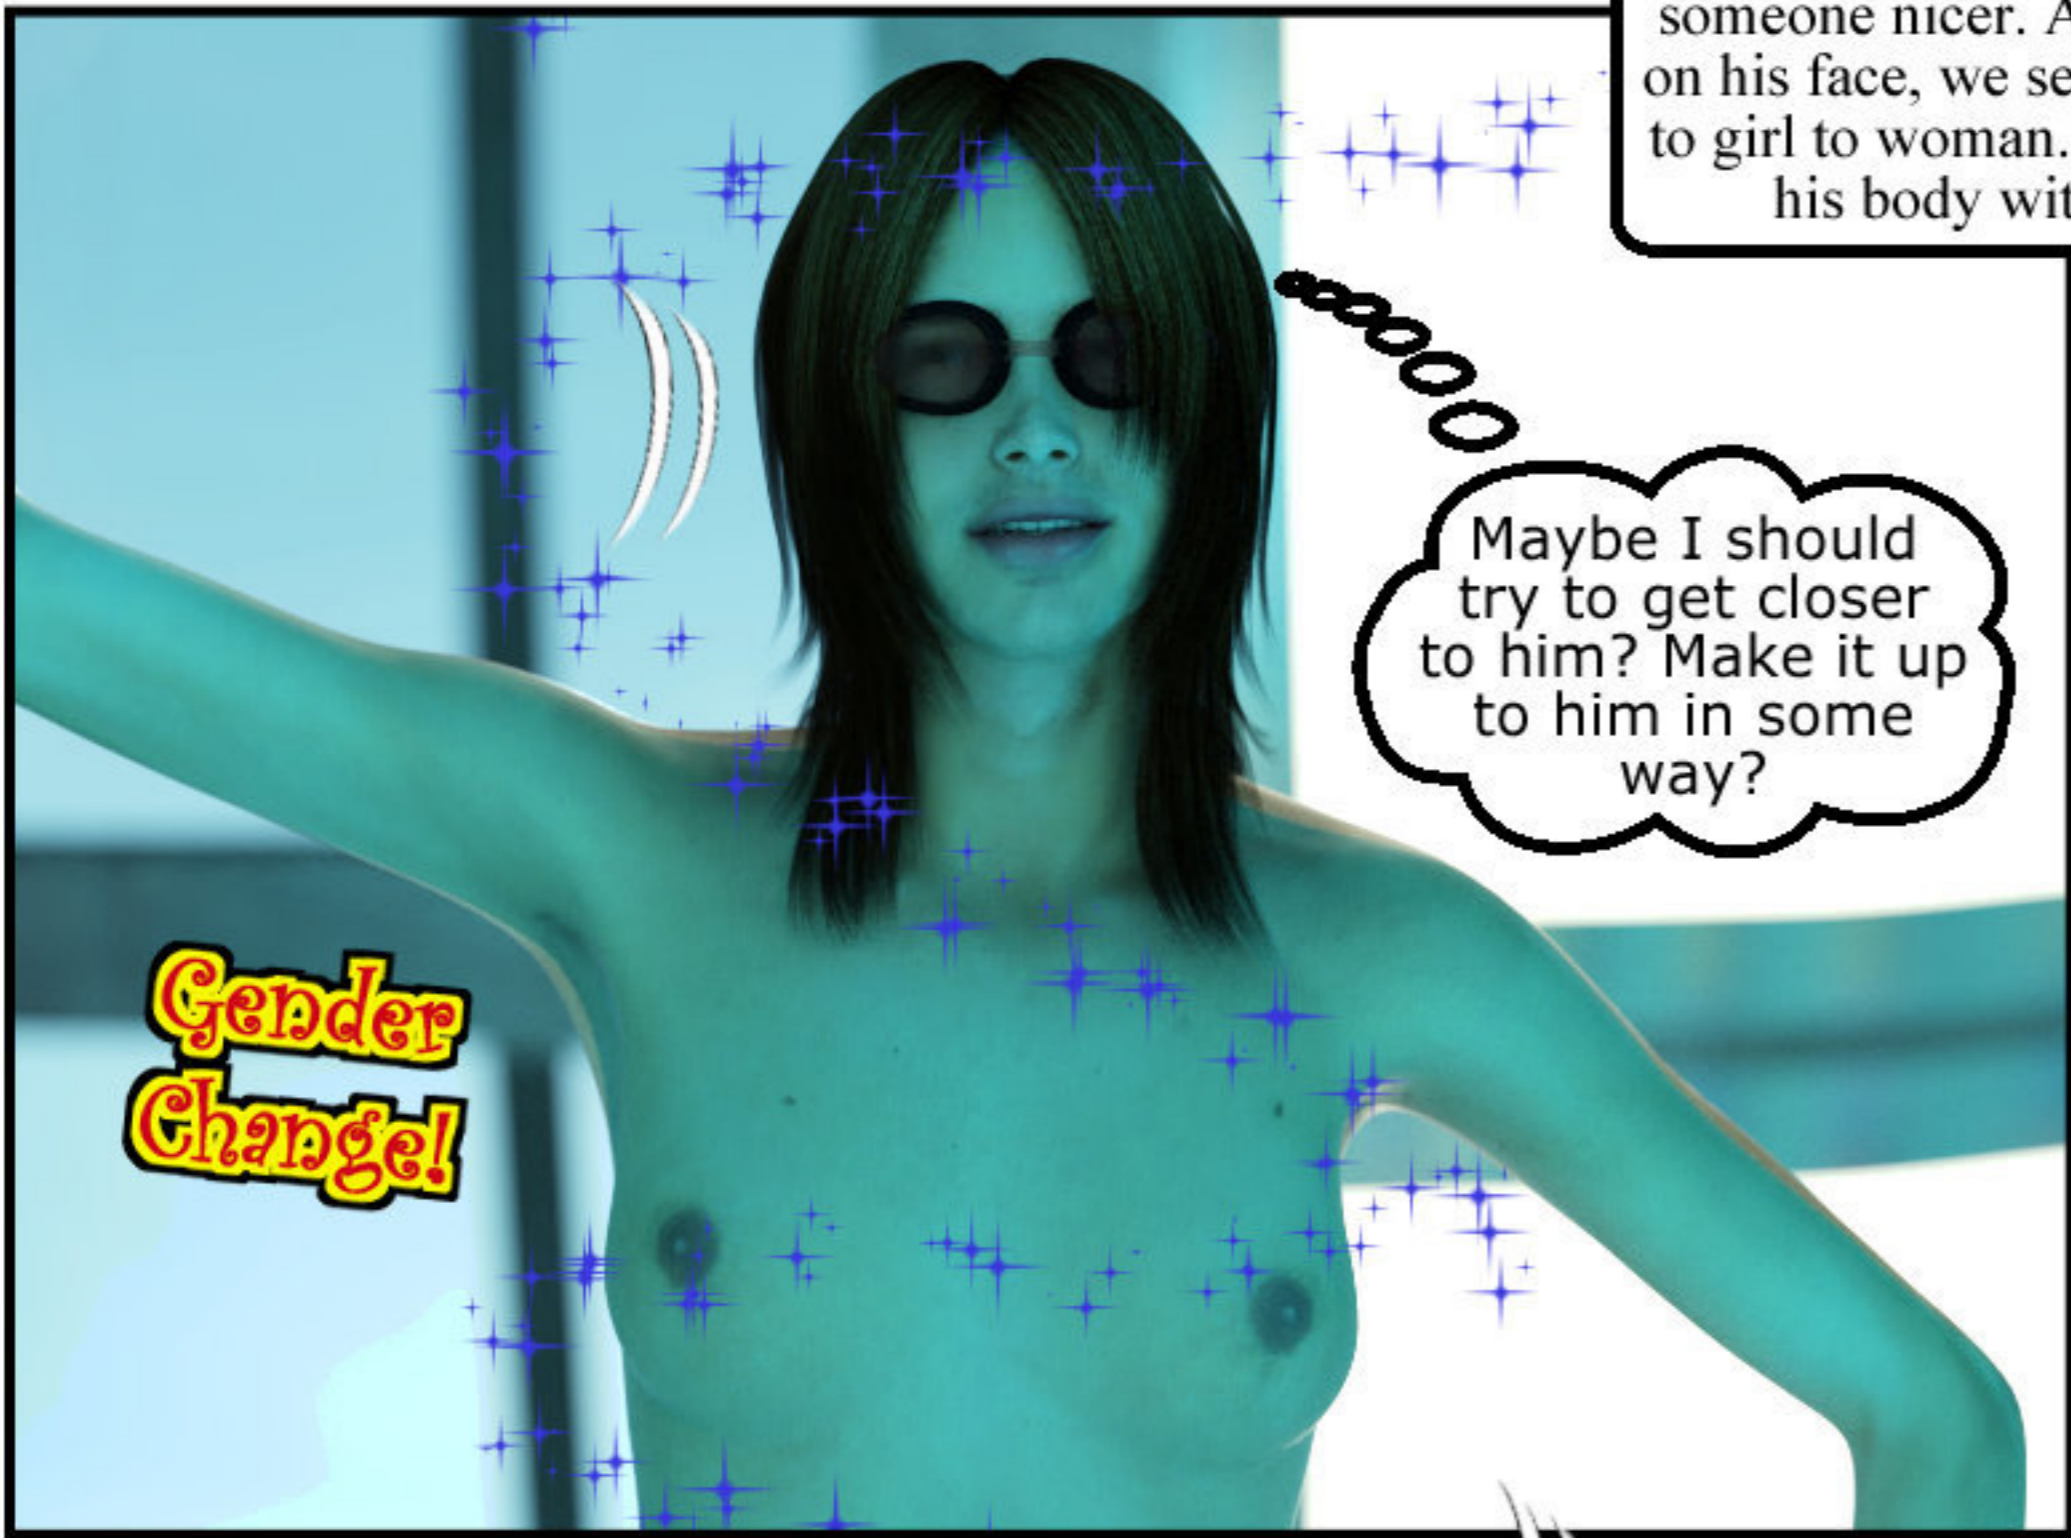

They must be already waiting their turn and here I am doing some stupid race to show off my silly speed.

I hope he forgives me! I totally don't want to be on his bad side after all this time.

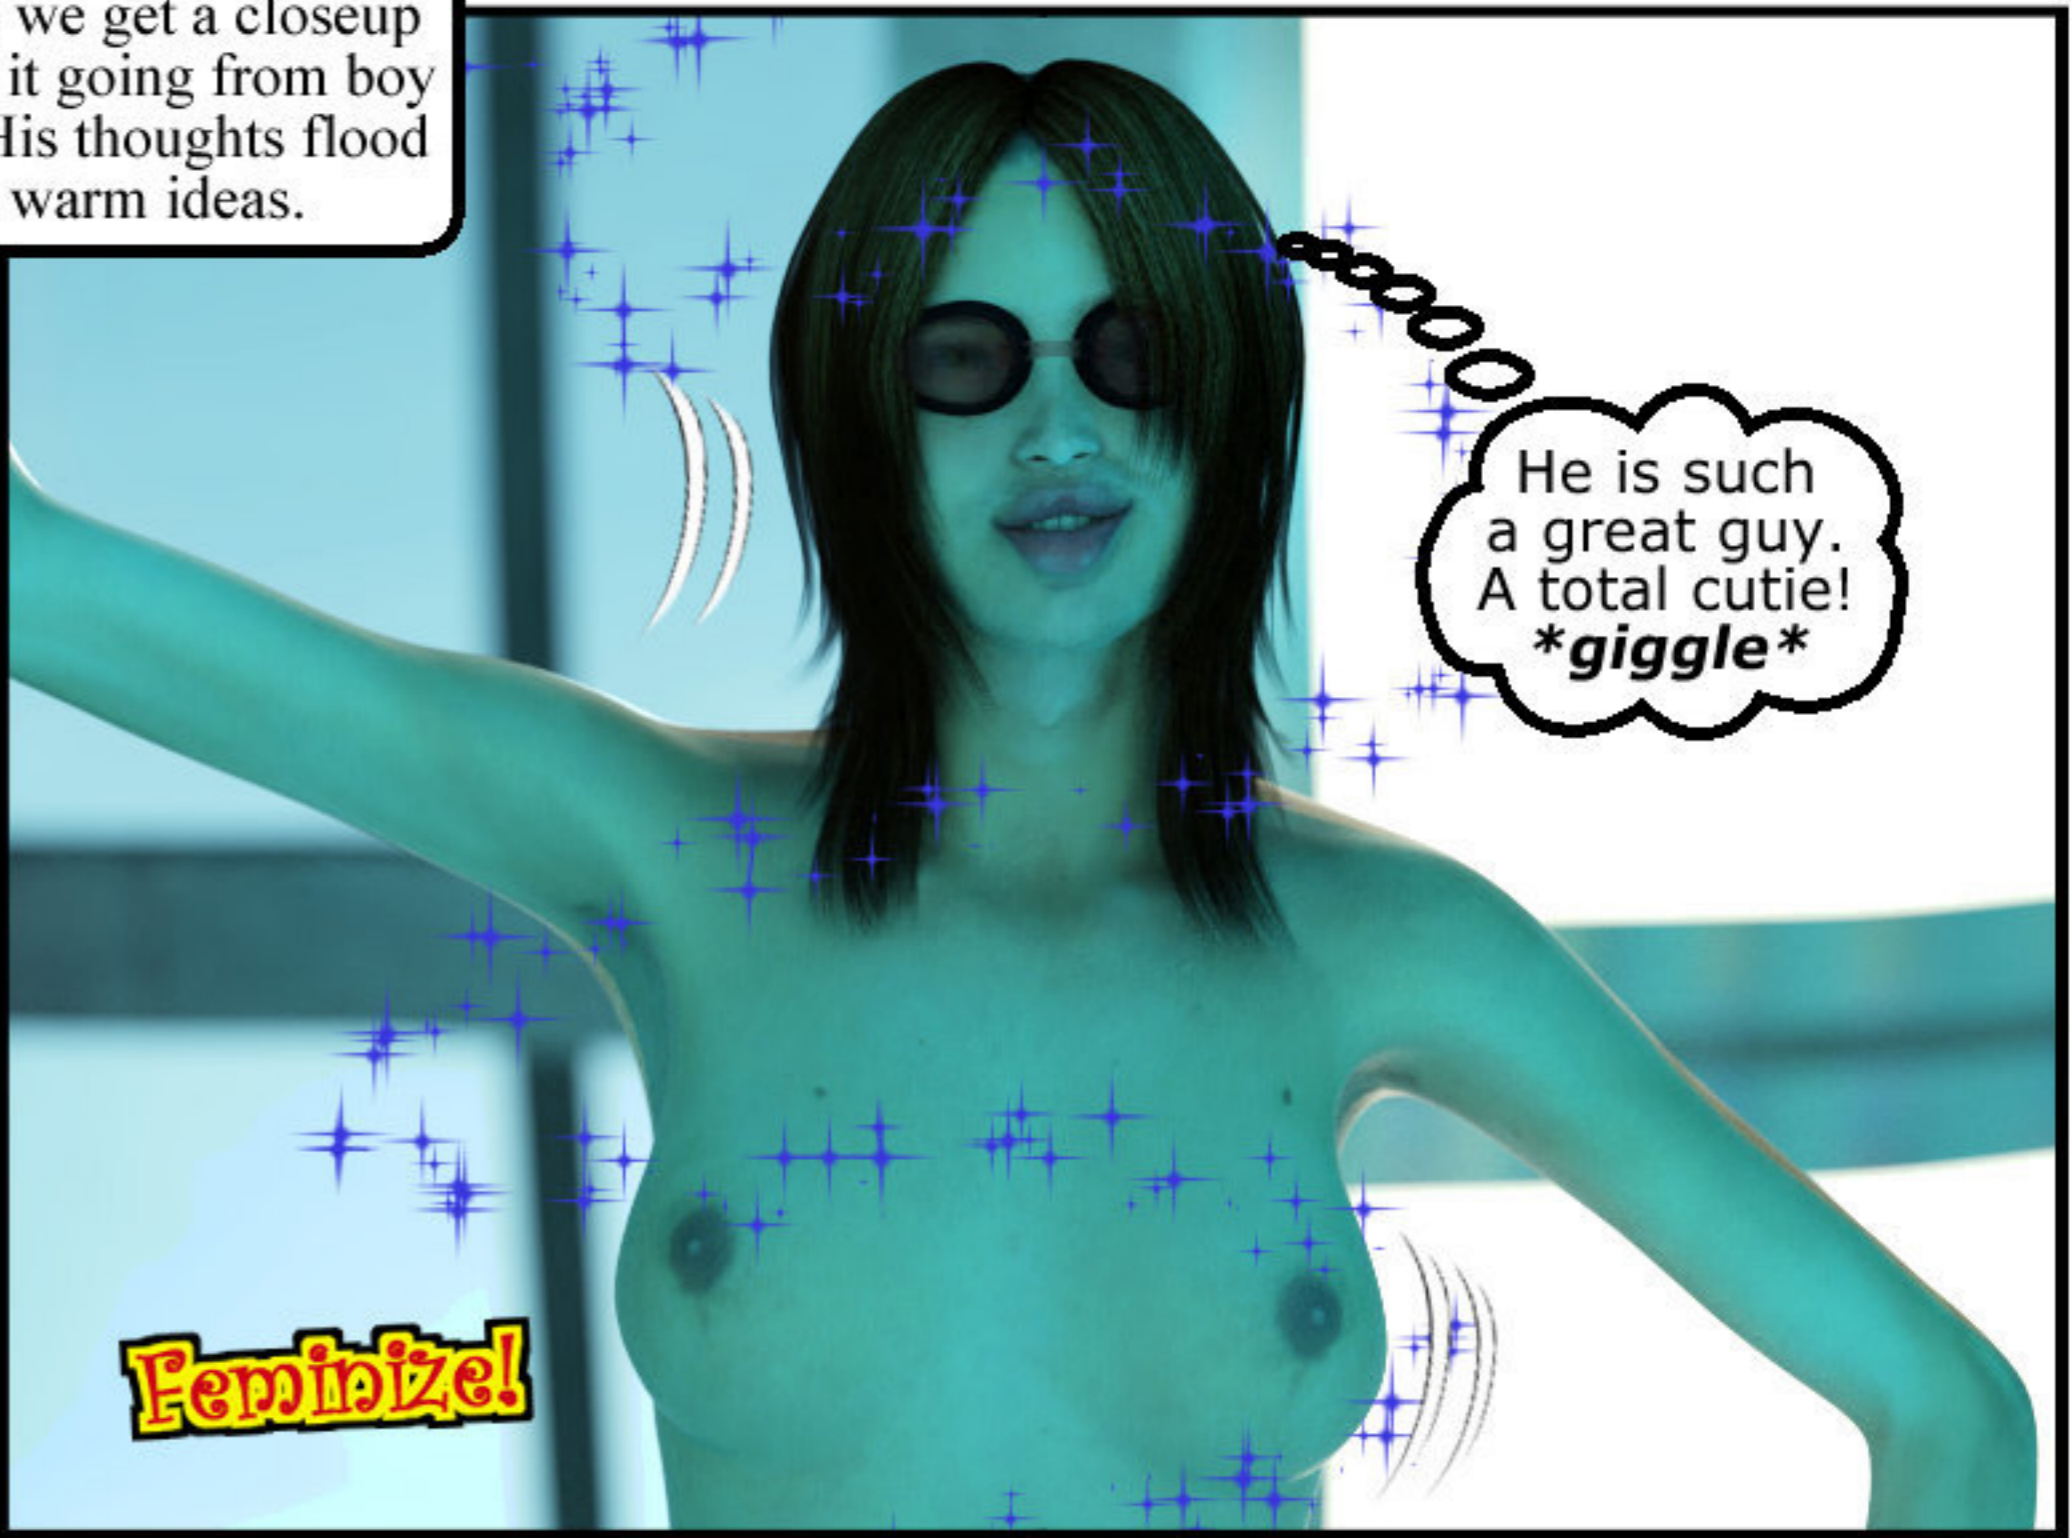

Transform!

"Poor Jason", is something I might say if he wasn't kind of a jerk. His mind begins twisting and reshaping to something new, or perhaps someone nicer. As we get a closeup on his face, we see it going from boy to girl to woman. His thoughts flood his body with warm ideas.

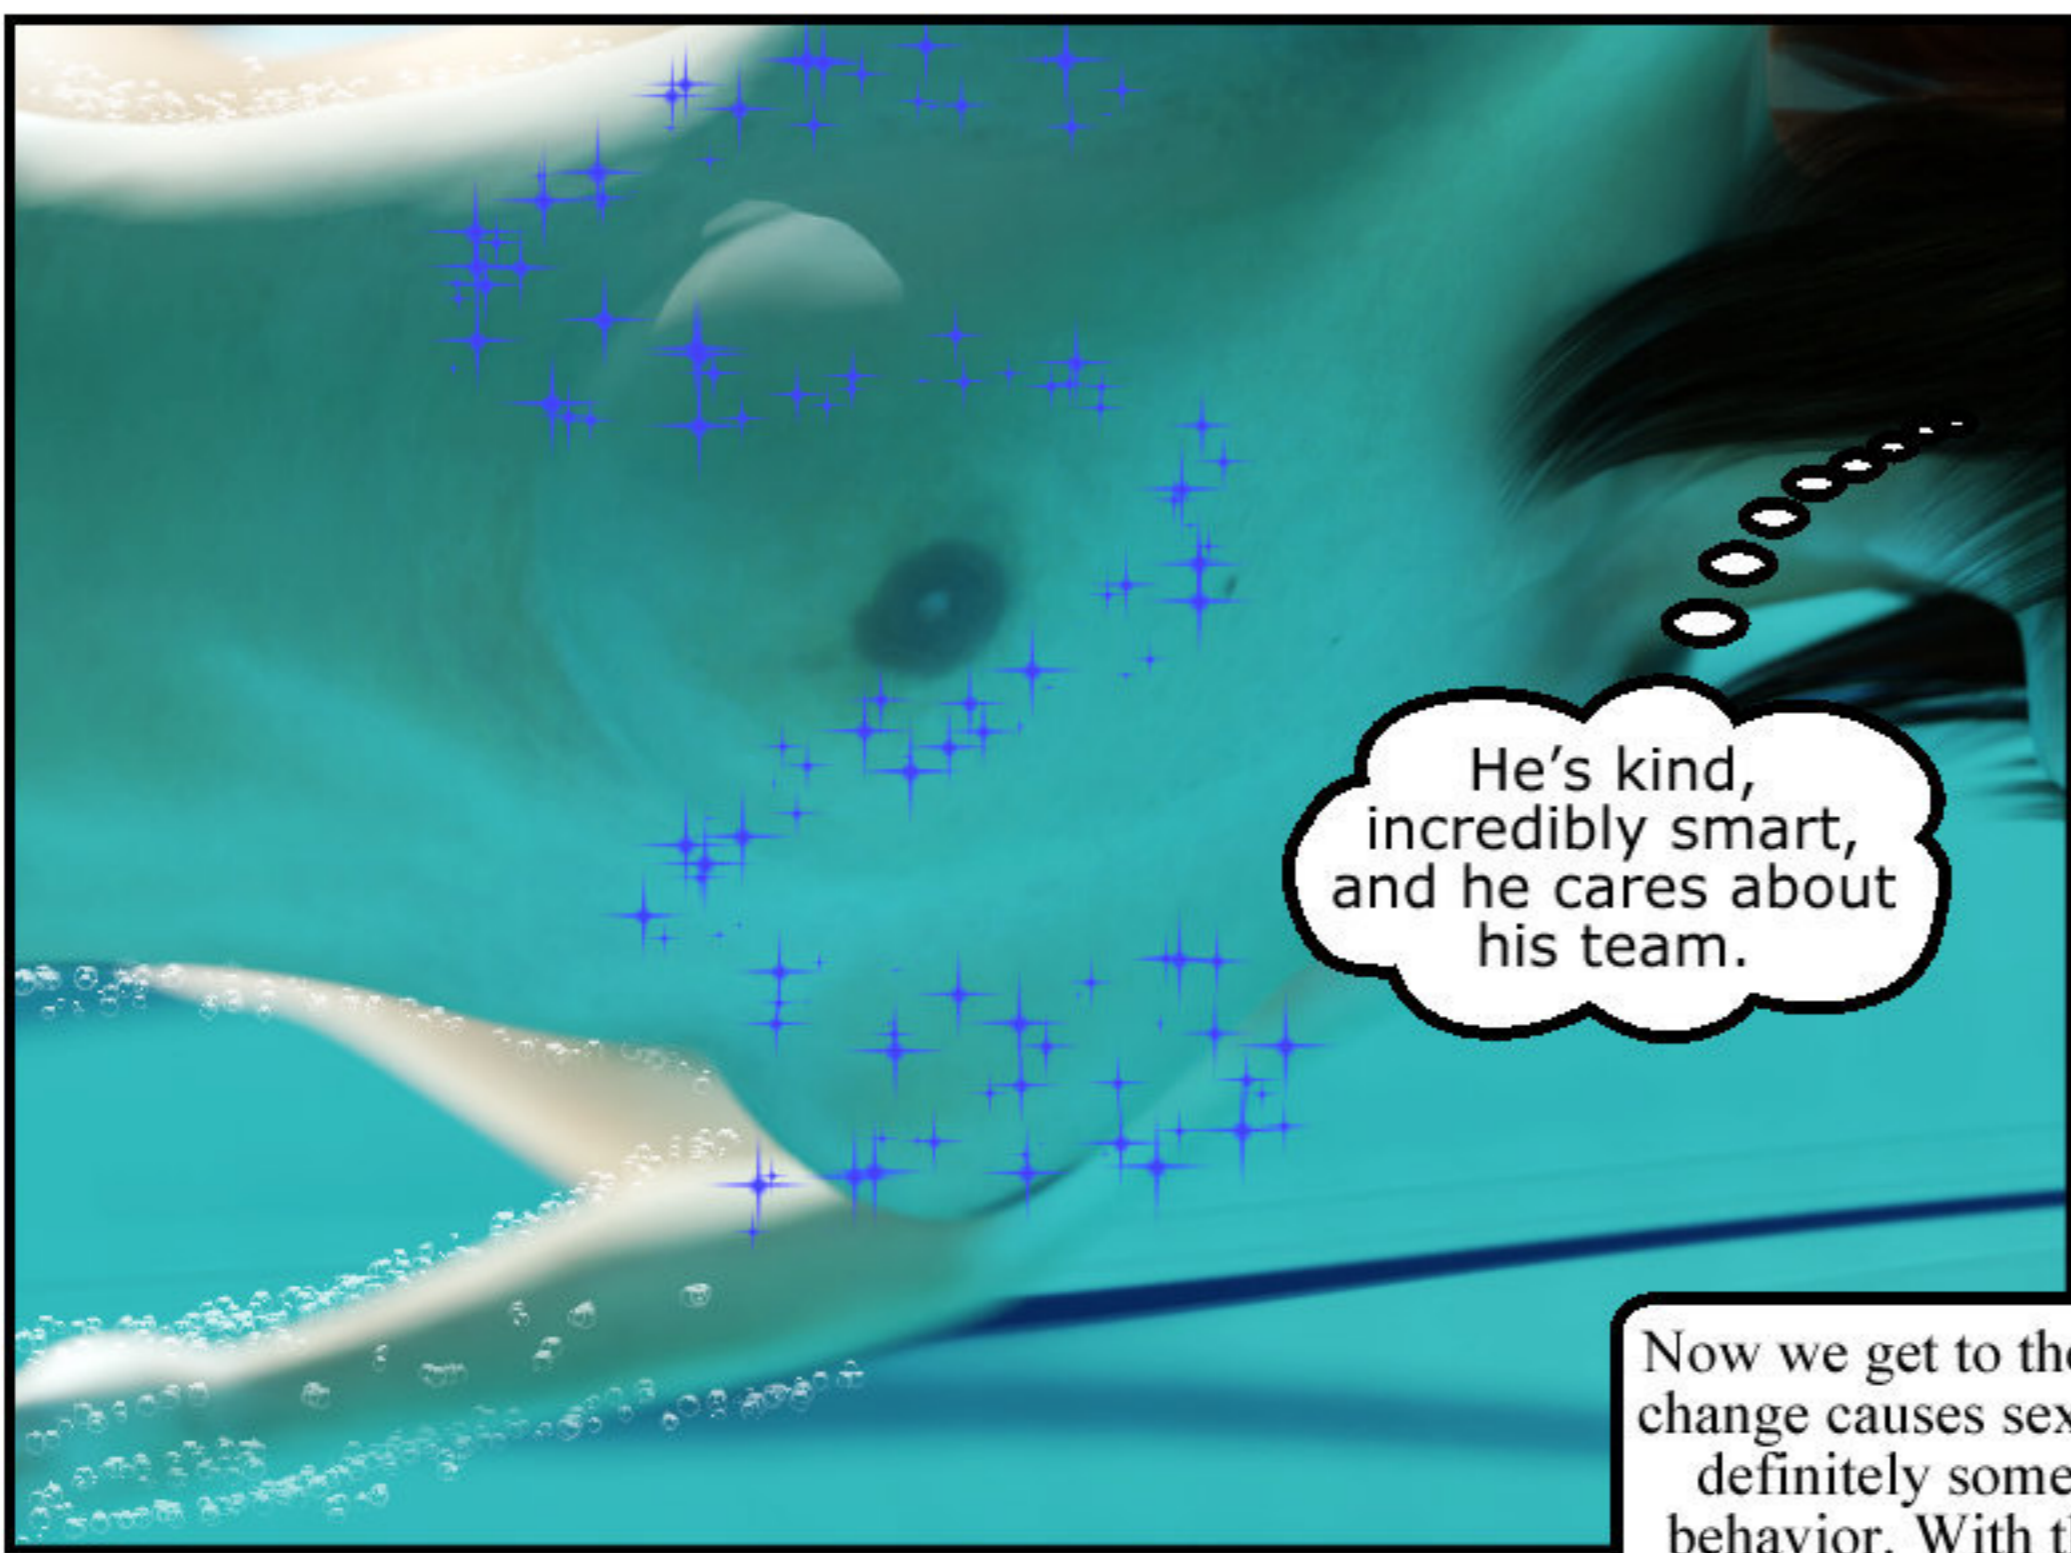

Maybe I should try to get closer to him? Make it up to him in some way?

Gender Change!

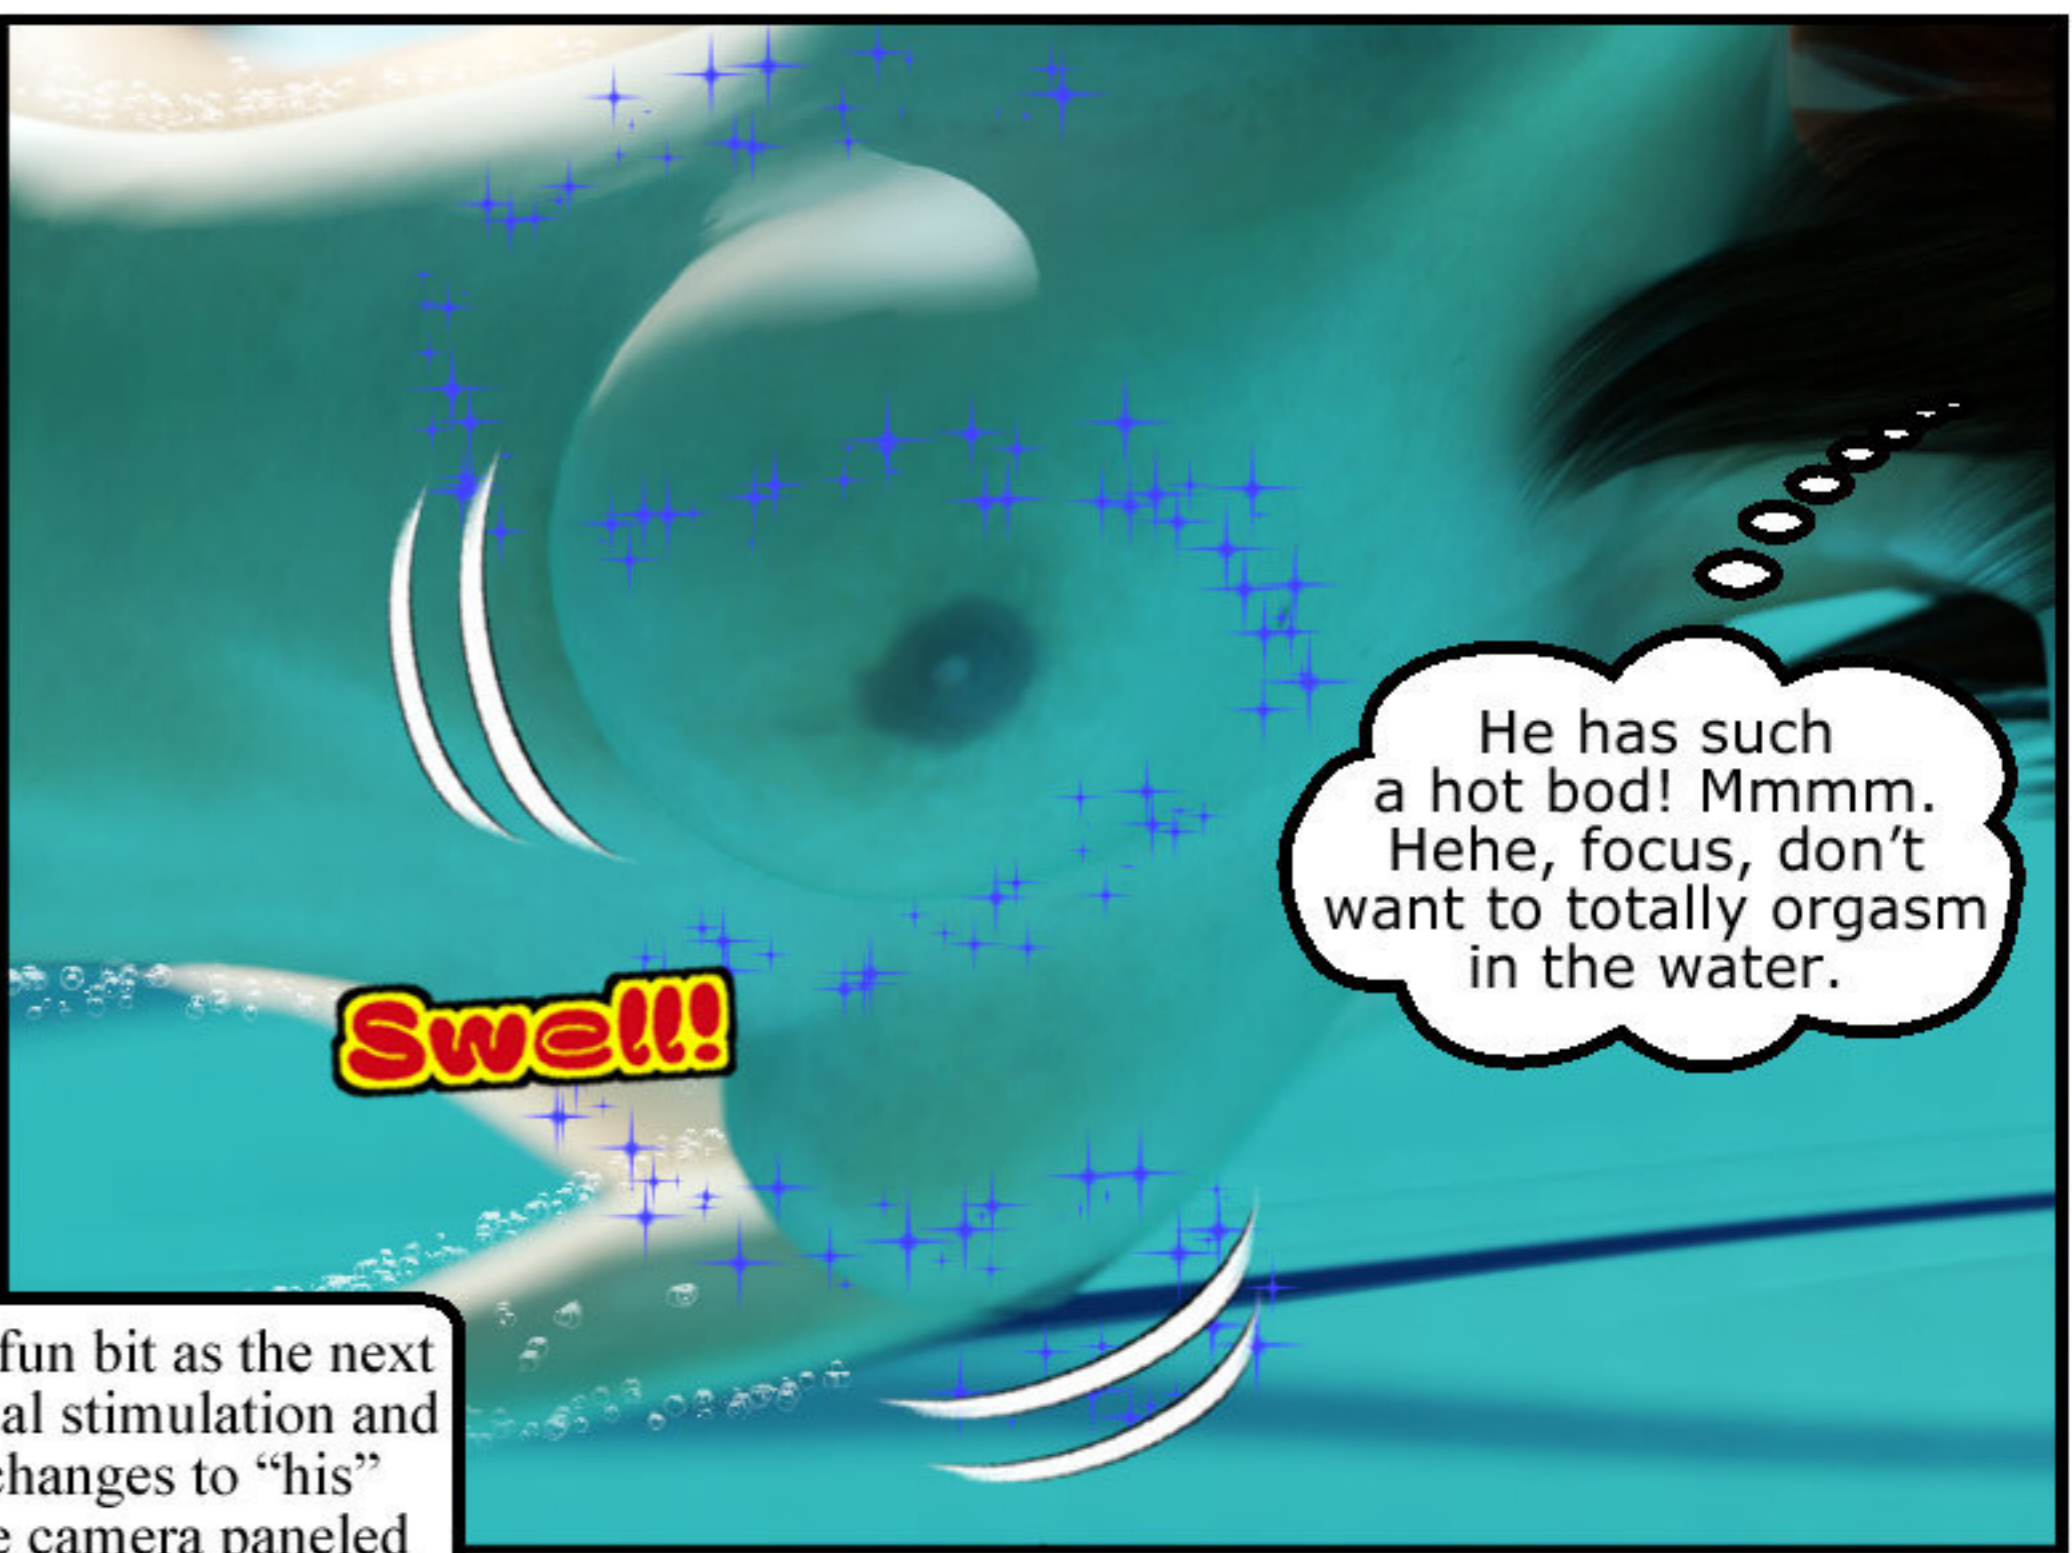

He is such a great guy. A total cutie! **giggle**

Feminize!

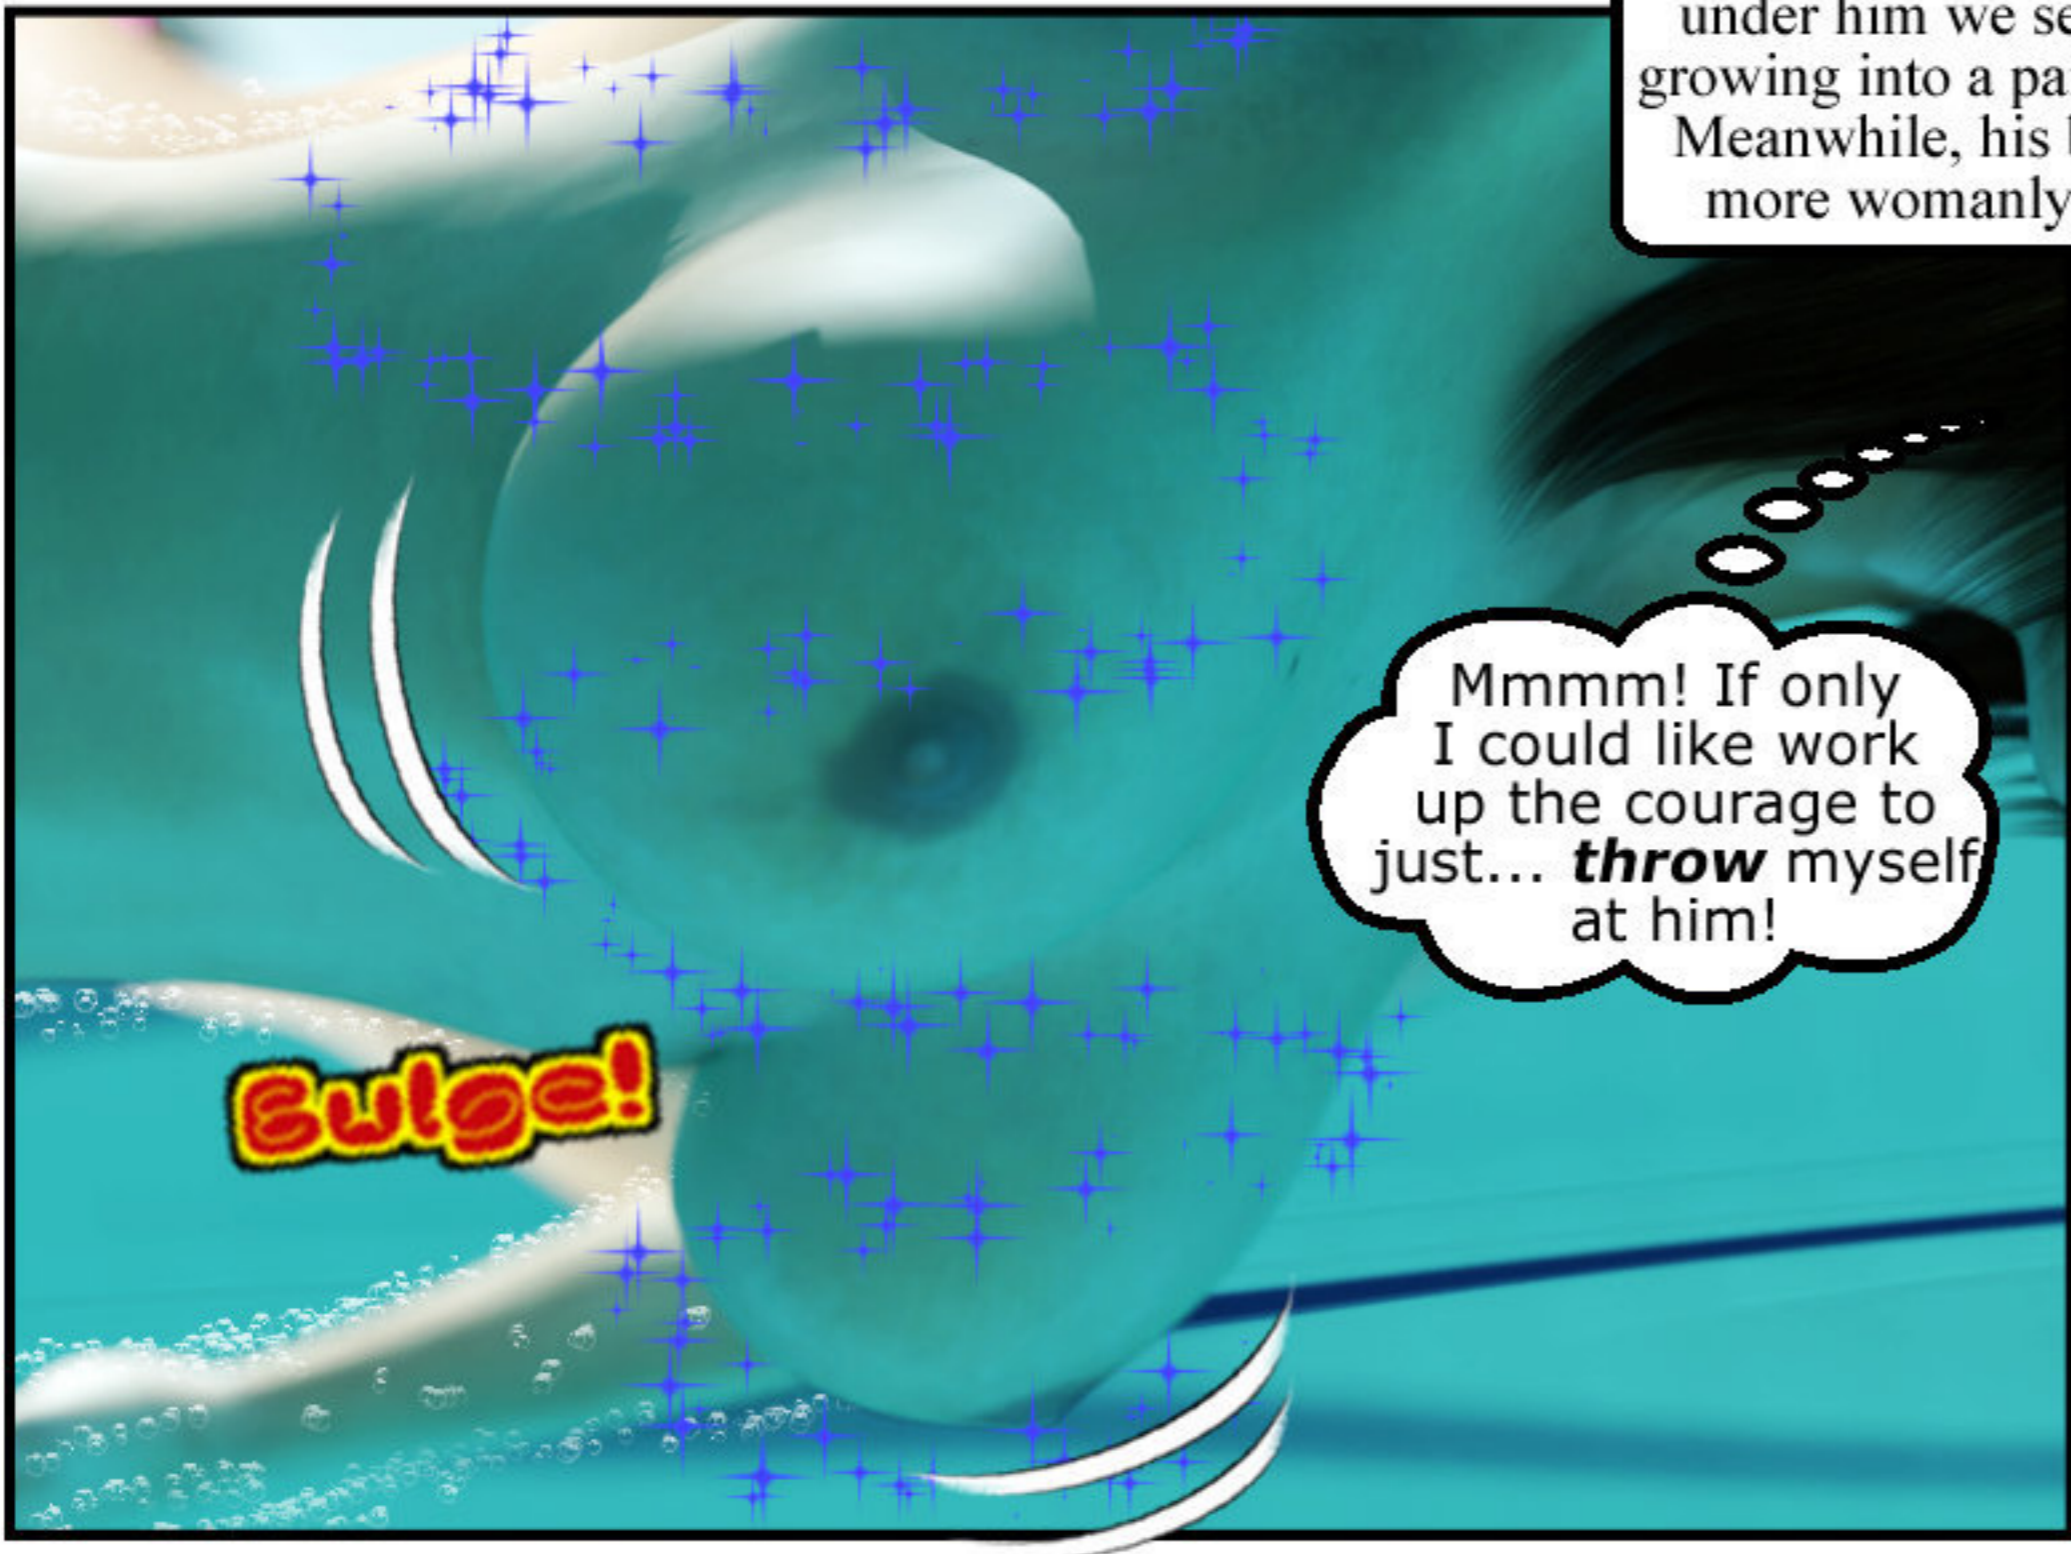

He's kind, incredibly smart, and he cares about his team.

He has such a hot bod! Mmmm. Hehe, focus, don't want to totally orgasm in the water.

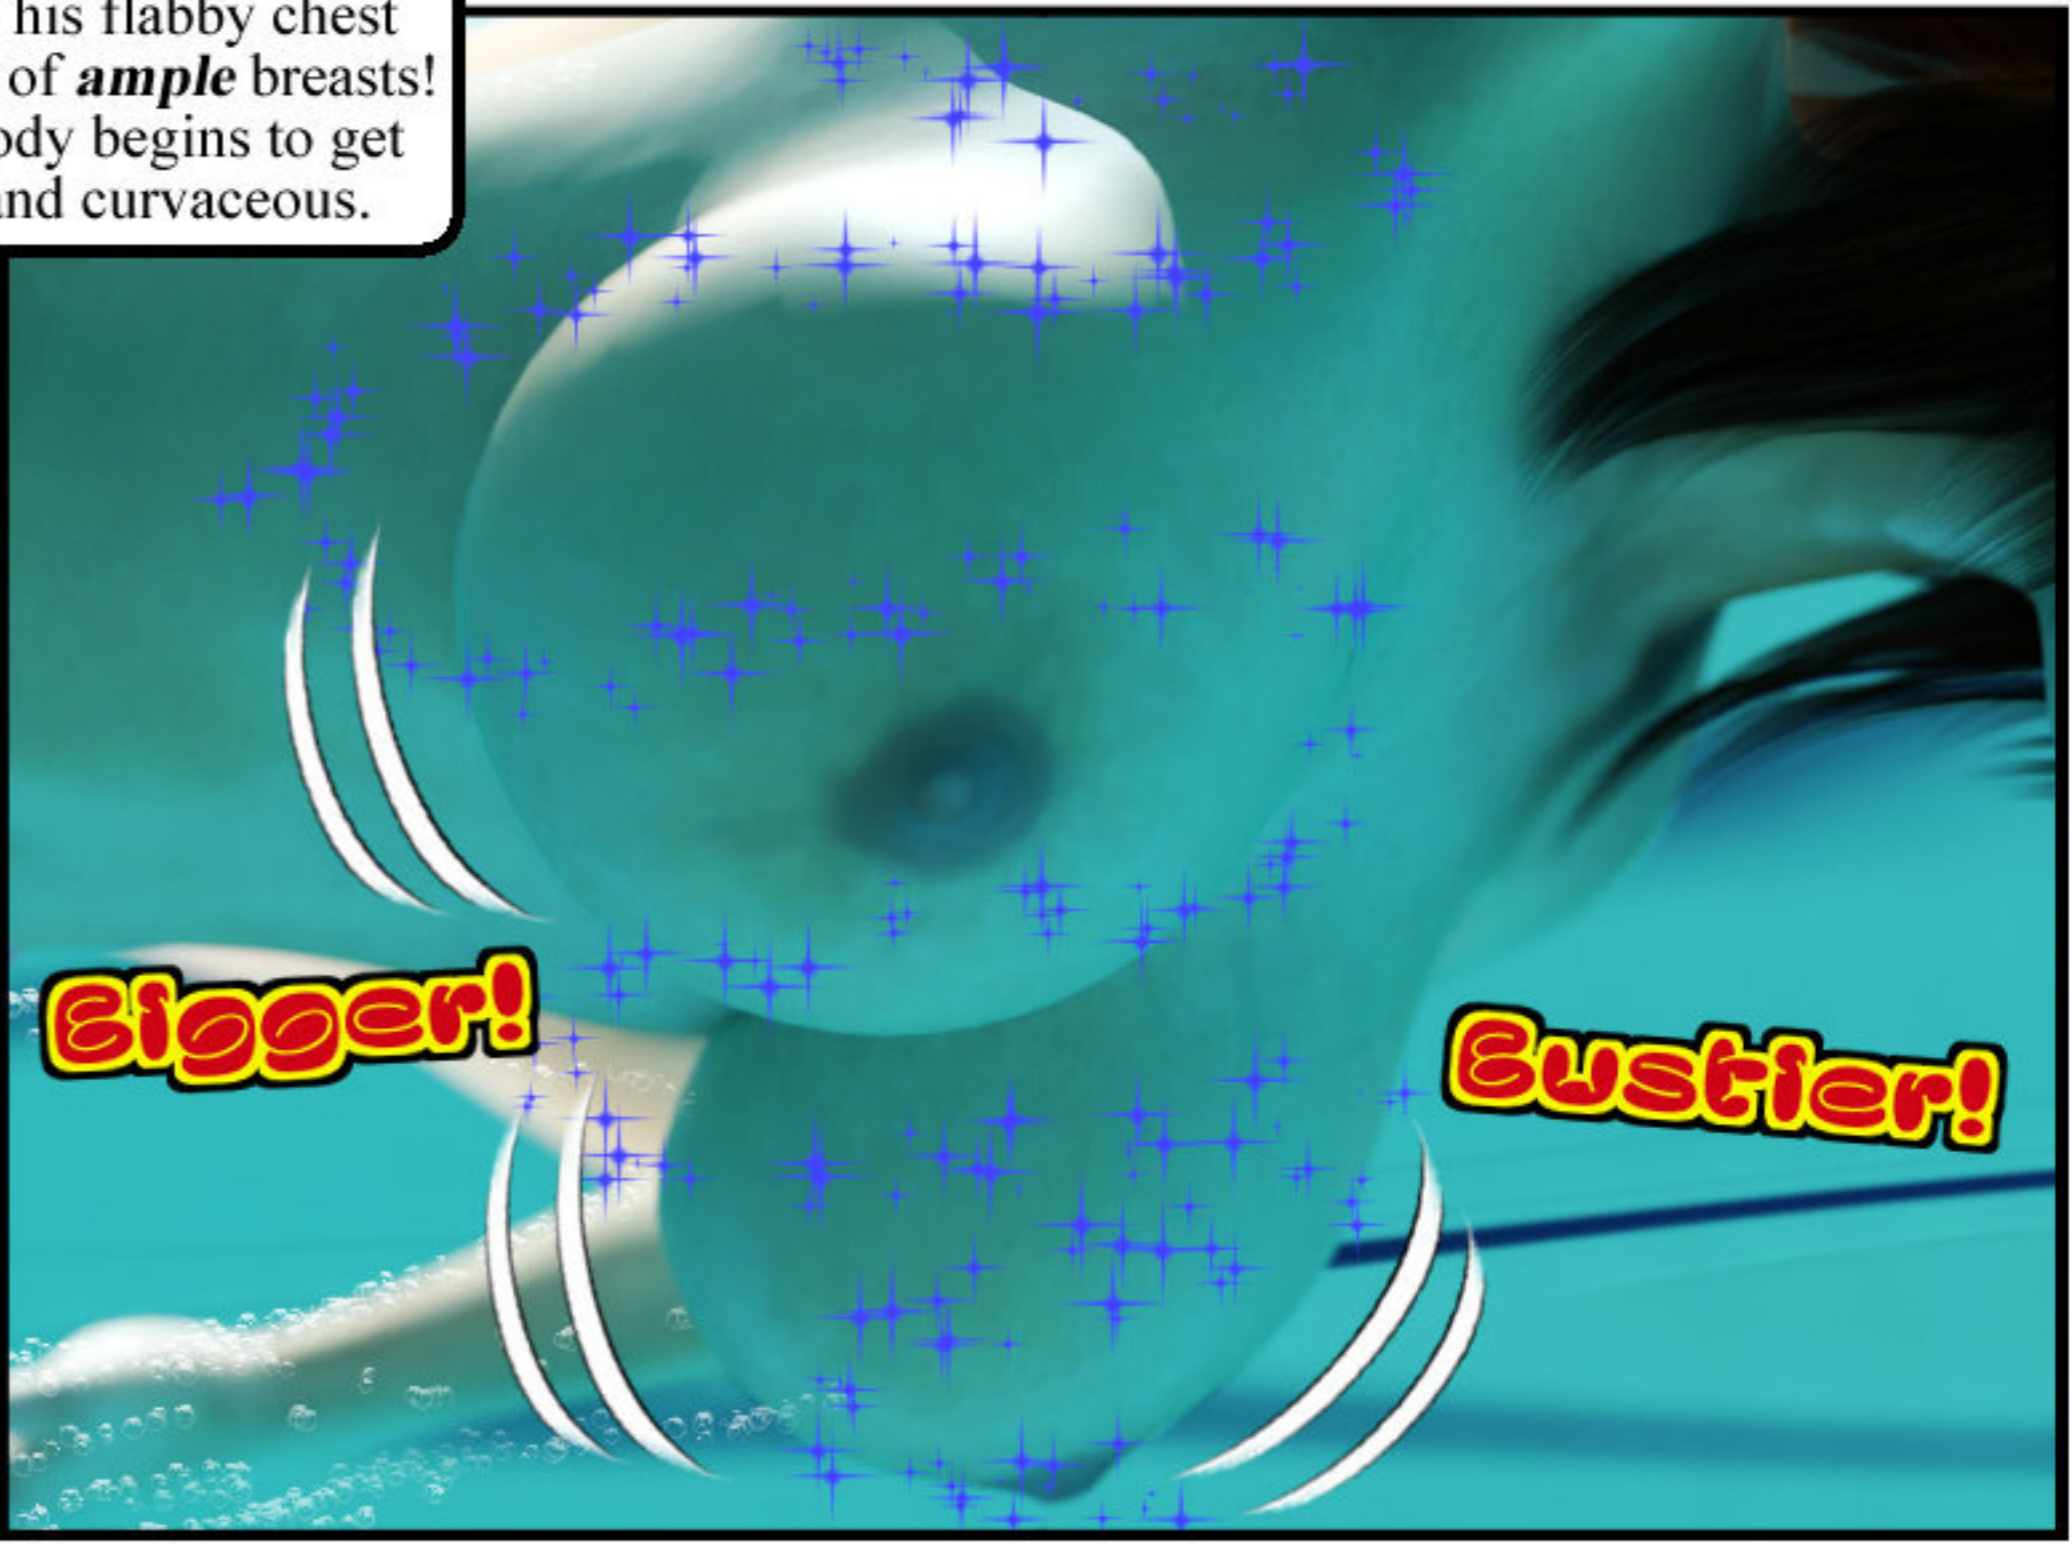

Swell!!

Now we get to the fun bit as the next change causes sexual stimulation and definitely some changes to "his" behavior. With the camera paneled under him we see his flabby chest growing into a pair of **ample** breasts! Meanwhile, his body begins to get more womanly and curvaceous.

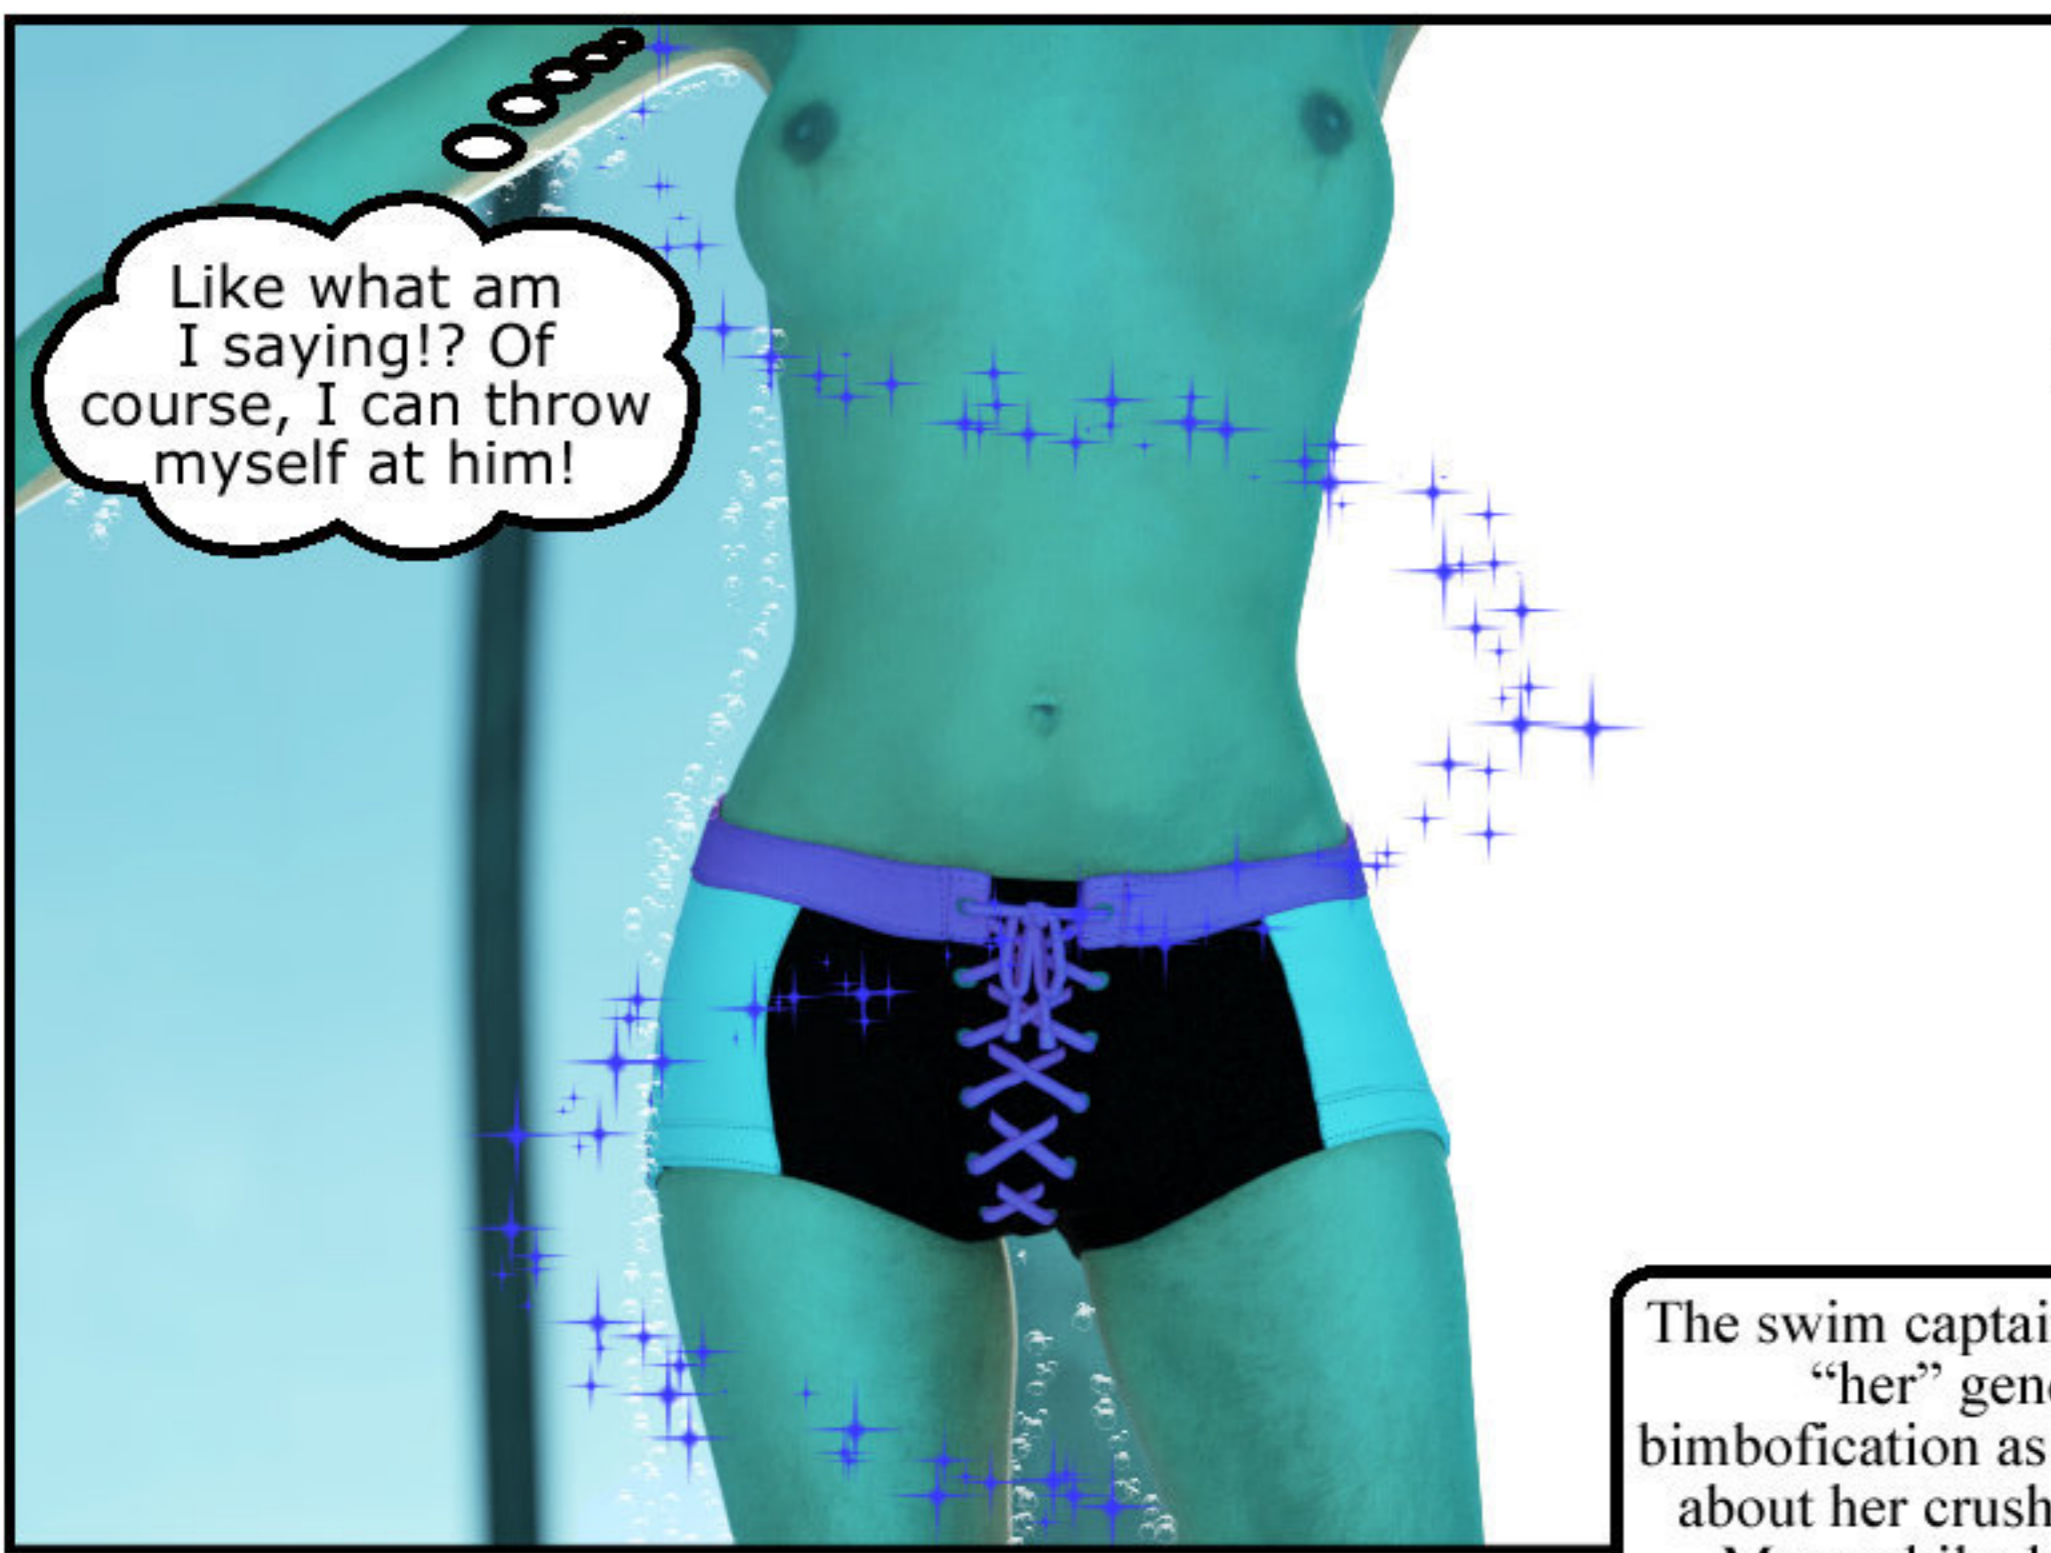

Mmmm! If only I could like work up the courage to just... **throw** myself at him!

Bulge!

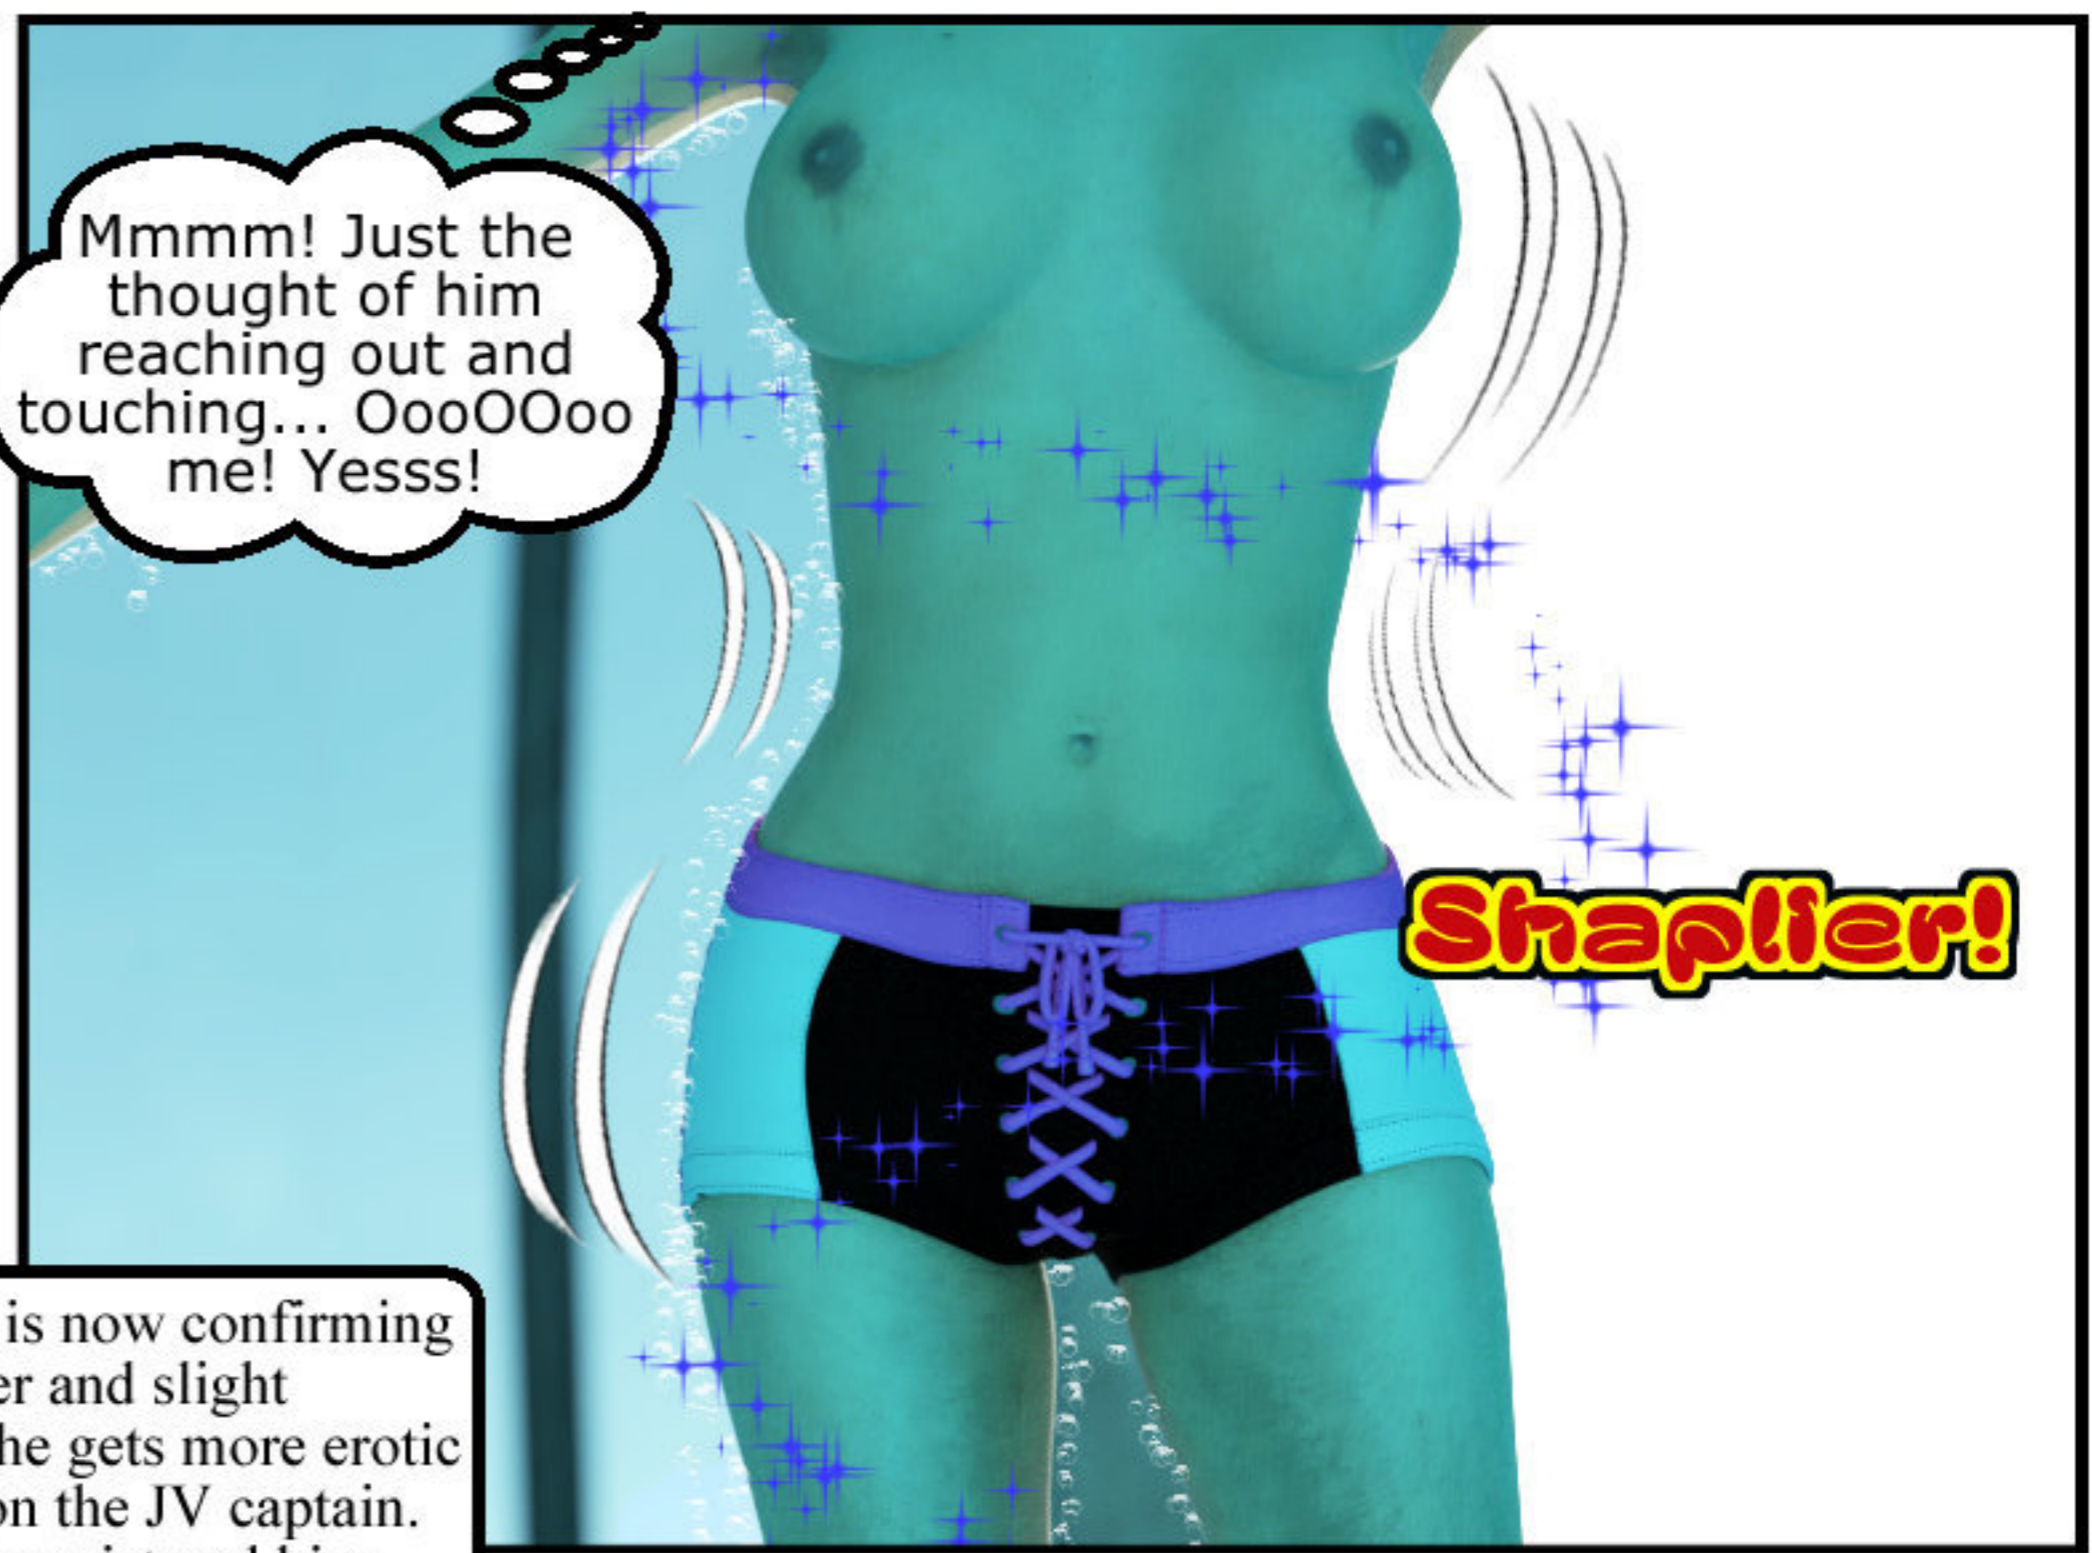

Bigger!

Bustier!

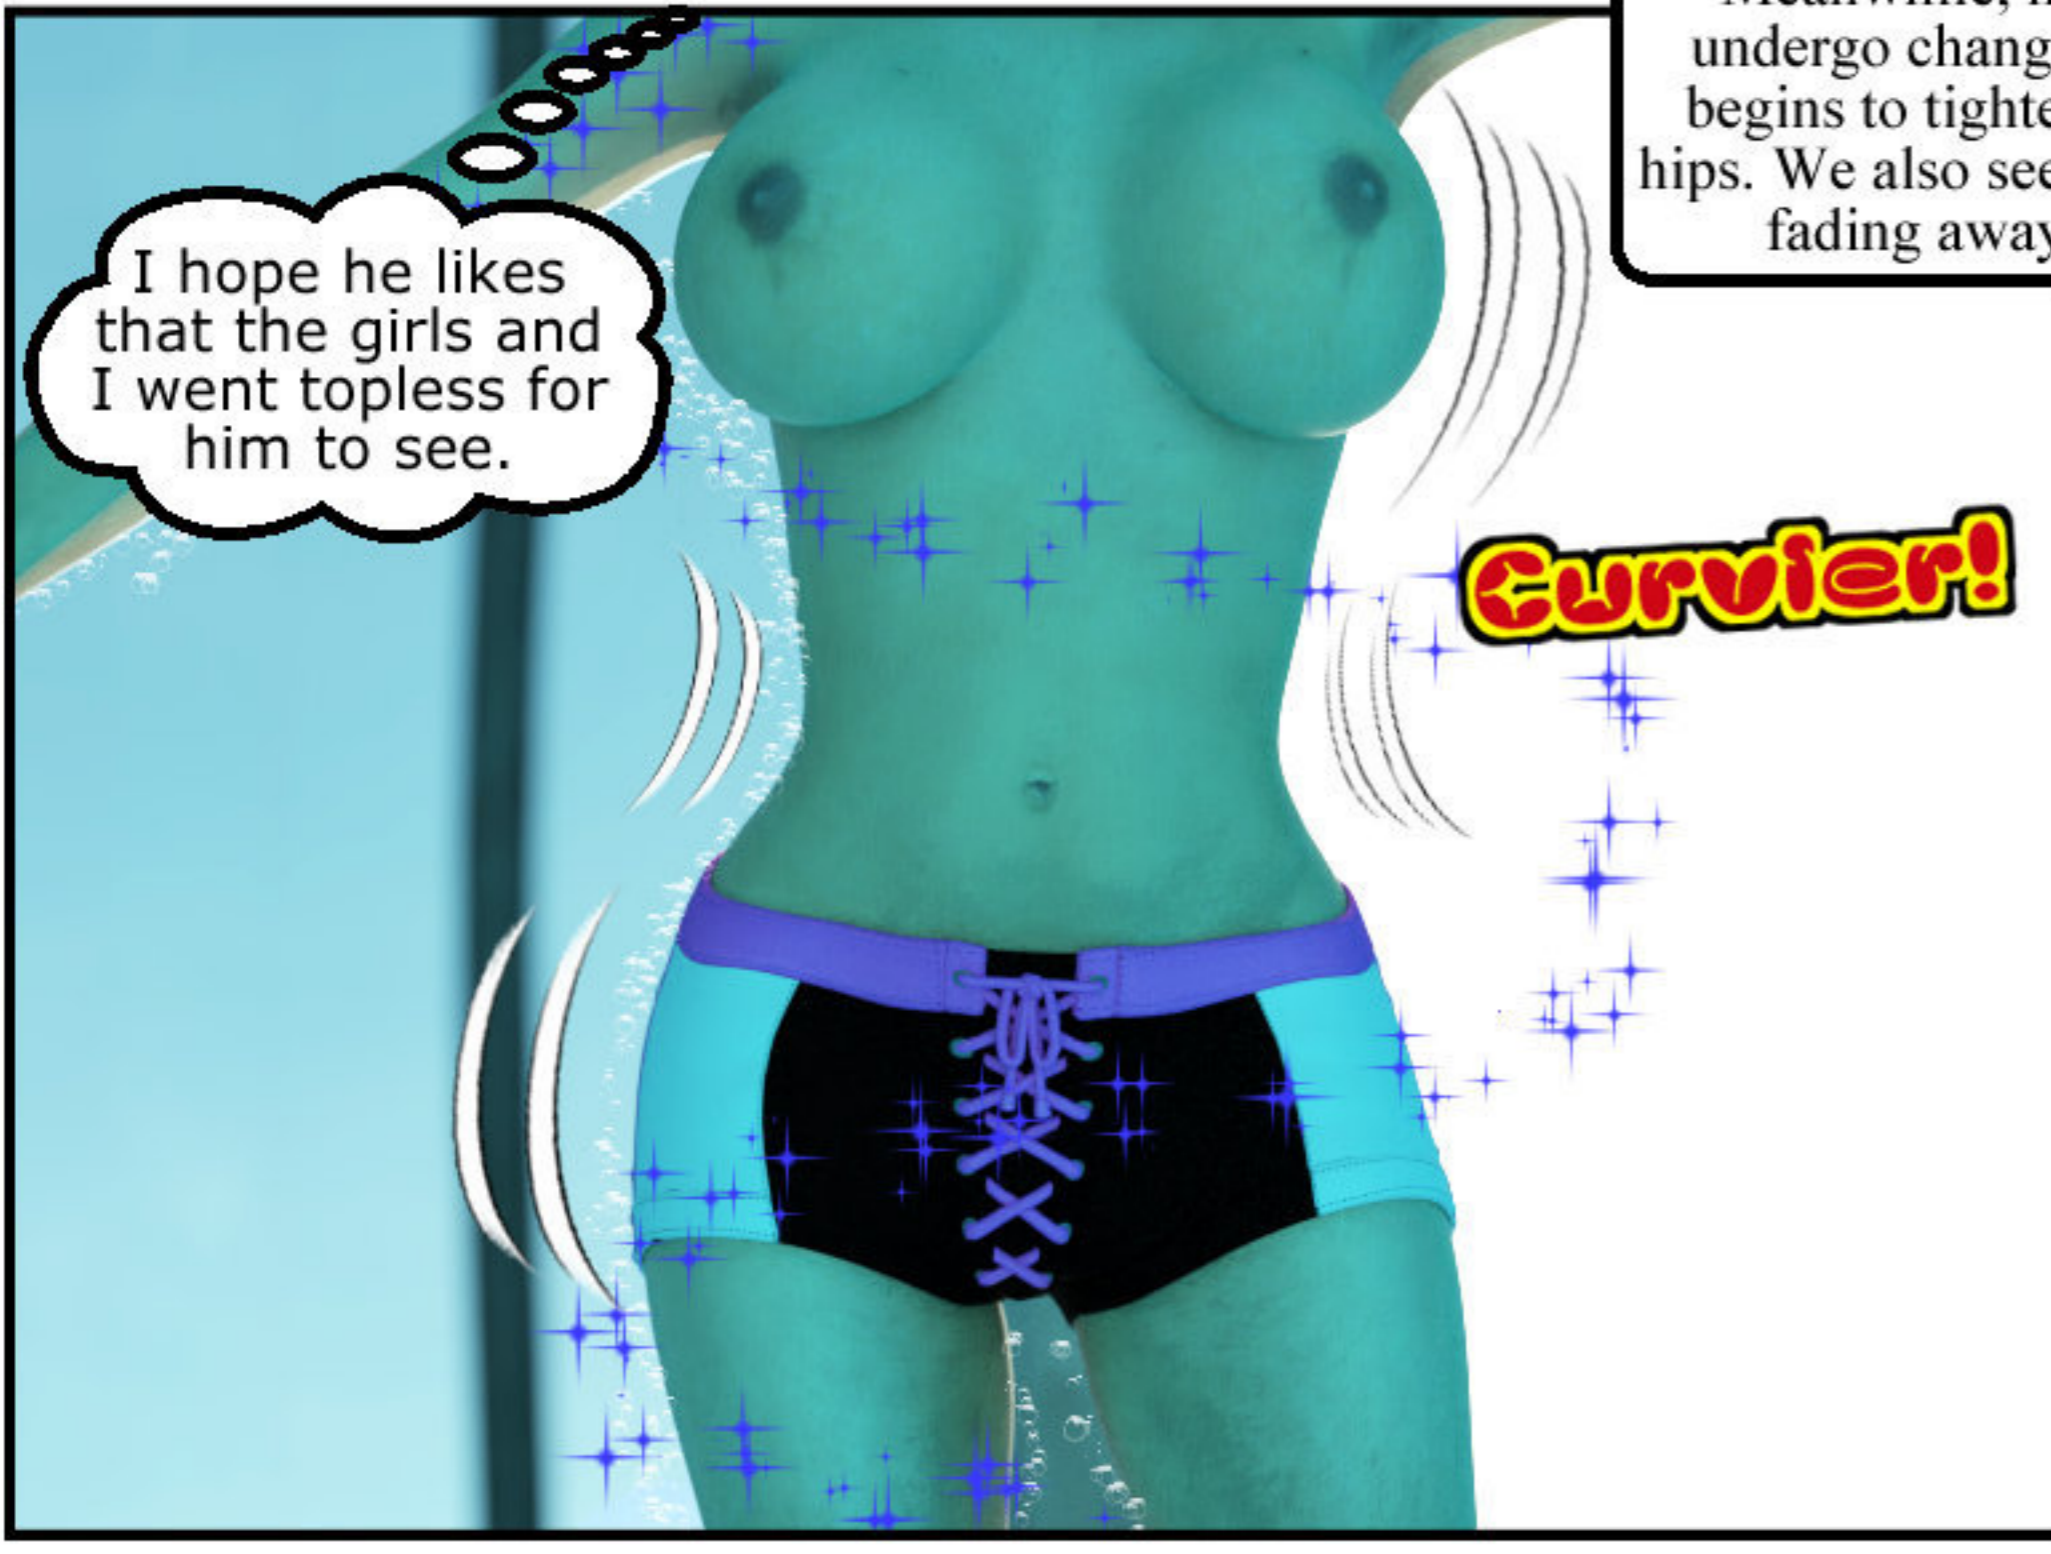

Like what am I saying!? Of course, I can throw myself at him!

Mmmm! Just the thought of him reaching out and touching... OooOOoo me! Yesss!

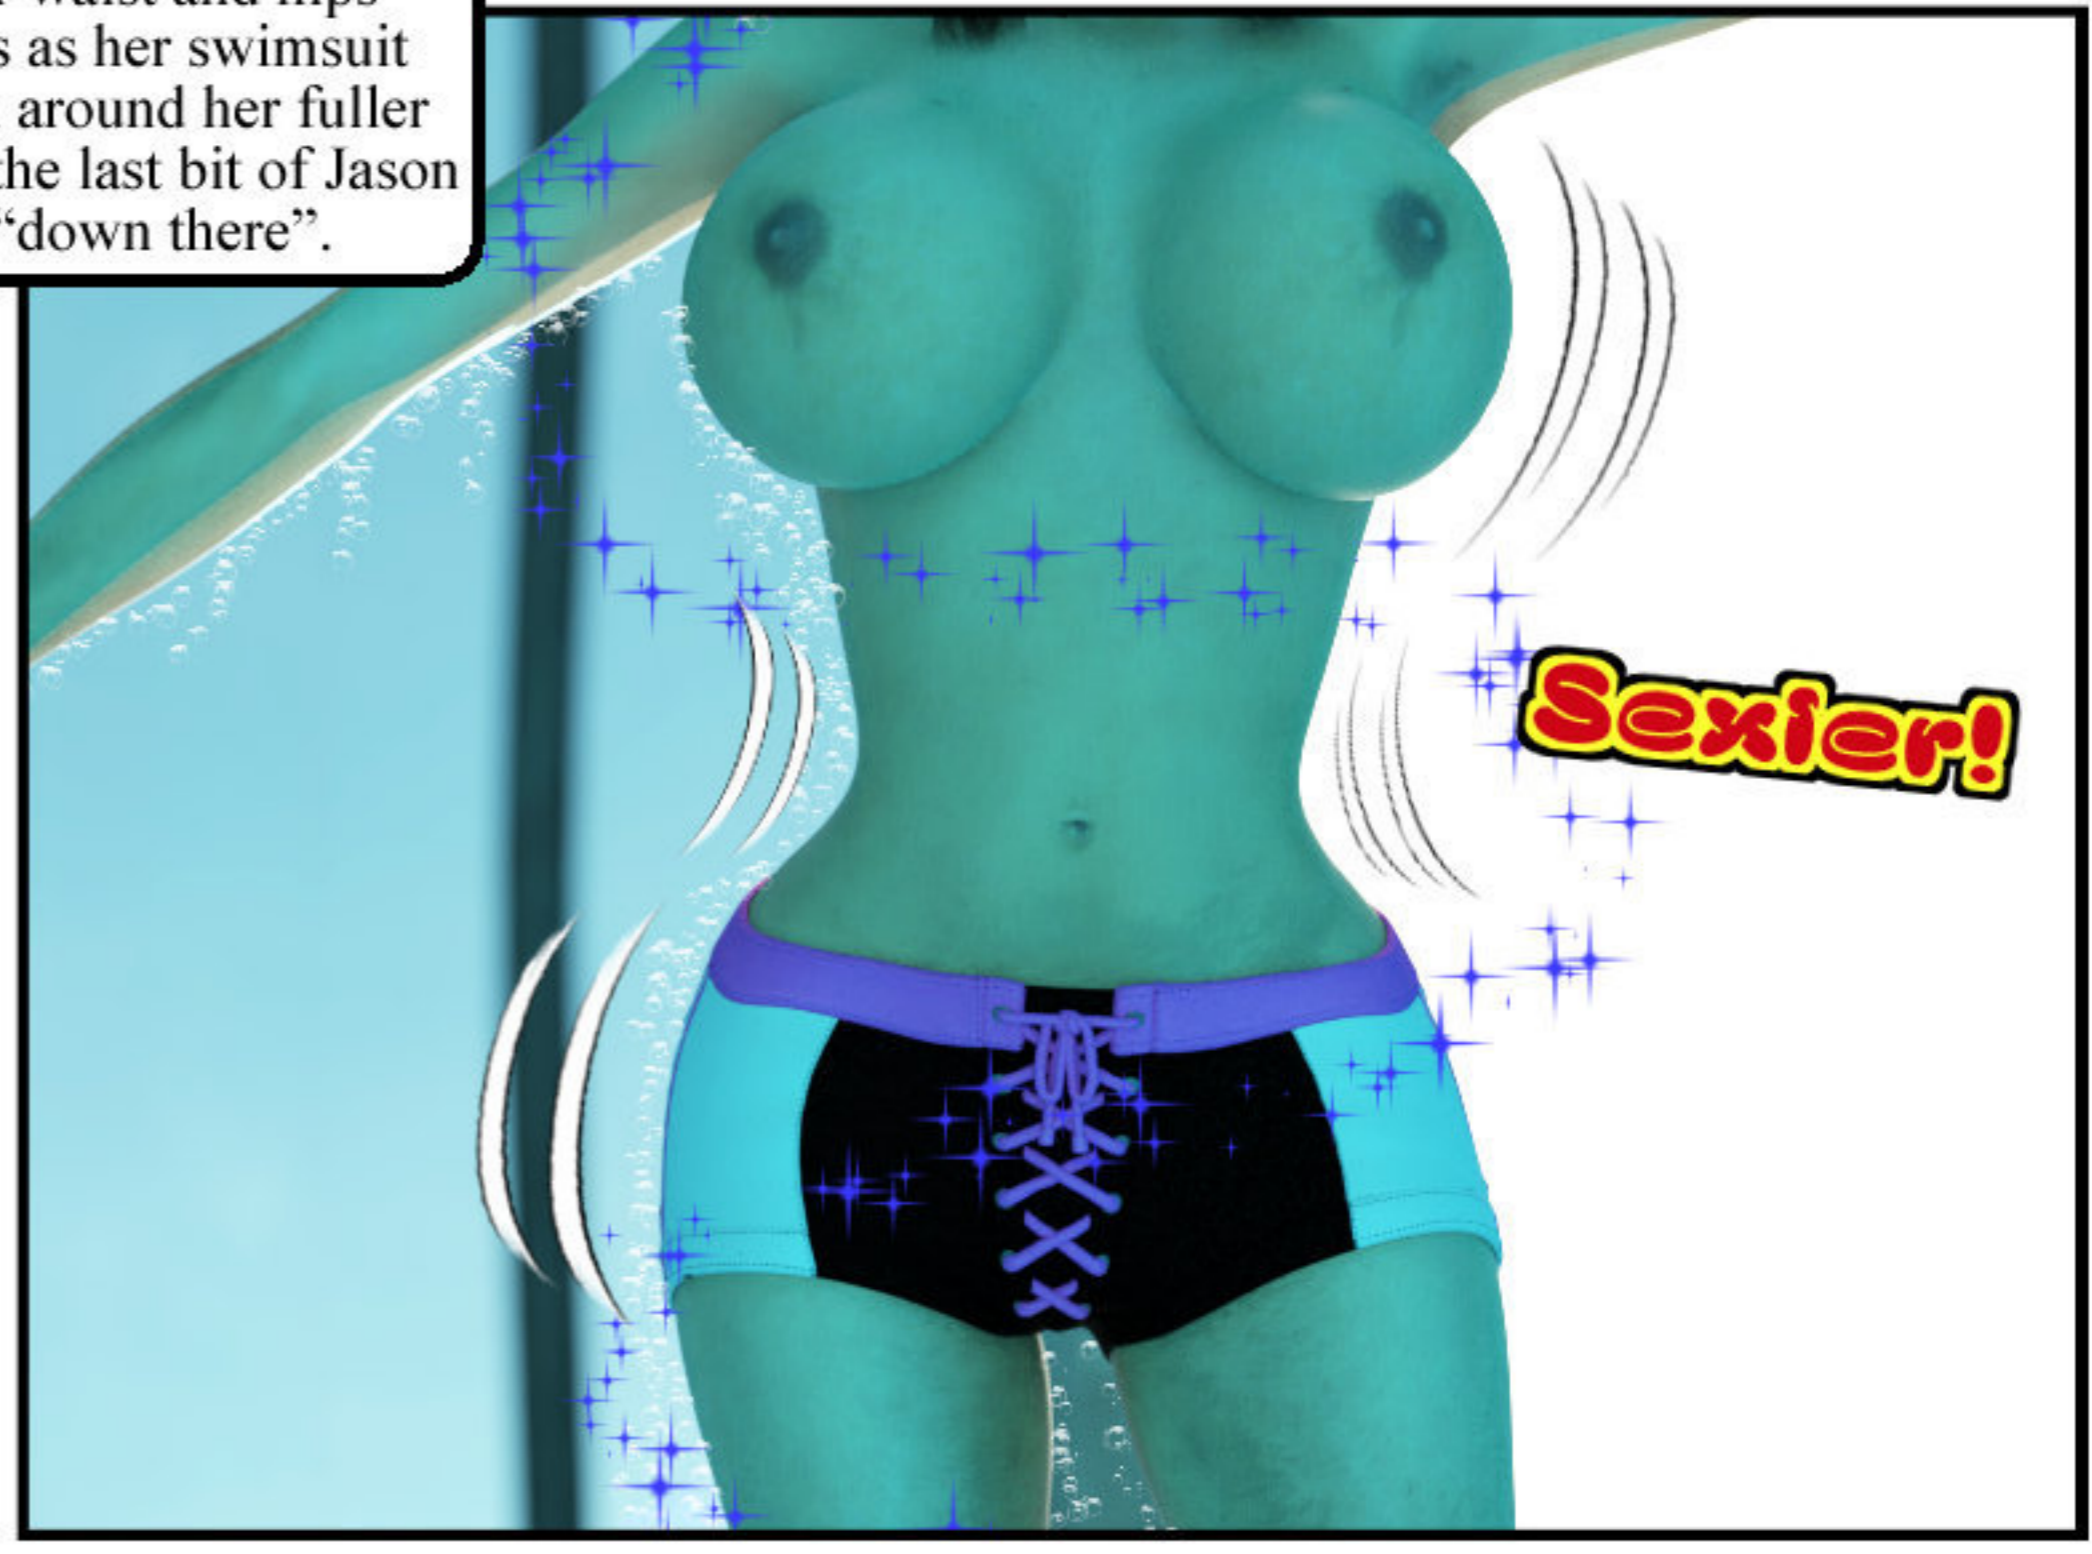

Shaplier!

The swim captain is now confirming "her" gender and slight bimbofication as she gets more erotic about her crush on the JV captain. Meanwhile, her waist and hips undergo changes as her swimsuit begins to tighten around her fuller hips. We also see the last bit of Jason fading away "down there".

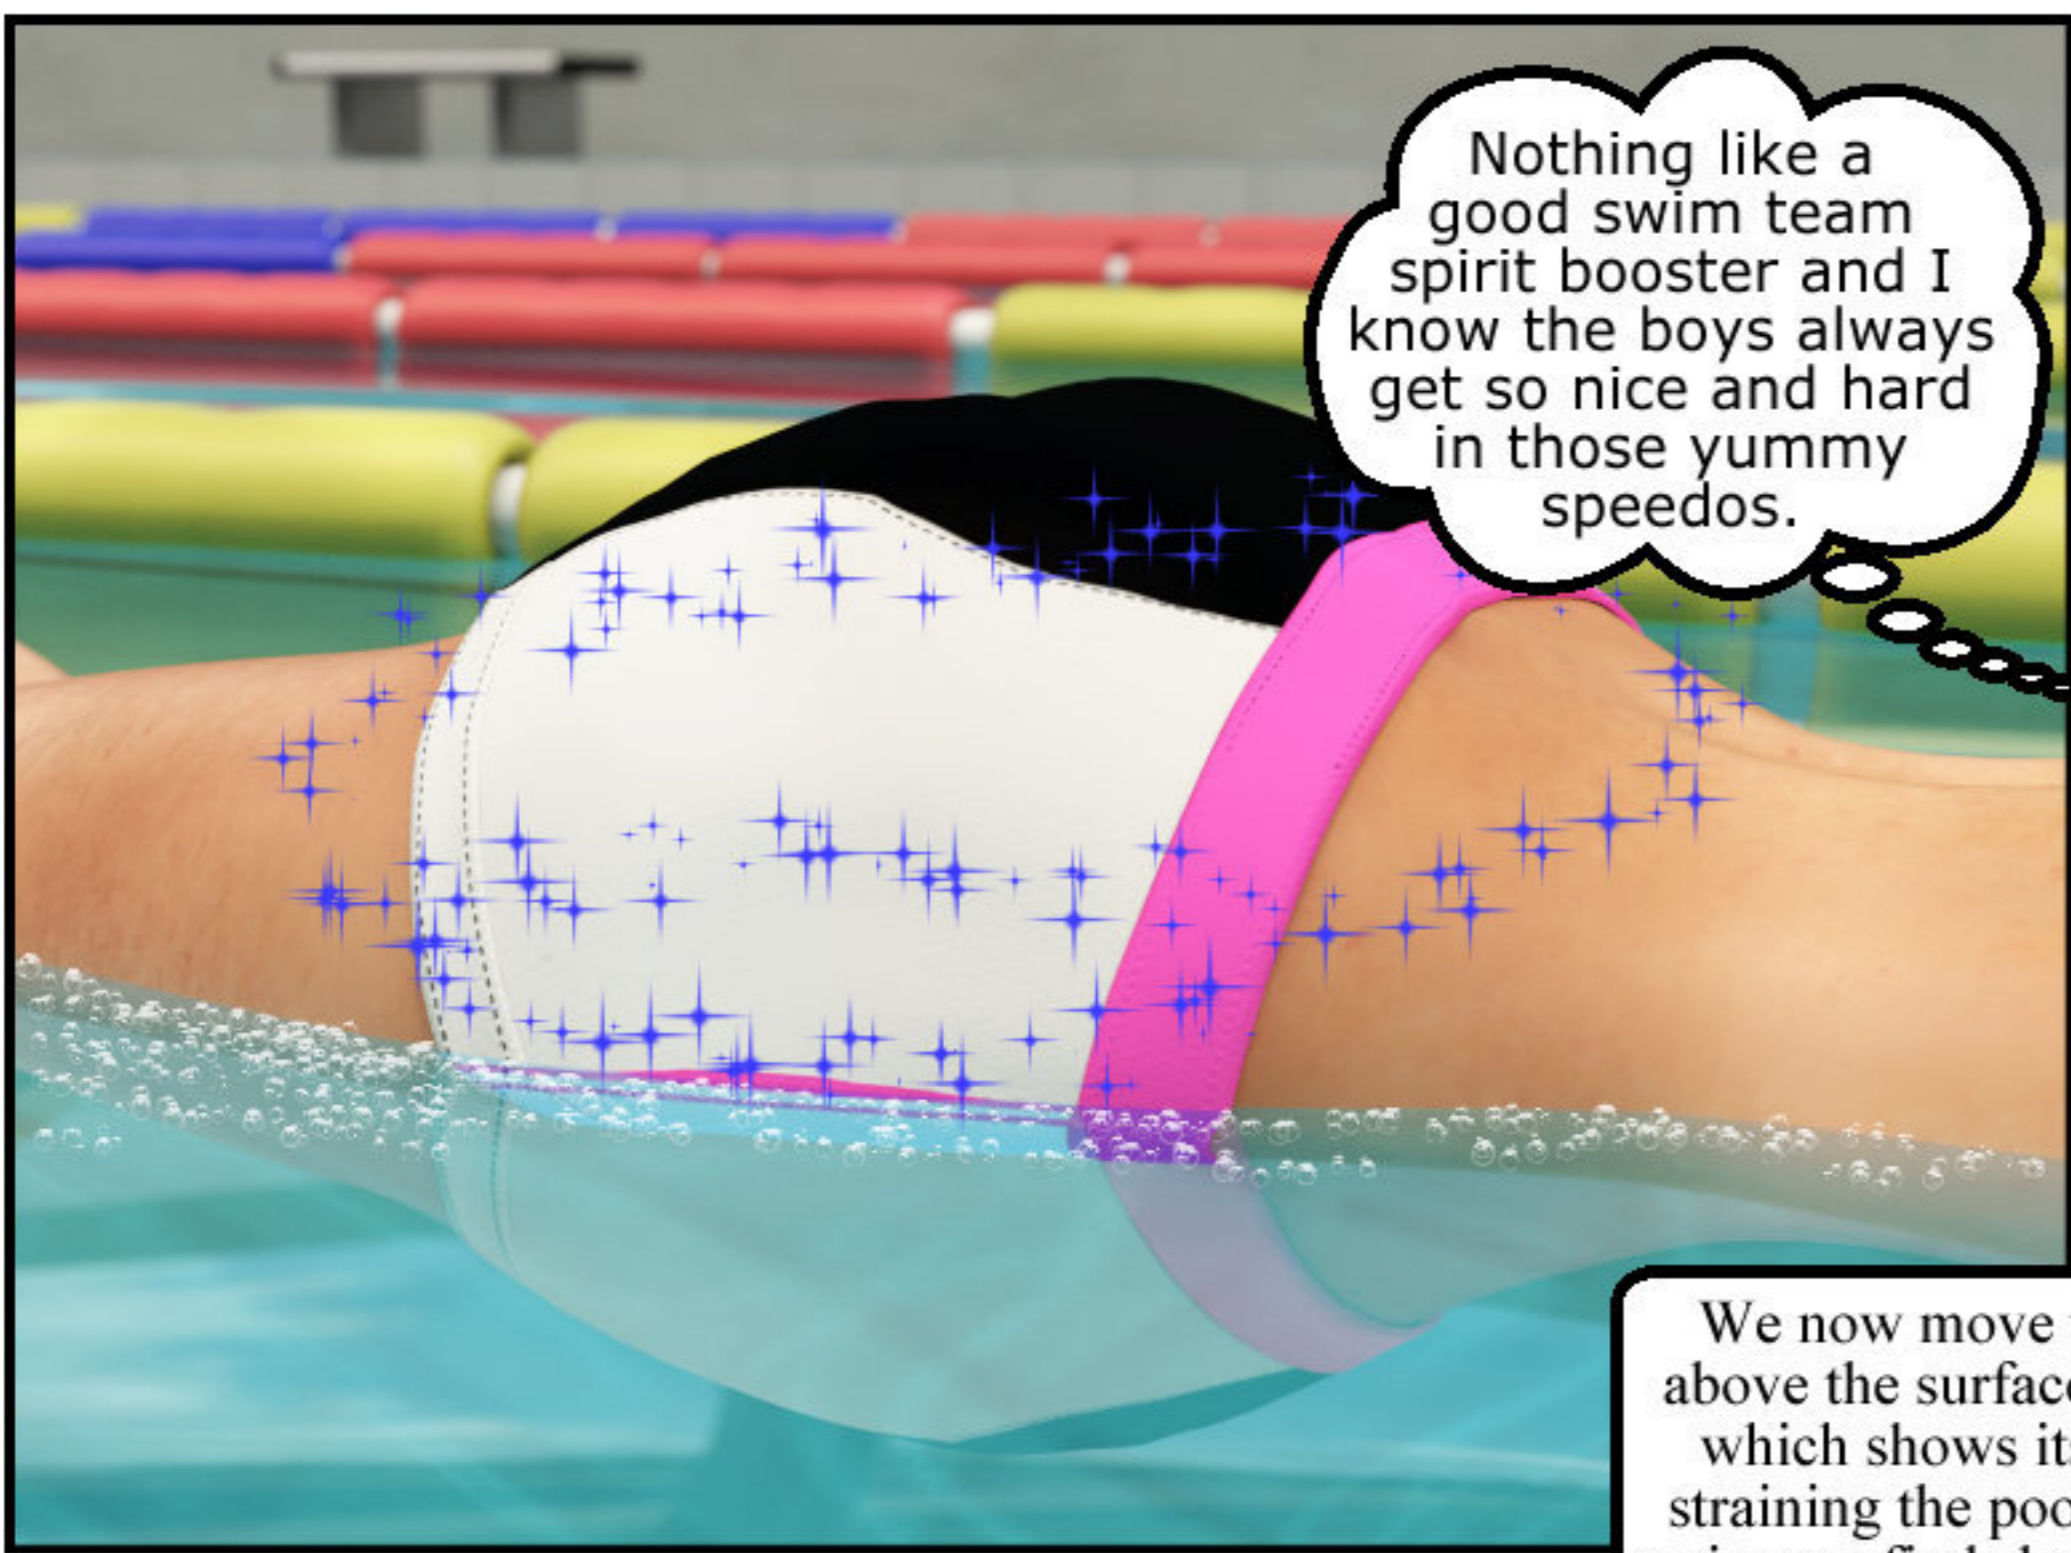

I hope he likes that the girls and I went topless for him to see.

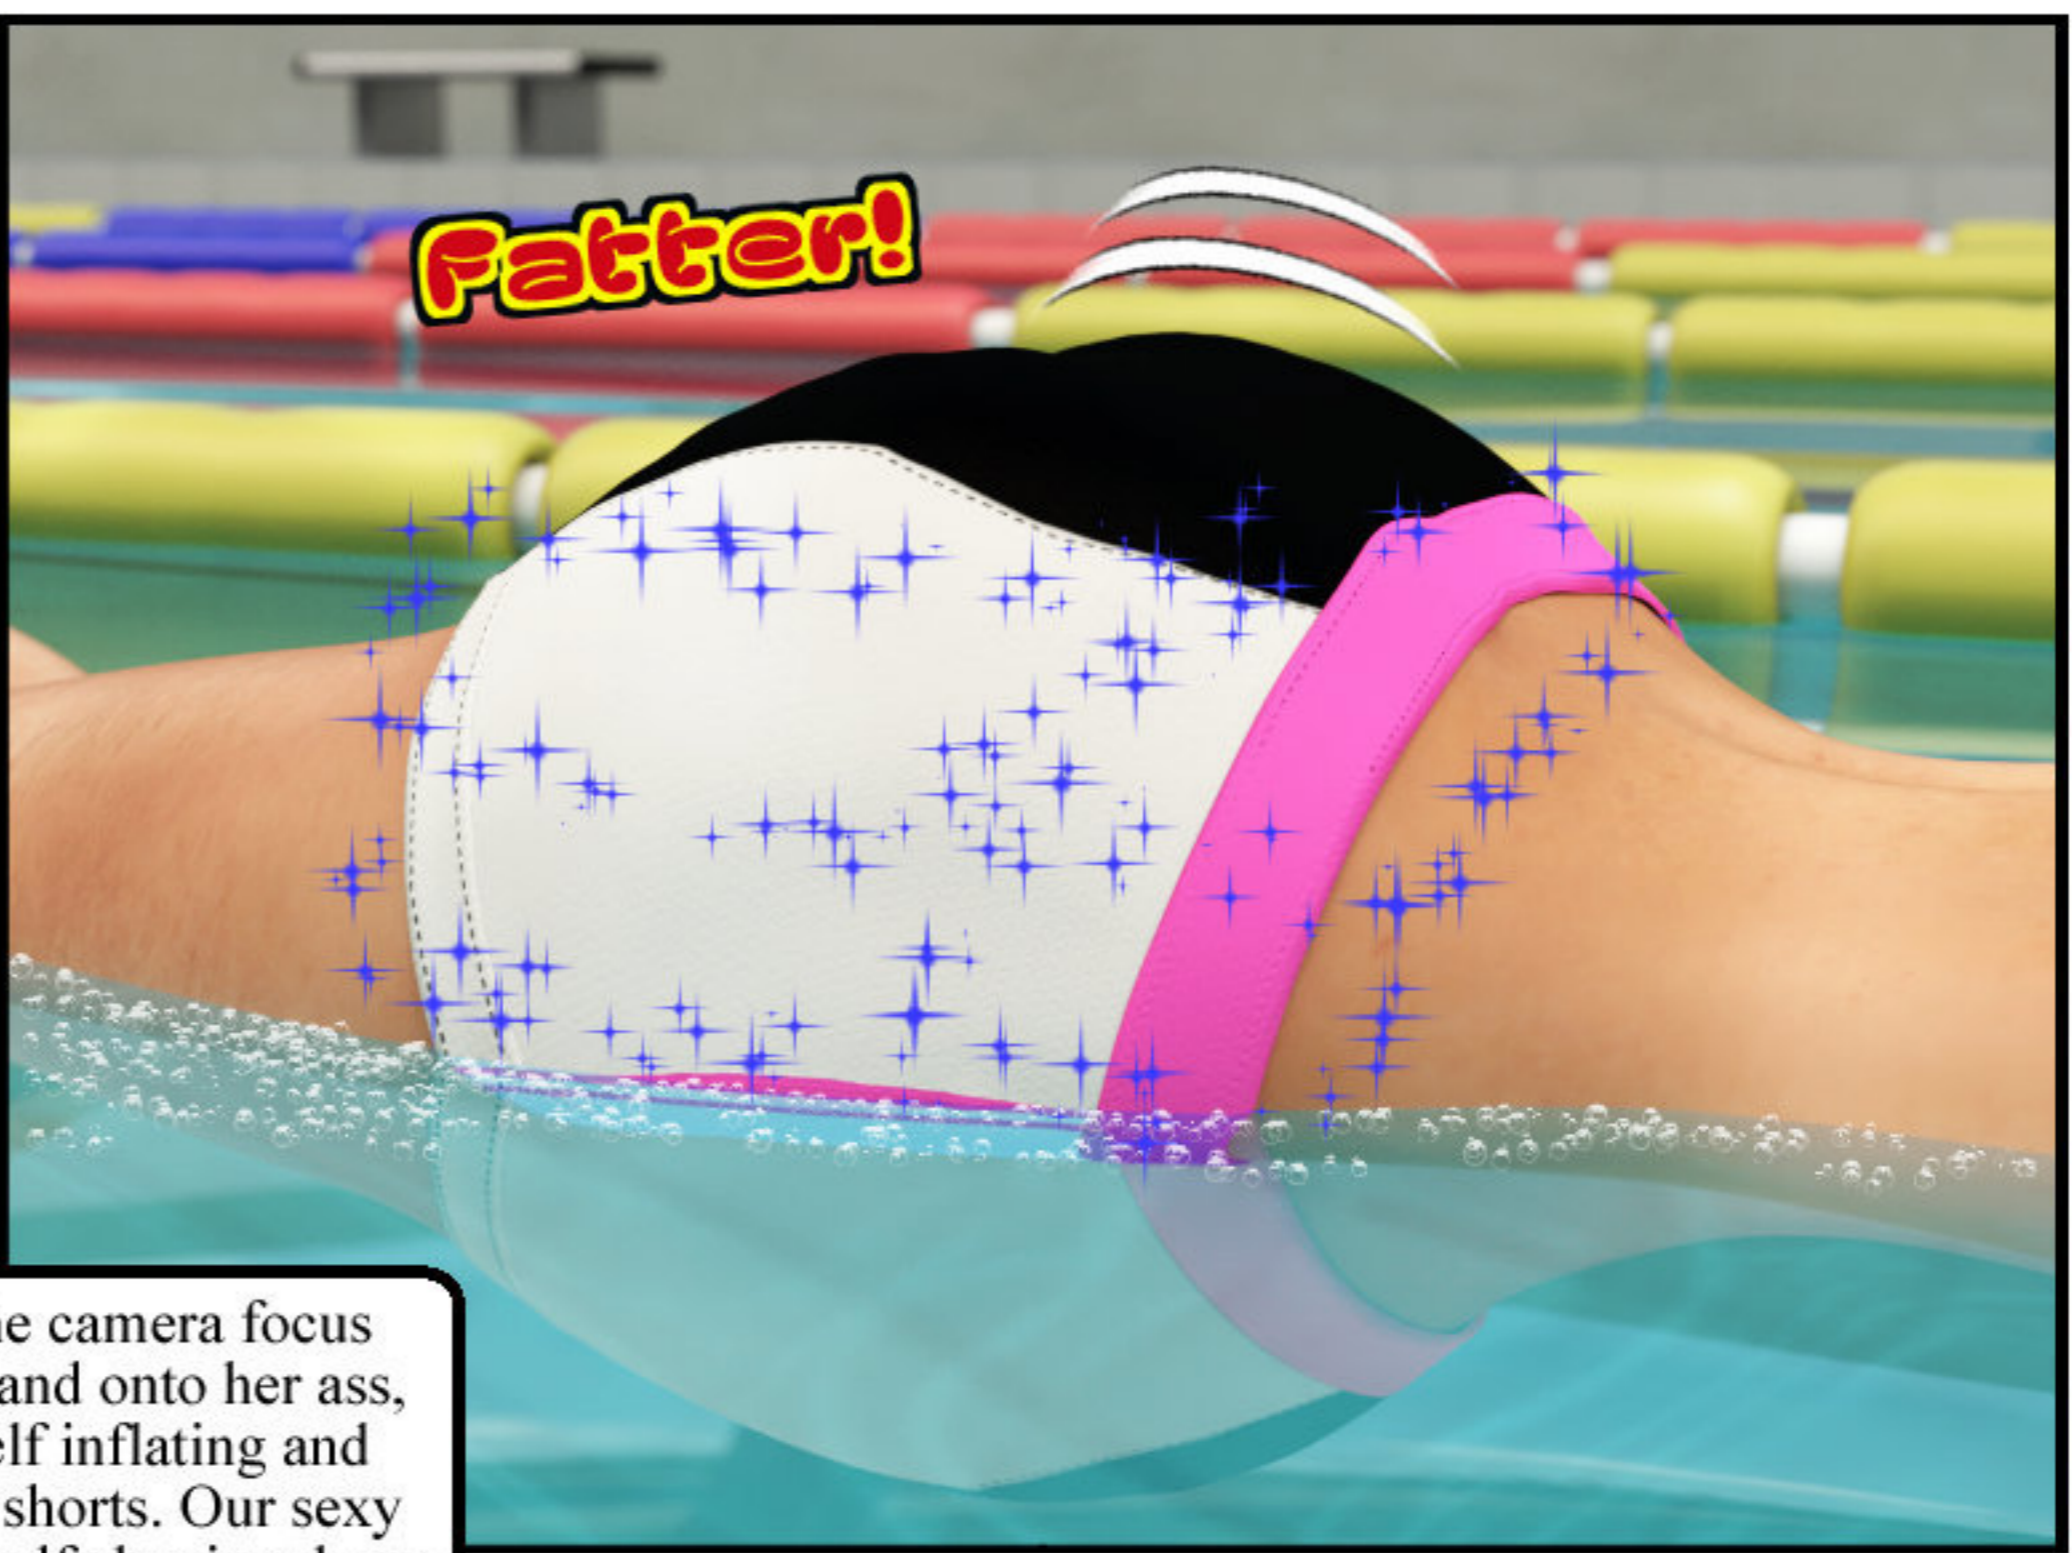

Curvier!

Sexier!

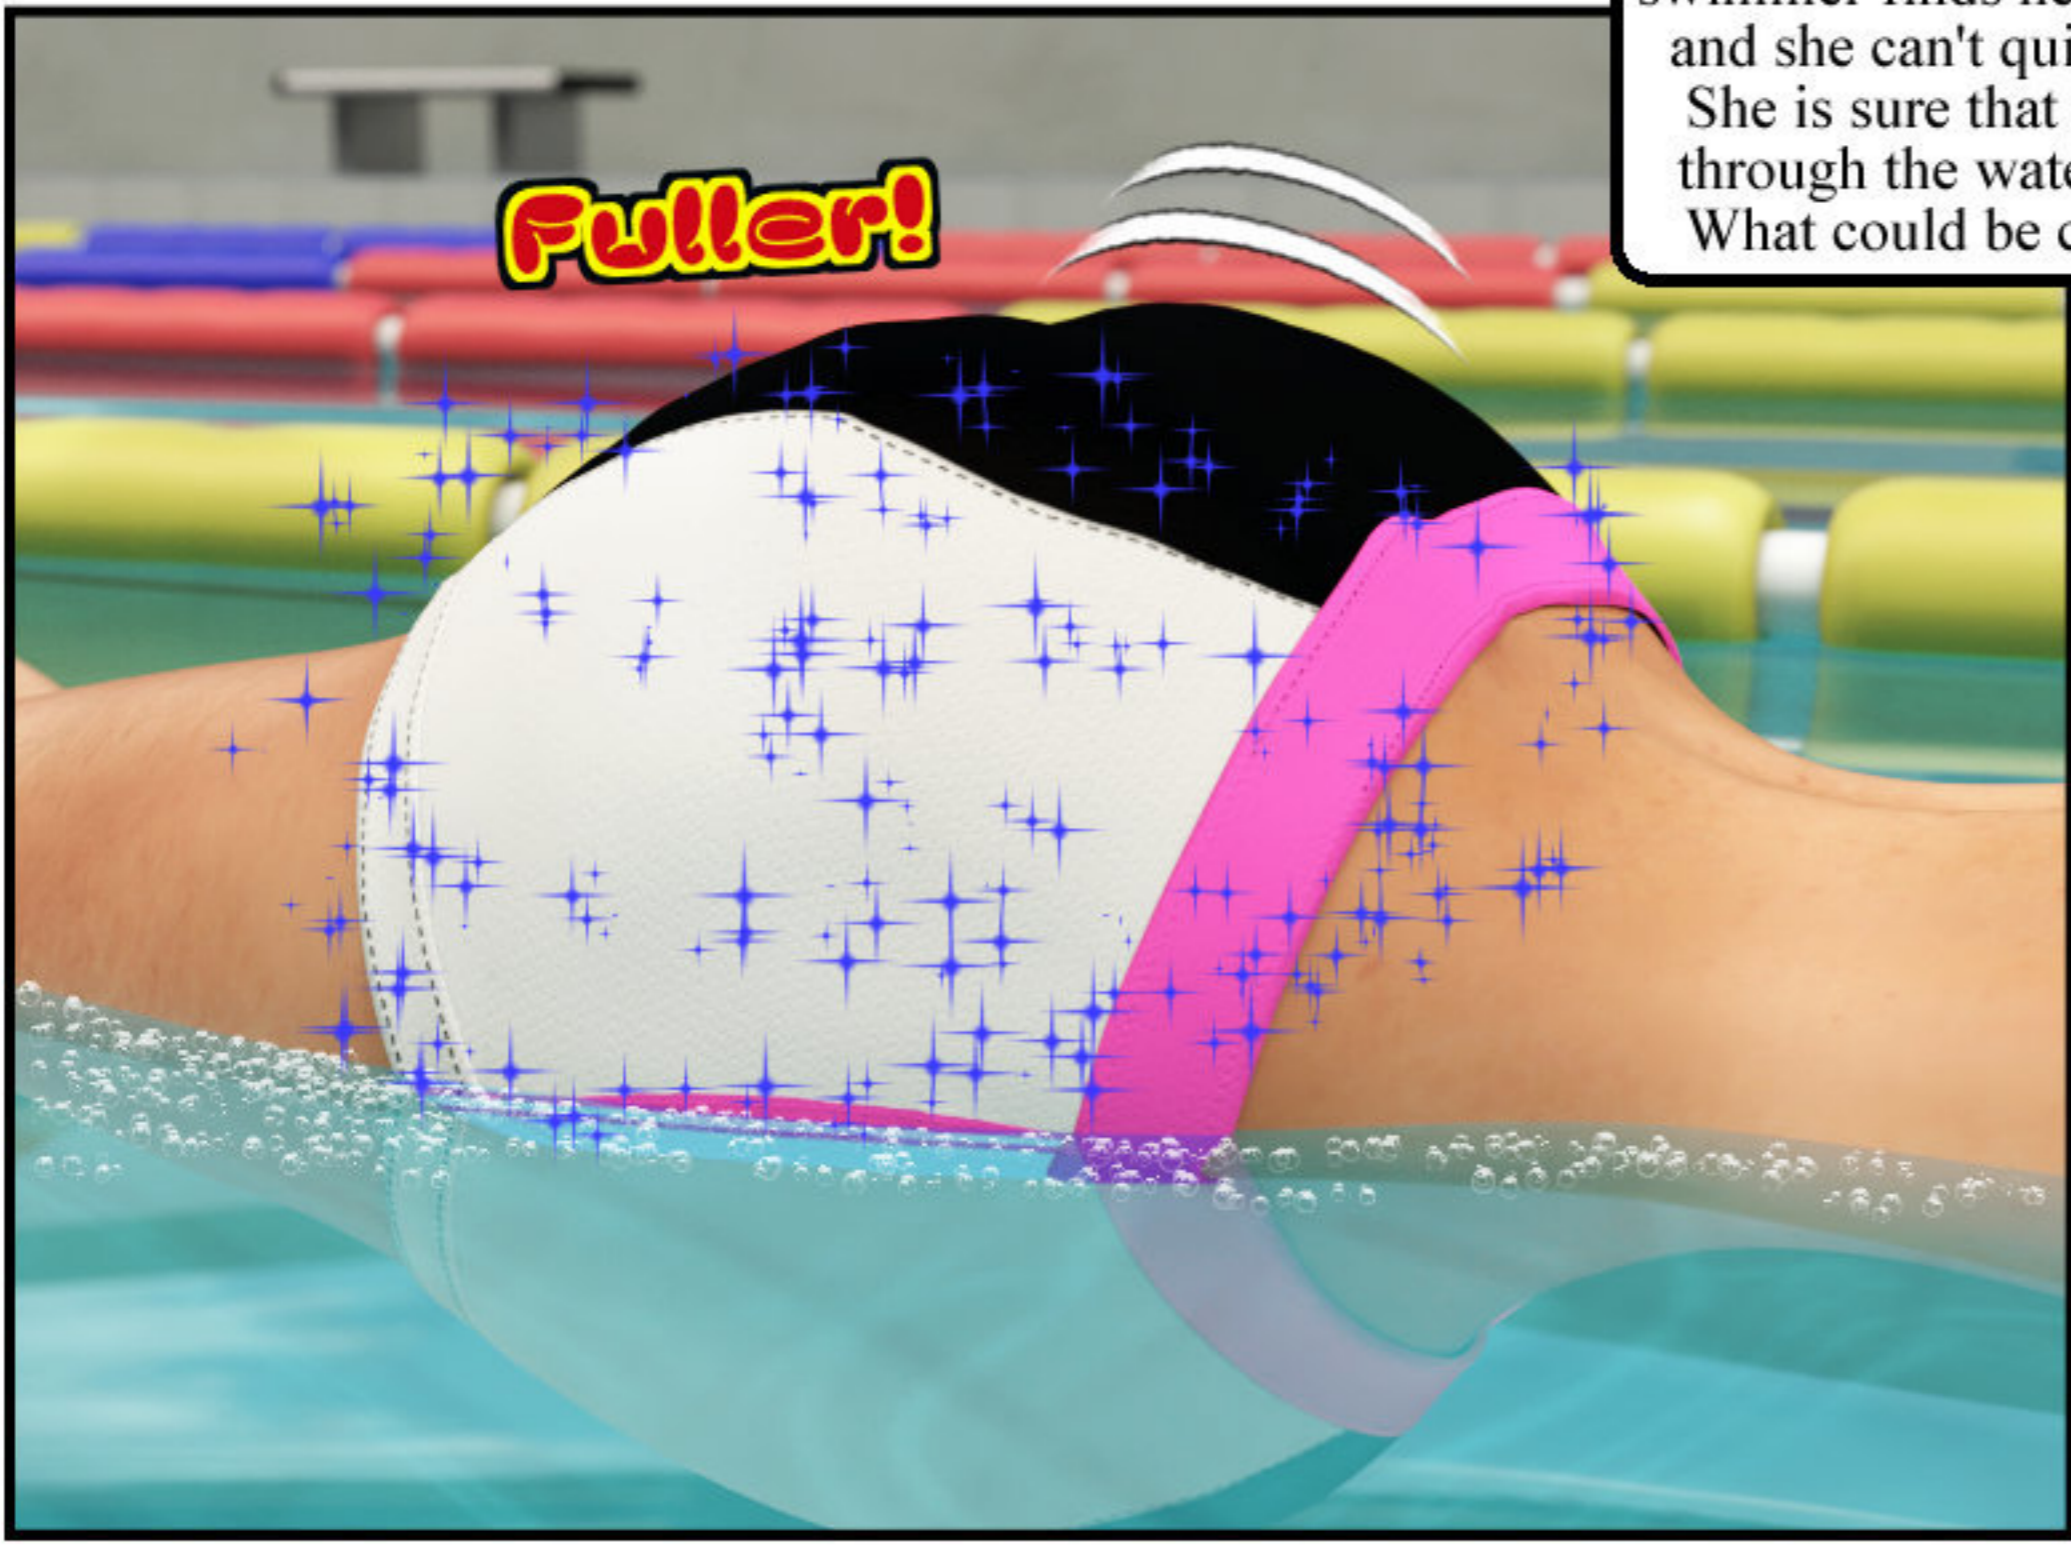

Nothing like a good swim team spirit booster and I know the boys always get so nice and hard in those yummy speedos.

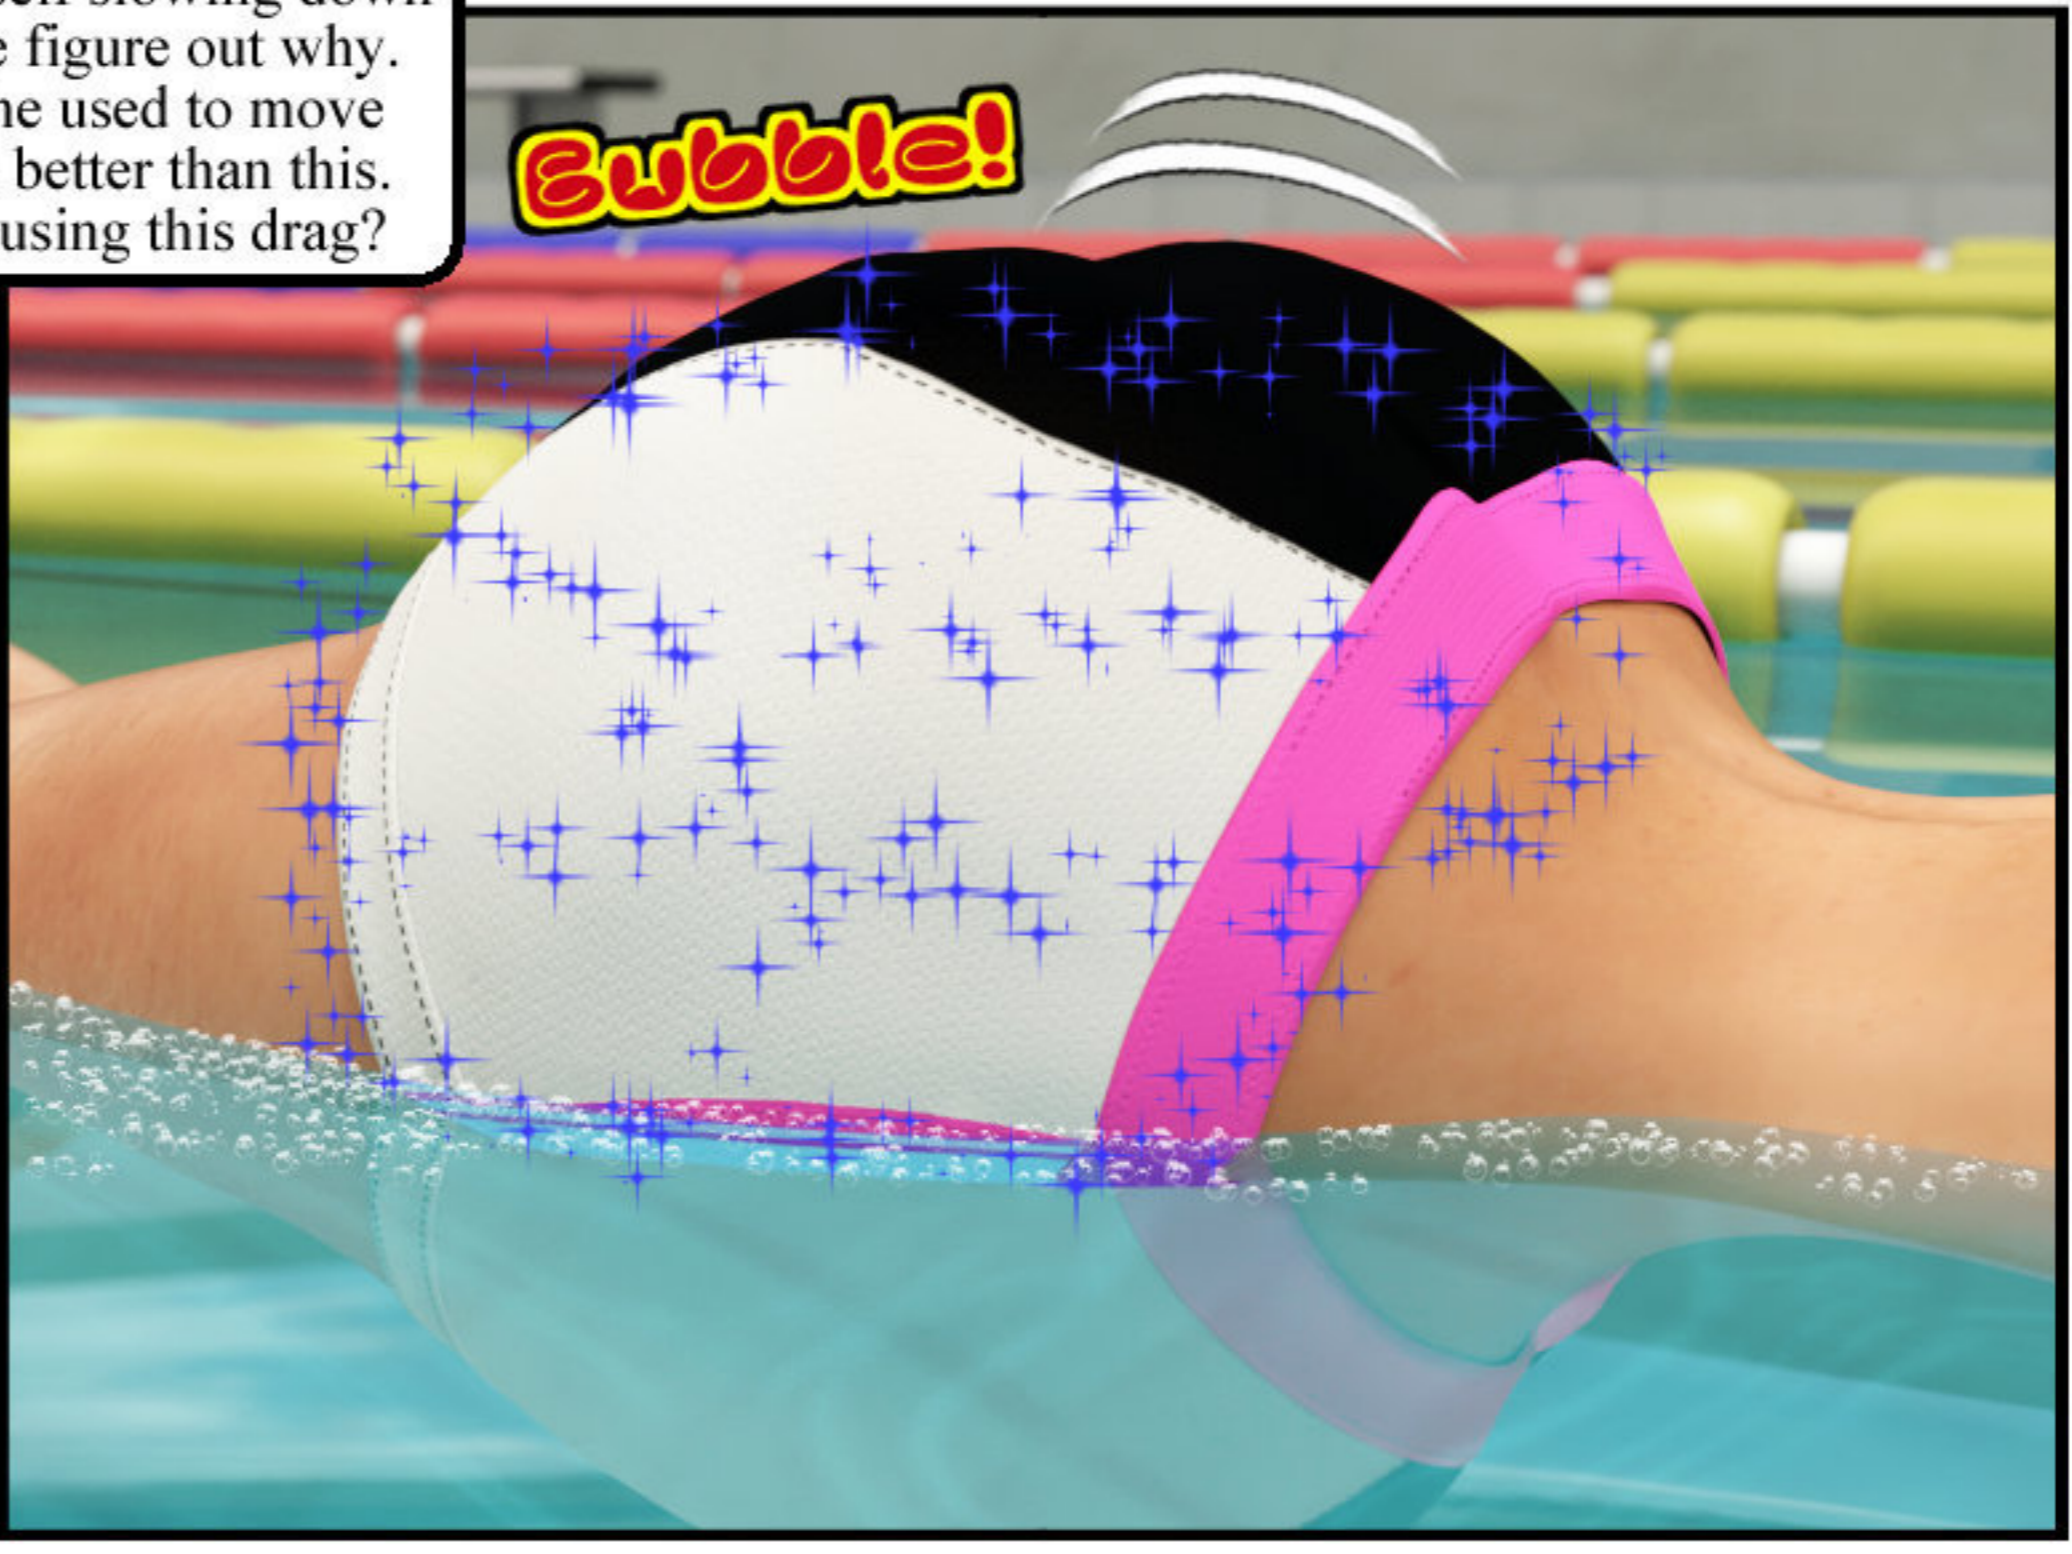

Fatter!

We now move the camera focus above the surface and onto her ass, which shows itself inflating and straining the poor shorts. Our sexy swimmer finds herself slowing down and she can't quite figure out why. She is sure that she used to move through the water better than this. What could be causing this drag?

Fuller!

Bubble!

I should totally give him a pre-workout before he swims.

Like me and the others have been aching to see what they're made of.

It might have something to do with one last spurt of growth that occurs in her new varsity tits, which get an incredible boost to "captain" ranking. Her skin also changes somewhat with this final alteration as most of her body hair thins or falls out completely.

Even Bigger!

Oh and Aiden! I know he's packing a whole lot of cocky goodness in that speedo .

Even Bustier!

But even though the pool just seems a lot bigger today, and the swim just seems to take forever, eventually our now very busy swimmer makes it to the end. Once more we get a shot from below and we can see a shadowy figure waiting for her.

Oh I see the end and is that... ooooh... please let that be you Aiden baby... I want you to take...

ooooo

We see Sylvia still kneeling down and frozen in shock. Jaesa finishes getting out of the pool and begins to just ignore the other girl. Watching Jaesa get out of the pool is a special sight. Each sexy step she takes up the ladder displays more of her exquisite figure.

Anywho, Sylvia you and your cheerleaders have been giving my cuties a hard time so please back off or you and I will have to talk.

Meaning Aiden is my boyfriend. Got it?

.....

Oooo, speaking of "boys", enjoying the freedom sweeties? Hehe!

Somehow saying the word, "boyfriend" causes Jaesa to look down at her "big boys", and she can't seem to help but feel them up. She slides a hand up and down one massive, glistening boob. Water drips off of her turgid, wet nipple.

Jaesa looks down and admires her spectacular rack with a naughty expression on her face that seems to hint at her complete absorption and control of her new body and mind. She reaches up to bounce and jiggle one of the most obvious indicators of her womanhood: her gigantic jugs.

I can't believe I've been having this lingering thought of being a guy. I mean look at me! I am totally, so obviously, a woman! Mmmm! And speaking of women!

Our lovely new swim captain notices two bubbling formations as she stretches seductively and realizes her teammates were finally finishing. Other than Jaesa, Sylvia, and the bubbles in the water, the whole pool area still appears oddly vacant.

Oh! Denise and Melissa are finally done. Heh, such slow boobies they are.

A wide view as Jaesa smiled whilst Sylvia was still behind her trying to comprehend not only where her boyfriend went, but who this topless 10/10 bombshell was. Meanwhile, we also see two new feminine hands come out of the water.

Come on you two! I should've been last with these humongous beachballs on my chest!
