

C04-P08

As before, "Aidan" below refers to Aidan-in-Heather. "Heather" refers to Heather-in-Aidan.

PANEL 1

Similar layout to last panel of previous page. "Heather" is grinning. "Aidan" is puzzled.

"AIDAN"
Why are you looking at me like that?

"HEATHER"
I think I'd like another go.

PANEL 2

"Aidan's" expression has shifted to profound irritation. Enough is enough. He knows a trick or two about his own formerbody and he's not afraid to use it. He reaches for "Heather's" crotch (below panel) and grabs her balls. Her eyes are wide with painful surprise.

"AIDAN"
And I think you've gone as far as
you're going to go, Princess Heather.

"HEATHER"
What are you--

"HEATHER"
(cont'd)
GASP!

SFX
(bottom of panel, near "Heather's"
crotch)
GRAB!

PANEL 3

"Aidan" leans closer, tightening his grip on "Heather." She looks like she's in tremendous pain now.

"AIDAN"

You may know how to turn me ON, but I
know how to turn you OFF.

SFX

(bottom of panel, large bold
letters)

SQUEEZE!

"HEATHER"

(loud/explosive)

OW! OW! OW!

PANEL 4

PAIN! SO MUCH PAIN! "Aidan" is grinning wickedly. Head thrown
back, "Heather" is shouting without thinking.

"AIDAN"

No means no, Princess.

SFX

(bottom of panel, even LARGER font)

CRUSH!

"HEATHER"

(shouting)

I'M SORRY!

PANEL 5

Large, full width panel. There's no background, just a spiraling
vortex of energy. "Aidan" (left) is being pulled out of
Heather's body and drawn to his own. The reverse is happening to
Heather in Aidan's body. The bodies are rigid, like they're
being electrocuted; their heads half look up with completely
WHITE EYES (no pupils). The spirits that are returning to their
original bodies should be translucent. Autumn hovers bottom
right of the panel (not very detailed, maybe smiling).

SFX

(center, VERY LARGE font, laid out
on a half-circle above the two
characters)

VWOOOOM

AUTUMN

FINALLY!

AUTUMN

(cont'd)

I thought she'd never say it.
