"And done."

Well, my drawing never failed me.

Also, it seem that my follower found himself a suitable body.

How do you
know it was me?
Could be Xenovia.

Because I'm the one who gave you the spell, idiot.

Of course I was just messing with you.

I felt like I wanted
to take over Xenovia
forever after!

A 3D-rendered anime-style character is shown from the waist down. The character is wearing a black, quilted corset with a diamond pattern and black stockings. The character's legs are spread apart, and the character is standing on a wooden floor. In the background, there are bookshelves filled with books. A speech bubble is located in the upper right corner of the image.

Then, it's time
for you to serve me.

I almost named this room as a Hentai Club.

Put it as you pleased.

A person wearing a dark blue suit jacket and a red shirt is shown from the waist down. They are standing in a hallway with a grey wall and a grey floor. A speech bubble is positioned to the left of the person's torso.

Hey, Tako. The Student Council asked me...

...to come talk
with you about your
club as a friend.

Eh...?

Oh, hi there.
Come here to disturb
us, handsome?

X-Xenovia? What are you doing?

You don't even recognize your partner?

Hah...? Tako!?

A close-up illustration of a character's face. The character has vibrant blue hair with sharp, pointed ends. One eye is a bright, glowing blue, while the other is partially visible and appears to be a different color. The character is wearing a white garment with a high collar. The background is a plain, light grey color.

That's right.
It's me.

I possessed Xenovia's body yesterday.

As she wanted to
disbanded by club...

Did you use
dark magic?

No, actually the Demon over there.

H-Hold on...!!!

Rest assure, I was limited inside this room.

Summon a Demon is the biggest crime in school!

See? As long as
you won't turn us in...

...we promise
you that...

...you will get this
power too, Issei.

What do you say, Issei?

Want to join us?
Create Hentai Club?

If you already
thought through...

...you will have to offer me something.

You want the power? Show me some entertainment.

Obviously! Because you are a soul now.

Come on, Issei.
Let me show
you how to use
your power.

A character with short, layered grey hair and a black choker is shown from the back, looking towards a large, glowing purple and green magical sigil. The sigil is a complex geometric design with a central eye, surrounded by various symbols and numbers. The character's black top is open at the back, and they are wearing black thigh-high stockings. The background is a plain, light grey color.

"Fufu... Just a little bit more."

Later that afternoon...

Good evening.

Have you two seen
Issei anywhere? I
was looking for him
all day today.

We haven't. Did Issei in trouble?

N-No, I asked him with some chores...

Do you need our
help looking for him?

I'm okay, just...
even Xenovia too.

Anyway, thank you.
If you have any info,
please let me know,
okay Kuroka?

Hah... Seem like this is our chance.

Oh? You seem to be very evil...

Think if we found Issei before Rias...

...I will make him
become my wife.

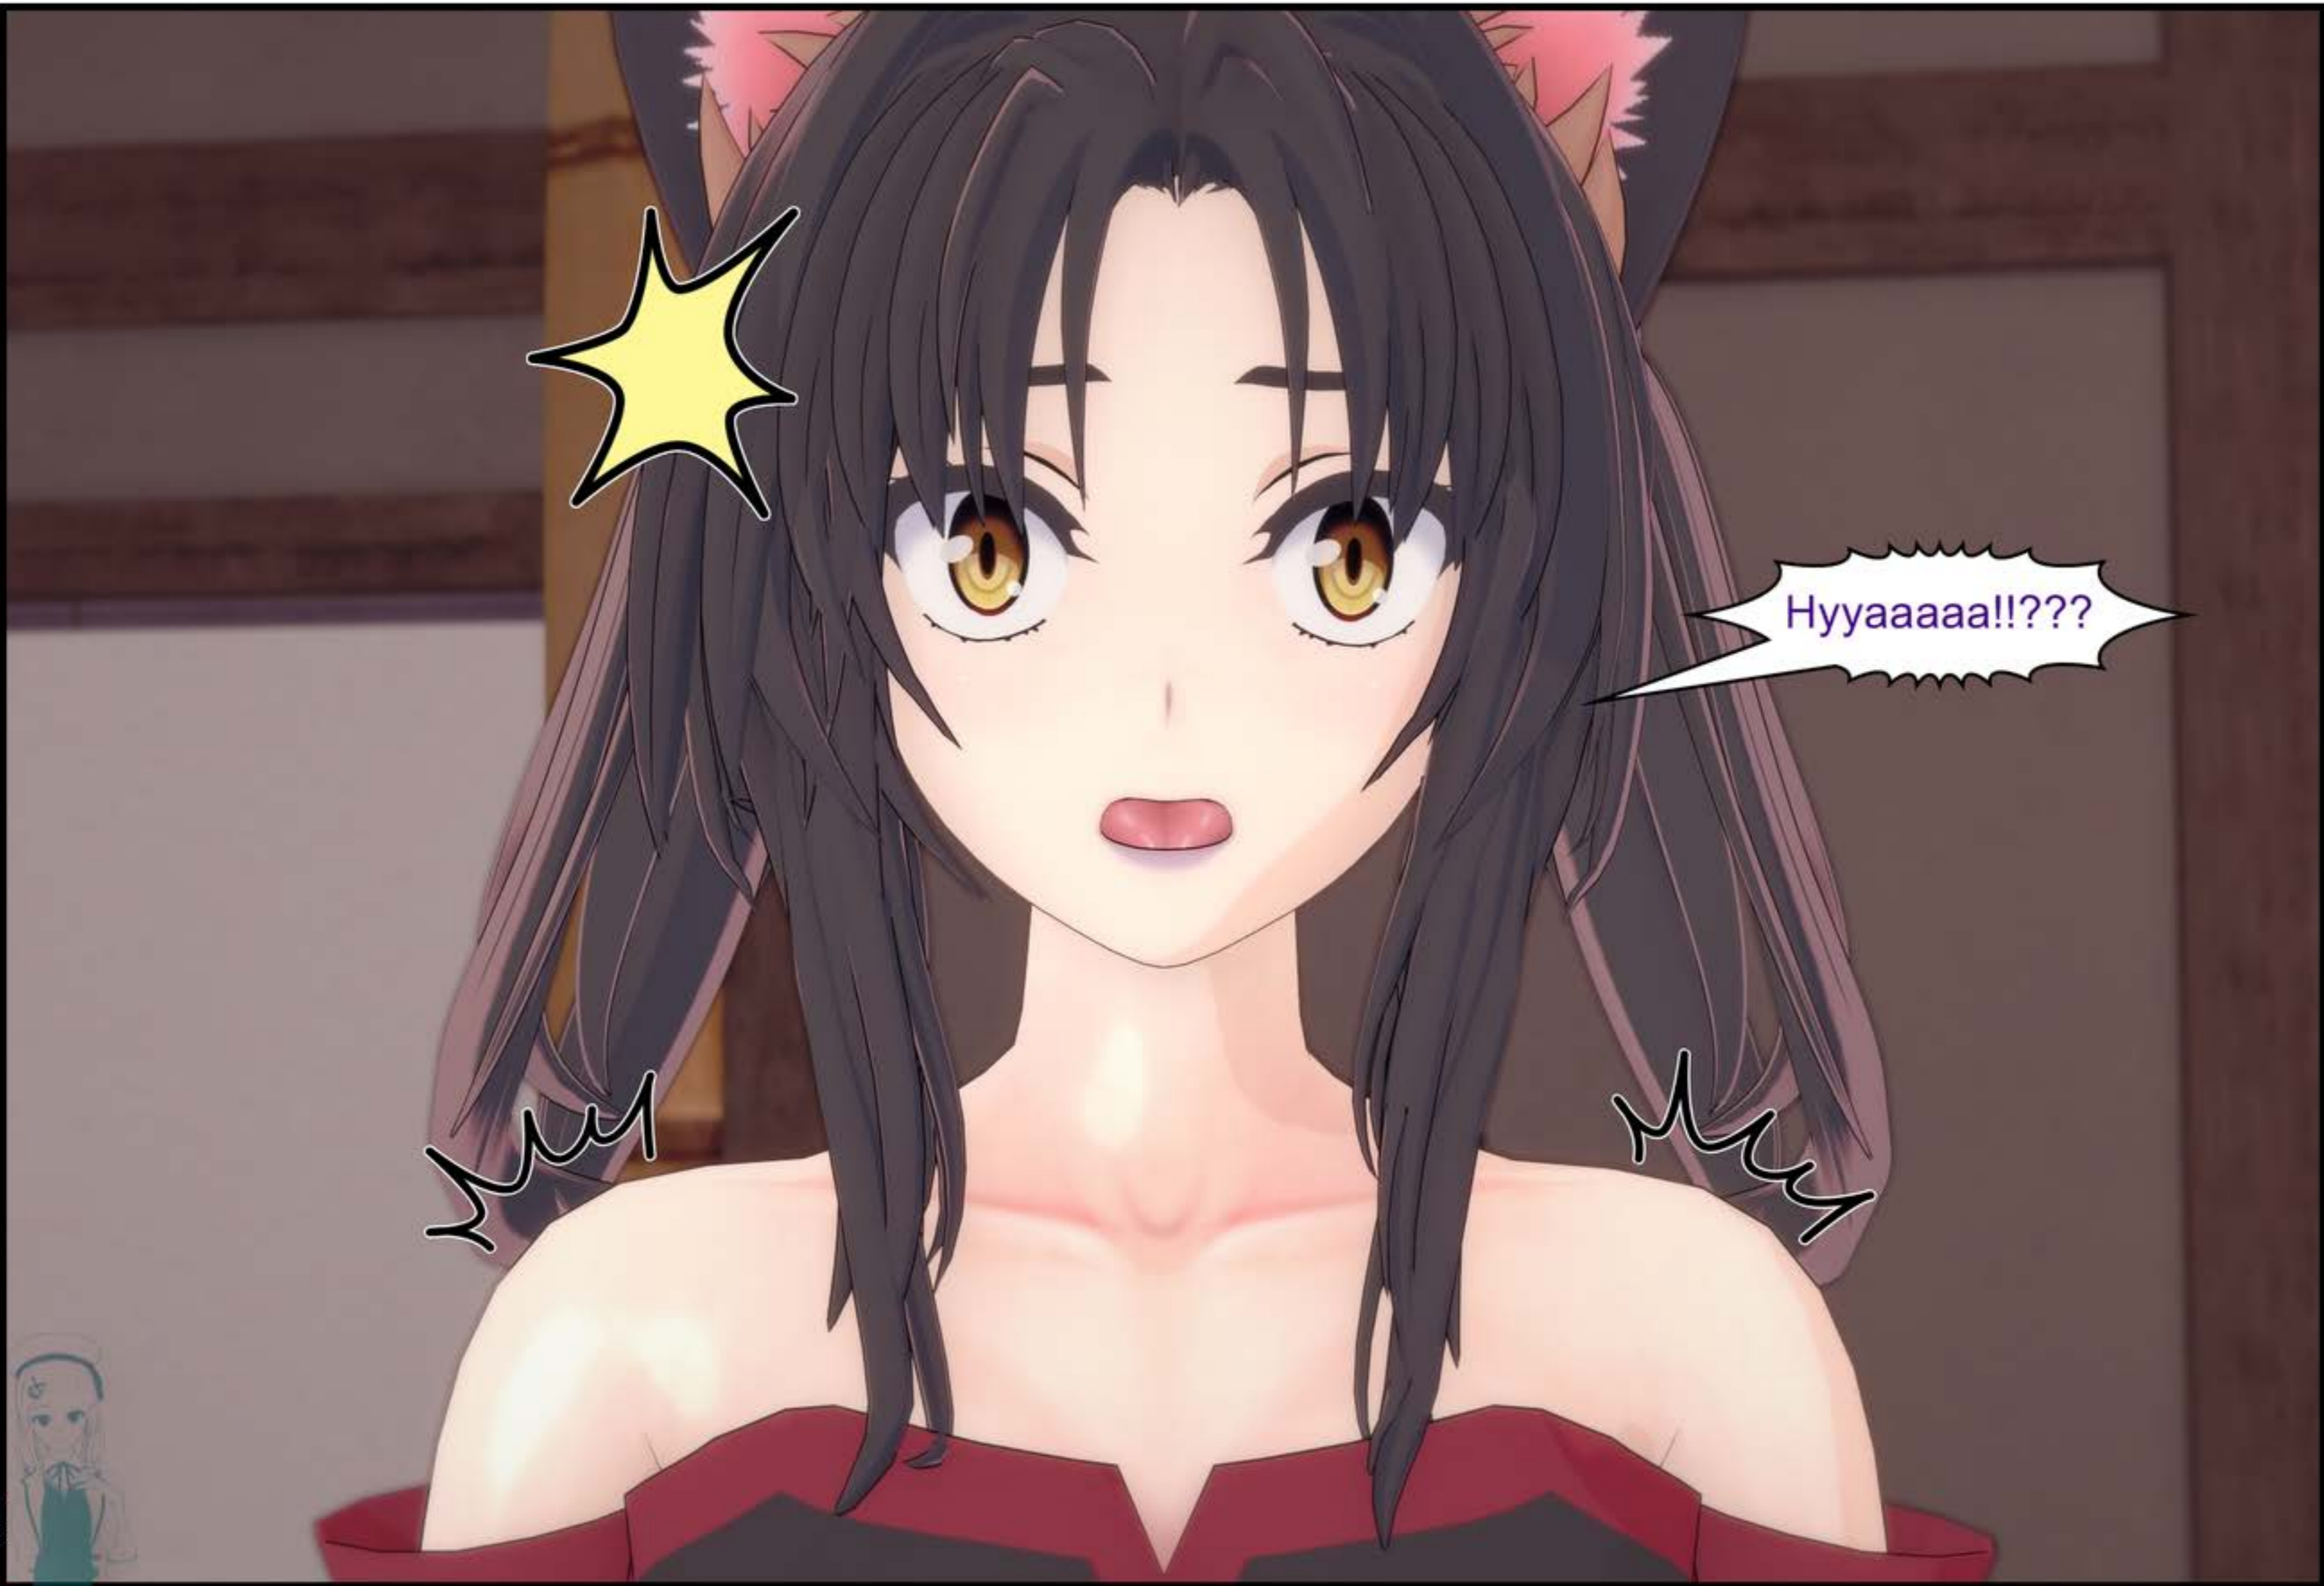

Well, I was joking.
We should help
Rias a hand.

I agree.

Hyyaaaaaa!!???

What are we waiting for?

Let's enjoy these
bodies right away!

O-Okay... I'm
