

PAGE C13-P09

PANEL 1

Heather is facing Little Attitude and looking at her with contempt, arms crossed across her chest. Little Attitude is beaming, hands behind her back, eyes shut, flashing the princess a broad shit-eating grin.

HEATHER

So this is as good an outfit as I'm gonna get, huh?

LITTLE ATTITUDE

Yuppers.

HEATHER

And you're NOT going to help us get back into the castle?

LITTLE ATTITUDE

Nopes.

PANEL 2

Heather turns away from Little Attitude, shrugging with sheer disdain. Attitude's offended at the insult.

HEATHER

Fine. Whatever. Be useless. See if I care.

LITTLE ATTITUDE

(shouting)

HEY!

PANEL 3

Heather turns to Daisy, giving her a suspicious look. Daisy answers seriously. Both characters are seen from the waist up. Behind Heather, Little Attitude is casting a stream of magic below panel (directed at Heather). Her tongue is stickout from the effort.

HEATHER

But YOU said you'd help me get back into the castle. Are you going to welch or make good on your promise?

DAISY

I'll help, like I said I would.

PANEL 4

Similar layout to Panel 4. Daisy's eyes seem directed at Heather's crotch, below the panel. Heather looks at her curiously. Behind the princess, Little Attitude grins at whatever she's done.

DAISY

Getting into the castle isn't easy if you're not human.

(cont'd)

Which you're not.

DAISY

But that's not what's gonna keep you out at the moment.

HEATHER

Oh? What is?

PANEL 5

Wide panel. Now we see Heather (mostly from behind) and Daisy from head to toe. Daisy is pointing at Heather's ankles, where her loincloth has magically fallen, leaving her buck naked from the waist down. Heather looks over her shoulder, screaming at Little Attitude, who's grinning with an innocent halo around her head. If room allows, it might be fun to have some inhabitants of The Fester look at Heather with various reactions (lust, snickering, shock, etc.). (Could also be a good opportunity to cameo some obscure NPCs from long ago.)

DAISY

Mostly, the fact your wearing your loincloth around your ankles.

DAISY

Get yourself some underwear, will you?

HEATHER

(SHOUTING!!!)

FAERIE!!!

LITTLE ATTITUDE

Hee!
