

Alien Skinsuit P2

エイリアン
スキンスーツパート2

A 3D rendered female character with long black hair, lying on her side on a checkered floor. She is nude, with her arms and legs extended. The lighting is soft, highlighting the smooth texture of her skin. A speech bubble is positioned above her right side.

So.. your ship crashed
right behind the park?

Yes, I also wanted to visit the Earth, but my luck ran out.

A woman with black hair and a white outfit is standing in a closet, talking to a mannequin. She has a necklace with a circular pendant. The mannequin is wearing a white top. The background shows a closet with wooden shelves and hanging clothes.

But.. will you okay
while here? If
someone sees you..

That's why I copied
and used your skin..

A 3D-rendered female character with black hair and a white top is shown in a room. She is looking towards the left with a concerned expression. In the background, there is a desk with a printer and a calculator, and a closet with wooden slats and green doors. Two speech bubbles are present: one with blue text and one with red text.

Haruka? Are you
in there?

It's my landlady!
Please hide!

Hm? Is someone
in here with you?

Wha-What is
that creature!!??

He means no
harm, auntie..
Please..

No.. I must call
the police! Stay
away from it,
Haruka!!

Please! Hear me out! He's here in peace!!

You are.. being.. hypnotized by it, Haruka..

Auntie!!

Stand back. She won't listen to you. Let me take care of her.

Stay away! I warned you!!

Gulp..
Gulp..

Are you.. alright..
auntie?

I successfully
snatched her body.

Sna-snatch body!?
You mean take over
my auntie (landlady?>

You can see it that way. We have two kind, which one has body snatch.

But I'm in other kind,
who can make skinsuit,
I learnt a bit of body
take over from others.

Then why.. you
didn't take mine
that time..?

Because this require a lot of energy, and I have enough to stay in this body for short time.

Hm..? Landlady?
When did you come
in here?

I just came and
check on Haruka
a bit..

Is the dinner
ready, Sis?

Ah yes.. Landlady
want to join us too?

I will take a bath a bit, please be at the table, okay?

Okay sis! We will be there shortly!

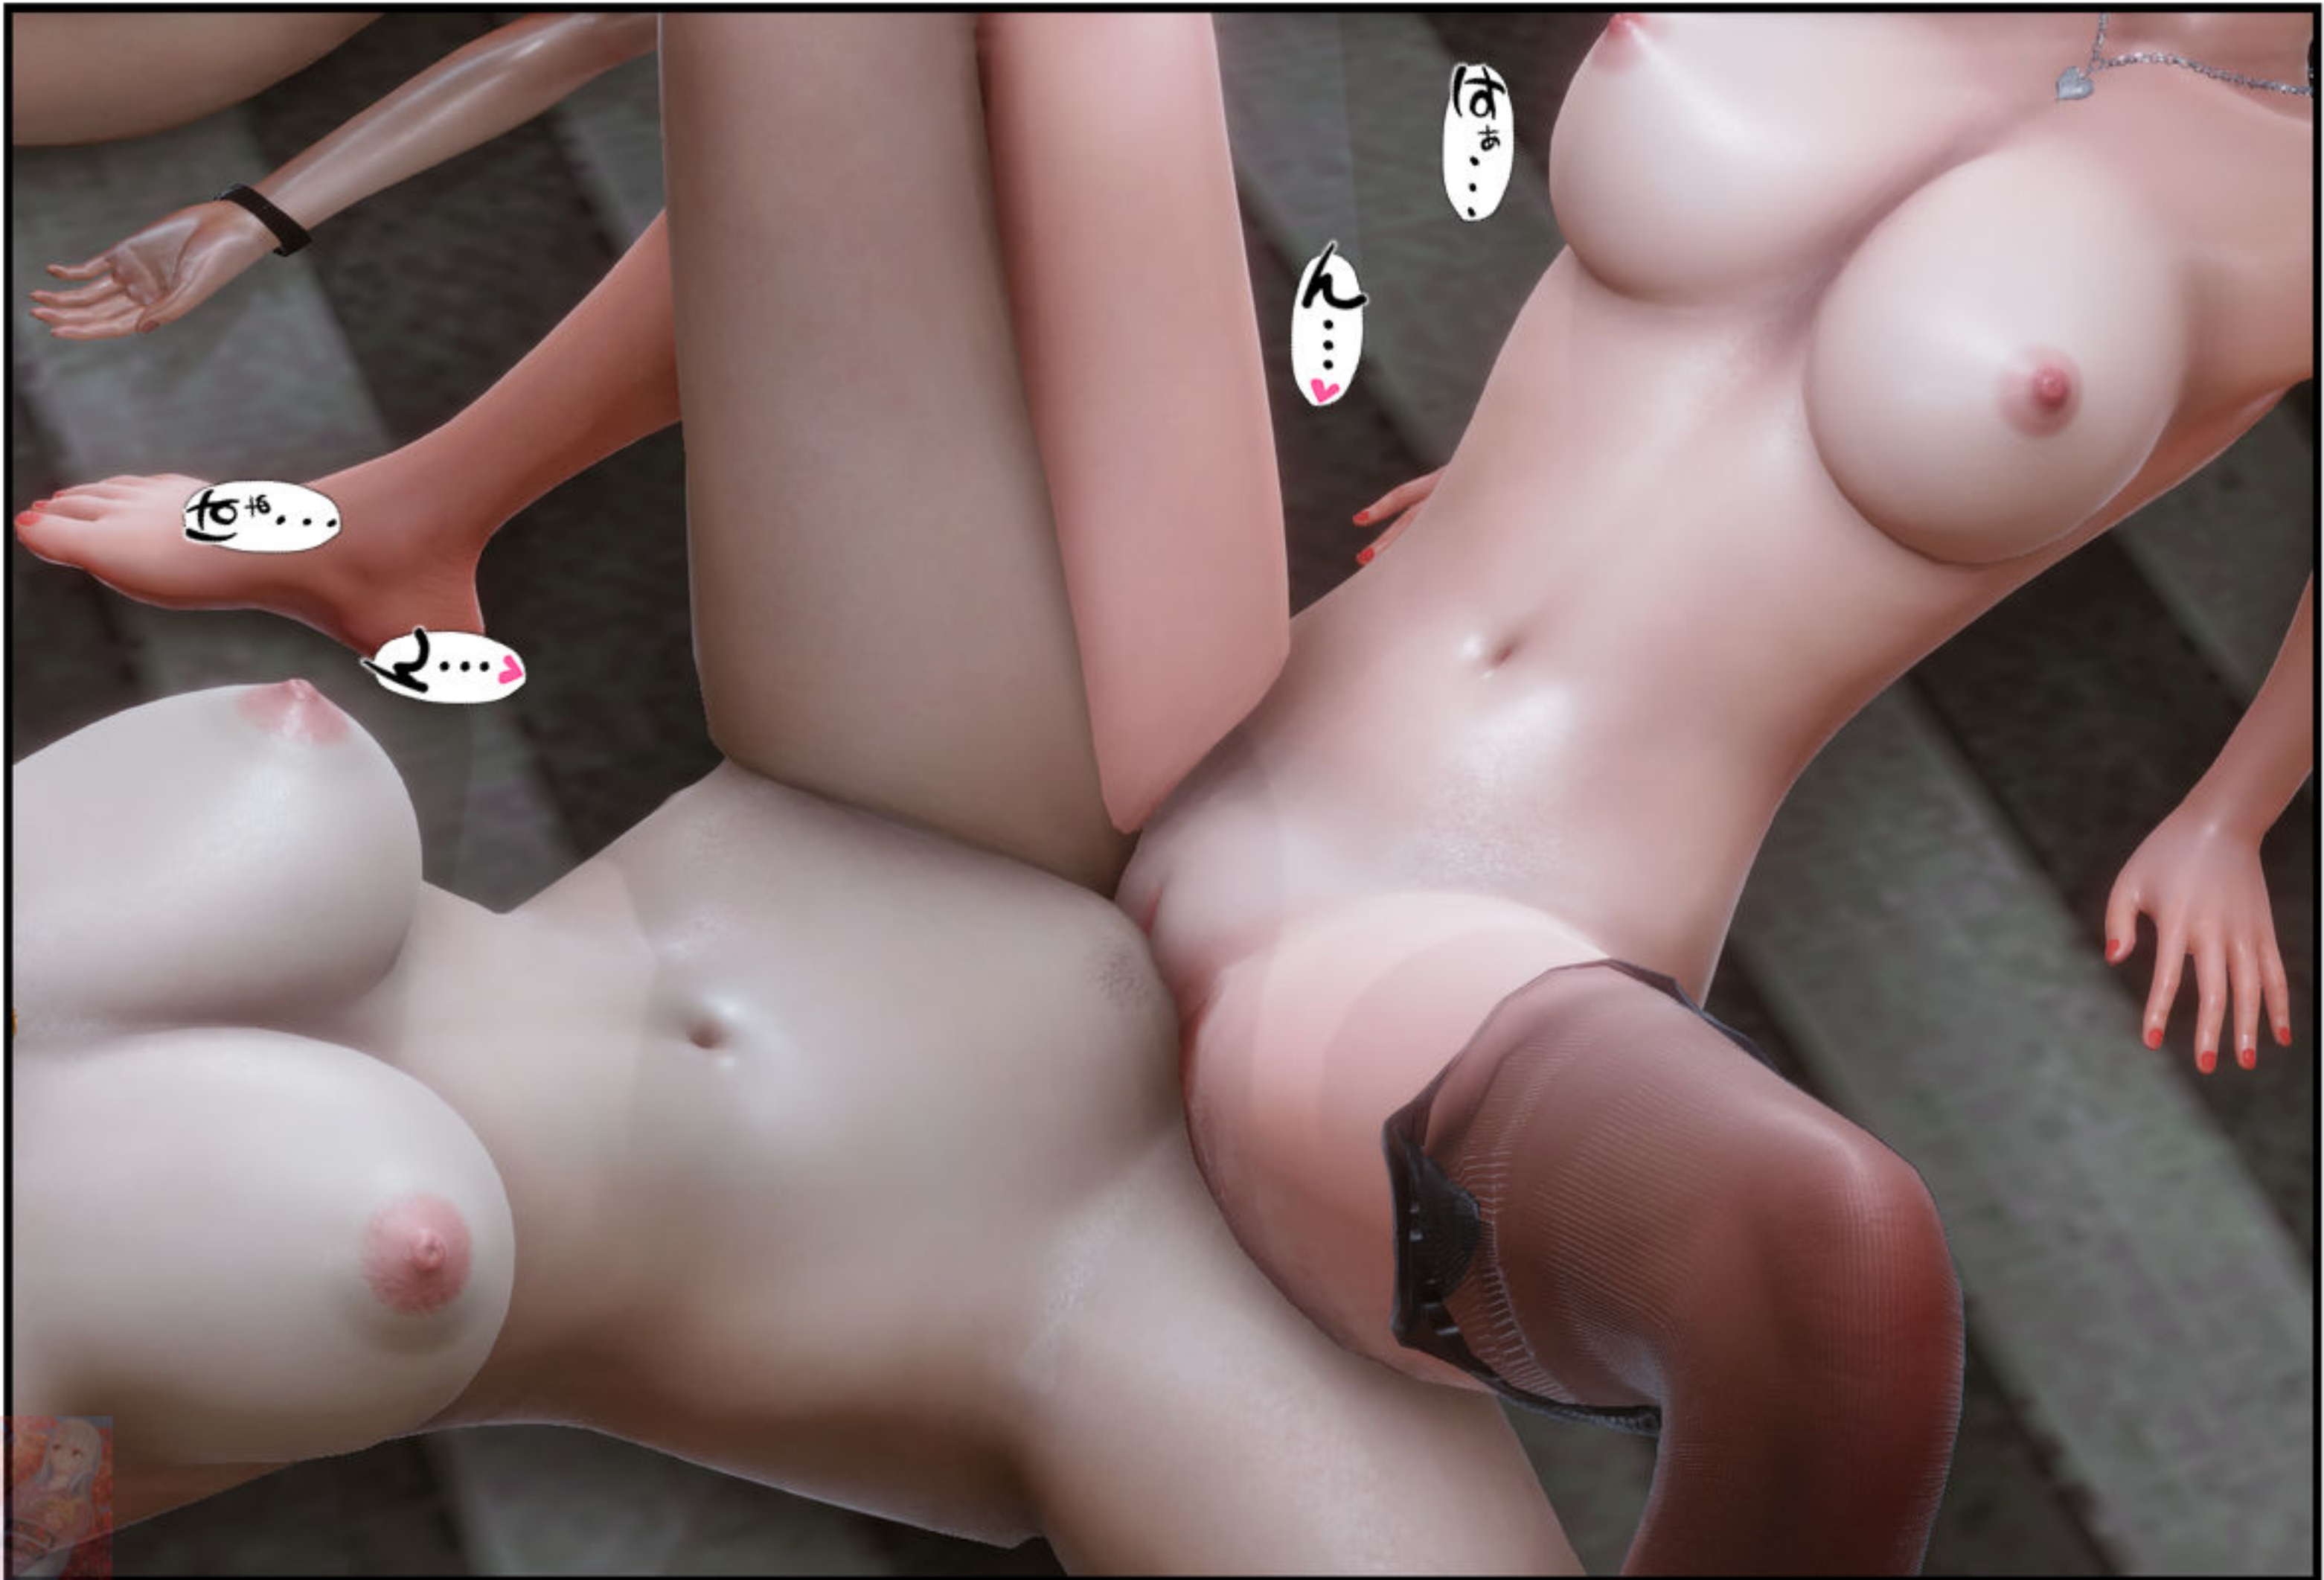

Uhm.. Haruka?
Could you please
help me with this?

Hm? What is it?

I need some energy..
And the method to
help me right now..

to 16...

k...

k...

to 16...

Your method is..
through sexual?

A 3D rendered scene showing a woman lying on a checkered rug. She has black hair, wears glasses, and has a necklace. Her body is rendered with a smooth, glossy skin texture. In the background, there are grey legs standing on the rug. A speech bubble is positioned in the upper right area of the frame.

The energy is not enough for me to stay in her body.

But.. what if she woke up..?

No worries. I can still use her as skinsuit.

But not copy, I will put her on just in case.

Okay, I almost in.

Simply like snatch
her body but this
cost less energy.

So.. you become her now.. what do you want to do now?

Please help me to
find some parts to
fix my ship.

I think those parts
are common on Earth.

So what.. parts
do you need?

A car battery is
my top priority.

And while I checked
for other damage,
you shown up.

Then.. should we
go there and
check up again?

But I want you
to promise with
me one thing.

I have my trust in you. But this will be dangerous journey, can you promise to go with me to the end?

I promise on my
ring of oath..

..that I won't ever
betray you and go
with you till the end!

Come in, R03. Why is there a human activity near you?

No, she is not a threat to us. What is it, Mothership?

From what I saw,
she is my companion
and can help me
fix the ship.

We can't trust a
human! You will
regret it!

Jeez.. Then please
dispose your used
skinsuit, alright?
How was body snatch?

It's great but tired.
Anyway, we need to
go now.

Have to go now.
Will have more
update to you later.

Let's have dinner
with my Sister first?

Okay. I don't know
how the food here
look like^^

We can't see the ship, look like it has been hidden.

That Alien will
come back sooner
or later for his ship.

A close-up shot of a character with short brown hair and purple eyes, wearing a dark grey futuristic uniform with a glowing blue emblem on the chest. She is holding a white tablet computer. The background shows a building with a blue-tinted roof and some greenery.

Madam. I found this camera footage.

This is..!!??
