A dark, futuristic interior, possibly a spaceship or a high-tech facility. The scene is dimly lit, with a prominent light source from a rectangular panel on the ceiling. To the left, a red cylindrical object is mounted on a wall, and a white object is partially visible. In the center, a large, metallic, circular door or hatch is visible. A small, glowing rectangular panel is mounted on the wall to the left of the door. The floor is dark and reflective. A large, dark, angular structure is visible on the right side of the frame. The overall atmosphere is mysterious and high-tech.

Hold **L2** to look closer.

1/8

A dark, futuristic corridor with glowing light strips and a circular opening in the distance. The scene is dimly lit, with bright white light strips on the floor and ceiling. In the center, a circular opening reveals a person's arm and a red "GO" button. The walls are dark with some panels and a small icon on the left.
