XENO EXPERIMENTS
DERIDEAL

EPISODE II
XENO

CREATED BY ANDRÉS BARRA

XENO

XENO EXPERIMENTS
XOVERIDEAL

THE EXPERIMENT CONTINUED
DURING THE FOLLOWING MONTHS...

IT'S ON
THE LOOSE!
WATCH OUT!

HISS!

SECURE
THE ROOM!

EVERYONE,
STAY BACK!

TRA-TA-TA-TA!

DON'T
SHOOT!

PUT IT IN THE CAGE.

HUH?

MROAWN!

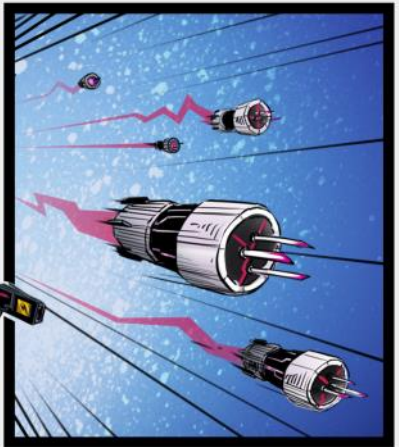

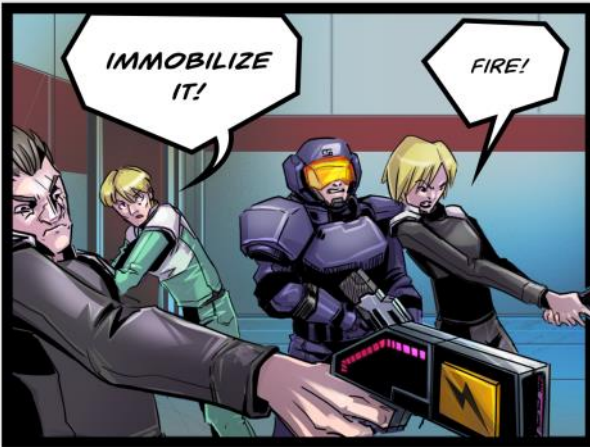

!!!

AAAAHHH!!

BUM!

GET THIS THING OFF ME!

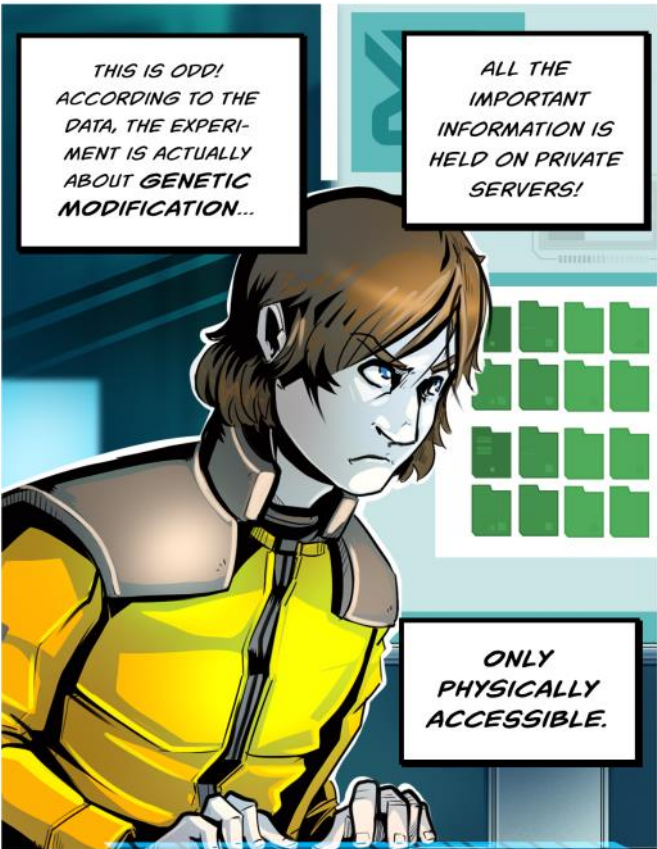

The rebels keep trying to find out more about the Consortium's new weapon...

IT WAS COMPLICATED, BUT I FINALLY HAVE ACCESS TO THE MAIN LAB NETWORKS.

THIS IS THE CLOSEST I'LL GET TO THE CONSORTIUM'S MAIN LAB COMPUTERS.

I HAVE TO BE CAREFUL BREACHING THIS NETWORK'S SECURITY.

THIS IS ODD! ACCORDING TO THE DATA, THE EXPERIMENT IS ACTUALLY ABOUT GENETIC MODIFICATION...

ALL THE IMPORTANT INFORMATION IS HELD ON PRIVATE SERVERS!

IT'S GOING TO BE HARDER THAN I IMAGINED...

ONLY PHYSICALLY ACCESSIBLE.

ONLY AN INFILTRATOR WILL BE ABLE TO STEAL THE RESEARCH DATA.

THE SOONER I
LEAVE THIS PLACE,
THE BETTER!

MAYBE IT'S
NOT A NEW
BIOLOGICAL
WEAPON
AFTER ALL...

BUT IT SEEMS
IMPORTANT
ENOUGH.

PALADIN
WON'T MISS THIS
OPPORTUNITY.

SO, YOU PLAN TO
INFILTRATE THE
MAIN LABORATORY?

THERE'S
NO OTHER
ALTERNATIVE.

I WON'T LET YOU
GO ALONE. THIS
IS SUICIDE.

WE'LL DO THIS
TOGETHER.

AND WE'LL TAKE ANY
HELP WE CAN GET
FROM THE OTHER
REBEL CELLS.

THEY'VE BEEN
WANTING FOR AN
EXCUSE TO STORM
THE MAIN LAB.

"SOONER OR LATER
THIS WAS BOUND
TO HAPPEN".

DIRECTOR, SIR,
I'VE CONCLUDED THE
STUDIES ABOUT THE
ALPHA XENO.

ITS **SELF-HEALING**
SEEMS TO BE WHAT'S
CAUSING IT TO STAY
FERAL.

IT SEEMS TO WORK
DIFFERENTLY IN THE
BRAIN, IMPEDING ITS
FULL DEVELOPMENT.

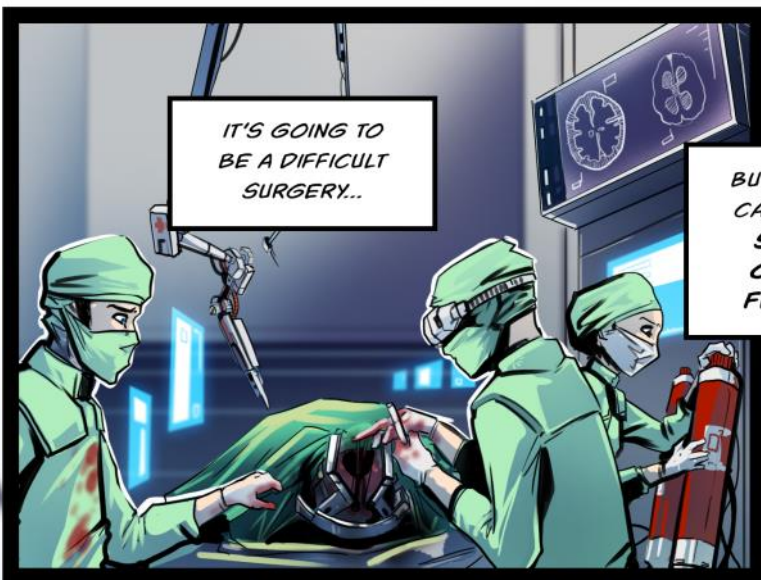

BUT I THINK
I CAN FIX THAT WITH
THE **NEUROPLASTY**
SURGERY...

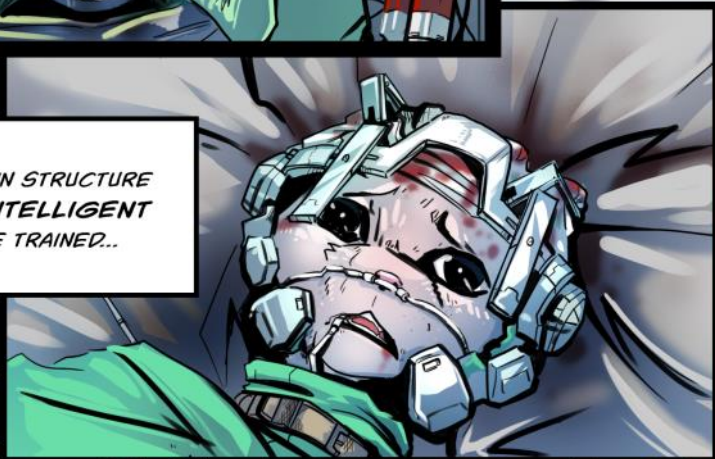

A **CRITICAL**
DESIGN
FAILURE.

NO WONDER THEY
NEEDED US TO
TAKE OVER THE
PROJECT.

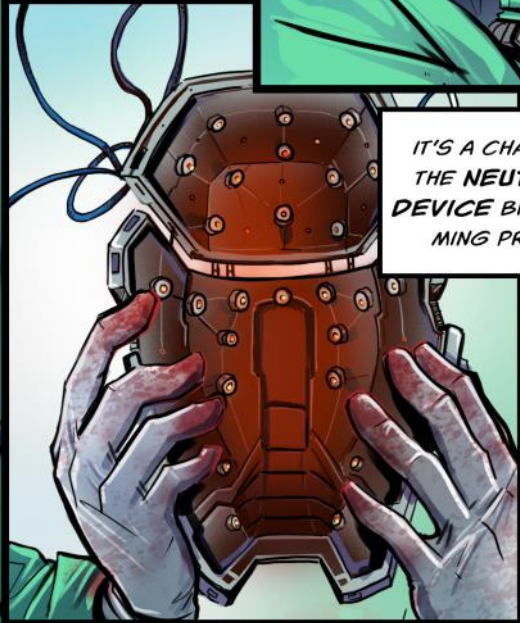

IT'S GOING TO
BE A DIFFICULT
SURGERY...

BUT I BELIEVE I
CAN ENABLE ITS
SUPERIOR
COGNITIVE
FUNCTIONS.

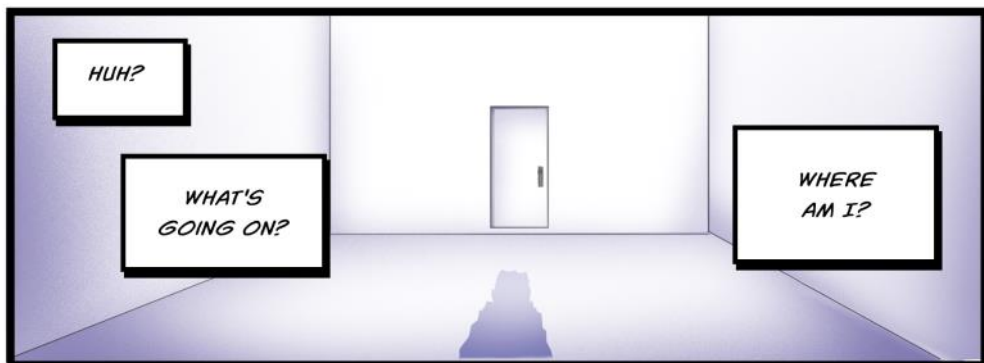

FIXING THE BRAIN STRUCTURE
WILL MAKE HIM INTELLIGENT
ENOUGH TO BE TRAINED...

IT'S A CHANCE TO TEST
THE NEUTROPLASTY
DEVICE BRAIN PROGRAM-
MING PROTOCOLS...

A TRAUMATIC
PROCEDURE... BUT THE
XENO REGENERATIVE
CAPACITY WILL ALLOW IT
TO RESIST IT.

I DON'T
UNSDENDTAND ANY
OF THIS!

WHY IS IT IS
SO HARD TO
REMEMBER?

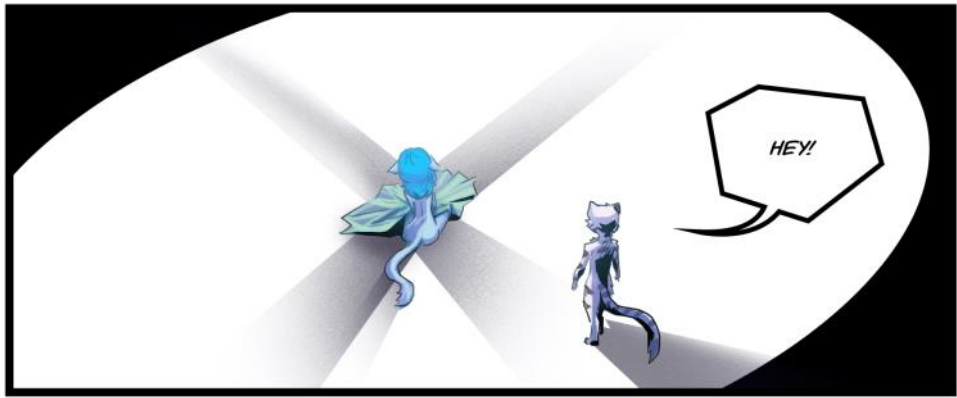

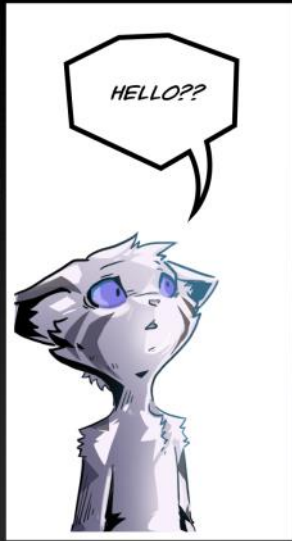

I HAVE TO
REMEMBER...

MRAWN!

BUT I THINK
WE'RE VERY
MUCH ALIKE.

YES!

BUT I GUESS
WE'RE NOT
EXACTLY THE
SAME...

LISTEN
TO ME.

YOUR NAME
IS ADEN.

TELL
ME...

...IS THIS A
DREAM?

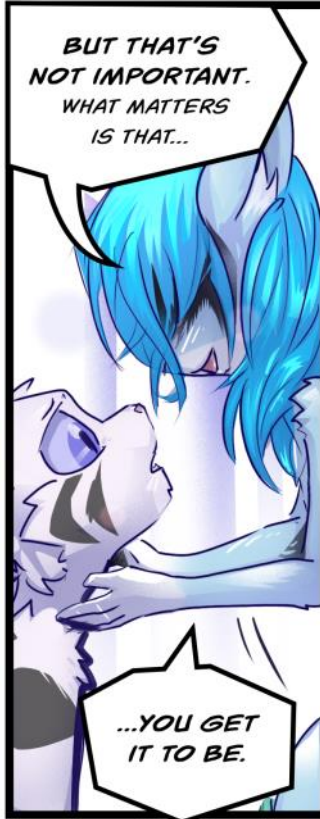

ADEN??

IS THAT REALLY
MY NAME?...

I DON'T KNOW
IF THIS IS REAL
OR NOT.

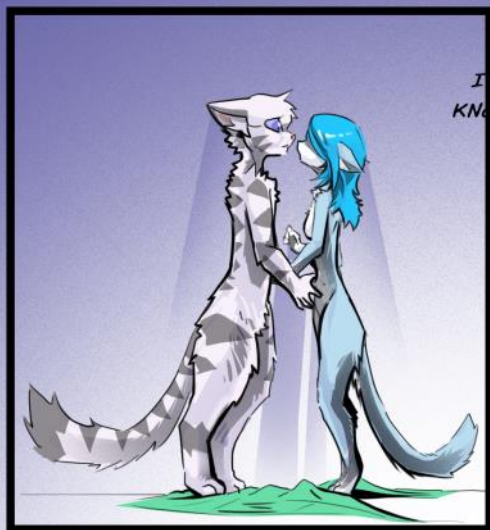

BUT THAT'S
NOT IMPORTANT.
WHAT MATTERS
IS THAT...

...YOU GET
IT TO BE.

WHO ARE
YOU?

*I STILL DON'T
KNOW HER NAME.*

*BUT SOMEHOW
I KNOW I'VE MET
HER MANY TIMES...*

*IS SHE
REAL?*

*IS THIS
REAL?*

*MAYBE THIS
FEELING IS.*

*SUDDENLY,
EVERYTHING IS
TURNING WHITE.*

SURGERY COMPLETE.

MEMORY IMPLANT
SUCCESSFUL.

NEURONAL
MODIFICATION COMPLETE.

ADEN!

YOU
MUST...

LIVE!

LATER...

DREAM
PATTERNS...

PERIODS OF ALMOST
NO MENTAL ACTIVITY.

NEW NEURAL
CONNECTIONS MUST
BE FORMING.

MAYBE IT WAS TOO
MUCH INFORMATION FOR
YOUR LITTLE BRAIN...

THERE'S STILL
EYE MOVEMENT...

...PUPIL IS
REACTING
TO LIGHT.

I HOPE YOU
CAN GET OUT
OF THIS.

TO BE CONTINUED...
