

The next day at school....

What happened?

Unbelievable how could this happen?

I prefer not to talk about it.

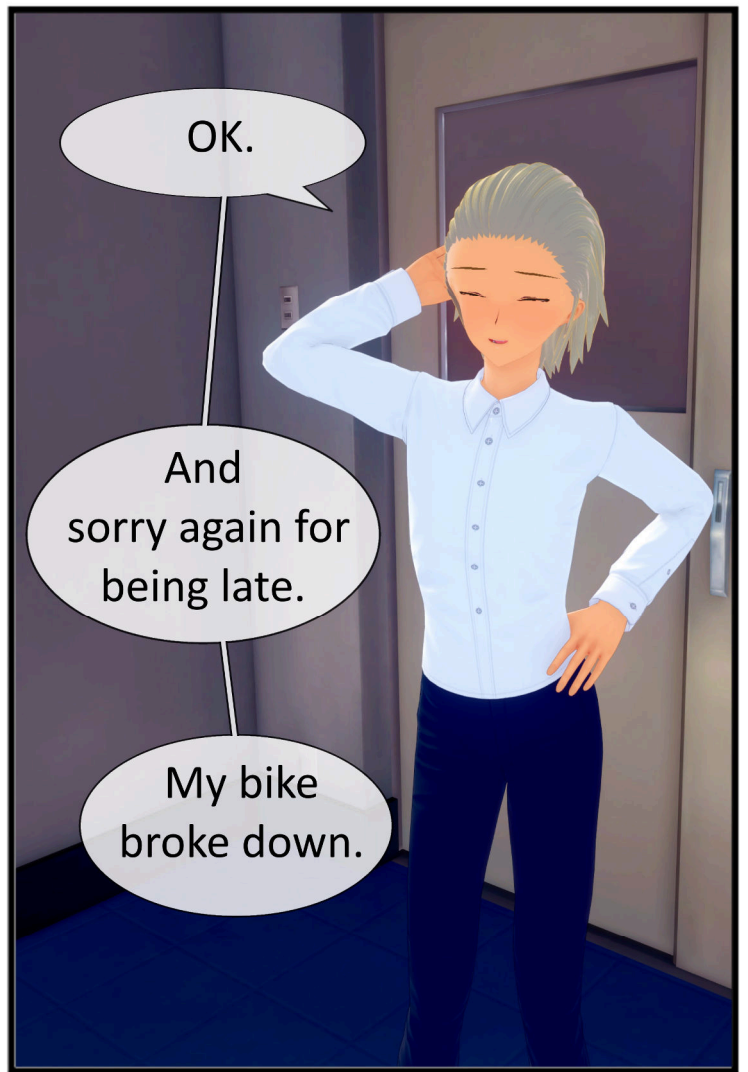

I wonder what happened again.

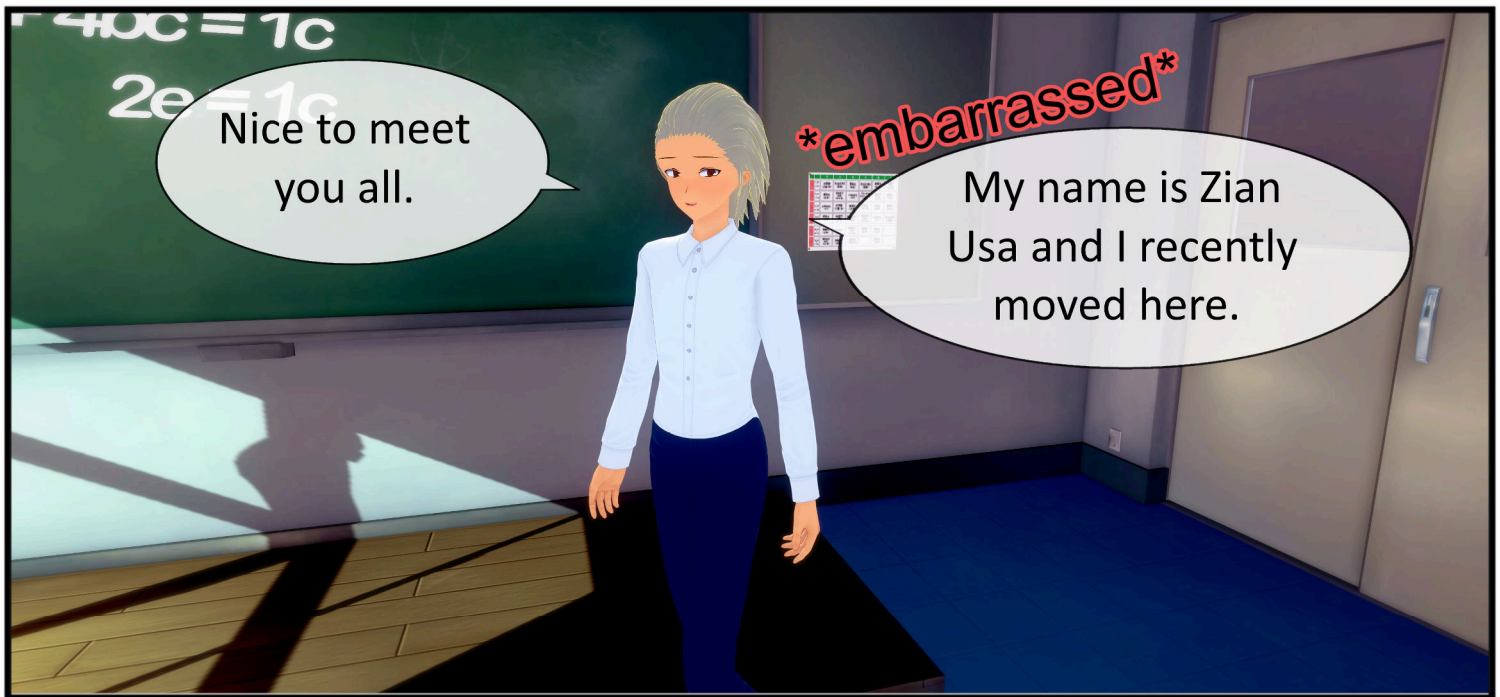

If only I could help her somehow~.

Good morning, sorry for being late.

Who's this?

A new student?

Nice to meet you all.

embarrassed

My name is Zian Usa and I recently moved here.

Shocked

He?

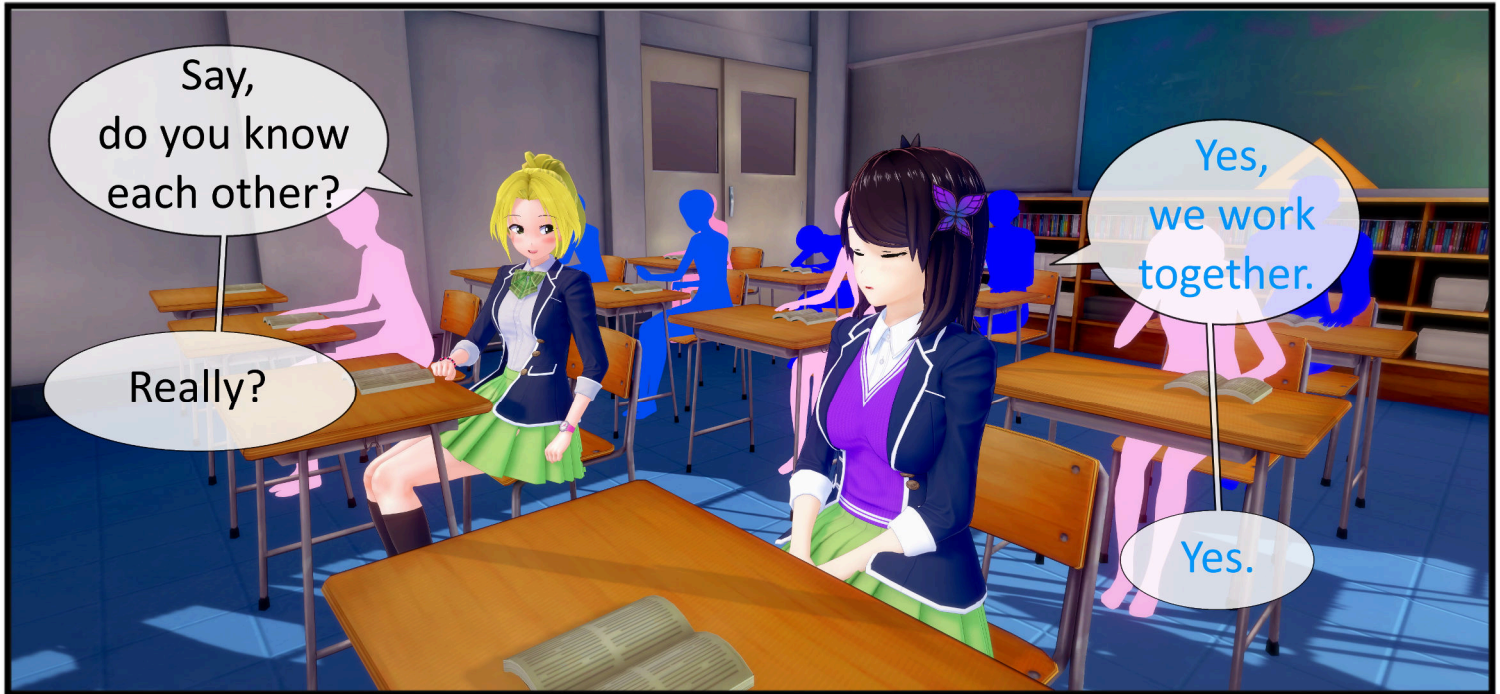

What are you doing here?

I came to watch.

hehe

I'm learning, I guess you can see?

Say, do you know each other?

Really?

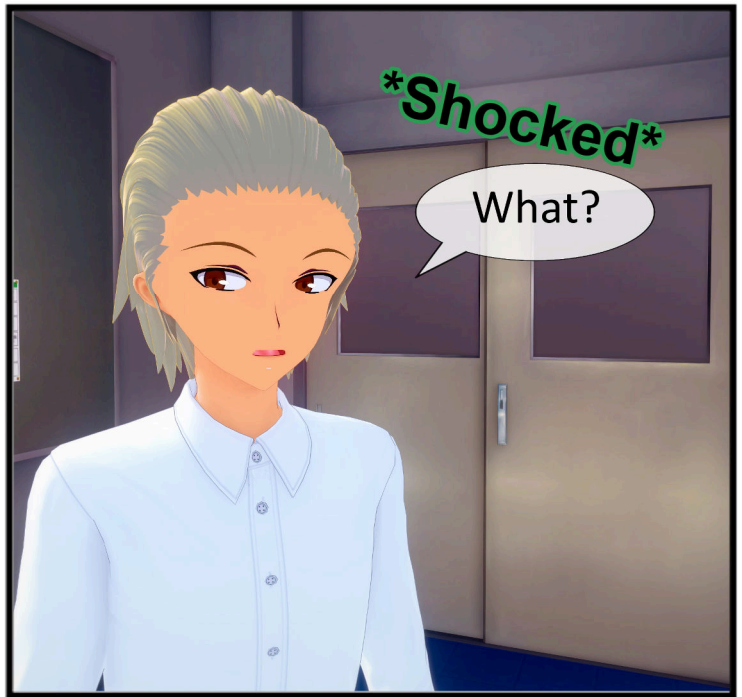

Yes, we work together.

Yes.

Good to hear that you already have friends here.

Mutsumi-chan, you will show the new student the school later, okay?

Shocked

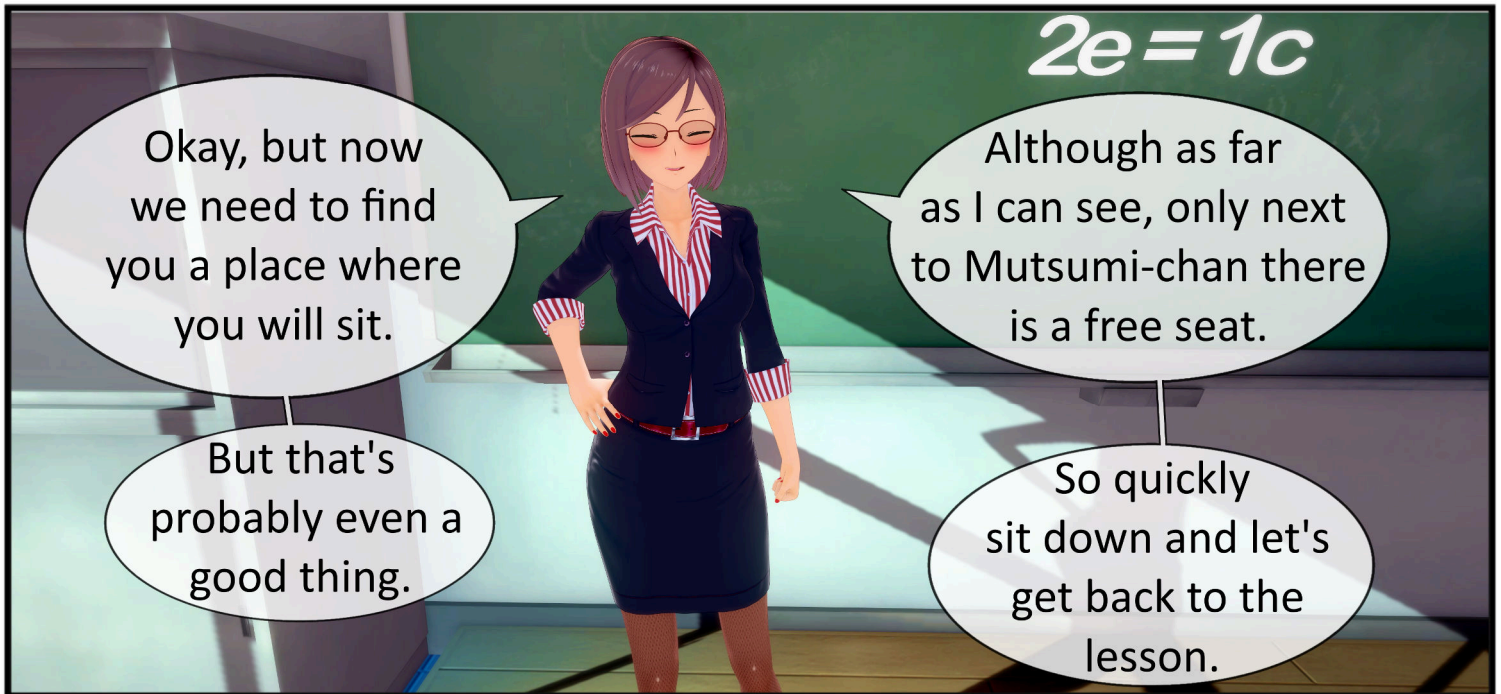

What?

Shocked

What?

But we don't ...

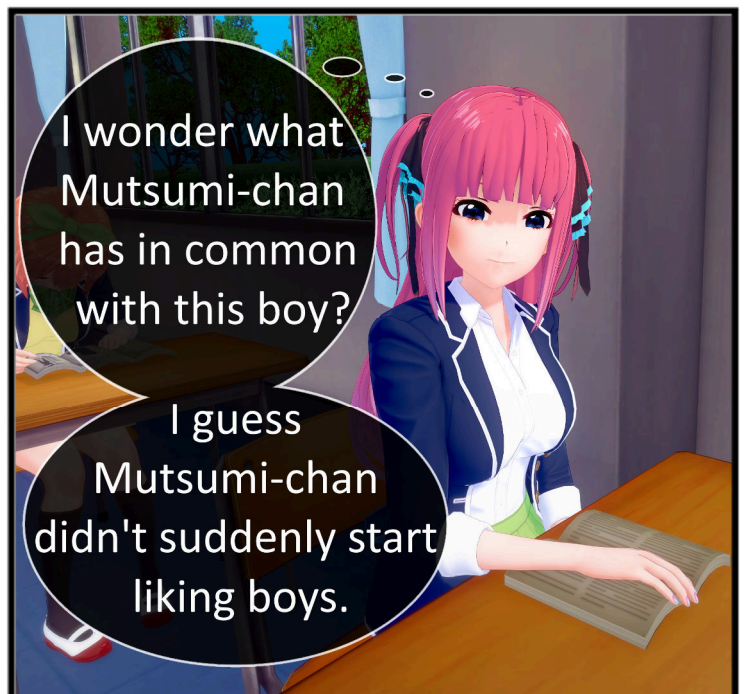

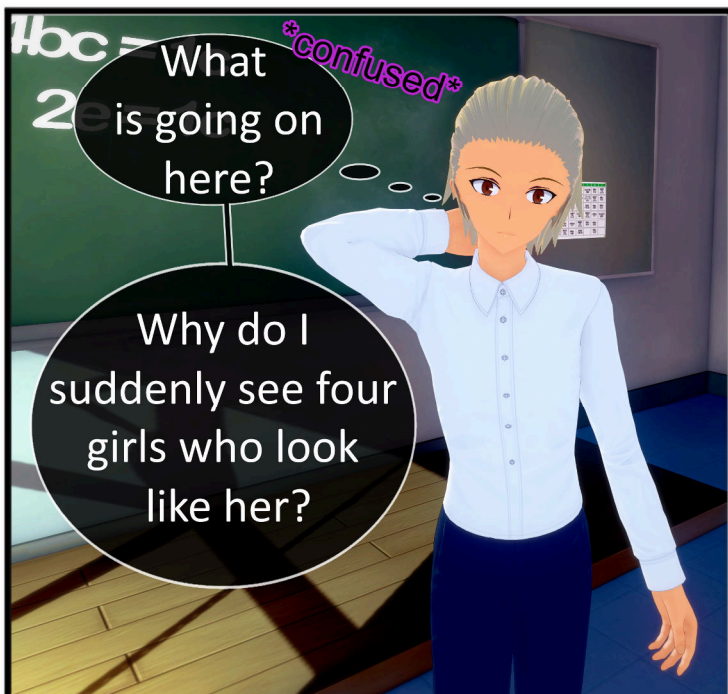

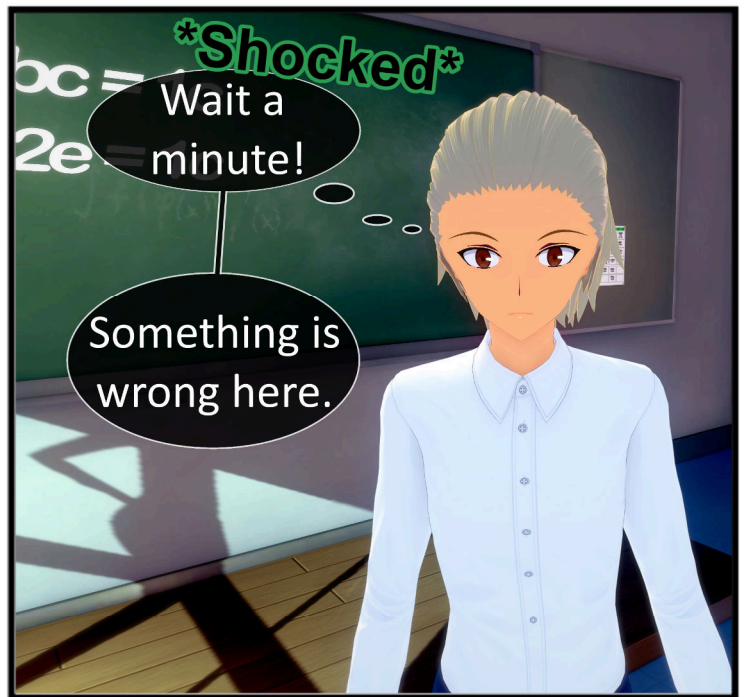

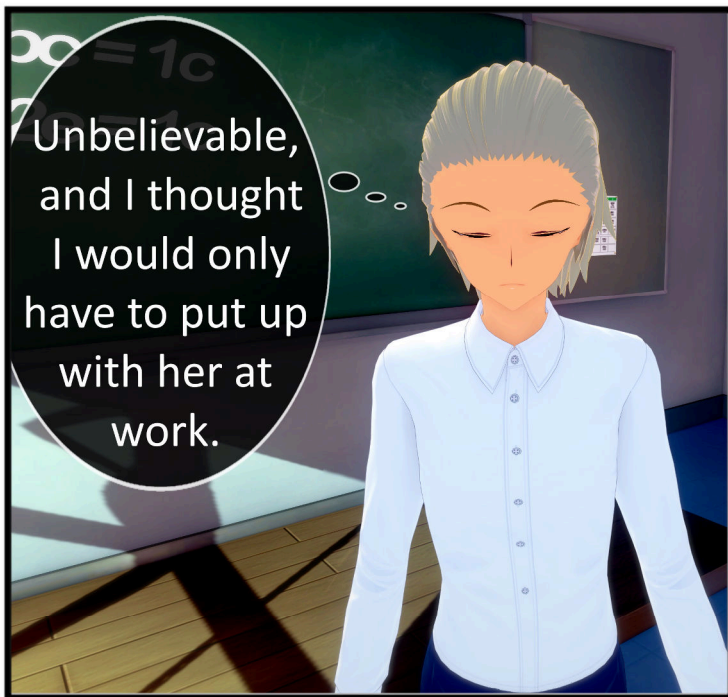

Okay, but now we need to find you a place where you will sit.

But that's probably even a good thing.

Although as far as I can see, only next to Mutsumi-chan there is a free seat.

So quickly sit down and let's get back to the lesson.

Later in the cafeteria...

Please, a set with beef but without beef.

Thank you.

I guess some things will never change.

I think yes. But there's nothing we can do about it.

No, why do you ask?

Are you on a diet?

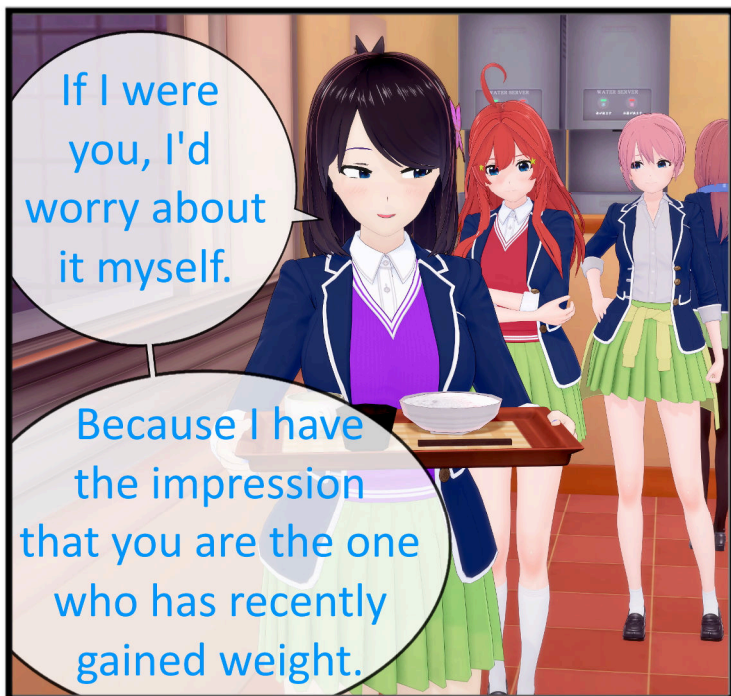

Because you ordered so little for yourself.

So much is enough for me.

Besides, I don't want to get too used to luxury.

Or maybe someone is just afraid of getting fat?

If I were you, I'd worry about it myself.

Because I have the impression that you are the one who has recently gained weight.

I didn't get fat!

Angry

I think Mutsumi-chan is right someone got fat here.

You meat monster!

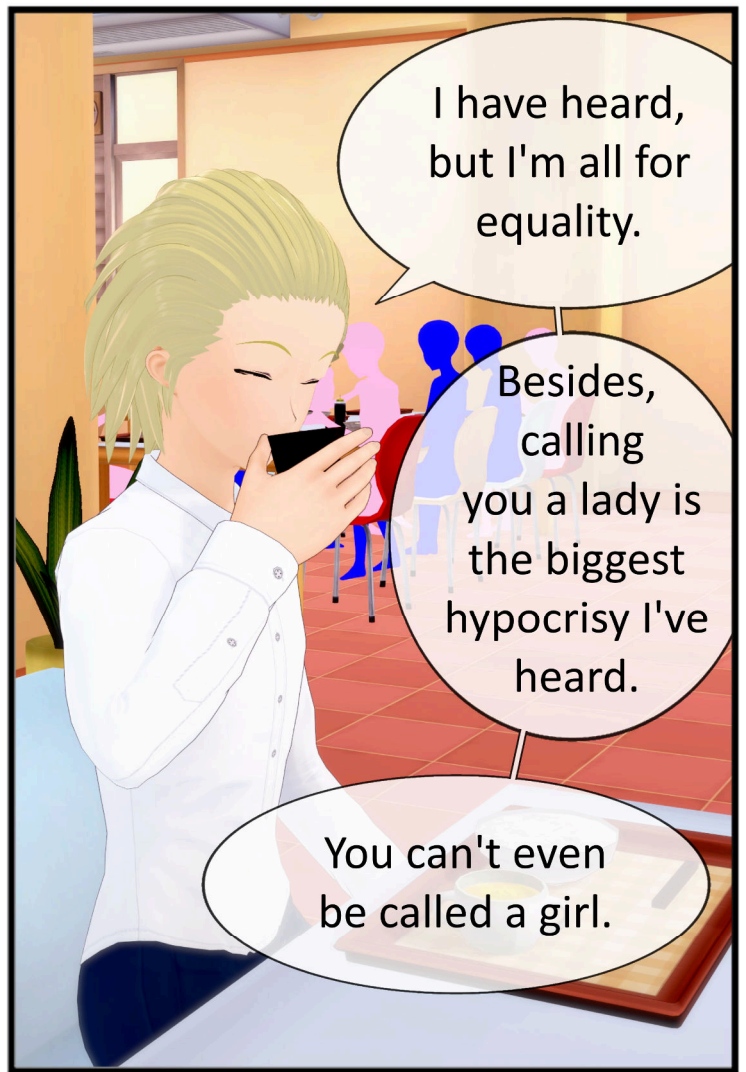

S- Stop it!

Go away, we always sit here.

You've never heard that ladies are given way when they ask for something.

I have heard, but I'm all for equality.

Besides, calling you a lady is the biggest hypocrisy I've heard.

You can't even be called a girl.

This should make her healthily pissed off.

Shocked

What is going on here?

What has happened?

Tell me, how many sisters do you have so exactly?

Five

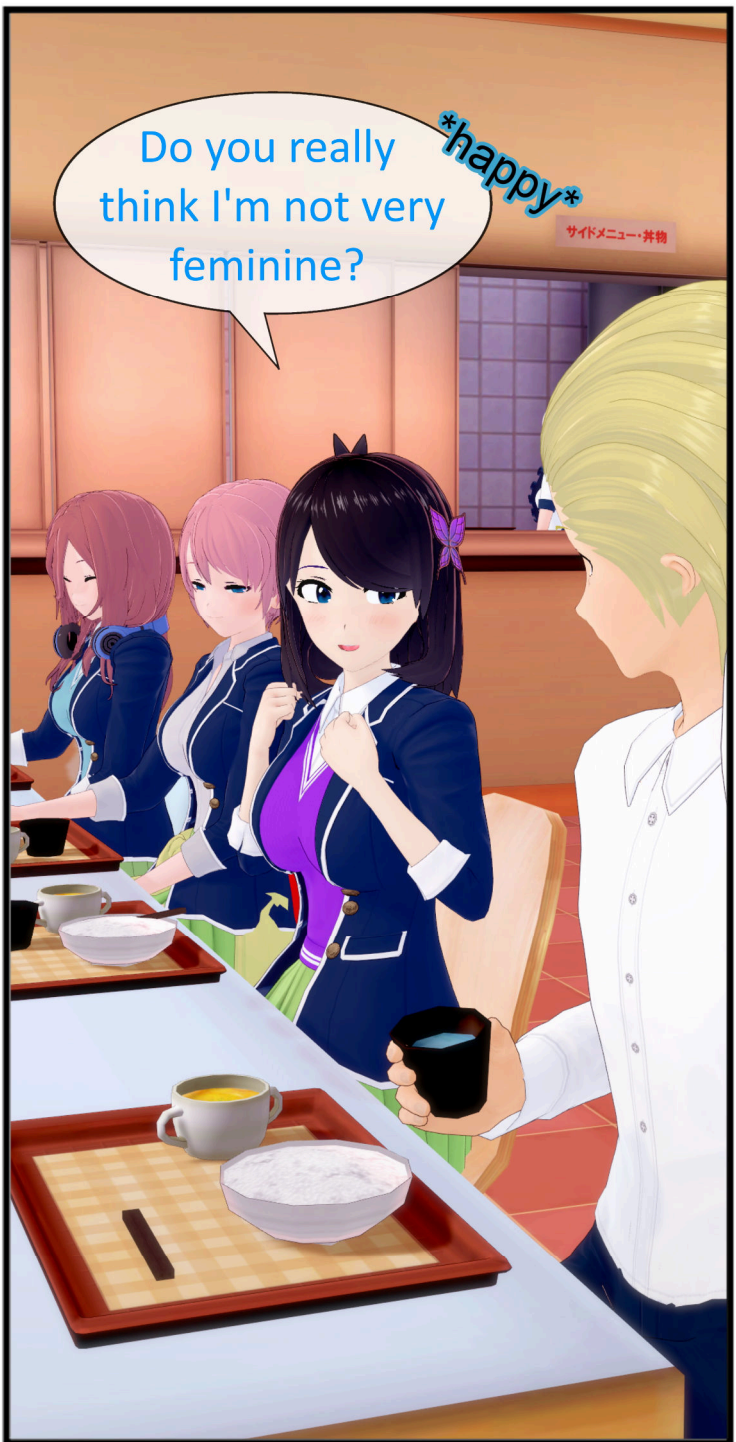

Oh dear.

It was probably a bad idea to insult her after all.

Say, you really think so.

What?

Do you really think I'm not very feminine?

happy

To Mutsumi-chan it probably sounded like a compliment.

I think it is.

Although I doubt that was the plan.

Hi girls, can I join you?

Sure, have a seat.

Thanks.

Oh I see the new guy is also eating with us.

Tell me, what is his relationship with Mutsumi-chan?

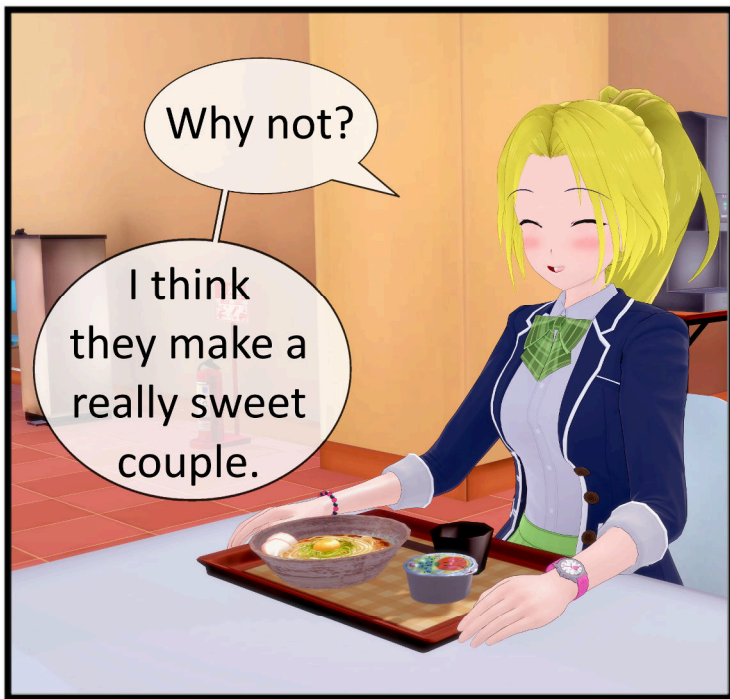

As far as I know they work together.

That I know, but they are dating.

Come on, don't joke.

I'm not joking at all, you know how it is.

Not in this time.

confused

What, how?

What do you mind?

Never mind.

But I will give you one good advice.

Never, ever, mess with any magical girl.

Okay, I'll keep that in mind.

Great.

scared

Is she just threatening me?

Mutsumi-chan don't scare him.

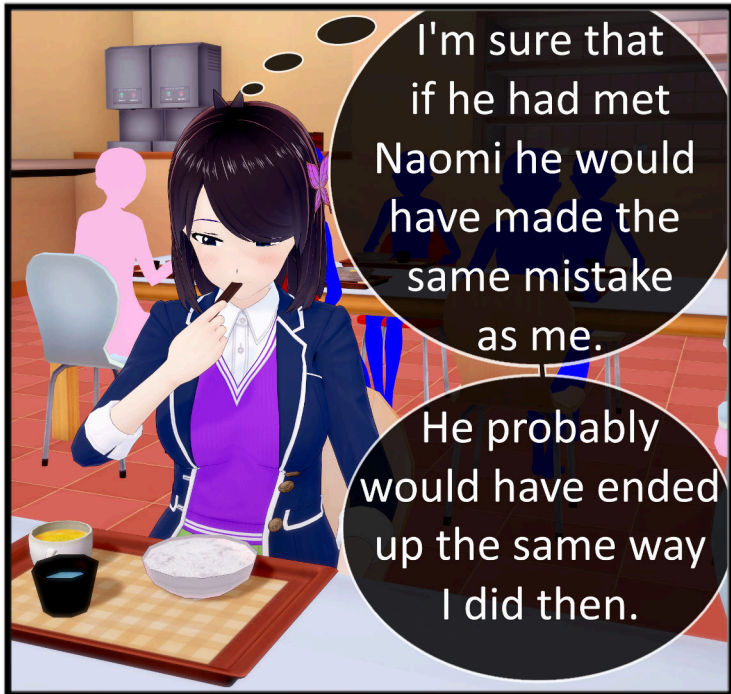

I'm not scaring him just warning him.

Yes, it was definitely a threat.

Do you see how they get along great?

Actually, no.

I'm sure that if he had met Naomi he would have made the same mistake as me.

He probably would have ended up the same way I did then.

Wait a minute. Why did I warn him about her?

Ymmmm.... I don't know.

Wait, why did she suddenly start talking about magical girls?

Besides, when I said she was not very feminine she seemed happy.

I know it's her role but it's still a bit strange.

Why?

Actually, if it weren't for her behavior she would be quite cute.

Even now she seems quite cute when she sits so quietly.

What are you looking at, do I have something on my face?

No, I just think you look cute.

Eeeee...

Moments later in the toilet....

Why did this stupid compliment embarrass me so much?

Besides, why did I thank him?

What was that?

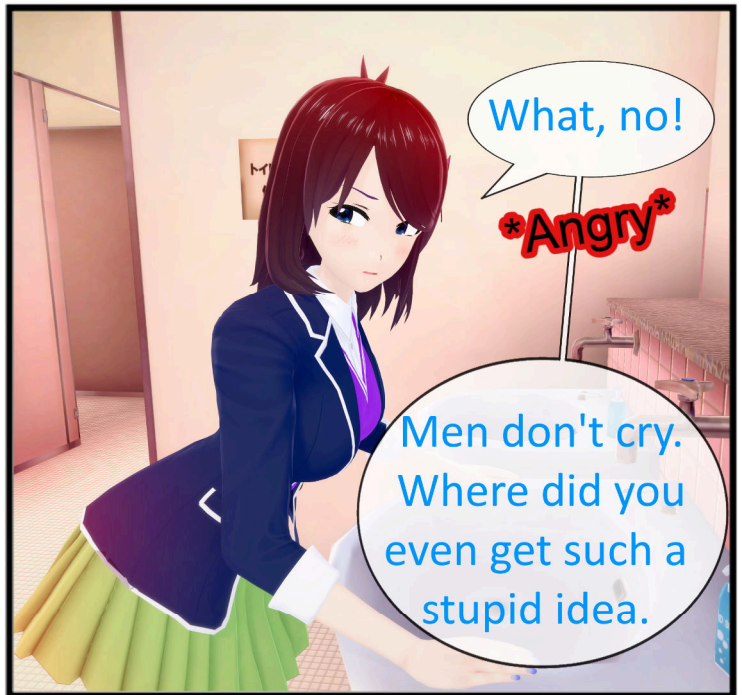

I'm a guy and guys aren't cute.

I should be furious about it and say that I'm not cute at all.

What's wrong with me?

Mutsumi-chan, it's great that she found you.

Can we talk?

Because we wanted you to stay with us already.

Yes, but now I'm going to fix it.

Is that why you forced me to pretend to be a girl?

What are you going to tell me some fairy tale again?

You think I'll believe you again.

Hi Naomi this is Itsuki, can you talk?

Sure, what happened?

We need to meet as soon as possible.

What happened!?

Who are you calling?

What is she planning?

I can't tell you that over the phone.

So how can you come here?

Unfortunately no , I'm grounded but if it's really something important then you come to me.

Alright together with Mutsumi-chan we will come right away.

Then see you later.

Sure, I can't wait.

disconnected

Mutsumi-chan, pack up we're going to Naomi.

What?

Shocked

What about school.

Is this another trick?

I promised that I would talk to Naomi to undo this curse, and I'll keep my word.

If we run away from school once, nothing will happen.

Some time later...

Unbelievable, this is the first time we run away from school.

Say are you sure Naomi will agree?

Of course.

I'm sure if we tell her what you really feel she'll agree.

We will try to convince her that you have already understood your lesson.

I've already tried, it didn't work.

But before that, neither of us helped you.

You'll see, this time it will be different.

embarrassed

Eeeeeee....

I prefer not to talk about it.

So, what brings you to me?

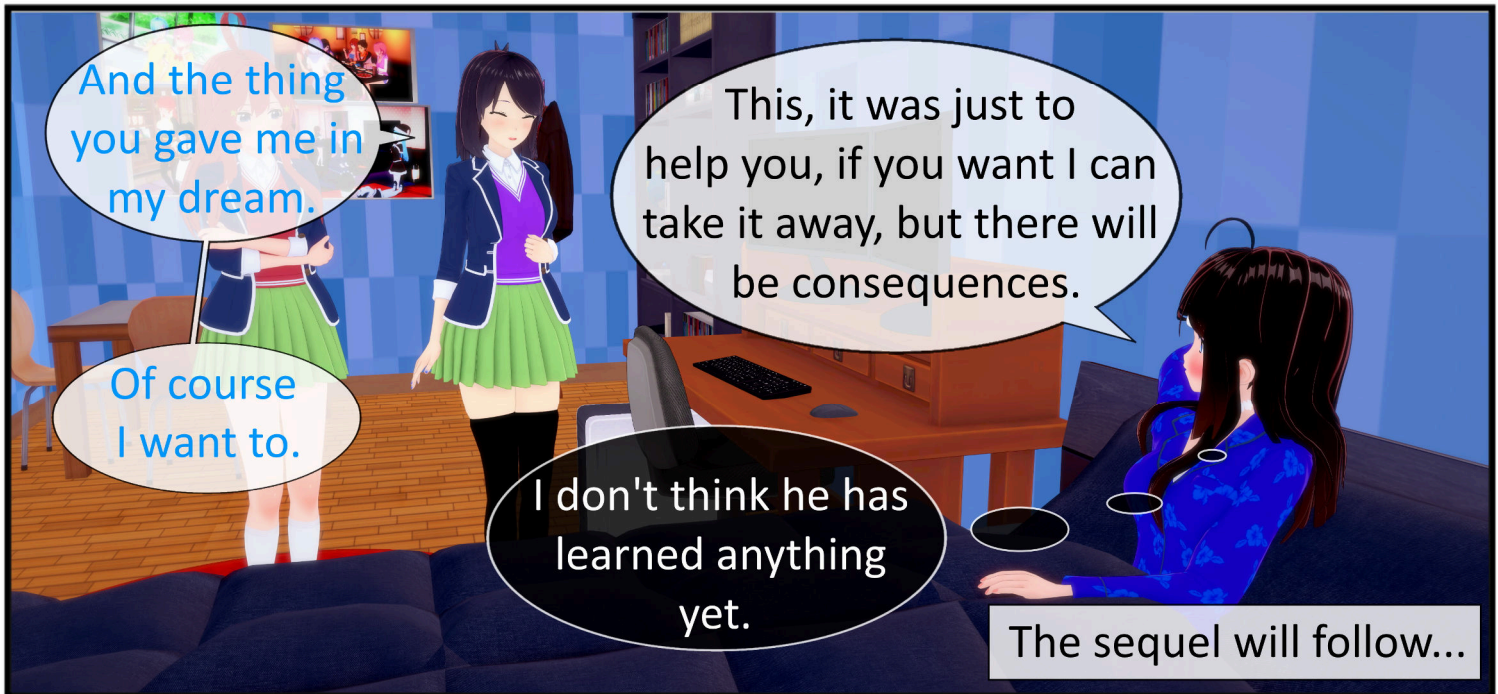

I wanted to ask you to remove this curse from Mutsumi-chan.

He has already learned his lesson for sure.

What curse? I didn't put any curse on Mutsumi-chan.

And the thing you gave me in my dream.

Of course I want to.

This, it was just to help you, if you want I can take it away, but there will be consequences.

I don't think he has learned anything yet.

The sequel will follow...
