

# THE ANULET OF CHANG

A COMIC BY  
TGAMELIA

JAPAN, LONG TIME AGO...

**YES!**

I've done it!

**ENJI!**

Didn't you hear me?

I've had a breakthrough with my latest enchantment!

Meh...  
You're always saying that.

Are you aware that you are **my** assistant?

Careful how you talk to me!

Yes! I'm sorry,  
Master Asahiko...

Would you like  
some tea? It's  
freshly prepared.

Enji, this isn't a time for tea.  
In my hand I hold an amulet with  
the ability to change any object or  
person into the holders desires!  
Imagine the possibilities!

Ugh... explanations are  
wasted on you.

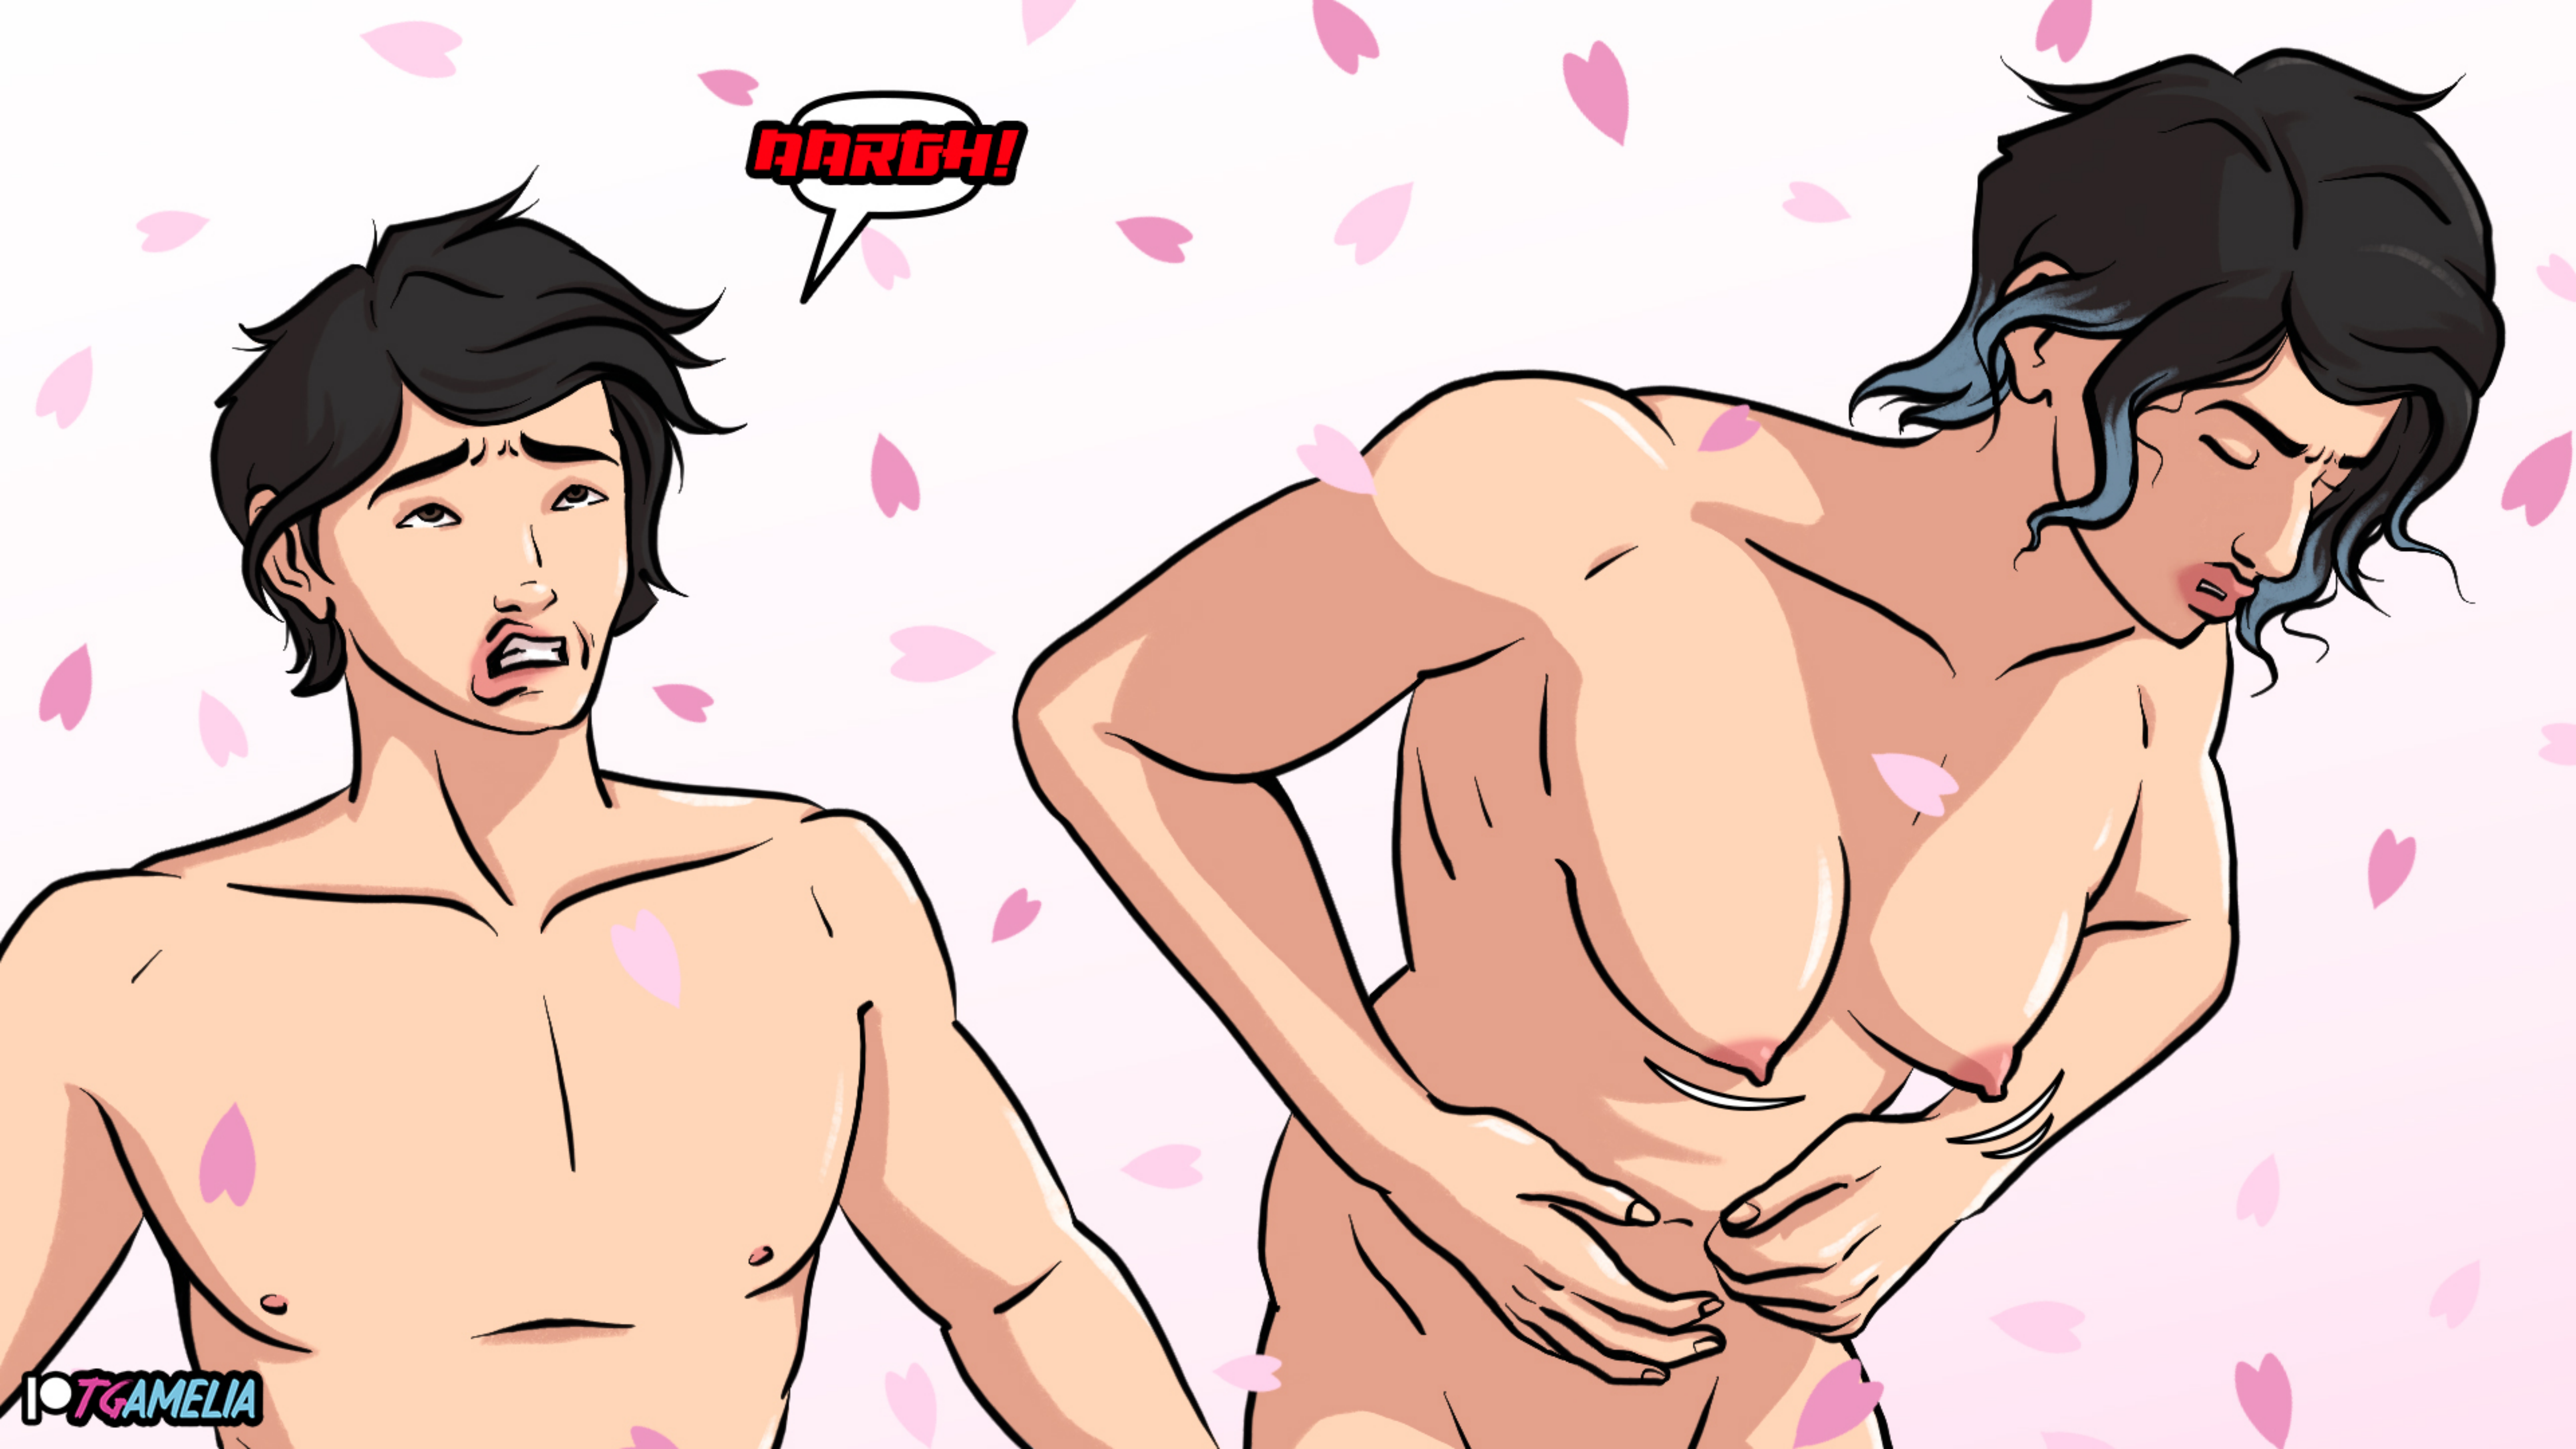

Perhaps it would just  
be best to demonstrate  
the power of this amulet.

**NOW CHANGE!**

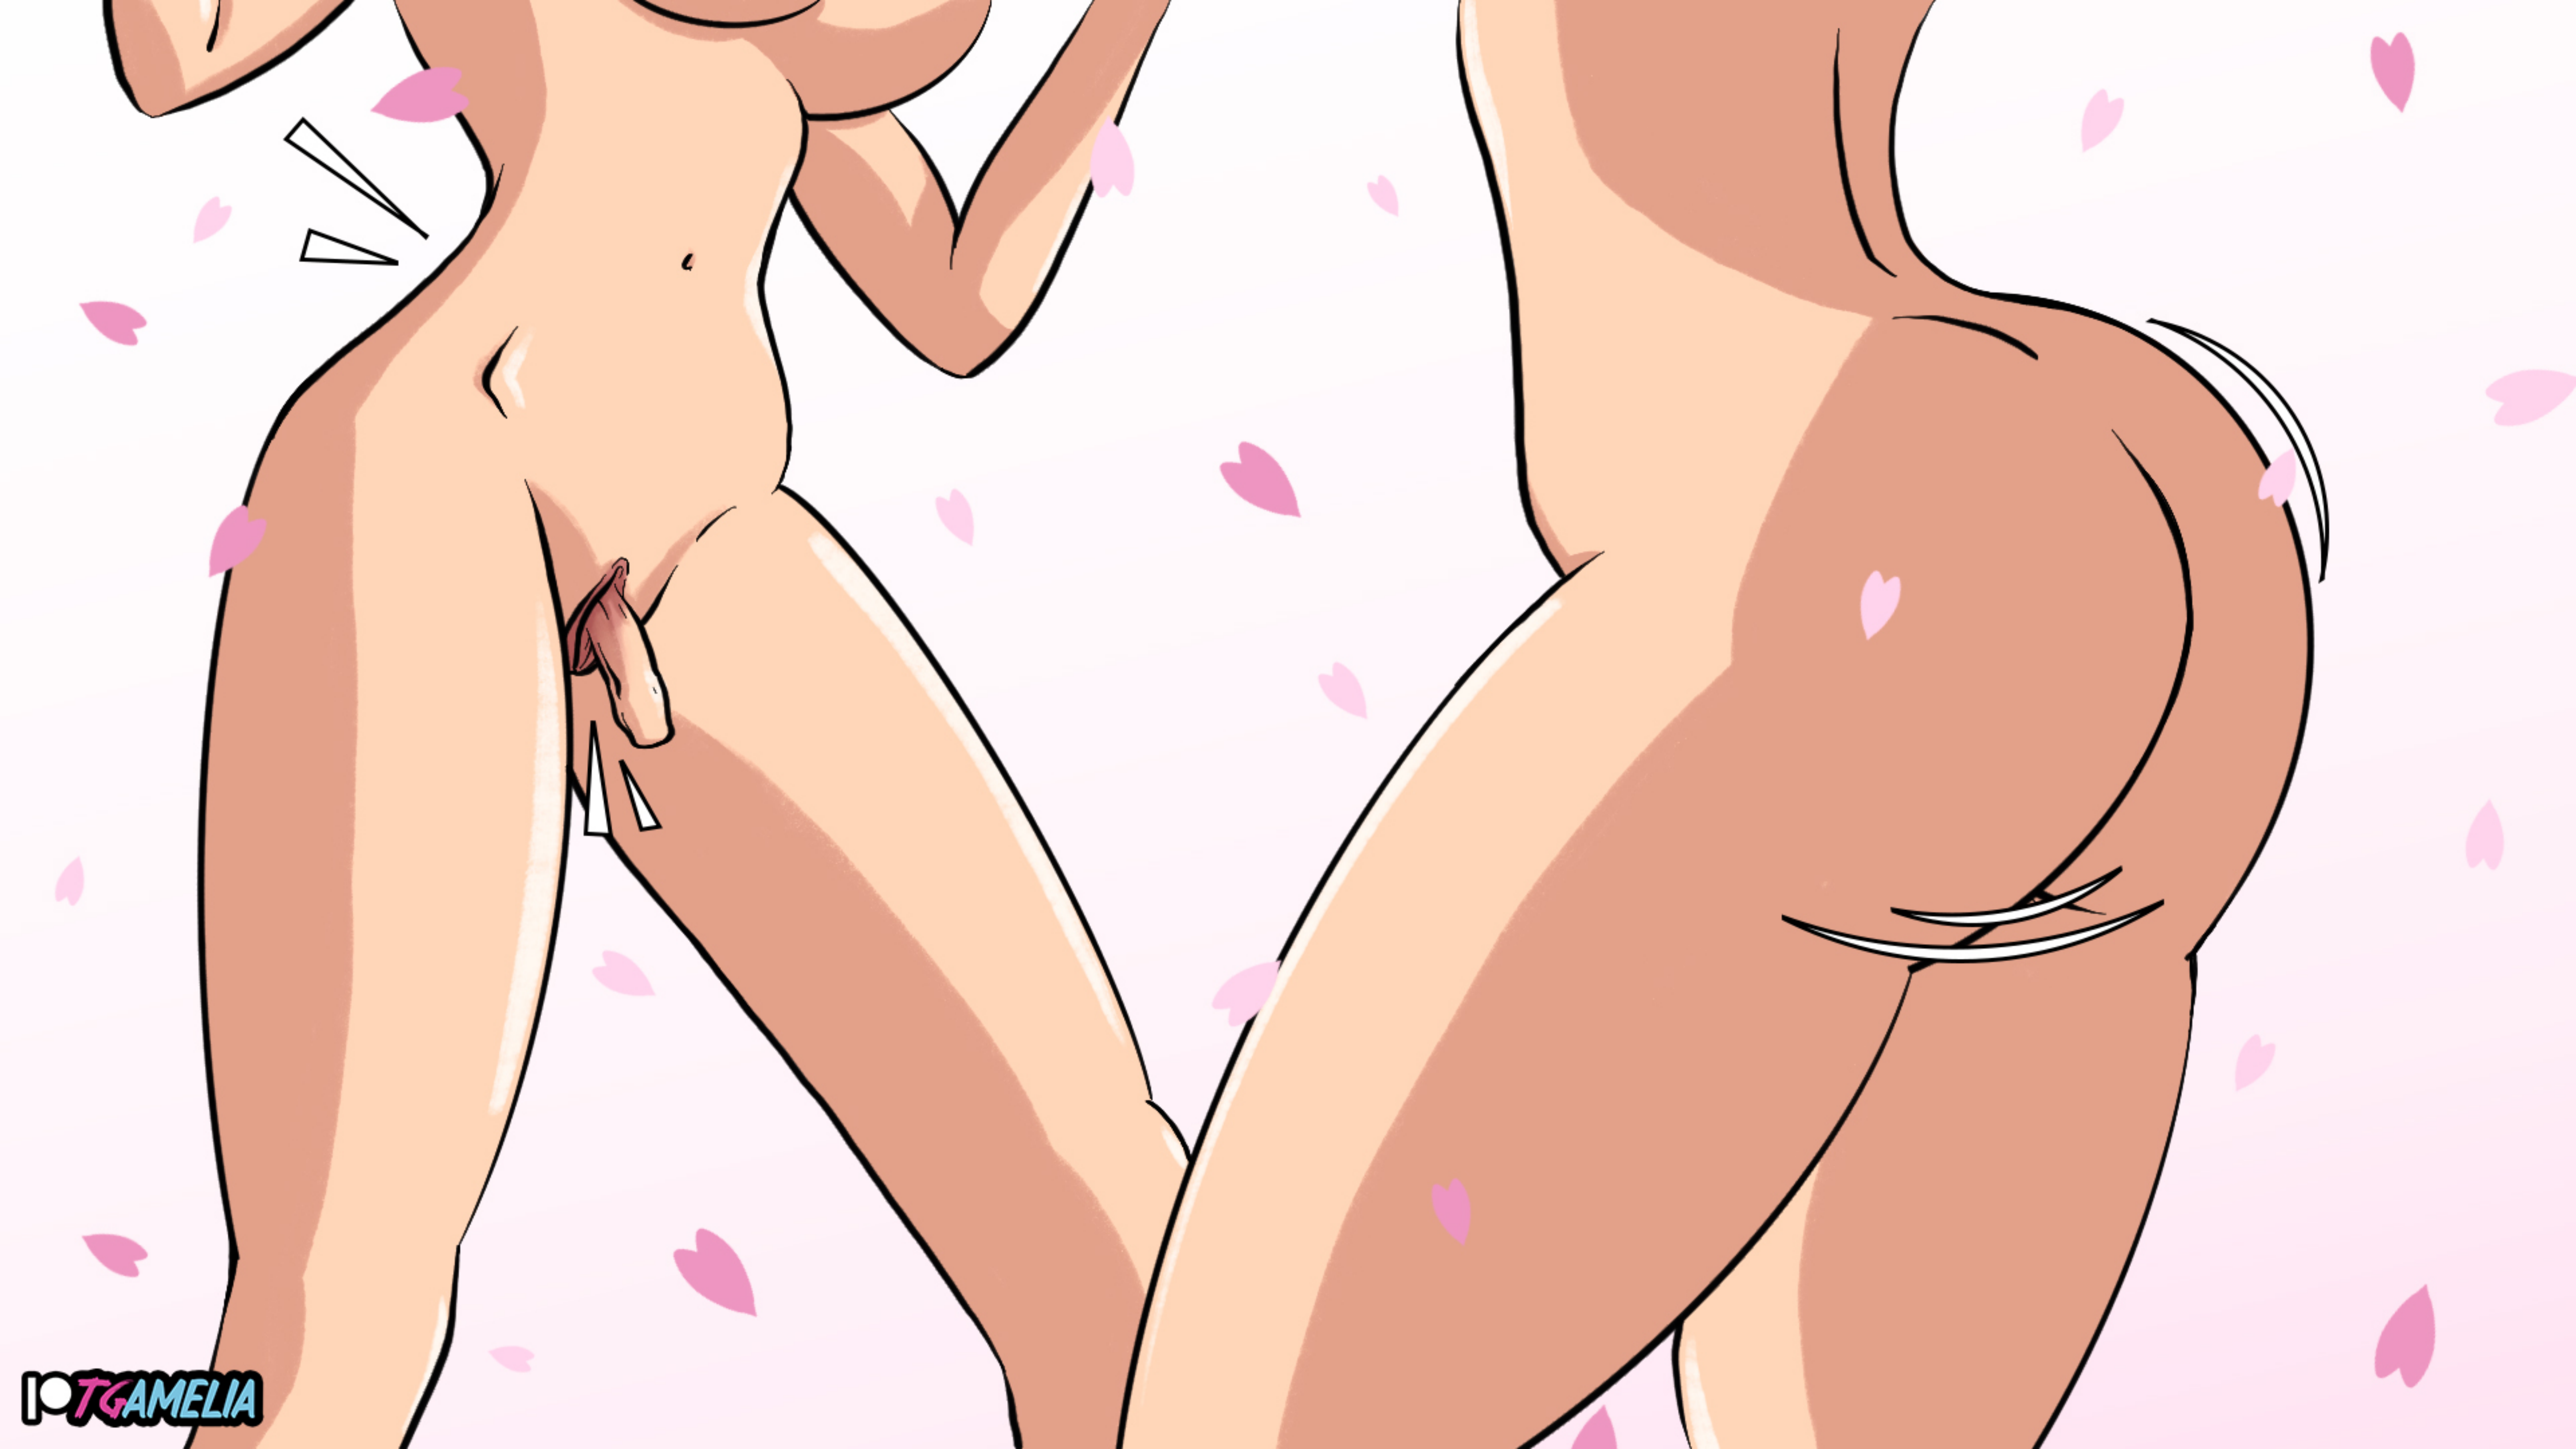

Huh? What's hap-

**AARGH!**

What did you do to me...

Well as an assitant  
you're pretty useless.

So I thought that I  
may aswell make you a  
bit more appealing!

It's not just your  
body that's changed.  
How're you feeling?

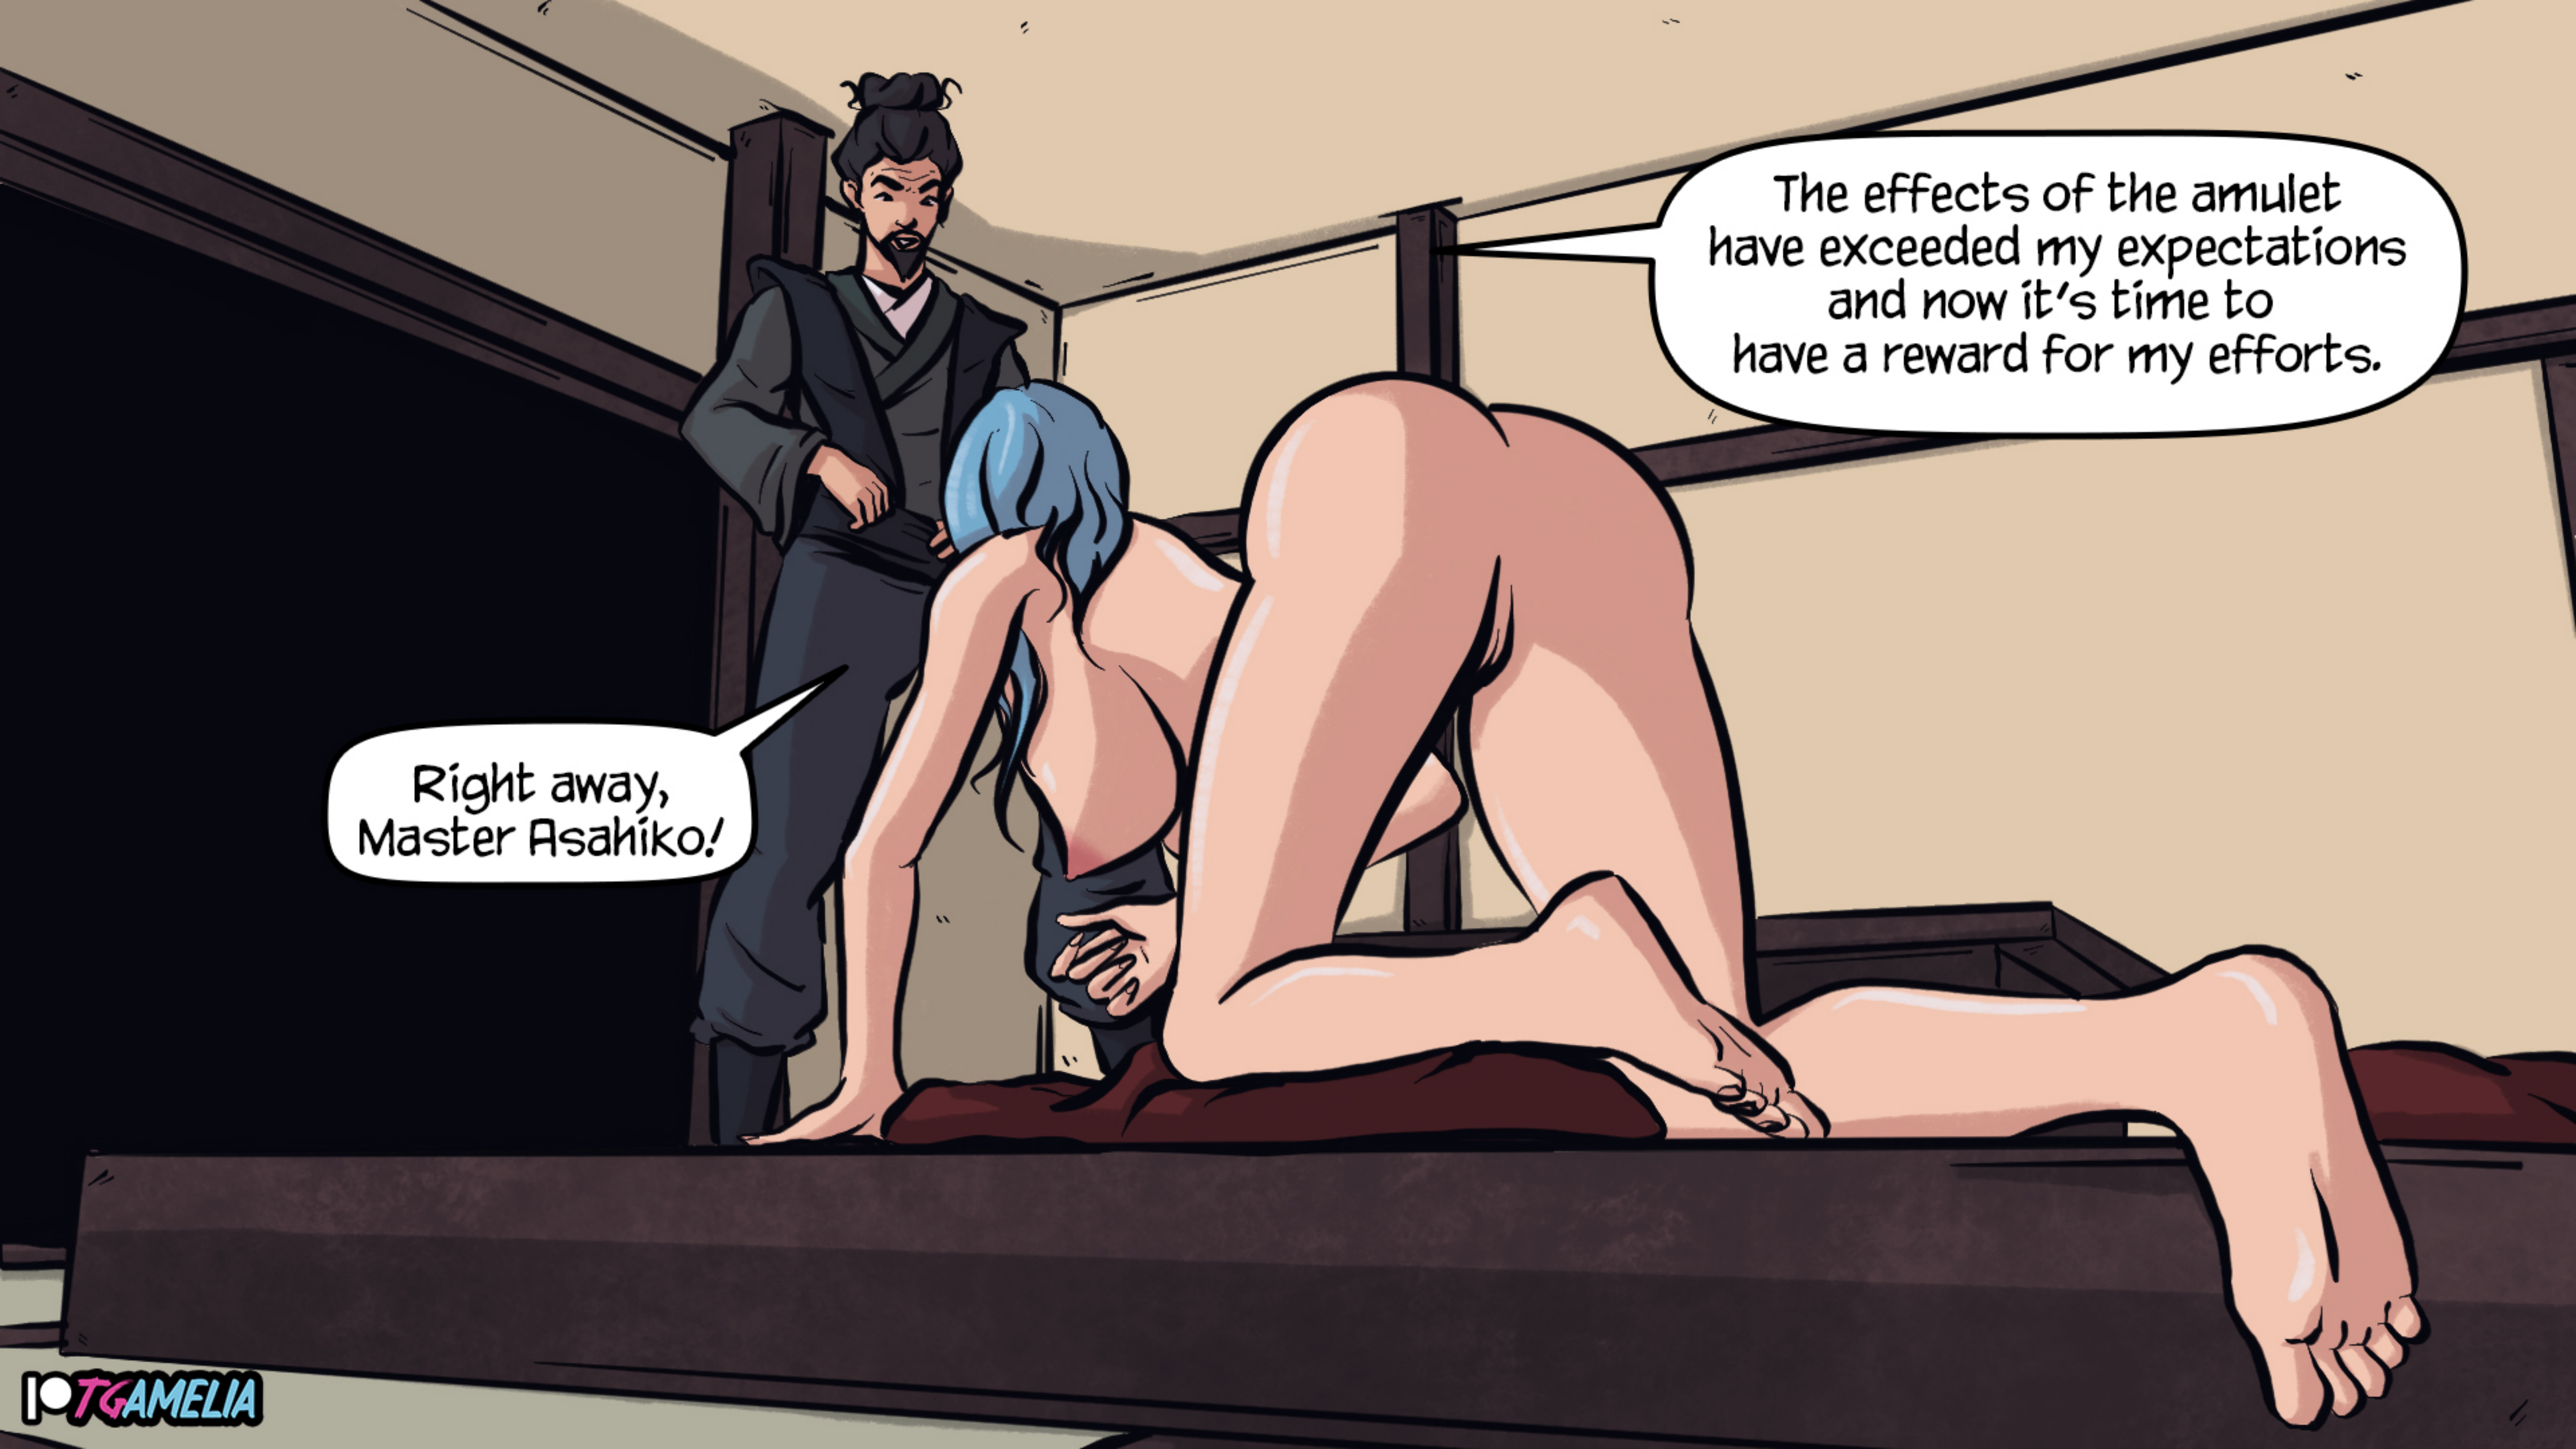

I feel...

Warm.

My body is tingling.  
I want...

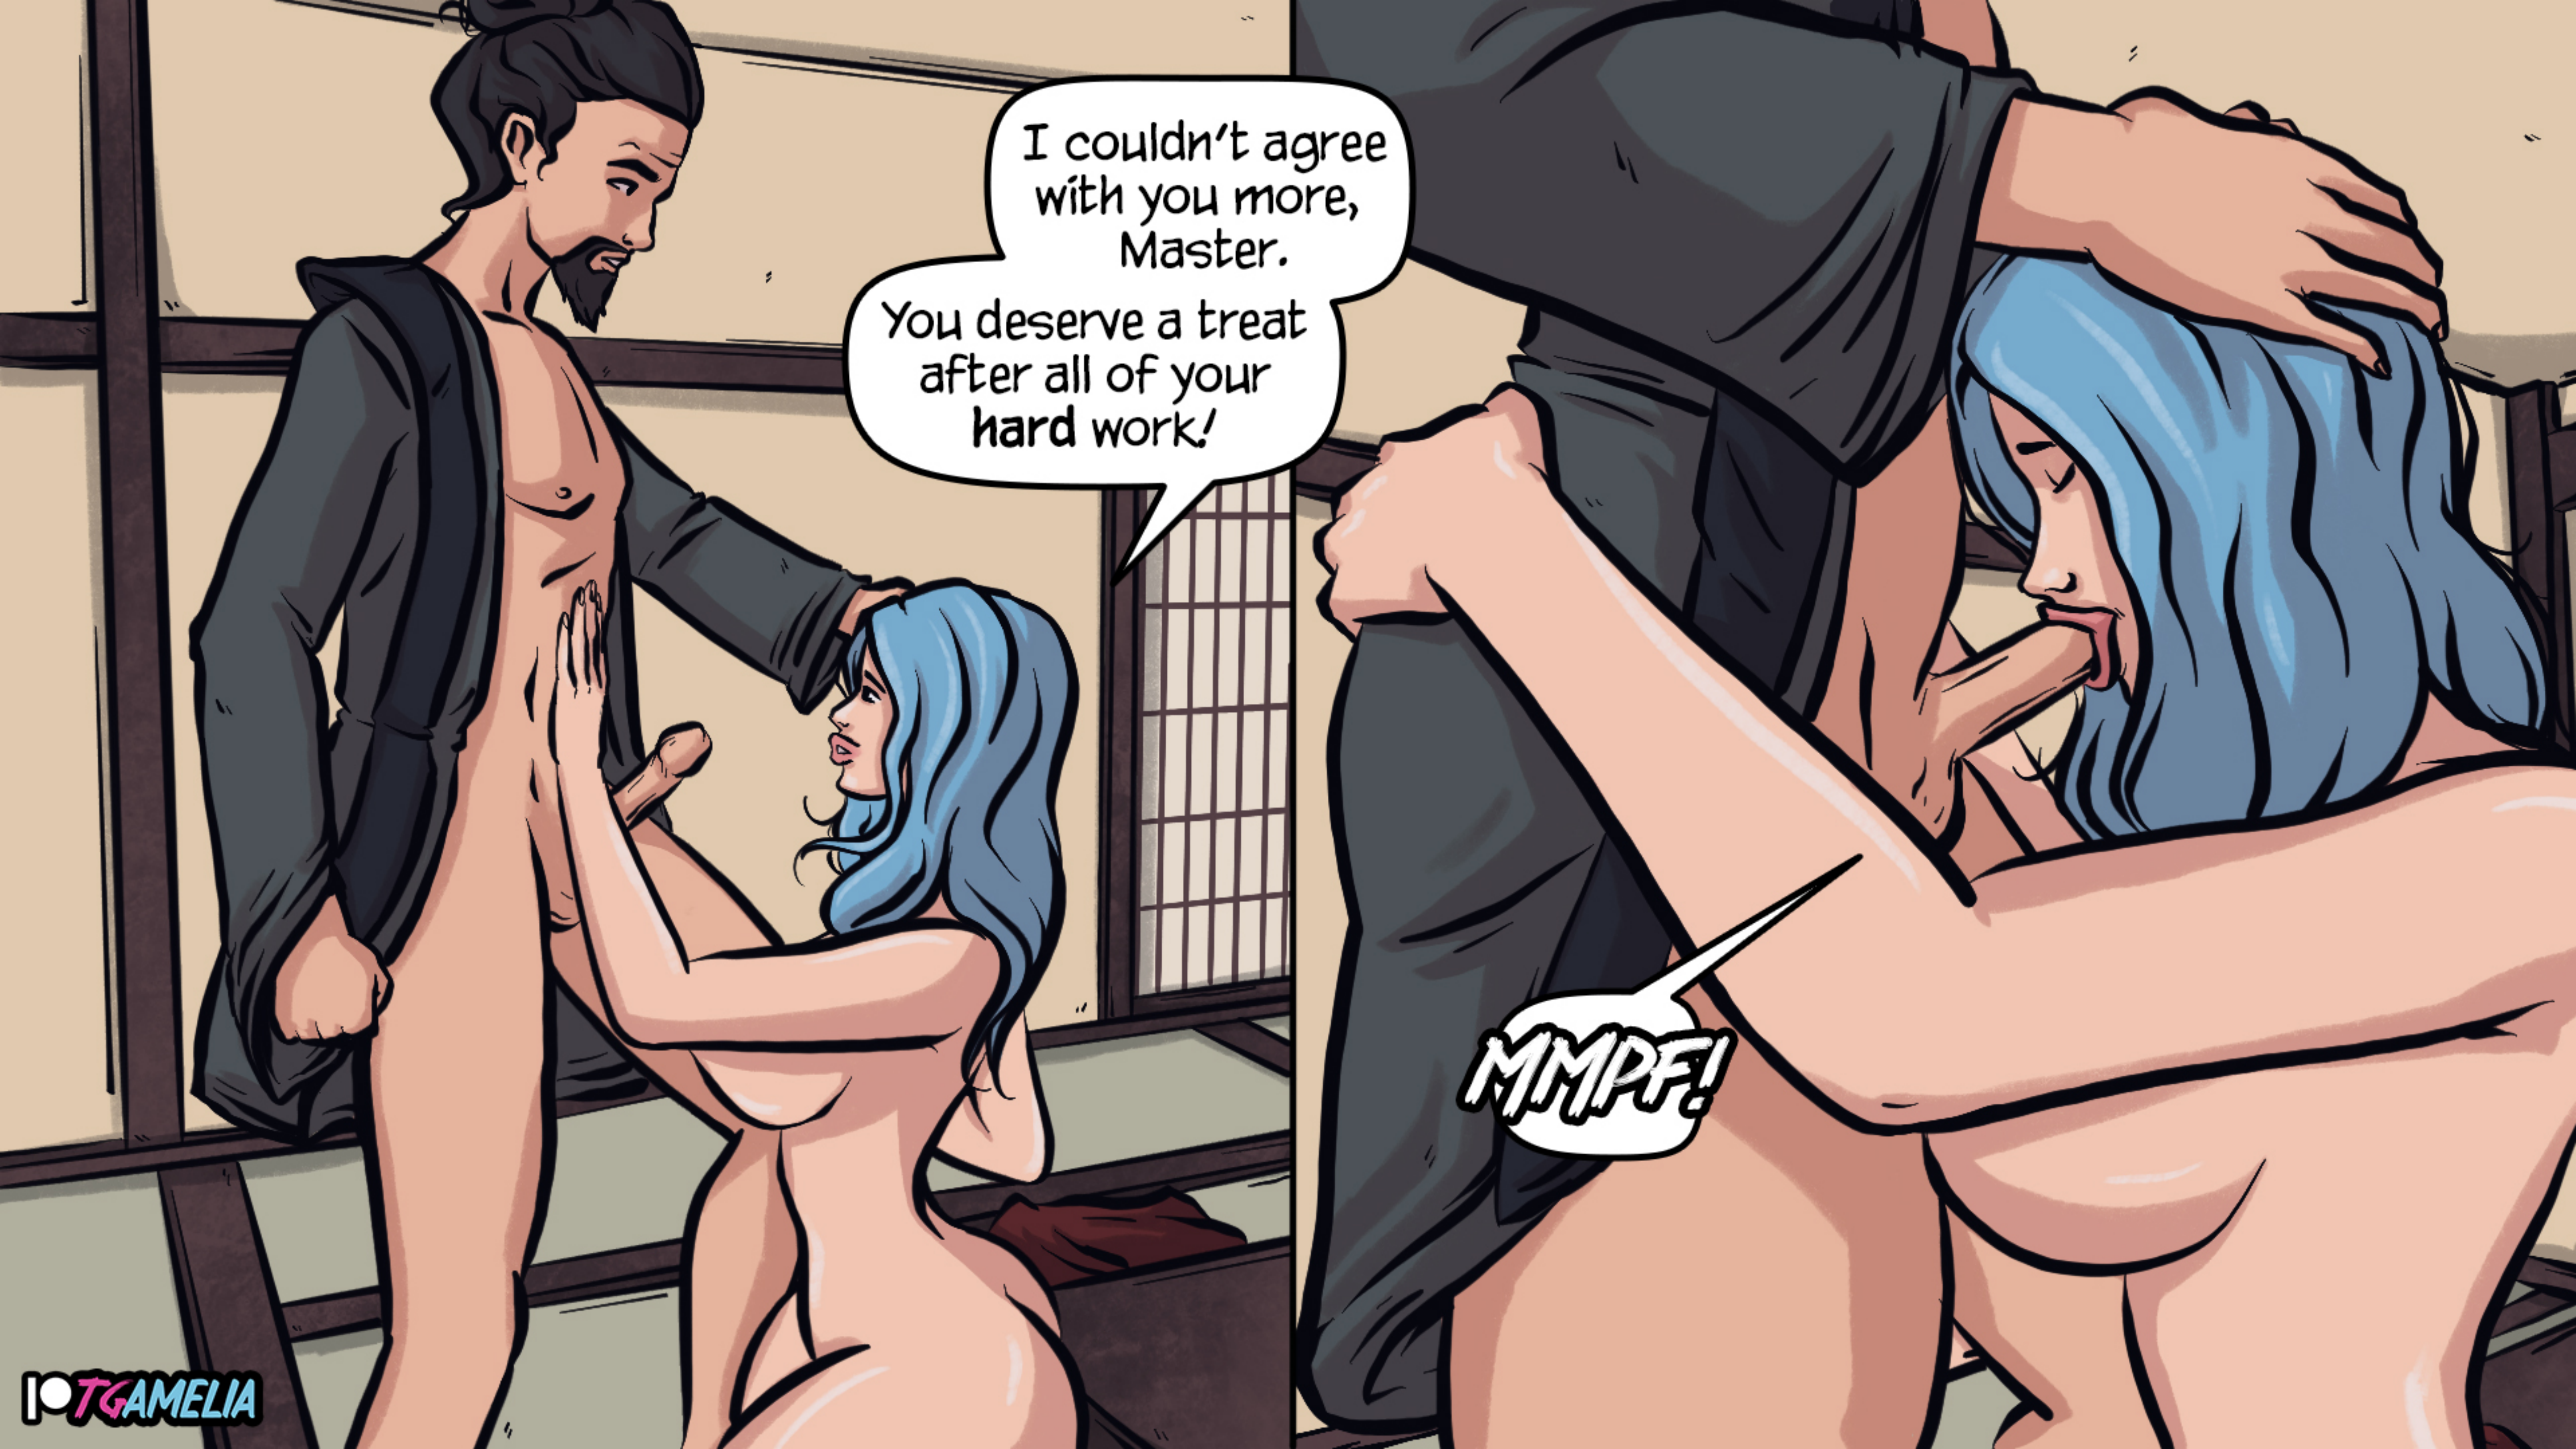

**You!**

Then come and  
get me.

The effects of the amulet  
have exceeded my expectations  
and now it's time to  
have a reward for my efforts.

Right away,  
Master Asahiko!

I couldn't agree with you more, Master.  
You deserve a treat after all of your hard work!

MMPF!

**OH, FUCK!**

**YES!**

**YES!**

**YES!**

**YESSSS!**

JAPAN, NOW...

So, you're telling me you ancestor was a wizard. And he used to have a castle here.?

Exactly!

And he got his assistant prenant?

Yup!

Yea, it's supposed to be where we get our blue hair from.

Anyway, thanks for coming to Japan with me. It's kind of like a right of passage for people from my family to come back to this place.

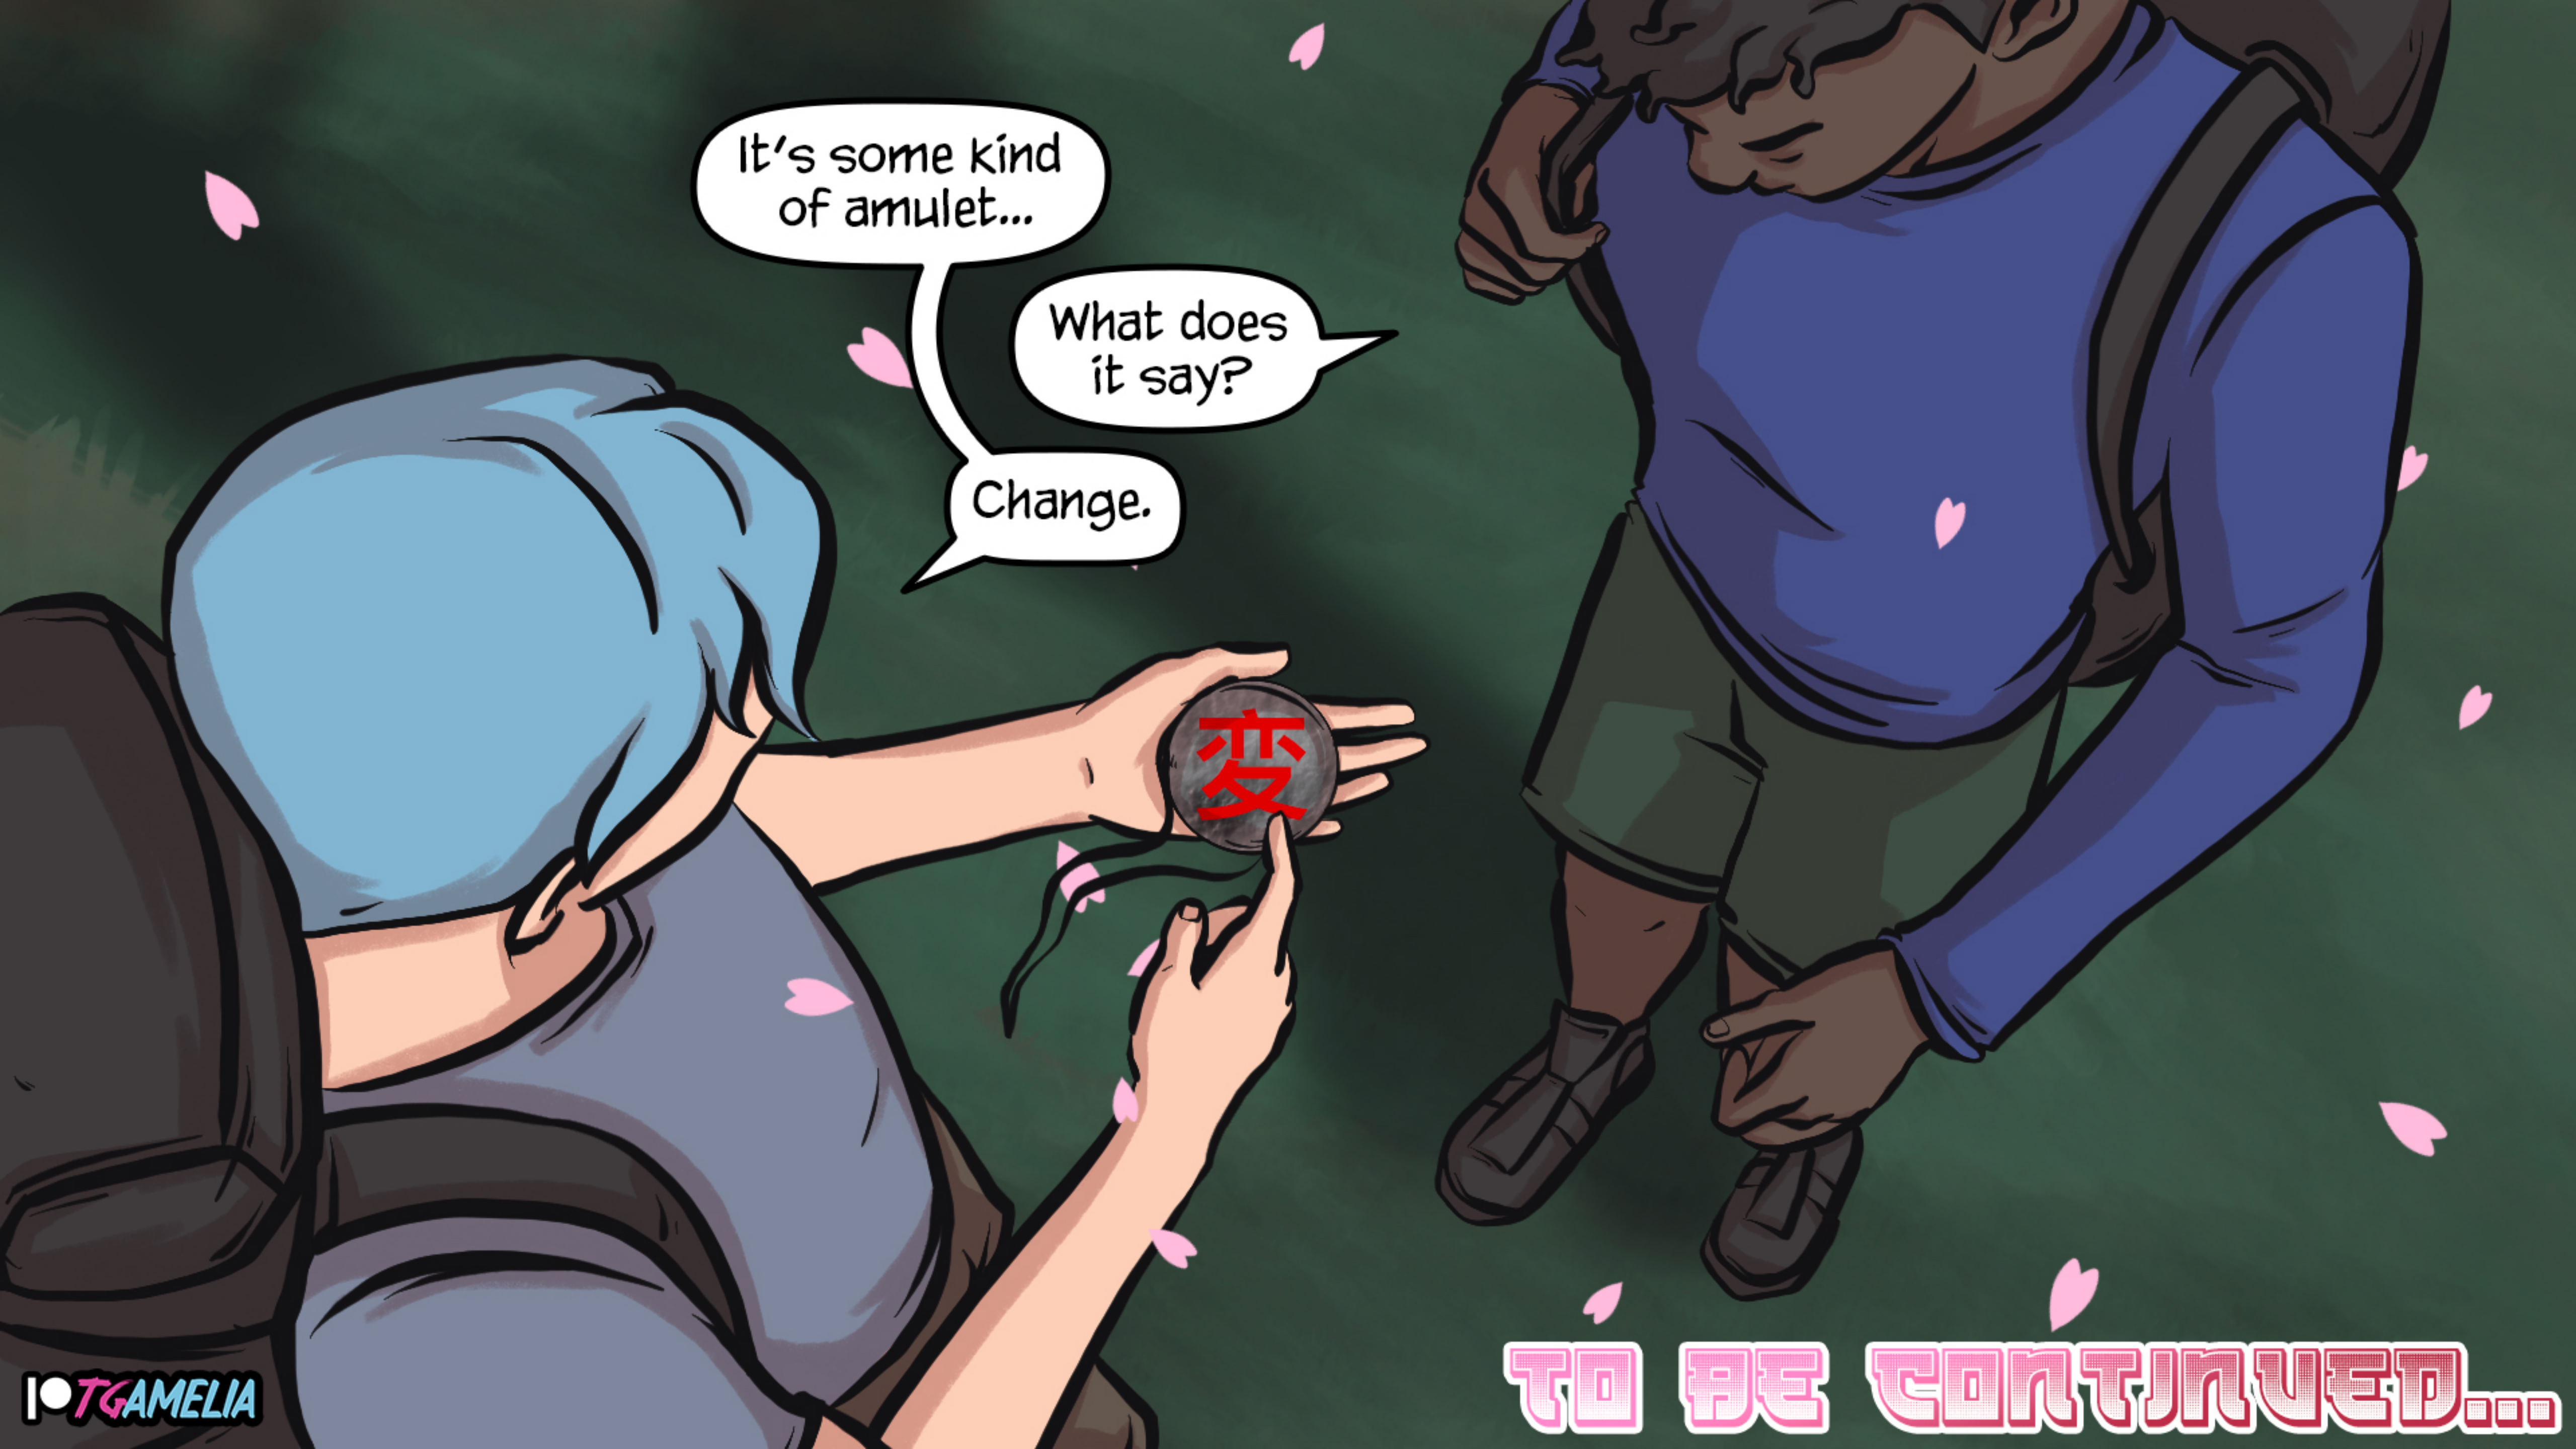

Well, I wasn't going to say no to a free trip to Japan!

So, your hairs natural? Weird, I always thought you dyed it.

A LITTLE WHILE LATER...

Hey, I think  
I found something!  
Maybe it's valuable?

It's some kind  
of amulet...

What does  
it say?

Change.
