

sigh
Nothing
to eat in this
damn house until
I get a check in
tomorrow. I'd
be willing to
eat anything
at this point.

H-huh?
What's
going on?

Better question, how
will I explain what's wrong
when I call the poli-?

Whoa!

BUMP

Rrr!

flip

FALL-

Whoa.

Ooo?

Ow!
Dang!
What did
I land
on?

BOOM

Oh,
crud! A
tiny! Hold
on! I'll get
you out
from there,
lil guy.

groan
I could use
a nap.

Sonikku?!
I mean,
Sonic?!

Uh, yeah.

Oh, my
goodness!
I'm your
biggest fan!

Well, based
on what I'm
seeing, I don't
doubt that.

Oh, no. I'm not
normally a giantess.
In fact, I'm not even
sure how I got he-

grooooooan

...Oh, dear.

What's with
that face?

I'm
so happy
to meet you,
but I'm also
so hungry.

Don't get
upset
please.

Uh, "upset"
isn't the word
here.

Mmm-
you taste so
good.

Oooh, that
was like sucking
on a lil hot dog.

Or a chilli
dog. So much
flavor.

-sluuuurp-

Hey!
Calm your
licking,
lady!

GLURK

'groooooan'

...This has to
be the weirdest
attack I've ever
dealt with.

'gurrngle'

Ooo, I wonder if the other
characters taste as good.

I mean, it's just
a game. Not like I'm
actually getting rid
of these guys
forever.

Gotta
go fast!
...And
get out
fast!

Uuhhhh-

Let-a-go, gatta!

Yeah. Yeah. I know. Typical Italian phrases. *giggles* I wonder if you guys will taste like peaches and shrooms. Nasty combo, but oh well.

Oh, no!

Ooo, not bad.

Mama mia!

-sluuuurp-

No! This isn't peachy at all!

Oh, no. This-a-not looking good, princess.

GLURK

GLURK

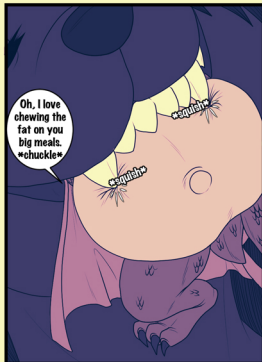

Bwahahahaha!!!

Ha ha- Those lil rocks aren't much against me, Rool. Never had thick croc meat before.

fling

BUMP

Oh, I love chewing the fat on you big meals. *chuckle*

squish

squish

And then I get a little Mega Man. Tastes bland, but meat is meat.

-sliiiiide-

I'm not for eating! I'd make a revolting dinner!

nudge

Heeeey, good reference, snack. *giggle*

Now I gotta quote that line with you-

GLURK

-but you seem to be holding on pretty good. Hard to talk with ya back there.

Rrrr-

Nnh-

GLURK

AAAAAAAHH!!!

Snake, are you ok? Snake? ..SNAAAAAKE! ..I did the meme. *giggle*

Mmm, that was a super smashing meal. *snort* I need to stop with the jokes, huh?

nudge

BLIP

Huh?

What is this?

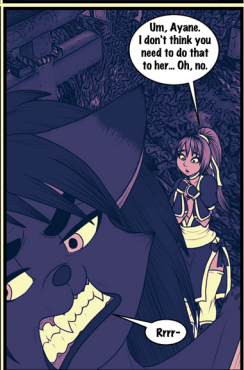

Um... where am I now?

push

What are you doing getting in the middle of our battle?! Move it!

Ow! Hey!

Um, Ayane. I don't think you need to do that to her... Oh, no.

Rrrr-

Mmm, you're too sweet to just simply eat, Kasumi.

-lick-

push

Wh-why are you putting me in here?

I'll save you for a treat to enjoy a bit later.

GULP

B-but my mission?
...Oh, Ayane. Why?

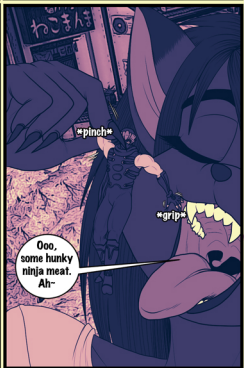

'gurrngle'

-fall-

I've been eaten? ...And what is this banana with a face doing here?

'groooooan'

pinch

grip

Ooo, some hunky ninja meat.
Ah-

And then some assassin meat.

Well... this is an interesting way to go. At least it's different from what others have tried.

And a spunky lil college student dumpling.

I'm no dumpling! Honest!

URP!

I guess she's more so a kung pao chicken in the end.

BOUNCE

Mmf! C-can't breathe!

Awww- I wanted some wrestler food.

I hope the next game has some interesting dishes.

Well, that just happened. Who am I gonna fight now? Tsk-

Ah, dang. That was fun. I'd love to do that again.

Wait? Why are these guys here in my reality? Does that mean ...

I actually ate the characters? That I got them all out of my game and stuffed into my belly. O-oh no. Did I just mess up my version of the game or is now everyone else's games messed up. ...Am I making any sense?

N-not really.

Isomessedup.
Isomessedup.
Isomessedup.

fainting

Huh? What's
going on out
there?

FAINTED

Mmf?!
MMFFFF!!!

push

PLOP

11 HOURS LATER

GASP
T-too
heavy.
Can't
br-brea...

stretch

stretch

yawn
Dang, I
feel so
heavy.

RING!
RING!
RING!

groan Hello?

Hey, Steph?
I hope you don't mind, but I borrowed some of your games while you were ...out of town.

I don't mind as long as ya give 'em back, Jill.

Well, here's the thing: two of your games are messed up. DoA and Smash have some playable characters missing. I grabbed some other friend's versions of the games and they're there, so...you got some damaged disks. You may need to buy some new ones. I would, buuuut moneys tight.

sigh Dang it. I can't even afford food. There's no way I can buy new copies.

squish

-slide-

Well, at least I have some food until I get my paycheck today cleared.

Talk to ya later, Jill. I'm feeling a bit hungry.

...Oh, no.
