

Dreaming is my super power..

But right now..

What

Did you just say..?

IT'S A CURSE.

Huhh..

I..

UH....

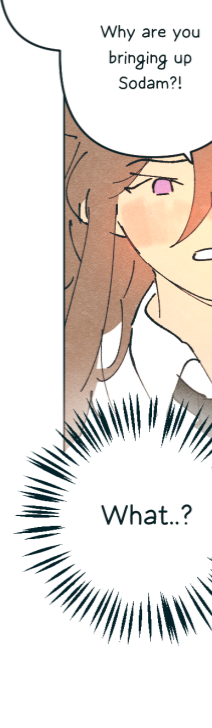

FUCK MY LIFE!!

I was just-

S-Sodam locked me in here and I.. fell asleep, a-and..

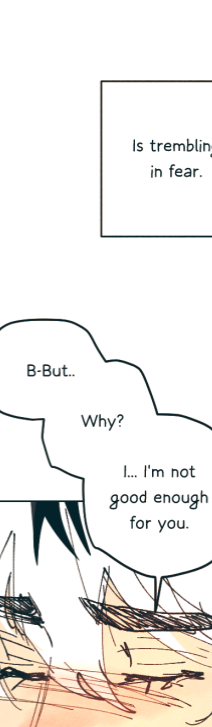

MY SECOND CONFESSION AND I DID IT IN MY SLEEP?!

I was..

I was dreaming about you..

I mean.. He must've known, right?

About me..?

Mhm..

I've been having dreams about you

For a long time, actually.

He must've known..

He must have..

Cherie.. If Sodam put you up to this..

Sodam?

Why are you bringing up Sodam?!

What..?

Unlike the Crush in my dream..

It's not Sodam, I mean it..

This Crush in front of me

is trembling in fear.

B-But..

Why?

I.. I'm not good enough for you.

Cherie.. I'm a horrible person.

You have no idea what've done..

I see..

I don't.. I don't deserve it.

Why do you keep saying that..

For the first time, His walls are down.

Why are you afraid of love..?

This isn't him rejecting me

This is him being vulnerable.

What more can I say to convince you..

..that you are the love of my life?
