

THE FUTURE IN-LAW

By TheWrite Fiction

Months after the defeat of Majin Buu, the world has returned to a time of peace. With everything back to relative normal, the Z-fighters picked up where they left off.

On this day, Videl is flying over to her boyfriend's place for a study date and a hang out. It is during this particular visit she hopes they'll be able to move their relationship to the next level.

Hello? Gohan?
Chi-Chi?

Gohan said he'd be home today.

Are all boys that big? Or is it only grown ups?

GULP!

I wonder what Gohan-kun's looks like.

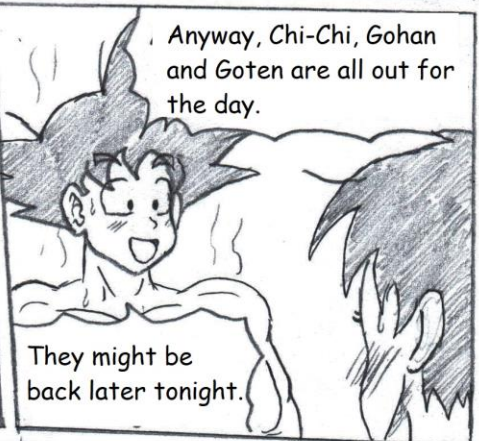

Really? Boy, you highschoolers sure do study a lot. I feel sorry for you and Gohan.

Wow...

FLAP!

It's so big! I've never seen one for real before.

W-Well... you see... Gohan-kun and I have a big exam in Math coming up, so I decided to drop by to study with him for the evening.

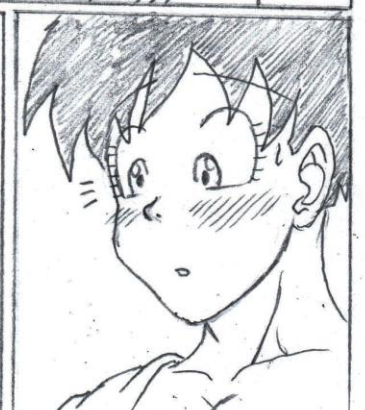

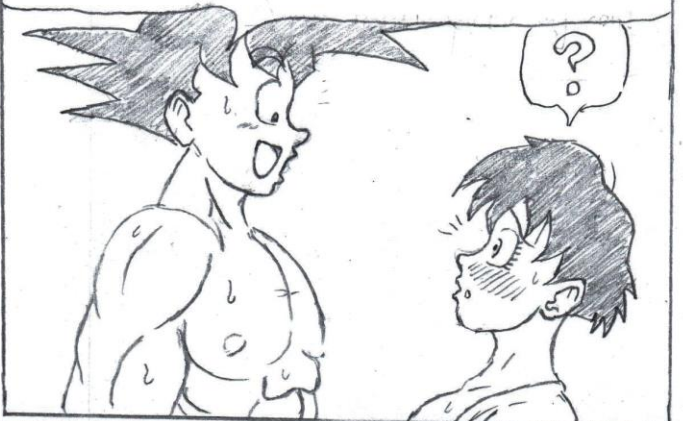

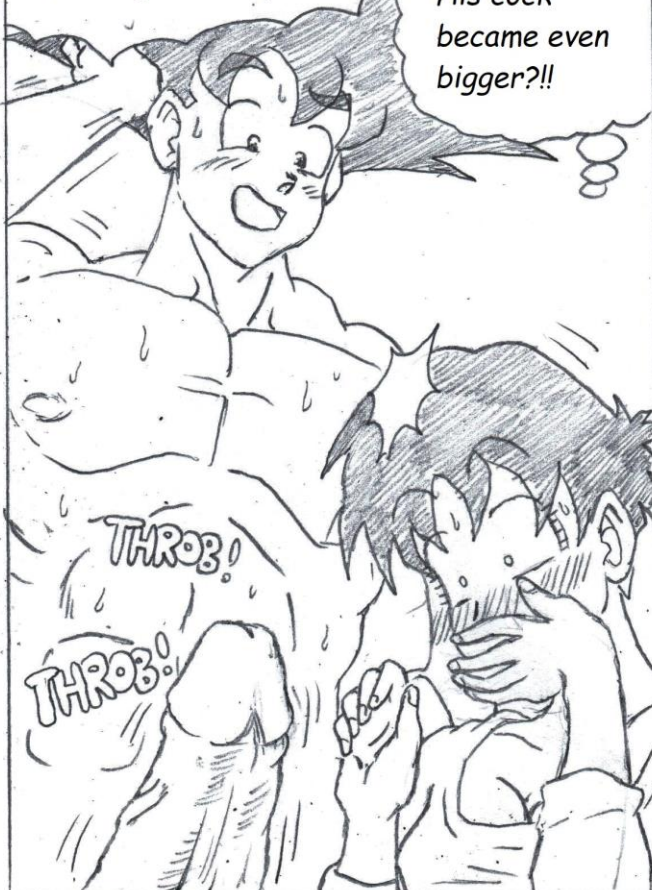

Anyway, Chi-Chi, Gohan and Goten are all out for the day.

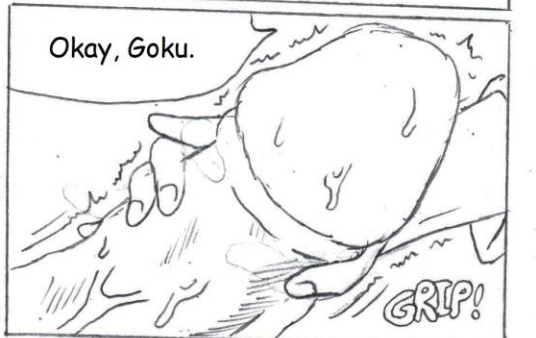

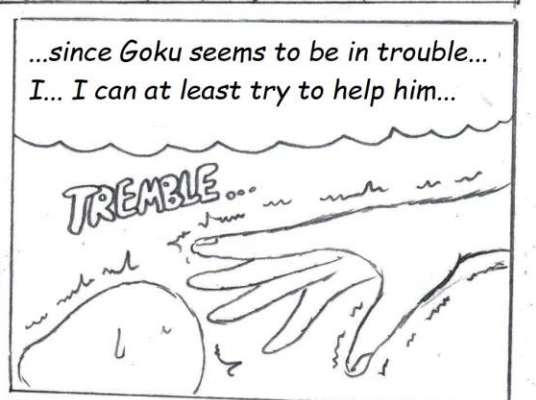

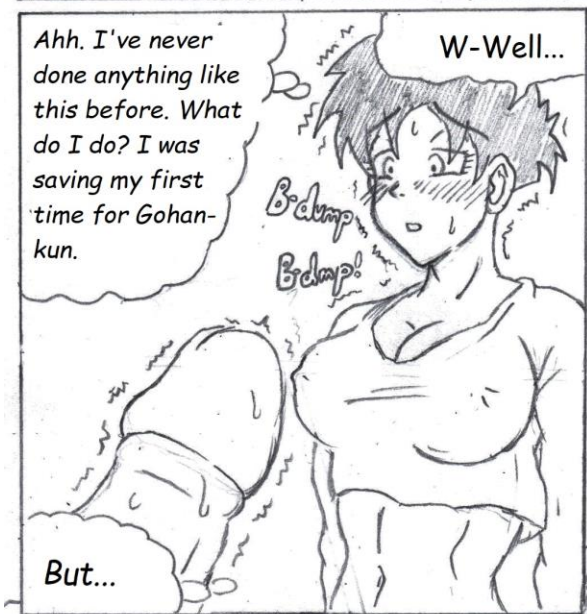

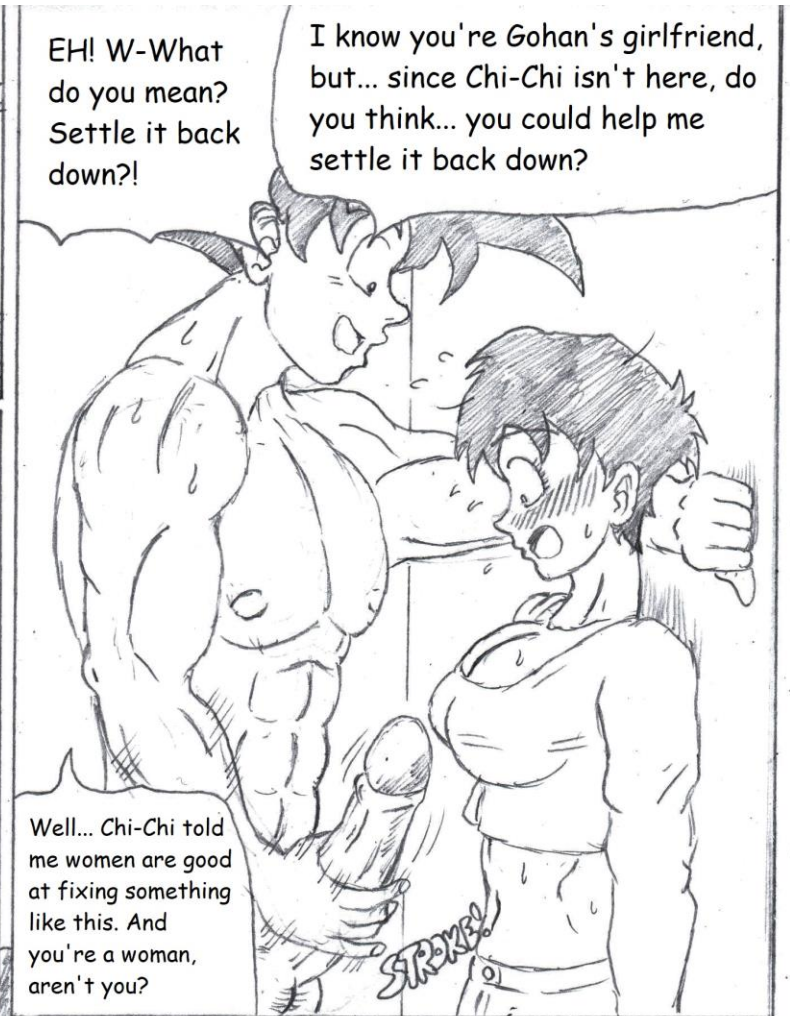

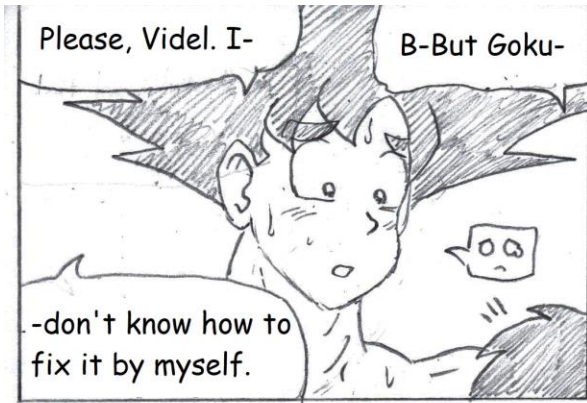

They might be back later tonight.

Oops. My dick got hard on its own again. Sorry.

Oh my God! His cock became even bigger?!!

Wow. You know... you look really, really nice today, Videl. All dressed up to see my son? Very fetching.

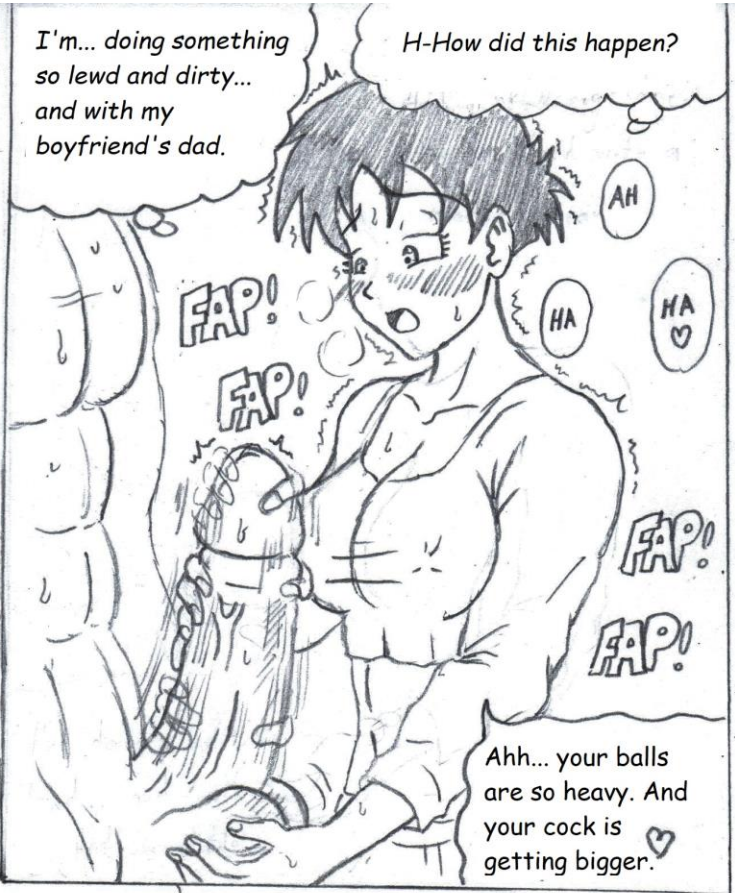

...ahhh... touching his cock... is making me feel strange...

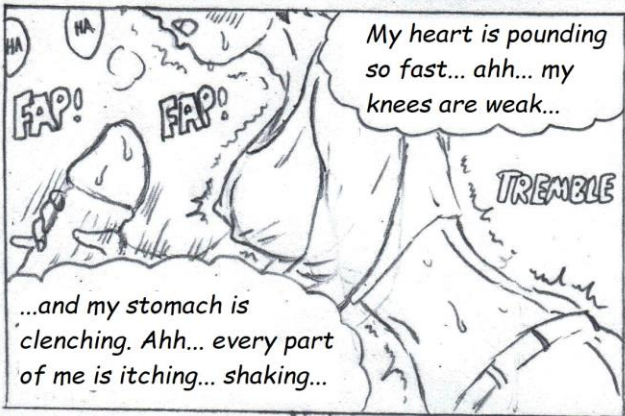

This is bad... mmm... I shouldn't be doing this. But...

I'm... doing something so lewd and dirty... and with my boyfriend's dad.

H-How did this happen?

Hey there, Gohan-kun. Hey, Chi-Chi. You guys were out for a while.

Hey, guys. Welcome home!

Hello, Goku! Are you here, sweetheart?

7:00PM. Mt. Paozu.

Hey, dad! We're back!

Yeah. Videl and I worked up a real sweat together. Not only did she show me what she could do, but she even taught me a few things and helped me out. Your girlfriend really is amazing, Gohan.

I was hoping to catch up and study with you. But since you weren't here, I spent the whole day training with Goku instead. It was fun.

Yeah. Sorry. I should've texted you this morning, but I wanted to surprise you.

Oh? Videl? I didn't know you were coming over today.

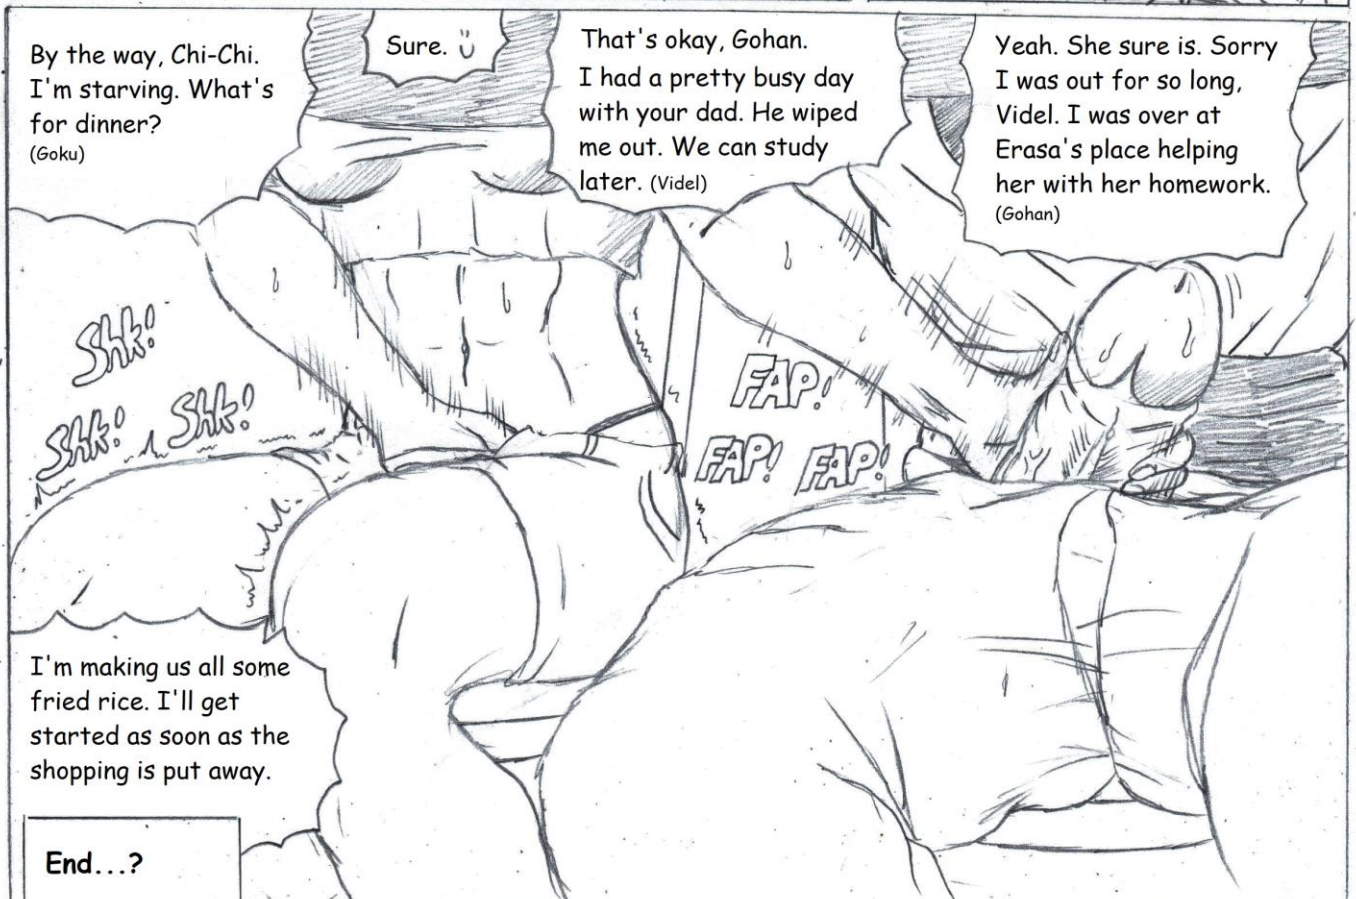

By the way, Chi-Chi. I'm starving. What's for dinner?
(Goku)

Sure. ☺

That's okay, Gohan. I had a pretty busy day with your dad. He wiped me out. We can study later. (Videl)

Yeah. She sure is. Sorry I was out for so long, Videl. I was over at Erasa's place helping her with her homework.
(Gohan)

I'm making us all some fried rice. I'll get started as soon as the shopping is put away.

End...?
