

OH MY GOD?!
CHERIE!!
ARE YOU
OKAY!!!??

Okay..

I think this
should stop
the bleeding..

Oh,
come on.

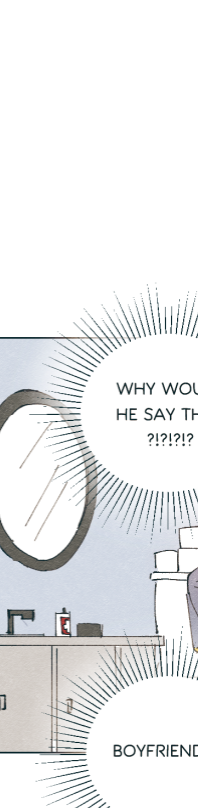

I'm not
a toddler.

Stop looking
like I'm a
kid who fell
at the
playground!!

S-Sorry..
It was all
my fault.

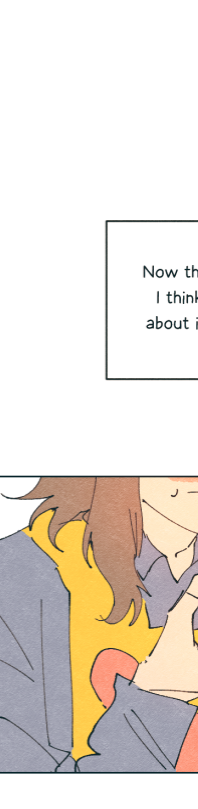

Yeah, you
caught me
by surprise
there.

What was
that, even?
Pretend
to be your
boyfriend??

It's just
for a work
trip..

But
don't worry
about it!

Let me bring
you a change
of clothes

I'll be
right
back!

There he
goes..

WHAT THE
FUCK WAS
THAT?!?!?

WHY WOULD
HE SAY THAT
?!?!?!?

BOYFRIEND????

Actually,
he said
"pretend",
didn't he?

Now that
I think
about it..

I said we
were friends,
but..

The things
we did..

aren't things
friends do,
right..?

I know I
wouldn't treat
any of my
other friends
the way
I treat Crush..

But..

I can't
go through
that again.

Yeah,
we're definitely..

..better off
as friends
after all.
