You are so perverted to let your child lie on the bench like this in the middle of the day on a weekday♥

Inori, you are also very perverted to open your legs and invite a middle-aged man you don't know to come with you♥

Tumbler

They had moved to a bench in a corner of the park. The girl was lying on the bench as the man had instructed, with her crotch open and her genitals in full view. The girl's genitalia, moistened by the masturbation she had just performed, was nailed to the man's face in a cute and lewd way that was appropriate for her age.

This is a 12yo girl's pussy...

It's embarrassing to be observed so closely...♥

Cute clitoral foreskin and puffy labia...♥

I'm getting anxious to see what kind of mischief they'll do to me...

Her fleshy urethral opening is so cute♥

Runny...♥

Her vaginal hole is juicy and she looks like she wants to suck a cock...♥

I always carry a toy with me to play with the elementary school kids♥

Eh...? Isn't that too big?

Are you scared of it? You're so cute, Inori, just like an elementary schooler♥

ドキッ

Inori's pussy is so wet, I'm going in♥

You're going to use that on a child...?

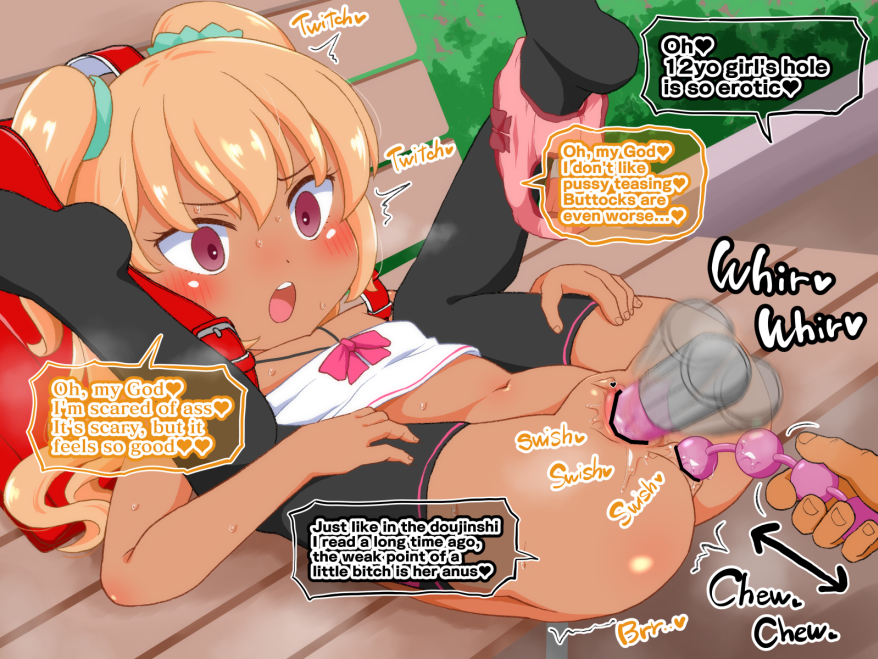

Pop...

**The man took out a toy and began to insert it into the girl without hesitation. The composition of the toy thrusting into the genitals of the girl with her school bag on her back is very criminal!**

The man began to insert another toy into the girl's ass. The girl let out a small exhale and silently did as the man did. I wonder where her bravado went before...

The man was not satisfied with just toys, and started to touch the girl's body directly. When the man's thick finger was inserted into the young girl's vagina, the girl moaned with a high-pitched, charming voice, and the man heard it and escalated the act more and more...

The girl was easily defeated by the man...  
after all, children are no match for adults!  
The girl's eyes turned white, her legs twitching,  
her genitals and anus open, her clitoris erect and squirting...  
At this rate, she would become a man's sex slave.  
And the man, in order to win the game, gives  
the girl in spasms a relentless chase!

What...?  
What...?  
You can't  
do that...♥

Adult couples  
do things like this,  
you know♥

You're provoking  
a grown man with  
your anal while  
making clitoris  
erect...

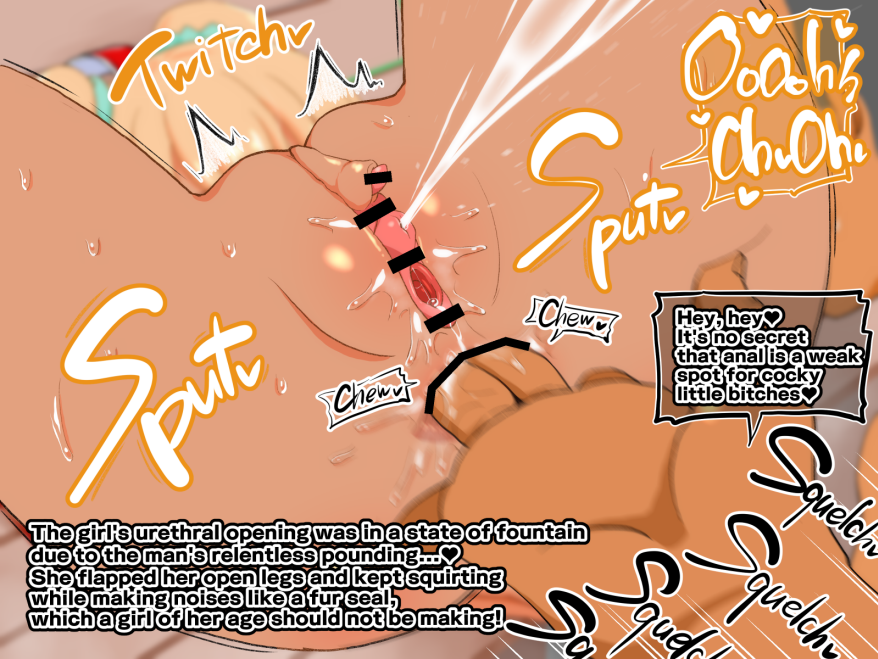

That's what  
I do to cocky  
asses!

Even an amateur could see that the game was won...  
A girl with a school bag on her back who keeps  
being made to cum unilaterally...  
She is literally turned into a sex slave by a middle-aged man  
who uses her as a toy...

**This is the second incontinence she's experienced since meeting a man... but this time the incontinence has a different meaning. A child has been made to come by a grown man, leading to incontinence! Incontinence with belly showing, genitals and anus ready for copulation... She is a poor elementary school sex slave on the verge of defeat.**

Oh!

His cock looks so delicious because he is full of oneself! Adults are really naive lol

Ah?

No... wear a condom...

Erection

Inori... I'm going to impregnate you so fast.

Erection

Shut up, you're mine now.

Don't talk back to me, sex-slave.

I'm gonna get you so horny with my technique! Little bitch is naive lol

Yes... yes...♡

The man showed off his cock, which was thicker and longer than the girl's arm, as if he was proud of it, and threatened to show it off. The difference in body size is too ruthless... A girl who seduced an adult man for fun... She has no other choice but to marry this man...
