Smut ahead!

Let me know if you want any specific warnings!

This one includes:

-Vampire Roman

The poll prompt 'aphrodisiac vampire' won, so there's a little blood, and some dubious consent, though I've tried to negate that as much as possible!

-Face-fucking

Is this - ah -  
what you  
wanted?

You-like  
this -  
oh-god-

mmmmph  
GK - GK  
moh -!!!

Vrrrrrr

Prompt-  
who would be worse  
with a bedazzler?

You can  
do it  
though?

It's not a  
question of  
possibility—  
it's...morally  
objectionable,  
sir.

Vampire—  
aphrodisiac poll prompt.

Here Julien is a spoiled noble  
looking for a good time, and Roman  
is a vampire down on his luck,  
working in a brothel. Biting the  
customers is usually against  
company policy...

Roman suggests an obscene amount  
of money to deter him,  
but Julien agrees.

It shouldn't  
take long—  
how do you  
feel?

I'm not  
sure...

Tingly...?

...sexy tingly?

OH-

...

Yeah.

How did you DO that?

Magic, I suppose.

You could...use this on all your customers-

Why don't you?

I like to think I do well enough without.

Hah-

hah

ah

It keeps getting stronger-

I should have used less-I didn't think...you are rather thin-

Do you need to sit?

...clearly  
well  
planned

Please- my trousers-  
I don't want to ruin  
them-

\*shiff\*
