

# THE GREAT LIBRARY

## PART 06

You reveal your VIP tablet and the two guards immediately sidestep to allow entrance into The Great Library's most prestigious section—filled with a small selection of superior books.

The grand hall's prestige is noticeable from its decor; flickering gold candles, embellished stone pillars, and an allured crowd dressed in only the finest silks.

Showcased from afar, just as in a museum, are a handful of banned books. These almighty books are chained and protected with powerful magic. After all, it is said that the contents inside these books can lead to devastation in the wrong hands or allow for an entire nation to rise to success through its influence. At no cost can these books fall into the wrong hands!
