Take off

Hahah(Evil laugh)

It's so hot inside the skin suit. Feels so good to get some fresh air.

Let me tell you
how it all started.

It all started with
that disgusting old
man Richard.

I'm an international wanted criminal. Because I can't control my sexual urge, I committed multiple rapes.

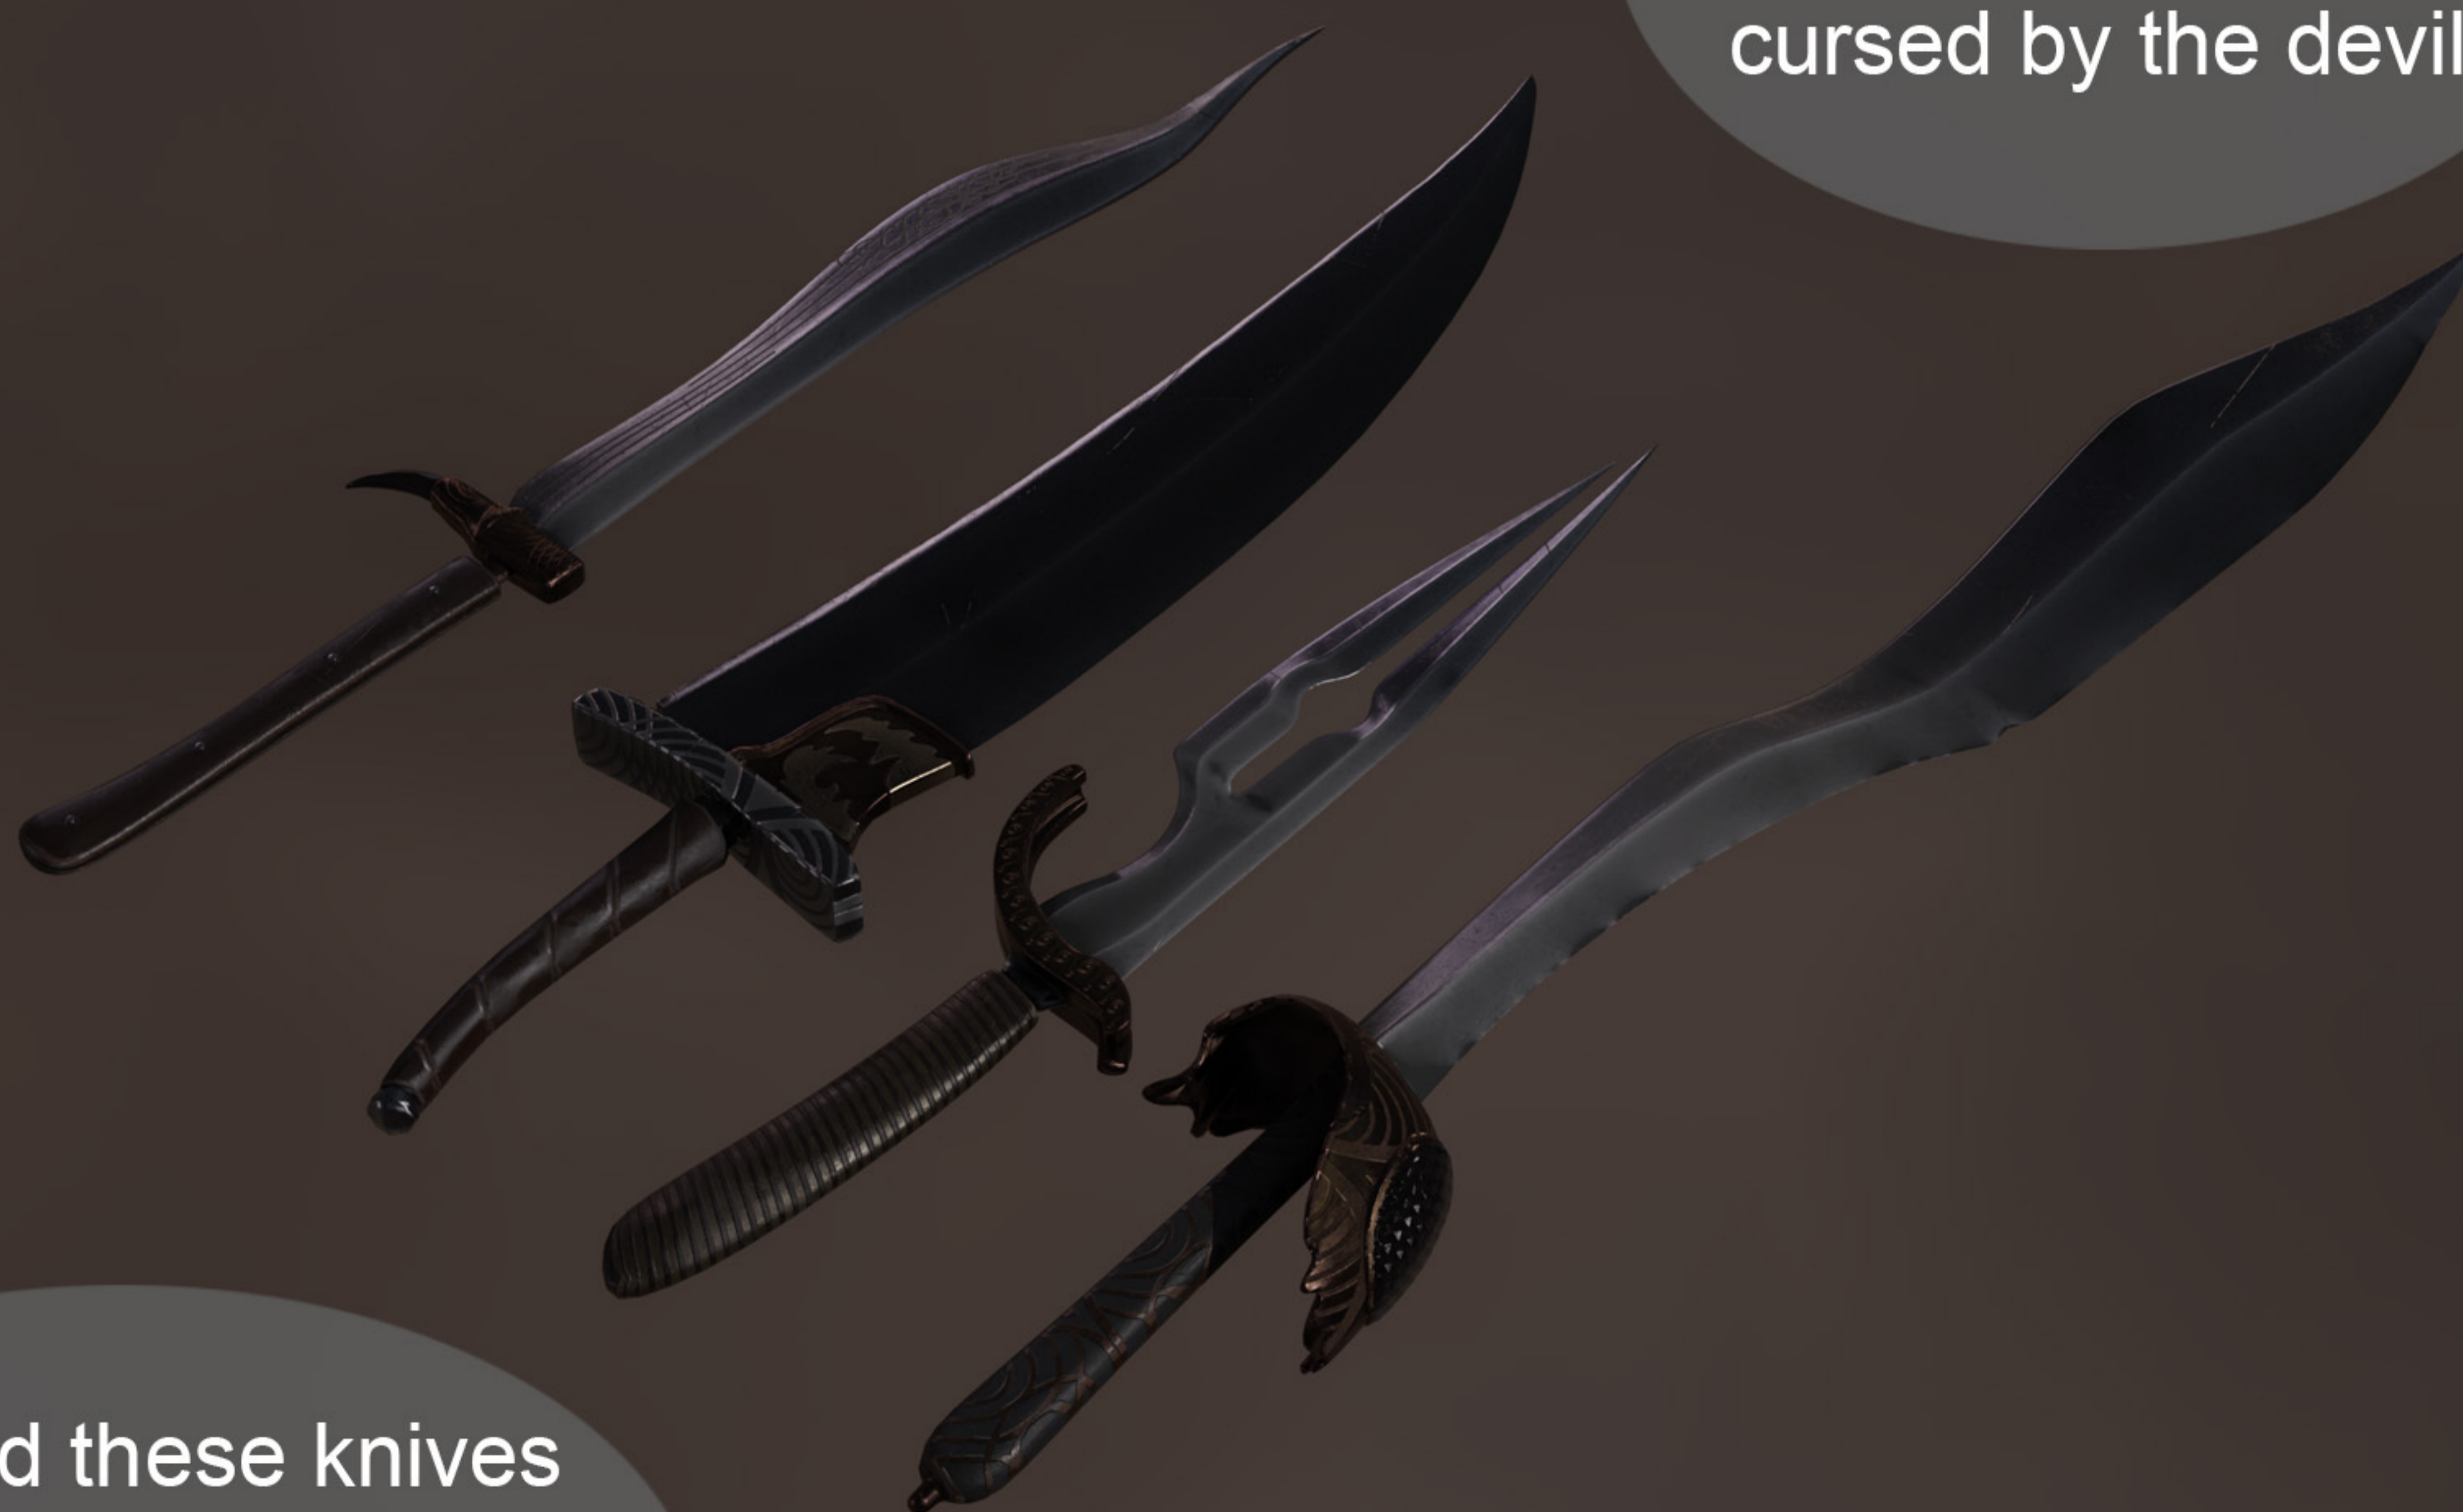

I have been on the run for several years

Until I bumped into
my old friend Richard.

He gave me a knife
that legend has it is
cursed by the devil.

It is said these knives
have the abilities to
destroy the order of
human society.

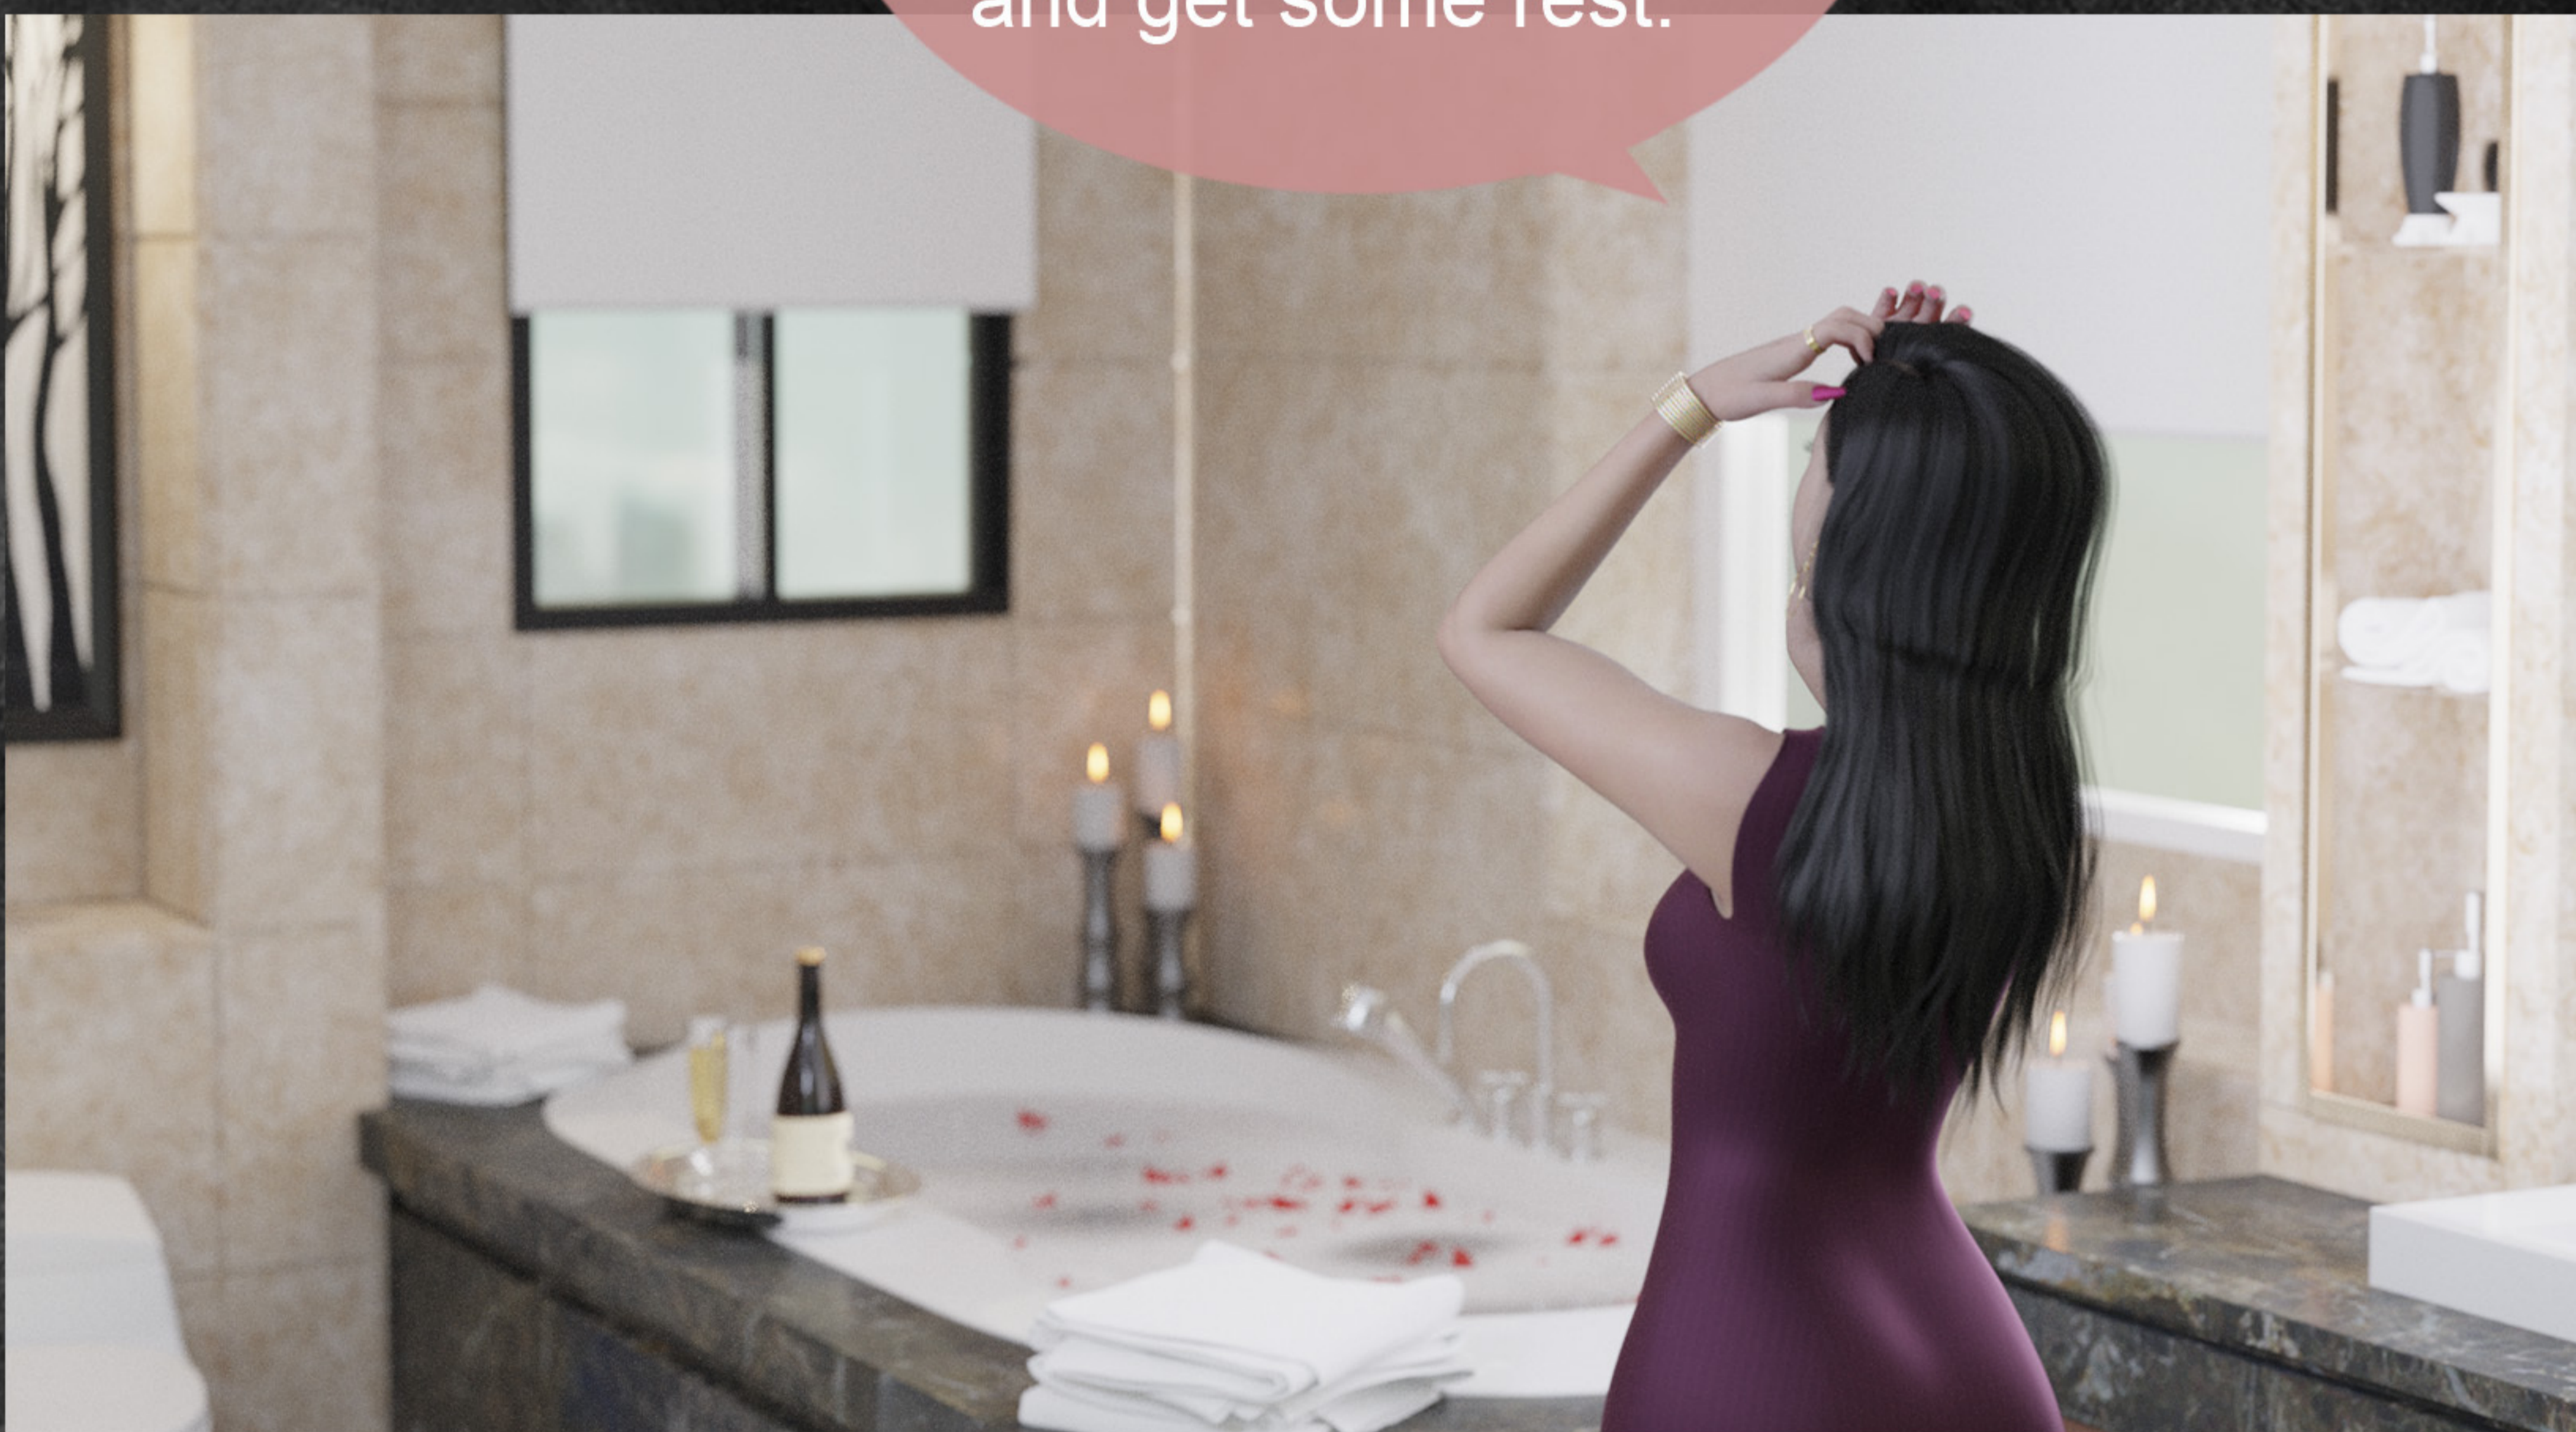

I didn't believe
magic or curse.

Until one day, I was
nowhere left to run.

Working on the plane makes me so tired. I can finally go to hotel and get some rest.

I'm so happy to be in
the same team with
Hsiao-Tung.
I'm so lucky.

Let's go shopping with Hsiao-Tung later.

Shut

Ahhhhhh

Don't move!
Follow my order!

I'm not going to surrender to you.
Don't do anything you will regret. You
still have a chance to walk away.

My fiancé is a police
officer in the major
crimes division.

You are one brave and courageous beauty.

Don't know your character arouse my lust even more?

A photograph of a man in a black jacket and jeans, holding a knife and threatening a woman whose back is to the camera. The scene is set in a room with a tiled wall. Two speech bubbles are overlaid on the image.

Unfortunately,
today I'm not here
to rape you.

I have something
more important to
finish.

This knife will decide whether I escape successfully or not.

Wait! Please calm down!

What...I.....
I can't move.....

Ahhh.....
Ahhh.....

I didn't expect what
Richard said is true.

It seems I am out of
the trouble.

Um.....

Do I really want to wear this thing on me?
