Panel 1: We then cut to Bon, who's sitting at his game table, wearing a big smile as he tosses a bunch of panties up into the air. Shelly and Humpy both sit to the side. Shelly's leaned back in his chair, eyes already red. Humpy's smoking a blunt, blowing smoke into the air. Tubby still hangs above them, although now he's attracting some flies. For this shot, the camera's overhead, and Bon's throwing the panties straight toward it.

BON: Griswold's dead, Griswold's dead!

Panel 2: As panties rain down around them, one landing on Shelly's head, covering his eyes, Bon flexes his muscles, feeling proud. Humpy flicks his blunt, knocking ash onto the ground.

BON: I created the strongest being ever and *killed* it. Goddamn I'm awesome.

Panel 3: Humpy hands the blunt over to Shelly, who takes it with one hand and lift the panties up, just over one of his eyes, with the other.

SHELLY: Technically Hen-Tie—

Panel 4: Bon, looking proud, snatches the blunt out of Shelly's hands before he can even hit it. For this shot, Shelly's in the foreground.

BON: Aaaaaaall me.

Panel 5: He then takes a long hit, leaning back in his chair.

Panel 6: He blows the smoke high into the air, and it forms into the phrase "*Bon is best.*"

BON: Soon Hen-Tie will deliver the panties and we can put this mess—

PAGE EIGHTY-SIX(five panels)

Panel 1: Behind their table, there's a massive explosion, smoke and debris billowing out everywhere. Bon's eyes are wide, while Shelly and Humpy don't seem to care at all.

SFX: Booooooom!

Panel 2: Bon, furious, whirls around, ready to chew somebody out.

BON: What the—

Panel 3: Closeup of Bon's eyes. They're incredibly wide because he's *terrified*.

Panel 4: We then show Griswold standing there, giant hole in the wall behind him. His stomach's been ripped open, and where the crystal was, there's nothing a crater and a bunch of dangling wires.

BON(not shown): *Fuck*.

Panel 5: Closeup of Griswold's face as he glares at Bon.
