

# Eve - the first Bimbo

Some old books, written by mankind tell you the story of Eve, Adams first wife and Lillith, who was banned by God from the holy Garden Eden....

But this Story is not true. Eve and Lillith was from the same tribe...and Twins. Both was strong and well trained woman, knowing exactly what they want...and what not. One day, as Eve's bark sunk after a storm on a unkown island:

Shit!  
What for a mess!

Wait.  
Where am I?  
This cave...

...  
is calling my name?

Why do  
everything look  
so blurred?

Without any fear Eve get back on her legs. She may not know where she stranded, but someone in that strange cave is calling her by her name...maybe somebody who can say where she is?

# Eve - the first Bimbo

The Elder in her village often spoke from Legends where strange, unrealistic lights and effects happen...on magical places which exist on earth, long before Atlantis sank into the floods.

Unbelievable.  
I never listen to  
the old folks...

EVE!

But  
I have never seen  
something like that  
before...

It looks  
like water...  
but...

STEP

...gna...  
who cares. Let's  
go Eve!

0008

# Eve - the first Bimbo

And so the strong and confident amazon stepped through the strange looking portal without any sign of fear. The spear in her hand, the secure about her own strength and possibility gave her the security she needs to explore unknown parts...

This voice  
in my head...why  
does it sound so  
familiar?

THERE  
YOU ARE...

EVE!

WE HAVE  
EXCEPTED YOU!

# Eve - the first Bimbo

FOLLOW  
THE WAY...

EVE!

DO NOT  
FEAR...

And this  
voice...it's louder  
to hear...

What is this  
place? It looks...  
mystical.

# Eve - the first Bimbo

YES...

EVE!

COME...

CLOSER!

Without any fear Eve steps inside the, surprisingly warm, water...not realizing that her Loincloth is completely vanished by some unknown magic. Is it smart to go further into that strange, mystical place?

# Eve - the first Bimbo

This water feels...different... it is warm...

...and it smells like Strawberrys? How can water have such a smell?

This place is mystical. I need to be carefull.

As Eve said: This place is mystical. How true her words are are clearly to see as her pubic hair vanish after she left the water...

# Eve - the first Bimbo

SO...

By all...  
That place is

CLOSE!

INCREDIBLE

COME...

# Eve - the first Bimbo

A woman with dark hair in a bun stands in a dark, cave-like setting. She is surrounded by glowing blue statues of women holding glowing blue objects. In the background, there is a fire on a rock. The scene is lit with blue and purple light.

I've never seen such a place before. Is this all the so called magic our elder are talking about?

I feel a presence...a very powerfull and strong presence...

...but here is no body else... just me.

# Eve - the first Bimbo

THERE...

YOU...

ARE!

It is obvious that this place must be a temple of femininity. Well endowed femininity to be true...

# Eve - the first Bimbo

Without any warning a wave of energy rushed over Eve's body as violet flames appear on the surface of a small water puddle...and inside the flames some burning eyes shimmer...

What the...  
what is this  
magic?

GREETINGS

EVE!

But what ever comes through the magical portal seems human...and female.

# Eve - the first Bimbo

*Greetings  
the chosen one...  
Eve...let me  
introduce...*

*I am Lustra,  
the Joybringer,  
and bringer of your  
Destiny and that  
of the whole  
world!*

*It was  
your fate to explore  
that mystical cave and  
my old Temple. No one  
else would see this  
island.*

# Eve - the first Bimbo

How do you know me...who... what are you?

*I know everyone who is alive. As I said: I am Lustra, the Joybringer.*

*My Sisters and I once created the universe and the world where you live.*

So you are a goddess? I will not kneel. I never do!

*Ok but you will kneel and more ... not before me. And yes...I am a Goddess...*

*But unlike my sisters I still have an eye on this earth...and I do not like the fate which will take place. So I take care that the future will be more Joyfull.*

# Eve - the first Bimbo

# Eve - the first Bimbo

eeeerrrr....

# Eve - the first Bimbo

Lustra...  
why me... I feel so...  
weak...

# Eve - the first Bimbo

*Because you  
are weak now, Eve.  
I drained all your  
strength away.*

*For your  
destiny physical strength  
is not needed...but some  
other attributes.*

I am a warrior!  
I need my muscle strength!  
I NEED to be  
strong!

# Eve - the first Bimbo

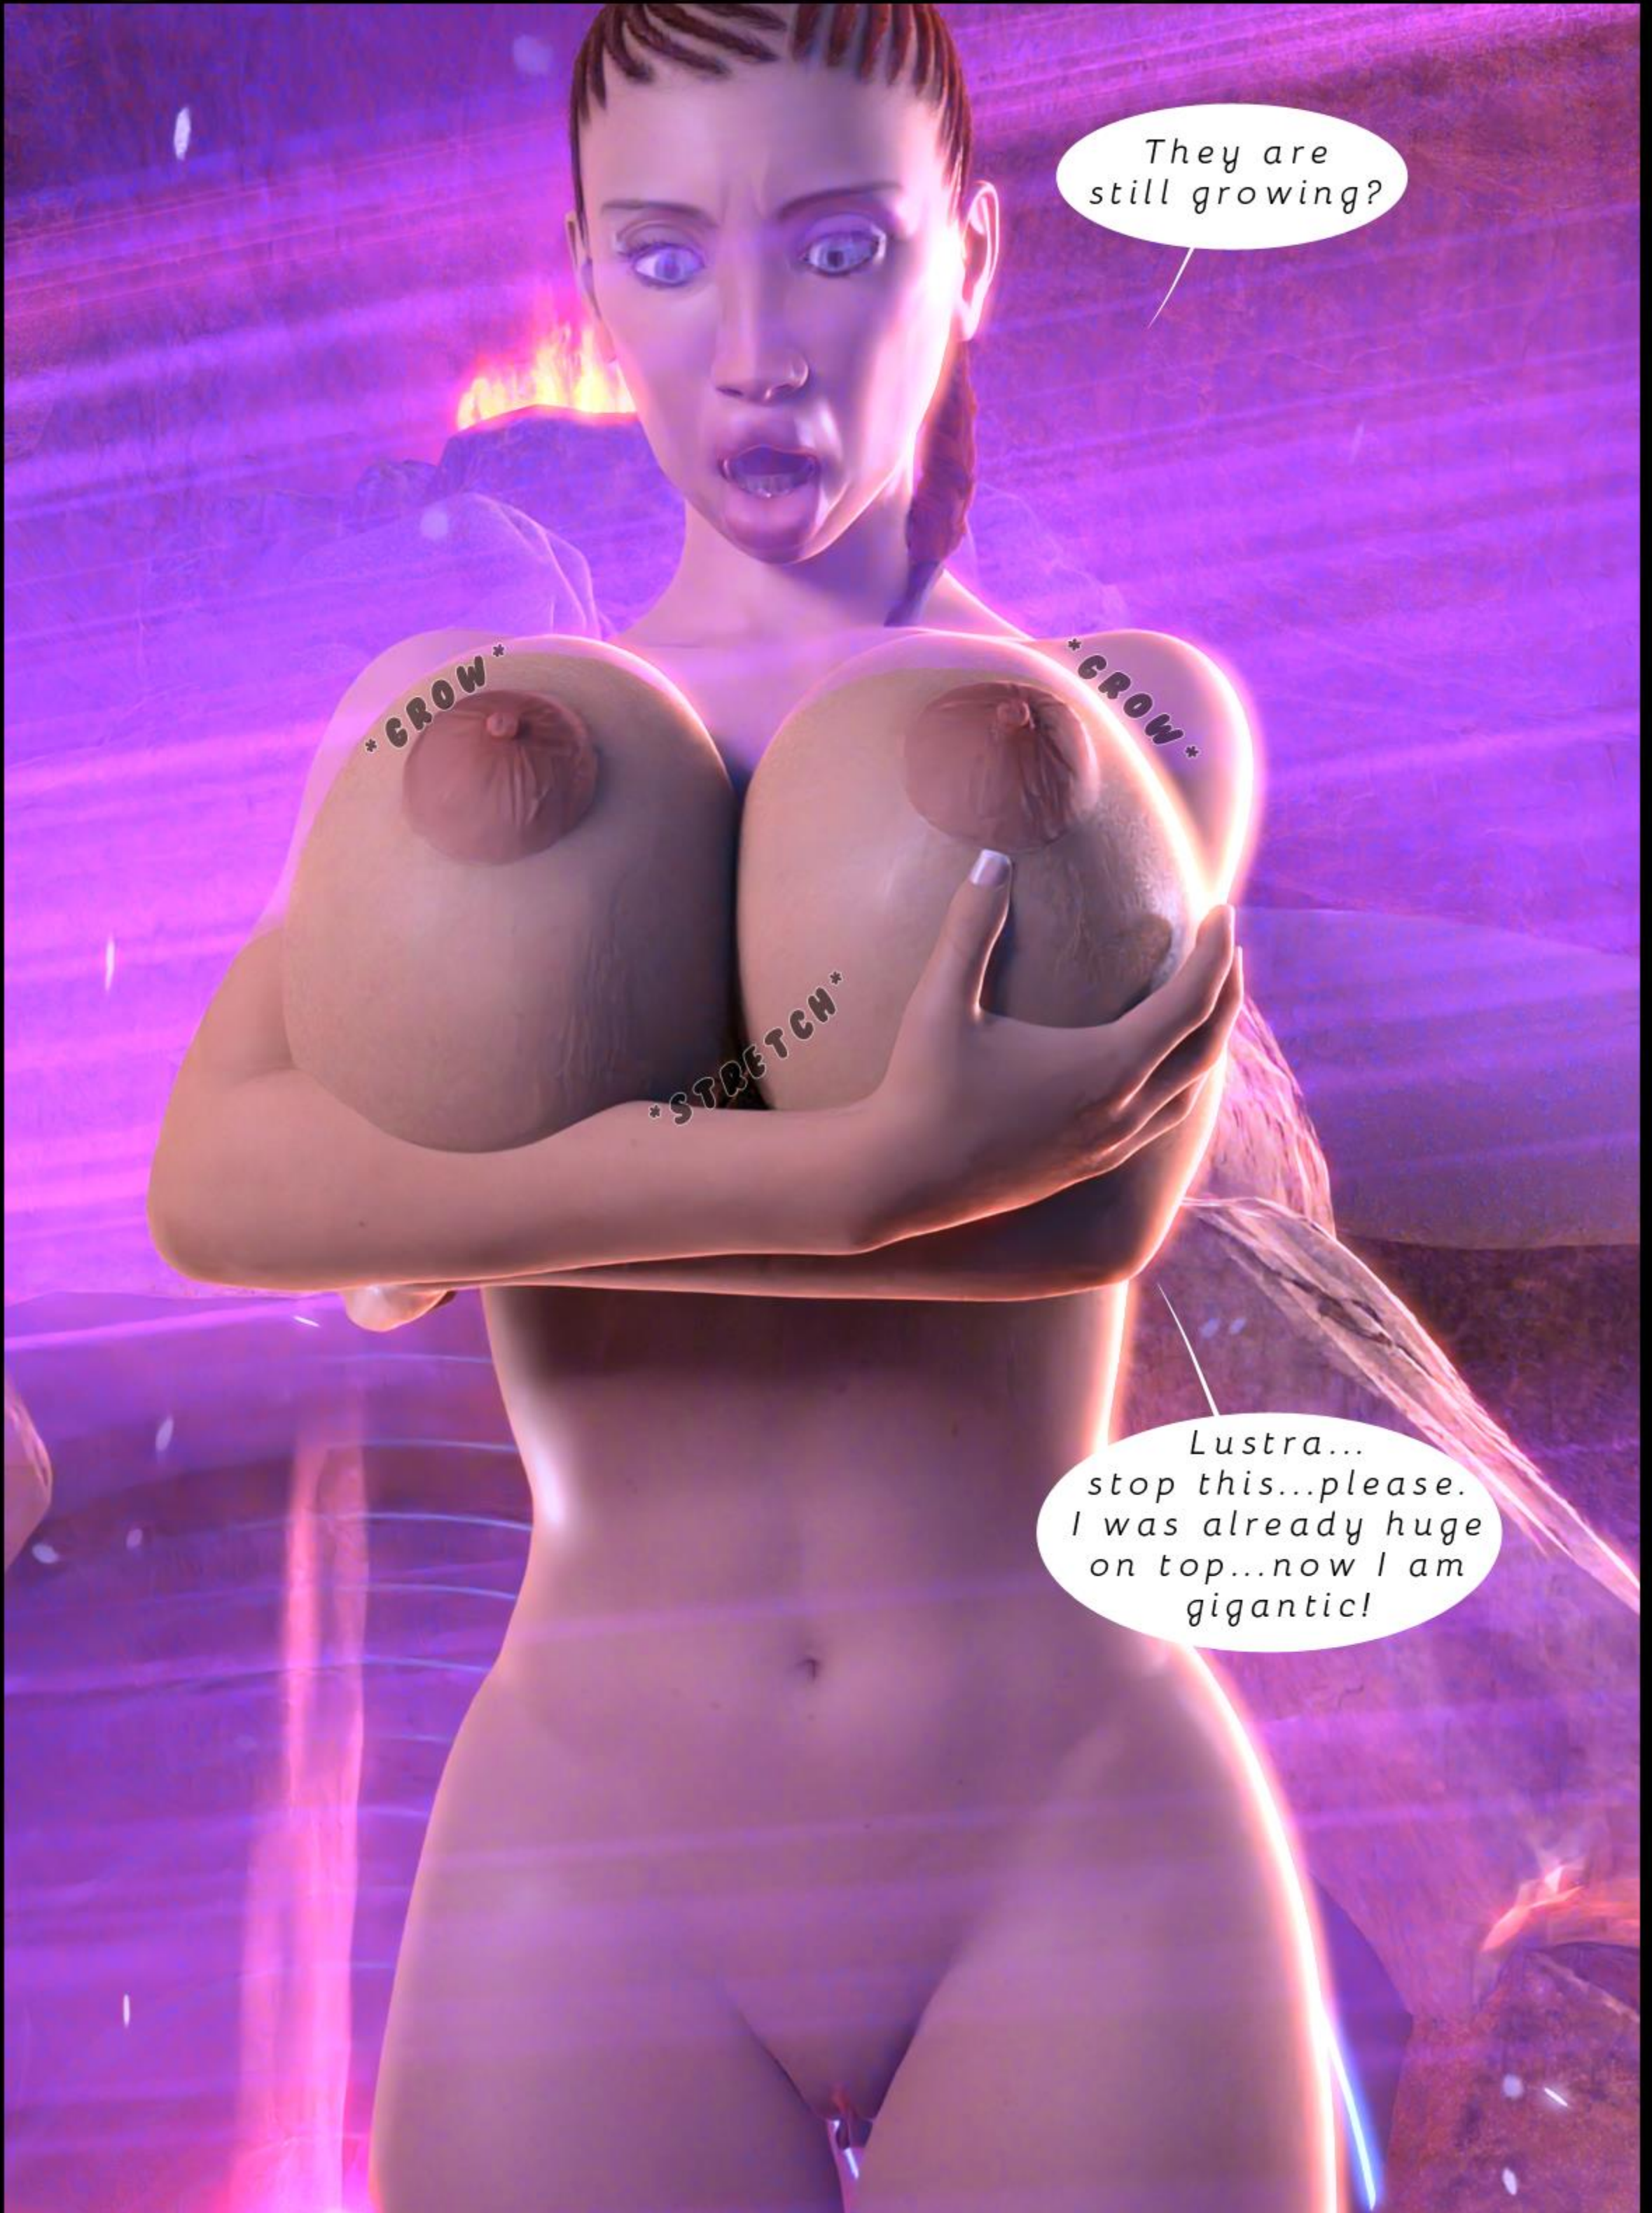

You are kidding me Lustra, aren't you?

\*CROW\*

\*CROW\*

\*STRETCH\*

# Eve - the first Bimbo

They are still growing?

Lustra... stop this...please. I was already huge on top...now I am gigantic!

# Eve - the first Bimbo

*Eve!  
Calm down. I have to  
do these changes. It  
is for the future of  
every woman.*

That is  
what you  
say...

*I have a younger  
brother. Jakve is his  
name. He always was  
jealous because he was  
the only guy...*

Okay...  
keep on. I am  
listening...

*After eons, as  
my sisters moved away  
he took his chance and  
manipulated many  
women.*

*With each new  
generation femininity will  
fade away. You and your  
sister are no exception.*

# Eve - the first Bimbo

After your return he planned to take you away from your place, forming you ...

...into his ideal woman...a woman who hate her womanly attributes and feel shame for ...

...every pleasure. It would become an archsin and in thousands of years most woman...

...will feel shame for showing some flesh...and more!

# Eve - the first Bimbo

That IS  
what Jahve  
want?

*Not only that  
Eve. He wanted to transfer  
all your power to a guy named  
Adam - he should be your  
Husband...and Master.*

*With him  
you will have two sons.  
But your Sister is also in  
his plan. She should  
become a sinfull  
demon.*

*Cursed and  
alone for all eternity...  
while you will die in  
nearly 27 years by  
the hand*

*of an  
barbaric guy from  
an another tribe.*

# Eve - the first Bimbo

*But I will make you imortal Eve! You will be eternal young and beautyfull. We will change my brothers interference back to non exist.*

As the unkown feeling in her loin getting stronger and stronger Eve could not longer resist the urge....

...to suck...her Lips seems to spread by themself, sucking the delicious finger inside her waiting mouth...Eve never felt that Horny before...

*Yes...child!  
You and I...we will make the world a better place...and all it costs is your masculinity.*

# Eve - the first Bimbo

*I see...I choosed the right fruit...*

...and never in her entire life before she used any

*...to become my slutty head priestess.*

But these days are over!

# Eve - the first Bimbo

# Eve - the first Bimbo

Lustra...  
I am...sorry...  
but...I...can't  
resist any  
longer...

Wka....

\*BUMP\*

# Eve - the first Bimbo

# Eve - the first Bimbo

You  
taste delicious  
Lustra...taste all  
Gods like this?

*I don't know  
Eve...but we Gods  
can more...*

*...a lot...  
\*moar\**

# Eve - the first Bimbo

Feel my dickus  
longus maximus  
Eve!

Oh my...  
YOU are  
FILLING me out!  
Deeper...

\*FLUMP\*

# Eve - the first Bimbo

**HARDER!!!**

*Ok myself...  
I have done it...  
Bro...ther...listen!*

# Eve - the first Bimbo

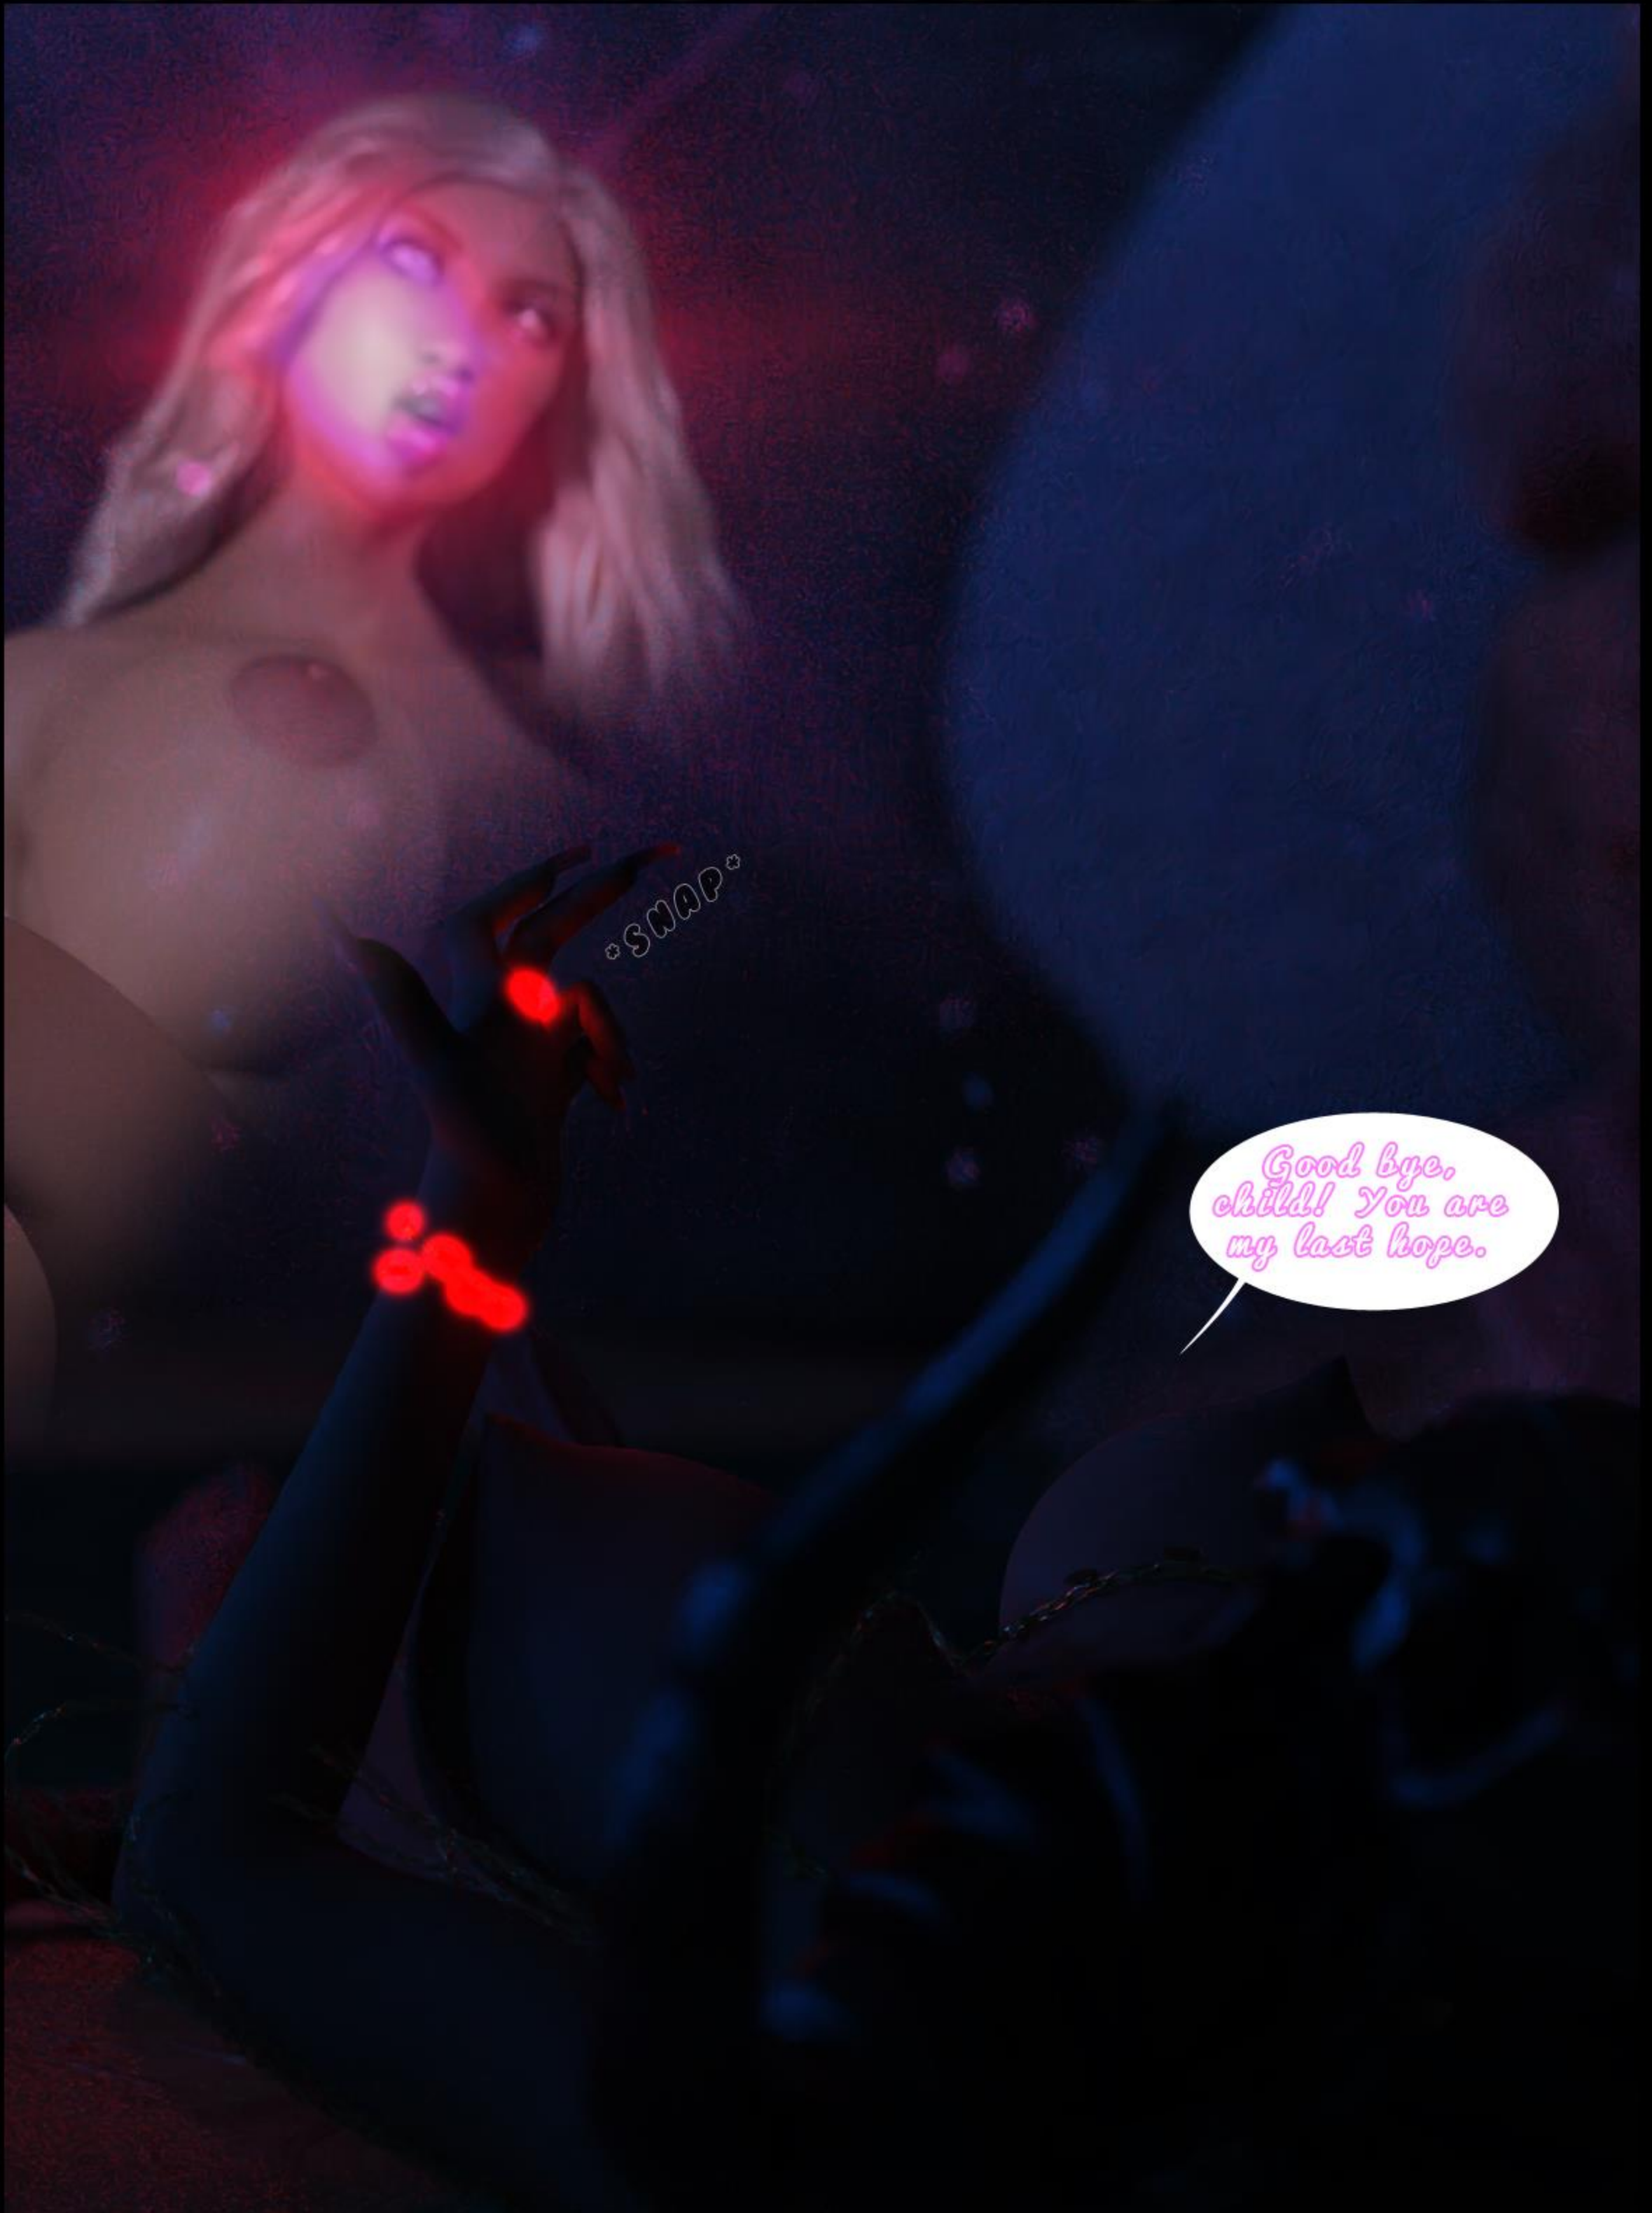

**FASTER!!!**

*YOU will never ever destroy the ultimate femininity! Never, brother!*

*And you Eve... transvercalis, now here and then there...*

# Eve - the first Bimbo

\*SNAP\*

Good bye, child! You are my last hope.

# Eve - the first Bimbo

We all  
do...

What the...

Home? How?  
Why am I  
at my home?

# Eve - the first Bimbo

What for a crazy miracle. Reduced... changed to...what am I now?

What did Lustra say? I am her High Priestess? Of what? Pleasure? Lust?

How should I explain this to my parents...to my Sister?

There is the barracks. Lil should be there.

\*jiggle\*

\*wiggle\*

# Eve - the first Bimbo

I hope she is there...but...

Why are those steps so...gigantic? Have I shrunk THAT much?

Damn... all that jiggling makes me... crazy

\*boing\*

I can feel how I got more and more aroused... just of the jiggling flesh.

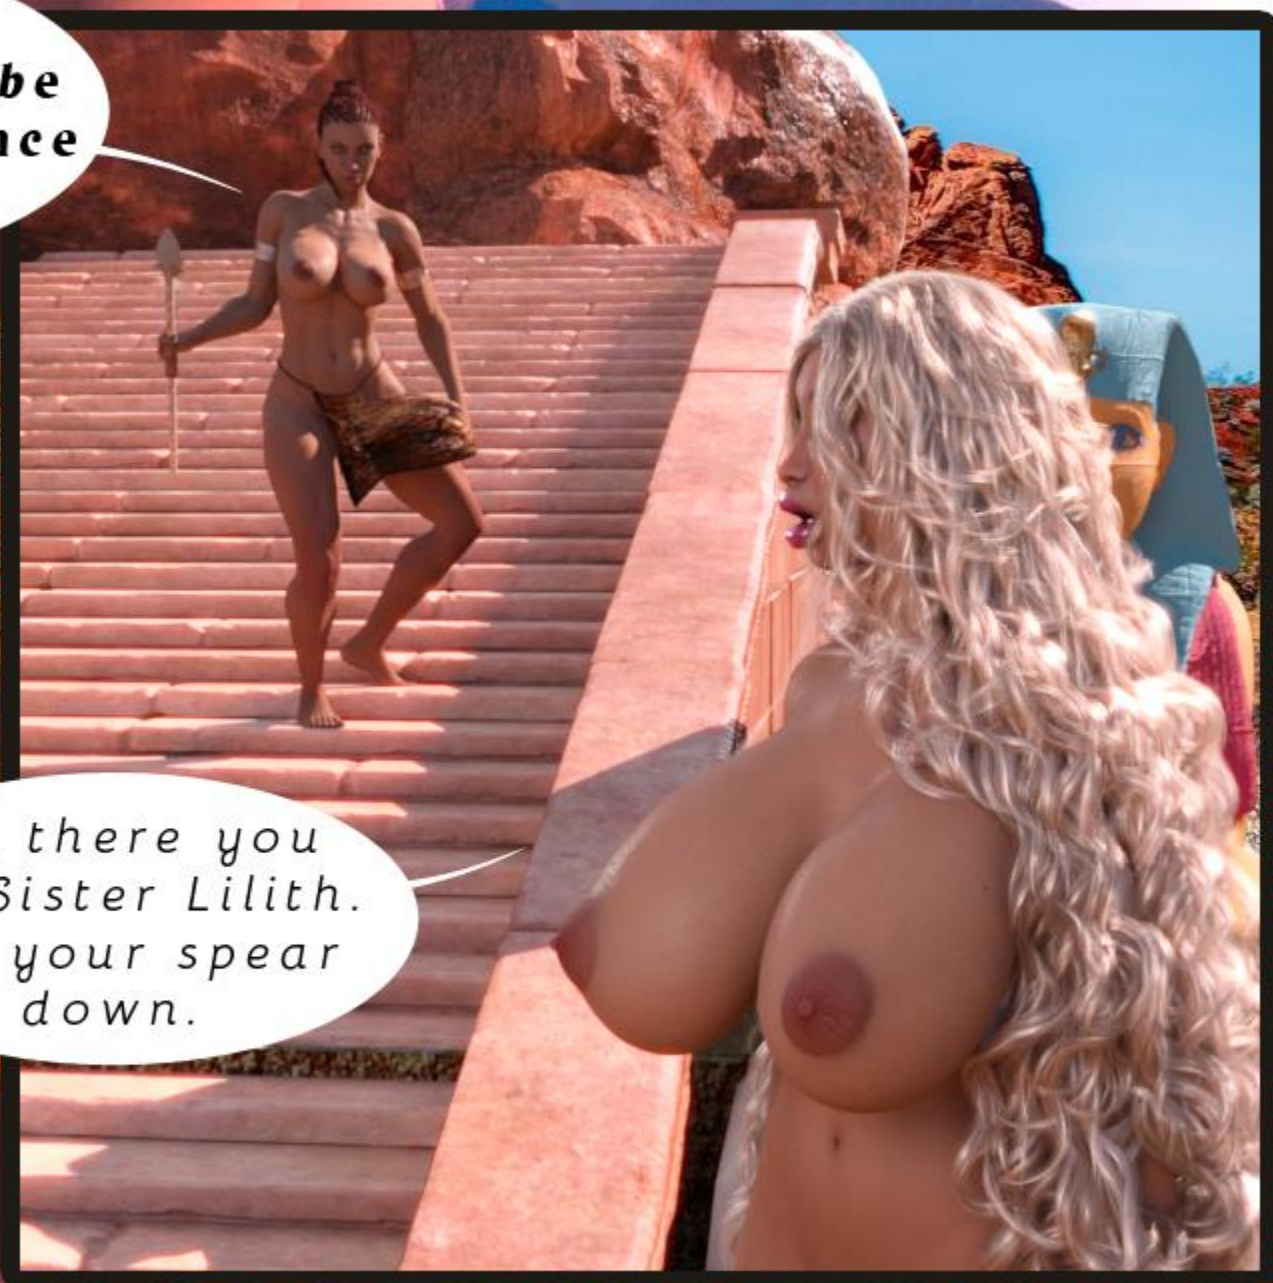

# Eve - the first Bimbo

Damn...I am out of breath already...

I have to get used to the extra weight.

**You there! You are not allowed to be here. Leave this place or I will...**

Ah, there you are Sister Lilith. Put your spear down.

# Eve - the first Bimbo

"Sister" Lilith?  
Do I know you Woman?  
Explain yourself!

I know it  
is hard to  
belive because  
I look different  
now...  
but...

I am Eve...  
your Sister. WE  
are Twins, our parents  
died while the nameless  
tribe rided our village  
and after that WE  
hunt them for weeks.

That is no secret  
Woman. You are not  
Eve...speak!

# Eve - the first Bimbo

And yet it is true. I went out a few days ago and found an strange island...there was that goddess...

...she changed me into what you see right now. And now...

Pfff...a strange Island? \*snicker\* and a GODdess? \*bwaHAhaHA\* sure...

**HAHAHA HAHAHA**

Woman...I haven't laughed that har...

Oh you are laughing? Well a secret that only YOU and EVE know...You are still a VIRGIN Lil!

# Eve - the first Bimbo

You are still waiting for the right one...but all who wanted you are just morons...like Anwar the boy of Essam.

Because his dick is so tiny...

Or that little boy...what was his name? You punched him so hard after he touched your nipple by accident that he not only loose his teeth...

Adam?  
B...but that knows my...

Yea, what ever. He was pathetic, but now he is an Eunuch...thanks to your bronce knife.

THAT can't be...

**EVE?**

So my dear Sister...who is laughing now?

# Eve - the first Bimbo

To be true Sis,  
I can't believe it by myself.  
You are...so gigantic  
towering above me  
...

...we had the  
same look...and now.  
No one will ever take  
me serious...

...I don't  
know what I should  
do...where I should...  
re-start with.

Oh...  
Eve...

# Eve - the first Bimbo

Sister,  
forgive me that I  
did not recognize you  
with that...new...er...  
voluptuous body.

Now I see  
you clear before me.  
Come...first we go  
home.

It is okay, Lil.  
I am sure I had done  
the same, when I would  
be at your side...  
of view.

Then I will go  
to the commander.  
One of our best...  
have changed.

Yes...I...  
i think this would  
be the best choice...

...I never  
felt that unsure...  
or weak!

We have to  
find a solution for  
this...situation.

# Eve - the first Bimbo

And while we walk...why don't you tell me exactly what happened to you Eve.

Yes, why not Lil. As I said earlier I got surprised by this storm and my felucha sunk. Everything went black as I woke up...

...was there this unknown island. There was not much, only this cave...

...it was a magical place Lil... like in the story's of the elder...

...you know I never believed that crap...but after this... Magic is real, Sis.

# Eve - the first Bimbo

As my body changed Lil... it was...incredible. I felt everything.

Breasts? Aroused? Horny?

Or as my boobs grew...i could feel how they pushed forward.

And those feelings...I never felt that aroused before...I am still horny as hell.

# Eve - the first Bimbo

# Eve - the first Bimbo

And **WHAT DO YOU THINK** are you doing?

**LILITH!**  
I...er...i...  
it...doesn't luck  
like as you  
think...

Forgive  
me Lilith.  
I am so, so  
sorry that  
I crossed  
your way.

Get **LOST**, Adam!  
Next time I see  
your fat face...

Yes...as  
you wish Lilith!  
Forgive me.
