Behold!
This filthy, perverted
pedophile cartoon!

This is the filth we
confiscated from the
ministry this time.

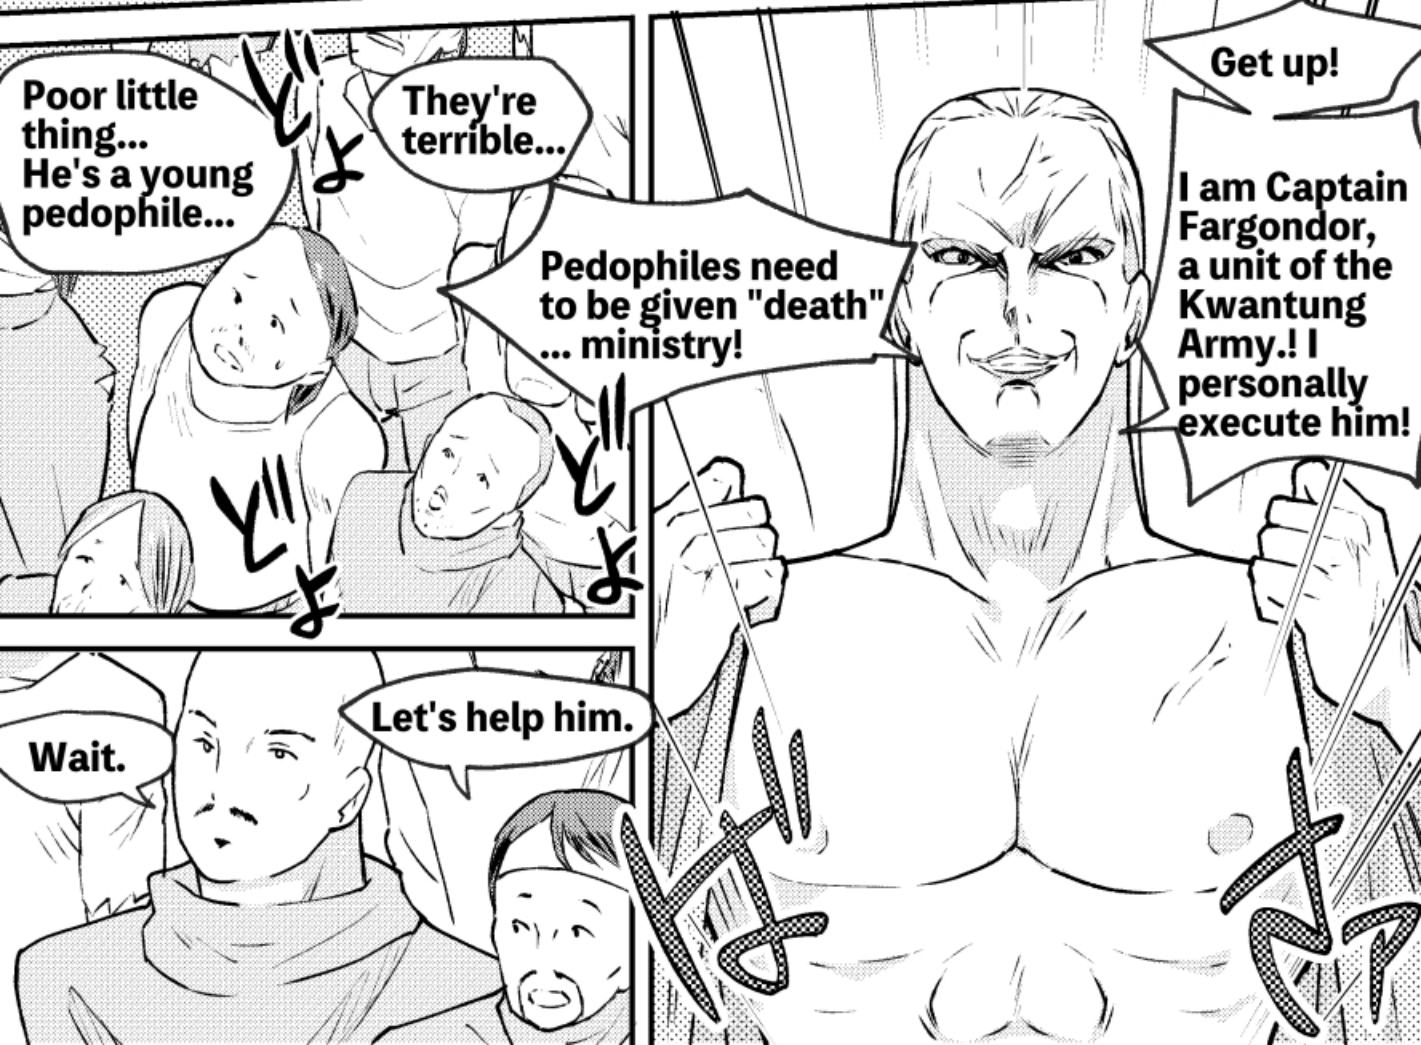

Currently, "pedophile" is
a serious crime in our country.

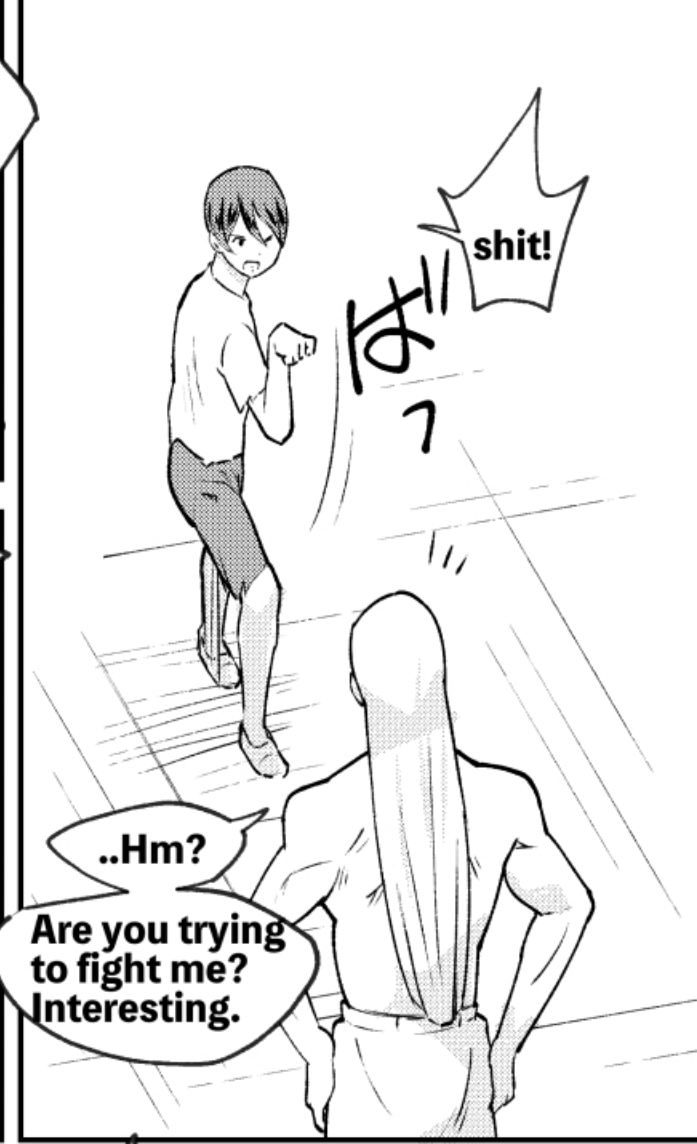

He had this in his possession.
The man here, the accused
"Haino" must be punished
for his ministry!

It's a pedophile
hunt carried out
by execution
squads..!

Not again...

...How many
this month?

fu..n!

I will use my hand sword, which has buried many pedophiles, to put an end to this ministry...

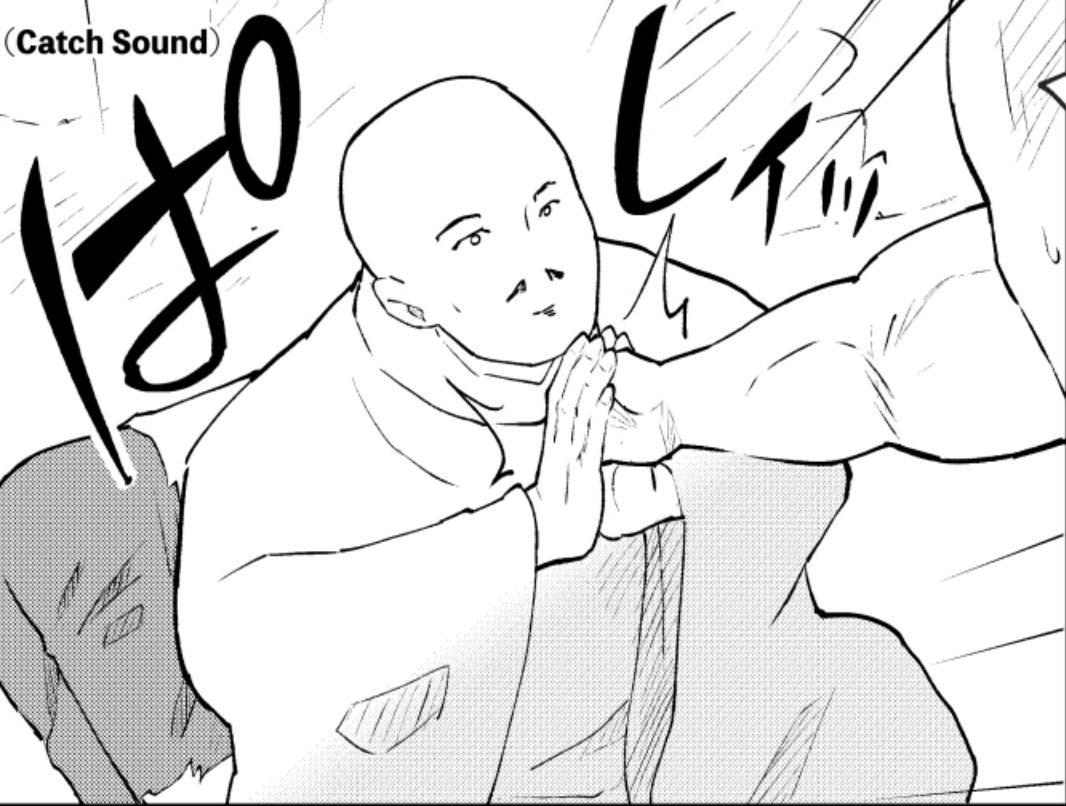

Weak, you trash!

Ouch!

Can you stop it?

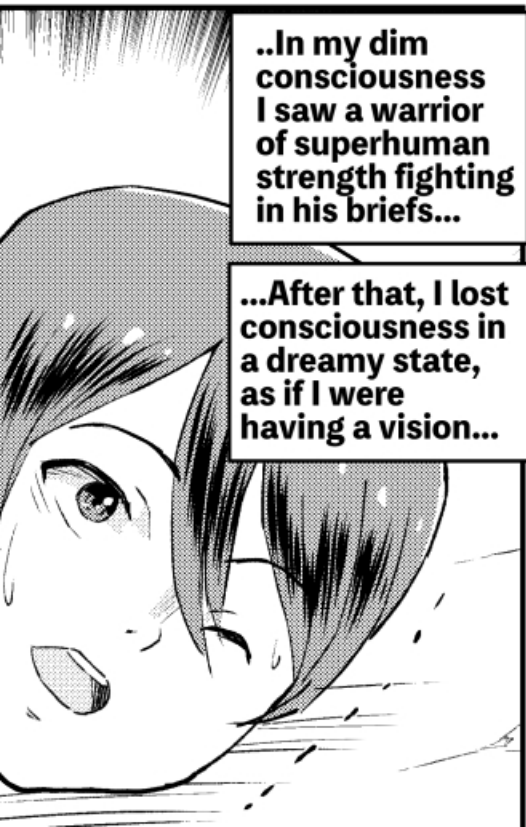

ななな

A pervert like you... Is that the guy you've been hearing about?

I won't let you do it!

He is the general of the Liberation Army... "Panja"!

He's strong!

..In my dim consciousness I saw a warrior of superhuman strength fighting in his briefs...

...After that, I lost consciousness in a dreamy state, as if I were having a vision...

Rest assured, it's our secret base.

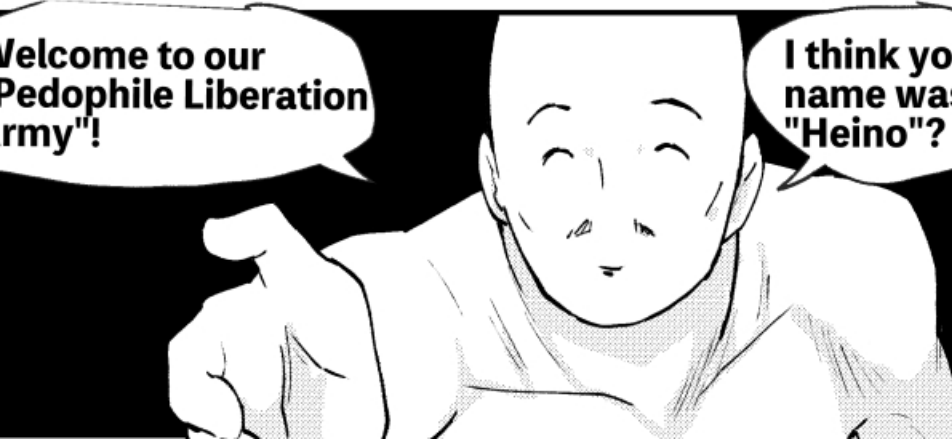

Where is here?

You were saved by this man, Panja.

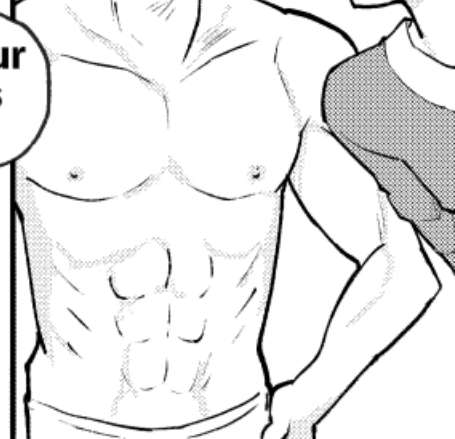

Panja, he's awake.

Good.

Welcome to our Pedophile Liberation Army!"

I think your name was "Heino"?

There were thousands of pedophile men there, rescued by Panja and others...

...their secret base. was deep underground.

My name is "kawata"

Nice to meet you

It's a dimly lit place, but you'll get used to it.

Let's get along.

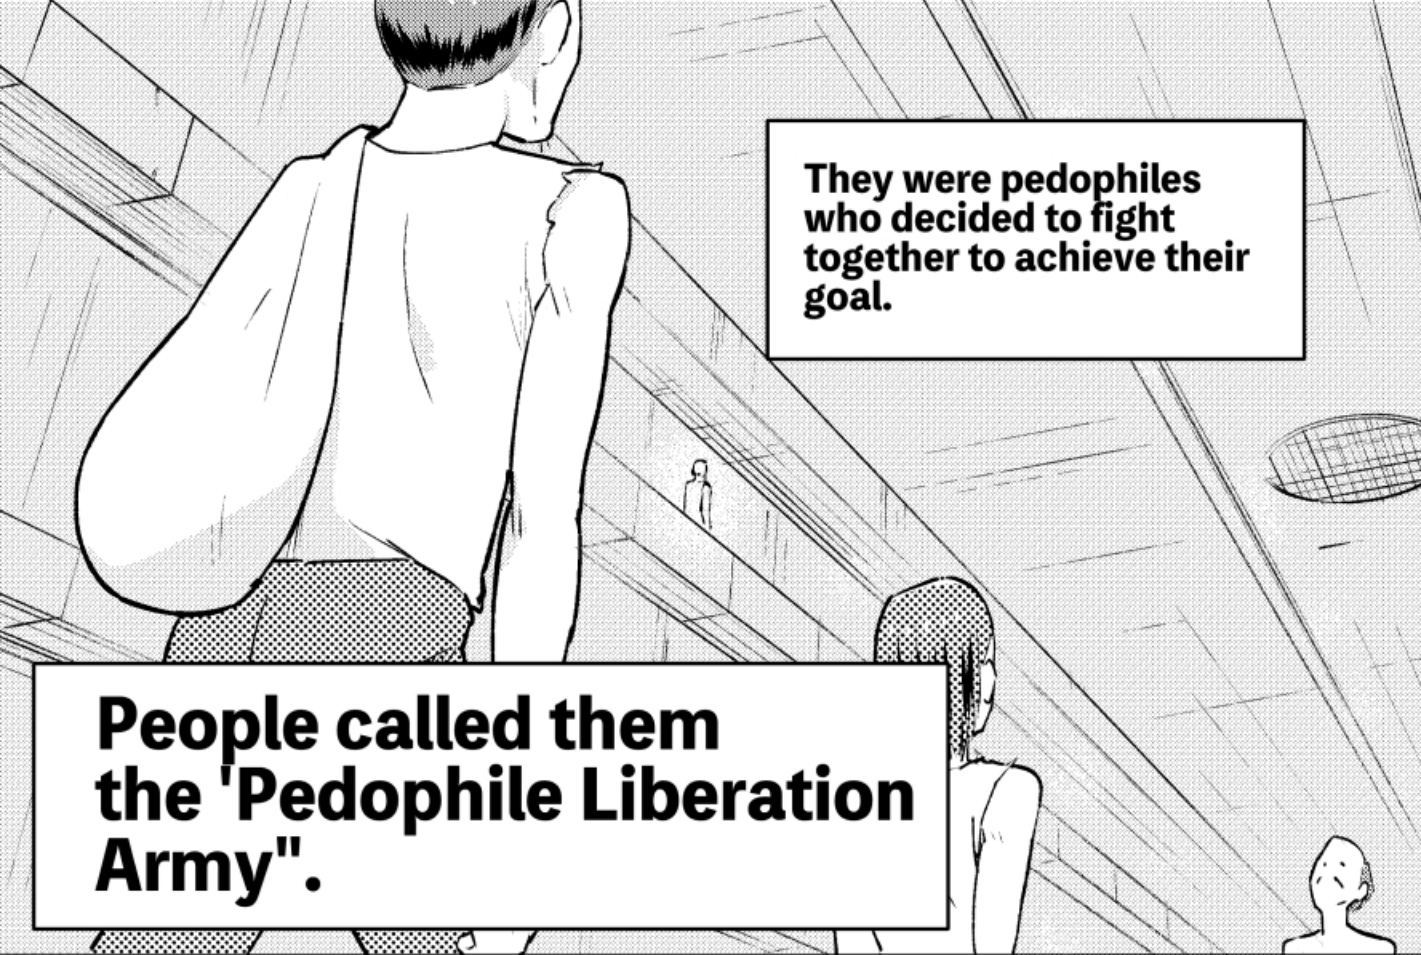

Hi, My name is "Omura"

You're new here.

I'm "Haino"

...Are you pedophiles too?

Yes

They were pedophiles who decided to fight together to achieve their goal.

People called them the 'Pedophile Liberation Army'.

As you know, we pedophiles are now oppressed and trapped...

We, as the resistance, are resisting it!

There are only spirited pedophiles here.

We all train our bodies every day to save our fellow man and to fulfill our long-cherished desire.

Our leadership
ministry!

Oh, behold!

That's a panja!

Pa·n·ja!

Pa·n·ja!

Glory to the
Liberation
Army!

That night I had
another dream...

It's a different world of dreams...

...there was no discrimination
or prejudice against pedophiles...

Let's see what you can do, Mr. Haino.

Yes, sir.

No... no. I'm just.. Only two-dimensional girls..

That's not what I'm talking about.

Ah..

Are you not satisfied with mature women?

Even though they have big boobs?

Just as I thought.

You've got potential.

Good.

Why do you desire a little girl?

Question.

Even though you loved the little girl...

Eventually she will grow up quickly and her tits will swell!

Are you not just ruled by your carnal proclivities?

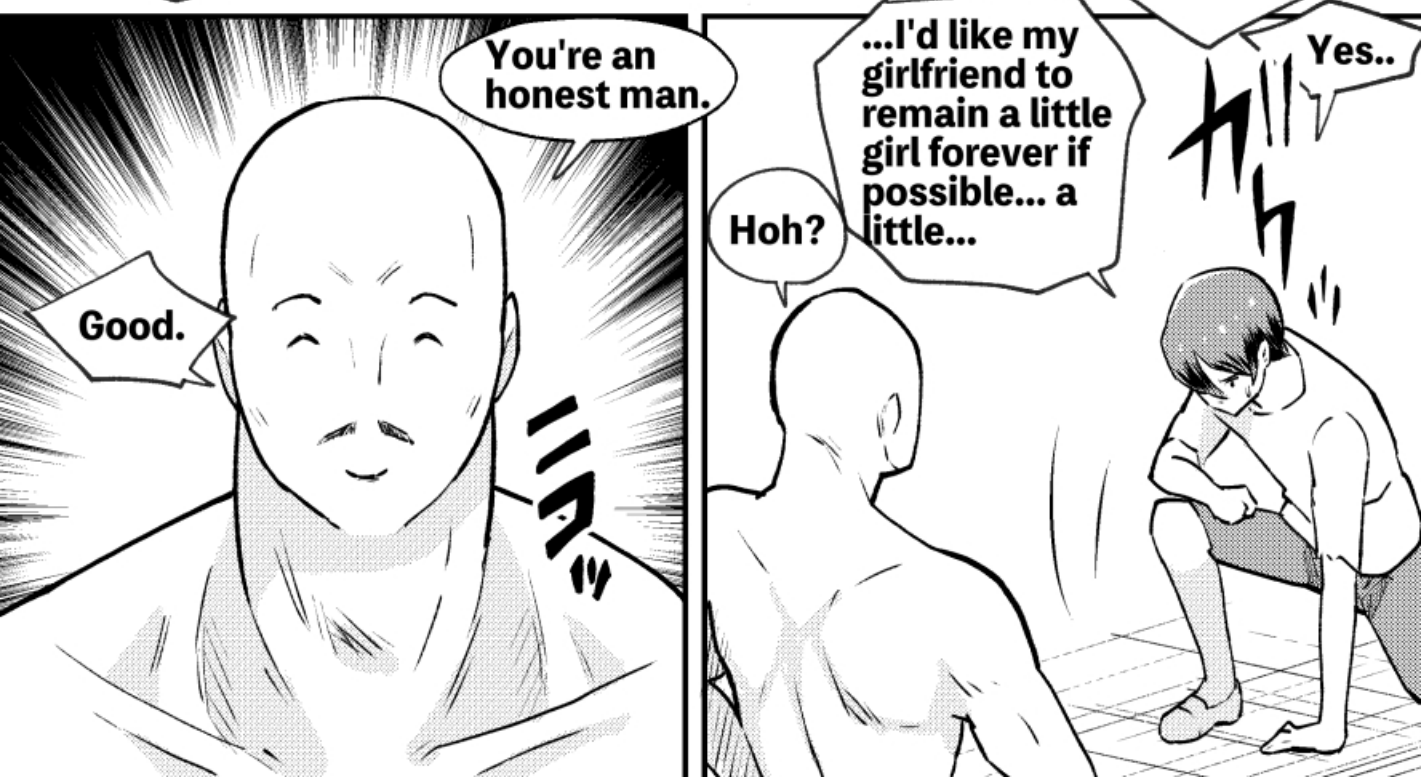

..No..!

No, indeed, if you think about it...

As far as I'm concerned, I don't mind if my girlfriend's tits swell...

I can't deny that desire...

You're an honest man.

Good.

Hoh?

...I'd like my girlfriend to remain a little girl forever if possible... a little...

Yes..

Mankind is now kept alive by the decisions of A.I., which dictate et discipline, and institutions!

In the past, we were able to legally obtain Lolicon manga, games, and anime that we once had access to legally games and cartoons are now are now a shadow of their former selves

Because they were deemed 'evil' by the ultra computer!

It has become a horrible world where just having them is punishable by a brutal execution squad!

But can such a ruthless world really make mankind happy!?

I don't see it that way!

So, I have a secret plan!

...but I can't easily tell you to follow me for it is the way of sin.

However, if we succeed Your dreams will come true.

Will you still come with me?

Yes!

Okay, Let's go!

We're going to get "our one piece" !!

WOOOOOOO...!!

1051... !

1052... !

It started his day...

My days of training my body to the utmost limit, my days of training my ministry.

Heino!
Let's go, we

the mission!
