LOVE

STORY

...as it turns out... I wasn't the only one who had feelings for him.

GOHAN-KUN! YOU'RE SO BIG! AND HARD!

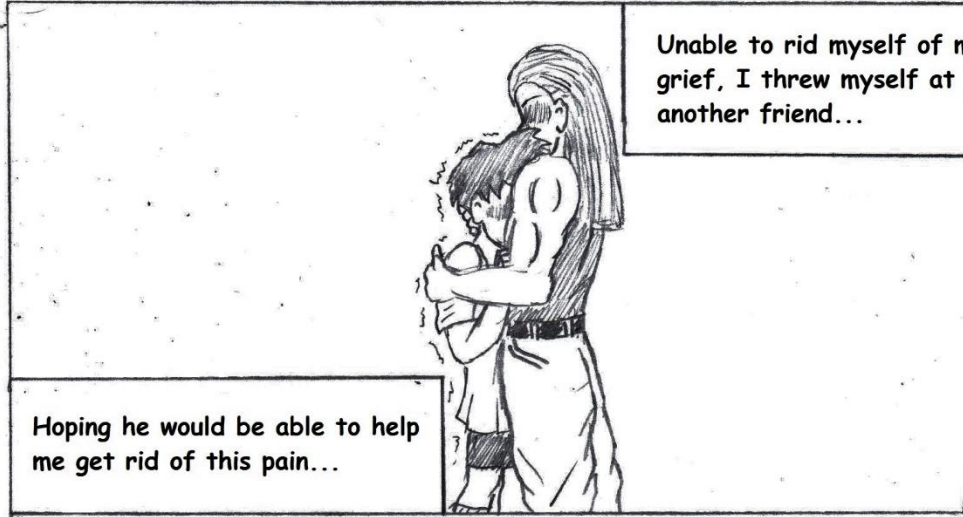

FAP! FAP! FAP! FAP!

Today, I was going to confess my feelings to Gohan. The wonderful guy who taught me so much about his world, rescued me, and captured my heart. I was going to bear everything to him, and let him know how I really felt...

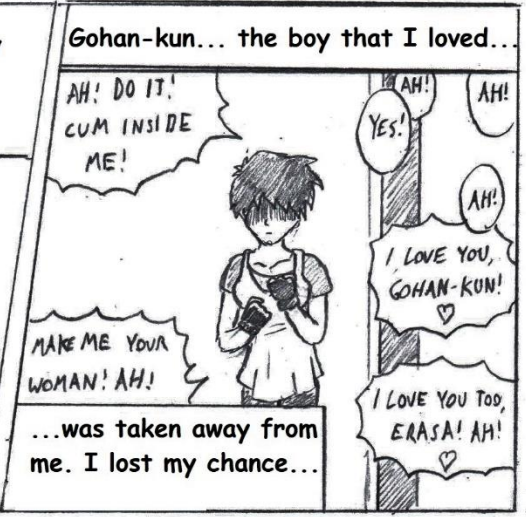

But...

My childhood friend Erasa beat me to it and stole him from me. When I saw the two of them having sex in an empty closet, I was devastated. My heart split in two.

Unable to rid myself of my grief, I threw myself at another friend...

Hoping he would be able to help me get rid of this pain...

Gohan-kun... the boy that I loved...

...was taken away from me. I lost my chance...

...to someone else who desires me... even though I don't love them at all.

Tonight, I'll be trying my best to forget about what I saw. To forget about the boy that I loved.

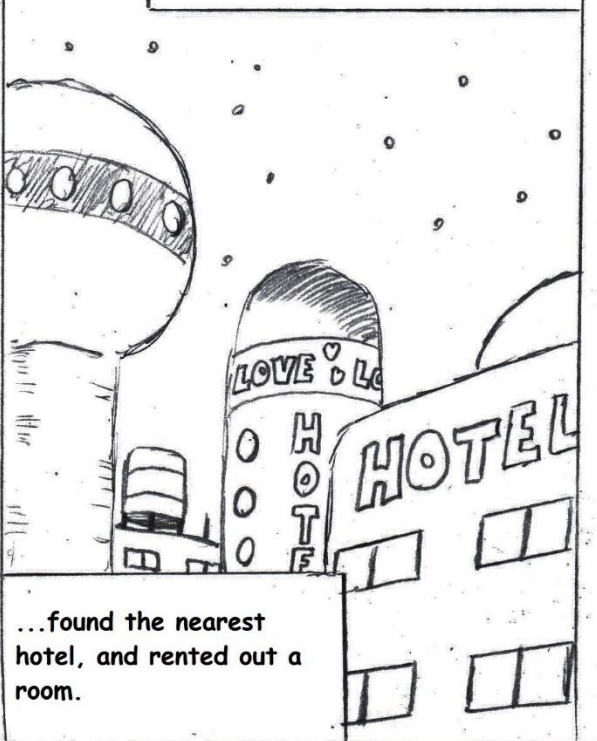

Before I knew it, after school was over, we went straight for the city's Red Light District...

Alright, babe. I'm ready.

I'll be giving my heart and body to another...

...found the nearest hotel, and rented out a room.

Since you are the one who asked for this, you know what you have to do.

In return, I'll help you. Got it?

D-Don't stare so hard, idiot...

Oh, yeah. I always imagined what kind of body you were hiding under all those baggy clothes. Now I know.

Lucky me.

Damn. This is definitely the body of the Champ's daughter. And I'm the first one to see it in all its glory.

Shut up...

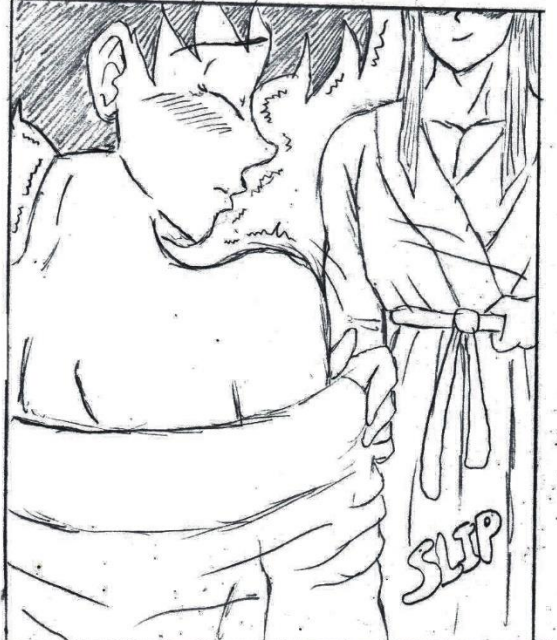

Y-Yeah. I know...

Alright, then.

Strip.

Since I'm doing this as a favour for you after you rejected me the first time, you have to do as I say and service me properly. Now stop covering yourself and get down on your knees.

Huh? Why?

I want you to give some loving attention to my cock. So quit asking questions and do as you are told, Vidal.

Submissive and obedient. Just the way I like you to be.

Hmph. Good. That is quite a good position for you, Vidal.

Y-Yes...

Since I've been with quite a few girls, I'll teach you how to properly take care of a man and pleasure him. Understand?

Were you saving your first time for tjay jerk, Gohan? What an idiot, picking Erasa over a catch like you, Mr. Satan's daughter.

Don't worry. I'll be sure to make you forget all about that dweeb. It will be me who gets to enjoy playing with your smoking hot body. Not him.

Well...?

Are you gonna let me help you or not?

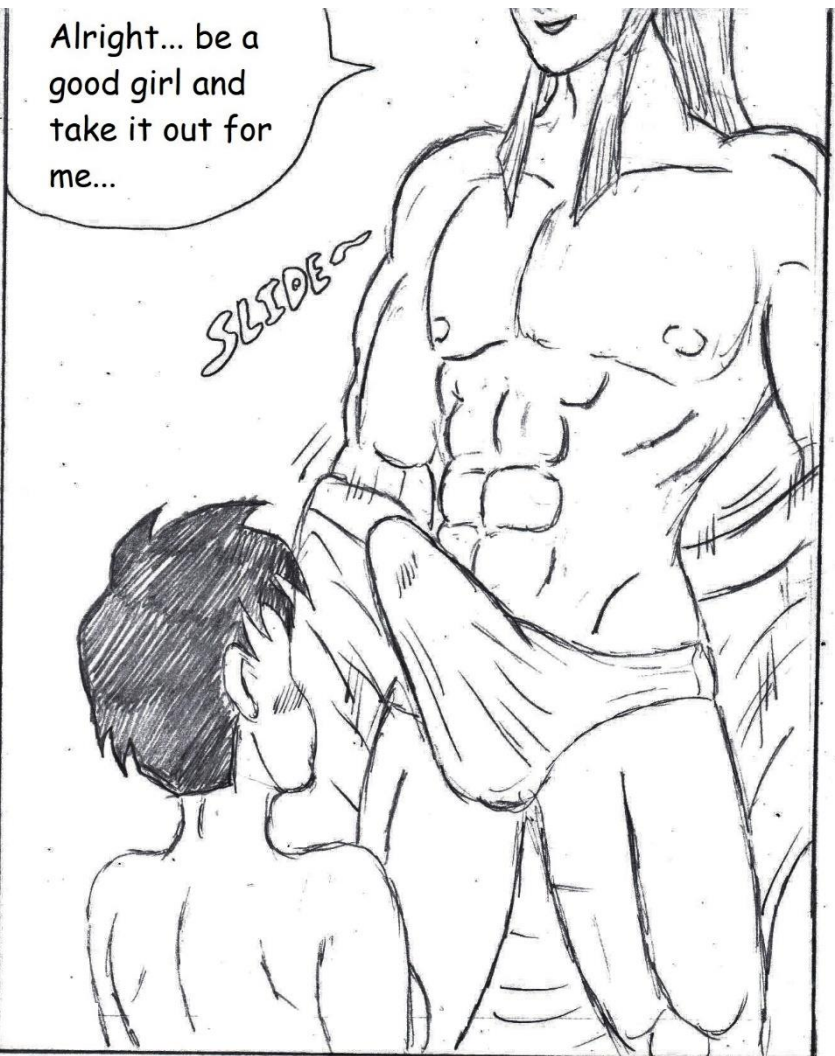

A-Alright...

Tp~

Ah... an I really going to do this?

Ahh!

Alright... be a good girl and take it out for me...

SLIDE~

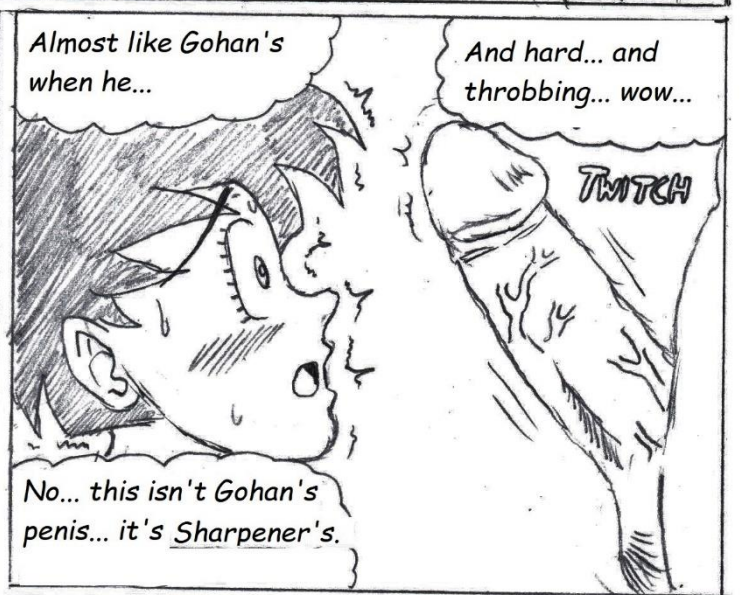

FLAP!

It's... so big!

Heh. I'll bet. Now...

That's it. Grab the base of my cock...

What do you think? It's pretty good, isn't it?

Yeah... it's my first time seeing one for real.

Move your head faster...
