SPY was planted

The situation become more acute

May I ask, where's
my little bird?

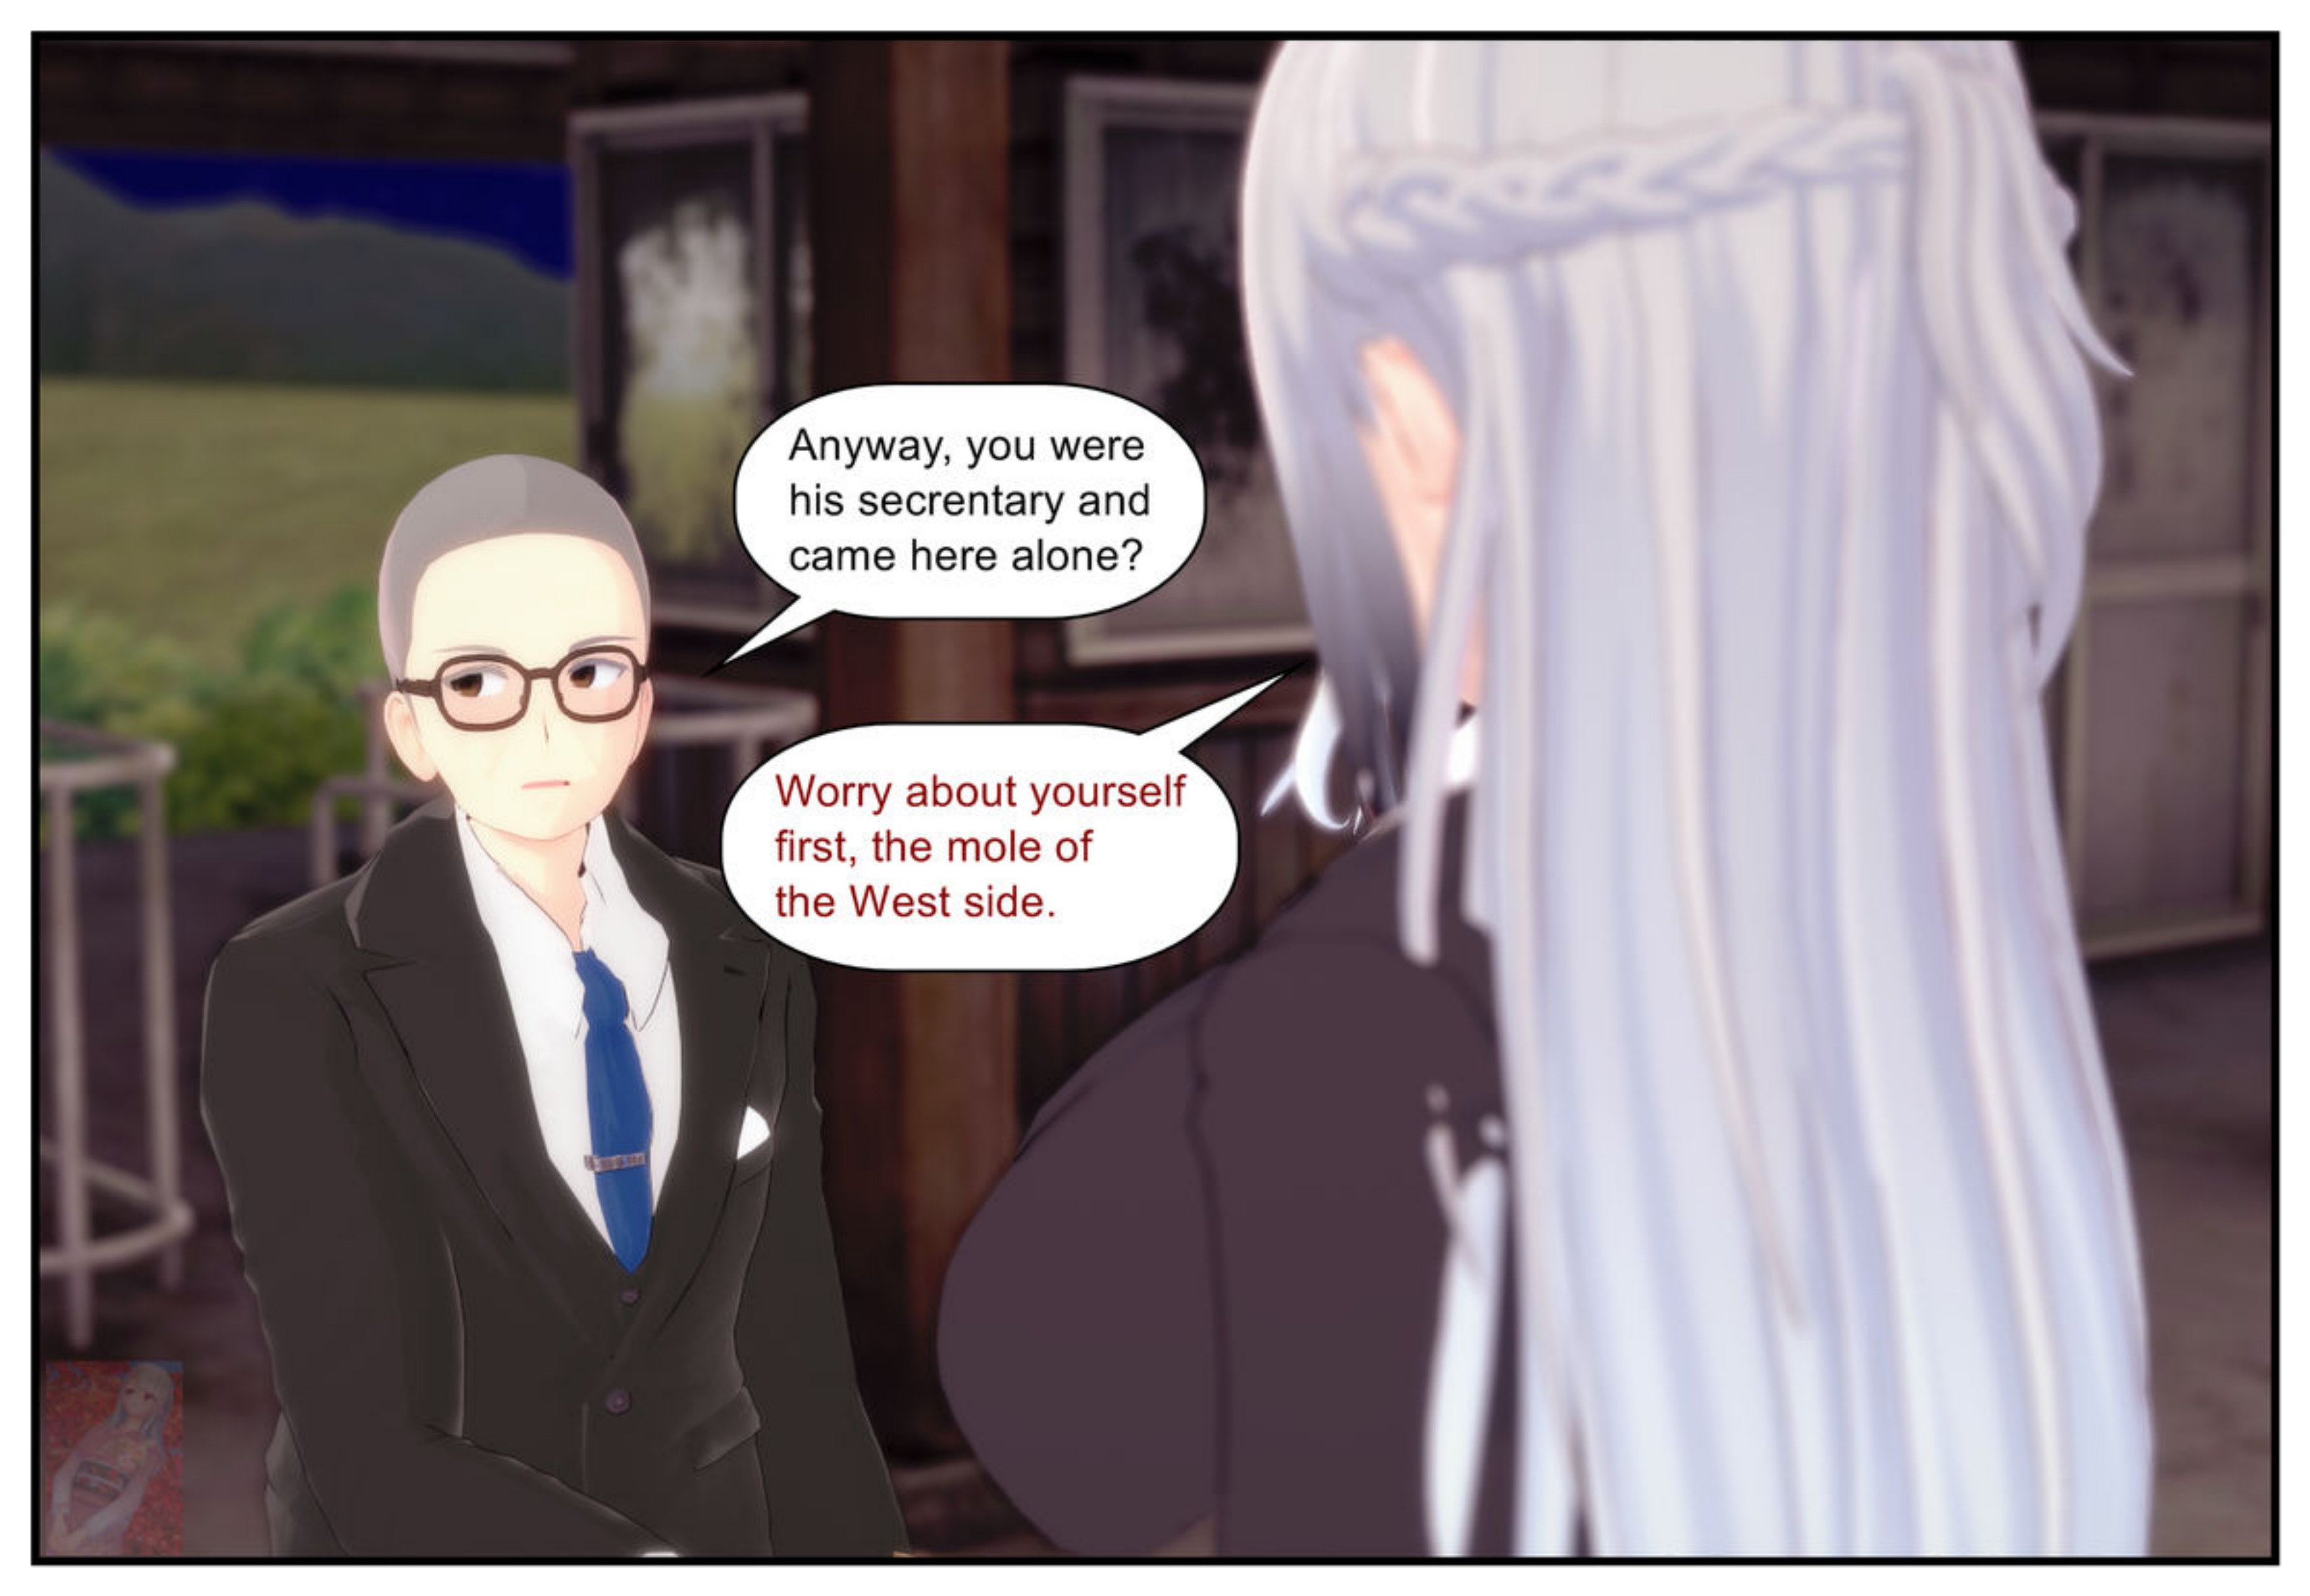

I ate it. It's
no longer here.

You are Leina,
correct? I brought
the package for you.

A man in a dark suit and glasses is standing on the left, gesturing with his right hand towards a woman on the right. The woman has long, light blue hair, is wearing a dark suit, and has a cigarette in her mouth. They are in an outdoor setting at night, with a dark sky and some blurred background elements. Two speech bubbles are present: one from the woman and one from the man.

Files about the
weapon against
the West?

You already knew
what inside. Things
that can get the
whole West turned
against each others.

Anyway, you were
his secretary and
came here alone?

Worry about yourself
first, the mole of
the West side.

A woman with long, straight grey hair and blue eyes, wearing glasses and a black business suit over a white shirt, stands on the left. She has a cigarette in her mouth and is holding a brown paper folder. She is looking towards a man on the right, whose back is to the viewer. He is wearing a dark suit and glasses. The background is a dark, starry night sky with some green foliage and a wooden fence.

Which side paid me more, I'm all ready to serve.

Is that so? Then, I will discuss with him about transfer you the payment.

Pleasure doing business with you.

"A mole is always
a mole.."

"..nothing to make
sure that it will turn
around and bite you
someday.. unless.."

"..you kill
it here."

"I don't need to waste any more bullets on this mole."

"And what he gave
me was all fake anyway."

Phew.. Glad that she didn't fire another shot.

A person wearing a black catsuit and high-heeled sandals is walking on a stone path. The scene is outdoors with a wooden fence and greenery in the background. The person's legs are the central focus of the image.

"Report, Agent R.
You have any lead
on the East yet?"

Negetive, sir. I
just got shot by
Leina, a secrentary.

"Those bullets
can't made you
injured anyway."

Well, hello? She
almost made sure
with a shot in my head?

"Enough chit-chat.
Plan B, 'Into the
Rabbit Hole'."

Huh? Me alone?
No help or support?

"Listen, Agent R.
We entrust everything
to you. Our country
are on the edge of war."

"We believed that you can still work with your supernatural power?"

I guess so. As long as you paid me well.

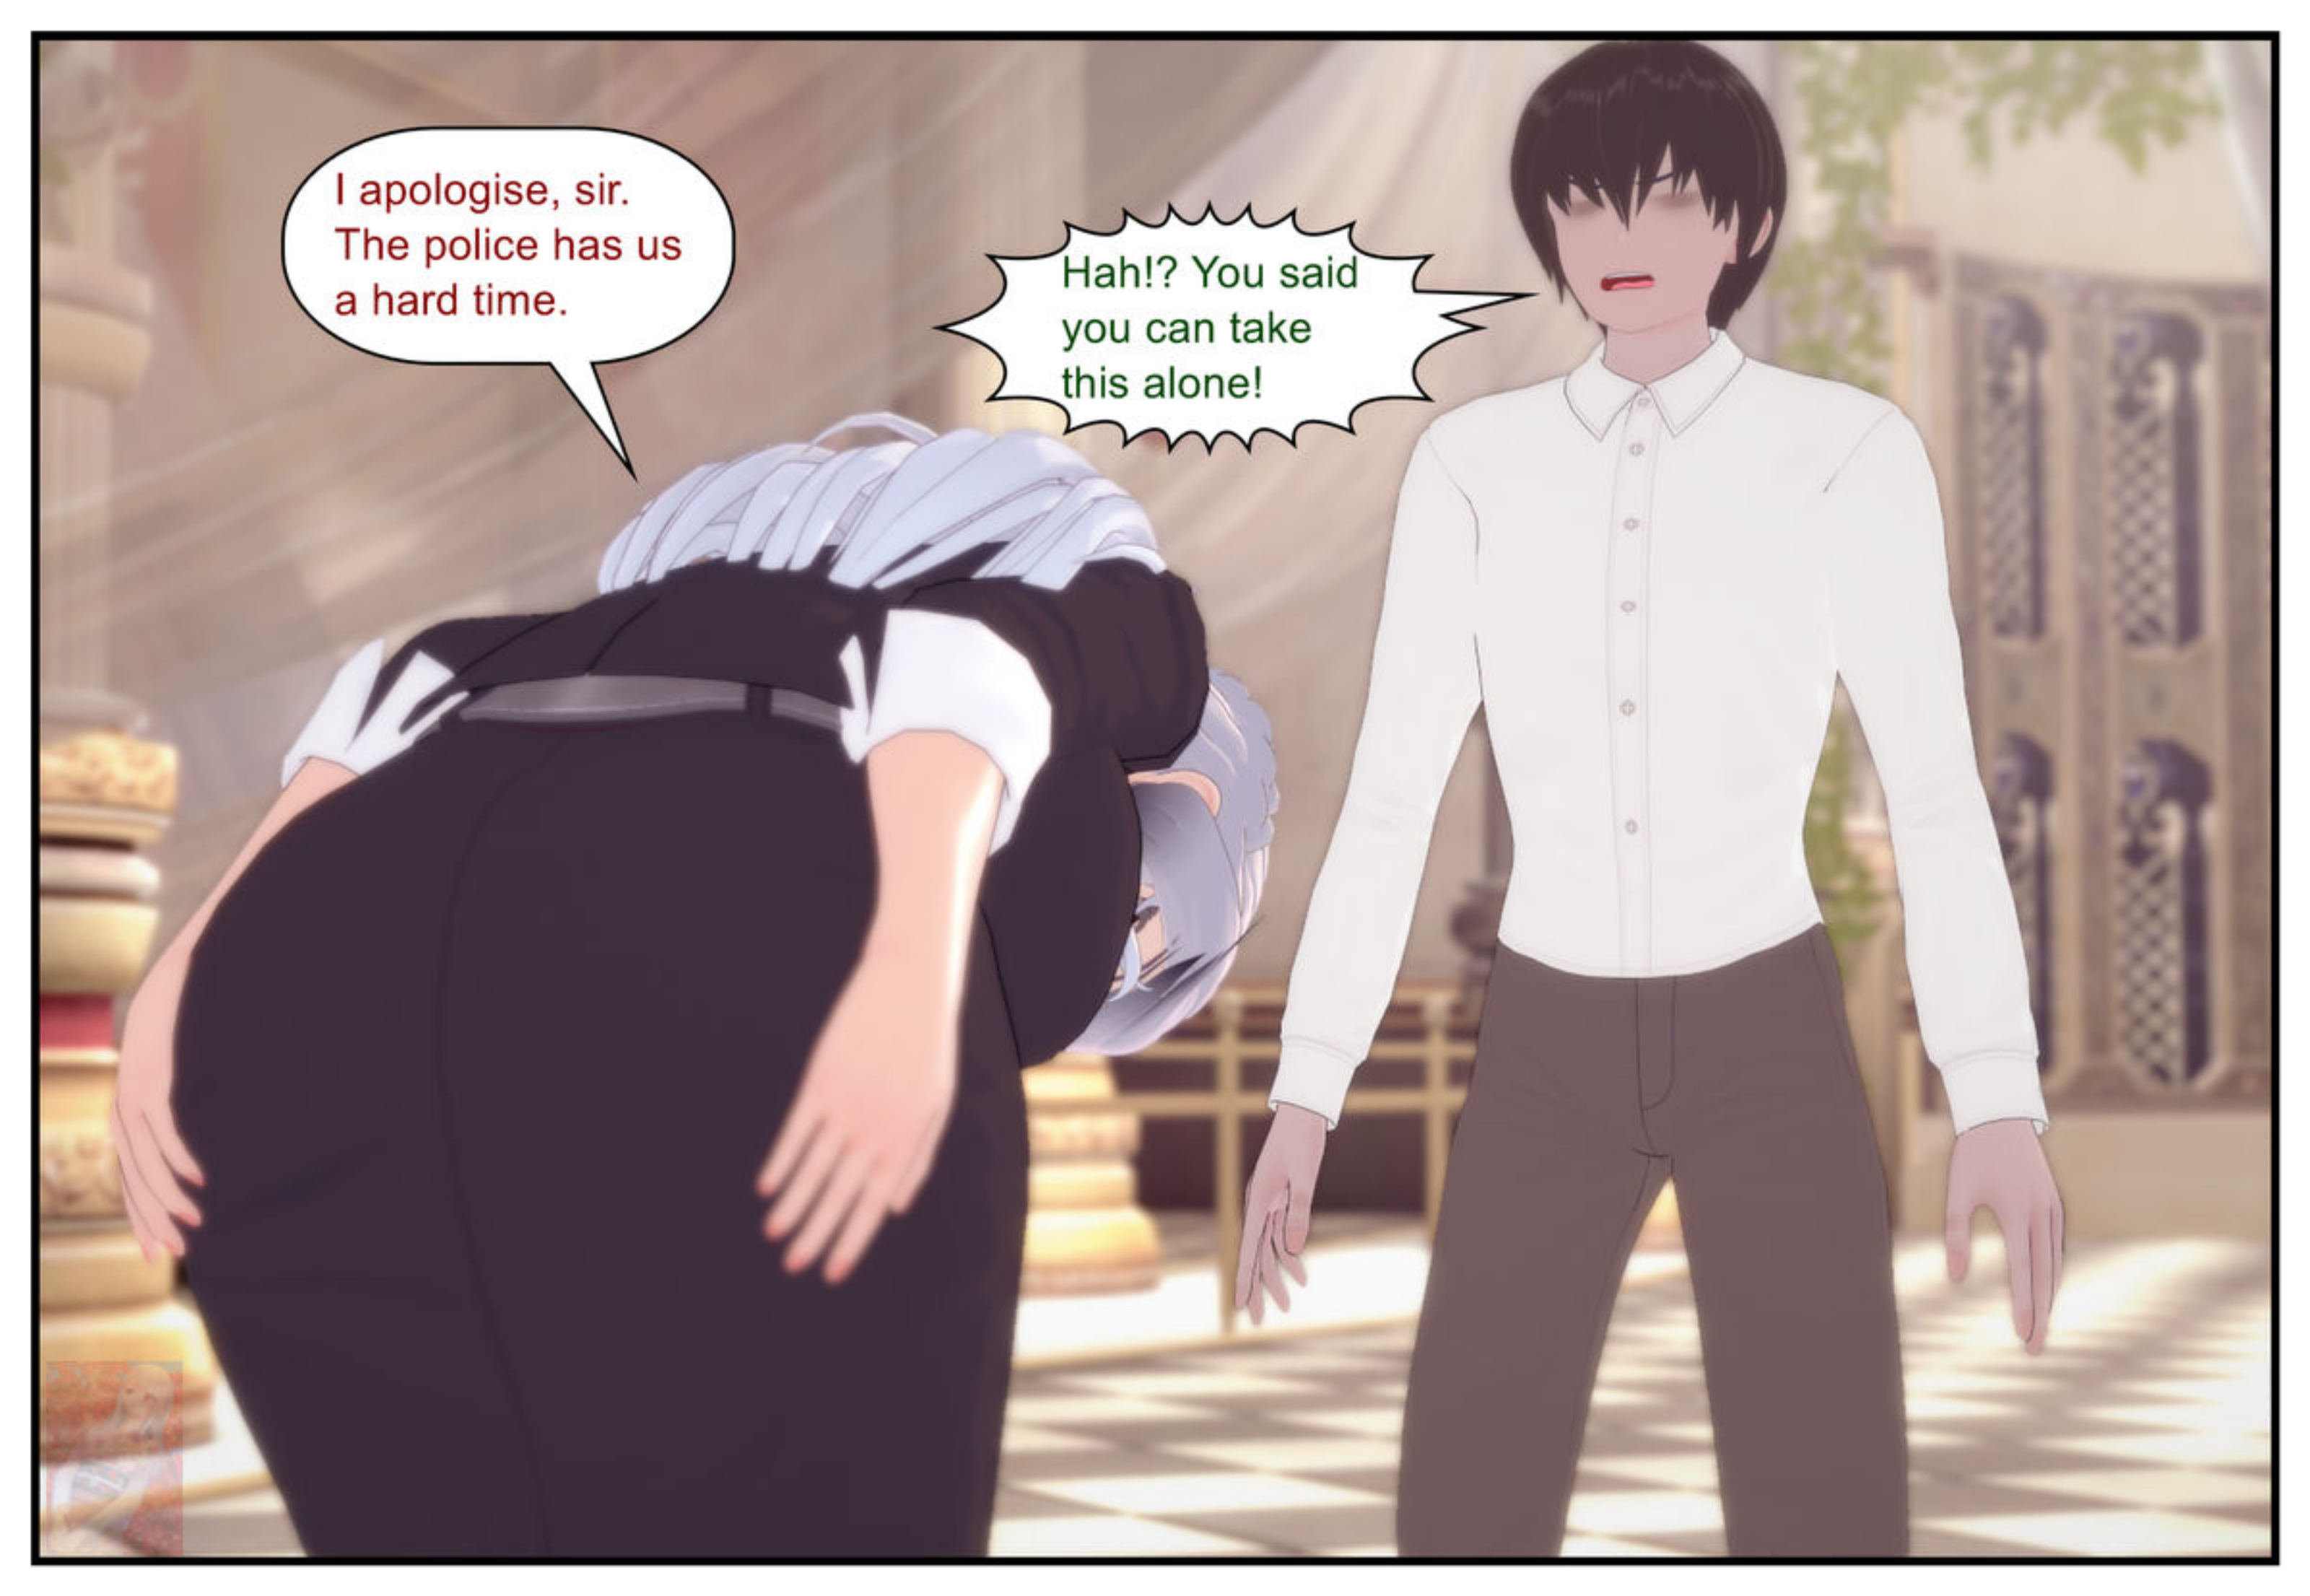

Report in, I just returned from the meeting.

Well? Did you
get what the West
is doing?

I apologise, sir.
The police has us
a hard time.

Hah!?! You said
you can take
this alone!

Just a simple job!
Get the file and bring
it to me!

I won't repeat it again next time..

Enough! You are going to be replaced!

Get your stuff and
get the fuck out
of my masion!

Yes, sir. I
understand.

"The owner must be really angry.."

Dinner is ready,
please follow me.

Scram! I don't
want to eat those
countryside food!

Just be right on
time tonight as usual.

"Phew.. I could get those leftover back for my family.."

G-Guard..

んんん...

"Agent R, we saw you stand in one place on the scanner.."

No, I just got a new disguise.

What's your
next order, sir?

"Eliminate the high ranking officer. Silent anyone you interact with."

Yes, sir. I got it. Going to clean up now.

Ugh.. My head..

Ah.. Y-You..
W-Wha..!!??

H-How did you..?
S-Secur..

You are Kei, borned
in 1998, currently
work as a maid to
take care your family.

Ssshhh.. My order is to silent anyone who interact with me.

When I touched
you, I can access
to your brain and
memorize everything.

And allow me to
copy your form
with voice.

Are you.. going
to kill me?

Yes, it's
my order.

But you aren't like any bad to me so..

I can deliver
last words to
your family.

T-Then.. tell
San.. to live
well without me.
She's my only family.

A close-up manga-style illustration. On the right, a character with long, light pink hair and a black maid's headpiece is shown crying. Her eyes are closed, and tears are streaming down her face. She has two 'X' marks on her forehead, suggesting a wound or injury. She is wearing a black maid uniform with white ruffles. On the left, the back of another character's head and shoulder is visible, with long, light pink hair. A hand with a black, shiny glove is gently touching the crying character's forehead. A speech bubble from the gloved hand contains the text.

And I wish..
someone good.. can
take care of her.

Oh and.. tell her..
that Kei has did
a great job..

Got it. I will
make sure
it get to San.

Where's my
maid!!!???

Y-Yes sir? Sorry
I'm late!

Didn't I told
you to be
on time!?

I'm really sorry.
Won't be next time.

Huh..? What
is that on
your shirt?

This is chicken blood
when I made dinner.

Is there something wrong, sir?

Nothing. Get on the bed, now.

Ah.. Yes.. Do
it more..

Make me cum
as usual..

What are you waiting for?
Let me insert
inside you.

I can't, sir.

Heh..? Is that so?

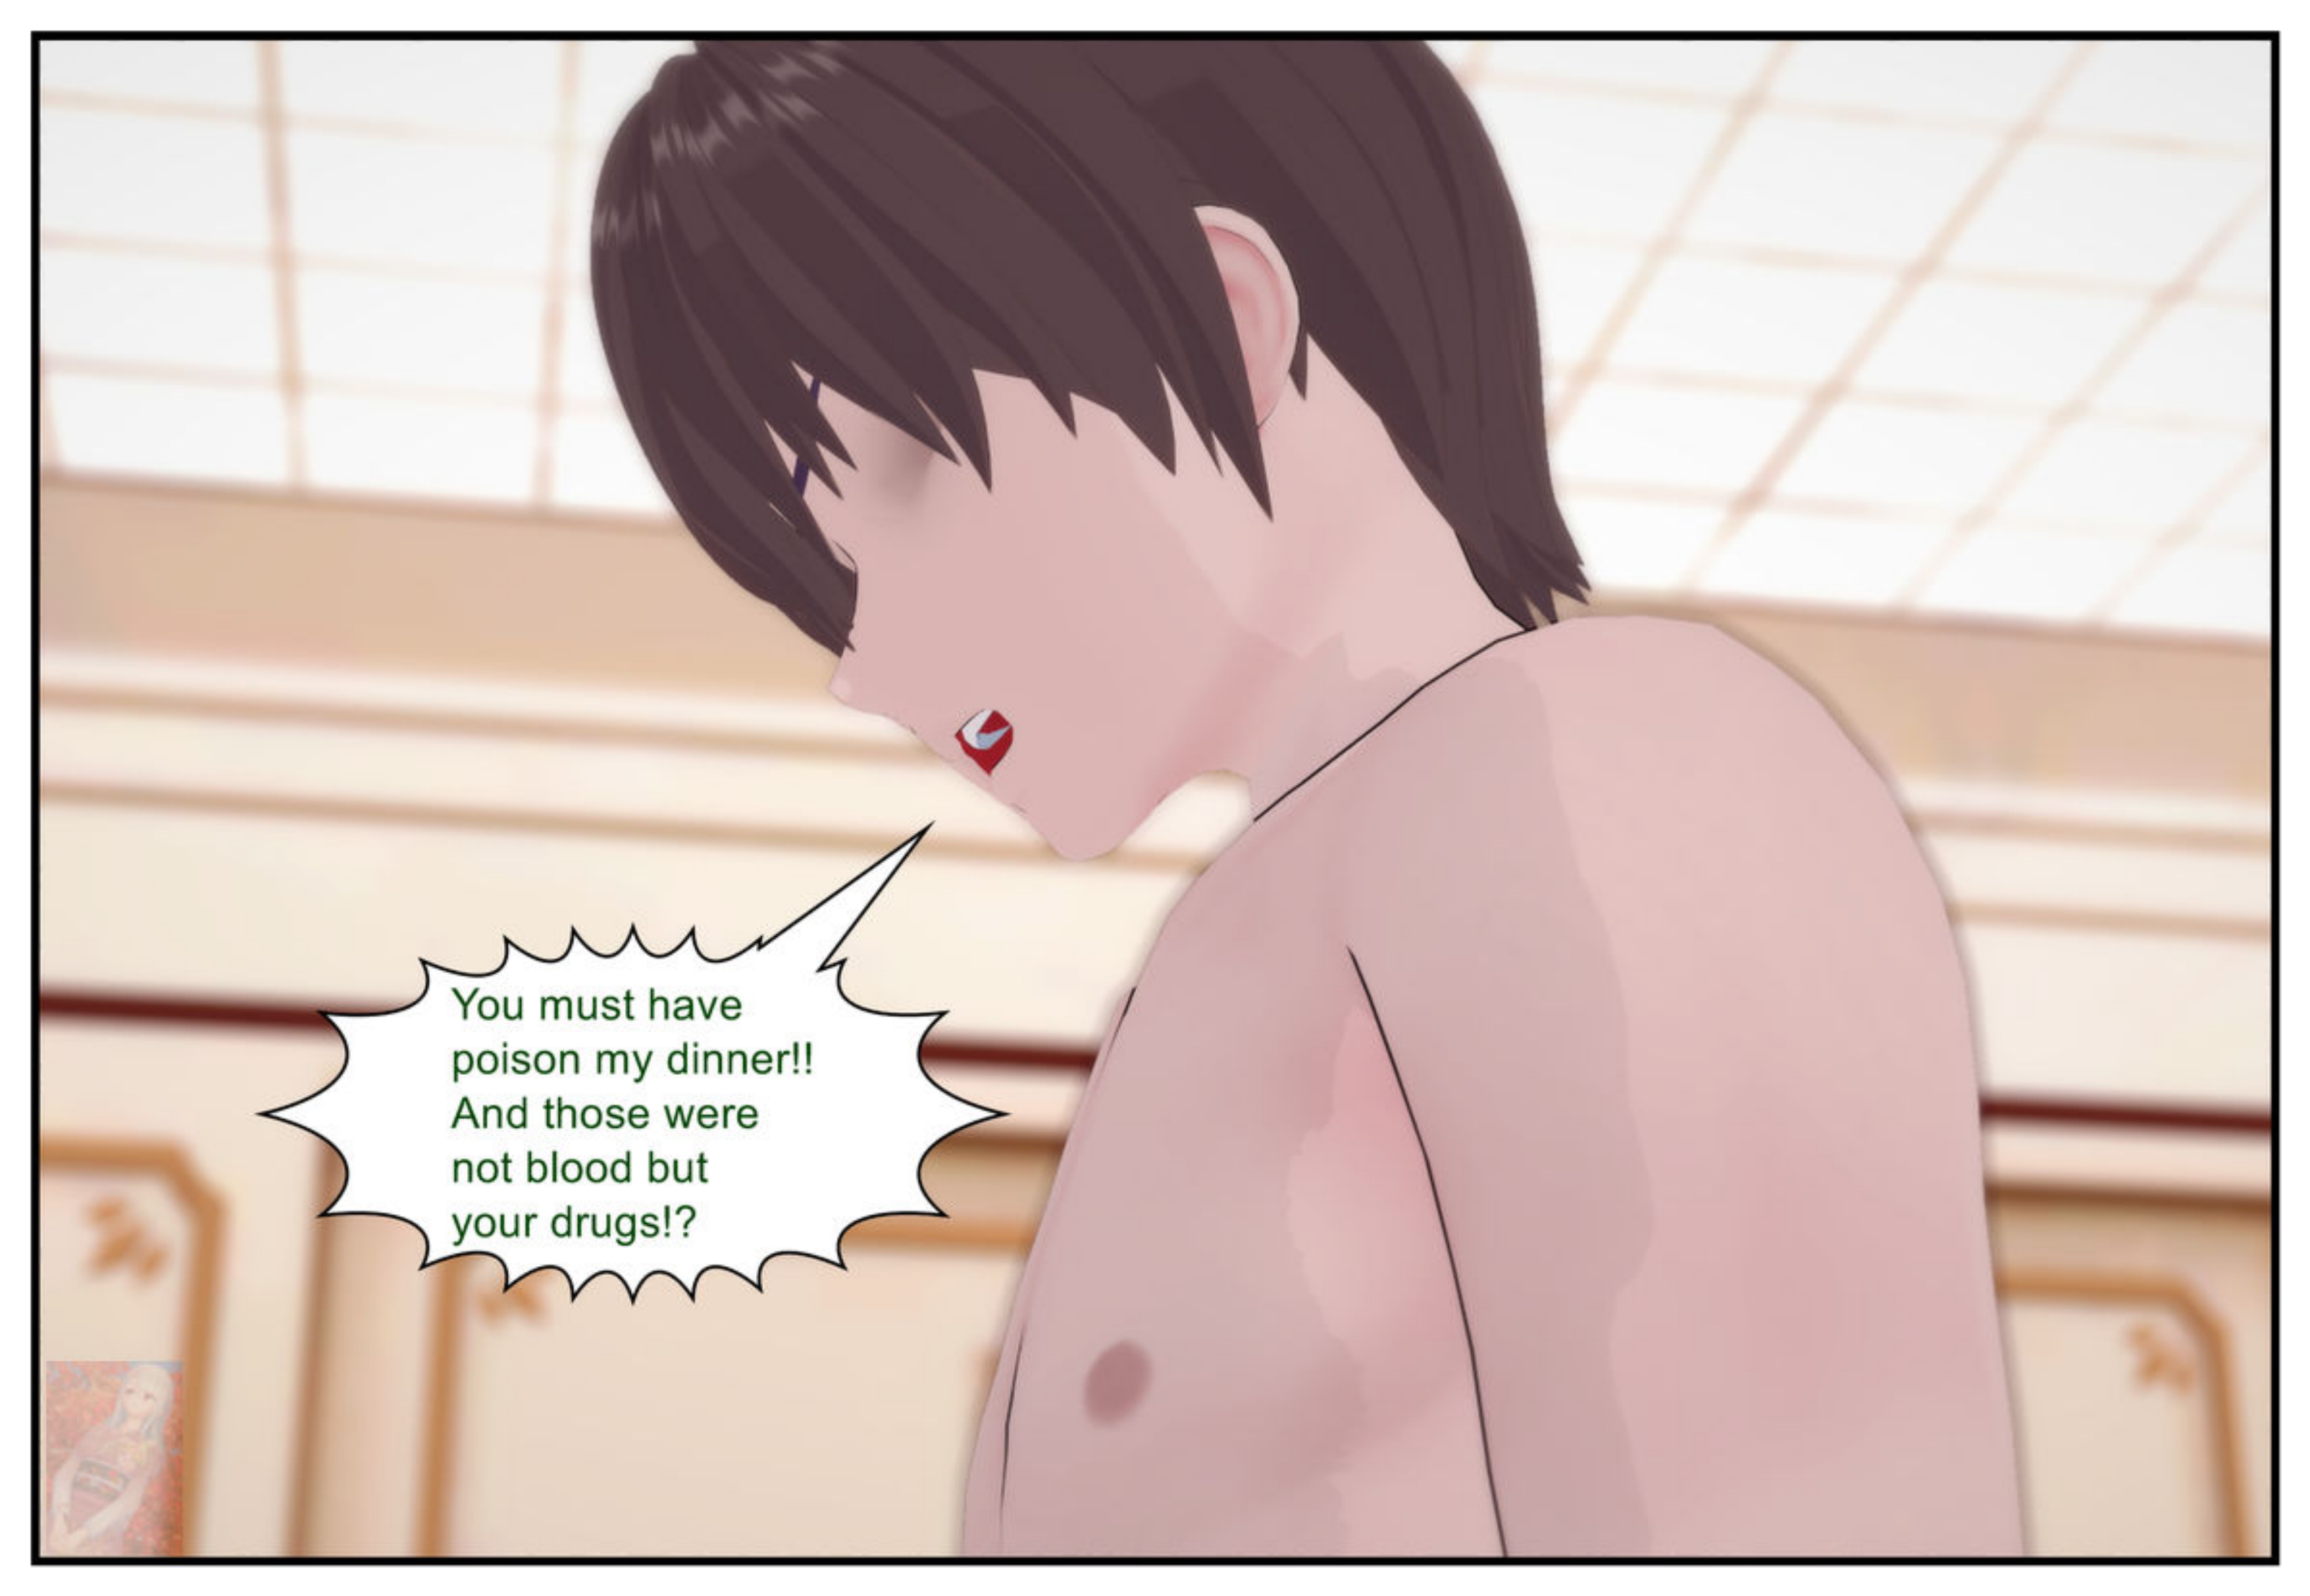

You rat!!

You worked for
the Wesrt, yes?
I suspected you
for a long time!

You must have
poison my dinner!!
And those were
not blood but
your drugs!?

I will kill you
myself right
here!! Right now!

Y-You.. didn't
kill me..?

No, I already
killed you.

This is your
blood, right?
That's mean..

Hah.. Anyway,
I need you to
work with me.

What is this..
shadow..?

No..!! You!!
Get off me!!
Slash Ah..
Ack.. Ack..

Mission completed.

"T-This girl.. She wasn't a cold blooded spy.. after all.."

Thank you for
your cooperation.
Could you.. get up?

I already made a safe place for you and your family in the West.

No, we will stay.
Please take me
with you on your
mission.

ooo

N-Not like you control me to say that or something.. I volunteer..

Huh? I don't have that type of skill?

You come with me or not?

Eh!? I thought you have it and.. control..

Y-Yes! But.. when
did you get into
the room..?

"Stop asking too much to a spy."

Can't trigger the
detonation?

That C4 only
for the asshole
who replaced me.

You really work
in order, Leina.
Hope you don't
regret about it.

We will see
about that.

A black car with glowing red taillights is driving away from the viewer on a city street at night. The background features tall buildings with many lit windows, creating a grid of light. The car is in the center of the frame, and its shadow is cast on the road. The overall scene is dark, with the primary light sources being the car's taillights and the city lights.

Drive me to the
West's embassy.

To be continued..?
